The future picture is just as rosy, according to Wallichs, who stated that anticipated sales for fall and winter promise to be even greater than last year, judging by the present flow of orders. Last year was Capitol's biggest, the diskery head said, hence big '48 should be great.

Sales for the six months ended June 30 (1948) were \$8,013,659.20 as compared to a mounting of \$6,794,284.20. Capitol has been fortunate in having such best sellers as Nat (King) Cole's Nature Boy, Peggy Lee's Manana and her Golden Era current strong sellers include the Pied Pipers' My Happiness, Mel Blanc's Woody Woodpecker, Margaret Hunt's 12th Street Rag, Margaret Whiting's foreign-work accompanied Tree in the Meadow, Jack Smith's You Call Everybody Darlin' and Gordon MacRae's Hair of Gold, Eyes of Blue.

HOLLYWOOD, Aug. 7.—At a time when other labels are singing the bad big blues, Capitol, youngest of the major disceries, wants to know why the meloncholia and points to an 18 per cent increase in its sales for the first six months of this year as over the same period the previous year. As a matter of fact, current sales are so strong that both Capitol's Scranton, Pa., plant and its local factory are working two shifts daily and over time on Saturdays to meet the demand, Cap's presy, Glenn Wallichs, told The Billboard. Furthermore, Cap's local production has had to be supplemented by the complete facilities of the Duraflex plant in Long Beach, Calif., which formerly pressed Mercury's Coast-delivered product. Duraflex is in full-time production for Capitol, Wallichs said, and the waxery is currently negotiating for contract pressing in the East to help boost the Scranton plant's output.

A year ago Cap had 29 company owned - and - operated distributing branches; today, diskery distributes its platters thru 27 company-owned branches and 18 independent distributors. According to its most recent report to stockholders, the first three months in 1947, ended March 31, gave as earnings per common share (430,000 shares outstanding) 44 cents, as compared to the 1946 figure of \$1.32.

An Open Letter to the Disk Jockeys of America!

COUNT BASIE

October 1, 1948

Dear Deejays -

I want to take this opportunity to thank you for the wonderful play you've given my records, both old and new, during the past years. I sincerely believe that you, and you alone, are responsible for keeping standards like "One O'Clock Jump" so popular with the public. You also have my complete gratitude for the great job you've done in establishing my newer hits.

Thanks, too, for all the votes you cast for my boy Jim McCarthy. He'll always be tops with me.

I hope you'll like my RCA Victor record, "Bye, Bye, Baby" and "Just A Minute", which has just been released.

Sincerely,

Count Basie

P.S. Jim McCarthy asked me to suggest that you drop him a line at 1619 Broadway, New York, if you need any of my material for your programming. He'll be happy to help you in any way he can.

THE NEW TWIST

A Definitive Report

This special edition represents a somewhat drastic departure from similar projects issued by The Billboard in the past. It is not the usual collection of special articles, no matter how trade-wise, representing the opinions and findings of a single person or a scattered handful of people. It is rather a report from the men who spin the platters in America's radio stations to record companies, music publishers, band leaders and others on whose business lives the disk jockeys have such an important bearing. It is further a report to the jockeys and about them.

No Comment, No Analysis

Thus The Billboard's Second Annual Disk Jockey Poll, separated in this supplement into its many single phases, indicates not only which bands, singers, specific records, etc., the disk jox consider their favorites, but possibly more important, highlights the comparative effect of the effort of all who are interested in reaching the platter spinners. It will be noted that unlike its treatment of the First Annual Disk Jockey Poll, published last year about this time, The Billboard this year makes no editorial comment on the findings of the survey, makes no effort to analyze or interpret the results. This treatment is deliberate. The purpose of the survey is to bring to light in a concentrated and simple fashion exactly what the jockeys think of the product and the services being offered them by various parties in the music-record business. The Billboard believes that any such interested parties can best serve their own interests, and further their own causes with the jockeys, by making their own analyses of the survey results.

Mission Accomplished

The primary objective of the survey is to bring about a better working relationship between the jockey and the people who create the product and services he uses, and even a casual comparison of this year's results and last will show that the poll is achieving that objective in a most realistic manner. That is to say that various companies which did not rate particularly well with the jockeys in the first year have moved up in the jockeys' estimation of the value of their product or services. We are conceited enough to feel we contributed in some measure to such results thru the medium of this survey.

Another First Jox Ratings

The Hooperatings of disk jockey shows, never before published in any paper, is another example of the startling, and we believe solid editorial departure from tradition, represented by this supplement. Here all loose talk, all the boloney is stripped from the jockey audience picture. Here it is laid right on the line. This feature, too, cannot fail to have a constructive effect on overall jockey music record relationships. The Music Popularity Charts and the Top Songs for the Last 50 Years round out this strictly factual supplement report.

These features, too, are intended as service items in the broadest sense. It is our hope that the supplement will be read and studied so thoroly in the next several months that every jockey on America's airplanes will find his job made easier, that every recording artist, every publisher and record company will find their work with the jockeys made more effective.

THE GREATEST ALL-ROUND RECORD

QUESTION 1 . . . Without qualification, which was the greatest record of the past year in your opinion?

SCORING Five positions: Five points for 1st; four for 2d; three for 3d, etc.

Glenn Miller's successor, Tex Beneke, grabbed off third place for his disk of "St. Louis Blues March." Here he talks it over with Johnny Desmond (right).

The big event of the year. Nat (King) Cole in front of a full ork cut the "greatest" platter of all, "Nature Boy."

The publicity topper was the Yogi. Here Eden Ahbez, "Nature Boy's" writer, vegetates with his wife.

Ash blond Peggy Lee reigns as queen vocalist for jocks. Here she's kibitzed by Buddy Cole (left) and hubby Dave Barbour.

Jo Stafford (second money choice) leans for the script's benefit as Mel Allen oversees.

