Wing recording artist, Nick Noble has good reason to be wrapped in smiles as he and Chicago's Howard Miller look over a copy of his first Wing release "The Bible Tells Me So," which is developing into a smash hit. Nick's record and the new label were given a send-off on Miller's WBBM-TV show a few weeks ago. Since then the disk has taken off so strongly that it looks like the Mercury subsidiary label will make it on its first try.

Conditions For Record Firms Should Be Improved At NAMM Meet

Another NAMM Convention has just ended.

As has always been the case with these conventions, it was not exactly devoted to the record industry. Rather the main emphasis was on the larger musical instruments which drew most of the attention of the retailers attending.

However, although the record manufacturers did not exhibit this year, they were in attendance in full force, meeting the record retailers and dealing with their distributors. Most of the meetings went on in private suites at the hotel because manufacturers were wary about the exhibition area that had been assigned to them in previous years. It had been unairconditioned and thus tended to keep people away. For the first time this year the exhibition area was airconditioned which may lead to convincing the record manufacturers to exhibit there in the future.

But the main problem still remains at the NAMM convention. And that is the fact that the record industry is lost in the shuffle.

Record manufacturers feel they must attend the convention because this is the one time each year that the retailers and distributors gather in large numbers. Yet they always feel neglected and treated as a secondary factor in the

business—which hardly makes them enthusiastic in their support of NAMM.

Since this is a convention which can be extremely helpful to the record people, we would like to suggest that conditions be improved as far as they are concerned. First of all, a committee of record industry executives should be appointed to assist in the planning of the convention to assure record people adequate representation in the activities. This year, for instance, a bulletin was put out listing the speakers for every other field but there was no mention of a record industry speaker. Moreover, conferences and meetings should be arranged which would interest the retailer in attending and at which record industry problems could be aired and discussed. Lastly an arrangement should be made whereby the exhibit space assigned to the record companies is devoted exclusively to them and it should be placed in such a position that it will attract the retailers who record companies are trying to sell to.

Yet the record industry convention is the one time each year that the retailers and distributors gather in large numbers. Yet they always feel neglected and treated as a secondary factor in the

Although Blackpool is, without a doubt, the center of top star talent during the Summer, I venture to predict that everyone who can get to the Opera House this Sunday (17th July) will be there. S.R.O. notices will be displayed at the box office as this is an almost historic event for Harold Fielding. The enterprising impresario has pulled off one of the biggest scoops of the season. He has persuaded the fabulous Marlene Dietrich to give two concerts at this Big House, and has chartered a 'plane to Fly Marlene to and from for this unique show. This is La Dietrich's first-time-ever concert. . . . Lovely Ann Miller, who graced our T.V. screen this week, tells us she would like to portray the life-story of our own Jessie Mathews. . . . Tony Bennett sang "Stranger in Paradise" and "Close Your Eyes" when guesting on the Ted Ray T.V. show and showed what a personable young man he was. He should do well on his vaudeville stint in this country. With him is Chuck Wayne. . . . Polydor has made an early start with its issues. Originally planned for September, it has released the first Caterina Valente disk on the British market. But believe it or not, they did not issue "Malaguena" or "The Breeze and I". . . . So, Caterina makes her bow over here with two titles that lack the sparkle and magic usually associated with this fine artist. . . . Happy girl these days is young Alma Cogan, who has the top disc of the week with "Dreamboat", is busy starring in a Blackpool show and has been offered a guest appearance on the Ed. Sullivan Show. Strange how I sometimes manage to foretell the future. I can assure you I have no hypnotic powers, nor do I have a crystal to gaze at. Only last week I was talking about Slim Whitman fast becoming a household name over here and very likely to hit the best sellers charts. Well folks, he's done it. He's in there. Number ten on my list with his waxing of "Rose-Marie". . . . Alan Dale getting lots of spins on his record of "Sweet and Gentle". . . . Phil Harris spending most of his time on the Golf Course at St. Andrews, Scotland. . . . Everyone here expresses sympathy to the family of Floyd Bittaker whose sudden passing shocked the whole record industry.

NAMM Show Real Cool

CHICAGO—Attendants at the recent NAMM Convention at the Palmer House, this city, were able to conduct their business in comfort. For the first time the Convention was held in air-conditioned quarters, and visitors were able to spend considerable time on the floor making the rounds of the various exhibits.

Most of the record business, however, was conducted in suites, or at breakfast, luncheon or dinner. Only RCA Victor, of the record companies, was represented on the exhibition floor.

Attendance was perhaps the largest in years. It was estimated that a major portion of all the distributors and manufacturers in the nation made their appearance at the show. A feeling of optimism prevailed as independent distributors compared figures with 1954. Claims of increased business ranged from 25% to 100%. Bob Hosteter of Roberts Distributors in St. Louis said ". . . my biggest June ever and double that of last year". Herb Sandel of Lieberman Bros., Minneapolis, said "This year's business has doubled." Similar comments were forthcoming from almost every distributor approached.

