SIX-MONTH CALENDAR OF PROGRAMMING AND PROMOTIONAL IDEAS

Here's a calendar of important birthdays and special events for the next six months. A variety of contests and special programs can be built around this data. #### Spotlight on Record Programming

35
SIX-MONTH CALENDAR OF PROGRAMMING AND PROMOTIONAL IDEAS

AUGUST

August is a youthful "fun" month. Programming should reflect the spirit of summer romances, beach parties, and lazy summer days. Play romantic wax ("You're Just in Love," "I'll See You in My Dreams," "You Make Me Feel So Young," "Zing Went the Strings of My Heart"), seaside themes ("By the Sea," "Sand in My Shoes," "On the Boardwalk at Atlantic City") and warm weather themes ("Heat Wave," "Blue Skies," "Summer time," "In the Cool of the Evening.")

1. Robert Mitchum, retired AFM proxy Caesar Petrillo.
3. Timi Yuro.
4. Damita Jo, Jeri Southern.
5. First talking moving picture exhibited. Play movie music.
9. Composer Carrie Jacobs Bond. ("When You Come to the End of a Perfect Day," "I Love You Truly.")
11. George Shearing.
17. Ogden Nash.
18. Jim Reeves, Jack Teagarden.
20. Bob Crosby, Gene Kelly. Rudolph Valentino died on this date, 1926.
24. Tommy Sands, Tuesday Weld.
27. "Almost Like Being in Love," "I Could Have Danced All Night.")
28. "Deceased"

SEPTEMBER

September is a month of nostalgia and expectation. School starts, summer is over, and fall arrives with its exhilarating weather and new Broadway musicals. Play sentimental wax ("These Foolish Things," "I'll Be Seeing You," "The Things We Did Last Summer"), school themes ("School Days," "An Apple for the Teacher," "Little Fraternity Follies") autumn songs and new Broadway show music.

2. Labor Day.

101 Perennial Singles Hits

For year-round programming by juke box operators and radio stations, we present below a catalog of standards that can provide consistent earnings for operators and a wealth of material for discussion by broadcasters. This list—of 101 hits—contains the hard core of these perennial favorites. While space limitations prohibit publication of all standards which could be programmed on a year-round basis, these should form the nucleus of any Old Standards selection panel or library.