THE "SWEETHEART BALLAD" THAT'S... BUSTING WIDE OPEN!!!

THE BILLBOARD PICKS:

In the opinion of The Billboard music staff, records listed below are most likely to achieve popularity as determined by entry into best selling, most played or most heard features of the Chart:

SAY SOMETHING SWEET TO YOUR SWEETHEART Jo Stafford-Gordon MacRae-Starlighters Capitol 15207

Capitol injects its bid to cash in on the expected loot of "Sweetheart" which has been catching on swift of late due to the original London platter. Stafford and MacRae engage in same type of old-time vaude, light-hearted piping and corny group vocal aid.

2 Billboard Awards!

THE BILLBOARD PICKS:

In the opinion of The Billboard music staff, records listed below are most likely to achieve popularity as determined by entry into best selling, most played or most heard features of the Chart:

SAY SOMETHING SWEET TO YOUR SWEETHEART Anne Shelton-Sam Browne London 260
THE LAW IS COMIN' FER YA PAW... The Keynotes and Ork..... London 260

Here's a doubleheader that's to be recommended solely on the thesis that it leaves not a kernel of the corn unpopped. "Bays" is saccharine succotash with a gasping team's satiric impression of a devious blues. The real hillbilly would grab for his gun at first hearing, but the "Feudin', Fussin'" fanciers may go for this. It's fairly obvious that the sides were made intentionally bad. They're so bad they might be great.

Dear D. J.:

Just a brief note of thanks for your constant help and assistance to UNIVERSAL and its artists.

To the many of you who have taken the time to write us, every now and then, we want you to know how much we appreciate it.

The willing spirit of co-operation shown throughout the broadcasting industry toward the independent record manufacturer has been a vote of confidence for free enterprise and small business.

For the "Harmoncats," Gene Austin, Flash and Whistler, and all the other UNIVERSAL artists one big T-H-A-N-K-S.

Best regards,

UNIVERSAL RECORDS, INC.

Art Mooney, the genial Irish gentleman, must have really trotted out the geniality, what with the jocks finding him most helpful. That's Mooney, hands in pockets, talking to MGM Prexy Frank Walker and a. and r. director Harry Meyerson.

Vaughn Monroe, along with Stan Kenton, knows how to gladhand the jockey craft. Here's Vaughn in the midst of a rehearsal session.

DISK JOCKEY POLL**

BEST OVER-ALL PROMOTION MAN

QUESTION 10... In your opinion and as concerns your program, which press agents or record promotion men are doing the best all-round job for their clients—clients can be disk companies, artists or specific record campaigns.

SCORING..... Three positions: three points for 1st; two for 2d, etc.

THE ANSWERS:

PLACE	WINNER	POINTS
1.	Jim McCarthy	159
2.	Jackie Smith	56
3.	Frank O'Donnell	31
	Daniel Anderson	31
	Gene Howard	31
4.	Virginia Wicks	15
	George Evans	15
	Al Wilde*	15
	Jerry Mercil	15
	Moe Gale*	15

*Note: Al Wilde is the publicity director for Gates, Inc. (Moe Gale). If both Wilde's and Gale's votes were counted in this question Wilde would be just one point behind the third place tie indicated.

Best man for any client, according to jox, would be Jim McCarthy, seen here mapping strategy with Count Basie.

Long one of the best known and best established press agents, George Evans includes jockey contacting as one of his program of services.

A firebrand with Midwest jockeys is Mercury Records' gal whiz, Jackie Smith.

Many of Stan Kenton's laurels can be traced to jockey-servicing put in by Gene Howard, shown above.

● IN WHICH THE SPINNER BOYS TURN MODEST AND NAME THE "BEST" OF THEIR CRAFT.

QUESTION 13. Of all the disk jockeys whose programs you have heard, whose radio-record show do you like the best (be modest, please, don't vote for yourself).

SCORING. Three positions: three points for 1st; two for 2d, etc.

THE ANSWERS:

<u>PLACE</u>	<u>WINNER</u>	<u>STATION</u>	<u>POINTS</u>
1.	Dave Garroway	NBC, Chicago	239
2.	Bob Poole	New Orleans	214
3.	Martin Block	WNEW	175
4.	Fred Robbins	WOV, N.Y.C.	171

6.	Kurt Webster	Charlotte, N. C.	47
7.	Gene Norman	KFWB, Los Angeles	42
8.	Paul Whitman	ABC Net.	33
9.	Art Ford	WNEW	29

His own brethren yield the throne to Chicago's Dave Garroway, a man who knows his jazz, his audience and few limitations.

Fourth-place winner Freddie Robbins, WOV, New York, marks another triumph for a jazz specialist, bowing only to New Orleans' zany Bob Poole and the top medicine-man Martin Block.

FOLK TALENT AND TUNES

By Johnny Sippel

Joe Bean's San Antonians are working four nights per week at McDonald's Party House, Compton, Calif., with airings over KGER, Long Beach. Texas Tiny Cherry, 600-pound d.j., has returned to his KGER post from six weeks of personals thru the West. Tex Williams and his Western Caravan are doing an amateur show over KGER every Sunday night featuring prospective Western and hillbilly talent. . . . Jimmy Osborne, King artist and d.j. and singer at WLEX, Lexington, Ky., is doing personals, with Ralph Martin, his p.m., handling the skedding. . . . Patsy Montana, Victor artist, is breaking her affiliation with WLS, Chicago, after 13 years to go to the Box R Ranch, near Hot Springs, which she purchased several years ago. She intends to broadcast from that spot. Patsy worked her daughters, Beverly and Judy, into the act during their summer vacation, when they toured folk music ranches with her.

