The first single from Lavigne's fourth album, "Goodbye Lullaby," due March 8, opens at No. 6 on Hot Digital Songs (163,000 downloads sold). It's also new at No. 32 on Adult Top 40 and No. 38 on Mainstream Top 40.

23

Beginning at No. 10 on Hot Digital Songs (125,000), the star collaboration marks Jay-Z's 63rd Hot 100 entry, tying him with Stevie Wonder for ninth-most appearances in the chart's history.

30

Claiming dual Greatest Gainer/ Digital and Airplay honors, the second new track from "Greatest Hits . . . So Far!!!," following former No. 1 "Raise Your Glass" (5-8), bounds 66-25 on Hot Digital Songs (70,000, up 95%) and 68-44 (27.5 million, up 54%) on Hot 100 Airplay.

The song increases by 102% in digital sales to 45,000 following the release of an EP sporting three mixes, all longer than the original two-minute, 47-second version available since November.

95

A portion of the Los Angeles rapper's first Hot 100 entry has appeared on the list before: The song samples Nu Shooz's 1986 No. 3-peaking "I Can't Wait."

BETWEEN THE BULLETS

BRITNEY'S 'HOLD' ON HOT 100

Britney Spears becomes the second artist in the Billboard Hot 100's 52-year history to debut multiple songs at No. 1, as "Hold It Against Me" blasts in at the summit. She previously launched at the apex with "3" in the Oct. 24, 2009, issue. Mariah Carey entered at No. 1 with "Fantasy" and "One Sweet Day" in 1995 and "Honey" in 1997. Arriving atop Hot Digital Songs with sales of 411,000, according to Nielsen SoundScan, "Hold" logs the highest debut frame by a lead female artist. On Hot 100 Airplay, Spears' fourth Hot 100 leader (prior to "3," she reigned with her debut single, ". . . Baby One More Time" in 1999 and "Womanizer" in 2008) begins at No. 23 with 45 million audience impressions. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NEW ON THE CHARTS

Foster the People, "Pumped Up Kicks"

The indie alternative trio is basking in the glow of two major events this week. Not only does the band earn its first Billboard chart hit as "Pumped Up Kicks" bows at No. 47 on Rock Songs, but it was announced that the group will play the Coachella festival on April 17.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. Of the eight songs to start north of 300,000 downloads, this track logs the second-largest second-week percentage decline (411,000-183,000, down 55%). Only Taylor Swift's "Today Was a Fairytale" eroded more sharply in its second frame (325,000-100,000, down 69%). Conversely, Spears' song bounds 23-11 on Hot 100 Airplay (60.2 million in audience, up 34%).

The singer/rapper scores his third top 10 as a lead act and fifth overall. The cut charges 19-7 on Hot Digital Songs (141,000, up 55%).

The debut of the Dublin band's second album, "Science & Faith," on the Billboard 200 (No. 3, 49,000) spurs the Billboard Hot 100's greatest positional vault. The track makes the week's highest entrance on Hot Digital Songs (No. 34, 52,000).

After spending five weeks on the chart in June and July, the song (29,000 downloads, up 108%) is being re-worked to radio as an accompanying single to Bieber's 3-D documentary concert film of the same name opening in theaters Feb. 11.

BETWEEN THE BULLETS

DIGITAL, AIRPLAY GAINS POWER P!NK

P!nk rockets to the doorstep of her 11th Billboard Hot 100 top 10, as "F**kin' Perfect" roars 30-11 as the chart's Greatest Gainer/Digital for a second consecutive week. The second single from "Greatest Hits . . . So Far!!!," following former No. 1 "Raise Your Glass" (8-8), blasts 25-6 on Hot Digital Songs (144,000, up 104%, according to Nielsen SoundScan). The release of the song's video and building radio play contribute to its vault, as the track advances 44-35 on Hot 100 Airplay (35.5 million audience impressions, up 29%, according to Nielsen BDS). On the Billboard 200, "Greatest" rises 19-15 (22,000, up 20%), the set's highest rank since it debuted at No. 14 in the Dec. 4, 2010, issue. —*Gary Trust*

NPR gave Dinnerstein plenty of love pre-release, as the set streamed on its website while she was profiled on "All Things Considered" (Jan. 10). It's her third No. 1 on Traditional Classical Albums and, with a 3,000 start, her best sales week yet.

Title's deluxe reissue on Jan. 18 with a bonus track and a DVD boosts the set with a 101% increase.

Album's 84% gain follows a $5 special at Amazon MP3 and the band's "Jimmy Fallon" performance (Jan. 18). It's the set's best week (almost 2,000) since its debut in April 2010.

P!nk's 11th Hot 100 top 10 earns Greatest Gainer/Digital honors for a third straight week. She scores her second No. 1, following "So What" in 2008, on Hot Digital Songs, where her current hit roars 6-1 (241,000, up 67%).

9

The group notches its second top 10, and guest Ryan Tedder lands his first as a solo artist apart from OneRepublic (who reached No. 2 with "Apologize" in 2007). On Hot Digital Songs, "Rocketeer" blasts 14-8 (125,000, up 26%).

The third single from "Loud" bows on Mainstream Top 40 at No. 36 and re-enters Hot Digital Songs at No. 67 (30,000, up 42%).

78

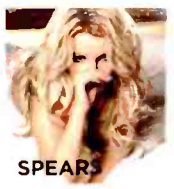
The Los Angeles-based band previews its second album, "Sorry for Party Rocking," with this track. It also starts at No. 3 on Dance/Electronic Digital Songs and No. 53 on Hot Digital Songs (34,000).

89

Ahead of the March 15 release of the group's sixth studio album, "Endgame," the lead single bounds 19-11 as the Greatest Gainer on Rock Songs (6.1 million in audience, up 27%) and 17-6 on Alternative.

BETWEEN THE BULLETS

SPEARS SPEEDS TO AIRPLAY TOP 10



SPEARS

Despite dipping 6-8, Britney Spears' "Hold It Against Me" earns Greatest Gainer/Airplay honors on the Billboard Hot 100 for a second straight week. The lead single from Spears' seventh studio album, "Femme Fatale," due on March 15, jumps 11-9 on Hot 100 Airplay (74 million audience impressions, per Nielsen BDS, up 22%). Reaching the top 10 in three weeks, it's Spears' fastest climb to that region and the quickest since Katy Perry's "California Gurls" also did so in that amount of time on the June 12, 2010, chart. On Hot Digital Songs, "Hold" slides 3-10 (113,000 downloads, down 38%), spurring an overall 22% decline in Hot 100 chart points and an unbulleted ranking, despite its airplay accolades. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NEW ON THE CHARTS

Kimberly Caldwell, "Desperate Girls & Stupid Boys"

The former "American Idol" finalist struts her way onto a Billboard chart for the first time as remixes of this single enable its debut at No. 50 on Dance Club Songs. It's the lead track from her album "Without Regret," due April 19 on Vanguard/Capitol.

CALDWELL

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. Dr. Dre lands his highest Hot 100 debut, as the second single from his forthcoming album "Detox" soars in atop Hot Digital Songs with 226,000 downloads sold, according to Nielsen SoundScan. The set's first single, "Kush," reached No. 34 on the Hot 100 in December.

Outperforming Brown's poppier "Yeah 3X" (16-17), the track opens at No. 4 on Hot Digital Songs (158,000). It surges 30-23 (11 million audience impressions, up 42%, according to Nielsen BDS) on Hot R&B/Hip-Hop Songs.

31

The song storms 67-20 on Hot Digital Songs (75,000, up 147%) and starts as the highest new entry on Hot 100 Airplay (viewable in full at billboard.biz/charts) at No. 57 (22 million in audience, up 83%).

The comedy trio, boasting "Saturday Night Live" cast member Andy Samberg, bows with the help of Minaj, who sits atop the Billboard 200 (see page 38). The track, which premiered in a digital short on the show's Jan. 29 episode featuring Minaj, enters Hot Digital Songs at No. 60 (32,000, up 405%).

BETWEEN THE BULLETS

NOBODY BEATS THE WIZ

As perhaps a measure of consolation for forlorn Pittsburgh Steelers fans, Wiz Khalifa's Steel City anthem "Black and Yellow" ascends to the top of the Billboard Hot 100, jumping 4-1. Though the Steelers lost Super Bowl XLV to the Green Bay Packers, the rapper's maiden Hot 100 entry—and the chart's 999th No. 1 (see Hot Box, page 37)—registered sales and airplay gains in the tracking week leading up to the NFL title tilt. "Black" holds at No. 2 on Hot Digital Songs for a third consecutive week (198,000 downloads sold, up 6%, according to Nielsen SoundScan) and pushes 10-7 on Hot 100 Airplay (81 million audience impressions, up 11%, according to Nielsen BDS). —*Gary Trust*

1 The Hawaii-based five-piece also arrives at No. 2 on Reggae Albums (behind Bob Marley, naturally) with 4,000. Its "Time Bomb" also hit No. 2 earlier this year (behind Matisyahu's "Light").

The trio lands its seventh top 10 on Blues Albums, bowing at No. 2. It ties the act with Roomful of Blues and George Thorogood & the Destroyers for second-most top 10s among groups.

Last week's MTV PUSH act returns to the list with a 56% gain.

The Naked and Famous, "Young Blood"

The five-piece electro-pop band from Auckland, New Zealand, makes its Billboard chart debut, arriving at No. 33 on Alternative. It's the first offering from the group's debut album, "Passive Me, Aggressive You," due March 15.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS; sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. After Green's Gwyneth Paltrow- and Muppet-assisted performance at the Grammy Awards (Feb. 13), the song bests its previous No. 9 peak set in December. While it bounds 12-6 on Hot Digital Songs (148,000, up 55%), it's likely to sustain momentum next issue following a full week of Grammy-prompted sales.

The singer scores Greatest Gainer/Digital honors for a second consecutive week (145,000, up 93%). She also leaps past Ludacris for most top 10s (18) since 2000.

18

While the "Glee" cast, with six bows, passes Elvis Presley for most entries in the Hot 100's history with 113 (see Over the Counter, page 69), featured artist Lil Wayne ties the Beatles for sixth place (67). The track begins with 135,000 downloads sold.

Singer/songwriter previews her third studio set, as the first single starts with 130,000 downloads and rises 38-33 (up 92%) on Adult Top 40.

75

The cast member of the CW's "One Tree Hill" premiered her debut single on the series' Feb. 8 episode. The cut starts at No. 6 on Country Digital Songs (41,000).

BETWEEN THE BULLETS

GAGA'S 'BORN' TO ONE (AND 1,000)

While Lady Gaga's "Born This Way" becomes the 1,000th No. 1 in the Billboard Hot 100's 52-year history, as well as the 19th title to debut there, the artist also makes historic arrivals on Hot Digital Songs and Hot 100 Airplay. "Born" sets the opening-week sales mark for a female artist on the former chart (see Over the Counter, page 69), while rewriting the record for highest debut (No. 6) and largest first-week audience (78.5 million) on the latter list since it began incorporating all radio formats in December 1998. Janet Jackson's "All for You" in 2001 held the prior marks for highest Hot 100 Airplay entrance (No. 9) and opening-week audience (70 million). *—Silvio Pietroluongo & Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NPR's "Weekend Edition" profiled the artist on Feb. 12, no doubt helping the set start with 2,000 copies.

Though down 39% in digital sales (to 252,000), the song claims Greatest Gainer/Airplay honors for a second consecutive week, bounding into the top 10 (14-6) on Hot 100 Airplay (80 million in audience, up 28%).

8

As the song roars 12-4 on Hot Digital Songs (170,000, up 42%) and enters Hot 100 Airplay at No. 57 (20 million, up 194%), "Teenage Dream" becomes the first Capitol Records album to generate four Billboard Hot 100 top 10s since Heart's self-titled set in 1985-86.

11

The singer scores her seventh top 10 on Hot Digital Songs, where the cut charges 23-10 (129,000, up 52%).

49 & 61

Upping its count to a record-extending 120 total chart entries, the TV troupe has now charted 38 remakes of Hot 100 No. 1s.

100

All three artists return to the chart after lengthy absences: Staind frontman Lewis last charted as a solo act in 2001, Jones in 2000 and Daniels in 1982. The track bullets 16-13 on Rock Digital Songs and 18-15 on Country Digital Songs (21,000, up 6%).

BETWEEN THE BULLETS

J-LO LOGS HIGHEST DEBUT

New "American Idol" judge Jennifer Lopez posts her first top 10 entry on the Billboard Hot 100, as "On the Floor," featuring Pitbull, blasts in as the Hot Shot Debut at No. 9. The song, Lopez's first top 10 as a lead artist since the four-week No. 1 "All I Have," featuring LL Cool J, in 2003, begins at No. 3 on Hot Digital Songs with 170,000 downloads sold, according to Nielsen SoundScan. Island Def Jam withheld the song from a digital release for a month following its radio launch—it rises 40-38 on Mainstream Top 40—synching it with the premiere of its video on the March 3 "Idol" episode. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. For the first time since the Oct. 13, 2007, chart, debuts infuse the entire top seven. However, Heatseekers Albums boasts a rather fast turnover rate, so seeing a bevy of bows each week isn't that unusual.

With nearly 1,000 sold, the pianist also enters at No. 6 on Traditional Jazz Albums, marking his 10th top 10, and fifth in a row, on the genre chart.

NEW ON THE CHARTS

Tamar Kaprelian, "New Day"

The pop/rock singer makes her Billboard chart debut as "New Day" bows at No. 37 on the Adult Top 40 chart (see billboard.biz/charts). Born in Arizona, but raised in Georgia and California, Kaprelian's sound is influenced by artists like Billy Joel and Paul McCartney.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. Rising 10-6 on Hot Digital Songs (164,000, up 27%), Ke$ha has sent all six of her singles as a lead artist into the Hot 100's top 10. She also reached No. 9 last May as a guest on 3OH!3's "My First Kiss."

The rapper registers his second top 10 on Hot 100 Airplay, where the song charges 16-10 (64 million, up 10%). His introductory smash, "Birthday Sex," peaked at No. 3 on the chart (and No. 4 on the Hot 100) in 2009.

The quartet collects its 14th consecutive top 40 Hot 100 hit, marking the longest streak by a group since the Eagles also linked 14 in 1975-99. Wings hold the record among groups: All 23 of their chart entries reached the top 40 in 1972-80.

86 & 99

After she co-hosted "The Oprah Winfrey Show" on March 1, the 10-year-old's debut hit re-enters (25,000 downloads, up 41%) and her follow-up arrives (23,000 first-week downloads).

SPEARS' BREAKING 'WORLD' NEWS

SPEARS

Although she snaps a string of two consecutive No. 1 debuts ("3" and "Hold It Against Me"), a feat only she and Mariah Carey have managed, Britney Spears logs the fifth-highest debut of her 25 Billboard Hot 100 entries, as "Till the World Ends" begins at No. 20. The second single from "Femme Fatale," due March 29, arrives with 117,000 downloads sold, according to Nielsen SoundScan, after three days of availability. "Hold," the set's lead track, launched at No. 1 seven weeks ago with 411,000 downloads after six days on sale. "World," co-written by Ke$ha, concurrently starts at No. 68 on Hot 100 Airplay (viewable in full at billboard.biz/charts) with 16.8 million out-of-the-box audience impressions. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. 4 The song becomes her 16th top 10 (12-9) on Hot 100 Airplay, tying her with Janet Jackson for second-most among women in the chart's 21-year history. Mariah Carey leads with 23.

Five of Spears' last six singles account for half of her 10 Hot 100 top 10s. After its first full week of retail availability, her latest bounds 10-5 on Hot Digital Songs (158,000, up 36%).

11 The song soars to a new peak following a live performance on March 10 on "American Idol" (116,000 downloads, up 44%). With an 11-10 jump, it's Diddy's first top 10 on Mainstream Top 40 since 2007.

The highest of the troupe's four debuts (115,000 downloads) spurs sales gains for prior versions of the classic tune by Dixie Chicks (17,000, up 897%) and Fleetwood Mac (11,000, up 252%).

The first single from "Holding On to Strings Better Left to Fray," due May 17, blasts onto Rock Songs at No. 18 (5.2 million in first-week audience), while opening with 33,000 downloads sold.

BETWEEN THE BULLETS

PERRY DOMINATES DIGITAL SONGS

Katy Perry's "Teenage Dream" becomes the first album to yield four No. 1s on Hot Digital Songs, as "E.T.," featuring Kanye West, flies 5-1 with 216,000 downloads sold (up 30%), according to Nielsen SoundScan. The song follows "California Gurls," featuring Snoop Dogg, the title cut and "Firework" to the summit. The Black Eyed Peas, Fergie, Rihanna and Justin Timberlake had each previously banked three Hot Digital Songs leaders from a single album. On the Billboard Hot 100, "E.T." charges 8-3 with Greatest Gainer/Digital honors. Also fueling its Hot 100 advance is a 38-24 vault on Hot 100 Airplay (44 million audience impressions, up 32%, according to Nielsen BDS). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 1 In its sixth chart week, the track becomes her second No. 1 on Hot 100 Airplay (3-1). "Paparazzi" reached the summit the week of Nov. 21, 2009, in its 10th frame.

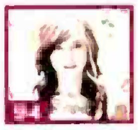
5

The quartet benefits from its March 17 "American Idol" appearance, as the act's 10th top 10—and eighth in a row—bounds 18-3 on Hot Digital Songs (198,000, up 143%).

23 Though the song tumbles by 45% to 87,000 downloads, its radio run looks promising. It jumps 26-17 as the Greatest Gainer on Mainstream Top 40. On Hot 100 Airplay, it charges 47-33 (34 million audience impressions, up 32%).

24

Singer/actress posts her best sales week, as the song, whose video premiered March 11 on the Disney Channel, shifts 116,000 downloads. Five of her nine Hot 100 entries debuted within the top 40.



94

"Jar of Hearts" remains in the top 20 (No. 19) as the uptempo follow-up begins with 26,000 downloads. The singer/songwriter's debut set, "Lovestrong.," arrives May 10.

BETWEEN THE BULLETS

ORIGINAL 'GLEE' SONGS SCORE BIG

The cast of Fox's "Glee" registers the second-best digital sales week for any of its singles, as "Loser Like Me" roars onto the Billboard Hot 100 (No. 6) and Hot Digital Songs (No. 2) with 210,000 downloads sold, according to Nielsen SoundScan. "Teenage Dream" represents the cast's best weekly sum (214,000 in the Nov. 27, 2010, issue). The troupe also stars at No. 16 on the Hot 100 with "Get It Right" (151,000). The tracks (plus No. 53) mark the ensemble's first recordings of songs written specifically for the series. The cast's seven new entries sold a combined 712,000 downloads in the chart's tracking week. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. Indeed, the veteran band is still eligible for the Heatseekers chart, as it has yet to float above No. 100 on the Billboard 200. Its latest starts with 2,000.

Fresh off a scandalous South by Southwest performance—where the band's lead singer got into an altercation with an audience member—the act's first album in 11 years enters with fewer than 2,000.

The in-the-mix set boasts tracks from the Temper Trap, LMFAO and Deadmau5. It also enters Electronic Albums at No. 8.

NEW ON THE CHARTS

Does It Offend You, Yeah?, "Don't Say . . ."

Though the British band's first album, 2008's "You Have No Idea What . . .," has sold 33,000, according to Nielsen SoundScan, it failed to make an impact on a Billboard tally. Thus its new set (No. 29 on Heatseekers Albums) gives the act its chart debut.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS; sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. Spurred by the premiere of its special-effects-heavy video on March 31, song surges by 29% to 327,000 downloads sold, according to Nielsen SoundScan. On Hot 100 Airplay, it bounds 10-6 (88 million impressions, up 20%).

The first single from "21," which has sold 941,000 copies in its first six weeks, is the soulful British singer/songwriter's first Hot 100 top 10. The track shoots 11-9 on Hot Digital Songs (122,000, up 16%) and 50-36 on Hot 100 Airplay (up 35%).

After debuting last week following four days of sales, John Lennon-referencing second single from "Tha Carter IV" (due on May 16) zooms 39-10 on Hot Digital Songs (116,000, up 134%).

Unlike "Grey's Anatomy" actress Sara Ramirez, who bows at No. 69 with her Brandi Carlile cover from the series' March 31 musical episode, the "Victorious" cast regularly sings on its Nickelodeon show. The song starts with 28,000 downloads sold.

BETWEEN THE BULLETS

RIHANNA WHIPS UP RECORD STREAK

As it holds at No. 2 for a second week on the Billboard Hot 100, "S&M" becomes Rihanna's record-setting fifth consecutive No. 1 (2-1) on Hot 100 Airplay (and eighth overall), besting streaks of four each by Destiny's Child (2000-01) and Usher (2004). Rihanna has linked leaders in each of her last five appearances on the list courtesy of "Rude Boy"; Eminem's "Love the Way You Lie," on which she guested; "Only Girl (In the World)"; and "What's My Name?," featuring Drake, prior to "S&M." Her eight Hot 100 Airplay No. 1s break a tie with Usher for second-most chart-toppers after Mariah Carey (11) since the tally first appeared in the Dec. 8, 1990, issue. —*Gary Trust*

Ascending 2-1 on Hot 100 Airplay (111 million audience impressions, up 7%) in its 18th week, the song completes the longest trip to the summit by a solo male since Ne-Yo's "Closer" (20 weeks) in 2008.

Ahead of the March 29 release of "Rolling Papers," the iTunes store's Complete My Album option propels both the Hot 100's Hot Shot Debut (244,000 downloads) and the set's second radio single (74,000, up 45%).

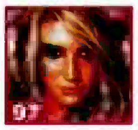
As this track from the Billboard 200's new No. 1 (see page 34) enters the Hot 100 (113,000 downloads), Brown's "Beautiful People," featuring Benny Benassi, bows on Dance/Electronic Digital Songs (No. 5, 15,000).

As his album of the same name debuts on Top Country Albums (No. 16, 6,000), the singer/songwriter notches his first Hot 100 entry since "Amazing" (No. 79) in 2003.



The sole new cut on the singer's remix set, which bows at No. 36 on the Billboard 200, starts with 22,000 downloads.

BETWEEN THE BULLETS

'DREAM' ON: PERRY'S LATEST NO. 1

Katy Perry's "Teenage Dream" becomes just the ninth album to yield four No. 1s in the Billboard Hot 100's history (see story, page 30), as "E.T.," featuring Kanye West, rises 2-1 with Greatest Gainer/Airplay honors. The song follows "California Gurls," the title cut and "Firework" to the chart's summit. "E.T." surges 13-10 on Hot 100 Airplay (74 million audience impressions, up 35%, according to Nielsen BDS) and spends a third week atop Hot Digital Songs (254,000 downloads sold, according to Nielsen SoundScan). "E.T." is Perry's fifth Hot 100 No. 1—she reigned for seven weeks in 2008 with "I Kissed a Girl"—and marks the fourth leader and first since "Stronger" in 2007 for West. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Big Time Rush, "Boyfriend"

Though the Nickelodeon act—which has its own self-titled TV show on the network—saw its "BTR" album bow at No. 3 on the Billboard 200 (and sell 415,000 so far), the group earns it first airplay hit this week, as "Boyfriend" bows at No. 40 on Mainstream Top 40.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. After previously ranking as high as No. 9 four weeks ago, the second single from "Femme Fatale" reaches a new peak on this list while bounding 15-5 on Hot Digital Songs (133,000, up 48%) and bulleting at No. 19 on Hot 100 Airplay (53 million, up 16%).

17

The song rockets 58-9 on Hot Digital Songs (112,000, up 259%) following prominent placement last week in the iTunes Store.

After scaling the top 10 on multiple European surveys, including the Official Charts Co.'s U.K. singles chart (two weeks at No. 1), the British singer enters the top 40, fueled by a 40-27 flight on Hot Digital Songs (55,000, up 15%).

91

The former Dance Club Songs and Dance Airplay No. 1 received mainstream exposure in ads for Trident's Vitality gum. The track bows on Mainstream Top 40 at No. 40.

The song's featured act extends its Hot 100 chart span to 29 years, 10 months and three weeks with its first entry since its remake of 'N Sync's "God Must Have Spent a Little More Time on You," featuring the boy band, in 1999.

BETWEEN THE BULLETS

SHELTON'S 'BEE' CREATES BUZZ

Blake Shelton's "Honey Bee" flies in as the Billboard Hot 100's Hot Shot Debut at No. 13 after the singer co-hosted the Academy of Country Music Awards on April 3 with Reba McEntire and premiered the song at the gala event. Opening with 139,000 downloads sold, according to Nielsen SoundScan, "Bee" banks the best sales week and highest position on Hot Digital Songs (No. 4) for a lead solo country male artist, passing Trace Adkins' "You're Gonna Miss This" (100,000; No. 8, April 4, 2008). Shelton scores the Hot 100's highest bow for a male country soloist since Garth Brooks (as alter ego Chris Gaines) began at No. 5 with "Lost in You" in the Sept. 11, 1999, issue. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

The Joy Formidable, "Whirring"

The Welsh trio's single enters Alternative at No. 34—its first hit on a Billboard singles chart. After playing the Coachella festival during the April 15 weekend, the act will hit the fest circuit in Europe, returning for Outside Lands in San Francisco in August.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS; sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. The song blasts 19-10 on Hot 100 Airplay (61 million, up 14%), granting Spears her first streak of three straight top 10s on the list (following "Hold It Against Me" and "3").

After less than three days of sales and five days of airplay, the follow-up to the single "Born This Way" (No. 13) arrives with 162,000 downloads sold and 26 million in audience. The second single from the "Born This Way" album, due May 23, could vault next week following its first full frame.

11

Bounding 16-9 (124,000 downloads, up 42%), Mars has reached the Hot Digital Songs top 10 with all five of his radio singles. (The last three have billed him as lead act.)

31

After the pair's April 14 performance on "American Idol," the song reaches a new Hot 100 peak (59,000 downloads, up 64%) and bows at No. 39 on Adult Top 40.

The quartet includes Nash Overstreet—son of country singer Paul Overstreet and brother of "Glee" cast member Chord Overstreet.

BETWEEN THE BULLETS

CHAINED MELODY: 'S&M' REIGNS

As "S&M" rises 2-1 on the Billboard Hot 100, Rihanna becomes one of just nine artists to notch at least 10 No. 1s in the chart's history (see page 34). "S&M" ascends to the summit fueled by the first full week of digital sales for the song's remix featuring Britney Spears. All versions of the song sold a combined 293,000 downloads (up 108%), according to Nielsen SoundScan, with the Spears-assisted version accounting for 66% of the song's overall digital sum in the April 11-17 tracking week. Now listed as featured artist on "S&M," Spears earns her fifth Hot 100 No. 1 and second this year; her own "Hold It Against Me" led the Jan. 29 list. —*Gary Trust*

NEW ON THE CHARTS

The Asteroids Galaxy Tour, "Fruit"

Though it was released in 2009, the set garners its best sales week yet and first visit to a Billboard chart (No. 30 on Heatseekers Albums; 1,000) thanks to the use of the single "The Golden Age" in viral and TV commercials for Heineken.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1 & 2

The slim margin (roughly 500 units) between the top two titles on Hot Digital Songs marks the tightest race atop the tally since nearly 250 downloads separated Mariah Carey's "All I Want for Christmas Is You" and Eminem's "When I'm Gone" (each approximately 41,000) the week of Dec. 24, 2005.

As the Fox TV troupe arrives with four titles, led by its "West Side Story"/TLC mash-up (112,000 downloads), its cover of dance hit "Barbra Streisand" on the series' April 26 episode prompts a 149% spike (to 30,000) for the original by Duck Sauce (pictured).

65

The remake (46,000 downloads) by the contestant on NBC's "The Voice" marks the song's third charted version, following Cyndi Lauper's 1984 original (No. 1) and Inoj's 1998 cover (No. 6).

83

After peaking at No. 56 on the Hot 100 in December, the track's placement in Victoria's Secret's latest ad campaign triggers a 73-57 lift (33,000, up 14%) on Hot Digital Songs.

The trio makes its Hot 100 bow with its No. 6-ranking Alternative hit. The group releases debut set "Torches" on May 24.

BETWEEN THE BULLETS

REMIX SPURS SPEARS' DIGITAL GAIN

Britney Spears' "Till the World Ends" blasts 11-3 on the Billboard Hot 100, besting its previous peak of No. 9, following the release of the song's remix featuring Nicki Minaj and Ke$ha. "World" roars 12-3 on Hot Digital Songs with 246,000 downloads sold (up 102%), according to Nielsen SoundScan. The remix accounted for 68% of the title's sales in the April 25-May 1 tracking period. "World" marks the second high-profile remix to prompt a notable chart move (both involving Spears) in three weeks. Rihanna's "S&M" ascended 2-1 two weeks ago following the release of its Spears-assisted remix. Similarly, the collaborative version of "S&M" accounted for 66% of the song's overall digital sales in that frame. —*Gary Trust*

"Floor" soars by 25% to 175,000 downloads sold after the "American Idol" judge and Pitbull performed on the May 4 show. At No. 8, Pitbull adds his seventh top 10, the most among male acts dating to his first in May 2009.

7

An "Idol" performance on May 4 likewise aids Lady Antebellum, which posts the highest debut by a country group in the chart's history. The first single from the trio's forthcoming third album launches at No. 3 on Hot Digital Songs (211,000).

Previewing his fifth studio set, the French DJ notches his highest Hot 100 debut and first No. 1 bow on Dance/Electronic Digital Songs (162,000; see opposite page).

32

Having reunited after more than a decade, the duo of Eminem and Royce Da 5'9" drop the EP "Hell: The Sequel" on June 14. The lead track starts with 84,000 downloads.

Fleetwood Mac charted the original versions of the songs at Nos. 45, 79 and 92 in 1977, but the "Glee" cast's remakes of these two "Rumours" album cuts mark their first Hot 100 appearances.