NAMM NOTES: Atlantic crew Herb Abramson, Ahmet and Nesuhi Ertegun and Jerry Wexler talking up their new Atlas label and the diskery's initial releases. . . . Bobbi Dieterle excited at attending her first convention. Bobbi, Joe Delaney and Bob Kornheiser conducted meetings with their distributors, all of whom reported strong sales reaction to Julius La Rosa's "Domani". . . . Seen on the floor representing California were Jim Warren of Central Sales; Sid Talmadge; Nat Duroff of Monarch, Joe Bihari of Modern and RPM and Al Levine of Alco. . . . Norm Weinstorer of Coral pleased with the full distributor attendance at his meetings. Johnny Desmond on hand to greet the distributors who made his "Play Me Hearts and Flowers" a hit and to plug his latest, "Yellow Rose of Texas". Weinstorer broke the news of his pop cover by Johnny Long of the R & B hit "Maybellene." He also announced the issuance of Jimmy Wakey's "Pine Top Boogie". . . . Randy Wood and Al Bennett, Dot Records, the happy recipients of raves over his newest releases, "Why Don't You Write Me" by Snooky Lanson and "Seventeen" by the Fontane Sisters. . . . Herman Lubinsky of Savoy made the Convention worthwhile with his purchase of a master by Joe Williams titled "Blow Mr. Low". . . . Dave and Paul Miller got with their distributors at a breakfast. The meeting found all happy about the newest Ferko Band issue, "You Are My Sunshine" and "Ma She's Making Eyes". . . . Jerry Blaine of Jubilee, Josia and Cosnat was perhaps the busiest man at the Convention attending meetings. Jerry kicked off his new Trudy Richards' "Mercy"; "Silly Willy" by Harriet Kay; and Billy Johnson Quartet's "Maria Mia." . . . Syd Nathan and Jack Kelly of King bearing the largest grins what with Boyd Bennett's "Seventeen" having broken for a big pop hit. Nathan and Kelly also talking up Jack Dupree's "Walkin' the Blues". Nathan telling about his swimming

pool back in Cincinnati which is the haven for all the kids in the neighborhood. . . . Harry Kruse, Lee Hartstone and Walt Maguire, London Records, discussing Fall plans. The threesome happily were busy acknowledging high-sung praises on the new David Whitfield "Mama" and the Johnson Bros.' "Everybody Sing". . . . Mercury and Wing brass busy holding sales meetings. . . . The Camden Browser Box created quite a stir. . . . Frank Amaru attended his first sales meeting with "X" distributors in his new capacity as National Sales Manager. With Frank were Tim Torme and Joe Delaney. Delaney's attendance at the meeting was his final chore for "X" prior to his moving to Cadence Records. . . . A great deal of excitement was centered around George Goldner, Tico Records, and his newest hit, "The Bandit", by Eddie Barclay.

BILL SHIRLEY

(Liberty 55005; 45-55005)

C+ "THE DEVIL'S KEEPING BUSY" [—Pepper, James] Bill Shirley gets a big assist from Lionel Newman's ork as he belts out a fast moving tune that sounds like a new version of "Wild Goose." Stirring delivery.

B "SOMETIME" [—Fiorito, Kahn] A very tender and heartwarming romantic ballad displays Bill's voice to better advantage. Choral backing enhances the crooner's voice. Lovely tune excellently delivered.

RANDY CARLOS ORCH.

(Rainbow 8146; 45-8146)

C+ "CHA CHA CAROLINA" [Nassau BMI—Carlos] The cha cha enthusiasts are gonna be pleased with this side. It's a beaty and very danceable version of the music. Good job.

C+ "CHA CHA MY IDEAL" An oldie is given an English vocal and set to the same beat by the Carlos crew. Pretty.

TERRY AND THE MACS

(PamSons 6022; 45-6022)

B "GETAWAY" (2:00) [Pamasons BMI—Weisman, Weisman] Canadian vocal group Terry and the Macs debut on the new diskery with a lively beaty novelty that has enough spunk to create a stir. Lively deck. Jumps and rocks.

C+ "DON'T MAKE ME CRY AGAIN" (2:27) [Pamasons BMI—Weisman, Weisman] The female portion of the crew handles the lead again as she shuffles through a sentimental ballad. Run of the mill stuff.

PEGGY LEE

(Decca 29608; 9-29608)

B "WHAT CAN I SAY AFTER I SAY I'M SORRY" (2:07) [Miller ASCAP—Donaldson, Lyman] Decca issues a two sider coupling two songs which Peggy performs in Jack Webb's pic "Pete Kelly's Blues." A sincere lilting treatment of a great oldie. Pic could push this one up the ladder.

C+ "SUGAR" (2:34) [Robbins ASCAP—Pinkard, Mitchell, Alexander] Another dixie type backing supports the thrush on this great oldie. Pretty.

THE PRINCE SISTERS

(London 1586; 45-1586)

C+ "LOVE LOVE BEAUTIFUL LOVE" (1:58) [Duchess BMI—Shaw, Reynolds] The Prince Sisters debut on the label with a pleasing waltz number. Pert voices that blend invitingly.