Doc Cassidy, manager for Roy Starkey's Louisville combo, reports that his special events section of the Kentucky State Fair went off well. In the national fiddle contest at the fair September 14 Clayton (Pappy) McMichen, veteran Louisville bandleader heard over WAVE, copped first place, with Sleepy Marlin, WINN, Louisville, second, and Esther Neal, WWVA, Wheeling, third. . . . Eddie Ruton, manager of Hillbilly Park, Newark, O., expects to close with Pappy Howard and the Kernels October 10. Ruton will then visit Nashville and Renfro Valley after which he goes on tour with his dog act. . . . The Smile Time Trio, Chuck Brady, Betty Jean and Tex Grooms, are starting their second year at KFEQ, St. Joe, Mo., with four daily shows. In addition, the station is starting its Pony Express Round-Up, a live show which will be aired each Saturday night from the City Auditorium. Additions at KFEQ include the Missouri Melody Boys, Dick Autry and Clem Shepherd and Tex Ferguson and his Drifting Pioneers, recently with WKNX, Saginaw, Mich. Personnel of the Pioneers includes Dusty Owens, accordions; Chuck Flannery, fiddle; Dick Weston, bass, and Tex's guitar.

Dome Records, platter subsidiary of Country Music, Chicago, has acquired masters by Andy Hill and the Hillsiders, Slim Carter and Brown Eyes and Chuck Harding and the Colorado Cowhands. . . . Jack Staap, program director, WSM, Nashville, and producer of the Grand Ole Opry, reports that Jimmy Dickens, Saginaw, Mich., radio favorite, has joined WSM. Hawkshaw Hawkins, who recently joined WFIL, Philadelphia, is reported to be weighing offers from WSM also. Staap reports that current plans call for Rod Brasfield to remain as emcee of the NBC Opry seg, while Red Foley will be the singing star. . . . Marge Engler, featured on WTOL, Toledo, is contemplating erection of a folk music stadium near that city. . . . Dallas Turner, Melody Trail recording star, has moved to KCRG, Cedar Rapids. . . . Bob Atcher, WBBM, Chicago, singer, also featured on Columbia platters, has purchased a North Side, Chicago, home. . . . Newest folk music show at KGVO, Missoula, Mo., is the Barn Dance, which features the Friendly Trio, Pete Potter, mandolin and bass; Eddy Williams, guitar, and Ray Potter, bass and guitar. Others on the show are Orvie Mace, violin; Ray Ziesemer, singer and Lloyd Bryson. . . . Ex-Gov. Jimmy Davis is suing the Rag Doll, Chicago nitery, for \$4,000 back wages.

Tennessee Morgan has left WWVA, Wheeling, W. Va., looking for a station nearer his home. . . . Cowboy Phil, who heads the Golden West Cowgirls, WWVA, Wheeling, W. Va., commutes 65 miles daily because he can't find a home nearer the station. . . . Shorty Fincher, ex-leader of the Cotton Pickers, is booking several WWVA acts. . . . RATINGS (100 Point Maximum)
 90-100 TOPS • 80-89 EXCELLENT • 70-79 GOOD
 40-69 SATISFACTORY • 0-39 POOR

How Ratings Are Determined
 Records are reviewed three times: (1) for retailers; (2) for operators; (3) for disk jockeys. Each time on the basis of nine key categories. Each category is assigned a maximum number of points within which new releases are rated. The best possible rating is 100. Maximums are subject to change, depending on results of a survey of the music trade now being conducted. N. S. indicates a record is not suitable for appraisal within the market.

The Categories
 Point listings are maximums. Song calibre, 15; Interpretation, 15; arrangement, 15; "name" value, 15; record quality (surface, etc.), 5; music publisher's air performance potential, 10; exploitation (record adv'tg-promotion, film, feat and other "plug" aids), 10; manufacturer's distribution power, 10; manufacturer's production efficiency, 5.

ARTHUR GODFREY-ARCHIE BLEYER ORK (Columbia 38322)			<i>Take 'Em to the Door</i> Comic "blues" material should be well-suited to Godfrey, but he never gets started in a no-punch rendition.	66	68	65	65
			<i>Waiting at the Church</i> An exercise in Godfrey's best Cockney dialect, but nothing special happens.	63	66	62	62

BILL HART-DEWEY BERGMAN ENSEMBLE & THE STREAM-LINERS (Republic 140)			<i>Just Like Old Friends</i> Quiet, unspectacularly pleasant ballad warbling with light live small combo backing. Weak last minute detracts.	64	63	63	65

GENE AUSTIN-LES PAUL (Universal U-122)			<i>Cala-California</i> Dull booster song dully rendered.	60	60	60	60
			<i>Yearning</i> Echoes of the 1920's as Gene croons the oldie. Nothing here beyond possible nostalgia kicks for some.	66	68	64	66
GUY LOMBARDO & HIS ROYAL CANADIANS (Decca 24487)			<i>The Night Has a Thousand Eyes</i> Tuneful beguine gets a straight, quiet orking and Don Rodney vocal.	75	74	76	73
			<i>Mademoiselle Hortensia</i> Pleasing lilt to this waltz instrumental, featuring piano duet.	76	76	77	75
TED WEEMS ORK (Mercury 5186)			<i>Irene</i> Old ballad warbled and orked in lackluster fashion.	55	55	55	55
			<i>Beside a Babbling Brook</i> Same lack of punch here in ork work, with vocal an improvement.	58	58	58	58
BOB MATTHEWS-BUZZ ADLAM ORK (MGM 10266)			<i>Caravan</i> Ellington's famed standard treated to the infrequently heard lyric; adds up to good stock item.	81	85	82	75
			<i>Azure</i> Ditto but this is less commercial Ellingtonia.	73	80	70	70