BETWEEN THE BULLETS

ADELE'S 'DEEP' DOMINATES HOT 100

Adele ascends to her first No. 1 on the Billboard Hot 100 as "Rolling in the Deep" rises 2-1. It also garners the Hot 100's Greatest Gainer/Airplay award for a second consecutive week, and rises 7-3 on Hot 100 Airplay (99 million in audience, up 28%, according to Nielsen BDS). In addition, "Deep" tops Hot Digital Songs (2-1), despite a 2% decline to 294,000 downloads sold, according to Nielsen SoundScan. Having reached No. 21 on last week's Alternative airplay chart, "Deep" is the highest-peaking Alternative entry by a solo female to top the Hot 100 since Sinéad O'Connor's "Nothing Compares 2 U" spent one week atop Alternative and four frames at No. 1 on the Hot 100 in 1990. —*Gary Trust*

The song firms up its lock atop the tally with a 20% increase in digital sales to 353,000, its highest weekly sum to date, and a 19% gain to 118 million audience impressions.

The former Hot 100 leader becomes Perry's first No. 1 (2-1) on Adult Contemporary. The song has also topped Mainstream and Adult Top 40, Dance Club Songs and Dance Airplay.

Following the video's premiere on "American Idol" May 12, the show's judge charts his first solo Hot 100 hit (77,000 downloads sold). He's tallied 28 entries with Aerosmith, starting with "Dream On" in 1973.

Sparks took to the "Idol" stage on May 12, performing the Ryan Tedder-co-written lead single (33,000 downloads) from her forthcoming third studio album.

98

As her Hot Country Songs top 10 "Mean" rises 46-37, growth on Mainstream Top 40 (31-30) spurs this single's Hot 100 return. It spent a week at No. 41 upon the release of her third set, "Speak Now," in November.

BETWEEN THE BULLETS

LADY GAGA MAKES 'GLORY'-OUS BOW

Lady Gaga's "The Edge of Glory" blasts in at No. 3 on the Billboard Hot 100. The third single from her May 23 album "Born This Way" charges in as the highest new entry on Hot Digital Songs (No. 2; 266,000 downloads sold, according to Nielsen SoundScan) and Hot 100 Airplay (No. 54; 20 million audience impressions, according to Nielsen BDS). "Glory" marks Lady Gaga's 10th consecutive radio release to have reached the Hot 100's top 10, dating to her arrival with the No. 1 "Just Dance" less than three years ago. Among women in the chart's five-decade history, only Mariah Carey (11) has begun with more consecutive career-opening top 10 singles. —*Gary Trust*

At 21 weeks, the song completes the lengthiest top 10 ascension since Kings of Leon's "Use Somebody" (26 weeks, 2009). The rapper bests the No. 10 peak of his sole prior top 10, 2008's "Superstar."

12

Ahead of her expected bow atop next week's Billboard 200 (see page 37), "Hair" whips up 147,000 in first-week digital sales.

77

The former Pussycat Dolls singer starts with 29,000 downloads after she and 50 Cent performed the track on "American Idol" on May 19. On tap: the release of her debut set, "Killer Love," and judging duties on Fox's "The X Factor."

Can Rihanna score a fourth consecutive No. 1 from her "Loud" album? This ballad follows leaders "Only Girl (In the World)"; "What's My Name?," featuring Drake; and "S&M."

92

The song samples "Banana Boat (Day-O)," a No. 5 hit for Harry Belafonte on Hot 100 predecessor the Top 100 in 1957, and Robin S.' "Show Me Love," which reached No. 5 on the Hot 100 in 1993.

BETWEEN THE BULLETS

LMFAO LEAPS INTO HOT 100 TOP 10

Los Angeles dance/rap duo LMFAO logs its first Billboard Hot 100 top 10, as "Party Rock Anthem," featuring Lauren Bennett and GoonRock, soars 20-8 with Greatest Gainer/Digital honors. The track charges 13-4 on Hot Digital Songs (163,000, up 68%, according to Nielsen SoundScan). The pair—Stefan Gordy (Redfoo) and Skyler Gordy (SkyBlu), the son and nephew, respectively, of Motown Records founder Berry Gordy—previously peaked as high as No. 31 last August as a featured act, with Fergie, on David Guetta and Chris Willis' "Gettin' Over You." On Dance/Electronic Digital Songs (see opposite page), "Party" becomes LMFAO's first No. 1 (2-1). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 1 The band barely makes the Heatseekers chart this week, as the album arrives at No. 101 on the Billboard 200. (Had it been No. 100, it would have been ineligible to chart on Heatseekers.)

Jazz saxophonist also arrives at No. 3 on Contemporary Jazz, marking his seventh charting set and sixth to claim a top 10 ranking.

Sonic Youth guitarist has charted once before on his own, with "Trees Outside the Academy" in 2007 (No. 6). His latest effort begins with nearly 1,000 sold.

PROGRESS REPORT

Sean Hayes, "Run Wolves Run"

Not to be confused with the Emmy Award-winning actor from "Will & Grace," the singer/songwriter notches his first charting effort with this album's debut at No. 48 on Heatseekers Albums with nearly 1,000 copies sold.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. As "Born This Way" blasts in atop the Billboard 200 (see page 42), the set's third radio single charges 14-4 on Hot Digital Songs (165,000 downloads, up 74%). Last week's Hot Shot Debut, "Hair" (No. 12), and prior radio release "Judas" (No. 41 last week) depart, victims of iTunes' Complete My Album single-to-album upgrades.

10

The song's 78-10 vault (159,000 downloads in its first full week of release) marks the chart's greatest jump into the top tier since Rihanna's "Only Girl (In the World)" roared 75-3 in the Oct. 2, 2010, issue.

Derulo similarly rockets up the Hot 100, as the lead single from his forthcoming second album, "Future History," enters Hot Digital Songs at No. 16 (97,000). The track advances 51-41 on Hot 100 Airplay (28 million impressions, up 31%).

After she sang it on the 2011 Billboard Music Awards May 22 and "The Oprah Winfrey Show" May 23, "Run the World (Girls)" reaches a new peak. Her May 25 "American Idol" performance of "1+1" spurs first-week sales of 57,000 downloads.

BETWEEN THE BULLETS

ADELE KEEPS 'ROLLING' ALONG

As it banks a fourth week atop the Billboard Hot 100, Adele's "Rolling in the Deep" ascends 2-1 on Hot 100 Airplay (143 million in audience, according to Nielsen BDS) and 3-1 on Mainstream Top 40. Having topped Triple A—for 14 weeks, the most for a title by a female artist—"Deep" is the first song by a woman to rule all three radio rankings and just the third among all acts, following Shawn Mullins' "Lullabye" (1998) and Goo Goo Dolls' "Slide" (1998-99). "Deep" concurrently rewrites the Adult Top 40 weekly plays record (5,049) for a third consecutive issue and extends its reach to Hot R&B/Hip-Hop Songs, where it bows at No. 100. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 2

The set's wide physical release prompts its 366% gain after it arrived digitally last week from downloads and early sales through brick-and-mortar indie retailers.

Slow and steady wins the race, right? Then kudos to Yelawolf, whose title has yet to sell less than 1,000 in a week since bowing 27 weeks ago. His to-date sales rise to 44,000.

Maroon 5 (pictured) and Aguilera can get satisfaction from notching their second and first leaders, respectively, on Hot Digital Songs (219,000, up 38%). On Hot 100 Airplay, the song surges 32-18 (47 million, 37%). Its video premiered Aug. 8.

8

Having topped Alternative for five weeks, the track is the chart's first leader to reach the Hot 100's top 10 since Linkin Park's 11-week Alternative No. 1 "New Divide" peaked at No. 6 on the Hot 100 in June 2009.

13

The lead single from the rapper's second studio album, *Take Care*, due this fall, launches on Hot Digital Songs at No. 6 (146,000) and Hot 100 Airplay at No. 63 (18 million, up 53%).

14

After charting for two weeks as an album cut, beginning when parent set *Speak Now* bowed atop the Billboard 200 (Nov. 13, 2010), the now-single reignites, fueled by its 23-19 lift on Hot Country Songs.

96

As with Swift's "Sparks," this track from *Born This Way* returns as a proper single. The singer's first promoted ballad begins at No. 35 on Mainstream Top 40.

BETWEEN THE BULLETS

KATY PERRY MAKES HOT 100 HISTORY

Katy Perry becomes the first woman in the 53-year history of the Billboard Hot 100 to send five songs from an album to No. 1, as "Last Friday Night (T.G.I.F.)" (2-1) marks the fifth topper from *Teenage Dream* (see pages 8, 45). "Friday" takes over the summit by registering 156,000 downloads sold (up 14%), according to Nielsen SoundScan, and 148 million in all-format audience (up 1%), according to Nielsen BDS. Perry displaces LMFAO's "Party Rock Anthem," which reigned for six weeks. The track dips to No. 2, declining by 13% in digital sales to 160,000 and by 3% in airplay to 142 million. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Cody Simpson, "On My Mind"

While the Australian teen singer has debuted an EP on the Heatseekers Albums chart (with *4 U*), he makes his first appearance on an airplay tally this week as "On My Mind" debuts at No. 39 on the Mainstream Top 40 chart.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources.

'JAGGER' SWAGGERS BACK TO TOP 10

The NBC network helps out one of its own as "The Voice" coach Adam Levine and his band Maroon 5 see their track "Moves Like Jagger," featuring fellow "Voice" mentor Christina Aguilera, shoot back into the Billboard Hot 100 top 10 (25-8) for the first time since it debuted at No. 8 in the July 9 issue. The band performed the single on the Aug. 3 edition of NBC's "America's Got Talent" and then two days later on "Today," leading to a 124% gain in downloads (159,000), the chart's best digital gain. The spike propels the track 17-3 on Hot Digital Songs.

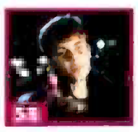
10 As she debuts at No. 2 with *Stronger* on the Billboard 200 (see page 62), the maiden "American Idol" champion nets her ninth Hot 100 top 10; Carrie Underwood is second among the series' graduates with four top 10s.

12 The song surges in downloads sold (19-10 on Hot Digital Songs; 100,000, up 63%) and radio audience (57-38 on Hot 100 Airplay; 33 million, up 49%).

20 As she reigns as a lead act, Rihanna bows on the list's top new entry as a guest. Coldplay collects its third top 20 Hot 100 hit from the Billboard 200's new No. 1, *Mylo Xyloto*, as the song (105,000 downloads) follows radio singles "Every Teardrop Is a Waterfall" (No. 14 peak) and "Paradise" (No. 15 peak; this week at No. 49).

30 With a 158% gain in downloads (to 66,000), the rapper matches his best Hot 100 rank, achieved with his debut entry "My Last" in July.



58 After "Mistletoe" opened last week (with 147,000 downloads) atop Holiday Digital Songs (see billboard.biz/charts), Bieber replaces himself atop the tally, as his duet with his mentor starts with 47,000.

RIHANNA FINDS 'LOVE' ATOP HOT 100

Rihanna rises to her 11th No. 1 on the Billboard Hot 100, as "We Found Love," featuring Calvin Harris, ascends 2-1. She is just the seventh act in the Hot 100's 53-year history to tally at least 11 leaders, joining the Beatles (20), Mariah Carey (18), Michael Jackson (13), Madonna (12), the Supremes (12) and Whitney Houston (11). "Found," the lead single from *Talk That Talk*, due Nov. 21, spends a second week at No. 1 on Hot Digital Songs (243,000 downloads sold, up 5%, according to Nielsen SoundScan). It's Rihanna's 20th to reach 1 million in digital sales, the most among women. —*Gary Trust*

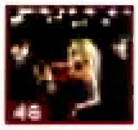
10 The rapper earns her first Hot 100 top 10 as a lead artist. She had previously ranked in the top tier as a guest on Trey Songz' "Bottoms Up" (No. 6) last year.

31 The song's '80s-inspired clip sports cameos from Corey Feldman, Kenny G and Debbie Gibson. For an exclusive Gibson Q&A, go to billboard.com/chartbeat.

36 With the "Transformers: Dark of the Moon" soundtrack due on next week's Billboard 200, this single starts at No. 16 on Hot Digital Songs (88,000 downloads), where it's the group's highest rank since debut hit "Misery Business" (No. 11, 2007).



46 After wrapping a 28-week Hot 100 run in January, the former Hot Country Songs No. 1 returns, fueled by No. 29 rankings on Mainstream Top 40 and Adult Contemporary and a No. 32 bow on Adult Top 40. The ballad rebounds 44-36 (49,000, up 21%) on Hot Digital Songs.

97 The Aventura frontman's solo debut spends a fifth week—its entire chart life—atop Hot Latin Songs. The group reached the same Hot 100 slot with its sole entry, "Ella y Yo" (2005).

BETWEEN THE BULLETS

ALDEAN 'ROAD'-TRIPS TO TOP 10

Jason Aldean's "Dirt Road Anthem" charges 23-9 with the Billboard Hot 100's Greatest Gainer/Digital award. As it lifts 16-4 on Hot Digital Songs with 169,000 downloads sold (up 99%), according to Nielsen SoundScan, the song nets the second-best weekly sum for a male country artist. "American Idol" champion Scotty McCreery's "I Love You This Big" began with 171,000 two weeks ago. Aldean performed "Anthem" with Ludacris on the CMT Music Awards (June 8). A new studio version with the rapper, released June 7, accounts for 44% of the title's overall weekly download total. With the vault, Aldean surpasses his previous best Hot 100 showing, reaped with "Big Green Tractor" (No. 18, 2009). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Singer/songwriter's latest effort arrives with his best debut sales week (3,000), marking his third top 10 set. He's touring North America through June 30.

Best-known as lead vocalist/guitarist for Tiger Army, the frontman launches his solo career with this self-titled set (4,000).

The act profits from placement of the album's song "Morning Thought" as iTunes' free Discovery Download last week and the set's $7.99 sale price at the etailer.

NEW ON THE CHARTS

Simon Curtis, "RA"

Singer Simon Curtis bows at No. 20 on Dance/Electronic Albums with his second full-length, the self-released "RA" (1,000 sold, according to Nielsen SoundScan). Profiled in our March 19 issue, Curtis is a true DIY-er: He's self-managed and acts as his own publicist.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. 12 The song, which showcases the rapper's singing skills, rockets 52-5 on Hot Digital Songs (151,000, up 309%) following its first full week of retail availability.

Improving to 86,000 downloads sold and 32 million audience impressions, the song marks the group's highest Hot 100 rank since "Stop and Stare" reached No. 12 in 2008.

After spending a week at No. 67 the week that parent album "Teenage Dream" launched atop the Billboard 200 (Sept. 11, 2010), the song, now the set's fifth single, returns. An online teaser for the cut's video, due June 14, helped prompt a 131% digital sales spike to 31,000.

84 The new radio focus track is one of three songs on the chart from Beyoncé's forthcoming album "4," joining prior single "Run the World (Girls)" (No. 55) and "1+1" (No. 89).

The song marks the first top 10 on Adult Top 40 (No. 9 this issue) by a new male artist in his first chart appearance since Josh Kelley's "Amazing" (No. 8, 2003).

BETWEEN THE BULLETS

'WATERFALL' MAKES A SPLASH

After less than a week at retail and radio, Coldplay's "Every Teardrop Is a Waterfall" charges in as the Billboard Hot 100's Hot Shot Debut at No. 29. The track, released June 3, starts on Hot Digital Songs at No. 17 with 85,000 downloads sold, according to Nielsen SoundScan. It begins with 10 million audience impressions on 122 stations, according to Nielsen BDS, and bows on Rock Songs (No. 21), Triple A (No. 23) and Alternative (No. 28). "Waterfall" marks Coldplay's sixth top 40 Hot 100 hit. Its highest-peaking chart entry, "Viva La Vida," began a three-week reign at No. 1 this week in 2008. —*Gary Trust*

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1 The track tops Hot 100 Airplay (2-1) with a 2% gain to 146 million in all-format audience, 2 million more than Perry's "Friday" (up 11%) at No. 2. In download sales, "Party" leads "Friday," 202,000 to 151,000.

12

The cut charges 40-9 on Hot Digital Songs (113,000, up 158%) following its first full week at retail. On Hot 100 Airplay, the ode to Redding (pictured) lifts 50-47 (25 million, up 17%).

40

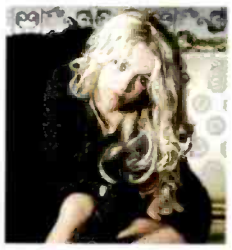
A dose of good news for Anthony, following the recent announcement of his separation from wife Jennifer Lopez: He returns to the top 40 for the first time since his "You Sang to Me" reached No. 2 in 2000.

91 As "California King Bed" drops to No. 54 from its No. 37 peak last week, the follow-up and fifth pop radio single from Rihanna's album *Loud* arrives, fueled by a No. 35 start on Mainstream Top 40.

96 Adele's former triple A No. 1 is one of four tracks from *21* gracing the Hot 100. In addition to "Rolling in the Deep" (No. 6), new pop/adult radio single "Someone Like You" rises 85-73, and "Set Fire to the Rain" re-enters at No. 84.

BETWEEN THE BULLETS

1, 2, 3: BRITNEY'S BACK IN THE TOP 10



Femme Fatale becomes Britney Spears' first album to generate a trio of Billboard Hot 100 top 10s, as "I Wanna Go" lifts 11-9. The cut, which jumps 13-9 on Hot 100 Airplay (76 million audience impressions, up 22%, according to Nielsen BDS), follows "Hold It Against Me," the set's lead single, which debuted at No. 1 in the Jan. 29 issue, and "Till the World Ends," which reached No. 3 in May. Spears had previously banked two Hot 100 top 10s each from her debut album, ... *Baby One More Time* (1999), and *Circus* (2008). "Go" marks Spears' 12th career Hot 100 top 10 and her fifth in a row. —*Gary Trust*

While fans waited nine years for his 2009 album *Plays Blues*, it only took a year for him to issue its sequel. The new one also bows at No. 3 on Blues Albums.

A July 26 performance on "Jimmy Kimmel Live!" helps the Tennessee rock band return to the chart for the first time since 2004. Its third full-length bows with 1,000.

2
The song scores Greatest Gainer/Airplay honors for the fourth time in five weeks, pushing Perry closer to potential history: Should "Friday" reach No. 1, parent album *Teenage Dream* would become the second album to generate five Hot 100 leaders, following Michael Jackson's *Bad* in 1987-88.

10
The cut tops its prior best rank, established upon its debut at No. 16 five weeks ago, as it blasts 12-5 on Hot Digital Songs (143,000, up 56%) and 35-20 on Hot 100 Airplay (47 million, up 35%).

15
Also at No. 15 on Mainstream Top 40, Adult Contemporary and Adult Top 40, the former Hot Country Songs No. 1 reaches a new peak in its 35th week, marking the longest climb to the Hot 100's top 15. The ballad previously rose as high as No. 19 in October.

37
Though it's dropping on Mainstream Top 40 (20-21, after peaking at No. 18 two weeks ago), the song registers its best sales week (55,000, up 26%) and becomes her 20th single as a lead act and promoted to pop radio—her entire career output—to reach the Hot 100's top 40.

BETWEEN THE BULLETS

CHILI PEPPERS RETURN TO 'HOT' 100

Red Hot Chili Peppers score the Billboard Hot 100's Hot Shot Debut, as "The Adventures of Rain Dance Maggie" bows at No. 38. The song starts on Hot Digital Songs at No. 26 with 57,000 downloads sold, according to Nielsen SoundScan, and enters Hot 100 Airplay at No. 74 with 15 million in audience (up 56%), according to Nielsen BDS. Fueling its rise at radio is the song's 23-1 blast on Rock Songs (see page 44). "Adventures" previews Red Hot Chili Peppers' 10th studio album, *I'm With You*, due Aug. 30. The track marks the band's 13th Hot 100 hit and its first since the No. 22-peaking "Snow (Hey Baby)" in 2007. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 1 The blues/rockabilly singer just misses out on the No. 1 slot on Blues Albums by a tiny 2% margin behind the No. 1 act, Tedeschi Trucks Band.

August benefits from $5 sale-pricing at Family Christian. He scales Christian Albums, zipping 44-28 with a 66% gain.

The act—which seems to have been on the road nonstop this year—sees its EP concurrently arrive at No. 2 on Reggae Albums.

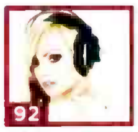
3 After four weeks at No. 4, the song lifts with Greatest Gainer/Airplay honors for the third time in four weeks. On Hot 100 Airplay, it rises 6-4 (114 million audience impressions, up 18%).

10 The ballad arrives with 176,000 downloads, marking her highest Hot 100 rank. (For more on the Disney star, see page 54).

17 The song charges 25-12 on Hot Digital Songs with 92,000 (up 51%), its best weekly total since it launched with 132,000. The song blasts 56-35 on Hot 100 Airplay (34 million, up 69%).



92 Building pop airplay (3.6 million in mainstream top 40 audience, up 38%) spurs the Romanian's former seven-week Dance Airplay No. 1's Hot 100 bow.

97 The pop and adult radio follow-up to "Rolling in the Deep" spent a week at No. 65 in the March 12 issue when parent album "21" stormed in atop the Billboard 200. ("Rumor Has It" followed "Deep" at rock radio, reaching No. 2 on Triple A.)

BETWEEN THE BULLETS

ALDEAN, CLARKSON EXTEND 'STAY'

Jason Aldean's "Don't You Wanna Stay," with Kelly Clarkson, re-enters the Billboard Hot 100 at No. 48 after peaking at No. 31 in a 26-week run from November through May. The song first charted on the strength of its support from country audiences, as it spent three weeks atop Hot Country Songs in March. It returns to the Hot 100 as it scales Adult Contemporary (10-8) and Adult Top 40 (11-9 as the chart's Greatest Gainer). Of the collaboration's 35 million in audience in the chart's July 13-19 tracking week, 21 million stems from its crossover airplay at pop and adult radio, according to Nielsen BDS. The song has sold 1.5 million downloads, according to Nielsen SoundScan. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Up 13-9 on Hot 100 Airplay (74 million in audience, up 27%, according to Nielsen BDS), the song is Lil Wayne's 14th top 10 on the survey and first as a lead since "Mrs. Officer" (No. 6) in October 2008.

The group scores its third top 10 on Hot Digital Songs (137,000 downloads sold, up 23%, according to Nielsen SoundScan), following "Stop and Stare" (No. 8, 2008) and the two-week No. 1 "Apologize," on which it assisted Timbaland (2007).

62

With NBC's "The Voice" having wrapped its first season, the song that premiered on the series June 21 plummets by 50% in digital sales to 45,000. Still, airplay is building, as the track enters Adult Top 40 at No. 33 (up 84%).

The second single from "Wasting Light" charges 4-3 as the Greatest Gainer on Rock Songs (11 million, up 20%). The cut could dethrone prior hit "Rope," which has ruled Rock Songs for all 20 of its chart weeks.

BETWEEN THE BULLETS

LMFAO'S LATEST HEATSEEKERS MISSILE

In the two years since its launch (in the July 18, 2009, issue), the Heatseekers Songs chart (see page 37) has proved a valuable indicator of rising talent's Hot 100-topping prospects. LMFAO's "Party Rock Anthem," atop the Hot 100 for a second week, is the fifth former Heatseekers Songs No. 1 to subsequently lead the Hot 100. "Party" follows four prior No. 1s on both surveys by one-time newcomers: Ke$ha's "TiK ToK," B.o.B's "Nothin' on You," Taio Cruz's "Break Your Heart" and Wiz Khalifa's "Black and Yellow." Other acts to graduate from No. 1 ranks on Heatseekers Songs to the Hot 100's top 20 include country trio the Band Perry, rapper Nicki Minaj and pop/rock act the Script. —*Gary Trust*

NEW ON THE CHARTS

The Wanted, "All Time Low"

While the all-male vocal pop group has already made waves in its native United Kingdom, "All Time Low" marks its first appearance on a U.S. Billboard chart. The former Official U.K. Charts No. 1 single arrives at No. 44 on Dance Club Songs this week.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseekers Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. While the song's other three artists enjoy their first views from the summit, Ne-Yo previously reigned with debut Hot 100 entry "So Sick" for two weeks in March 2006.

The track charges 21-11 on Hot 100 Airplay (63 million, up 42%). It drops by 4% to 226,000 downloads sold after experiencing a 259% digital gain last issue following the June 13 premiere of its video.

As the song, unveiled in a June 21 performance on NBC's "The Voice," starts with 213,000 downloads, Maroon 5 (pictured) and Aguilera notch their first top 10 placements since 2007 and 2008, respectively.

29

As with Perry's "Friday" last issue, the June 21 arrival of this song's video spurs a 282% gain to 67,000 downloads and a No. 27 re-entry on Hot Digital Songs.

"The Voice" viewers have become consumers. Songs from the series' coaches and contestants at Nos. 8, 52 (pictured), 54, 68 and 92 sold a combined 421,000 downloads.

PITBULL ENDS WAIT FOR FIRST NO. 1

PITBULL

Pitbull unleashes his first No. 1 on the Billboard Hot 100, as "Give Me Everything," featuring Ne-Yo, Afrojack and Nayer, rises 2-1. "Give" dips by 7% to 187,000 downloads sold, according to Nielsen SoundScan (3-4 on Hot Digital Songs), although it gains by 6% to 147 million audience impressions, according to Nielsen BDS (2-2 on Hot 100 Airplay). The Miami rapper claims his first Hot 100 leader seven years, two months and two weeks after his first chart appearance the week of April 24, 2004. It marks the longest span between a male artist's first entry and first No. 1 since Lil Wayne, who waited eight years, nine months and three weeks before reigning with "Lollipop" in 2008. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 7 After the rapper-assisted version accounted for 44% of the title's downloads last issue, the percentage jumps to 60% (of 189,000 total). Because the edit sporting his contribution accounts for more than half the song's sales figure this week, Ludacris gains featured artist billing.

Four songs heard on NBC's "The Voice" bow, at Nos. 64, 76, 90 and 99. Frampton's song gains by 54% to 57,000 in its second chart week after she scored the highest public vote of contestants on "Voice" coach Blake Shelton's team.

85 "Voice" coach Adam Levine makes his second Hot 100 appearance apart from Maroon 5. He sang on Kanye West's No. 26-peaking "Heard 'Em Say" in 2005.

The third single from "Femme Fatale" starts at No. 37 on Mainstream Top 40. The song's June 22 video premiere should prompt sales gains next issue.

Dutch producer/DJ—who is featured on the chart's No. 2 title—bows as a lead artist with his 2010 six-week Dance Airplay No. 1.

BETWEEN THE BULLETS

GIRL 'FRIDAY': PERRY SOARS TO TOP 5

Katy Perry's "Last Friday Night (T.G.I.F.)" flies 31-4 as the Billboard Hot 100's Greatest Gainer/Digital. Following the June 13 premiere of its star-studded '80s-themed video, which has netted 29 million YouTube views, the song blasts 28-1 on Hot Digital Songs (235,000 downloads sold, up 259%, according to Nielsen SoundScan). As Perry's album "Teenage Dream" had become the only album to generate four Hot Digital Songs No. 1s—"California Gurls," featuring Snoop Dogg; the title cut; "Firework"; and "E.T.," featuring Kanye West—the set makes further history as the only release to yield a quintet of toppers. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NEW ON THE CHARTS

Stephen Jerzak, "Miles and Miles"

The 19-year-old singer/songwriter's debut effort arrives at No. 22 on Heatseekers Albums, exceeding 1,000 copies in its first week. The Universal Republic artist will be on the road with the Vans Warped tour through August.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1 He becomes the first male artist in 13-plus years to take his first two charting radio singles as a lead act to No. 1 on the list since Diddy, then known as Puff Daddy, did so in 1997 with "Can't Hold Nobody Down" and "I'll Be Missing You."

7 Singer has now posted back-to-back top 10 English-language tracks for the first time in his career as "Tonight" follows "I Like It" (No. 4 peak in August) into the upper tier.

30 Comedy troupe reaches a career-best chart peak with song featured in a skit on the Dec. 18 episode of "Saturday Night Live" (Lonely Island includes "SNL" cast member Andy Samberg). The track shifts 152,000 downloads to easily top Comedy Digital Songs.

85 Rapper's song is the featured track in ESPN's TV promos for its college football Bowl Week and sells 43,000 downloads in its initial sales frame.

99 Here's another song benefiting from TV exposure (and the holiday season). Featured in this season's Coke TV campaign, the track shifts 34,000 (up 106%).

BETWEEN THE BULLETS

MARS MOVES TO TOP OF HOT 100

Bruno Mars posts consecutive No. 1 singles on the Billboard Hot 100 as "Grenade" jumps 2-1 to diffuse Katy Perry's three-week run at the top with "Firework" (1-2). Mars reigned for four weeks in October with "Just the Way You Are." "Grenade" shifts a near-record 559,000 downloads (up 212,000) in this holiday sales week, according to Nielsen SoundScan. The track tops Hot Digital Songs a rung above "Firework," which moves 509,000 (up 165%). Those sums move "Grenade" and "Firework" into the Nos. 3 and 4 slots among the biggest single-week sales frames behind Flo Rida's "Right Round" (636,000) on the Feb. 28, 2009, chart and Ke$ha's "TiK ToK," which sold 610,000 exactly a year ago this week. —*Silvio Pietroluongo*

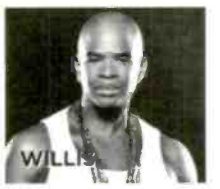
PROGRESS REPORT

Chris Willis, "Louder (Put Your Hands Up)"

You've heard him as the voice on many of David Guetta's hit singles—now, Chris Willis steps out on his own. This week he notches his first solo No. 1 on the Dance Club Songs chart. He's reached the top twice before thanks to collaborations with Guetta and Ultra Naté.



HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Latin Albums, Top Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan, Inc. and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. As singer enters the top five on R&B/Hip-Hop Songs with "No BS" (91-75 on this list), his pop-centric effort continues its Hot 100 climb while soaring 16-10 on Hot 100 Airplay, his 12th top 10 on that chart. Since he first charted in 2005, only T-Pain (16) and Rihanna (15) have had more top 10s.