C+ "THE MAN IN THE MOON" (2:02) [Burlington ASCAP—Winkler, Roberts] A lilting ditty about the man in the moon is handled ok on this end.

THE THREE SUNS

(RCA Victor 20-6202; 47-6202)

B "YOU AND YOU ALONE" (3:01) [Les Editions Met. Paris ASCAP—Rota] The Three Suns, who come up with some fabulous arrangements, glide through a haunting, exciting and most unusual instrumental. Great sound. Very different.

B "SATAN TAKES A HOLIDAY" (2:00) [Lincoln ASCAP—Clinton] The boys bounce through a clever interpretation of an old spooky favorite. Cute novelty to which you can picture skeletons dancing. Fabulous arrangement here too.

THE CASH BOX DISK OF THE WEEK

"MOMENTS TO REMEMBER" (3:10)

[Beaver ASCAP—Stillman, R. Allen]

"DREAM ON, MY LOVE, DREAM ON" (2:29)

[Redd Evans ASCAP—Linsley, Goodhart]

THE FOUR LADS

(Columbia 40539)

FOUR LADS

● The Four Lads go soft and sentimental as they wax melodic on a slow pretty ballad with a

powerful set of lyrics that lean heavily on nostalgia. The lovely tune has the harmonic qualities that go so well during the warm weather months. It is dramatically done with a wonderful and different sound that will catch and hold the attention of the audience. The number, "Moments To Remember," is given careful attention, production-wise as well as performance and it is our guess it will be a 'tune to remember'. The flip, "Dream On, My Love, Dream On," is another ballad, soft and sweet, and given tender treatment. It could give the topside a strong battle for honors, but for the final tally we'll stick with "Moments To Remember."

FOUR FRIENDS

(Harmad 105; 45-105)

B "YUCCA BEAN" (2:08) [Okun BMI—Madelyn, Okun, Testa] A crude but very exciting novelty is cleverly handled by the Four Friends. Disk has that commercial something that the kids will like. Side rocks. Number could make noise if it gets a push.

C+ "BY YOUR SIDE" (2:33) [Okun BMI—Friend, Coffee, Barnes, Riley] The group has that informal community sing sound on this Latin beat ballad.

DAVID ROSE ORCH.

(MGM 30882; K-30882)

B+ "SUMMERTIME IN VENICE" (2:54) [Pickwick ASCAP—Iceni, Sigman] From the Katharine Hepburn flicker "Summertime," comes this beautiful melody so warmly and tenderly presented by David Rose's strings. Lovely romantic item. Could build.

C+ "VIOLIN (Let Your Song Begin)" (3:12) [Essex ASCAP—MacDonald, Hoffman] The violins have a field day on this lush and appealing romantic offering. Pretty coupling.

DICK THOMAS & THE STYLERS

(Jubilee 5208; 45-5208)

B "WHEN UNCLE JOE PLAYS A RAG ON HIS OLD BANJO" [Feist ASCAP—Foley] Dick gets a fine assist from the Stylers as he warbles a delightful cornball novelty. Catchy ditty that fits well into the current banjo trend.

C+ "ANYTIME IS LOVIN' TIME" [Jefferson ASCAP—Esrom, Morse] Another bouncy pleaser with a cute set of lyrics. Infectious piece of material.

TEX RITTER

(Capitol 3179; F-3179)

B "WICHITA" (2:04) [Robbins ASCAP—Washington, Salter] Tex Ritter who sang "High Noon" in the pic of the same name, offers another western title tune which he sings in the forthcoming pic "Wichita." Pretty, lilting item that could catch on. Fine vocal. Pic could send disk soaring.

B "SEPTEMBER SONG" (3:10) [DeSylva, Brown & Henderson ASCAP—Weill, Anderson] One of the greatest of all standards is feelingly presented with a choir type backing, by Ritter. Beautiful coupling.

THE CLOVERLEAFS

(MGM 12026; K-12026)

B "FOUR SEASON SWEET HEART" [—McMullen, Clark] With the banjo rage in high gear, the Cloverleafs glide through a warm and inviting 1920 type number. Wonderful old fashioned flavor. Could stir up some noise.

C+ "RED HEAD" [—Jordan, Gridley] A bigger group takes on the vocal chores on this end, another old fashioned type number. Cute item.

DON HAVENS & HI-FI's

(Tone-Craft 205; 205 x 45)

C+ "BUTTER" [Myers ASCAP—Don Havens and his Hi-Fi] rhythm through a cute novelty with an inviting air. A commercial item.

C+ "BREAD" [Myers ASCAP—The artist couples "Butter" with "Bread" and belts out another driving rhythm number.

EILEEN BARTON

(Coral 61459; 9-61459)

C+ "APOLLO UMBERTO SILVANO ROBERTO ROMANO" (2:21) [Witmark ASCAP—Goel Spielman] Eileen Barton chirps a perky and appealing novelty about her Italian boy friend. Cute ditty.