FREDDY MARTIN ORK (Victor 20-3018)			<i>Solitaire</i> Routine Martin piano concerto production with Barclay Allen 88-ing. No divine spark here.	74	73	73	75
			<i>My Destiny</i> Pretentious, "fateful" ballad approached with awe by Martin and warbler Clyde Rogers.	71	71	71	71
ORRIN TUCKER ORK (Mercury 5165)			<i>The Moon Is Always Bigger On Saturday Night</i> Pleasant novelty ballad done easily as a light production number, with leader Tucker and chorus vocalizing.	73	73	73	73
			<i>Little Girl</i> Oldie gets a relaxed, light-bounce job.	71	71	71	71
CONNIE BOSWELL (Columbia 38298)			<i>Underneath the Arches</i> Slide, cut many years ago, released now for obvious reasons. Connie made it as a slow ballad, and her version makes a delightful contrast to all the jangling string band jobs.	76	76	74	77
			<i>It's All My Fault</i> Suddued ballad from the crooner era, and Connie's piping and ork backing have a remembered atmosphere no one's been able to reproduce authentically in the current efforts to catch the feeling of yesterday in pop music.	75	75	75	75

POPULAR							
PHIL MOORE ORK (Discovery 100) <i>125th Street Prophet</i> Some superb music gushes forth from the 52-piece ork specially assembled by Moore to cut a series of jazz sides with classical innuendos; ork is made up of top flight Hollywood studio men.	77	84	70	NS			
<i>Cornucopia</i> Harry Shukman's oboe solo steals the spotlight on this side; these sides should prove to be an aesthete's holiday.	77	84	70	NS			
PHIL MOORE ORK (Discovery 1200 (12") <i>Concerto for Trombone, Parts I and II</i> Moore and Nat Shilkret collaborated to turn out this effective showcase for Murray McEachern's trom; overall a highly pleasing and impressive chunk of modern music; particularly good is a short waltz section; scoring, ork performance and recording are superior.	78	85	70	NS			
DICK HAYMES-GORDON JENKINS ORK (Decca 24193) <i>By the Way</i> Haymes wonderful singing can't alone for a mild Gordon-Myrow pic tune; if tune gets any play this should be the version.	78	78	78	78			
<i>Whisper a Word of Love</i> Massenet's "Eugenie," with lyrics by Harold Rome, sung to a crisp by Haymes with excellent Jenkins' support.	85	87	85	83			
MONICA LEWIS-RUSS MORGAN ORK (Decca 24194) <i>An Old Magnolia Tree</i> Ordinary picture capably done by Monica with a pleasant assist from the Morgan aggregation.	66	66	65	67			
<i>In the Market Place of Old Monterey</i> Lacklustre song again brings down good efforts by Monica and Morgan.	65	65	65	65			
ELLA FITZGERALD (Decca 24497) <i>It's Too Soon To Know</i> Tune that has the "hit" sign on it receives superb treatment in Ella's hands, tho her support is hardly worth mentioning.	89	90	88	88			
<i>I Can't Go On (Without You)</i> Popular race item should draw coin mainly because of Ella's fine singing.	80	80	78	82			
THE THREE STEPS (Radio Artist 232) <i>Caravan</i> Ellington standard projected in undistinguished fashion by guitar-bass-accordion group. Nothing happens here.	56	56	56	55			
<i>Dell's Git'r Boogie</i> Group proves competent if uninspired. Conventional boogie material here.	55	55	55	55			
THE THREE STEPS (Radio Artist 233) <i>Cachita</i> Jazzed-up version of Latin perennial offers nothing outstanding. Instrumentation lacks sufficient color.	56	56	57	55			
<i>Taboo</i> Pleasant projection of standard lacks authenticity needed to rouse the rumbaphiles.	59	60	58	58			
POPULAR							
KAY KYSER ORK-HARRY BABBITT-Gloria Wood (Columbia 38301) <i>On a Slow Boat to China</i> Excellent treatment of a promising song; Harry Babbitt's vocal and ork's fine beat give the disk the necessary lift.	92	93	92	90			
<i>In the Market Place of Old Monterey</i> (H. Babbitt) Weak song nullifies the effort that went into this side.	70	71	69	70			
CYRIL SHANE (Columbia 38315) <i>Hair of Gold, Eyes of Blue</i> British-made late issue on the breaking song may cash in a few pence if only on the strength of the tune.	68	66	68	70			
<i>Time Alone Will Tell</i> Simple, ordinary ballad is done in veddy British fashion by Shane.	59	58	59	60			
FRED GRAY (Apollo 1132) <i>That Certain Party</i> Nostalgia rides again. This Donaldson-Kahn revival gets a going over in the best 1925 tradition. Tune is riding high via Benny Strong disk; this version, coupled with another up-and-comer, bids fair to cash in.	71	72	68	73			
<i>Cornbelt Symphony</i> Lack-lustre version offered here, Gray's chanting is bright, but orking falls short.	71	72	68	73			
DORIS DAY-GEORGE SIRAVO ORK (Columbia 38302) <i>Just Imagine</i> Finely enunciated vocal treatment of a tune which has a relaxed, sometimes haunting quality. Tasteful ork work.	83	82	84	83			
<i>Pretty Baby</i> The oldie rendered as a straight ballad by Doris Day, who lends it charm and delicacy. Fine diction and phrasing. Coupled with graceful ork background, this makes a smart record.	85	85	86	84			
BUDDY CLARK (Columbia 38314) <i>I Still Get a Thrill</i> Buddy Clark in fine form with medium tempo rhythm treatment of this oldie. Delivery has warm h. Ork background not too schmaltzy.	80	79	80	81			
<i>Rendezvous With a Rose</i> Clark's schmaltzy approach matches the melody of this sleeper.	74	73	74	75			
NORO MORALES ORK (MGM 10267) <i>Puerta De Tierra, Parts I and II</i> Slide one tabbed "Early Morning" is a melodic slow rumba with a healthy chunk of Noro's pianistics; second side is abbed "Late Evening" and ork's rhythm generates a pulse-beating rhythm base for Morales' expert keyboarding. Disk should prove a rumba degenerates' delight.	80	85	80	75