Track is the only title that was on the 75-position Hot Digital Songs chart last week to post a sales increase this frame (up 6% to 63,000). Only other actual increases come from debuts and re-entries.

Singer sprints back onto the chart as pop radio play for the track (No. 29 on Mainstream Top 40) prompts an 85% digital spike to 36,000, 42% of which is of the radio-friendly edited version.

Actress charts a third title with track from motion picture "Country Strong," in which she stars. Paltrow previously placed two tracks on the list in December from her guest-starring turn on "Glee." She's now not too far behind hubby Chris Martin, who's appeared 10 times on the Hot 100 (nine with Coldplay) since 2001.

BETWEEN THE BULLETS

MARS CONTINUES NO. 1 ROTATION

Bruno Mars returns to the top of the Billboard Hot 100 as "Grenade" once again replaces Katy Perry's "Firework" at No. 1. "Grenade" supplanted "Firework" two weeks ago, only to have Perry's track reclaim the summit for a fourth cumulative week last issue. It's the first time two songs have alternated holds at No. 1 over four weeks since T.I.'s "Live Your Life" traded spots with Beyoncé's "Single Ladies (Put a Ring on It)" in December 2008. "Grenade" sits atop Hot Digital Songs for a fourth straight week with 275,000 downloads (down 35%), according to Nielsen SoundScan. —*Silvio Pietroluongo*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. The ukulele-playing Hawaiian musician earns his best sales week yet (2,000) and claims his first No. 1 on Top World Albums after five earlier entries in the past six years.

The Black Keys' Jan. 8 "SNL" appearance bleeds over into this side project the duo concocted with a gaggle of hip-hop acts, as it re-enters with a 94% gain.

Down below on the Heatseeker Songs chart at No. 11, Rockmafia's "The Big Bang" re-enters. Last week, Howard Stern repeatedly mentioned on his Sirius XM show how much he liked the tune, which no doubt led to its 77% jump in downloads (28,000).

With her 56th Hot 100 hit, Madonna ties Dionne Warwick for the second-most visits among women. Only the Queen of Soul, Aretha Franklin (73 entries), outdistances the Queen of Pop and Warwick in the category.

Led by its remake of "Smooth Criminal," the "Glee" cast sold 284,000 downloads of its five debuting remakes of Michael Jackson hits, two of which—"Black or White" (1991) and "Bad" (1987)—originally topped the Hot 100.

41

Following its usage in Chevrolet's Sonic Super Bowl ad, the song surges by 66% to 68,000 downloads. With a full tracking week of sales after the exposure, the cut should soar on next week's chart.

57

After its video premiered on Vevo on Jan. 31, the track returns, spurred by a 218% improvement to 53,000 downloads.

The lead single from the singer/songwriter's forthcoming fourth album bullets for the first time since its debut at No. 8, when it opened atop Hot Digital Songs, four weeks ago. The ballad gains in digital sales (to 32,000) and shoots 28-22 on the Adult Top 40 airplay chart.

BETWEEN THE BULLETS

CLARKSON DRIVES 'STRONGER' TO NO. 1

In what an RCA Records representative describes as a "perfect storm" of radio airplay, digital sales and pop culture prominence, Kelly Clarkson's "Stronger (What Doesn't Kill You)" rises 2-1 on the Billboard Hot 100. The song claims Greatest Gainer/Airplay honors, charging 33-15 on Hot 100 Airplay (58 million audience impressions, up 49%, according to Nielsen BDS). On Hot Digital Songs, "Stronger" spends a second week at No. 1 (237,000 downloads, up 6%, according to Nielsen SoundScan). Clarkson performed the national anthem before the Super Bowl on Feb. 5, while "Stronger" also serves as the soundtrack to a Toyota Camry TV spot, in which Clarkson leads a singalong of the song. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Blush, "Dance On"

The Pan-Asian female vocal group shimmies up to No. 2 on the Dance Club Songs chart, surpassing the No. 3 peak of its first hit, last year's "Undivided." The act comprises singers from the Philippines, India, China, Japan and South Korea.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS; sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources.

BETWEEN THE BULLETS

CLARKSON GETS 'STRONGER' AT NO. 2

Kelly Clarkson's "Stronger (What Doesn't Kill You)" is aptly titled, as the single vaults 8-2 with Greatest Gainer/Digital honors on the Billboard Hot 100. The song surges by 29% to 225,000 downloads sold, according to Nielsen SoundScan, and ascends 3-1 on Hot Digital Songs, marking Clarkson's second leader on the sales ranking. Her "My Life Would Suck Without You" spent two weeks at No. 1 on Hot Digital Songs three years ago this month. Radio support is likewise swelling for "Stronger," as the track charges 44-33 on Hot 100 Airplay (39 million, up 32%, according to Nielsen BDS), aided by advances on the Mainstream Top 40 (24-20) and Adult Top 40 (16-14) radio format charts. —*Gary Trust*

As Awolnation finally graduates from the chart, rising 108-99 on the Billboard 200 (after 45 weeks on the tally), this act finally hits No. 1 with 4,000 (up 20%).

2

After a stint at Warner Bros., the band becomes the first signing to the relaunched L.R.S. Records. This new set matches the peak of its self-titled 2010 Warner set, but sells just a shade more copies (4,000).

The album was Amazon MP3's Daily Deal on Jan. 26 for $3.99. In turn, it rises with an overall gain of 220% and notches its best sales week (2,000) since Christmas.

PROGRESS REPORT

Jana Kramer, "Why Ya Wanna"

The singer/actress ("One Tree Hill," "Friday Night Lights") scoots 50-44 on Hot Country Songs with the tune, her first to reach the tally. Collectively, her four songs that are available at digital retailers have sold 202,000, according to Nielsen SoundScan.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and that act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 2 As the song descends after 10 weeks at No. 1, two covers arrive on Billboard charts. The "Glee" cast's remake starts on the Hot 100 at No. 56 with 57,000 downloads sold, while Kidz Bop Kids' interpretation enters Kid Digital Songs at No. 9 (3,000; see opposite page).

4 The track blasts 7-1 on Hot Digital Songs (198,000, up 44%), marking the first No. 1 on the sales chart for both Guetta and Minaj (pictured). With his Hot 100 ascent, Guetta matches his best rank, first achieved with previous single "Without You," featuring Usher.

8 The anthem powers 11-3 on Hot Digital Songs (175,000, up 48%). With "Mr. Know It All," the first single from Clarkson's album *Stronger*, having peaked at No. 10, Clarkson posts her first back-to-back top 10s on the Hot 100 since the first four singles from her album *Breakaway* hit the top tier consecutively in 2004-05.

Radio is figuring out what fans already knew. With it having debuted atop Hot Digital Songs two weeks ago and its to-date sales standing at 396,000, the ballad, now being promoted to adult top 40 and triple A radio, begins on Adult Top 40 at No. 36.

BETWEEN THE BULLETS

'FIRE' AND REIGN: ADELE ATOP HOT 100

As Adele's "Set Fire to the Rain" lifts 2-1 on the Billboard Hot 100 while her album *21* remains atop the Billboard 200 for a 17th nonconsecutive week (see page 38), the set becomes the first by a single artist to lead the latter list while three of its tracks have concurrently ruled the Hot 100. *21* singles "Rolling in the Deep" and "Someone Like You" previously reigned while the set commanded the Billboard 200 last year. The "Saturday Night Fever" soundtrack is the only other album to have managed the feat, having headed up the album ranking while three singles from the set reached No. 1 on the Hot 100 in 1978. —*Gary Trust*

NEW ON THE CHARTS

Allison Park, "Holding Me"

The Pittsburgh native makes her Billboard chart debut this week as her single starts at No. 30 on Adult Contemporary (see the chart in full at billboard.biz/charts). The singer/songwriter is at work on writing and recording her upcoming debut full-length.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. The rapper notches his first Hot 100 top 10, as the track blasts 13-3 on Hot Digital Songs (160,0000 downloads sold, up 41%) and rises 59-47 on Hot 100 Airplay (26 million audience impressions, up 24%).

10
The collaboration zooms 21-7 on Hot Digital Songs (137,000, up 43%) and 39-31 on Hot 100 Airplay (38 million, up 26%). It's Guetta's fourth Hot 100 top 10 and Minaj's fifth.

21
As radio support builds—the cut enters Hot 100 Airplay at No. 71—sales primarily drive its Hot 100 vault, as the song storms 44-11 on Hot Digital Songs (118,000, up 124%). The chart's tracking week encompasses the first full frame following Clarkson's Jan. 7 "Saturday Night Live" performance (which also aided her Billboard 200 chart fortunes; see page 50).

40
The San Francisco band treats fans to a preview of its forthcoming sixth studio album. The track starts at No. 46 on Hot Digital Songs (44,000), No. 21 on Triple A and No. 29 on Adult Top 40.

BETWEEN THE BULLETS

RIHANNA'S 'LOVE' SCORES A PERFECT 10

Rihanna's "We Found Love," featuring Calvin Harris, becomes one of just 11 titles boasting a solo female lead billing to rule for at least 10 weeks in the Billboard Hot 100's 53-year history. It's the first such leader since Beyoncé's "Irreplaceable" logged 10 weeks on top in 2006-07. Since 2000, just two other songs have spent at least 10 weeks at No. 1: Mariah Carey's "We Belong Together" (14, 2005) and Ashanti's "Foolish" (10, 2002). The first? Debby Boone's "You Light Up My Life," which led for 10 weeks in 1977. Carey's "One Sweet Day," with Boyz II Men, remains the longest-reigning No. 1 among all acts, having linked 16 weeks in charge in 1995-96. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Kimbra, "Settle Down"

The New Zealand-born singer's success with Gotye's "Somebody That I Used to Know" (91-58 on the Billboard Hot 100) also helps her four-song EP *Settle Down* rise 45-26 (1,000; up 47%) on Heatseekers Albums. (*Settle Down* doesn't include "Somebody.")

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. The song matches Ke$ha's "TiK ToK" in early 2010 for the most weeks spent atop the Hot 100 since the Black Eyed Peas' "I Gotta Feeling" racked 14 frames in charge in summer 2009.

4

Adele's third top five hit from her album *21*—at No. 1 on the Billboard 200 for a 15th week (see page 34)—bounds 17-12 on Hot 100 Airplay, up by 35% to 73 million audience impressions.

23

As the track surges 35-13 on Hot Digital Songs (113,000 downloads sold, up 20%), radio support continues to build (21 million, up 26%).

25

The song (96,000 downloads, up 42%) is one of just eight on the 75-position Hot Digital Songs chart to post a gain, as most titles' totals tumble after bustling holiday activity. (Bullets on the tally were awarded primarily to songs registering the smallest decreases.)

Following her Jan. 7 performance on NBC's "Saturday Night Live," the track improves by 58% to 53,000 in digital sales. After tallying two weeks on the list as an album cut, the song is now being promoted as the second single from her album *Stronger*.

BETWEEN THE BULLETS

START HIM 'UP': JASON MRAZ DEBUTS

Jason Mraz blasts onto the Billboard Hot 100 at No. 8 with "I Won't Give Up," courtesy of a No. 1 debut on Hot Digital Songs. The track arrives with 229,000 downloads sold, according to Nielsen SoundScan, and marks Mraz's first No. 1 on the latter tally. "Won't," which previews the singer/songwriter's as-yet-untitled fourth studio album, due May 8, first drew attention when Mraz performed it in concert last year, while its official lyrics video has racked 2.5 million views since its upload to Mraz's YouTube channel on Jan. 2. Expected next: a proper video and promotion of the song to adult top 40 and triple A radio. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded respectively, for the largest digital sales and largest airplay increases on the chart. With 417,000 downloads sold in the chart's tracking week, "Sexy and I Know It" passes 3 million in digital sales release-to-date. "Party Rock Anthem" (296,000, up 38%), meanwhile, logs a 28th week in the top 10, tying Jewel's "You Were Meant for Me"/"Foolish Games" (which spanned the radio runs of each side) for the third-longest top 10 stay in the chart's history.

40

The rapper notches his first top 40 placement as a lead act, as the cut jumps by 23% to 94,000 downloads sold. In 2010, he reached No. 14 as a featured act (with Kevin McCall) on Chris Brown's "Deuces."

64

Released digitally on Dec. 20 as a promotion for ESPN's coverage of college football bowl games, the track arrives with 57,000 downloads sold.

91

The act's first Hot 100 entry becomes one of just seven titles ever to spend 20 weeks on the chart but rise no higher than No. 82. With steady support from alternative and active rock radio, the song scored a No. 10 peak in a 37-week run on Rock Songs. Its best digital sales week (35,000, up 20%) ups its total to 746,000.

BETWEEN THE BULLETS

ADELE'S 'DEEP' DOMINANCE ROLLS ON

Adele's "Rolling in the Deep," Billboard's top song of 2011 after tallying seven weeks at No. 1, logs a full year on the Billboard Hot 100, rebounding 35-30 with Greatest Gainer/Airplay honors in its 52nd frame. The song, up by 45% to 33 million in all-format audience, according to Nielsen BDS, received renewed interest as adult stations returned to non-seasonal programming—"Deep" re-enters Adult Contemporary at No. 4—and from prominent placing on stations' year-end countdowns. Current single "Set Fire to the Rain," meanwhile, bullets at No. 8 on the Hot 100 and claims the Greatest Gainer tag on Mainstream Top 40 (16-14), and "Deep" follow-up "Someone Like You" (No. 9) returns to the AC summit (12-1). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. The Icelandic band ascends to No. 1 (6,000, down 2%) in its second chart week thanks in part to the EP's "Little Talks" being offered as a free download at iTunes last week.

Even a small gain can yield a big jump in a slow sales week. For example, this set sports just a 5% increase, but rallies 26-15 to its best rank since Nov. 5, 2011.

Edwards' pairing with David Brymer debuts with 1,000-plus copies sold and also arrives at No. 36 on the Top Christian Albums chart.

NEW ON THE CHARTS

Penguin Prison, "Don't Fuck With My Money"

The New York singer/songwriter (given name Chris Glover) debuts on the Dance Club Songs chart at No. 50 with the funky pop/disco track, giving him only his second taste of a Billboard tally. He spent three weeks on Uncharted in 2011.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs by new or developing acts, defined as those who have never appeared as a lead artist on the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 4 As the song rises 11-10 on Hot 100 Airplay (76 million audience impressions, up 20%), joining "Party Rock Anthem" in the top 10 (5-6), LMFAO is the first duo or group to double up in that chart's top tier since the Black Eyed Peas two years and three months ago.

9 The track's 88-position vault ties for the chart's fourth-greatest among all acts and biggest by a male, equaling Akon's "Smack That," featuring Eminem (95-7, five years ago this week).

15 Following the Oct. 18 premiere of its video, the song flies past its previous peak (No. 16, established upon its debut), roaring 18-10 on Hot Digital Songs (109,000 downloads, up 100%).

55 Perry's quest for a record sixth No. 1 from *Teenage Dream* gains momentum, as the set's new single bounds 75-48 on Hot 100 Airplay (28 million, up 80%) and enters Hot Digital Songs at No. 73 (18,000, up 138%).

94 Atop Hot Latin Songs (see page 58) for a second week, the song bests the No. 97 Hot 100 peak of the former Maná frontman's first solo hit and fellow Hot Latin Songs leader, "You."

BETWEEN THE BULLETS

BIEBER USHERS IN HOLIDAY SEASON

It's beginning to look a lot like Christmas on the Billboard Hot 100, as Justin Bieber's "Mistletoe" jingles in at No. 11 with 164,000 downloads sold, according to Nielsen SoundScan. It's the third-highest-charting holiday hit in the Hot 100's history, following the Chipmunks' "The Chipmunk Song (Christmas Don't Be Late)" (No. 1, four weeks, 1958-59) and New Kids on the Block's "This One's for the Children" (No. 7, 1989). (Variations in chart rules through the years prevented certain seasonal songs from appearing on the list.) Coldplay's "Christmas Lights" was last year's highest-charting holiday title, having bowed at No. 25 in the Dec. 18 issue. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. Banking an eighth week at No. 3, the song ties LL Cool J's "Hey Lover" (1995-96) for the second-most frames spent peaking at the position. Only Real McCoy's "Another Night" (11 weeks, 1994-95) logged more time cresting at No. 3.

The track claims dual Greatest Gainer honors, pushing 5-3 on Hot Digital Songs (174,000 downloads, up 21%) and 23-15 on Hot 100 Airplay (58 million impressions, up 31%).

7

An 11-9 advance on Hot 100 Airplay grants Usher his 15th top 10 on the tally. Dating to his first week in the chart's top tier (Nov. 8, 1997), only Lil Wayne, Ludacris, T-Pain (17 each) and Rihanna (16) have more.

85

The sixth Hot 100 hit from *4* arrives, fueled by its highest rank to-date (66-59) on Hot R&B/Hip-Hop Songs (see page 55).

Gains in sales (12,000, up 39%) and airplay (No. 28 on the Mainstream Top 40 chart, up 33% in detections) land Spears her fourth Hot 100 entry, following three top 10s, from *Femme Fatale*.

-BETWEEN THE BULLETS

SNOOP & WIZ KHALIFA'S 'WILD' RIDE

Aided by the prominence of a rap icon and one of the genre's rising stars, Snoop Dogg and Wiz Khalifa enter the Billboard Hot 100 at No. 10 with "Young, Wild & Free," the first single from the pair's comedic film (and soundtrack), "Mac and Devin Go to High School," due early next year. Starting with 159,000 downloads sold, according to Nielsen SoundScan, the launch marks Snoop's highest Hot 100 debut as a lead act and the 10th top 10 of his 18-year chart career. Khalifa collects his third top 10 and second-highest arrival, after "No Sleep" soared in at No. 6 in April. Featured artist Bruno Mars makes his first top 10 entrance with his seventh career top 10. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 27

He nets his 13th top 10 on Contemporary Jazz Albums, bowing at No. 3. It's his sixth straight set to hit the top tier since 2001 No. 1 *Crush*.

NEW ON THE CHARTS

Future Islands, "On the Water"

The Baltimore trio's third album becomes its first to reach a Billboard chart as it starts at No. 12 on Heatseekers Albums. The synth-pop band is on a U.S. tour and has dates lined up through Dec. 3. Fittingly, the trek will wrap in the group's hometown.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent HEATSEEKERS ALBUMS chart appearances are ineligible. Ranks are based on sales data collected by Nielsen SoundScan. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 30 The track (61,000 downloads, up 103%) marks featured act Allen's first Hot 100 top 40 hit. The English singer/songwriter previously rose as high as No. 49 with her debut "Smile" in 2007.

41 Lead single from band's third studio album, *Here and Now*, due Nov. 21, opens at No. 25 on Hot Digital Songs (47,000), while jumping 18-15 as the Greatest Gainer on Adult Top 40.

Entrances on Hot Digital Songs (No. 26, 46,000 downloads) and Mainstream Top 40 (No. 40) fuel the group's follow-up to its No. 7-peaking introductory Hot 100 hit, "Tonight Tonight."

53 Thanks to the TV ensemble's arrival with 50,000 downloads (the highest sum of the series' new season), Coldplay's original version of the ballad bounds 29-5 on Rock Digital Songs (31,000, up 314%).

The first taste of *Euphoria Reloaded*, due Nov. 15, features Iglesias reloading with Pitbull (26,000 in first-week digital sales). The pair reached No. 4 last year with "I Like It," the first of three top 20 hits from *Euphoria*.

BETWEEN THE BULLETS

ADELE'S ADULT ADULATION

ADELE

As Adele's "Someone Like You" spends a third week atop the Billboard Hot 100, it rises 2-1 on the Adult Top 40 radio chart. With previous single "Rolling in the Deep" at No. 1 on Adult Contemporary for a 17th week, Adele is just the second act to top the adult airplay tallies simultaneously with different titles, following fellow Columbia act Train last year ("Hey, Soul Sister," "If It's Love"). "Someone" sold 218,000 downloads in the tracking week, cracking 2 million in total sales, according to Nielsen SoundScan. Uptempo remixes spur bows on Dance Airplay (No. 16), Rhythmic (No. 17) and Hot Latin Songs (No. 48). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 1 After three weeks at No. 2, the song returns to the summit with gains in digital sales (222,000, up 10%) and radio airplay (123 million, up 16%). It's also the Greatest Gainer on Mainstream Top 40 (6-3) and Adult Contemporary (13-11).

8 Guetta's third top 10 and Usher's 17th climbs 21-16 on Hot 100 Airplay (54 million, up 18%) and holds at No. 8 on Hot Digital Songs (125,000, up 7%).

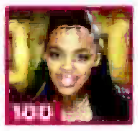
75 The Fox TV troupe (33,000 downloads) brings the evergreen ballad from "West Side Story" to the Hot 100 for a fourth time, following versions by P.J. Proby (No. 91 peak, 1965), Len Barry (No. 26, 1966) and Barbra Streisand (No. 43, 1986).



100 Another TV-related bow: The 13-year-old stars in the Disney Channel's "A.N.T. Farm" and TBS' "Tyler Perry's House of Payne." The song appears on the former series' soundtrack, along with her cover of Taio Cruz's "Dynamite."

BETWEEN THE BULLETS

B.o.B, BRUNO MARS BOW ON HOT 100

Having banked three Billboard Hot 100 top 10s last year from his Billboard 200-topping debut, *The Adventures of Bobby Ray*, rapper B.o.B previews his forthcoming second set, as title cut "Strange Clouds" starts at No. 7. The track begins at No. 3 on Hot Digital Songs with 197,000 downloads sold, according to Nielsen SoundScan. *Adventures* yielded the Hot 100 No. 1 "Nothin' on You," featuring Bruno Mars; "Airplanes" with Hayley Williams (No. 2); and "Magic," with Rivers Cuomo (No. 10). Meanwhile, Mars bows at No. 28 with "It Will Rain" (80,000), from the "Twilight Saga: Breaking Dawn—Part 1" soundtrack, due Nov. 8. —*Gary Trust*

The album's single, "Sail," reaches the top 10 of Rock Songs for the first time (11-10) in its 28th chart week. Meanwhile, the set drops on the chart, despite a 30% sales gain.

The second-season winner of NBC's "The Sing-Off" surges up the list with a 150% gain (also arriving at No. 195 on the Billboard 200). Venue sales and the show's season-three premiere drive the gain.

19

Absent from Billboard's charts since 2006's *On the Jungle Floor*, the singer returns (1,000) as an indie artist, distributed by Thirty Tigers. The new set also bows at No. 50 on Top R&B/Hip-Hop Albums.

NEW ON THE CHARTS

Rachel Platten '1,000 Ships"

The New York singer/songwriter, pianist and beatboxer has been percolating on the Adult Top 40 tally with her chart debut, "1,000 Ships" (No. 37 this week). It's from her *Be Here* album, which has moved 2,000 units, according to Nielsen SoundScan.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 5 of the Billboard Airplay chart Dec. 2, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS; sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. The song rockets 9-2 on Hot 100 Airplay, improving by 26% to 106 million in audience. The seven-spot jump is the greatest to the No. 1 or No. 2 slot in the chart's 21-year history; only Kanye West's "Stronger" (7-1, Oct. 6, 2007) had risen as many as six positions to the top two.

The track cracks the top 10 on Hot 100 Airplay, rising 14-10 with a 21% gain to 77 million.

10

"Sexy" brings the duo back to the top 10 (139,000 downloads sold, up 97%). At just four chart weeks, the song surges to the top tier in less than half the time (nine weeks) it took the pair's previous "Party Rock Anthem" (No. 4) to reach the upper region.

With school back in session—i.e., Fox's "Glee" having returned for a third season on Sept. 20—three titles from the episode debut, led by a remake of Tom Jones' 1965 first Hot 100 hit that bows with 40,000 downloads. By comparison, the top-selling track from last fall's premiere, the troupe's cover of Jay-Z and Alicia Keys' "Empire State of Mind," launched with 106,000 and opened at No. 21.

BETWEEN THE BULLETS

RIHANNA'S 'LOVE' SETS UP NEW ALBUM

Rihanna roars onto the Billboard Hot 100 at No. 16 with "We Found Love" (featuring Scottish DJ Calvin Harris), the first single from her forthcoming, as-yet-untitled sixth studio album, due Nov. 21. The cut enters Hot Digital Songs at No. 7 with first-week download sales of 117,000, according to Nielsen SoundScan, and Hot 100 Airplay at No. 75 with 14 million out-of-the-box impressions, according to Nielsen BDS. As "Love" was released digitally and to radio on Thursday, Sept. 22, next week's charts will reflect its first full week of sales and airplay activity. "Love" ties last year's "Stranded (Haiti Mon Amour)," with Jay-Z and Bono, for Rihanna's highest bow as a lead artist. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NEW ON THE CHARTS

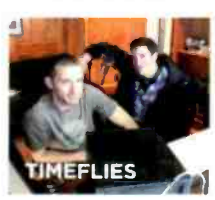
Timeflies, "The Scotch Tape"

The hip-hop duo (producer/DJ Rob Resnick and vocalist Cal) makes its chart debut at No. 4 on Heatseekers Albums with its first set selling 2,000 units, according to Nielsen SoundScan. The act's college tour will take it through the Midwest and along the East Coast this fall.



HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1

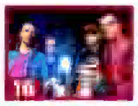
Blasting 5-1 on Hot 100 Airplay (123 million in audience, up 14%), the song marks Maroon 5's first No. 1 on the chart and Aguilera's third, following "Genie in a Bottle" (1999) and "Lady Marmalade," with Lil' Kim, Mya and P!nk (2001).

The ballad reaches the top 10 (13-9) on Hot 100 Airplay (84 million, up 37%), fueled by its rise as the Greatest Gainer on Mainstream Top 40 (16-13) and Adult Contemporary (14-13).

15

As the club thumper roars 18-10 on Hot Digital Songs (104,000 downloads sold, up 71%), radio support is likewise swelling; the track jumps 45-32 on Hot 100 Airplay (37 million, up 37%).



The second single from *Mylo Xyloto*, due Oct. 24, begins with 139,000 downloads. It also launches on Triple A at No. 11 and Alternative at No. 24, with Capitol poised to take the track to pop and adult radio on Oct. 3.

25

Surely helping spur the song's 66% digital gain (to 70,000)? The Sept. 15 premiere of its video on Vevo. The cheeky clip (literally, considering its abundance of Speedo-clad dancers) includes cameos from Ron Jeremy and Wilmer Valderrama.

BETWEEN THE BULLETS

BENNETT'S BOW ONE FOR THE AGES

BENNETT

At 85 years and two months, Tony Bennett becomes the oldest living artist to grace the Billboard Hot 100, as "Body and Soul," with the late Amy Winehouse, bows at No. 87 (25,000 downloads, according to Nielsen SoundScan). Bennett passes George Burns (84 years and two months), whose "I Wish I Was Eighteen Again" wrapped its chart run in 1980. Bennett had been absent from the Hot 100 since the week of Nov. 25, 1967—a span of 43 years, 10 months and one week. It's the list's longest hiatus among solo artists and second among all acts only to the Chipmunks (45 years, one week). "Body" previews Bennett's *Duets II* (see Over The Counter, page 33). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

The Head and the Heart, "Lost in My Mind"

The folk/pop act notches its first No. 1 on a Billboard singles chart as the tune rises to the top of the Triple A airplay tally (see billboard.biz/charts). Its parent album, the band's self-titled debut, spends its 27th week on Heatseekers Albums (No. 10).

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums or Top Latin Albums, Top Country Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources.

1 The song claims Greatest Gainer/Airplay honors courtesy of its 8-5 push on Hot 100 Airplay (104 million, up 20%), while rebounding for a second week atop Hot Digital Songs (220,000, up 6%).

10 A toast to the artist with the most top 10s—19—dating to her first week in the top tier (July 16, 2005) with "Pon De Replay." Lil Wayne is second with 15 top 10s in that span.

12 Although her record streak of 69 consecutive weeks in the top 10 ends, it looks likely that Perry will soon debut a sixth single from her album *Teenage Dream*. "The One That Got Away" goes to pop radio next month.

34 Fourth prerelease song from *Own the Night*, due to soar In atop next week's Billboard 200, is the set's second No. 1 on Country Digital Songs (74,000). "Just a Kiss" bowed at the summit in May (211,000).

7 Five years ago next week, the now-20-year-old peaked at No. 3 with "Too Little Too Late." Opening with 26,000 downloads, new single previews her forthcoming third album, *Jumping Trains*.

CLARKSON NETS SECOND-BEST BOW

Kelly Clarkson previews her fifth studio album, *Stronger* (due Oct. 25), by notching the second-highest debut among her 17 Hot 100 chart entries, as "Mr. Know It All" launches as the Hot Shot Debut at No. 18. The original "American Idol" queen began at a higher rank only with "Never Again," which arrived (and peaked) at No. 8 in the May 12, 2007, issue. "Know" enters Hot Digital Songs at No. 9 with 107,000 downloads sold, according to Nielsen SoundScan. The track is likewise the top new entry on Hot 100 Airplay, where it starts at No. 65 with 17 million in all-format audience (up 79%), according to Nielsen BDS. —*Gary Trust*

Up 7-4 on Hot 100 Airplay (103 million in audience, up 22%), the song becomes Rihanna's 16th No. 1 on Dance Club Songs (5-1) and her record-extending 10th topper on Dance/Mix Show Airplay (11-1).

12

Mars lands his ninth top 10, and fourth as a lead artist, on Hot Digital Songs, where it soars 17-10 (97,000 downloads sold, up 51%).

20
The song was aided for a second week by Minaj's remix, which accounted for 80% of its 81,000 downloads sold (up 22%) in the chart's tracking week. Radio support likewise builds, as it lifts 63-50 on Hot 100 Airplay (24 million, up 33%).