B "HERE I AM IN LOVE" [T. Kaye ASCAP—Sweeney, Charlap] A ballad with a wonderful and refreshing set of lyrics is feelingly interpreted by Eileen. Terrific tune that has the earmarks of a top hit.

VAUGHN MONROE

(RCA Victor 20-6216; 47-6216)

B "THE MOON WAS YELLOW" (2:14) [Bregman, Vocco & Cor ASCAP—Leslie, Ahlert] Vaughn gets a piece of material that fits him perfectly, and he does exceptionally well with it. Lovely, Latin beat romance. Strong job.

B+ "YOU COULD HEAR A PIN DROP" (2:52) [Harrison ASCAP—Russell, Luboff] The Satisfiers and Camarata's ork assist the crooner. He lites through a very clever novelty. Amusing calypso type ditty that could break. If it gets air play it could stack up as another "They Were Doing The Mambo."

JOAN WEBER

(Columbia 40535; 4-40535)

B "ANYTHING, EVERYTHING FOR LOVE" (2:52) [Oxford ASCAP—Wayne, Livingston] The "Let Me Go Lover" gal leans into another heavy and dramatic love so with a great deal of feeling. Tearful delivery.

C+ "DON'T THROW MY LOVE AWAY" (2:13) [Hawthorne ASCAP—David, Carr] Another sentimental offering is given a heartbreak reading by the thrush.

FOUR KNIGHTS

(Capitol 3192; F-3192)

B "DON'T SIT UNDER THE APPLE TREE" (2:24) [Robbins ASCAP—Brown, Tobias, Stept] The Four Knights dish up a polka rhythm version of a big standard. Terrific merchandise for the summer vacations. Lively.

B "BELIEVING YOU" (2:00) [United ASCAP—Brooks, Laney] A shuffle beater with a lively feel comes off well under the boys' control. They blend warmly. Good coupling.

Columbia Holds Distrib & Dealer Meets

NEW YORK—The Columbia Record Company distributors this week held dealer meetings in their respective areas to acquaint the retailer and sales personnel with its ambitious Fall plans.

The theme of the meetings was "A New Year In Records".

In New York, Times Columbia was host to better than 850 salesmen and dealers from New York and New Jersey at the Hotel Commodore.

An audio and visual presentation ran almost two hours, after which the attendants were partied. Stars Mindy Carson and Guy Mitchell entertained.

Key figures of Columbia Records were introduced and short speeches were made. Among those who spoke were James Conkling, Goddard Lieberson, George Avakian, Hecky Krasnow, Gene Becker, Mitch Miller and Hal Cook.

Dealers were advised of the exten-

sive Fall plans which included the new releases, colorful new jacket designs, a major new Columbia product promotion every month in the year, a 100% exchange policy of all package goods on a 90 day basis effective August 1, a 1% return privilege on all package merchandise, free extended play records which preview the hit albums of the month.

Approximately one quarter million free EPs will be distributed to dealers for redistribution to their trade. The dealer may use the sample discs as he sees fit to promote his trade. The preview records will be issued monthly.

During August Columbia will release nine new pop albums and 10 new masterwork albums.

Mitch Miller, in his talk, predicted that two new singles would soon be among the best sellers in the nation. They are Miller's "Yellow Rose of Texas" and Jo Stafford's "Ain'tcha-cha Comin' Out T-tonight".

THE HONEYTONES

(Wing 90013; 90013 x 45)

B+ "HONEYBUN CHA CHA" [Admont ASCAP—] The Honeytones debut on the Wing label with a strong cha cha side. Good group and commercial material. Combination could create big noise. Has a rock & roll flavor too.

B "F A L S E A L A R M" [Calvin BMI—] This side is a powerful rhythm and blues number that should meet with big acceptance in the pop and R & B field. Terrific arrangement. Very versatile crew. Watch both sides.

DORI ANNE GRAY

(Mercury 70661; 70661 x 45)

B "TEARS FOR ME" (2:10) [Sheldon BMI—] A new voice on the musical horizon in the person of Dori Anne Gray, comes over dramatically on this stirring piece of material. Strong number that displays the thrush's talent wonderfully.

C+ "I'M PLAYING SECOND FIDDLE TO A SLIDE TROMBONE" (2:37) [Redd Evans ASCAP—] The versatile chirp falls into the cornball trend and belts across a doo-wack-ado novelty. Real cute deck. Two good sides.

TITO PUENTE

(Tico 266; 45-266)

B+ "COCO SECO" [—Reyes] An authentic cha cha is excitingly fashioned by Tito Puente and his boys. Wild and really thrilling version of the dance. A juicy acquisition for the Puente fans.

C+ "LOS MARCIANOS" [—Ruiz Jr.] The beat is slowed down a bit on this side as the crew glides through another cha cha. Spanish vocal helps add a sharpness to the beat. Hoofers will enjoy both sides.

