Marriage And Morning Shows Mix Well For Some On-Air Duos

by Chuck Taylor
and Dylan Siegler

They're both hard work: successful marriages and successful on-air partnerships. Perhaps that's why only a handful of brave couples are willing to tackle both challenges, and their attendant tensions, at once.

Around the country, across all formats, Monitor found only a handful of husband-and-wife duos, evenly divided over current music formats, including news/talk. "We're kind of a close-knit fraternity," says Chuck Johnson, half of Johnson and Johnson, who does mornings with wife Debbie at country WKXC Augusta, Ga. "We always run into other couples at conventions, and we look at each with this sort of knowing look in our eyes.

"At [the annual morning-show] boot camp [convention]," he adds with a laugh, "we listen to radio duos complain and say, 'Well, you don't have to live with it. Your problems could be worse, pal.'"

Among most couples surveyed, radio came before romance, leaving a budding affair to open up in front of the microphone.

For Jagger and Kristi, who handle afternoon drive for modern adult KFMB-FM (Star 100.7) San Diego, the tingle began after she had been doing traffic for Jagger's show for about a year. "We got a crush on each other," Jagger says, as he began to pull her more into the show as an integral element. Months later, they revealed to listeners that they had become a couple, thanks to a Valentine's Day promotion for which they pretended to get married.

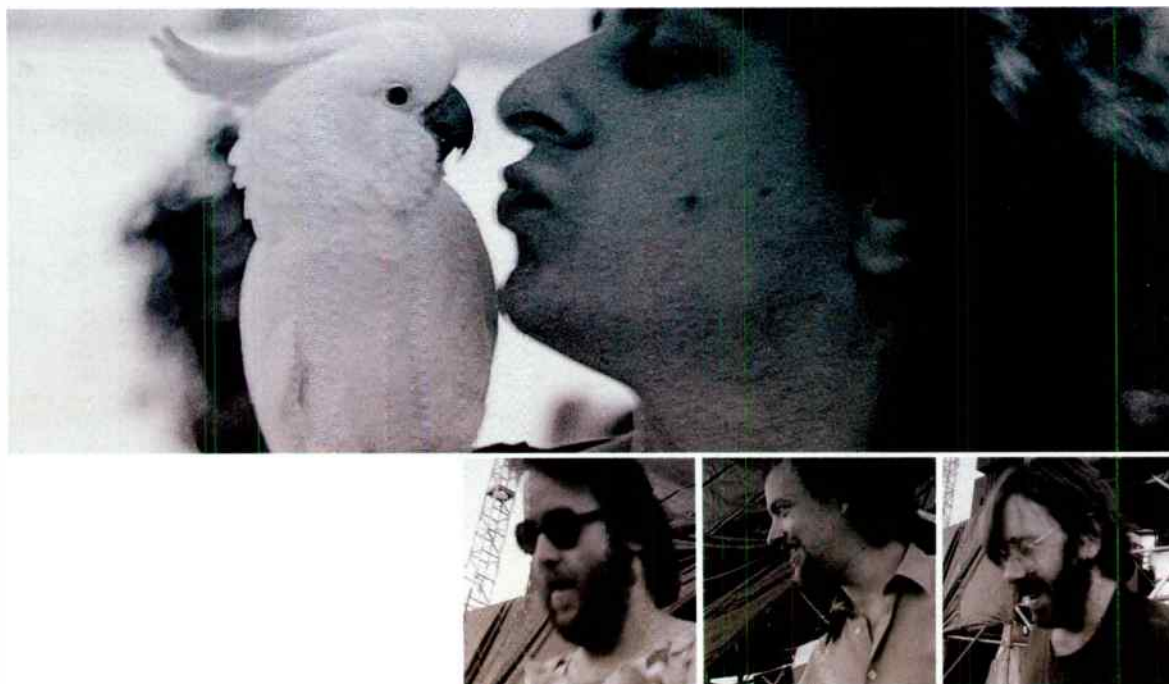

"We weren't sure how listeners would accept it, but they seem to like the fact that we're a couple. I think they sense some kind of sexual tension," says Kristi.

"We worked together for seven or eight months before anything remotely started happening," says Debbie of Johnson and Johnson. The pair began working together in mid-'92 at a station in Waco, Texas.