72

Though the troupe's take outsold the original, 34,000 to 24,000, last week, Perry's rendition ranks significantly higher on the Hot 100 (No. 39) due to its long-built airplay advantage (No. 36 on Hot 100 Airplay).

86
The two highest-charting seasonal albums so far this year sport covers of the modern classic carol. In addition to Bieber's update with the song's original artist, Michael Bublé's interpretation appears on *Christmas* (No. 8 on the Billboard 200).

1 Dubbed a "mini-LP," the six-song set (4,000) follows the duo's 2010 debut, *Eyelid Movies*, which peaked at No. 7 on June 5, 2010. The act is on a U.S. tour through November.

A performance on the Oct. 31 edition of NBC's "The Sing-Off" gooses the set with a 245% gain. It also re-enters Top R&B/Hip-Hop Albums at No. 32.

Zee Avi (pictured; No. 12, up 109%) and Mariachi El Bronx (No. 13, up 185%) profit from Amazon MP3's Daily Deals. Kina Grannis (No. 16, up 892%) jumps thanks to MTV O Awards buzz (see page 56).

Scars on 45, *Heart on Fire, Give Me Something*

After netting a No. 3 hit on the Triple A radio chart with "Give Me Something," the British band enters Heatseekers Albums with a pair of EPs at Nos. 34 and 49. The group is expected to release its full-length debut in early 2012.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). Climbing 6-4 with the chart's Greatest Gainer/Digital tag (162,000 downloads, up 32%), Guetta achieves his highest rank, besting his No. 5 peak with "Sexy Chick," featuring Akon, last year.

9

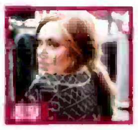
Gains in downloads (130,000, up 34%) and airplay (50 million, up 12%) help land Mars his eighth Hot 100 top 10 dating to his arrival less than two years ago as a guest on B.o.B's two-week No. 1 "Nothin' on You."

14

Though it departs the top 10, the song's 25-week residency in the top tier is one of just eight of at least that length in the chart's history. LeAnn Rimes' "How Do I Live" leads with 32 weeks in the top 10 in 1997-98.

63 & 68

Two '80s Hot 100 No. 1s return as covers. Kenny Loggins' "Footloose" reigned for three weeks beginning March 31, 1984, after Billy Joel's "Uptown Girl" had topped the Sept. 24, 1983, tally.



89

Columbia Records originally intended to release "Rumour Has It" as the next pop/adult radio single from *21*, but changed course to this song, citing, in part, its hefty 706,000 in digital sales as an album track.

SWIFT'S 'MOVIE' PREMIERES IN TOP 10

Taylor Swift debuts three songs on the Billboard Hot 100, led by "If This Was a Movie" at No. 10 (162,000 downloads sold, according to Nielsen SoundScan). She also arrives at Nos. 13 and 26 with "Ours" (148,000), her next country radio single, and "Superman" (91,000), respectively, while an alternate version of "Haunted" re-enters at No. 98 (24,000). The tracks made their digital retail debuts on Nov. 8, after previously being available only on the deluxe CD version of Swift's *Speak Now* album at Target stores. "Movie" marks Swift's Hot 100-record-extending eighth title to debut in the top 10. It's her 10th top 10 overall and first since "Back to December" (No. 6) last year. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. The four-time Academy Award-nominated director/writer debuts with his first album as a singer, which sells a little more than 2,000 copies.

The set was discounted to $3.99 for one day only on Amazon MP3 on Nov. 10. Surprise: It gains by 136% to its second-best sales week.

Medski, Martin & Wood (pictured) are joined by John Scofield for a second collaboration album after *Out Louder* in 2006 (No. 5). The new set is the lucky 13th top 10 for the trio on Contemporary Jazz.

PROGRESS REPORT

Bei Maejor Featuring J. Cole, "Trouble"

While Bei Maejor (given name Brandon Green) has written Hot R&B/Hip-Hop Songs chart hits for the likes of Lloyd ("Cupid") and Plies ("She Got It Made"), "Trouble" marks his first appearance on the charts as an artist. It rises 36-31 on Rhythmic this week.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1
Up 3-1 (129 million audience impressions, up 14%), Rihanna scores her ninth No. 1 on Hot 100 Airplay. Since the chart's launch 21 years ago this week, only Mariah Carey (11) has more leaders.

Teenage Dream becomes just the seventh album to spawn at least six Hot 100 top 10s and the first since Janet Jackson's *janet.* in 1993-94.

The TV troupe tallies its fifth-highest digital sales frame, as its Adele mash-up launches with 160,000 downloads sold. With additional debuts at Nos. 69, 80 and 86, the cast extends its Hot 100 record to 168 charted entries.

60
The "Glee" cast's exposure for "Rumour Has It" spurs the original version's best digital sales week (42,000, up 171%) and Hot 100 ranking. It reached No. 96 in August amid its chart-topping run on the Triple A airplay tally.

66
Having peaked at No. 13 on Dance/Mix Show Airplay in October, the Swedish DJ's track (39,000 downloads, up 265%) is receiving renewed attention via Flo Rida's sampling of it in "Good Feeling" (8-7).

BETWEEN THE BULLETS

RIHANNA TRIPLES UP IN DIGITAL TOP 10

Rihanna becomes the first woman to chart three titles in the Hot Digital Songs top 10 simultaneously, as two new tracks join "We Found Love," which tops the survey for a fifth week (and the Billboard Hot 100 for a fourth frame) with 211,000 downloads sold, according to Nielsen SoundScan. Drake's "Take Care," on which she guests, arrives at No. 4 on Hot Digital Songs (162,000) and her own "You Da One" opens at No. 9 (124,000). No artist had placed as many entries in the chart's top 10 since a record six songs by Michael Jackson, led by "Thriller" at No. 2, ranked in the region the week of July 11, 2009, following his death. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. The singer/songwriter, who appeared on "The Ellen DeGeneres Show" (Nov. 15) and new Billboard.com show "TMI: The Music Insider" (Nov. 17), vaults 21-4 (up 124%).

This could be the final week on the tally for the rapper's album, as his new set, *Radioactive*, dropped Nov. 21 and could bow in the top 100 of the Billboard 200 (thus rendering him ineligible for Heatseekers).

22

On Dance/Electronic Albums, it's the act's seventh entry, taking a bow at No. 19 with 1,000 sold.

NEW ON THE CHARTS

Brent Anderson, "Amy's Song"

The singer's debut chart effort, which was inspired by a true story, bullets at No. 52 on Hot Country Songs this week (see billboard.biz/charts). "Amy" deftly interpolates a bit of Pure Prairie League's 1975 hit "Amie," which reached No. 27 on the Billboard Hot 100.

The American Music Awards winner and performer (Nov. 20) soars 18-10 on Hot 100 Airplay (70 million audience impressions, up 19%, according to Nielsen BDS) and 11-5 on Hot Digital Songs (137,000 downloads, up 29%, according to Nielsen SoundScan).

10

The song logs a 26th week in the top 10, becoming just the fifth title in the chart's history to tally six months in the top tier. It's the first such song since Santana's "Smooth," featuring Rob Thomas, spent 30 weeks in the top 10 in 1999-2000.

36

The song opens with 70,000 downloads sold after Will.I.am premiered it, with Jagger and Lopez (the former via video) on the AMAs. The track marks Jagger's highest Hot 100 rank since 1985.

59

Lady Gaga's favorite cut on *Born This Way*, as she noted on her Nov. 24 ABC special, "A Very Gaga Thanksgiving," improves to 23 million in audience (up 31%) and 20,000 in digital sales (up 163%).

96

The Yonkers, N.Y., rapper (aka Richard Andrew) makes his maiden Hot 100 entrance, fueled by the song's 33-30 advance on Mainstream Top 40.

BETWEEN THE BULLETS

AMAs SPUR DIGITAL SALES GAINS

Following the American Music Awards on Nov. 20, multiple titles performed at the star-studded festivities, broadcast live on ABC, surge on the Billboard Hot 100. After LMFAO performed "Sexy and I Know It" and "Party Rock Anthem," the former title rises 2-1 on Hot Digital Songs (226,000 downloads sold, up 24%, according to Nielsen SoundScan), while the latter rebounds 16-10 (101,000, up 30%). The songs bullet at Nos. 2 and 10, respectively, on the Hot 100. Other AMA performers receiving boosts in the Hot 100's upper reaches include Maroon 5 and Christina Aguilera (No. 4), Gym Class Heroes (No. 7), Jay-Z and Kanye West (No. 15), Kelly Clarkson (No. 16) and Nicki Minaj (Nos. 19 and 20). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. After the act played the song on the MTV Video Music Awards' preshow (Aug. 28), it jumps 13-5 on Hot Digital Songs (159,000, up 75%) and 24-20 on Hot 100 Airplay (45 million, up 15%).

16

Weezy boasts 11 Hot 100 charted titles this week, tying David Cook and Taylor Swift for the most simultaneously placed songs by a solo act in the list's 53-year history. Only the Beatles have held more such titles (14; April 11, 1964).

Fellow VMAs performer Beyoncé banks her first Hot Digital Songs top 10 from 4 (113,000) and the second-highest Hot 100 debut among her 29 solo career entries; only "Ring the Alarm" began higher (No. 12, 2006).

65

The band also benefits from its VMAs appearance (42,000 downloads, up 220%). The track reached No. 5 on Alternative in April.

As the duo's prior single (No. 4) claims No. 1 on Billboard's Songs of the Summer chart (see Billboard.com), the follow-up from *Sorry for Party Rocking* begins on Hot Digital Songs (No. 58; 30,000, up 98%) and Mainstream Top 40 (No. 37).

BETWEEN THE BULLETS

VMAs SEND ADELE SOARING TO NO. 1

Following Adele's performance of "Someone Like You" on the MTV Video Music Awards on Aug. 28, the song bounds 19-1 on the Billboard Hot 100 with Greatest Gainer/Digital and Airplay honors. "Like" leaps 11-1 on Hot Digital Songs with 275,000 downloads sold (up 191%), according to Nielsen SoundScan. On Hot 100 Airplay, the track blasts 42-19 with 46 million all-format audience impressions (up 59%), according to Nielsen BDS. Adele previously led the Hot 100 for seven weeks beginning in May with "Rolling in the Deep." Similar to "Deep," "Like" is receiving multiformat radio support, lifting 12-10 on Adult Top 40, 18-16 on Adult Contemporary and 24-19 on Mainstream Top 40.

—*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Joe Jonas, "Love Slayer"

Believe it or not, while Joe Jonas makes his debut on the Dance Club Songs chart at No. 47 with this track from his upcoming solo debut album, he's charted once previously with his band, the Jonas Brothers. The trio took "Paranoid" to No. 10 in 2009.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Top Christian Albums or Top Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2011 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1 & 10

As he reigns with his band and soars 15-10 as a soloist, Maroon 5 singer Adam Levine becomes the first artist in the Hot 100's 53-year history to reach No. 1 in a group and enter the top 10 as a solo act simultaneously.

The singer extends her record for most top 10s among women (21) on Hot Digital Songs, where the track flies 15-5 with 131,000 downloads sold (up 68%). On Hot 100 Airplay, it pushes 19-17 (52 million audience impressions, up 13%).

16 & 19

Following her appearance at the MTV Video Music Awards on Aug. 28, Lady Gaga's latest gains by 92% in digital sales (to 109,000) and 50% in airplay (to 32 million). Fellow VMA headliner Adele soars by 68% in downloads (to 95,000) and 41% in radio play (to 29 million).

Although it has slipped in the two weeks since arriving, the follow-up to the No. 14-peaking "Don't Wanna Go Home" (No. 87) bows on Mainstream Top 40 at No. 34 and improves by 84% to 11 million in all-format radio audience.

BETWEEN THE BULLETS

LIKE A ROLLING STONE: 'JAGGER' NO. 1

Maroon 5's paean to Rolling Stones frontman Mick Jagger (see Chart Beat, page 33), "Moves Like Jagger," featuring Christina Aguilera, struts to the top of the Billboard Hot 100, lifting 4-1 with Greatest Gainer/Airplay honors for a third consecutive week. "Jagger" rebounds 2-1 on Hot Digital Songs with 217,000 downloads sold (up 6%), according to Nielsen SoundScan, and jumps 15-11 on Hot 100 Airplay with 72 million all-format audience impressions (up 20%), according to Nielsen BDS. The song marks Marcon 5's second Hot 100 No. 1, following 2007's "Makes Me Wonder." Aguilera notches her fifth Hot 100 leader and first since "Lady Marmalade," with Lil' Kim, Mya and P!nk, in 2001. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 25			IMELDA MAY / AMBASSADOR 015743/DECCA (13.98)	Mayhem	

2

The band's plum placement as the only rock act to perform at the MTV Video Music Awards on Aug. 28 helps lift the set by 141%.

The 14-track rarities set from the Magnetic Fields frontman includes five archival songs from that band circa 1994-99.

Producer/musician (and one-half of Eurythmics) arrives with his first solo album in nearly 13 years. He'll also be back on the charts soon as part of the supergroup SuperHeavy.

2
Rebounding 2-1 on Hot 100 Airplay for a second frame in charge, the song is the first since Jennifer Lopez's "I'm Real," featuring Ja Rule, in October 2001 to drop from and reclaim the chart's top spot.

22
With the ballad's bow at No. 19 on Adult Contemporary, the trio is the only act with two top 20 debuts at the format in the past two years. Its "Need You Now" opened at No. 20 in January 2010, eventually spending 15 weeks at the summit.

With its video having debuted on Aug. 16 and pop airplay building—the song jumps 35-25 on Mainstream Top 40—the fourth radio single from *Born This Way* re-enters Hot Digital Songs at No. 24 (56,000 downloads sold, up 261%).

The follow-up to the No. 39-peaking "Right There," featuring 50 Cent, starts on Hot Digital Songs at No. 61 (26,000). The former Pussycat Dolls singer assumes her role as a judge on "The X Factor," which premieres Sept. 21 on Fox.

89
Cruising onto the Hot 100, the song continues its ascent on Alternative, where it bullets at its to-date peak of No. 5 in its 29th chart week.

BETWEEN THE BULLETS

LIL WAYNE LOGS BIG HOT 100 BOW

Lil Wayne leaps onto the Billboard Hot 100 at No. 3 with "She Will," which launches atop Hot Digital Songs with 255,000 downloads sold, according to Nielsen SoundScan. The song concurrently opens at No. 71 on Hot 100 Airplay with 16 million audience impressions (up 172%), according to Nielsen BDS. "Will," from Weezy's ninth studio set *Tha Carter IV*, due to impact the Billboard 200 in two weeks, marks the rapper's fifth top 10 debut, pushing him past Eminem and Kanye West for the most such starts by a male artist. Among all acts, he ties Mariah Carey for second-most top 10 arrivals. Taylor Swift leads with seven top 10 entrances. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 2

Jumping 11-10 on Hot 100 Airplay (67 million in audience, up 16%) in its fourth week, the song marks the group's fastest ascent to the chart's top 10. It's the quickest climb among all acts since Katy Perry's "Last Friday Night (T.G.I.F.)" also needed only four frames to crack the top 10 in July 2011.

The band collects its third Hot 100 top 10 just two years after "Hey, Soul Sister" reached No. 3. Train tallied its first top 10, "Drops of Jupiter (Tell Me)," in 2001.

17

Following her performance of the song on "American Idol" on May 10 (with boyfriend Casper Smart), Lopez logs her fourth top 10, and Pitbull his ninth, on Hot Digital Songs, where the track bounds 15-9 (104,000 downloads sold, up 39%).

44

The song becomes just the ninth to remain on the Hot 100 for at least 60 weeks and ties Los del Rio's "Macarena" (1995-96) for the longest stay by a title from a duo (see page 34).

The singer's ode to his mother, Pattie Mallette, sold 79,000, with all proceeds benefiting single mothers in need. The track isn't set to be included on his third studio album, *Believe* (June 19).

BETWEEN THE BULLETS

'THE VOICE' IS HEARD ON HOT 100

LUCCA

Four songs performed on the May 7 live-performance season finale of NBC's "The Voice" debut on the Billboard Hot 100. While Jermaine Paul was crowned champion (May 8), titles by third-place finisher Tony Lucca nab the two highest entries among the season's final four contestants. Lucca's "99 Problems" leads with a No. 58 bow (80,000 downloads sold, according to Nielsen SoundScan), while Paul arrives at No. 83 with "I Believe I Can Fly" (55,000). Lucca also charts at No. 68, and fourth-place finalist Chris Mann debuts at No. 85.

PROGRESS REPORT

Azealia Banks, "212"

The 20-year-old rapper/singer's viral video hit "212" has logged nearly 16 million views on YouTube, and now the song is primed to make its Billboard chart debut. The poppy rap cut is just bubbling under the threshold of the Dance Club Songs chart.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. With 72,000 downloads sold in the chart's tracking week, the former No. 1 becomes Clarkson's first song to pass 3 million in digital sales.

18 The rap/country collaboration, from B.o.B's *Strange Clouds* album, which debuts at No. 5 on the Billboard 200, arrives at No. 8 on Hot Digital Songs with 143,000 downloads sold.

29 The track re-enters Hot Digital Songs at No. 26 (59,000, up 232%) after she performed it on "Saturday Night Live" on May 5. On Hot 100 Airplay, it darts 64-36 (31 million audience impressions, up 75%).

After peaking at No. 15 in November and logging a 29-week chart run through last month, the song re-enters now that Capitol is promoting it to mainstream top 40 radio. The track, which topped Alternative in December and has sold 2 million downloads, rises 64-43 on Hot Digital Songs (40,000, up 38%).

66 The title track from the Billboard 200's new leader storms Hot Digital Songs at No. 22 (66,000) after the 2005 "American Idol" queen returned to the Fox series' stage to perform it on May 3.

BETWEEN THE BULLETS

'SOMEBODY' CROSSES TO HISTORY

As it leads the Billboard Hot 100 for a fourth week and the Alternative airplay chart for a 10th frame, Gotye's "Somebody That I Used to Know," featuring Kimbra, reaches No. 1 on Dance Club Songs and Dance/Mix Show Airplay. The song is the first to top all four tallies and just the third shared leader on Alternative and Dance Club Songs, following U2's "Discotheque" (1997) and New Order's "Regret" (1993). On Alternative, "Somebody" passes Everlast's "What It's Like" (nine weeks in 1998-99) as the longest-reigning No. 1 by a soloist in the chart's 23-year history. —*Gary Trust*

The album's song "Home Again" was offered as a free download last week in the iTunes store, helping the set debut with 4,000.

These two 2011 finalists of NBC's "The Voice" returned to the show on May 1 to perform. Martinez's debut EP begins with 3,000, while Frampton (pictured) earns a 292% gain.

The band guested on NPR's "World Cafe" (May 3), no doubt causing the album's 60% sales jump.

PROGRESS REPORT

Eva Simons, "I Don't Like You"

While the Dutch pop/dance singer with the sky-high mohawk has charted as a featured guest (on Afrojack's "Take Over Control"), she nets her first Billboard hit as a lead artist this week: "I Don't Like You" debuts at No. 42 on Dance Club Songs.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012 Prometheus Global Media, LLC and Nielsen SoundScan, Inc. With 414,000 downloads sold in the chart's tracking week, the song is the first to have moved more than 400,000 in three separate weeks (following frames of 463,000 and 542,000 in the previous two).

18 & 70

Usher charts the first two singles from his seventh studio album, *Looking 4 Myself*, due June 12. Slow jam "Climax" reaches a new peak (and leads Hot R&B/Hip-Hop Songs for a third week), while the uptempo pop/dance-leaning "Scream" enters Hot 100 Airplay at No. 59 (20 million audience impressions) and Hot Digital Songs at No. 62 (30,000).

65 & 92

Following the Fox TV series' April 24 tribute episode to Whitney Houston, two covers of the late singer's songs bow. The cast's seven Houston covers released last week sold a combined 245,000 downloads in their opening frame.

After charting at No. 65 on Dec. 10, 2011, when parent album *Talk That Talk* entered the Billboard 200 (No. 3), the song returns as a promoted single. It debuts on Hot 100 Airplay at No. 64 (18 million in audience, up 74%).

'HARD' FACTS: WIZ KHALIFA DEBUTS

KHALIFA

A week after storming the Billboard Hot 100 at No. 3 as a featured artist on Maroon 5's "Payphone" (which remains at No. 3 this issue), Wiz Khalifa repeats earning Hot Shot Debut honors. This week, he bows as a lead act, as "Work Hard, Play Hard" begins at No. 17. The song charges onto Hot Digital Songs at No. 6 with 72,000 downloads sold, according to Nielsen SoundScan, marking his sixth top 10 on the tally since arriving with "Black and Yellow" in late 2010. (His debut smash topped the Hot 100 the week of Feb. 19, 2011.) "Hard" previews the Pittsburgh rapper's second studio album, *O.N.I.F.C.*, due in August. —*Gary Trust*

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources.

1 & 96

"Somebody That I Used to Know" spends a second week at No. 1, aided by the arrival of a remix by Tiësto, which accounts for 19% of the song's weekly sales. At No. 96, next single "Eyes Wide Open" bows, fueled by a 45-34 flit on On-Demand Songs. Gotye performed both songs on "Saturday Night Live" on April 14.

11

While parent album *California 37* enters the Billboard 200 at No. 4, the first single rebounds 12-10 on Hot Digital Songs with 146,000 downloads sold (up 23%).

16

The song reaches the top 10 on Hot 100 Airplay after the first three singles from *21* hit No. 1. Climbing 13-9 in its sixth week (70 million audience impressions, up 19%), it ties "Someone Like You" for Adele's fastest flight to the chart's top 10.

53

From his mixtape *Macadelic*, the track bounds onto Hot Digital Songs at No. 17 (86,000, up 200%) following its first full week of availability.

65

The song soars courtesy of a No. 54 re-entry on Hot Digital Songs (35,000, up 68%) and a No. 65 debut on Hot 100 Airplay (17 million, up 35%).

BETWEEN THE BULLETS

'PAYPHONE' GETS GOOD RECEPTION

With digital sales of 493,000, according to Nielsen SoundScan, Maroon 5's "Payphone," featuring rapper Wiz Khalifa, roars onto the Billboard Hot 100 at No. 3, the band's best bow on the tally. "Payphone" enters Hot Digital Songs at No. 1 and nets the highest digital sales week by a group, topping the 465,000 sold by the Black Eyed Peas' "Boom Boom Pow" (April 18, 2009). Radio also gives "Payphone" a ringing endorsement, as it storms Hot 100 Airplay at No. 36 (33 million first-week impressions, according to Nielsen BDS). The song previews the band's fourth studio album, *Overexposed*, due June 26. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. PROGRESS REPORT

Morning Parade, "Headlights"

The British rock band makes its Billboard chart debut as the chugging, swoony tune enters at No. 37 on Alternative. The act signed to Capitol/EMI in May 2010, shortly after the group morphed from a trio into a five-piece in 2009.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 25 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012. 2 Despite ceding the top spot after six weeks at No. 1, the song sells more than 300,000 downloads (333,0000 this week, down 15%) for a record-extending seventh consecutive week.

5 As its familiarity builds—with 255,000, it passes 1 million in downloads sold—the song storms 35-10 on On-Demand Songs with a 101% increase to 576,000 on-demand streams.

6 The song charges 9-6 on Hot 100 Airplay with 84 million audience impressions (up 24%), spurring additional Greatest Gainer nods on the Mainstream Top 40 (7-5) and Rhythmic (9-6) airplay charts.

26 & 98 The Fox series' cast makes a historic return after a mid-season break: With two debuts, the troupe extends its record total to 200 Hot 100 hits, all in fewer than three years since its June 6, 2009, arrival.

86 The second contestant on this season's NBC reality competition "The Voice" debuts (45,000 downloads sold, the highest sum of any of the show's hopefuls this year). Lindsey Pavao previously charted with two titles.

GOTYE'S GOT A NO. 1

GOTYE

Gotye tops the Billboard Hot 100 as debut entry "Somebody That I Used to Know," featuring Kimbra, lifts 2-1. With the "Glee" cast having performed its version of the song (which bows at No. 26 with 152,000 downloads sold, according to Nielsen SoundScan) on the April 10 episode and Gotye and Kimbra having sung "Somebody" on NBC's "Saturday Night Live" (April 14), the track sold 542,000 downloads in the April 9-15 tracking week. The sum is the fourth-best since SoundScan began tallying digital sales in 2003. "Somebody" also rises 2-1 on On-Demand Songs with 1.3 million streams (up 23%), according to Nielsen BDS. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Pop singer Skye Stevens makes his Billboard chart debut with the uptempo track "Takes All Night" at No. 50 on Dance Club Songs. The tune's video, which echoes hits from Usher and Chris Brown, has already notched almost 1 million views on YouTube.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan, and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 1 In addition to its sales success (see Between the Bullets, below), the song tops Hot 100 Airplay in its seventh week (2-1), marking the fastest coronation by a group since Destiny's Child's "Survivor" (five weeks) in 2001.

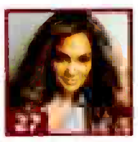
As fun.'s "We Are Young" and Gotye's track rank at Nos. 1 and 2, two Alternative No. 1s rank in the Hot 100's top two concurrently for the first time dating to the Alternative chart's 1988 inception.

4 The boy band benefits from its April 7 appearance on NBC's "Saturday Night Live," as its debut hit increases by 48% in downloads sold and 31% in streaming.

5 The song declines by 43% in digital sales to 295,000. Its radio support surges, however, as it bounds 24-16 (54 million, up 33%) on Hot 100 Airplay, passing 2010's "Baby" (No. 24 peak) for his best rank on the list.



Reteaming a year after "On the Floor" soared to No. 3, the pair arrives with 118,000 downloads sold. The new collaboration's video premiered April 5 on "American Idol." "Floor" sold 223,000 following its "Idol" premiere last year.

BETWEEN THE BULLETS

FUN.'S HOT 'YOUNG' SALES STREAK

As fun.'s "We Are Young," featuring Janelle Monáe, leads the Billboard Hot 100 for a sixth week, the song makes history as the first to log six weeks of at least 300,000 in digital sales, according to Nielsen SoundScan. With 390,000 sold, "Young" returns for a seventh frame atop Hot Digital Songs (2-1; 3 million-plus downloads sold to date). Along with Justin Bieber's bow last week with "Boyfriend" (521,000) and Gotye's "Somebody That I Used to Know," featuring Kimbra, having sold 311,000 this week, the Hot Digital Songs top two have each sold 300,000 or more for the first time in successive weeks outside of the Christmas season. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Tyler Farr, "Hot Mess"

The Missouri native's first hit on the Hot Country Songs chart has been percolating on the list for nine weeks, bulleting 52-51 this week. The singer was introduced to country music at 16, when he spent a summer on the road with his stepfather, who played guitar for George Jones.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS. 1 A key factor in the battle between Nos. 1 and 2? Fun.'s track remains atop the On-Demand Songs chart with 1.2 million on-demand streams. Bieber's, however, logs almost no streaming points among its Hot 100 sum due to its lack of availability on most streaming services during the chart's tracking week.

Like the Wanted (No. 4), fellow British boy band One Direction reaches the top 10 with its first Hot 100 visit, fueled by lifts in digital sales (199,000, up 22%) and airplay (32 million, up 21%).

The singer's first top 10 is yet another sign of Bieber's influence, as he has championed the song through various social media. The cut spent four weeks at No. 1 on the Billboard Canadian Hot 100 (where Bieber's "Boyfriend" debuts this week as his first No. 1).

The song previews "Men In Black III," due in theaters on May 25. Will Smith (who's reprising his starring role in the film) sang the trilogy's first two themes, with 1997's "Men in Black" topping Hot 100 Airplay for four weeks.

BETWEEN THE BULLETS

BIEBER'S 'BOYFRIEND' BLASTS ONTO HOT 100

Justin Bieber's "Boyfriend" soars onto the Billboard Hot 100 at No. 2, marking his highest rank on the chart (passing his No. 5-peaking "Baby" in 2010). The track opens atop the Hot Digital Songs chart—where it's his first No. 1—with 521,000 downloads sold, according to Nielsen SoundScan. Only Flo Rida's "Right Round" has debuted on Hot Digital Songs with a higher total (636,000; Feb. 28, 2009). "Boyfriend" also starts at No. 24 on Hot 100 Airplay with 40 million impressions, according to Nielsen BDS. The audience sum marks the third-best among newly released songs by male soloists in the Hot 100 Airplay chart's 21-year history. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. NEW ON THE CHARTS

Susan Justice, "Eat Dirt"

The singer/songwriter's debut album (No. 45 on Heatseekers Albums) was co-written with Toby Gad, who helped pen such hits as Beyoncé's "If I Were a Boy" and Fergie's "Big Girls Don't Cry." It bows with 1,000 sold, according to Nielsen SoundScan.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. 'WILD' RIDE: FLO RIDA, SIA REACH TOP 10

Flo Rida's "Wild Ones," featuring Sia, surges 12-9 on the Billboard Hot 100 with gains in sales, radio and streaming. The track bullets at No. 6 for a second week on Hot Digital Songs (158,000 downloads sold, up 5%, according to Nielsen SoundScan) and rises 35-29 on Hot 100 Airplay (39 million audience impressions, up 17%, according to Nielsen BDS). The South Korean vocal group also bows at No. 5 on the World Albums chart (2,000 sold). It's the highest-ranked non-Irish/Celtic act on that tally this week.

Vince Clarke (formerly of Depeche Mode, currently of Erasure) and Martin Gore (always of DM) unite for their first collaboration since 1981.

PROGRESS REPORT

The Farm, "Home Sweet Home"

The country trio (Nick Hoffman, Damien Horne and Krista Marie) continues to slowly rise on the Hot Country Songs chart with its first single, climbing 36-31 in its 21st week on the tally.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. After topping 15 surveys on Billboard's international charts menu, the song pushes 8-5 on Hot Digital Songs (148,000, up 11%) and 56-50 on Hot 100 Airplay (26 million, up 15%). It leads Alternative for a third week.