MONCHITO & MAMBO ROYALS

(Fiesta 053; 45-053)

B "PEDRO-PABLO CHA CHA CHA" (2:52) [Pemora BMI—Monchito] A cha cha with a terrific beat and a generally pleasing sound, is fashioned with a great deal of color by Monchito. Terrific side for the hoofers.

C+ "THE MERRY MERENGUE" (2:36) [Pemora BMI—Monchito] To further please the dancers, the Mambo Royals glide through a lively merengue. Vocal here, too.

LEROY HOLMES ORCH.

(MGM 12030; K-12030)

C+ "THE KISSING DANCE" (2:16) [Robbins ASCAP—Barclay, LeGrand, Michel, Stillman] A cute novelty is delightfully set to a baion beat by LeRoy Holmes, the ork and chorus. Attractive novelty.

C+ "FORBIDDEN LOVE" (2:44) [Columbia Pic ASCAP—Duning, Glazer] From the forthcoming flick "Tight Spot," comes this beautiful theme stirring and softly interpreted by the Holmes ork. Inviting item with a Latin flair.

JULIAN PATRICK

(Academy 5514; 45-5514)

C+ "GIVE A FOOL A CHANCE" [Ample BMI—Stevens] Don Costa sets up a pretty backing for Julian Patrick's romantic, sincere reading of a warm and touching love song.

C+ "A WOMAN'S LOVE IS NEVER DONE" [Ample BMI—Stevens] Another tender piece of meaningful material. Women will appreciate this.

THE CASH BOX

SLEEPER OF THE WEEK

"SEVENTEEN" (2:20)

[Lois BMI—Bennett, Gorman, Young]

"IF I COULD BE WITH YOU" (2:20)

[Remick ASCAP—Creamer, Johnson]

THE FONTANE SISTERS

(Dot 15386)

FONTANE SISTERS

● The Fontane Sisters, who have

had phenomenal success with covers, follow suit in their latest release with "Seventeen," currently making a big noise via an indie recording. The gals sing it with the proper swing and precisionlike teamwork that has marked so many of their hit releases. If Dot gets immediate distribution the deck will make a strong dent in the eventual sales. That the tune is headed for the top is undoubtedly a fact. The reverse deck, "If I Could Be With You," is the standard and the gals give it a freshness that could help grab spins for the side. However, for the big sale, it's "Seventeen."

"A KISS LIKE YOURS" (2:08)

[Sheldon BMI—Fay, Reid, Smart]

"OH! MY LOVE" (2:47)

[Shapiro Bernstein ASCAP—Carr, Russell]

JUNE VALLI

(RCA Victor 6215)

JUNE VALLI

● June Valli pitches a fiery tango, "A Kiss Like Yours," with a full

throated dramatic vocal that makes the side her best since "Chapel." June pulls out all stops as she uses her full bag of vocal tricks to put the sensuous tune over the top. We have a feeling the song will make it big. Reverse side, "Oh! My Love," is a lush pretty ballad that June sings with tenderness. The slow romantic number is loaded with feeling and June gives it a fine vocal treatment. Two strong sides, tho we feel "A Kiss Like Yours" will eventually be the big one.

"BABALU" (2:44)

[Peer Int'l BMI—Lecuona, Hansen]

"THIS MUST BE WRONG"

(2:38)

[Peter Maurice ASCAP—Gietz, Goell]

CATERINA VALENTE

(Decca 29570)

CATERINA VALENTE

● Caterina Valente sings a pretty summerweight offering in "This Must Be Wrong." The tune is a

sprightly romantic easy jump that the gal skips thru lightly. Adding to the attractiveness of the wax is the cute slight accent that Miss Valente wisely makes no effort to get away from. The other item is the colorful and dramatic "Babalú," sung in German. The wonderful tune is always a threat when given a good treatment and in this case, Miss Valente does just that. Backing the thrush on both decks is the Kurt Edelhagen Orchestra. Two strong items that the public will certainly go for.

RAY ANTHONY

(Capitol 3176; F-3176)

B "PETE KELLY'S BLUES" (2:44) [Mark VII-Heindorf, Cahn] The theme music from the flick "Pete Kelly's Blues," is movingly styled by Ray Anthony and his crew. Ray does a pretty job on the horn. Success of this heavy item depends solely on picture's importance.

C+ "DC-7" (2:10) [Moonlight BMI—Anthony] The trumpeter leads his crew through one of his own compositions on this end. Driving jumper with a load of drums. Good dance deck.

THE ESQUIRE BOYS

(Dot 15380; 45-15380)

C+ "GUITAR MAMBO" [Gallatin BMI—Scaltrito, Scaltrito] A mambo novelty is favorably fashioned by the Esquire Boys. Cute ditty with a solid instrumental backdrop.

B "DARK EYES" [Gallatin BMI] The classic oldie, "Dark Eyes," gets a driving instrumental interpretation from the boys. Group really handles the instruments well. Pretty side with a beat.

EDITH LANZA

(Barclay 1303; 45-1303)

C+ "DANCE THE TAMBOURINE" (1:25) [Alroy BMI—Rich, Shaw, Weisman] A familiar Hungarian melody gets an English set of lyrics and an exciting vocal delivery from Edith Lanza. Fast-moving item.