Sinclair Gets A Classic Rock/Hits Combo

In a big week for format changes, Sinclair's former adult R&B outlet **KXOK** St. Louis dropped its simulcast of modern sister **KPNT** and relaunched as "The Rock—classic rock that really rocks," along the lines of **WNRQ** Nashville. This gives Sinclair both classic rock and classic hits outlets in the same market, since crosstown **KIHT** just shifted its on-air imaging from "the '70s station" to "classic hits." (The two stations are operated separately.) **KPNT** APD/imaging director **Marty Linck** is named PD of the new station.

KXOK's launch tapped into the **Mark McGwire** hysteria. It started stunting Sept. 25, alternating **McGwire**'s theme song, "Welcome To The Jungle" by **Guns N' Roses**, with the phrase, "If you build it, he will come," from the film "Field Of Dreams." At the St. Louis Cardinals' final game of the season, the station flew planes around the stadium towing signs proclaiming the new station. In the ninth inning, **KXOK** flew a plane with a sign thanking **McGwire** for his 70 home runs. It's now airing 7,000 songs in a row, 100 for each 1998 home run **McGwire** hit.

In other format changes this week, **KMJZ** Minneapolis drops jazz for modern AC as the Point under new owner CBS. Overseeing **KMJZ** for the past week has been **KAMX** (Mix 94.7) Austin, Texas, PD **Dusty Hayes**. Elsewhere on the modern adult front, soft AC **WXRK** Fort Myers, Fla., is now Star 100, patterned on sister **WSSR** (Star 95.7) Tampa, Fla. **Jim Radford** remains PD.

KLZK Lubbock, Texas, flips from classic rock to rhythmic top 40 as **Kiss 104.4** under PD **Ram Rodrigues**. The second Texas rocker in two weeks to become its market's second top 40, following last week's flip of album **KBAT** Odessa, **KLZK** is balanced somewhat by classic rock **KHKS** Abilene, Texas, which assumes the frequency of top 40 **KFQX**. **KFQX** resurfaces on **KHXS**' frequency as an AC outlet.

Classic rock **WMQC** Morgantown, W.Va., flips to Jones Satellite Networks' AC feed.

BUSINESS: FIELDS OF GOLD

David Field, COO of Entercom Broadcasting for the past two years, is upped to president.

Joseph Field remains chairman/CEO.

Triple-A **WBOS** Boston GM **John Laton** gets consulting duties for Greater Media's Boston properties.

Veteran Texas rock GM **Pat Fant** exits **KTXQ** (Q102) Dallas in the wake of that station's flip to R&B oldies. **Fant** is replaced by **Brian Bieler**, former president of Viacom Radio Group.

The Department of Justice has thwarted the sale of album **WQWK** State College, Pa.'s adult top 40 sister **WIKN** and two AMs from Citadel to **Talleyrand**, owner of crosstown **AC WZZW**.

Northern Indiana Broadcasting sells album **WZOW** South Bend, Ind., to **Van Hawke-Johnson Communications**.

Westwood One will launch a youth-targeted network, **Source MAX**, in January. Affiliates will include moderns **WXRK** New York, **KROQ** L.A., and album **WYSP** Philadelphia.

Album **WBAB** Long Island, N.Y., taps GSM **Joel Simon** from **LSM** at **AC WLTW** New York.

PROGRAMMING: HACKER KKDM OM

Modern **KKDM** Des Moines, Iowa, night/imaging guy **Bobby Hacker** gets OM duties and is a.m. driver until a permanent morning host is named. Recently acquired **Jamie Marchiori** is doing production and nights. Former **KKDM** MD

Sophia Johns joins album **KIBZ** Lincoln, Neb., for P/T.

Modern **WGBD** Lafayette, Ind., 4-10 p.m. host **Steve Clark** picks up PD stripes.

Album **WHEB** Portsmouth, N.H., PD **Glenn Stewart** joins classic rock **WAQY** Springfield, Mass., for the same, replacing **Jon Robbins**.

Classic rock **KRKQ** Des Moines, Iowa, PD/p.m. driver **Dan McClintock** exits.