21

The lead single from the group's forthcoming album *Dirty Bass* arrives with 127,000 downloads sold. It also marks just the second of Bieber's 22 Hot 100 visits in a featured role; he reached No. 26 last year as a guest on Chris Brown's "Next to You."

Of the 1,014 No. 1s in the Hot 100's history, "Deep" has now spent the most weeks on the chart (61), breaking a tie it held with Los Del Rio's "Macarena" (1995-96). "Rumour," meanwhile, becomes the fourth top 40 entry from *21*, fueled by lifts in digital sales (62,000, up 10%) and airplay (11 million, up 121%).

Bruce Springsteen's new album, *Wrecking Ball*, will storm next week's Billboard 200. In the meantime, Church's tribute goes 26-23 on Hot Country Songs and 25-13 on Country Digital Songs.

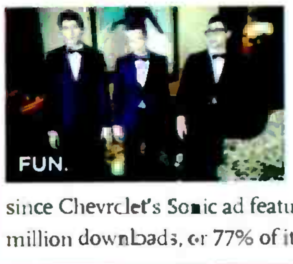
BETWEEN THE BULLETS

FUN.-TASTIC! 'WE ARE YOUNG' IS NO. 1



Fun. becomes the first rock band to send a debut Billboard Hot 100 hit to No. 1 since Nickelback in 2002 (see story, page 38), as "We Are Young," featuring Janelle Monáe, ascends 3-1. The song spends a third week atop Hot Digital Songs with 302,000 downloads sold (up 19%), according to Nielsen SoundScan, and bounds 61-41 on Hot 100 Airplay (30 million, up 60%, according to Nielsen BDS). In the four full weeks since Chevrolet's Sonic ad featuring "Young" aired during the Super Bowl on Feb. 5, the song has sold 1.1 million downloads, or 77% of its total (1.5 million) dating to its September digital release. —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. The song rebounds for a third week at No. 1, earning Greatest Gainer/Airplay accolades for a fourth consecutive frame. On Hot 100 Airplay, it pushes 4-3 (110 million in audience, up 21%).

11

The third preview single, which is being promoted to pop and rhythmic radio, from the rapper's sophomore set *Strange Clouds* (due May 1), opens with 164,000 downloads sold. The title cut, featuring Lil Wayne, began at No. 7 in October and "Play the Guitar," featuring André 3000, made a two-week cameo (reaching No. 98) in January.

As the "Glee" cast's cover of "Glad You Came" (No. 90) aids the Wanted's 23-5 flight (see page 44), the TV troupe's take on "Cough Syrup" by Young the Giant (pictured) likewise spurs the Hot 100 entry of the original version, which has inhabited the Alternative top 10 for 23 weeks. Posting its best sales week (29,000, up 233%), the original has sold 227,000 downloads.

81

The sultry song arrives with 31,000 downloads sold. On Mainstream R&B/Hip-Hop, it bows at No. 22, marking the third-highest of his 35 career entries on the airplay tally.

JEPSEN DIALS UP A HIT WITH 'CALL'

JEPSEN

British Columbia native Carly Rae Jepsen's "Call Me Maybe" soars onto the Billboard Hot 100 at No. 38 with digital sales of 80,000, up 1,030%, according to Nielsen SoundScan. A video of the song—which rebounds 2-1 for a third frame atop the Billboard Canadian Hot 100 this week—featuring Jepsen singing it with Justin Bieber, Selena Gomez and Ashley Tisdale, premiered on YouTube on Feb. 18; the clip has already racked more than 13 million views. Jepsen, whom Bieber has praised to his nearly 18 million Twitter followers, announced on Feb. 22 that she had signed to Bieber manager Scooter Braun's School Boy Records imprint (with Interscope set to promote the song to U.S. pop radio). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. PROGRESS REPORT

Imagine Dragons, "It's Time"

The Interscope band makes its first appearance on a singles chart with the plucky, stomping single, as it debuts at No. 40 on Alternative. The act's six-song, major-label debut EP, *Continued Silence*, has sold slightly more than 1,000 copies since its release two weeks ago.

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, that are then ineligible to appear on Heatseeker Albums. HEATSEEKERS SONGS: The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources.

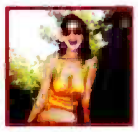
Adele is the first artist to place as many as three titles as a lead artist in the Hot Digital Songs top 10 simultaneously since Michael Jackson in July 2009.

10

Her Madgesty scores her record-extending 38th top 10 (see Hot Box, page 69), as the song gains by 44% in download sales to 165,000. The chart's sales period encompassed the first full week of release for the track and the seven days following her performance of the song at the Super Bowl on Feb. 5.

90

After reigning for 10 weeks as the featured artist on Rihanna's "We Found Love" (No. 6), the Scottish DJ previews his forthcoming third album. The track reached the top 10 on multiple international charts last year.



Although it just misses this week's chart (debuting atop the Hot 100's Bubbling Under survey), Katy Perry's "Part of Me" is set for a possible No. 1 bow on next week's Hot 100. The song, which introduces her *Teenage Dream* reissue, *The Complete Confection*, is projected to sell north of 400,000 downloads in next week's tracking period.

BETWEEN THE BULLETS

HOT FUN. IN THE WINTERTIME

Following its exposure in Chevrolet's Sonic Super Bowl ad on Feb. 5, Fun.'s "We Are Young," featuring Janelle Monáe, vaults 41-3 as the Billboard Hot 100's Greatest Gainer/Digital for a second week. The song's soar is powered primarily by its 22-1 jump on Hot Digital Songs (296,000 downloads, up 338%, according to Nielsen SoundScan). On last week's Hot 100, the song had bounded 63-41, fueled by early sales gains owed to its TV limelight (as last issue's sales tracking period ended mere hours after the Super Bowl the night of Feb. 5). Radio support is likewise swelling, as "Young" climbs 10-6 on Alternative and 17-13 on Rock Songs (5 million audience impressions, up 17%, according to Nielsen BDS). —*Gary Trust*

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. The rock act's second full-length studio set bows with 4,000 and marks its second visit to the tally. Its 2009 debut, *Baby Darling Doll Face Honey*, spent 12 weeks on the list, peaking at No. 16.

In its third week on the list, physical sales finally affect its sales and chart position as its CD version hit retail last week (4,000, up 56%). Its sales after three weeks stand at 8,000.

After notching a No. 6 hit with "Kick Us Out" on the Dance Club Songs chart last year, the pop trio arrives with its first album (3,000).

PROGRESS REPORT

Dustin Lynch, "Cowboys and Angels"

The Tennessee native reaches the top 40 on the Hot Country Songs chart for the first time with his debut single: It marches 43-38 on the tally. He recently told Billboard, "I don't know if it's sunk in yet that I have a song on the radio. It's a dream I've had for years."

HEATSEEKERS ALBUMS: The best-selling albums by new or developing acts, defined as those who have never appeared on the top 100 of the Billboard 200 or the top 10 of Top R&B/Hip-Hop Albums, Top Country Albums, Top Latin Albums, Christian Albums or Gospel Albums. If a title reaches any of those levels, it and the act's subsequent albums are then ineligible to appear on Heatseeker Albums. **HEATSEEKERS SONGS:** The most popular songs across all formats by new or developing acts, defined as those who have never appeared as a lead artist in the top 50 of the Billboard Hot 100 (or the top 50 of Hot 100 Airplay prior to Dec. 5, 1998). If a title reaches that level, it and the act's subsequent songs are then ineligible to appear on Heatseeker Songs. Titles are ranked by radio airplay audience impressions as measured by Nielsen BDS, sales data as compiled by Nielsen SoundScan and streaming activity data provided by online music sources. © 2012, Prometheus Global Media, LLC and Nielsen SoundScan, Inc. Minaj scores her seventh top 10 as the fifth "Pink Friday" single rises 41% to 19 million listener impressions. "Roman's Revenge" (No. 85 peak) is the only title not to hit the upper tier.

13

Following her No. 1 debut on Top R&B/Hip-Hop Albums, Ambrosius reaches her highest position yet on this chart. "Hope She Cheats On You (With a Basketball Player)" peaked at No. 22 in October.

41

The recent Warner Bros. signee cracks the top half of the list with his debut track. Hometown station KBXX Houston led the audience push with 1.3 million listener impressions.

96

The Harlem rapper posts his 14th title on the tally in his seven-year chart history. "We Fly High" (No. 4 peak in 2006) and "Pop Champagne" (No. 3, 2009) are his only top 10 hits.

BETWEEN THE BULLETS

HILSON'S 'ONE' SWIFT MOVE

As Keri Hilson's No. 4-peaking "Pretty Girl Rock" falls out of the top 10 (9-11), follow-up "One Night Stand," featuring Chris Brown, catapults 98-68 with 1.9 million listener impressions (up 81%, according to Nielsen BDS). The track is the third release off sophomore set "No Boys Allowed," which remains in the top 20 on Top R&B/Hip-Hop Albums in its 12th week after a No. 2 opening in January. WHTD Detroit led the push in the song's audience count with 320,000 listener impressions off 37 spins in the chart's tracking period.

With its fourth radio single, Florida-based Tenth Avenue North achieves its first leader on the pan-genre, audience-fueled Christian Songs, a feat the band also accomplishes on Christian AC Songs. The new No. 1 is from the group's 2010 album, "The Light Meets the Dark."

Evangelist William McDowell celebrates his first chart-topper with "I Give Myself Away (Live)," which reigns in its 27th chart week on Gospel Songs (2-1). Ranking at No. 5 on Gospel Digital Songs (see billboard.biz/charts), "Give" has spent 22 of its 35 chart weeks inside the top five.

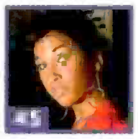
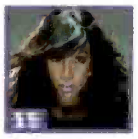
West picks up his 11th top five hit on this list as an unfinished remixed version of this track (featuring Lil Wayne, Big Sean and Drake) circulates online.

10 The English singer expands on her successful solo debut by posting her first top 10 on this chart. The cut also skips 6-4 on Adult R&B.

12 The second single off "Rolling Papers," due March 29, leaps 11 positions with a 35% increase to 15.5 million listener impressions.



45 The Canadian singer reaches her highest position since "It Kills Me" spent nine weeks atop the tally in early 2010. This is her eighth chart appearance.



55 The former Destiny's Child singer posts her highest debut on the chart with this sexy Lil Wayne-assisted track in preparation for her third studio release, due later this year.

BETWEEN THE BULLETS

BROWN'S CHART OUTBURST

Despite the attention surrounding his "Good Morning America" outburst, Chris Brown is having a better week on the charts as "Look at Me Now" steps 2-1 on Hot R&B/Hip-Hop Songs (33.9 million listener impressions, according to Nielsen BDS) to mark his fourth chart-topper on the list. The track, featuring Lil Wayne and Busta Rhymes, also skips 3-1 on Mainstream R&B/Hip-Hop (see opposite page) for Brown's sixth No. 1 on that tally. All three singles released so far from "F.A.M.E.," available March 29, have now reached the top of Mainstream R&B/Hip-Hop. —*Rauly Ramirez*

10

Following her No. 2 debut on Top R&B/Hip-Hop Albums last week, Hudson breaks into the top 10 of the chart for the third time. She last appeared in the upper tier in 2005 with the No. 5-peaking "If This Isn't Love."

14

Atlanta newcomer takes his debut single to the top 20, making him the first new artist to reach this tier as a lead artist this year.

32

As "F.A.M.E." is displaced from its No. 1 debut position on Top R&B/Hip-Hop Albums, the set's fourth single catapults 18 positions with 7.7 million listener impressions.

33

The crooner's second charting title leaps 10 positions in its 12th week to mark his highest rank on the chart. Debut "Words," featuring India.Arie, peaked at No. 53 in 2008.

67

With double-digit spin increases at WHXT Columbia, S.C. (14); WERQ Baltimore (13); and Charlotte, N.C., stations WPEG (13) and WBAV (10), the Wiz Khalifa-assisted track re-enters the chart.

BETWEEN THE BULLETS

JACKSON GOES 'HOLLYWOOD'

"Hollywood Tonight," the second single off Michael Jackson's posthumous "Michael" set, opens at No. 89 on Hot R&B/Hip-Hop Songs with nearly 1 million listener impressions—up 106%, according to Nielsen BDS—marking Jackson's 52nd solo hit. First single "Hold My Hand," featuring Akon, spent 14 weeks on the chart and topped out at No. 33 in the Dec. 18, 2010, issue. The official video for "Hollywood Tonight," featuring a female dancer moving to the famed neighborhood and achieving her dream, was posted on Vevo March 9 and has garnered more than 6.9 million views.

Rock band Emery snares its fifth consecutive top 10 start on Christian Albums, as "We Do What We Want" pops on with 8,000 copies at No. 2 (No. 76 on the Billboard 200). Grammy Award-winning singer/pianist Smokie Norful opens inside the top 10 for the sixth time on Gospel Albums as "How I Got Over . . . Songs That Carried Us" starts with 5,000 copies at No. 4. Lead single "Sunday Morning Medley" ranks at No. 21 in its fifth week on Gospel Songs.

1 & 50

As "F.A.M.E." opens at No. 1 on Top R&B/Hip-Hop Albums with 270,000 copies sold, according to Nielsen SoundScan (see opposite page), "Look at Me Now" spends a second week at the summit and "She Ain't You" leaps into the top half of this list.

15

The Atlanta rapper logs his third top 10 on Mainstream R&B/Hip-Hop (see opposite page), as "Grove St. Party" skips 11-9. "No Hands" spent two weeks atop the airplay chart late last year.

After sending his debut hit, "All I Want Is You," to No. 7, the follow-up cracks the top 20 in its ninth week—four frames faster than "Want" needed to reach the region.

As "Sweat" falls off the chart this week, the R. Kelly-assisted second single off "Doggumentary," released March 29, opens with 1.7 million listener impressions (up 90%).

The Memphis songstress posts her fifth title on the chart since her 2009 arrival. She has risen as high as No. 53, with last year's "I Just Can't Do This."

BETWEEN THE BULLETS

LIL WAYNE'S 'JOHN' JUMPS ON

Lil Wayne posts his 78th title on Hot R&B/Hip-Hop Songs as "John," featuring Rick Ross, opens at No. 61 with Hot Shot Debut honors (2.7 million listener impressions, according to Nielsen BDS). He inches closer to the two artists who have charted the most songs since the tally began using Nielsen BDS data on Dec. 5, 1992: Jay-Z with 101 and R. Kelly with 85. "John," the second single off the upcoming "Tha Carter IV," is a reworking of Rick Ross' opening album cut "I'm Not a Star" and name-checks a Beatle in the chorus: "If I die today, remember me like John Lennon."

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. After leading Christian CHR for three successive weeks through the Feb. 5 issue, Hawk Nelson's "Crazy Love" returns to No. 1 after eight straight weeks at No. 2. It's the longest gap between No. 1 stints since the chart launched in 2006, surpassing the four-week hiatus taken by tobyMac's "Get Back Up" in 2010.

DJ Khaled protégé breaks into the top 20 for the first time in his three-year chart history. His previous best was the Trey Songz-assisted "Ride," which peaked at No. 27 in 2008.

As the No. 7-peaking "Lay It Down" ends its 33-week chart run by moving to recurrent status, follow-up "Cupid" enters the top half of the list. Lloyd's "King of Hearts" is due June 5.

CAM'RON, VADO POST UP

As fellow Diplomat Jim Jones enjoys his No. 5 debut on Top R&B/Hip-Hop Albums (see opposite page), Cam'ron and Vado post "Hey Muma" at No. 98 on Hot R&B/Hip-Hop Songs with more than 700,000 listener impressions, according to Nielsen BDS. This is the duo's second charting title following "Speakin' in Tungs," which peaked at No. 82 during its 12-week run last year. Both charted singles are part of the Harlemites' joint album titled "Gunz N' Butta" due April 19. Cam'ron has posted four No. 1s on Top R&B/Hip-Hop Albums while Vado's debut set, "Slime Flu," bowed and peaked at No. 38 last year. *—Rauly Ramirez*

As "Look at Me Now" picks up a fifth week atop the list, "She Ain't You" leaps 10 spots into the top 20, marking the crooner's 18th trip to that tier.

50

The third single off "No Boys Allowed" breaks into the top half of the list in its seventh week with a 30% increase to 4.9 million listener impressions.

Thanks in part to double-digit spin increases at WAKB Augusta, Ga. (up 14); WSRB Chicago (up 11); and WNEW West Palm Beach, Fla. (up 11), the cut jumps 15 positions.

The legendary act posts its highest debut since "Soldier of Love" opened at No. 49 in 2009. Its best peak on the chart remains 1988's "Paradise," which spent one week at No. 1.

99

The recent Maybach Music signee joins the label boss for this street anthem channeling Tupac Shakur. WQHT New York spurred its debut, accounting for 40% of its 800,000 listener impressions.

BETWEEN THE BULLETS

JILL SCOTT DOES DOUBLE DUTY

Jill Scott debuts two tracks on Hot R&B/Hip-Hop Songs as "So in Love" (featuring Anthony Hamilton) opens at No. 43 and a cover of Bill Withers' "Lovely Day" bows at No. 67. "So" is from her Blues Babe/Warner Bros. debut, "The Light of the Sun," due this summer, while the latter is off "Just Before Dawn," a from-the-vaults set on former label Hidden Beach, due May 31. It's the first time a lead artist has debuted two songs on the chart simultaneously since Tamela Mann's "Joy of the Lord" and "The Master Plan" debuted at Nos. 96 and 100 on June 19, 2010. "So" marks Scott's highest bow on the chart, beating the No. 61 entry by "He Loves Me (Lyzel in E Flat)" in 2001. —*Rauly Ramirez*

The former Destiny's Child singer reaches her highest position on the chart since "Like This" (featuring Eve) peaked at No. 7 in the June 16, 2007, issue.

22 & 74

As the No. 10-peaking "Where You At" begins it descent (15-22), second single "Don't Look Down" leaps 22 positions in its second week with a 93% increase to 1.7 million listener impressions.

44

The Trey Songz-assisted single passes the No. 45-peaking "The Show Goes On," marking Fiasco's highest chart position since "Superstar" peaked at No. 19 in the March 1, 2008, issue.

The new Mississippi MC jumps 17 spots with his debut single in its second week, partly due to a Ludacris- and Bun B-assisted remix recently serviced to radio.

The superstar entertainer posts her first single on this list in almost four years as "I'm Into You" racks up 1.4 million listener impressions. Her best showing remains the No. 2-peaking "I'm Real" (featuring Ja Rule) from 2001.

BETWEEN THE BULLETS

WAYNE'S WORLD, CHARTING TIME

With Lil Wayne featured on debuts from both Birdman ("I Get Money," No. 70) and Jennifer Lopez ("I'm Into You," No. 81), the prolific New Orleans MC has 11 tracks on Hot R&B/Hip-Hop Songs this week. Only three other artists have posted 11 concurrent songs on the list in a week: Drake (who did so four times), Gucci Mane (three times) and T-Pain (once). Lil Wayne is the sole artist to beat that mark with 13 and 12 songs simultaneously during two weeks in 2008. —*Rauly Ramirez*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. 8 The fourth urban single from "F.A.M.E." joins its predecessors in having reached the top 10. "Deuces," began a nine-week reign last September, followed by "No BS" (No. 3 in February) and "Look at Me Now," which leads for an eighth frame.

The Detroit newcomer cracks the top 10, becoming just the second new act this year to reach the top tier as a lead artist, following YC (No. 6).

The song marks Scott's first trip to the top 20 since "The Way" peaked at No. 15 in the Sept. 8, 2001, issue. The No. 9-peaking "A Long Walk" in March 2001 remains her best showing.

50 Miami's foremost MC breaks into the top half of the list for the 19th time in his nine-year chart history. While Ross has yet to post a No. 1, he has risen as high as No. 2, with "Aston Martin Music" in December.

As "musiqinthe-magiq" opens at No. 3 on Top R&B/Hip-Hop Albums (35,000 sold, according to Nielsen SoundScan; see opposite page), the second single leaps 11 positions with an 82% increase to 2.6 million in audience.

BETWEEN THE BULLETS

FRANK OCEAN MAKES A SPLASH

With Hot Shot Debut honors, Odd Future member Frank Ocean's debut, "Novacane," opens at No. 65 on Hot R&B/Hip-Hop Songs (2.7 million listener impressions, up 340%, according to Nielsen BDS). The standout track off his "Nostalgia, Ultra" mixtape owes its debut to four stations that increased their rotation by double-digit figures last week: WPHI Philadelphia, WENZ Cleveland (both up 24), WWPR New York (up 21) and WJMH Greensboro-Winston Salem, N.C. (up 18). The bow beats the March debut of Big Sean's "My Last" (No. 75) for the best opening by a new artist so far this year. —*Rauly Ramirez*

Pop/rock quartet Building 429 celebrates its first leader on Christian CHR, as "Listen to the Sound" steps 2-1. The lead single and title track from the group's fifth studio set also reaches the top 10 (12-7) on Christian AC Songs and sports the fewest weeks (10) of any top 10 title on Christian Songs (No. 6).

The venerable Mississippi Mass Choir logs the first top 10 in more than two years by a mass choir without a featured artist, as "God Made Me" steps 11-10 on Gospel Songs. The Arkansas Gospel Mass Choir scored the last such top 10, "I Lift My Hands," in January 2009.

Ace Hood reaches the top 10 for the first time, nearly three years after his debut, "Cash Flow," featuring Rick Ross and T-Pain, peaked at No. 55 on the list.

20

With his often-delayed album "King of Hearts" set to hit stores June 28, second single "Cupid," featuring Awesome Jones, breaks into the top 20. Lead single "Lay It Down" peaked at No. 7 in December.

Kem continues his hot streak as "If It's Love," featuring Chrisette Michele, cracks the top half of the tally. The single ranks at No. 15 on Adult R&B, his sixth top 15 hit on that list out of eight entries.

60

The Miami DJ-turned-artist posts the highest debut in his five-year chart history, beating 2007's "I'm So Hood," featuring T-Pain, Trick Daddy, Rick Ross and Plies, which opened at No. 62.

The veteran crooner posts his 29th title on the chart in his 19-year history. "Fall 5.0" is the lead single off his new album "Just Me," set for a July 12 release.

BETWEEN THE BULLETS

MIGUEL SCORES FIRST CHART-TOPPER

Los Angeles-based singer Miguel tops Hot R&B/Hip-Hop Songs for the first time as "Sure Thing" steps 2-1 with 35.9 million listener impressions (up 11%, according to Nielsen BDS). He first appeared on the chart last year with the No. 7-peaking "All I Want Is You." Meanwhile, his debut album (also titled "All I Want Is You") has sold 166,000 copies since its Nov. 30 release, according to Nielsen SoundScan. The move by "Sure Thing" to the top spot also ends Chris Brown's No. 1 run with "Look at Me Now" (featuring Lil Wayne and Busta Rhymes) after eight weeks.

The G.O.O.D. Music rapper becomes the first new artist to reach the top five as a lead vocalist this year. Fresh face Cory Gunz hit No. 2 as the featured artist on Lil Wayne's "6 Foot 7 Foot" in February.

In only its second week on the list, "I'm on One" catapults 39 positions to mark Khaled's third-best showing in 10 appearances. Last year's No. 8-peaking "All I Do Is Win" remains his best.

39

The Philadelphia MC breaks into the top half of the list as his Rick Ross-assisted cut leaps 12 positions thanks primarily to WWPR New York's 10-spin increase last week.

T-Pain enlists his alter-ego (borrowing on Teddy Pendergrass' name) for his latest release, which rises 32% to 2.1 million listener impressions, according to Nielsen BDS.

77

With Hot Shot Debut honors, the singer/songwriter/producer posts his highest debut on the list as a lead artist, beating his debut, "Grippin'," which opened at No. 88 in 2008.

BETWEEN THE BULLETS

KELLY ROWLAND DARTS TO THE TOP

Kelly Rowland hits the top of Hot R&B/Hip-Hop Songs for the second time as the Lil Wayne-assisted "Motivation" steps 2-1 in its 10th week (37.4 million listener impressions, up 12%, according to Nielsen BDS). Her first chart-topper came in the form of her featured turn on Nelly's "Dilemma," which spent nine weeks atop the list in 2002. With the move, "Motivation" is only the second song to reach No. 1 in 10 weeks or less this year behind Chris Brown's "Look at Me Now," which reached the summit in April after 10 weeks as well. —*Rauly Ramirez*

12 The gospel icon posts his first chart-topper on Adult R&B as "I Smile" steps 2-1. It's his 15th charting title on the list dating back to his No. 9-peaking 1995 debut, "Why We Sing."

19 The Atlanta-based singer breaks into the top 20 for the first time. His only other charting title, "Words" featuring India.Arie, peaked at No. 53 in 2008.

46 As the track cracks the top half of this list, Ledisi scores her first top 10 hit on Adult R&B (13-9). Her previous best on the chart was "Alright," which peaked at No. 11 in 2008.

60 Lil Wayne claims the Hot Shot Debut honor with the third single off the upcoming "Carter IV" album. The crossover-ready track features Weezy singing over an acoustic guitar.

The Bronx-bred producer places his 21st title on the list as an artist, but only his fourth with lead credit. Although known primarily for his production expertise, Beatz now has an 11-year history as an artist on the list.

BETWEEN THE BULLETS

DJ KHALED'S TOP 10 RETURN

With his 10th charting title since debuting five years ago, DJ Khaled picks up his third top 10 hit on Hot R&B/Hip-Hop Songs. "I'm on One," featuring Drake, Rick Ross and Lil Wayne, leaps 21-10 with 16.4 million listener impressions and Greatest Gainer honors (up 53%, according to Nielsen BDS). In only its third week on the list, the song's jump marks the fastest rise to the top 10 since Beyoncé's "Single Ladies (Put a Ring on It)" achieved the feat in two weeks in 2008. Khaled's "We the Best Forever" album is due June 28 (see story, page 18). —*Rauly Ramirez*

1, 2 & 3

Ahead of his likely crowning of the Billboard 200 next week (see page 33), Lil Wayne makes history as the first artist in the Nielsen Music era (1992-present) to concurrently lock down this chart's top three spots.

After a four-year break from the survey, during which he's padded his acting résumé ("Transformers 3: Dark of the Moon"), Tyrese is charting two titles simultaneously. The songs arrive ahead of his fifth album, *Open Invitation*, due Nov. 1 on his own Caroline-distributed Voltron imprint.

81

This second single from Ocean's debut album, *Nostalgia, Lite*, marks his second song title to chart on Hot R&B/Hip-Hop Songs. The Odd Future member's "Novacane" (No. 49) peaked at No. 17 last month. His recent work includes guesting on Jay-Z and Kanye West's *Watch the Throne* track "No Church in the Wild."

The Miami songstress' emotional ballad is her second chart entry. In summer 2009, she sent "Sunshine," featuring Ne-Yo and state mate Flo Rida, to No. 62.

BETWEEN THE BULLETS

MINAJ & RIHANNA READY TO 'FLY'

Nicki Minaj's "Fly," featuring Rihanna, debuts on Hot R&B/Hip-Hop Songs, marking the former's 20th charting single. The last time Minaj teamed with Rihanna was earlier this year on the latter's "Raining Men" from her *Loud* set. RiRi, however, is the first female artist to be featured on any of Minaj's charting efforts. The two leading ladies teamed up for this single about empowerment and faith in oneself for Minaj's *Pink Friday*, which has produced five earlier hits on the tally—four of which hit the top 10.

17 The song, which blasts onto the Billboard Hot 100 at No. 3 (see page 42), scores Greatest Gainer honors and debuts on Rap Songs (No. 12), Mainstream R&B/Hip-Hop (No. 22) and Rhythmic (No. 36). KKDA Dallas led all Hot R&B/Hip-Hop Songs panelists with 57 plays in the chart's tracking week.

36 With the song's 12-8 rise on Adult R&B, the New Edition member scores his fourth top 10 on the list and first since "Door #1" peaked at No. 5 in 1998. Gill will release his sixth studio album (and first since 1996), *Still Winning*, on Oct. 11.

39 The soulful songstress crosses the top 40 bridge for a third time with the title cut from her debut solo album, *Late Nights & Early Mornings*. "Hope She Cheats on You (With a Basketball Player)" reached No. 22 last year, and "Far Away" rose to No. 3 in June.

70 As "So In Love" spends a 10th week at No. 1 on Adult R&B, Scott's follow-up opens at No. 26. (For the full list, go to billboard.biz/charts.) The new single marks the 15th Hot R&B/Hip-Hop Songs appearance for both Scott and featured artist Paul Wall.

BETWEEN THE BULLETS

BIG SEAN'S DOUBLE TOP 10 FEAT

Big Sean's introduction to the music scene has been quite fulfilling as "Marvin and Chardonnay," the second single off his debut album, *Finally Famous*, reaches the top 10 of Hot R&B/Hip-Hop Songs (12-9), joining the set's first release, "My Last" (No. 10), in the chart's upper tier. The rapper is the first artist to have his initial two singles concurrently reside in the top 10 since Drake's "Best I Ever Had" and "Successful" occupied the region for six straight weeks in August and September 2009. Drake, meanwhile, claims his ninth top 10 on Rap Songs as "Headlines" inches up 11-10. —*Karinah Santiago*

With a 2-1 rise for "Move" on Christian Songs, MercyMe becomes the only act with a double-digit No. 1 total in the eight-year history of the chart. With a 10th chart-topper to its credit, it expands its lead as the band with the most No. 1s over second-place Casting Crowns, with eight.

Formerly a member of gospel trio Men of Standard, singer Isaac Carree logs his first top 10 on Gospel Songs with "In the Middle" (14-10), the lead single from his solo debut set, *Uncommon Me* (released Aug. 23). Carree is currently on tour with Kirk Franklin.

Otis Redding returns to the top 10 of Hot R&B/Hip-Hop Songs after a 43-year absence with a featured turn on Jay-Z and Kanye West's "Otis" (11-7), which samples his 1967 No. 4 hit "Try a Little Tenderness." "Papa's Got a Brand New Bag" (No. 10 peak in 1969) was his last listing.