C "IN THE CHAPEL ON THE HILL" (2:58) [Kohn ASCAP—Downey, O'Conner] The thrush glides through an appealing romantic offering here.

SHEPHERD SISTERS

(Benida 1034; 45-1034)

C "I'LL BE THERE" (2:08) [Sarford BMI—Thomas, Turner] The Shepherd Sisters debut on the Benida label with a good rhythm number. A religious type item with that spiritua flair.

C+ "LOVE'S NOT A DREAM" (2:20) [Baker ASCAP—Gershman, Rogers] The girls display some at tractive harmony on this lively ditty about love. Cute offering.

LES BROWN ORCH.

(Capitol 3170; F-3170)

C "HE NEEDS ME" (2:43) [Mark VII ASCAP—Hamilton] Le Brown's ork debuts on Capitol with a pretty ballad from the new Jac Webb pic "Pete Kelly's Blues." J Ann Greer does the vocal. Ok tune.

C "SIMPLICITY" (2:45) [Leed ASCAP—Scott, Carmichael] Le Brown and the boys star instrumentally on this side as they rhyth through an up beat pleaser. Good dance stuff for those who enjoy th lindy.

JERRY VALE

(Columbia 40541; 4-40541)

B+ "HEAVEN CAME DOWN TO EARTH" (2:40) [Progressive BMI—] Jerry Vale comes up wit one of his best wax efforts to date: he dishes up a big reading of a terrific love song. Number is making son noise in blues field. Could be a bi hit for Jerry if Columbia gets b hind it.

B "MAGIC NIGHT" [Weiss & Bar: BMI—] The crooner is accom panied by a cha cha beat as he wend his way through a lovely romant offering. Jerry is in fine form.

Album Reviews

POPULAR

PEPE KELLY'S BLUES—RCA Victor LPM-1126—(1-12" LP)

SMILES; I'M GONNA MEET MY SWEETIE NOW; WHAT CAN I SAY AFTER I SAY I'M SORRY; BREEZIN' ALONG WITH THE BREEZE; OH DIDN'T HE RAMBLE; SUGAR; I NEVER KNEW; SOMEBODY LOVES ME; HARD HEARTED HANNAH; BYE, BYE, BLACKBIRD; PETE KELLY'S BLUES.

What with jazz being presented in every different form by so many different companies, the jazz presented on this release is good, tho no different than so many others. It does, however, enjoy the magic name of Jack Webb, and the publicity that will flow from the fic, "Pete Kelly's Blues", album of the same name. Jack Webb does the colorful narration, introducing each number and the players involved. The group consists of Dick Cathcart, cornet; Matty Matlock, clarinet; Eddie Miller, tenor; Elmer "Moe" Schneider, trombone; Nick Fatool, drums; George Van Eps, guitar; Ray Sherman, piano and Jud DeNaut, bass. Should be stocked and displayed.

MABEL MERCER SINGS COLE PORTER—Atlantic Records 1213—1-12" LP)

IT'S DELOVELY; EV'RY TIME WE SAY GOODBYE; EXPERIMENT; OURS; AFTER YOU; WHERE OH WHERE; IT'S ALL RIGHT WITH ME; SO IN LOVE; LOOKING AT YOU; WHEN LOVE COMES YOUR WAY; I'M ASHAMED THAT WOMEN ARE SO SIMPLE; USE YOUR IMAGINATION; ACE IN THE HOLE.

Mabel Mercer, song stylist, has her steady and rapt audience, and to these her newest album will be an occasion for stopping in at the nearest retailer. Miss Mercer's intimate style, her warmth, perfect diction and choice of material make this a fine release. Her handling of Cole Porter's sophisticated tunes, tailor-made for her talents, is a delight. Never once does the listener miss a portion of the lyric because of a slurred delivery. Tho limited in potential sales market, album should do well.

"SONGS OF OUR TIMES"—Decca Records DL 5496—(1-10" LP)

ROY ROSS AND HIS ORCHESTRA—VOCALS BY TONY RUSSO

This album plays heavily on nostalgia. It contains the leading song hits of 1944 and is designed to "recapture our moods of yesteryear. These songs help us to remember the year we fell in love—the tune to which we first danced together—the year we were married—the year our child was born—the year we went to war—or some other notable event which proved to be a milestone in our lives." So says the album. The notes give a summary of happenings of 1944—our progress in the World War II, the theatre, the baseball diamond and other sundry vital data. The tunes are performed in straight dance tempo, simple arrangements and make for easy listening.

LIGHT OPERA

LEHAR: "Highlights from The Land of Smiles" and "Paganini" — Epic LC-3130 (1-12" LP)

FRANZ SANDAUER—VIENNA LIGHT OPERA COMPANY.