FRED GRAY (Apollo 1131) <i>That's My Gal</i> Warbling uneven, orking ragged.	53	50	53	56
<i>Rendezvous With a Rose</i> Weak in all departments.	52	51	52	53
FREDDY (SCHNICKEL-FRITZ) FISHER & HIS SCHNICKELFRITZERS (Regent 125) <i>Twelfth Street Rag</i> Unalloyed bantam treatment is clever but lacks in spontaneity and humor that made the Pee Wee Hunt waxing No. 1.	69	68	66	72
<i>Josephine</i> Again deliberately corned, but spark missing.	63	60	62	66
LEE MONTI'S TUNES (Jimmy Adams & Trio) (Aristocrat 502) <i>Don't Take Me Home</i> Novelty vocal with accordion and rhythm backing. Lyric is humorous, but performance stiff.	66	64	66	68
<i>Hindustan</i> Instrumental of jazz oldie played with good beat, but failure to vary becomes monotonous.	64	64	62	65
GORDON JENKINS ORK (Decca 24478) <i>On the Painted Desert</i> Jenkins sets a beautiful background for the pretty melody of the new tune; Bob Stevens and chorus do fine vocal job.	72	73	72	71
<i>For You</i> Jenkins' cleffing builds this from virtually a nothing into a smash disking with Five Hits and a Miss doing the vocal building.	89	90	90	87
CARMEN MIRANDA- THE ANDREWS SISTERS-VIC SCHOEN ORK (Decca 24479) <i>Cuanto La Gusta</i> Carmen does the song in the "A Date With Judy" flick; it's sock disk material particularly with the ebullient Andrews to help.	90	91	89	90
<i>The Matador</i> Flip is equally attractive in the Latin novelty field; much gusto and the Miranda accents make for a pleasing spin.	85	85	85	85

FOLK

'BUTCH' STONE ORK (Modern 20-619) <i>A Good Man Is Hard To Find</i> Butch gives it his ebullient, brassy best, but failure to shade makes his performance somewhat wearing.	63	63	61	65
<i>Put Your Brakes On Mama</i> Louis Jordan type blues novelty, but performance doesn't have enough skill and know-how.	66	65	64	67
BUD MESSNER & THE SKYLINE BOYS (Slim Roberts) (Banner B-565) <i>Safe At Home</i> The embarrassing eulogy to the late Babe Ruth done folk style. There's been a market for these exercises in bad taste in the past, and this one could appeal.	70	66	71	72
<i>Lead Me to That Rock</i> (Skyline Quartet) Cowboy spiritual performance paired here lends the proper mortuary tone to the A side.	38	38	38	NS

FOLK

HANK THOMPSON & HIS BRAZOS VALLEY BOYS (Capital 15187) <i>Green Light</i> Thompson tonsils easily thru pleasantly paced ditty. Ork assists feature accordion and steel guitar bits to good effect.	75	75	75	76
<i>You Remembered Me</i> Weaker material here. Slow tempo ballad lacks that old feeling.	62	60	62	63
J. E. MAINER'S MOUNTAINEERS (King 724) <i>I'm Not Turning Backward</i> Sacred singing from the back - country. Carries authentic ring tho fuzzy recording obscures diction.	62	60	64	62
<i>The Forks of the Road</i> Also "sacred." Solo voice and chorus come thru more clearly here. Mountain band supports suitably.	69	68	70	69
YORK BROTHERS (King 723) <i>Sweet Anita</i> Hill-country harmony at a slow tempo boasts a strong beat and tinny voice pick-up.	65	65	65	64
<i>It Ain't No Good</i> Soloist warbles suggestive lines and all hands join in on the choruses. Bouncy band features live beat plus neat bits from the steel gittar.	71	NS	70	72
BILL WILHITE-AL CLAUSER & THE OKLAHOMANS (Skyline M-68) <i>I'm Losing You</i> Bad balance, weak material and off-center pressing obscure any merits side may have.	41	40	42	42
<i>Never Let Those Deep Blues Get You Down</i> Each member of the band goes his own way behind Wilhite's warbling; there's only the steady 4-beat of the string bass to hold things together.	50	50	50	50
TEX FLETCHER (Flint 1788) <i>Let's Be Sweethearts Again</i> Good-enough folk treatment of the familiar torchier.	66	66	64	68
<i>Safe at Home</i> First waxing of the ballad to the departed Babe, Tex's rendition figures to rack up a fair sales quota, trading as it does on lowest-common-denominator morbidity and sentimentality.	74	74	73	75
JACK HAIGHT'S KADOODLERS (T-xstar T-3) <i>Be My Silver Lining</i> (Jack Haight's Band) Undistinguished rendition of routine material.	55	55	55	55
<i>Old Time Jamboree</i> (Jack Haight's Kadoodlers) Brighter tempo than reverse but the boys ain't inspired.	55	55	55	55
TEX FLETCHER (Flint 1789) <i>The Girl in the Blue Velvet Band</i> Fletcher is fetching as he unwinds his involved jail-house ballad. Material and delivery fit in traditional Folk Americans.	72	74	72	68
<i>Little Blossom</i> Another story engagingly spun, but lacks substance of flip side.	67	68	68	66

FOLK

WALLY FOWLER &
HIS GEORGIA
CLODHOOPPERS
(Capitol 15213)

If I Had My Life to Live Over
Vigorous, sob-voiced Fowler chanting of lugubrious folk (not the pop of the same name); with rousing chorus and steel guitar support.

Hold That Temper Down
Contrived formula ditty with recurring refrain in the "Pistol Packin' Mama" vein. Warbling has no conviction, the orking shows fairly well.

MERLE TRAVIS
(Capitol 15212)

T For Texas
This up-tempo country blues, warbled in Travis' easy-going manner with yodel punctuation, should register with the folk trade.

Leave My Honey Bee Alone
Interest flags here owing to too-lax vocal and over-emphasis on instrumental passages, which offer nothing outstanding.

CHARLES LUNDY-
THE VIRGINIA VALLEY
BOYS
(Mercury 6129)

I'm Sending My Heart in This Letter
Muffled reproduction mars authentic back country Lundy chanting and good-beat orking.