48

Debuting track is one of seven by Wayne on the chart, second only to Rick Ross' nine listings yet still well short of Weezy's chart record of 13 titles on the chart dated Sept. 20, 2008.

77

Jay-Z and Kanye West aren't the only collaboration to make noise on Top R&B/Hip-Hop Albums, as Gucci Mane and Wacka Flocka Flame debut at No. 5 with their joint effort, *1017 Bricksquad Presents Ferrari Boyz* (17,000 units).

99

Royce Da 5'9" celebrates two albums in the top five on Rap Albums as solo set *Success Is Certain* debuts at No. 5 with his best-ever sales week (16,000), while his collaborative title with Eminem, under the moniker Bad Meets Evil, dips 1-3.

'ONE' AT ONE FOR SIXTH WEEK

DJ KHALED

DJ Khaled spends his sixth nonconsecutive week at No. 1 on Hot R&B/Hip-Hop Songs with "I'm on One," which includes vocals by rap heavyweights Drake, Rick Ross and Lil Wayne. It's the longest stretch atop the chart by a rap song since featured artist Drake spent seven weeks at No. 1 with "Best I Ever Had" in the summer of 2009. With 48,000 downloads sold this week, the track has now shifted 1.1 million digital copies, one of 18 rap titles to surpass 1 million in sales in 2011. A year ago this week, only 12 rap songs had surpassed 1 million. —*Karinah Santiago*

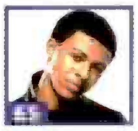
Rising singer places two tracks in the chart's top 10 as new single (12-10) joins former No. 1 "Sure Thing" (No. 3). He's now hit the top 10 with the first three singles from his debut album, *All I Want Is You*. Title track reached No. 7 in November.

4

The omnipresent rapper appears on each of the top three tracks on the Mainstream R&B/Hip-Hop chart for a fifth straight week. No other artist in the 18-year history of the airplay-based chart has laid claim to the top three slots in a single week.

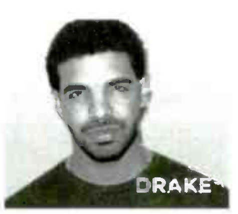


Sixteen-year-old Diggy makes his solo chart debut with the list's top entry. Track is the lead single from the former MTV "Run's House" star's debut album, due tentatively this fall. The rapper also provides guest vocals on Mindless Behavior's track at No. 42.

Brown, who appears on six chart titles this week, including this fast riser, recently announced dates for his North American F.A.M.E. tour. The jaunt begins Sept. 12 in Toronto before winding up Oct. 30 in Hartford, Conn.

BETWEEN THE BULLETS

'HEADLINES' MAKES HISTORIC JUMP



Drake's "Headlines," which previews his upcoming *Take Care* album, makes news with a 98-38 leap on Hot R&B/Hip-Hop Songs. The 60-spot jump is the chart's best-ever by a rapper and largest overall since Marvin Sapp's "The Best in Me" climbed 64 places to No. 14 in the Feb. 13, 2010, issue. In its first full week at radio, "Headlines" claims 6.1 million impressions, up 524% from last week's sum, which accounted for little more than two days of airplay. "Headlines" was released digitally on Aug. 9, and should make a strong entry next week on both the digital tracks chart and the Billboard Hot 100. —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Christian Digital Songs (see page 43) sports three top five debuts for the first time since its January 2010 launch. Mat Kearney's *Ships in the Night*, which bows atop Christian Albums and Rock Albums and at No. 4 on the Billboard 200 (44,000), provides two of the debuts, while Switchfoot places the other.

The Afters claim their third leader on Christian CHR, as "Lift Me Up" jumps 3-1. Previous chart-toppers include four-week champ "Never Going Back to OK" (2008) and "Light Up the Sky," which led for seven weeks last fall. "Lift" also improves on Christian AC Songs, where it bullets at No. 12.

Track is awarded Greatest Gainer/ Airplay tag with a 54% jump in audience impressions (to 13.4 million, according to Nielsen BDS). *Ambition*, the rapper's latest album, is set to make a high debut on the Billboard 200 and Top R&B/Hip-Hop Albums chart, with a possible No. 1 rank on the latter.

Though the rapper has appeared on this list as far back as 2005, this title is his first to reach the Rap Songs tally, as it debuts there at No. 25. Song is the first single off his forthcoming album *ShakeDown*, due in 2012.

While her song holds steady here, singer reaches a new career peak on Top R&B/Hip-Hop Albums with the No. 11 debut of *Break of Dawn* (5,000 units). Her prior best ranking was with last album *Change It All* (No. 32 in 2006).

While the debut track from early-2012 release *Fortune* starts off at No. 91, Brown also arrives at the penultimate position with his take on Drake's top 10 ballad, which received a major airplay spike at five major- and medium-market stations this past week.

BETWEEN THE BULLETS

'WATCH' WINS FIRST NO. 1 SINGLE

Jay-Z & Kanye West's *Watch the Throne* album achieves its first No 1 single on the Hot R&B/Hip-Hop Songs chart as "Ni**as in Paris" rises 2-1, bumping Lil Wayne's "She Will" down to No. 2. *Throne's* lead single, "Otis," peaked at No. 2 in September. "Ni**as" profits from a 4% gain in audience, according to Nielsen BDS, and marks Jay's ninth leader and West's fifth. The pair's *Watch the Throne* tour began Oct. 28 in Atlanta and concludes Dec. 18 in Vancouver.

"I'm on One" gives DJ Khaled his first top five hit on this list as well as on Mainstream R&B/Hip-Hop, where it jumps 9-5 with Greatest Gainer honors (see opposite page).

19

Lupe Fiasco matches his best position on the chart, first reached with "Superstar," featuring Matthew Santos, in 2008. His "Lasers" album has sold 413,000 since its March 8 release.

Although currently only available on the deluxe version of the album, the sixth charting cut off "Pink Friday" leaps 30 positions with a 114% increase to 5.9 million listener impressions.

50 & 52

J-Hud cracks the top half of the list for the fifth time with "No One Gonna Love You" (61-50) at the same time that former No. 10-peaking "Where You At" (43-52) falls out of the region.

The ninth charting title off "Last Train to Paris" opens on the list 26 weeks after the album debuted on Top R&B/Hip-Hop Albums. The set has sold 278,000 copies.

BETWEEN THE BULLETS

ROSS POSTS 10, CLOSES IN 'ON ONE'

With the debuts of Meek Mill's "Ima Boss" at No. 89 and Wale's "That Way" at No. 93, Rick Ross makes his ninth and 10th debuts on Hot R&B/Hip-Hop Songs this year. His best showing in 2011 is his featured turn on DJ Khaled's "I'm on One," which rises 7-3 this week to its new peak. In its fifth week on the list, "One" is likely to give Ross his first No. 1 in his nine-year chart history. So far this year, only Lil Wayne has posted more debuts than the Maybach Music president with 13 new entries. —*Rauly Ramirez*

Laura Story's "Blessings" replaces Mandisa's "Stronger" atop Christian Songs —the second time in the chart's eight-year history that one solo female has replaced another at the summit. The first time it happened, Nichole Nordeman's "Brave" followed Joy Williams' "Hide" in July 2005.

10

Trey Songz scores his 13th top 10 with "Unusual." The song previously peaked at No. 48 in March as an album track before being actively worked as a single by Atlantic.

77

For the third time this year, Lil Wayne cracks the top 30 in two weeks. "6 Foot 7 Foot" achieved the feat in January and DJ Khaled's "I'm on One," on which he's featured (No. 7), did so two weeks ago.

39

Kem reaches the top 10 of Adult R&B (see opposite page) for a sixth time, as the Chrisette Michele-assisted cut steps 11-10 (up 21% in plays on the radio airplay ranking).

49

The third single from "Rolling Papers" breaks into the top half of the list. The set tallies its 10th week in the Top R&B/Hip-Hop Albums top 10 and has sold 431,000 copies, according to Nielsen SoundScan.

98

The Atlanta-based quartet places its debut single on the list after being discovered by Andre Harrell and signing with his newly formed, Atlantic-distributed Harrell Records.

BETWEEN THE BULLETS

BEYONCÉ'S 'BEST' SINGLE DEBUTS

Following the recent leak of fourth studio album "4," due June 28, Beyoncé debuts at No. 53 with "Best Thing I Never Had" (4.1 million listener impressions, according to Nielsen BDS). The ballad follows the uptempo "Run the World (Girls)," which peaked at No. 30 (June 4) and drops to No. 44 this week. While it initially seemed that "1+1" was primed to be the second single, after she performed it on "American Idol" (and after a clip of her rehearsing the song went viral), Columbia promoted "Best Thing" as the set's official second single. That said, "1+1" had enough momentum to peak at No. 5 on the Bubbling Under R&B/Hip-Hop Songs (go to billboard.biz/charts).

While the rapper holds at No. 4 for a third week, track ascends to No. 1 on Rhythmic. It's his seventh chart-topper overall on that tally and fourth as a lead artist.

16 & 17

Otis Redding (No. 13) is not the only R&B legend roaming the top 20 this week, as Marvin Gaye is the titular reference in back-to-back titles. Drake's track at No. 16 was recorded in Gaye's old studio, while on Big Sean's effort at No. 17, Gaye's music and some alcohol serve to set the mood.

Song is top plays gainer on Adult R&B as it enters the top 10 (12-9), his 13th to reach the top tier on that chart. Since 2000, only Alicia Keys and Gerald Levert (14 each) have scored more.

95

The multitalented performer, who appears in the box-office smash "Transformers: Dark of the Moon," returns to this chart for the first time since 2007 when his single "Turn Ya Out" peaked at No. 70 and he guested on Keith Murray's "Nobody Do It Better" (No. 65).

BETWEEN THE BULLETS

BEYONCÉ'S 'BEST' BREAKS TOP 10

Beyoncé bounces into the top 10 of Hot R&B/Hip-Hop Songs for the 16th time as a solo artist as "Best Thing I Never Had" rises 12-10. The song is her first to reach the top tier from her chart-topping 4 album and her first top 10 since "Ego" peaked at No. 3 in July 2009. Beyoncé first hit the top 10 sans Destiny's Child on the Oct. 26, 2002, chart with a featured turn on Jay-Z's "'03 Bonnie & Clyde." Since that week, no female artist has earned more top 10s than Bey. Ciara is second during that span with 12, followed by Alicia Keys and Keyshia Cole, each with 11. —*Karinah Santiago*

Minaj scores her second No. 1 on Rhythmic (see opposite page) and first as a lead artist. She first ruled the list as a guest on Trey Songz' "Bottoms Up" the week of Oct. 30, 2010.

21 & 23
As Otis Redding returns to the chart at No. 15, two odes to fellow late soulful legend Marvin Gaye surge. Big Sean's track improves by 52% to 10 million in audience, and Drake's by 46% to 9.8 million.

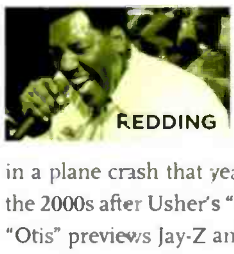
The teen quartet—which has opened for Backstreet Boys and Justin Bieber—makes a 120% increase to 2 million in audience.

97
Having released his debut mixtape, "Upside Down," featuring Keri Hilson, Drake and T-Pain, and follow-up "Upside Down 2," this track from Bei Maejor's upcoming Jive debut marks his first Hot R&B/Hip-Hop Songs as an artist.

Fellow recent Jive signee Harris also makes his Hot R&B/Hip-Hop Songs arrival. The 13-year-old has collaborated with labelmate Chris Brown (one of his admitted inspirations) on "Another Planet," released last year.

BETWEEN THE BULLETS

JAY-Z, KANYE WEST BRING BACK OTIS



REDDING

The late Otis Redding appears on Hot R&B/Hip-Hop Songs after a record 41-year, 10-month and three-week break, as Jay-Z and Kanye West storm the survey at No. 15 with "Otis," featuring Redding. The track, which concurrently returns Redding to the Billboard Hot 100 (see page 42) samples Redding's No. 4-peaking 1967 R&B hit "Try a Little Tenderness." (Redding died in a plane crash that year.) Arriving as the Hot R&B/Hip-Hop Songs chart's second-highest debut of the 2000s after Usher's "Love in This Club Part II," featuring Beyoncé and Lil Wayne (at No. 14 in 2008), "Otis" previews Jay-Z and West's album "Watch the Throne," due Aug. 8. —*Gary Trust*

Richard Smallwood logs his second consecutive No. 1 start on Gospel Albums. Opening with 7,000 copies, "Promises" matches his best Nielsen SoundScan weekly sum, set when "Persuaded" began in 2001. The lead single from the new album bullets at No. 13 on Gospel Songs.

Fronted by cousins John Philippidis and Steven Delopoulos, Burlap to Cashmere returns to Christian Albums for a second time—and after a gap of a dozen years—as the act's eponymous set moves 2,000 copies. "Anyone Out There" rose to No. 14 in May 1999 during a 48-week chart run.

As his "I'm on One" returns to No. 1 for a second week after a one-week hiatus, follow-up "It Ain't Over Til It's Over" rises 14 spots with a 94% increase to 2.5 million listener impressions.

17

Miguel seems on his way to a third straight top 10 single from his debut album as track skips 21-17. The set's title track, "All I Want Is You," peaked at No. 7 last November, followed by "Sure Thing," which spent a week at No. 1 in May.

22

With the help of Fabolous, Roscoe Dash and Wiz Khalifa, the Atlanta-based DJ is experiencing his best chart run yet. Last year's "Body Ya," also with Fabolous, peaked at No. 75.

36

As his album "Finally Famous" picks up its third week in the top five of Top R&B/Hip-Hop Albums, "Marvin & Chardonnay" catapults 20 positions in its third week on this list.

41

Six weeks after signing with Columbia Records off this track's viral success, the female MC's hit debuts with 1 million impressions.

BETWEEN THE BULLETS

CHRIS BROWN'S TRIPLE DEBUT

BROWN

Chris Brown posts three new titles on Hot R&B/Hip-Hop Songs this week, marking only the third time the feat has been achieved since Billboard began using Nielsen data to power the charts in December 1992. Thanks to his guest spots on Ace Hood's "Body 2 Body" (No. 73) and Game's "Pot of Gold" (No. 75), along with his own "Wet the Bed" featuring Ludacris (No. 89), Brown joins Gucci Mane and Lil Wayne, who debuted three titles simultaneously on the June 27, 2009, and Oct. 10, 2009, charts, respectively.

British songwriter/worship leader Matt Redman commands his first No. 1 in six tries on Christian Albums with "10,000 Reasons," which opens with 7,000 units. His previous best rank was the No. 8 peak of "Beautiful News" in 2007.

Casting Crowns' "Glorious Day" reclaims the Christian Songs crown after logging an eighth consecutive week at No. 1 on the June 11 chart. The six-week gap is the second-longest for a returning champ since the chart launched eight years ago, following Aaron Shust's 12-week respite with "My Savior, My God" in 2006.

With "My Last" stuck at No. 4 for a sixth week, follow-up single "Marvin Gaye & Chardonnay" shoots to No. 56 with a 38% audience spike to 3.2 million listener impressions.

18 Beyoncé breaks into the top 20 for the first time since "Ego" peaked at No. 3 in 2009. Meanwhile, latest album "4" picks up a second week at No. 1 on Top R&B/Hip-Hop Albums and the Billboard 200.

The Odd Future singer earns a top 20 hit in advance of the July 26 release of "Nostalgia, LITE," a commercial repackaging of his critically acclaimed "Nostalgia, Ultra" mixtape.

48 Wale cracks the top half of the list for the first time as a lead artist with this smooth single. He reached No. 2 with a featured turn on Waka Flocka Flame's "No Hands" in December.

71 After debuting four songs on the chart in 2010, the most she's ever placed on the list in one year during her 16-plus year career, the Atlanta songstress returns with Hot Shot Debut honors on a preview track for new album "New Life," due Oct. 18.

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. BETWEEN THE BULLETS

ROWLAND DOES BEREAL A 'FAVOR'

As Kelly Rowland's "Motivation" reclaims the No. 1 position on Hot R&B/Hip-Hop Songs, she also posts her ninth charting title on the list as featured artist on Lonny Bereal's debut, "Favor," which opens at No. 83. Bereal is an accomplished songwriter with two top 10 hits under his belt: Tank's "Please Don't Go" (No. 2 in 2007) and Pleasure P's "Under" (No. 5 in 2009). Bereal's debut album, "The Love Train," is scheduled to drop later this year with features from Chris Brown, Busta Rhymes and Trey Songz. *—Rauly Ramirez*

2 & 31

As "Sure Thing" spends a fifth week at No. 2—after relinquishing the No. 1 position to Kelly Rowland—new track "Quickie" catapults 21 positions into the top half of the list.

Nicki Minaj posts her eighth top 10 as "Super Bass" leaps 14 positions in its seventh week. The cut also hits the top five of the Hot 100 for the first time (see page 46).

Despite posting a voluminous 38 titles on the list in his six-year chart history, Young Jeezy scores just his fifth top 20, as the Lil Wayne-assisted track racks up 9.7 million listener impressions.

The lead single off "Planet Pit," which debuts at No. 3 on Top R&B/Hip-Hop Albums with 55,000 copies (see opposite page), rises 13 positions with 1 million in audience.

The Los Angeles-based rapper makes his first appearance on the list as a lead artist. He appeared on Chris Brown's "Deuces," which spent nine weeks at No. 1 last year.

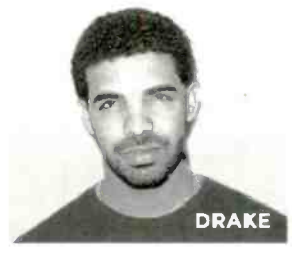
MAKE 'ROOM' FOR DRAKE'S DEBUT



Drake picks up this week's Hot Shot Debut honor on Hot R&B/Hip-Hop Songs as "Marvin's Room"—from his forthcoming "Take Care" album—opens at No. 62 with a 304% increase to 2.4 million listener impressions (according to Nielsen BDS). The opening marks his fourth-best debut as a lead artist following 2009's "Forever" (No. 58 debut, No. 2 peak) and 2010's "Over" (No. 42, No. 2) and "Find Your Love" (No. 54, No. 3). Drake's only No. 1 as a lead artist remains his debut, "Best I Ever Had," which spent seven weeks atop the list in 2009. —*Rauly Ramirez*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. Weezy posts his 26th top 10 on the list, inching him closer to the Nielsen-era record (December 1992 to present) held by R. Kelly, with 32. Ludacris stands between them, with 28.

Ledisi breaks into the top 20 for the first time in her four-year chart history. On Adult R&B the cut moves 6-5, marking her first trip to that region of the radio-based chart.

The Philadelphia crooner cracks the top half of the list in the same week that "Anything," the first single from "musiqindamagiq," moves to recurrent status. The Swizz Beatz-featured track peaked at No. 31.

The third single from "All I Want Is You" catapults 46 spots in its second week on the list, tying Kanye West & Jay-Z's "H*A*M" for the biggest jump of the year.

75

With "4" set to hit stores June 28, Beyoncé makes her third appearance on the list this year. WWPR New York spurred the high opening, spinning the song 26 times in the tracking period.

TINIE TEMPAH FINALLY DEBUTS

While British rapper Tinie Tempah has been experiencing success on the Billboard Hot 100—his first U.S. single, "Written in the Stars," peaked at No. 12 in May—he makes his first appearance on Hot R&B/Hip-Hop Songs with "Till I'm Gone" debuting at No. 85 with 1.1 million listener impressions (according to Nielsen BDS). The Wiz Khalifa-assisted cut is the second single from "Disc-Overy," which debuted and peaked at No. 2 on Top R&B/Hip-Hop Albums last month and has sold 33,000 copies, according to Nielsen SoundScan.

Earnest Pugh achieves his second top 10 on Gospel Songs and Gospel Digital Songs, as "I Need Your Glory" steps 11-10 with Greatest Gainer applause for the second straight week on the former radio chart and debuts at No. 8 (1,000, up 203%) on the latter sales list.

1 In its ninth week at the top, the track ties Chris Brown's "Deuces" for the longest run since Alicia Keys' "Un-Thinkable (I'm Ready)" spent 12 weeks at No. 1 last year.

20 & 21 The fourth and fifth singles off "Last Train to Paris" each step up one position as the album falls 3-13 on Top R&B/Hip-Hop Albums (see opposite page).

21 As "Make It Rain" continues to climb up the chart, the Atlanta rap trio debuts with "Bring It Back," thanks to power rotation spins at WJMH Greensboro-Winston-Salem, N.C., and WLLD Tampa, Fla.

44 David Banner (above right, with 9th Wonder) cracks the top half of the list for the first time as a lead artist since "Get Like Me" hit No. 7 in the Aug. 30, 2008, issue.

85 After spending two weeks atop Gospel Songs in December, the Chicago crooner lands his first title on this chart. His latest set, "Triumphant," peaked at No. 2 on Gospel Albums in August.

BETWEEN THE BULLETS

LIL WAYNE'S '6 FOOT 7 FOOT' CLIMB

After picking up Hot Shot Debut honors last week, Lil Wayne's "6 Foot 7 Foot" leaps 35-28 with Greatest Gainer and Airpower honors on Hot R&B/Hip-Hop Songs (8.5 million listener impressions, up 154%, according to Nielsen BDS). The Bangladesh-produced track is the lead single off his upcoming "Tha Carter IV" and features Bronx rapper Cory Gunz, the latest signee to the Young Money imprint. Bangladesh also produced Wayne's 2008 No. 1 hit "A Milli."

5 & 13

As "Deuces" halts its top 10 run after 21 weeks (8-13), the Virginia singer's follow-up explodes 10-5 with Greatest Gainer/Airpower honors (26 million impressions, up 31%).

"10 Seconds" keeps climbing (18-17) as the third single from "Love Me Back" opens as the Hot Shot Debut with 1.6 million in audience. Lead single "Holding You Down (Goin' in Circles)" peaked at No. 3 in October.

The Brooklyn MC breaks into the top 20 for the first time as a lead artist since "Throw It in the Bag" peaked at No. 4 in September 2009.

36

The prolific gospel duo garners its fifth top 10 on Adult R&B (see opposite page), as "Walking" steps 11-10. On this chart, the pair pockets its fourth top 40 hit courtesy of a 36% increase in airplay to 7.4 million impressions.

The Florida rapper lands his sixth chart entry. "Ride," featuring Trey Songz, stands as his best showing, having reached No. 27 in 2008.

BETWEEN THE BULLETS

KANYE WEST & JAY-Z'S COLD CUT

With only one day of airplay in the tracking week (which ended Jan. 11), Kanye West and Jay-Z's "H*A*M" arrives at No. 94 on the Hot R&B/Hip-Hop Songs chart. The first single from their upcoming collaborative effort, "Watch the Throne," reached more than 1 million listeners in its first day. Leading the charge at radio were New York's WQHT and WWPR, each of which spun the record six times on Jan. 11. With "H*A*M" having hit digital retailers on Jan. 12, it's sure to debut on Billboard's digital charts next week.

Brandon Heath leads Christian Songs for a third time (and his first in exactly two years) as "Your Love" jumps 3-1 (see Happening Now, page 38). He last ruled the tally with "Give Me Your Eyes" for 19 weeks in 2008-09. "Your Love" also marks his third No. 1 on Christian AC Songs (2-1).

Christian rock band Hawk Nelson claims its first Christian CHR No. 1, as "Crazy Love" soars 7-1. Formed in Peterborough, Ontario, the group previously peaked at No. 2 with "Zero" (2007) and "Friend Like That" (2008). "Crazy Love" is the lead single/title track from the act's fifth studio set, due Feb. 8.

As "Can't Be Friends" logs a 12th week atop the chart, follow-up "Love Faces" catapults 35 spots with Greatest Gainer honors (8.5 million audience impressions, up 158%).

Foxx posts his first top 10 since "Blame It" spent 14 weeks at the summit in 2009. The song is his eighth to reach the upper tier and the 14th for featured act Drake.

The crooner breaks into the top five of Adult R&B for a third time (6-5, see opposite page). His debut entry, "Maybe I Deserve," reached No. 5 in 2001, while "Please Don't Go" spent 10 weeks atop the list in 2007.

The collaborative cut debuts at No. 38 on Mainstream R&B/Hip-Hop (and No. 22 on Rap Songs with 7.3 million in first-week audience; see opposite page), prompting this chart's greatest positional leap.

The WEDR Miami DJ returns to the chart after taking "All I Do Is Win" to No. 8 in the June 26, 2010, issue—his best showing among nine visits.

ALICIA KEYS' 'SPEECHLESS' SPECIAL

KEYS

After Alicia Keys spent 12 weeks atop Hot R&B/Hip-Hop Songs last year with "Un-Thinkable (I'm Ready)"—the track is at No. 40 this week—she returns to the chart with "Speechless," featuring Eve, at No. 99 (1 million listener impressions, up 102%, according to Nielsen BDS). Written about her newborn son with producer Swizz Beatz and sampling Kanye West's album cut "Devil in a New Dress," the track was released online as part of Beatz' Monster Mondays free download series. Keys tweeted that "it's not a new album, not a single it's something special 4 U!" —*Rauly Ramirez*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. Lecrae replaces himself atop Gospel Albums, as "Rehab: The Overdose" (21,000) supplants "Rehab" (1-2). The Christian hip-hop artist is the first act to monopolize the chart's top two spots since Yolanda Adams did so 10 years ago this week.

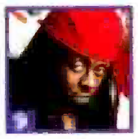
7 The Young Money rapstress notches her sixth top 10 on the list, while her "Pink Friday" reigns on Top R&B/Hip-Hop Albums for a third consecutive week (see opposite page).



The Young Money president breaks into the top 10 for a 22nd time. The jump makes featured Bronx newcomer Cory Gunz the first new artist to reach the upper crest in 2011.

42 Atlanta crooner Bobby V cracks the top half of the chart for the first time since 2006, when "Beep," featuring Yung Joc, peaked at No. 6. Debut track "Slow Down" spent four weeks atop the chart in 2005.

51 Gospel icon posts his best start since his debut "Lean on Me" (No. 29, 1999). Thirty-eight stations, led by WMXD Detroit (17 plays), added the track out-of-the-box.

79 The St. Louis rapper teams with Kelly Rowland once again for a thematic continuation of their 2002 neighbors-in-love smash "Dilemma," which spent nine weeks at No. 1.

BETWEEN THE BULLETS

DRAKE TIES NIELSEN-ERA RECORD

DRAKE

Nicki Minaj's "Moment 4 Life," featuring Drake, leaps 11-7 on Hot R&B/Hip-Hop Songs, giving Drake four singles in the top 10, a feat accomplished only once before since this chart adopted Nielsen metrics in December 1992. In the March 26, 2005, issue, 50 Cent landed four top 10s with "Candy Shop" (No. 1), "Disco Inferno" (No. 10) and his featured turns on the Game's "How We Do" (No. 6) and "Hate It or Love It" (No. 7). Unlike 50, however, Drake is the featured artist on all four of his top 10 tracks.

2 & 13

"Can't Be Friends" vacates the No. 1 position after 13 weeks, while follow-up "Love Faces" nabs Greatest Gainer/Airplay honors for the second time in three weeks (18.4 million in audience, up 34%).

4

The Atlanta singer/songwriter breaks into the top five for a third time, following "Turnin' Me On," which peaked at No. 2, and "Knock You Down,™" which spent two weeks atop the list, both in 2009.

30

The rapid-fire rap song catapults 17 positions in its third week, thanks in part to WENZ Cleveland and WHHH St. Louis, each of which played the track 53 times in the chart's tracking week.

53

The Chicago singer posts her highest debut, topping her featured turn on Ne-Yo's "Leaving Tonight," which opened at No. 55 in the May 19, 2007, issue.

17

The R&B newcomer debuts his follow-up to "All I Want Is You" (featuring J. Cole), which reached No. 7 in the Nov. 20, 2010, issue.

BETWEEN THE BULLETS

FOXX, DRAKE SHARE FOURTH NO. 1

Both Jamie Foxx and Drake pick up their fourth No. 1 on Hot R&B/Hip-Hop Songs as Foxx's "Fall for Your Type" (featuring Drake) leaps 5-1 with 30.7 million listener impressions (up 5%, according to Nielsen BDS). Foxx's first two chart-toppers were guest spots; first on Twista's "Slow Jamz," which spent two weeks on top in 2004, and then on Kanye West's "Gold Digger" (four weeks, 2005). In 2009, Foxx notched his third No. 1 with "Blame It," which collected 14 weeks atop the chart.

"Fall for Your Type" is Drake's third turn at the top as a featured guest; his only lead topper is "Best I Ever Had," which spent seven consecutive weeks at No. 1 in 2009. —*Rauly Ramirez*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. Deitrick Haddon claims his second No. 1 on Gospel Albums, following "Crossroads" in 2004, and his best Nielsen SoundScan sales week, as "Church on the Moon" opens with 7,000 sold. Lead single "Well Done," his fifth top 10 on Gospel Songs, logs a fourth consecutive week at its No. 10 peak to date.

Kirk Franklin posts his highest start on Gospel Songs, as "I Smile" storms in with Greatest Gainer honors at No. 15. The bow tops his previous best launch; "Looking for You" opened at No. 18 in 2005, on its way to an 18-week run at No. 1. "Smile" previews the album "Hello Fear," due March 29.

3

The New Orleans rapper notches his 17th top five. Dating to his first week in that region (Sept. 18, 1999) with “Back That Thang Up,” only Ludacris has more (18).

8 & 10

As “Can't Be Friends” plummets after relinquishing its 13-week hold on No. 1 last week, Songz ascends to his 12th top 10 (22.2 million audience impressions, up 21%).

17 & 74

The singer breaks into the top 20 for the first time since his debut single, “Birthday Sex,” spent two weeks at No. 1 in 2009. Banks' song, on which Jeremih guests, improves by 24% to 2 million in audience.