PEOPLE: COW V. BEAR CONTINUES

The Illinois Supreme Court is hearing an appeal in the case of former Chicago Bear lineman **Keith Van Horne vs. Matthew "Mancow" Muller** et al. **Muller's** attorney **Steve Baron** claims the case could have a chilling effect on broadcasting. **Van Horne** claims that **Muller's** previous station, album **WRCX** Chicago and then parent **Evergreen Media** (now **Chancellor**) were negligent in hiring **Mancow**. The case stems from a November 1994 confrontation between **Muller** and **Van Horne**. At the time, **Van Horne** was broadcasting his own show for the company and had a run-in with **Muller** in the hall. **Muller** claimed on the air that **Van Horne** had threatened his life. **Van Horne** initially sued for defamation but amended it to include negligence on the station's part for hiring **Mancow**. Although initially dismissed, an Illinois First District Appellate Court reinstated the case upon appeal. **Muller's** team is now appealing that decision. **Baron** claims that the case threatens to set a "dangerous precedent" and instill "a severe chilling effect" that would dissuade broadcasters from hiring controversial talent.

Former **KITS** (Live 105) San Francisco APD/middays **Roland West** is **Geffen's** new S.F. regional, replacing **Scott Perlewitz**, now with **Reprise**.

Classic rock **KLRZ** New Orleans welcomes market vet **Cadillac Jack** back on-air in mornings with PD **Jeff Boggs**. Local TV vet **Tom Gregory** picks up afternoons.

Album **KRXQ** Sacramento, Calif.'s **Justin Case** exits "The Rise Guys" morning show. Creative services director/late nights **Chris Rice** replaces him as co-host. Reach **Case** at 916-922-9607.

Detroit veteran **Bob Bauer** returns to radio on classic rock **WWBR** as **Ted Nugent's** morning co-host. He replaces the exited **Jaz McKay**.

In other Detroit-related news, former classic rock **WCSX** p.m. driver **Carl Coffee**, now in mornings at album **WWGZ** Flint, Mich., is replaced by **Steve Cooper**, from nights at classic rock **KRFX** Denver; **Cooper** was also in mornings on Jones Satellite Network's classic rock feed.

Back at **KRFX**, **Cooper's** long-vacant slot is filled by album **KIOZ** San Diego p.m. driver **Brian Christopher**, who isn't leaving San Diego but is doing the **KRFX** night shift via ISDN.

Alanis Has Highest Modern Adult Debut

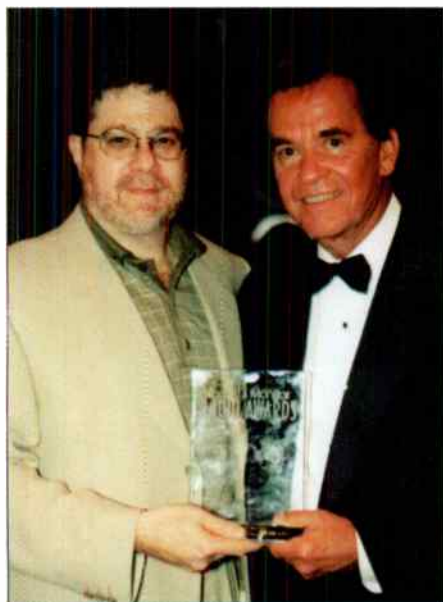

Alanis Morissette's "Thank U" (**Maverick**) makes the highest debut ever on the modern adult chart. It enters at No. 7 with **Airpower** honors, garnering 1,316 detections.

Since the triple-A chart was first published in *Monitor* in February 1996, 33 songs have hit No. 1. This issue, with "My Favorite Mistake" (**A&M**) topping the chart, **Sheryl Crow** becomes the first solo artist to hit No. 1 three times. **Crow** spent one week at No. 1 in October 1996 with "If It Makes You Happy" and six weeks at No. 1 during the summer of 1997 with "A Change Would Do You Good," both from her second, self-titled album. *Monitor* had not yet published a triple-A chart when **Crow** released her debut album, "Tuesday Night Music Club." **The Dave Matthews Band** is the only other act to get a triple-A No. 1 hat trick; "Too Much," "Don't Drink The Water," and "Stay (Wasting Time)" all hit No. 1. The group's latest, "Crush" (**RCA**), rises 18-13 and marks its ninth appearance on the chart.

Two of this week's modern rock entries come from artists who have left successful group situations for solo careers. Former **House Of Pain** rapper **Everlast** debuts at No. 36, and **Rob Zombie**, whose band **White Zombie** recently announced its dissolution, debuts at No. 40.

MUSICAL CHAIRS: **TVT's** **Sudi Gaache** joins **Virgin** as East Coast rock national... **All-American Music Group** (formerly **Scotti Bros.**) senior director of national promotion **Steve Lake** exits his post after 18 years to pursue other opportunities. Reach him at 310-477-9507.