Lover's Farewell
Same recording deficiency here, plus a too-noticeable temp lag at last third of side.

JIMMIE DAVIS
(Decca 46137)

Columbus Stockade Blues
Routine jailhouse ditty with uninspired Davis chanting and barroom piano adding some juke interest.

Honky Tonk Blues
(Brown's Musical Brownies)
Quasi-blues, hill style, gets so-so warbling and weak orking.

DAVE DENNEY
(Victor 20-3044)

There's Two Sides to Ev'ry Story
Strong folk feeling in Denney's rhythmic warbling, with smooth string orking making for a well-blended if unspectacular side.

Everyone Has Someone But Me
Warbling quality good here too, but overall performance lacks life and projection of flip.

TEX RITTER
(Capitol 15215)

Jingle, Jangle, Jingle
Re-issue of pop-folker of some years back—well-warbled and orked.

There's a New Moon Over My Shoulder
Also a re-release, this side is more strictly cowboy, with Ritter doing well in the chanting chores. More of a standard than flip, side should get a fair share of folk-buyer attention.

FOLK

THE THOMAS FAMILY-
RILEY SHEPARD
The Musical Moun-
taineers)
(Regent 2000)

The Wedding Waltz
Murky recording mars sentiment of pretty tune. Rendition, more in pop vein than folk, misses fire.

Just An Old Family Album
Same blurry disk. Little trace of folk quality in this rendition.

TEXAS JIM LEWIS &
HIS LONE STAR
COWBOYS
(Decca 46138)

Dear Ohio
Bouncy version of the high-riding novelty. Lewis's chanting should catch good share of the coins.

You Call Everybody Darlin'
Pop success scores in folk version. Lewis's straight-away warbling gets ditto orking. Good job, but late.

LES ANDERSON
(Exclusive 57-X)

This Is Southland
Steel guitar and fiddle in a country-styled opus, sans vocal. Danceable.

And I Shook
Blues format with rhythmic vocal and adequate instrumental backing. Unusual refrain adds a novelty touch.

ARTHUR (GUITAR
BOOGIE) SMITH
& HIS CRACKER
JACKS
(MGM 10268)

Raindrop Polka
Melodic and generally pleasing polka original featuring Smith's steel guitar strumming.

Cubanola Glide
The oldie dressed in folk type dress with a vocal and Smith's guitar is unexciting but not hard to take.

ART LUND-JOHNNY
THOMPSON ORK
(MGM 10269)

On a Slow Boat to China
Lund's relaxed and ork is fine in dispensing this melodic new tune.

By the Way
Again Lund sounds good as he sings this fair picture.

RACE

HADDA BROOKS TRIO
(Modern 20-602)

Tootsie Timesie
Rhythm novelty with a baffling lyric and loose-knit performance.

What Have I Done?
Hadda's caressing race warbling and easy 88-ing mark this ballad side for high juke potential.

SAM "LIGHTNING"
HOPKINS
(Modern 20-621)

No Mail Blues
Good feeling and taste in Lightning's old-time blues chanting. Lyric has interest.

Ain't It a Shame?
Well performed, but lacks sustained interest of flip.

LATIN-AMERICAN

ALBERTO SOCARRAS ORK
(Victor 26-9040)

Rumbita
Fluent fluting by the maestro with powerful rhythm section providing more than adequate support. An instrumental rumba, the dance studios should love this one.

Murmulo
Maestro's flute displays rich low register in so-so bolero tune. Rhythmic rendition lacks subtle persuasion of flip side.

76	76	78	75
56	58	55	55

LATIN-AMERICAN

PEDRO VARGAS
(Victor 23-0984)

Yo Vivo Asi
"Nature Boy" with a Spanish lyric. Vargas chants with mucho passion aided no little by lush orking that suggests strong North-American influence.

Un Poquito De Tu Amor
Rich Vargas vocalism of easy-going bolero. The rhythm section is conspicuous by its absence, however.

PART IX

Billboard TRADE SERVICE FEATURE

THE BILLBOARD PICKS:

In the opinion of The Billboard music staff, records listed below are most likely to achieve popularity as determined by entry into best selling, most played or most heard features of the Chart:

- SONG AND DANCE MAN ALBUM**...Gene Kelly.....MGM 30
- | | |
|-------------------------------|------------------------|
| You're a Grand Old Flag | Moonlight Bay |
| The Daughter of Rosie O'Grady | Let Yourself Go |
| Ida! Sweet as Apple Cider | Doin' the New Low Down |
- The versatile musiccomedy and flicker hooper-singer recreates the sock song and dance routines of Eddie Leonard, George M. Cohan, Pat Rooney and other old-time greats in a nostalgia-loaded package that figures to be a hot retail item in the same vein as the Jolson albums. The slow sides, like "Ida" and "Moonlight Bay" can do well in the juke, and all six songs can be profitably programed, either singly or as a group, by jocks.
- SAY SOMETHING SWEET TO YOUR SWEETHEART**
YOU WERE ONLY FOOLIN'.....The Ink Spots.....Decca 24507
- Backed for the first time by a vocal chorus of nine voices, the popular quartet deliver their stylized best on two of the click plug ballads of the day. A capella support lends a rich timbre, and the combination has every reason to score.
- MELANCHOLY MINSTREL**.....Anne Shelton.....London 267
- A hauntingly original melody in the troubadour tradition, "Minstrel" gets one of the English thrush's richest and most feelingful performances to date, with the ork doing a sock job of backing built on a class cleffing. Another interesting version is Snooky Lanson's Mercury Job, backed by a single guitar.
- WHEN YOU'RE SMILING**.....Perry Como.....Victor 20-3066
- Perry's at his smoothest, lightest best here, with a medium tempo rhythm interpretation of the good oldie. Backed by the lustrous Satisfiers Choir and Russ Case ork, he pours it on in a delightful middle-period Crosby manner—tasty, relaxed, and a world of beat.