58

The fourth single off “Flockaveli” catapults 16 positions, thanks in part to WHTA Atlanta and WJMH Greensboro, N.C., having spun the song 57 and 51 times, respectively, in the chart's tracking period.

92

The Atlanta crooner charts the follow-up to last year's No. 62-peaking “F**k You (Forget You).” Bailey, of Earth, Wind & Fire fame, makes his first solo appearance on the list since 1994.

BETWEEN THE BULLETS

LADIES RACE UP THE CHART

Jennifer Hudson and Keyshia Cole break into the top half of Hot R&B/Hip-Hop Songs, posting two of the biggest jumps on the list this week. Hudson's “Where You At” opened last week at No. 53—her highest debut on the chart yet—and leaps 16 positions to No. 37 with a 69% increase in audience (6.2 million listener impressions, according to Nielsen BDS). Cole's “Take Me Away” bowed at No. 67 a week ago and catapults 28 rungs to No. 39 with a 166% audience rise to No. 39 (5.7 million impressions), her best showing since her 2009 duet with Monica, “Trust,” peaked at No. 5. —*Rauly Ramirez*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. 4 The crooner leaps into the top five for a 10th time. He first reached the region as the featured artist on Twista's "Girl Tonite" in the Nov. 5, 2005, issue.

The Chicago MC enters the top 10 for the first time since Drake's "Forever," on which he guested, along with Lil Wayne and Eminem, reached No. 2 in 2009.

17 & 32 As the No. 16-peaking "When a Woman Loves" keeps descending, follow-up "Love Letter" breaks into the top 20 with a 17% increase to 13.5 million audience impressions.

The Atlanta rap trio follows its highest-charting effort by breaking into the top half (4.8 million in audience, up 16%). "Make It Rain" peaked at No. 15 last month.

The Canadian tween quartet arrives with its debut single reaching 1.8 million listeners, thanks in part to WZHT Montgomery, Ala.'s 44 plays in the chart's tracking week.

BETWEEN THE BULLETS

MINAJ'S 'MOMENT' HAS ARRIVED

A week after reaching the top of the Billboard 200 with debut album "Pink Friday," Nicki Minaj picks up her first No. 1 on Hot R&B/Hip-Hop Songs with "Moment 4 Life" (featuring Drake) stepping 2-1 (36.5 million listener impressions, up 8%, according to Nielsen BDS). Minaj is the first female rapper to reach the summit since Missy "Misdemeanor" Elliott's "Work It" spent five weeks atop the list in 2002. For Drake, "Moment" marks his fifth chart-topper after achieving his fourth just last week with Jamie Foxx's displaced "Fall for Your Type," on which Drake is featured.

Francesca Battistelli nets her fifth top 10 on Christian Songs (11-9) and Christian AC Songs (12-10). The lead single from the artist's second album, "Hundred More Years" (March 7), is her first No. 1 on the Christian Digital Songs and pan-genre Christian/Gospel Digital Songs lists (see page 75).

Kirk Franklin claims his first solo Gospel Songs top 10 in more than two years, as "I Smile" shifts 12-10. He hasn't reached the upper tier as a soloist since "Jesus" peaked at No. 4 on the Sept. 20, 2008, chart. The new song introduces his 12th album, "Hello Fear," due March 22.

5 & 7

The rapping Virginia crooner breaks into the top five for the 13th time in his six-year chart history with "Look at Me Now," while ballad "No BS" continues to descend after peaking at No. 3 last month.

The Brooklyn MC collects his ninth top 10 with "You Be Killin' 'Em," as Ne-Yo's "Crazy Love," on which he guests, marks his 40th chart appearance since his arrival 10 years ago next week.

Spurred by a No. 1 bow on R&B/Hip-Hop Singles Sales (see billboard.biz/charts) with 3,000 copies, Franklin returns to the top 20 on Hot R&B/Hip-Hop Songs for a second time.

25 & 43

As "Black and Yellow" drops further from its No. 6 peak last month, follow-up "Roll Up" catapults 31 positions with a 221% audience increase to 5.6 million impressions.

93

The veteran Atlanta quartet charts its 24th title. Its discography includes the chart-toppers "Let's Get Married" in 2000 and "Promise" and "Where the Party At" in 2001.

CHART SHOWS DIDDY-DIRTY MONEY 'LOVE'

Diddy-Dirty Money posts its seventh track on Hot R&B/Hip-Hop Songs as "Your Love," featuring Trey Songz, opens at No. 69 with Hot Shot Debut honors (2.2 million listener impressions, up 204%, according to Nielsen BDS). Though Diddy—or Puff Daddy, at the time—first appeared on the chart in 1996 as the featured artist on Lil Kim's "No Time," his trio Diddy-Dirty Money debuted in 2009 with the No. 62-peaking "Love Come Down." Of the seven posted tracks, only "Hello Good Morning" (No. 13 peak) and "Loving You No More" (No. 20 peak) broke the top 20. —Rauly Ramirez

As "Beautiful" advances 2-1, Dove Award-winning group MercyMe logs its 10th topper on Christian AC Songs, widening its lead for the most No. 1s since the list premiered in 2003. Casting Crowns and Third Day rank second, each with eight leaders in the chart's history.

Trin-I-Tee 5:7 soars 26-18 with Greatest Gainer honors on Gospel Songs with "Over & Over," which introduces its May 3 album "A New Day." The veteran act has evolved from a trio to a duo (Angel Taylor and Chanelle Hayes), following the departure of Adrian Anderson.

As "Moment 4 Life" reigns for a fourth straight week, follow-up "Did It on 'Em" leaps 16 positions with a 64% increase to 13.4 million listener impressions.

Her latest release jumps 13-9 on Adult R&B (see opposite page) to mark her fourth top 10 on that list. Her 2008 hit "Spotlight" and 2009's "If This Isn't Love" both spent multiple weeks atop the chart.

Price reaches her highest position on the chart in more than 10 years— "You Should've Told Me" peaked at No. 16 in the Nov. 18, 2000, issue.

Recent Universal signee YC breaks into the top half of the list with his debut single. WHTA Atlanta led all stations with 64 plays in the chart's tracking period.

North Carolina MC Cole jumps 11 spots with his fifth charted title and second as a lead artist. Debut "Who Dat" capped out at No. 32 in the Aug. 7, 2010, issue.

ALEXANDER STAKES HIS CLAIM

Aaron Alexander's "Crazy Luv" is this week's Hot Shot Debut as it opens at No. 93 on Hot R&B/Hip-Hop Songs with 1.1 million listener impressions (up 37%, according to Nielsen BDS). With the song, the 21-year-old looks to make a name for himself outside of his strong musical lineage; his parents are R&B singer Pebbles (who scored four No. 1s between 1987 and 1990) and Island Def Jam Music Group chairman/CEO Antonio "L.A." Reid. Out of the 19 stations playing the cut, WEMX Baton Rouge, La., is leading the audience push, racking up more than 200,000 listener impressions in the chart's tracking period. *—Rauly Ramirez*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. Artist earns his seventh top 10 and first since "Lose My Mind," featuring Plies, peaked at No. 5 in 2010. His current track is the rapper's second single from *Thug Motivation 103: Hustlerz Ambition*, currently No. 2 on Top R&B/Hip-Hop Albums. The first, "F.A.M.E.," peaked at No. 67 in November.

The rapper claims the chart's two largest audience gainers as the Minaj-assisted track at No. 2 improves by 4.5 million impressions while a bonus track off the deluxe edition of his album *Take Care* jumps 23-13 with a 3.9 million-listener jump. On Rap Songs, the latter track rises 12-9, giving Drake four songs in that chart's top 10.

Track at No. 32 re-enters the top 10 on Adult R&B (11-9), matching a peak first established last month. Crooner concurrently debuts his new track on both this ranking and the Adult R&B survey (No. 26).

97

The rapper/actor/entrepreneur debuts this track off his newest mixtape, *The Big 10*. For the featured artist and G-Unit affiliate, it's his first chart listing since 2005.

BETWEEN THE BULLETS

BLUE IVY MAKES RECORD DEBUT

Blue Ivy Carter, Beyoncé and Jay-Z's bouncing baby girl (born Jan. 7), becomes the youngest person to chart on a Billboard tally, as Jay-Z's newly recorded "Glory" (billed as "featuring B.I.C.") begins on Hot R&B/Hip-Hop Songs at No. 74. "Glory" (which boasts the coos and cries of Blue Ivy) arrives with 1.7 million audience impressions on 54 radio stations, according to Nielsen BDS. In a stroke of chart kismet, the song marks Jay-Z's 107th hit on the survey, mirroring the Jan. 7 birth date—in other words (or, rather, numbers), 1/07—of Blue Ivy.

Dove Award-winning worship singer/pastor Kari Jobe celebrates her first top five radio chart achievement, as "We Are" leaps 14-8 on the audience-driven Christian Songs list. The song also represents Jobe's best rank so far on Christian AC Songs, where it rises 18-17.

The late Rev. James Cleveland appears on Gospel Albums for the first time in nearly 13 years, as a self-titled compilation bows at No. 41 (see complete chart at billboard.biz/charts). The pioneering gospel music visionary most recently charted with *The King of Gospel* in 1999.

4, 5 & 7

Rap's first lady continues her five-week run as the first female rapper to chart three titles in the top 10 concurrently on the survey. Among all women since the chart adopted Nielsen data in 1992, only Ashanti had previously tripled up in the top tier (for two weeks in 2002).

13

With the song's eighth week atop Adult R&B, the crooner doubles the length of his prior command of the airplay tally. His first No. 1, "How You Gonna Act Like That," topped the chart for four weeks in 2003.

34

The chart's Greatest Gainer/Airplay track has a plump 62% increase to 7.8 million audience impressions. WTLZ Saginaw, Mich., posted the top gain among reporters in the Dec. 28-Jan. 3 tracking week, doubling its weekly plays of the track from 15 to 30.

97

The starlet debuts her 26th title on this chart, courtesy of airplay on 13 reporting stations. The song from her *Talk That Talk* album follows lead single "We Found Love" (featuring Calvin Harris), which hits a new peak (No. 58) this week and the title cut (featuring Jay-Z), which bullets at No. 61.

BETWEEN THE BULLETS

WALE REIGNS FOR THIRD WEEK

Three weeks ago, Jay-Z and Kanye West's seemingly unstoppable "Ni**as in Paris" was pushed out of the No. 1 spot on Hot R&B/Hip-Hop Songs (after a seven-week reign) as Wale's "Lotus Flower Bomb" crept its way up to steal the spotlight. Despite losing points this week (down 7% in audience, according to Nielsen BDS), "Lotus" still has a sizable lead over "Paris," which sits at No. 2 (and is also losing ground). All but two titles in the top 10 post a decline in chart points, save for Rick Ross' "You the Boss" at No. 7 and Drake's "Headlines" at No. 8. —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. As the radio-driven Christian AC Songs ranking returns to normal post-holiday activity, worship singer Aaron Shust returns for a ninth week at No. 1 with "My Hope Is in You." That's the most weeks atop the chart since Sanctus Real's "Lead Me" held for nine weeks in autumn 2010.

After logging the slowest climb to No. 1 (34 weeks) on Gospel Songs, Isaac Carree's "In the Middle" holds atop the list for a third straight week. Lisa Page Brooks' "Thank You" and Earnest Pugh's "Rain on Us" (both in 2010) were previously tied for the longest crawl to No. 1 (33 weeks).

6 Rapper who first graced the chart in 2008 scores his second career top 10 and second this year from his *Blood, Sweat and Tears* album. Featured crooner gains eighth top 10 of 2011. Only Drake (nine) has had more this year.

22 While this urban Barbie doll dips to No. 22 on this list with her latest hit, she moves into the top 10 (12-7) on R&B/Hip-Hop Digital Songs (43,000, up 17%) and airplay-based Rap Songs (13-9).

78 Hot Shot Debut goes to this Slip-n-Slide act's second charted song from his planned fourth-quarter album release, *Purple Heart*.

79 With his long-delayed *Live From the Kitchen* yet to be served to the public, this song becomes the third track from that upcoming album to hit the chart. *Kitchen* will be Gotti's first album release since the top 10-peaking *Sold Out* in 2009.

98 This fresh face debuts a second single off his still-untitled forthcoming album. His previous track, featuring Nas, peaked at No. 50 in September.

BETWEEN THE BULLETS

DRAKE MAKES 'EM 'PROUD'

Birthday boy Drake (he turned 25 on Oct. 24) celebrates with the Greatest Gainer honors on Hot R&B/Hip-Hop Songs as "Make Me Proud" (featuring Nicki Minaj) skyrockets 94-44 in its second week. It's the second-largest jump this year, following Drake's own "Headlines," which zoomed 98-38 on Aug. 20. "Proud," produced by T-Minus, is the second single from his sophomore full-length, *Take Care*, due Nov. 15. If "Proud" ascends to No. 1, it'll mark his first topper as a lead artist since "Best I Ever Had" in 2009. (He's hit No. 1 as a featured artist six times since.) —*Karinah Santiago*

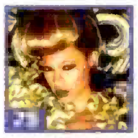
31 The track jumps 11-9 on Rap Songs (see opposite page), marking Cole's first top 10 on the tally among two visits. "Who Dat" reached No. 19 last November.

47 The song springs by 20 spots, earning Greatest Gainer/Airplay honors (4.9 million audience impressions, up 121%). Helping fuel the flight are adds at WHTA Altanta (34 first-week plays); WJMI Jackson, Miss. (22); and WUSL Philadelphia (15).



Beyoncé boasts two titles from her album *4* ascending Adult R&B, as "Best Thing I Never Had" reaches a new peak (20-18) and this cut bows at No. 36. (See billboard.biz/charts for the full list.)

77 After Prince, who established the Time in 1981, denied rights to the original group name, all seven members reappear as the Original 7ven. The Time last charted on Hot R&B/Hip-Hop Songs in 1990, the year it scored its sole No. 1, "Jerk Out."

Another veteran act returns: After charting nine titles in 1991-97, the Minneapolis gospel group debuts the first single from its self-titled 10th album.

BETWEEN THE BULLETS

MINDLESS BEHAVIOR HITS TOP 10

Tween sensation Mindless Behavior scores its first top 10 single on Hot R&B/Hip-Hop Songs as its second release, "Mrs. Right" (featuring Diggy), moves to No. 10. With successful R&B vocal groups becoming scarce through the years, the top 10 feat is notable, as the quartet of 14-year-olds is the first non-rap group to enter the top 10 since the Pussycat Dolls' "Don't Cha" hit the region on Aug. 13, 2005. Mindless Behavior also returns male R&B vocal groups to the top 10 for the first time since 112's "U Already Know" (April 23, 2005). —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. Track becomes crooner's fifth career top 10 on Adult R&B (12-6) while grabbing that list's Greatest Gainer tag. On this chart, title is his highest-charting song since "One" hit No. 26 in 2007.

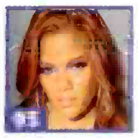
Rapper aims to follow up his first top 10 as a lead act with third single from forthcoming *Ambition* set, which is easily his highest-debuting effort to date.

The smooth balladeer, who last placed a song in the top 10 in 2001, returns to the chart after a four-year hiatus. Now signed to Verve, he'll release fourth studio set *Conquer* in December.



New Def Jam signee makes her first appearance on the chart with this jealousy-themed track. The Southern belle's debut album is being produced and written by heavyweights Jermaine Dupri, Sean Garrett and Bryan-Michael Cox.

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. BETWEEN THE BULLETS

ROSS DOUBLES UP, BEY HITS TOP 10

Rick Ross, the self-proclaimed "Teflon Don," simultaneously debuts the first two singles from new album *God Forgives, I Don't* (due Dec. 13) on the Hot R&B/Hip-Hop Songs chart. "You the Boss," featuring Nicki Minaj, lands at No. 52 with 43 million audience impressions. "I Love My Bitches," its premiere partner, arrives at No. 72. Just north on the list, Beyoncé starts a top 10 "Party" as the single springs into the upper tier with a 16-9 rise. This is Bey's 17th top 10 title and her second from 4, following "Best Thing I Never Had" (No. 4). —*Karinah Santiago*

Handsome 14-6 jump for the second charting single off *Watch the Throne* gives Jay-Z his 26th top 10 nod, as he continues to close the gap for most top 10s by a rapper. Only Ludacris (29) and Lil Wayne (27).

The rapper, recently released from prison for a second time, unleashes this single onto the general population. Track hit digital retailers on Oct. 4 and will impact our sales charts next issue.

This is the first single to debut off of the artist's sophomore album, *Triple F Life: Friends, Fans and Family*, slated for release next month.

Newlywed songstress—she's now Mrs. Monica Brown—debuts her second single off her forthcoming set *New Life*, scheduled for release Nov. 29.

91

The song is the Billboard Hot 100's top debut (see page 54) as strong first-week download sales propel it onto that chart and to a No. 1 opening on R&B/Hip-Hop Digital Songs and Rap Digital Songs.

BETWEEN THE BULLETS

WAYNE NETS SEVENTH NO. 1 SINGLE

One of the most successful artists on Hot R&B/Hip-Hop Songs returns to No. 1 as Lil Wayne wiggles up three slots to the top spot with "She Will," the third official single from *Tha Carter IV*. The title is his seventh No. 1, tying him with labelmate Drake for second-most chart-toppers by a rapper in the chart's 69-year history. Only rap standard-bearer Jay-Z, with eight, has placed more No. 1s. Of Weezy's seven leaders, "She Will" is his third as a lead artist and the first to reach No. 1 with him taking top billing since "A Milli" did so three years ago this month (Oct. 23, 2008). —*Karinah Santiago*

Pop singer Matthew West claims his fifth No. 1 on **Christian AC Songs**, as "Strong Enough" rises 3-1 in its 24th chart week. Concurrently, the track reclaims its previous peak at No. 3 on the pan-genre, audience-driven **Christian Songs**, a spot it first held one month ago.

BET's "Sunday Best" runner-up Jessica Reedy's top start on **Gospel Albums** follows the same feat last issue by the show's winner, Le'Andria Johnson. It's the first time a pair of rookie female artists have opened atop the chart in successive weeks during the 20-year-old Nielsen SoundScan era.

Title springs 12-9, giving Brown a fifth top 10 from his *F.A.M.E.* album. He last placed five top 10s from one set with his self-titled debut in 2005-07.

Rapper earns his first top 10 as a lead act, having previously appeared in the upper tier as a guest vocalist on Waka Flocka Flame's "No Hands" (No. 2 peak) last year. "Way" is featured on the Maybach Music compilation *Self Made Vol. 1.*

20

Greatest Gainer honors go to Queen Bey as she moves the "Party" from No. 33 to No. 20. Credit a 41% increase in audience (to 10.8 million impressions) for the celebratory jump.

Just 15 years old, he debuts his second title in four years. Singer is part of the current youth-fueled Scream tour, with fellow chart members Mindless Behavior, Diggy Simmons and Hamilton Park.

Yet another Maybach Music act appears on the list this week. His debuting song is his fourth title to hit the chart and comes from his mixtape *Dreamchasers.*

BETWEEN THE BULLETS

BIG SEAN WINS TIGHT RACE FOR NO. 1

Big Sean earns his first No. 1 on Hot R&B/Hip-Hop Songs as "Marvin & Chardonnay" (featuring Kanye West and Roscoe Dash) jumps 8-1. It's the biggest leap to the top since Mariah Carey's "Loverboy" flew 36-1 on Aug. 4, 2001. "Marvin" also gives West his fourth leader and featured artist Dash his first. With only 606 chart points separating Nos. 1 and 10 this week, it's the tightest top 10 race since the chart began using Nielsen BDS and SoundScan data in December 1992. Plus, as "Marvin" has only a tiny 18-point lead over the No. 2 single (the smallest margin since 1992), anything is possible next week. —*Karinah Santiago*

Both rappers have dominated this list in 2011 as the title is Drake's chart-leading ninth of the year and Wayne's sixth to reach the upper tier. The only other act with more than five top 10s this year is Chris Brown, also with six.

The song, which spent 21 weeks on the chart and reached No. 52 as an album cut off *The Lady Killer*, re-enters at a new peak and new audience high (10 million impressions, up 15%), following a radio push by Atlantic Records.

The chart's top bow is the crooner's first charting single in almost two years. The track is off new album *Mr. Nice Guy?*, due Oct. 25.

It's the artist's first appearance on the chart since her 2007 featured turn on Patti LaBelle's "Where Love Begins" and her first listing as a lead act since 2005 when "Someone Watching Over You" peaked at No. 57.

J. COLE MAKES 'NICE' ARRIVAL

J. Cole, the first MC signed to Jay-Z's Roc Nation label, debuts his latest single, "Mr. Nice Watch," at No. 87 on Hot R&B/Hip-Hop Songs—one of four hits for the artist on this week's tally. "Work Out," his previous release, reaches a new peak at No. 41. Both are from his long-awaited debut album, *Cole World*, due Sept. 27 (see story, page 23).

Cole can also be found on the list as the featured act on tracks by new artists Bei Maejor ("Trouble," No. 52) and Elle Varner ("Only Wanna Give It to You," No. 59). Both singles reach a new chart high this issue.

Steven Curtis Chapman celebrates his first No. 1 on Christian AC Songs, as "Do Everything" skips 3-1. The radio-driven chart debuted in 2003, well into Chapman's career, which began 24 years ago. Since the chart launch, he's thrice risen as high as No. 3, most recently in December 2008.

BET "Sunday Best" winner Le'Andria Johnson is the first new solo female to debut at No. 1 on Gospel Albums, then hold for a second week at the summit, since Kierra Sheard's *I Owe You* spent its first two weeks at No. 1 in 2004. Johnson's lead single is No. 23 on Gospel Songs.

11 Title jumps 11-8 on Rap Songs, helping Wayne stretch his lead for most top 10s in the airplay-based chart's 12-year history. Now with 27 top 10s to his credit, Weezy leads Jay-Z by two and Ludacris by three.

18 The rap power pair receives Greatest Gainer recognition, as the fourth official single from *Watch the Throne* improves by 4.4 million audience impressions (up 55%), according to Nielsen BDS. WWPR (Power 105.1) New York contributes the most to the spike, providing the track with nearly 1.7 million more impressions than a week ago thanks to a 41-play jump in spins.

88 R&B crooner makes his first solo appearance on the chart since 2001's "Real Man." During the past 10 years he's plated four tracks accompanied by a featured artist and one as part of the trio LSG with Gerald Levert and Johnny Gill. The latter-most artist is also doing the solo thing on the chart this week, at No. 39.

97 New to the R&B scene, the Atlanta native is the latest artist signed by DJ Sense. The song appears on her recent mixtape, *Confessions of a Virgo.*

BETWEEN THE BULLETS

LIKE FATHER, LIKE SON

R&B veteran Brian McKnight debuts on the Hot R&B/Hip-Hop Songs chart at No. 86 with "Temptation" featuring his son Brian McKnight Jr. This is a first for Poppa McKnight, as he has never recorded with any of his six children. The [illegible]-year-old Brian, his oldest offspring, hadn't previously charted.

The arrival follows in the footsteps of other charted father/offspring pairings like Master P and Lil' Romeo in 2002 with "Two Way" and Gerald and Eddie Levert Sr. in 1996 with "Get Your Thing Off." McKnight Sr. makes this his second song to hit the survey from his 10th and latest studio album, *Just Me.* —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. 14 The track enters the top 10 on Mainstream R&B/Hip-Hop (see opposite page), where it's T-Pain's first top-tier placement in more than a year. Wiz Khalifa notches his third top 10 on the tally—and Allen her first.

18 The soulstress receives the Greatest Gainer award on the Adult R&B chart (see opposite page), where the song reaches a new peak (10-6). WYLD New Orleans and WBAV Charlotte, N.C., led all adult reporters with 40 plays apiece in the chart's tracking week.

60 The diva debuts a second song from *My Life II . . . The Journey Continues (Act I)*, due Nov. 21, as the track joins its album sister "25/8" at No. 45. Perhaps boding well for the future of "Wrong," Blige logs her highest debut since "I Am" (which launched at No. 46 in 2009), her most recent top 10 (No. 4 peak).

89 As the pop princess spends a second week atop the Billboard Hot 100 (see page 58) with her dance-leaning hit, R&B/hip-hop support grows for the song. Leading the way among Hot R&B/Hip-Hop Songs panelists are WJHM Orlando, Fla. (46 plays last week); WPGC Washington, D.C. (32); and KBTT Shreveport, La. (24).

BETWEEN THE BULLETS

COLE'S 'WORK' HITS TOP 10

J. Cole earns his first top 10 as a lead artist on Hot R&B/Hip-Hop Songs as "Work Out" moves 12-10. He previously landed in the top tier as a featured artist on Miguel's "All I Want Is You," peaking at No. 7 a year ago. "Work Out" also debuts at No. 40 on the Mainstream Top 40 airplay tally with 700 detections, perhaps due to its crossover appeal. (It interpolates Paula Abdul's "Straight Up" and samples Kanye West's "The New Workout Plan.") "Work Out" is a cut from Cole's debut and former Top R&B/Hip-Hop Albums No. 1, *Cole World: The Sideline Story*, which has sold 369,000, according to Nielsen SoundScan. —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. As the title suggests, Drake is set to make major chart news next issue as his album *Take Care* is likely to crown the Billboard 200 and Top R&B/Hip-Hop Albums charts.

The ego-pleasing track earns the Greatest Gainer tag on Mainstream R&B/Hip-Hop Songs with an increase of 520 spins. WJWZ Montgomery, Ala., contributed to the 36% increase with an added 34 spins during the tracking week.

17

Title tops the Adult R&B chart, giving the crooner his second No. 1 on that list and first since "How You Gonna Act Like That" in 2003. The singer first appeared on a Billboard chart in 1998.

In the week following the debut of his album *Til the Morning*, the set's lead single nabs the Greatest Gainer honor on the Adult R&B chart as it moves 14-7. The song is his first top 10 in three years and ninth overall.

81

Singer's debut album pumps out its fourth track. All previous album cuts also debuted on the chart's lower tier and subsequently peaked in the top 10.

BETWEEN THE BULLETS

NICKI MINAJ 'A$$'-ISTS BIG SEAN

Big Sean's acquirement of Nicki Minaj on his "Dance (A$$)" remix proves to be a heavy return on investment. The Barbie-fied version serviced to radio last week helps moves the song up a number of tallies with Greatest Gainer honors. On Hot R&B/Hip-Hop Songs, it becomes his third top 10, as it rises 12-10 (17.7 million in audience, up 3.1 million, according to Nielsen BDS) while also netting the Gainer nod on Rap Songs (10-7). Among all monitored R&B/hip-hop stations, KRRQ Lafayette, La., played the song the most times in the tracking week ending Nov. 15 (76 detections). *—Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. 1 Chart-topping track also goes to No. 1 on Rap Songs, marking Jay-Z's sixth No. 1 on that list and West's eighth.

The glowing mama-to-be steals the top spot from her hubby on the Mainstream R&B/Hip-Hop radio ranking, swapping spots with "Ni**as in Paris" (1-2). Beyoncé's track is her second No. 1 on that chart this year and seventh overall.

The title's ascension into the top five in only its seventh week makes it one of only six songs to reach that level so quickly this year. Song concurrently enters the top 10 on Mainstream R&B (11-5) and Rap Songs (11-9) as the Greatest Gainer on both charts.

70 & 94 Rihanna debuts on title cuts from two new albums: as a featured vocalist on Drake's "Take Care" at No. 74 and on her own "Talk That Talk" at No. 94. For a look on how her album is expected to fare in its debut week, see Over the Counter (page 45).

91 The Bronx-born don returns to the chart for the first time since June 2010 with a fittingly titled track. Also new for the usually beefy rapper is his svelte body, proving that his hiatus was productive.

BETWEEN THE BULLETS

VARNER MAKES HER MOVE

RCA's newest songstress, Elle Varner, climbs 23-20 on the Hot R&B/Hip-Hop Songs chart with "Only Wanna Give It to You" (featuring J. Cole). With the rise, Varner becomes the first woman to take her debut chart hit into the top 20 this year. It entered at No. 94 13 weeks ago on Sept. 10. Meanwhile, "Only" also tiptoes 15-14 on the Mainstream R&B/Hip-Hop radio airplay chart while also starting at No. 24 on Heatseekers Songs (see page 49). Her debut album, *Perfectly Imperfect*, is slated for a first-quarter 2012 release. —*Karinah Santiago*

Worship singer Aaron Shust claims his third No. 1—and first in nearly five years—on the pan-genre Christian Songs radio chart, as "My Hope Is in You" draws 7.5 million audience impressions and steps 2-1. He hasn't topped the chart since "O Come, O Come Emmanuel" led the Jan. 6, 2007, list.

Earnest Pugh logs a 10th week at No. 1 on Gospel Songs with "I Need Your Glory." It's the second track this year to spend double-digit frames atop the list. Kirk Franklin's "I Smile" led for 23 nonconsecutive weeks from April through October.

The rapper maintains his double stance in the top 20 with these two tracks as "Enough" takes the place of his featured turn on Elle Varner's "Only Wanna Give It to You" (20-21).

The crooner slips into the top 10 at R&B Adult (13-10) for the sixth time in his career. He last appeared in the upper tier with "Sex Therapy," from the album of the same name, in March 2010.

The song debuts on R&B/Hip-Hop Digital Songs at No. 17 with first-week sales of 24,000 downloads, a much better start than last single "Wet the Bed," which opened at No. 43 on that list in April with 15,000.

77

While "Ni**as in Paris" holds onto No. 1 for a third consecutive week, the duo places yet another *Watch the Throne* track on the list with this Hot Shot Debut title, its third to chart from the set.