The lighthearted offerings of Franz Lehar are presented via the Vienna Light Opera Company. Highlights from two seldom recorded Lehar works, "The Land of Smiles" and "Paganini" are the subjects. The voices are pleasant, the music appealing and the general effect good. The album should appeal to the limited light opera market. Strongest pull, saleswise, will be the name "Franz Lehar."

CLASSICAL

GREIG: Lyric Pieces—Books I and II, Op. 12 and 38—MGM E3196 (1-12" LP)

MENAHM PRESSLER, PIANIST.

The beautiful miniatures of Greig are skillfully played by the searching fingers of Menahem Pressler, young Israeli pianist, who has been slowly building a following with his MGM releases. The Greig pieces, filled with so much melody and feeling, are performed simply by Pressler, but with a tenderness and warmth of feeling. A delicious offering that can double as music to listen to, or can serve as light, unobtrusive background music to a conversation.

HAYDN: "Oxford Symphony"

BEETHOVEN: "Overtures"—RCA Victor LBC-1087 (1-12" LP)

ROYAL ORCHESTRA, COPENHAGEN; PHILHARMONIC ORCHESTRA. NICOLAI MALKO, CONDUCTOR.

The Haydn "Symphony No. 92," more familiarly known as the "Oxford" and the three Beethoven overtures, "Leonore," "Coriolan" and "Prometheus," are all well known and amply represented on the shelves. It is, however, a well performed release and one that might fit well with any basic library. Filled with melody, it makes a good Summer offering.

JAZZ

JAZZ AT THE METROPOLE CAFE—Bethlehem BCP 21—Vol. 1 (1-12" LP)

BUDDY BOLDEN SAID; KISS THE BABY; COTTON TAIL; JAZZ AT THE METROPOLE; WHEN THE SAINTS GO MARCHING IN; TRUMPET CONVERSATION.

Bethlehem Records takes advantage of the ever growing popularity of the new Broadway jazz spot, the Metropole, with an on the spot recording session. Featured are Red Allen, Cozy Cole and Charlie Shavers. Narrating is Al "Jazzbo" Collins. Though some preparation must have been made, the feeling engendered by the release is one of informality and general enjoyment by all participants. It is a spirited disk that generates excitement and a happy feeling. The gravelly voice of Red Allen and the great trumpet of Charlie Shavers are worth the price of admission.

COOL AND CLEARER—Betty St. Claire—Jubilee Records LP 23 (1-10" LP)

OLD BLACK MAGIC; EAST OF THE SUN; I HADN'T ANYONE TIL YOU; PRELUDE TO A KISS; WHY TRY TO CHANGE ME NOW; MY ONE AND ONLY LOVE; SKYLARK; GIVE ME THE SIMPLE LIFE.

Betty St. Claire sings "cool" with a distinctive and enjoyable style. Her handling of "That Old Black Magic" makes the old tune a new experience. She does better on the swingier items than she does on the slower numbers. Her husky voice is pleasant and her phrasing makes interesting listening.

Record Star?

NEW YORK—Bobbi Dieterle, executive at Cadence Records, returning from the NAMM show at Chicago last week, was hurrying to check her flight at the Midway Airport. As she stood at the desk, waiting her turn, a teener approached her somewhat timorously and asked her for her autograph. Tho flattered, Bobbi asked, "How come?"

"It's obvious," answered the youth. "Aren't you wearing dark glasses and don't you have *The Cash Box* under your arm?"

Capitol Reduces Price of "H" LP's

HOLLYWOOD — Yesterday (Monday, July 18) Capitol Records Distributing Corp. announced that effective that date the dealer discount would be computed on the \$1.98 price for the 10 inch LP Capitol label "H" album line, including record, package and federal excise tax, making the dealer cost price \$1.23 including federal excise tax.

The dealer cost is guaranteed through December 31, 1955. A credit adjustment will be given to Capitol dealers on any 33½ rpm long playing albums purchased on or after July 18, 1955, if any price reduction is made during calendar year 1955.

At the same time it was announced that Capitol's 10 inch "L" line on 33½ rpm records will remain at its present price of \$1.85 to dealers and usually retail at \$2.98, both prices including federal excise tax. Since this "L" line consists of items not available to consumers in any other form, a consistent demand is expected to continue, according to Capitol executives.

"Lombardo Day" Feller Officially Named AMPAR A&R Head

NEW YORK—Sam Clark, president of AMPAR Records, has announced the official appointment of Sidney H. Feller as Director of Artist and Repertoire for the new phonograph record company effective immediately.

Feller, whose two-year contract binds his services exclusively to the AMPAR label, recently severed his association with Capitol Records. As one of the foremost music arrangers in the East, Feller has been responsible for the best-selling Jackie Gleason recordings of the past year. For more than three years he arranged and conducted the recording sessions of Jane Froman. His services have also been used on a free-lance basis by Columbia, RCA-Victor, M-G-M and Coral Records and by such recording stars as Tony Bennett, Rosemary Clooney and Jose Ferrer, Art Carney and a number of other artists.

Feller said he will announce in the near future his method of meeting with music publishers which will give all an equal opportunity to submit material for AMPAR recording.