World's Oldest Teenager Wins All

Billboard Music Group president **Howard Lander**, left, congratulates **Dick Clark** on winning the second annual **Alison Steele Lifetime Achievement Award**. **Clark** also served as host of the 1998 **Billboard/Airplay Monitor Radio Awards** Sept. 19 in Phoenix. Special All-Format Combined Issue

Next Week: The Detection Revolution

The revolution, as we all know by now, will not be televised. But it will be in your mailbox

next week, as *Airplay Monitor* celebrates its fifth anniversary with an expanded special issue, "The Detection Revolution."

Featuring extensive interviews with programmers and label executives from all formats, the special takes an in-depth look at the impact of monitored airplay on the music industry, as well as the inner workings of Broadcast Data Systems and its plans for the future. There'll also be numerous pages of charts, including rock's most-spun songs, artists, and labels of the past five years, as well as the most-spun artists, songs, and labels for all of *Monitor's* formats combined. This special combined issue will also contain the regular weekly charts and features of all four *Airplay Monitor* publications: Country, R&B, Rock, and Top 40.

Look for "The Detection Revolution"—five years and millions of detections in the making—in next week's *Airplay Monitor*.

Modern **KTBS** Houston picks up **Whipping Boy** from album **KBPI** Denver for nights, replacing **John Leach**, who left around the time of **Jacob's** takeover of the station.

Album **WYSP** Philadelphia fills middays, left open when **Mel "Toxic" Taylor** left, with p.m. driver **John DeBella**. Night jock **Couzin Ed** goes to afternoons; former modern **KEDG** Las Vegas morning woman **Jesse Jessup** gets nights, which now is called "Extreme YSP," with less classic rock and more active titles from the likes of **Korn** and **Rage Against The Machine**.

Modern **WPLY** (Y100) Philadelphia picks up **Steve Morrison** as morning co-host with **Preston Elliot** and **Marilyn Russell**. **Morrison** was last

morning co-host at classic rock **WAXQ** New York. **Caribou/Hawaii** OM **Jeff Blazy** picks up mornings at the cluster's modern **KPOI** Honolulu.

Omnipoint Communications consumer marketing manager **Roger Tashjian** joins album **WNEW** New York as promotion director. Heading slightly east, **WLIR** Long Island, N.Y., promotion manager **Susan Krick** is upped to promotion director at that station.

Modern **KMYZ** Tulsa, Okla., MD **Ray "Raydog" Seggern** picks up the 10 a.m.-noon shift.

Modern **KJEE** Santa Barbara, Calif., takes advantage of rival **KHTY's** flip. Former **KHTY** night host **Spencer** joins **KJEE** for same, as **J-Man** cuts back to P/F work while continuing school.

Marriage And Morning Shows Mix Well For A Few On-Air Duos

Continued from page 1

and "we kept it secret there, though it was hard to keep it under wraps because we were always together. We thought that management would ultimately frown upon it."

Not so now, however; most married duos allow last night's pork chops to become part of the banter if it fits in. "I think most stations view a married couple as an inviting concept," says Davin of rhythmic top 40 KKXX (X96.5) Bakersfield, Calif., morning team Davin and Ana Fesmire. "You don't have to hope that a duo will develop good chemistry—it's already there."

"Of course, if your partner sucks," he adds, "you're both out of a job."

"People really seem to love it," says Stephanie Porter of the duo Billy Dee and Stephanie Porter at R&B WAGH Columbus, Ga. "They love to see the positive family image, especially in the black community, where there's so much talk of the disarray of the family. They can see where a man loves his wife and she loves him."

They also offer a program feature called "Dear Stephanie," where listeners call in with personal and marital problems. "We'll talk about things that work or don't work for us, things that parents face, things we love," says Porter. "They call us on the air and off. We love to share our experiences where it could help somebody else."

AGAINST THE GRAIN

In the modern rock arena, the concept of a married couple on-air might appear to go against the determinedly cynical nature of the format. Not so, according to Ernie and Jane Mills of "The Morning Edge" at KMYZ (ZI04.5) Tulsa, Okla.

"We weren't sure what to expect with the modern rock format. Would I be less appealing because I wasn't a single chick anymore?" says Jane. "But the audience has embraced the whole situation. It's kind of blown us away."