BETWEEN THE BULLETS

DRAKE'S EVEN DOZEN

Drake becomes only the second artist in the history of the Hot R&B/Hip-Hop Songs chart to notch 12 simultaneously charting singles as his "HYFR (Hell Yeah F*****g Right)" begins at No. 98. Only Lil Wayne, who has claimed 12 entries multiple times, has charted more concurrent singles. He posted 13 titles on Sept. 13 and 20, 2008. Meanwhile, Drake's "Make Me Proud" (featuring Nicki Minaj) moves 14-10—the former's 21st top 10. It's one of seven tracks from his *Take Care* album on the tally, joining Nos. 4, 20, 51, 63, 92 and 98. —*Karinah Santiago*

The song is the rapper's 19th top 10 and his fifth without a guest (like "Marvin's Room" at No. 9). "Headlines" hits the top bracket with a 28% increase to 20 million impressions.

11
The track becomes his 15th top 10 on Adult R&B (rising 11-8 as the chart's Greatest Gainer). He passes Mary J. Blige, Toni Braxton, Joe and Alicia Keys, each with 14, and trails only Gerald Levert (22), Luther Vandross (18) and Brian McKnight (16) for the most top 10s in the chart's 18-year history.

Twenty years ago this week, the act charted its first two singles, "Motownphilly" and "It's So Hard to Say Goodbye to Yesterday" (which eventually became its first No. 1). After almost two years away from the survey, the harmonizers return with the first single from their 10th studio set, *Twenty*, due Oct. 25.

94
Blige serves up the next taste of *My Life II . . . The Journey Continues*, the sequel to her 1994 album *My Life*. Prior track "Someone to Love Me (Naked)" reached No. 28 in May. The new set arrives Oct. 4.

BEYONCÉ'S BABY 'LOVE' GROWS

Beyoncé's "Love on Top" slingshots its way onto the Hot R&B/Hip-Hop Songs chart as the unofficial single reaches new heights in radio airplay and digital sales. "Love" debuts at No. 85 and moves 35-2 on the R&B/Hip-Hop Digital Songs chart (113,000, according to Nielsen SoundScan; up 803%). Bey's reveal of her baby bump after performing the song during the MTV Video Music Awards on Aug. 28 set off the sudden spark of popularity. WKYD Washington, D.C., leads all chart reporters with 21 plays for the week. "Love" debuts with 1.2 million audience impressions, according to Nielsen BDS (up 452%). —*Karinah Santiago*

The first single for the anticipated G.O.O.D. Music compilation (consisting of the imprint's artists) steps up 12-10, giving the track's leader his 16th top 10. Conversely, Pusha T and 2 Chainz earn their first on the survey.

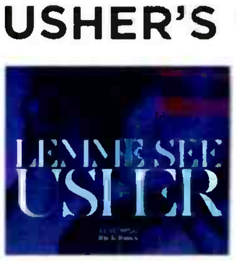
Although the song, featuring Drake, rises only eight notches on this survey, it enters at No. 1 on R&B/Hip-Hop Digital Songs (93,000) and is the Billboard Hot 100's Hot Shot Debut (No. 45).

The track is not only the highest debut on the chart but also the trio's highest start to date. The group's previous best arrival was with "Go Shorty Go," which started at No. 79 in 2010.

The song is the first official single from the rapper's upcoming album, *God Forgives, I Don't*, due July 31. The track, featuring Usher, debuts with 1.7 million audience impressions.

BETWEEN THE BULLETS

USHER'S 'SEE'-WORTHY GAIN



"Lemme See," the second R&B-promoted single from Usher's upcoming album *Looking 4 Myself*, is off to a fast start on Hot R&B/Hip-Hop Songs. This week, it's gifted Greatest Gainer/Airplay honors, moving 45-26 with an 80% audience gain (up 4.1 million impressions, according to Nielsen BDS). Among the radio stations that propelled "Lemme" last week, KBXX Houston led the way, accounting for 8% (1.1 million) of its audience. Meanwhile, previous single "Climax" reigns at No. 1 for a fifth consecutive week, the first time Usher has surpassed a month at the top since 2004's "Yeah!" spent eight weeks at No. 1. —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. With the Greatest Gainer nod on Christian Albums (10,000 sold; up 4,000), Mother's Day gift-buying lifts Casting Crowns' *Come to the Well* to its best sum since Christmas week when it sold 31,000. Current single "Jesus, Friend of Sinners" also earns Greatest Gainer on Christian Songs (16-13).

Mary Mary posts its fifth straight nonseasonal top start on Gospel Albums with *Go Get It*, the soundtrack to the duo's reality show on We TV. With 19,000 sold, the set also enters Top R&w/Hip-Hop Albums at No. 3, the pair's second-best rank on that list. The title track logs a fourth week atop Gospel Digital Songs (6,000).

36 After reaching No. 63 in a 20-week chart run as an album track, the song, now being promoted as a radio single, returns with a 35% increase to 6 million in audience. KBFB Dallas was the top contributor to the surge (up 504,000 impressions).

The Drake-assisted track is 2 Chainz' sixth charted effort and second on which he serves as a lead act on Kanye West's G.O.O.D. imprint. The song is one of four that the rapper boasts on the survey. He also ranks at Nos. 12, 19 and 54.

83 The song appears on the singer's *Art Dealer Chic, Vol. 1*, the first of three EPs that he released monthly in February, March and April. This is his first charted single not from his debut album, *All I Want Is You*.

The Godfather is back, as this title becomes his first chart entry without a featured artist since 2004. The track, his 47th Hot R&B/Hip-Hop Songs hit dating to his 1994 arrival, is the first single from his forthcoming album, *Life Is Good*, due July 17.

BETWEEN THE BULLETS

'MERCY' MAKES ITS MOVE

Kanye West's "Mercy," which features G.O.O.D. Music artists Big Sean, Pusha T and 2 Chainz, earns Greatest Gainer/Airplay honors on Hot R&B/Hip-Hop Songs as it shoots up 19-12. Big audience impression gains from WWPR New York (up 1.6 million, according to Nielsen BDS) and KBXX Houston (670,000) gave way to the track's overall 43% jump. The song is from West's forthcoming G.O.O.D. Music compilation, due on Def Jam, and will feature tracks from such G.O.O.D. acts as John Legend, Kid Cudi and Mos Def. —*Karinah Santiago*

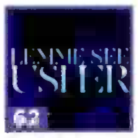
4 The rapper's Ne-Yo-assisted track nabs the Greatest Gainer/Airplay honor with a 10% increase in audience impressions. WWPR New York alone adds more than 600,000 impressions to the 2 million-plus weekly gain.

Fresh off his performance on BET's "106 & Park" (April 25), the money man cashes in his first top 10 on the survey (11-10). The track shifts 24,000 downloads (up 18%)—its best sales week thus far.



62 The single from the crooner's first album release under the RCA imprint—following its merger with Jive last year—is the official R&B radio follow-up to current No. 1 "Climax." Pop radio is being serviced with the dance-flavored "Scream," which debuts on the Billboard Hot 100 (see page 38).

99 The track is the Canadian's fourth single from her sophomore set, *The MF Life*. It follows the success of "4 AM," which peaked at No. 8, the highest rank for any track off the album so far.

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. BETWEEN THE BULLETS

R. KELLY'S 'LOVE' HITS NO. 1

R. Kelly nabs another No. 1 on Adult R&B as "Share My Love" swims to the top with a healthy 172-detection increase, according to Nielsen BDS. "Love" becomes Kelly's first No. 1 since the title track to 2011's *Love Letter* soared to the summit. The new single is the first release from forthcoming album *Write Me Back*, a sequel to *Love Letter*. "Share My Love" is Kelly's sixth No. 1 on this survey and puts him in a tie with the late Luther Vandross and veteran Brian McKnight for the most leaders among men. Alicia Keys leads all acts with nine chart toppers.

The chart-topping track stays at the summit for a second week and earns the Greatest Gainer/Airplay tag. It gains by 10% to 34 million audience impressions.

The Minneapolis rap duo offered the previously unreleased song for Record Store Day (April 21). With 2,000 copies sold, it debuts at No. 3 on Hot R&B/Hip-Hop Singles Sales, sharing space on the tally with such reissues as James Brown's 1972 hit "There It Is" and Ray Charles' iconic "Georgia on My Mind."

The rapper places six songs on the chart, this one a cut from the *Rich Forever* mixtape. It's his 60th charted title in his 10 years of appearing on the ranking.

The pop/dance tune debuts while remaining in the Billboard Hot 100's top 10 (having reached No. 5). Of this chart's six reporters sampling the song, WEMX Baton Rouge, La., leads with 53 plays in the April 18-24 tracking week.

BETWEEN THE BULLETS

NE-YO'S BACK IN THE TOP 10

Last week, Ne-Yo returned to the top 10 of Hot R&B/Hip-Hop Songs for the first time since January 2010, as Young Jeezy's "Leave You Alone" (featuring Ne-Yo) rose 11-10. This week the cut jumps to No. 8 and also brings Ne-Yo back into the upper tier of Mainstream R&B/Hip-Hop (11-7). The artist, who moved from Def Jam to Motown in January (and is now a senior VP of A&R), is working on his fifth studio set. His last, *Libra Scale*, was his first to miss the No. 1 slot on Top R&B/Hip-Hop Albums. The set's highest-charting single on Hot R&B/Hip-Hop Songs was the No. 11-peaking "Champagne Life." —*Keith Caulfield*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. At No. 9, Chris Tomlin claims his 16th top 10 on Christian Songs, the most by any artist since the chart launched nine years ago (see story, page 34). "White Flag" is the lead single and title track from the Passion worship band's current album (No. 12 on Christian Albums).

The April 12 online video premiere of Mary Mary's "Go Get It" helps lift the track to No. 1 on Gospel Digital Songs (see chart, page 43), while the cut bullets at No. 14 on the radio-driven Gospel Songs list. The sibling duo's self-titled reality show premiered March 29 on WE.

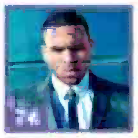
The chart's Greatest Gainer/Airplay is the trio's first top 10. Since 2010, the group has charted five songs, with "Make It Rain" marking its previous highest-peaking entry (No. 15). Assistant Tyga notches his third top 10.

While the song sinks a spot, the film soundtrack of the same name debuts at No. 5 on Top R&B/Hip-Hop Albums. The last multi-artist movie soundtrack to open in the top five was "Notorious," which began at No. 1 in January 2009.



The third charted track from Chris Brown's fifth studio album, *Fortune*, arrives as the set's highest debut. "Strip" (which reached No. 3) and "Sweet Love" (up 62-53 this week) each started out at No. 90. *Fortune* is due May 4.

90

Newly signed to Aftermath/Interscope, the Compton, Calif., rapper and underground favorite during his years with Top Dawg Entertainment nabs his first charted song. In true Aftermath fashion, the track is assisted by Dr. Dre.

'CLIMAX' REACHES PEAK

Usher gets his 12th No. 1 on Hot R&B/Hip-Hop Songs as "Climax" steps 2-1. This is his first single from seventh studio album *Looking for Myself*, due June 12. "Climax" extends Usher's lead for the most No. 1s on this chart during the Nielsen SoundScan era (December 1992-present). Among all acts in that span, Drake, R. Kelly and Jay-Z are tied for second with nine leaders. Usher also extends his lead as the artist with the most weeks at No. 1 since the chart began using Nielsen data, with 58 weeks at the top. Alicia Keys is in second, with 54. —*Karinah Santiago*

With his biggest Nielsen SoundScan week (22,000 copies), Washington, D.C.-based rapper Trip Lee scores his second No. 1 debut on Gospel Albums and Christian Albums with his fourth full-length set, *The Good Life*. Lee topped both charts two years ago with *Between Two Worlds*.

Gospel veterans Andraé Crouch and Marvin Winans score their first No. 1s on the Gospel Songs radio chart with "Let the Church Say Amen." The track topped Gospel Digital Songs the past two weeks. The hymnal standard was first popularized in 1957 by singing evangelist Elder Charles D. Beck.

BETWEEN THE BULLETS

FAT JOE RETURNS TO TOP 10

Fat Joe nabs his fourth career top 10 on Hot R&B/Hip-Hop Songs as "Another Round" (featuring Chris Brown) rises 11-8. The track becomes the Bronx Bomber's first top 10 since "Make It Rain" hit No. 6 on Jan. 27, 2007. Five years later (and no longer part of Atlantic Records, Koch/eOne or Capitol) the Terror Squad leader's "Round" previews his still-untitled album, due later this year. Meanwhile, "Round" gives Brown his 22nd top 10 and ties him with Luther Vandross for the third-most top 10s among male singers in the Nielsen era (which began in December 1992). They trail only Usher (24) and R. Kelly (35). —*Karinah Santiago*

The track claims the Greatest Gainer/Airplay tag supported by a 20% increase in audience impressions. It's the crooner's first song to reach the top three since "OMG" peaked at No. 3 in June 2010.

The sultry songstress earns her first No. 1 on Top R&B/Hip-Hop Albums with her 2-week-old *The Mf Life*. It's the first album to reach No. 1 without debuting in the top slot since Nicki Minaj's *Pink Friday* ascended in its seventh chart week in January 2011.

67

The "Cha Cha Slide" man opens as the Hot Shot Debut. That party dance staple was his only prior title to reach this list, peaking at No. 24 in 2001.

87

Former 112 member debuts his first title as a solo act. The singer was part of 20 charting titles from his days with the legendary Bad Boy group, with the last coming in 2005. New title is from his forthcoming debut, *Q Parker: The Manual*.

95

The not-so-little sweetheart debuts his new, mature voice on this track from his upcoming album *Believe*. The Mike Posner-produced song is Bieber's second to reach this list, having previously spent a solo frame at No. 96 with "Baby," featuring Ludacris, in 2010.

BETWEEN THE BULLETS

FUTURE CONJURES 'MAGIC' TOP 10 HIT

Rapper Future makes it over the top 10 hump as "Magic," featuring T.I., lands safely at No. 10 on the Hot R&B/Hip-Hop Songs chart, rising from No. 12. The title becomes his first top 10 as a lead artist and his second overall—he guested on YC's hit "Racks," which peaked at No. 6 in May 2011. The 29 weeks that "Magic" took to enter that region of the chart comes after two other recent rap songs, Kirko Bangz' "Drank in My Cup" and LoveRance's "UP!," broke through to the top tier after at least 29 weeks.

The sexpot steals the Greatest Gainer/Airplay nod for a third week as the tawdry tune takes a 25% increase in audience impressions. The track has moved 71-4 in just five weeks as it continues to be her fastest-climbing single as a lead artist.

73

The rapper delivers his 10th title to the survey and the second single from his sophomore album, *Triple F Life: Friends, Fans and Family*. The Hot Shot Debut follows "Round of Applause," which dissipates at No. 44 after peaking at No. 15 in December.

91

The Odd Future affiliate debuts with a song he originally penned for Bridget Kelly. It's been rereleased as his own and is the first single from his debut album that Def Jam will release this spring.

98

The "X Factor" third runner-up, now signed to Epic under mentor Antonio "L.A." Reid, charts his first song on the tally. Meanwhile, fellow "Factor" buddy Chris Rene bubbles under on the Billboard Hot 100 (see page 46).

BETWEEN THE BULLETS

BANGZ' SLOW RISE WITH 'DRANK'

Houston-born rapper Kirko Bangz earns his first top 10 on Hot R&B/Hip-Hop Songs as his second charting single, "Drank in My Cup," moves 13-10. "Drank" enters the top tier in its 31st week, a rare circumstance on the chart. The last rapper to take longer was Yung L.A. in 2009 with "Ain't I" breaking the top 10 in 33 weeks. Bangz' title also celebrates its second week in the top 10 on Rap Songs, where it has a chart life of only 14 weeks. The track comes from his fifth mixtape, *Progression 2: A Young Texas Playa.* —*Karinah Santiago*

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. The rapper's highest-charting track as a lead artist is still building and creeps 6-5. His last appearance in the top five was as a featured artist on Chris Brown's nine-week No. 1 "Dueces" in 2010.

The North Carolina native debuts a third single from his fifth studio album. It's his highest debut rank as a lead artist since "Do You Feel Me" started out at No. 64 in 2007.

The singer, who has shown an inclination for upside-down images of himself on his releases, debuts with this Waka Flocka Flame collaboration. The track will appear on his untitled album, set for release in the fourth quarter.

The "4 AM" songstress joins the "5 O'Clock" singer to finish off the three-hour cycle of tracks. Both "4 AM" and "6 AM" will clock in on Fiona's sophomore set, *The MF Life*, which arrives March 20.

The most popular songs, according to R&B/Hip-Hop radio audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen Soundscan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. BETWEEN THE BULLETS

FAST MOVES FROM USHER, RIHANNA

Rihanna and Usher both enter the top 10 with their equally aged (four weeks) titles on Hot R&B/Hip-Hop Songs. Rihanna's "Birthday Cake," featuring Chris Brown, earns the Greatest Gainer/Airplay badge as it moves 17-7 while Usher's "Climax" surges 18-10. Rihanna's ninth top 10 on the tally becomes her fastest-climbing as a lead artist while equaling her four-week top 10 jaunt as a featured act on T.I.'s "Live Your Life" in 2008. For Usher, "Climax" is his quickest top 10 climb since "Papers" reached the upper tier in four weeks in 2009. His "Nice & Slow" (1998) remains one of 10 songs in the Nielsen SoundScan era to debut at No. 1. —*Karinah Santiago*

This smoothly crooned title earns the Greatest Gainer/Airplay tag as it jumps 10 spots and lands in the top 20 in only its third chart week. The last time Mr. Raymond reached the top 20 in rapid fashion was October 2009 with "Papers" (two weeks).

Track's featured artists have collectively placed an astounding 180 titles on this list and help the DJ/entrepreneur grab the highest debut among his now five charting titles. His prior tracks all debuted between Nos. 88 and 98.

While the singer's "Strip" holds at No. 3, this decidedly more crossover-flavored track opens in the lower reaches of the chart. There's still no official word on when or if the much talked-about remix featuring Rihanna will be officially serviced to radio or available as a download.

The New Orleans native enters the chart for the first time as an artist, having previously penned three charting tracks: Ruben Studdard's "Change Me" (No. 18, 2006), Lyfe Jennings' "Cops Up" (No. 68, 2008) and Chris Brown's "Crawl" (No. 59, 2010).

BETWEEN THE BULLETS

BLIGE & DRAKE NET 23RD TOP 10

Queen of Hip-Hop Soul Mary J. Blige, along with her guest star Drake, both earn their 23rd top 10 on Hot R&B/Hip-Hop Songs as "Mr. Wrong" inches up 11-10. Blige continues to own the most top 10s among women since the tally began using Nielsen SoundScan data in December 1992. Blige's 20th anniversary on the Billboard charts falls next month: She first appeared on April 25, 1992, when "You Remind Me" bowed at No. 40 on the Mainstream R&B/Hip-Hop chart.

The Canadian songstress earns her second career top 10 as this cut from her sophomore album, *The MF Life* (out March 20), inches up 11-8. Her inaugural top 10 was breakout single "It Kills Me" in 2010.

The overtly sexual tune by the controversial couple shoots up 51 slots with a Greatest Gainer/Airplay credit. The last song led by a woman to make a bigger leap into the top 20 was "Touch My Body" by Mariah Carey, which flew 58 rungs (78-20) four years ago this week.

RCA's latest up-and-coming artist debuts her second single, achieving her best rank yet. The song is from the Los Angeles native's forthcoming debut album, *Perfectly Imperfect*, slated for a June release.

The Maybach Music affiliate remains omnipresent as he debuts a fourth single (all since June) from sophomore album *Ambition*. The track, which features Big Sean, follows the Lloyd-assisted "Sabotage," which reaches a new peak (No. 39) this week.

BETWEEN THE BULLETS

'TOP' IS TOPS FOR BEYONCÉ

As if nabbing her first No. 1 on Adult R&B last week wasn't enough for Beyoncé, she notches her sixth chart-topper on Hot R&B/Hip-Hop Songs this issue with "Love on Top." The song, which will always remind us of her pregnancy announcement at the MTV Video Music Awards, marks her first leader from her 4 album. She previously charted four top 30 hits from the set. The last time Beyoncé hit No. 1 was in 2008, with "Single Ladies (Put a Ring on It)." Counting her four leaders with Destiny's Child, Beyoncé's No. 1 tally rises to 10. —*Karinah Santiago*

Song goes 12-6 on Adult R&B, giving the singer his seventh top 10 title on that list and fourth from *Intimacy: Album III*, making it a clean sweep of singles released from that set.

The Greatest Gainer/Airplay award goes to the rapper and his crooner assistant as they rise from No. 58. This is the Bronx Bomber's highest peak since "I Won't Tell" (No. 12) in 1998.

The duo that brought you "The Boy Is Mine" in 1998 is back with another territorial-themed anthem. The RCA track marks the first time the singers have worked together since "Boy" hit No. 1 14 years ago.

The rapper drops this single as a newly signed artist to Young Money/Cash Money. The track is his highest debut since 2002 and first to chart since 2010. The initial album for his new label is slated for a second-quarter release.

BETWEEN THE BULLETS

DRAKE: HE'S EVERYWHERE

Drake carries over his chart domination to Hot R&B/Hip-Hop Songs as he repeats the feat he made last week on Rap Songs with "The Motto" (3-1). Drake earns his ninth No. 1 on the former survey, tying Jay-Z for the most No. 1s by a rapper. He also replaces himself at No. 1 as "Make Me Proud" drops to No. 2. Alicia Keys was the last artist to replace herself at No. 1 when "Like You'll Never See Me Again" took the place of "No One" in January 2008. Drake now holds the No. 1 and No. 2 positions on the survey, also last accomplished by Keys five years ago.

Chicago native Brian Courtney Wilson posts his first No. 1 on Gospel Albums with second release *So Proud*, which draws Hot Shot Debut applause with 12,000 copies sold. First album *Just Love* (2009) peaked where it bowed at No. 2. The title track holds at No. 21 in its 14th week on Gospel Songs.

James Fortune interrupts an eight-week run atop Gospel Songs by Isaac Carree (1-2) as "Still Able" becomes his third leader. He logged 29 weeks at No. 1 in 2008-09 with "I Trust You" and spent 19 at the summit with "Believe" in 2010-11. Near-miss "I Wouldn't Know You" reached No. 2 in 2009.

The song wins the Greatest Gainer/Airplay tag as it improves by 20% to 25 million audience impressions. This is the second consecutive week that Beyoncé charts two titles in the top 10, a feat she had last accomplished in February 2009.

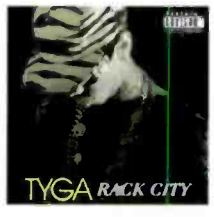
The track arrives as the gospel singer's highest career debut and the chart's top launch since Jay-Z and Kanye West's "Otis," featuring Otis Redding, roared in at No. 15 in August. Since 2000, "Testimony" is one of just 10 songs to begin at No. 23 or higher.

The opening track on the pair's *Watch the Throne* album is the set's fifth song to reach the survey (and one of three currently charting, joining those at Nos. 12 and 18). The song marks featured singer Ocean's third title to drop onto the list.

The ladies man returns to the chart after a four-year absence, debuting this Ne-Yo-assisted track. Perfect timing: It coincides with LL Cool J's hosting duties at the 54th Grammy Awards (Feb. 12).

BETWEEN THE BULLETS

TYGA'S 'CITY' RISES



Tyga, Young Money's latest new star, nabs his first top 10 as a lead artist as "Rack City" moves 12-7 on the Hot R&B/Hip-Hop Songs chart. (He was a featured artist on Chris Brown's No. 1 "Deuces" in 2010.) "City" received a 10% increase in audience impressions, giving it a total listenership of 21 million, according to Nielsen BDS. This is the second charting single from his second studio album (and first with Young Money), *Careless World: Rise of the Last King*, due to arrive Feb. 21. "City" is the 21st top 10 hit for the Young Money label. —*Karinah Santiago*

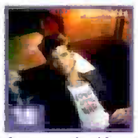
The song enters the top 10 on the Mainstream R&B/Hip-Hop chart, his 22nd title to reach the top tier on that list. That's the fifth-highest total among rappers for most top 10s, trailing Lil Wayne, Ludacris, Jay-Z and T.I.



Crooner gains his second No. 1 on the Adult R&B radio ranking with this title, exactly five years after "Lost Without You" was dominating the chart for one of its 15 weeks. New track is the first single from his album of the same name.

The "Tony Montana" rapper debuts this track on Rap Songs at No. 25. The title, named for famed Atlanta strip club Magic City, has been reworked and now features fellow ATL heavyweight T.I.

The svelte R&B star debuts song from the soundtrack to the upcoming movie "Act Like a Lady, Think Like a Man," which was adapted from Steve Harvey's book of the same name. Hudson also appears on the list at No. 68 with "I Got This," from her album *I Remember Me*.

BETWEEN THE BULLETS

BEYONCÉ'S '4' NETS THIRD TOP 10

While Beyoncé's *4* has yet to notch a top 10 single on the Billboard Hot 100 (her first to earn that distinction), the album keeps racking up the hits on the Hot R&B/Hip-Hop Songs tally. This week, "Love on Top" rises 13-9, securing her third top 10 from *4*, following "Best Thing I Never Had" (No. 4) and "Party" (No. 2). That matches the number of top 10s from her last effort, *I Am . . . Sasha Fierce*, which spun off "Single Ladies (Put a Ring on It)" (No. 1), "Diva" (No. 3) and "Ego" (No. 3).

Building 429 achieves its highest rank in nearly eight years on radio-driven Christian Songs with "Where I Belong" (3-2), which is also the band's first leader on Christian Digital Songs (see chart, page 47). The rock quartet spent four weeks atop the radio chart with "Glory Defined" in 2004.

Singer Myron Butler claims his third straight top 10 start on Gospel Albums, as *Worship* bows at No. 4 with 3,000 copies sold. He achieved his best rank so far when *Stronger* arrived at No. 2 in 2007, and debuted at No. 6 with *Revealed: Live in Dallas* two years ago.

54

After a 19-week run on the chart that culminated in October, a remix of the song featuring 50 Cent brings a renewed interest in the track and a re-entry on the list at its highest peak to date. (It previously topped out at No. 69.) The track is also the Hot Shot Debut on Rap Songs, starting at No. 23.

56

Title moves 21-17 on Adult R&B (rising 53% in plays) and in just its third week on the list, is the youngest track in the top 20. Song is the fourth charting single from the 2010 release *Intimacy: Album III*, which sits at No. 28 on Top R&B/Hip-Hop Albums.

97

The Velvet Teddy Bear returns to the chart after a two-year hiatus, having last charted with "Don't Make 'Em Like U No More" (No. 32 peak in 2010). His declaration in the song's title is accompanied by his wedding date, an amusing and odd juxtaposition for the recently separated singer.

98

It's been three years since the rapper had a single on the chart on which he was the lead act—"I Want You" from 2007. Most recently he was featured on John Legend and the Root's "Wake Up Everybody," with Melanie Fiona, in 2010. This single is from his newest set *The Dreamer/The Believer*, which debuted at No. 5 on Top R&B/Hip-Hop Albums last month and sits at No. 12 this week.

BETWEEN THE BULLETS

DRAKE DRAWS EIGHTH NO. 1

Drake's "Make Me Proud" becomes his eighth No. 1 on Hot R&B/Hip-Hop Songs, and his second as a lead artist. He also continues to control the peak of the Top R&B/Hip-Hop Albums tally with *Take Care* (29,000: down 8%, according to Nielsen SoundScan), the parent album of "Make." His first No. 1 song as a lead came with his chart debut, "Best I Ever Had," which spent seven weeks at the top beginning June 27, 2009. Meanwhile Nicki Minaj, the featured artist on "Make," celebrates her second leader, coming almost a full year after her "Moment 4 Life" hit the top (Feb. 26, 2011). —*Karinah Santiago*

"Joyful Noise" is the first soundtrack to lead Christian Albums (with 17,000 copies) since "The Passion of the Christ" in 2004, and the fourth since the chart converted to Nielsen SoundScan data in 1995. The new soundtrack also earns the Greatest Gainer nod at No. 2 on Gospel Albums.

James Fortune & FIYA claim a career-first No. 1 on Gospel Albums with *Identify*, which starts with 18,000 copies, according to Nielsen SoundScan. Lead single "Still Able" ranks at No. 3 on Gospel Songs. The new album is Fortune's first under a new label agreement with eOne.

5 The head honcho of the Maybach Music Group rakes in his 12th top 10 on Rap Songs. The rapper had last appeared in the top tier as a lead artist when his label's anthem, "Aston Martin Music," spent three weeks at No. 1 a year ago.

12 The new mom welcomes the arrival of a new top 10 on Mainstream R&B/Hip-Hop (14-10), upping her total to 17. Simultaneously, her "Love on Top," which she performed at the 2011 MTV Video Music Awards prior to announcing her pregnancy, debuts on the list at No. 31. On this chart, her husband and new daughter rise 74-63 (2 million in audience, up 37%).

87 The track is the female rapper's 25th chart entry (and one of just five not featuring another artist). The cut sets up her highly anticipated sophomore set, *Pink Friday: Roman's Revenge*, due on Valentine's Day.

93 The legendary Queen of Soul debuts her first song on the survey in four years. The track (No. 23 on Adult R&B) extends her chart span on Hot R&B/Hip-Hop Songs to 51 years and three months, dating to her 1960 introduction.

BETWEEN THE BULLETS

DRAKE & WAYNE ASCEND TO TOP 10

Drake earns his 22nd top 10 on Hot R&B/Hip-Hop Songs as "The Motto" (featuring Lil Wayne) jumps 13-9. It earns the Greatest Gainer/Airplay award due to the increase of a half-million audience impressions by WHTA (Hot 107.9) Atlanta. "Motto" (a bonus track on Drake's *Take Care* set) is the deluxe album's fourth top 10 single. Lil Wayne, the ubiquitous featured act and host to many of Drake's guest appearances, gains his 28th top 10 with the upward movement of "Motto." He breaks the tie he had with Jay-Z and is now in second place among rap acts with the most top 10s. (Ludacris holds the record with 29.) —*Karinah Santiago*