The large boldface number in each review is the retail rating. This rating is based on nine key categories, each of which is assigned a maximum number of points. (The best possible rating is 100.) Maximums are subject to change depending on results of a survey of the music trade now being conducted. Suitability for juke box operators or disk jockeys is indicated in boldface comment under the separate headings within each review.

TOMMY DORSEY'S CLAMBAKE 71

(4-10") (Victor P-220)
The Music Goes 'Round and 'Round; Sailing at Midnight; At the Codfish Ball; Josephine; The Lady Is a Tramp; The Sheik of Araby; Alla en el Rancho Grande; Chinatown, My Chinatown.

Here is a package that is draped in nostalgia. It's composed of eight sides T. D. cut with the several versions of his Clambake Seven with vocal assists from Jack Leonard and Edythe Wright. Disks date back to the mid and late thirties and all are in the Dixieland vein. Shortly after these were cut T. D. "found" Sy Oliver and he moved from two-beat Dixie to two-beat Lunceford. From there to the music he plays today. The tunes evoke pleasant memories of the pleasanter days when Hitler was still only a threat and the NRA was being slugged about. A must for new and old Dorsey fans as well as Dixie fanciers.

JUKES Some sides like "Music Goes 'Round" could still draw coin.
JOCKS Fine stuff for pop spinners.

FAMILIAR SELECTIONS FROM CHOPIN ALBUM—RAY TURNER (3-10") 67

(Capitol CC-97)
Etude Op. 25, No. 1 in A Flat Minor; Prelude Op. 28, No. 7 in A Major; Valse Op. 64, No. 2 in C Sharp Minor; Butterfly Etude Op. 25, No. 9 in G Flat Major; Minute Waltz Op. 64, No. 1 in D Flat Major; Chopin Valse in E Minor; Prelude Op. 28, No. 6 in B Minor; Etude Op. 25, No. 2 in F Minor; Revolutionary Etude Op. 10, No. 12 in C Minor.

Capitol steps out of the pop field with this package for a slight fling at familiar classics. With Ray Turner, a movie lot behind-the-scenes pianist, turning in a good enough job, the diskery has a similarly good enough catalog filler on the Chopin pieces for its dealers.

JUKES Not suitable.
JOCKS Chopin warhorses could fill in on most any type of airer.

SOFT LIGHTS AND SWEET MUSIC (4-10") 85

(Columbia MM-763)
Soft Lights and Sweet Music; Let's Put Out the Lights; You and the Night and the Music; Goodnight, Sweetheart; Tell Me That You Love Me Tonight; My Silent Love; Orchids in the Moonlight; I'm in the Mood for Love.

Another in the popular series of Columbia's short-hair-music-grown-long albums which are regularly dispensed by handymen Gould and Kostelanetz. Gould is the simpler, schmaltzier of the two and has cut into the Kosty rep and sales with his efforts. This package is as easy to take as any of the other Gould packages and should sell just as well. Tunes all are of the extremely evergreen variety. Dealers should have little trouble telling this one.

JUKES Highly limited appeal.
JOCKS Good all-round jock fodder.

GAY NINETIES ALBUM (37 Grand Old Songs) FRANK LUTHER WITH CENTURY QUARTET (4-10") 73

(Decca A-892)
Thirty-Seven Grand Old Songs. Here's a package of gaslight oldies to gladden the collection of every fan of "Nineties nostalgia." As the sub-title indicates, there are 37 tunes in the album, about equally divided between sentimental harmonizers like "Kentucky Babe," handled by Frank and an able, uncomplicated barbershop quartet, and rowdy-dowers like "Just Because She Makes Dem Goo Goo Eyes," soloed by Frank with ork backing. Stress is rightly on the songs, with performances simple and straight, stressing the original values. Luther, a top man in this line, does a good job.

JUKES Not for the general run.
JOCKS Fine supplement to spinner libraries.

SATIE: TRES MORCEAUX EN FORME DE POIRE (3-10") 60

Gaby and Robert Casadesus, duo pianists.

(Columbia MM-763)
Erik Satie was one of the leaders in the drive against Impressionism and Scholasticism in French music in the early part of this century. His own music is a "cold" music; it possesses little in form yet it is fundamentally simple and interesting stuff to the student; it would appear to be somewhat hard to take for the average listener. Brother and sister Casadesus do a fine job with the Satie material, tho they are slightly under-recorded. Album notes by Goddard Lieberman are superb.

JUKES Not suitable.
JOCKS Longhair and FM spinners can take this or leave it.

SPIRITUALS TRANSCRIBED FOR CHAMBER ORCHESTRA BY ADOLF BUSCH (3-10") 63

Busch Chamber Players, Adolf Busch, conductor.

(Columbia MM-764)
Po' Mourners Got a Home at Las'; Mary an' Martha Jes Gone 'Long; Git on Board, Little Chilen; We Am Clim'in Jacob's Ladder; Death G'wineter Lay His Cold Hands On Me; Crucifixion; Little David Play On Yo' Harp.

Violinist-conductor Adolf Busch has taken a group of traditional Negro spirituals and transcribed them for chamber orchestra. Result is a set of music with a traditional hymn-like flavor which lacks the spontaneity and flame which one usually expects from spiritual singing. The Busch Players, performing the simple and full-toned scores conceived by their leader, turn in the usual fine job—it's an excellent group. Liner notes contain the lyrics to the spirituals in the package.

JUKES Not suitable.
JOCKS FM and longhairs should like these for fillers.

SQUARE DANCES ALBUM—GOODFELLOW WITH THE PORE OL' T'IED TEXANS (3-12") 60

(Bandwagon A1)

Hopkins Turn; Loch Lomond; Deep In the Heart of Texas; Forward Up Six and Back; Hot Time in the Old Town Tonight; The Jolly Irishman.