"It's been like a coming of age for all of us," Ernie says. "We came up with the angst-ridden generation, and now we're getting on with life. The generation is growing up."

Their audience has also seen the couple through the birth of their first child, Fritz, and, in fact, Ernie now works from the studio, while Jane co-hosts over ISDN lines from home.

"People have embraced the whole situation. They've heard about Fritz since he was a bean," Ernie says. "Fritz said his first words over the air during our shift; he said, 'Mommy and Daddy.'"

While Eric Ferguson, half of the morning duo at modern adult WTMX (101.9, the Mix) Chicago, doesn't share mornings with fiancée Dr. Jennifer Moran, a local dentist, his relationship with her has been a regular topic of discussion with his a.m. partner on the "Eric And Kathy Show" for two years. Again, listeners have grown to care about the couple and their business.

"On the first date, I ended up kissing Jen at the end of the night," says Ferguson. The next morning on the air, he expressed second thoughts about the kiss to the Greater Chicago

area. "I said, 'She's gotta hate me,'" says Ferguson, "and then she called in and said, 'No, it wasn't bad.'"

Ferguson's romance soon became a stock subject on the morning show. "It's nothing that's contrived to appeal to the [station's 18-34 target] demo," says Ferguson. "But since Jen and I are both in the demo, our listeners are living the same circumstances that we are. We're just living our life in a public forum."

PRE-EXISTING BOND

Those who share their professional and personal lives on-air also claim that their pre-existing emotional bond has an impact in how they do their jobs.

"It can either help or hurt a lot," offers KKXX's Davin Fesmire. "I think there are instances where some married morning shows are restricted and lame because one partner is afraid they're going to piss off the other and then they'll take it home."

"We just tend to piss each other off at home," jokes partner Ana.

Davin adds, "In order to have a really good show with a spouse, you've got to have a really good, solid relationship."

"It helps that we were good friends before we started dating," adds Chuck Johnson. "Who doesn't want to spend time with their best friend?"

"There you are sitting in the hot tub at 10 o'clock at night, and you have the advantage of talking about the show right there," says Kristi of Jagger and Kristi.

Adds Jagger, "But there are limits, too. When we're home at 7 on a Friday night, we'll say, 'OK, is there anything we need to talk about before the weekend? Then that's it; it becomes just the two of us and not the radio persona.'"

OUR LIVES ARE SHOW PREP

For N/T WLS Chicago morning duo Don Wade and Roma, "our lives are show prep," Wade says. "I can't imagine finding anyone willing to be married to me that could live these hours."

The couple wakes at midnight; Wade goes through the news and entertainment programming he recorded throughout the day and night on a multitude of VCRs. By 2:30 a.m., they get ready for work. They hit the street at 3 to catch a bus to the station ("It keeps life real," Roma says).

And what about the disadvantages of sharing personal and professional lives? There are none, insist each of the couples.

"I highly recommend it," says Kristi of Jagger and Kristi. "We get to spend time together, and we're really compatible domestically and professionally. We enjoy each other, and that's the basis of it all. It's fun to be together so much."

Johnson and Johnson's Chuck sees a plus even if the personal relationship were to crumble: "What more compelling radio than to have a marriage fall apart on your radio station?"

Chuck Taylor is Billboard's radio editor. Dylan Siegler is a Billboard staff writer.

Records showing an increase in detections over the previous week, regardless of chart movement. A record that has been on the chart for more than 20 weeks will not receive a bullet, even if it registers an increase in detections. Airpower awarded to those records that attain 300 detections for the first time. If two records are tied in number of plays, the record being played on more stations is placed first. Records below the top 20 are removed from the chart after 26 weeks.

Records showing an increase in audience over the previous week, regardless of chart movement. Rankings broken down by mainstream, modern, and triple-A formats (on right side of this page) correspond to charts printed in this week's Monitor and therefore rankings do not exist for recurrences and records below No. 40 (No. 20 for triple-A). Audience computed by cross-referencing exact times of airplay with Arbitron listener data. ©1998, Billboard/BPI Communications.

Records showing an increase in detections over the previous week, regardless of chart movement. A record that has been on either chart for more than 20 weeks will not receive a bullet, even if it registers an increase in detections. Airpower awarded to those records that attain 800 detections (mainstream) or 1,100 (modern) for the first time. If two records are tied in number of plays, the record being played on more stations is placed first. Records below the top 20 are removed from the chart after 26 weeks.