A useful album here for square dancers. Goodfellow sings out the calls with such clarity of diction as to make one doubt the authenticity of the calling, and an industrious six-piece country group saws out the rhythms with plenty of vim. Liner notes include directions for the step sequences.

JUKES Size precludes.
JOCKS Country seg specialists can use to excellent advantage.

AMERICAN BANJO ALBUM—NATHANIEL SHILKRET'S ORK-REX SCHEPP (3-10") 60

(Victor P-218)
Old Black Joe; Down South; Holiday for Strings; Sand Dance; Serenade Rhapsodie (Pts. I & II)

Mostly one-string banjo work of only moderate virtuosity. The Shilkret ork arrangements on "Joe," "South" and "Strings" reminiscent of routine Western film sound strip stuff. The "Serenade" piece is a concerto in old-hat "modern" style. Banjoists may find this package of some interest.

JUKES Hardly.
JOCKS Rather dull for most jocks.

SOUVENIR ALBUM—ROY ROGERS (Victor P-215) 70

Don't Fence Me In; On the Old Spanish Trail; Home In Oklahoma; Along the Navajo Trail; San Fernando Valley; A Gay

Ranchero; Roll On, Texas Moon; Yellow Rose of Texas
 Each of the songs is from one of Rogers' movies. This fact, plus a picture of a scene from each in the liner cover, is the strong selling point for the package. Roy, who is said to receive 'the greatest tonnage of fan mail in Hollywood, doesn't warble with a great deal of vigor or truthness of pitch here, but his admirers probably won't mind, and attentive exploitation should sell a raft of these albums. Orchestra backing is anonymous, with Roy singing several choruses on each side. Exception is "Spanish Trail," with the Spade Cooley ork, but here, too, accompaniment is played down and characterless.

JUKES Most sides too dated.
JOCKS Okay for cowboy segs.

VIENNESE WALTZES ALBUM—FRANK DE VOL ORK (4-10") 65
 (Capitol CD-98)

Vienna Dreams; Waves of the Danube Waltz; The Merry Widow Waltzes; Du Und Du; Treasure Waltz; Sari Waltzes; Thousand and One Nigats; Gold and Silver Waltz.

Frank DeVol and his orchestra of Capitol sidemen do eight waltzes capably but without any special inspiration here. The softness and sweeping grace one looks for in waltzes aren't noticeable. However, the heat is fairly good, the intonation acceptable, and the scoring adequate if not imaginative, ergo this package of standards should have its market.

JUKES Where Continental atmosphere prevails.
JOCKS Can use.

VAUGHAN WILLIAMS: FANTASIA ON A THEME BY TALLIS AND MINNEAPOLIS SYMPHONY ORK., D. MITROPoulos, DIR. (2-12") 70
 (Columbia MX-300)

Second fine Vaughn Williams of the month. Following closely on the heels of his Oboe Concerto (Mercury Classics) comes this package which is Williams's conception of a theme written originally by 16th century ecclesiastical composer Thomas Tallis. It's somewhat somber sounding but is beautifully scored for full orchestral tones. It follows in the Williams' pattern of influ-

ence from English liturgical and folk music. Mitropoulos extracts a fine sound from the Minneapolis group on these disks.

JUKES Not suitable.
JOCKS FM and longhair sure fire material.

AMERICA'S FAVORITE WALTZES (3-12") 80
 Al Goodman and His Ork (Victor CO-44)

Missouri Waltz; Let Me Call You Sweetheart; Beautiful Ohio; Three o'Clock in the Morning; On Miami Shore; That Naughty Waltz.

Al Goodman's large ork makes a big beautiful sound executing these six American waltzes with grace and warm simplicity. Section work is first-rate, with strings in sweeping dominance. Vocal groups of quartet size and larger sing the lyrics (except for "Naughty Waltz," done as a boy-girl duet). Warbling is unobtrusive, enhancing the sides, because the words to these American waltzes are as intrinsic as the music.

JUKES Size precludes.
JOCKS FM'ers in particular will welcome.

DISK JOCKEY SHOW HOOPER RATINGS

Thru the co-operation of the C. E. Hooper organization, widely recognized radio audience rating firm, *The Billboard* presents for the first time Hooperatings of many of the nation's disk jockey programs. The completeness of this list of programs and ratings is obviously limited by a number of considerations: (1) In addition to the national Hooperating reports, which include only commercial network programs, the Hooper firm conducts city rating studies in just 89 cities. The original Hooper city reports, even in these 89 cities, do not always indicate the name, and very rarely the type of show. Many ratings

in the city reports are for time periods with no indication as to the show on at a given time. *The Billboard* wrote all the stations in the 89 cities, attempting to learn the names of all disk jockey shows on these stations. Most of the stations sent the requested information, but a number didn't. The Hooper organization then worked with the stations' information, and matched them up with the city reports. All ratings are for the December thru April, 1948, period. However, according to information supplied by the stations all these programs are still on the air unless otherwise indicated.

Fifty Years of Song Hits

Thanks to the co-operation of the American Society of Composers, Authors and Publishers (ASCAP), Broadcast Music, Inc. (BMI) and individual music publishers, *The Billboard* presents below a veritable "gem" of a list. Here are all the important song-hits, year for year, of the last half century, complete with the name of publisher as well as the licensing org clearance for radio performance. The list is based on information supplied by ASCAP and BMI, much of which is checked against their "index" files, and has been double-checked with given publishers. Any omissions, particularly on tunes of the '90s and the next two decades, can be charged off to the uncertain status of records available on those periods. As it stands, however, this is by far the most comprehensive and accurate list available, to the best of *The Billboard's* knowledge.

This list of song hits for 50 years, beginning 1894, has been compiled for the convenience of persons interested in recalling the songs that all America sang during any particular period of the last two generations. It is hoped that radio script writers, program directors and others who may be interested will find this extensive listing a convenient means of refreshing their memories.