NEW YORK—Mrs. Lena Lombardo and her four famous sons, who make "the sweetest music this side of heaven," recently boarded a plane in New York for "Mamma's" first plane ride and "Lombardo Day" in London, Ontario. Left to right are sons Carmen, Guy, Lebert and Victor. "Lombardo Day" honored London's most famous family. Guy took along all his Royal Canadians for the occasion.

Maitland Announces Changes In Capitol's Sales Dept.

HOLLYWOOD—A number of personnel shifts in the sales department of Capitol Records has been announced in Hollywood by J. K. Maitland, national sales manager.

Bill Tallant, former staff assistant in New York, has been transferred to the Hollywood executive office as staff assistant to Maitland. Bob Camp, formerly staff assistant to Bill Wardlow in New York, transfers to district No. 4, with headquarters in Los Angeles, to become district sales and promotion manager, reporting to Maitland.

Ed Nielsen, formerly district sales and promotion manager, moves to the San Francisco branch to become branch sales manager, replacing James Peterson, who moved to the company's new Des Moines branch as branch sales manager. Effective July 1, Capitol assumed operation of its own branch in Des Moines after Gifford-Brown, Inc. was discontinued as an independent distributor for Capitol Records Distributing Corp. (CRDC). Capitol now maintains 25 of its own CRDC offices in the nation while contracts with independent distributors continue in effect in 11 other cities in the United States and Hawaii.

Steve Strohman has moved from Philadelphia to the coast executive office where he continues as staff assistant to Bill Wardlow, branch operations manager in Hollywood.

THE CASH BOX RHYTHM N' BLUES Ramblings

NEW YORK:

This week found most of the local R & B hierarchy out at the NAMM Convention in Chicago. It was a great convention from the standpoint of the manufacturer getting together with his distributor. Most of the distributors poured into the Windy (?) City from all parts of the country. A good deal of the business was handled over breakfasts, lunches, dinners or over a cocktail in the manufacturers suite. Among those on the Convention floor were Bess and Ike Berman talking to distributors and raving about their two new Apollo releases, "Please Be My Love," by the Casanovas, and "Nobody Knows" by Mahalia Jackson. Hy Siegel, attending to operations for the Bermans in New York, claims this is Mahalia's greatest. "It gives you the chills," says Hy, who was with Apollo Records when Miss Jackson made her first recording for them. . . . Herb Abramson, Ahmet Ertegun, Jerry Wexler and Nesuhi Ertegun were there to represent Atlantic Records. Herb, Ahmet and Jerry working hard to introduce their new subsid, Atlas Records, while Nesuhi was promoting the Atlantic jazz line. The Atlantic crew also introduced a powerhouse Convention special that included releases by Ruth Brown, Al Hibbler, Clyde McPhatter, and Joe Turner. . . .

MAHALIA JACKSON

The Penguins, Mercury group, received the annual 7-Up Youth Award for their outstanding contribution and for their ability to write and create fine entertainment for the youth of America. Johnny Lindell, former New York Yankees pitcher, made the award. . . . George Goldner, Tico Records, plans to make a trip around the country after the Convention is over. Goldner has a hot item, "The Bandit," by Eddie Barclay, that has broken the charts in several cities and looks like it can become a national hit. . . . Also seen here and about the Convention floor were Jerry Blaine, Jubilee and Josie Records; Leonard and Phil Chess, Chess and Checker Records, who have come up with another sleeper, "Maybellene," by Chuck Berry; Syd Nathan & Jack Kelly King Records, extolling the sales pulling power of "Seventeen" by Boyd Bennett; Herman Lubinsky, Savoy Records, all worked up over his "Piddly Patter Patter" by Nappy Brown and "Listen To This Song" by Wilbert Harrison. . . . Joe Davis, Jay-Dee Records, enthused about two releases that have been getting a good immediate reaction. "True Love" by Dean Barlow and "The Meaning of Love" by The Golden-tones. . . . Ray Clark, Groove Records, advises his new group, The Coronets, will be released next week with the first r & b version of the pop hit, "The Bible Tells Me So." Also to be released is a new DuDropper ep titled, "Tops In Rhythm and Blues." . . . Al Silver and Jack Angel remained in New York this week because they were tied up with rehearsals and sessions. The Herald pair have high hopes for a new release by The Turbans, samples of which went out last week. Tune is titled, "Tomorrow," and Al and Jack feel they have a new hit and a new hit group. . . . "Maybellene" covered by Johnny Long on Coral. We also hear several other majors are interested. . . . Johnny Comacho, Latin A & R head at RCA Victor, releasing platters by Luis Arcaraz and Juan Garcia Esquivel. Johnny expects both to become big stars in the American market. . . . Herman Lubinsky back in New York flipping with excitement because of a master he picked up while in Chicago. The tune, "Blow Mr. Low," is by Joe Williams and Lubinsky expects it to be a sensation R & B and pop. . . . Zell Sanders, manager of The Hearts, Baton Records, writes to tell us her group is always ready to appear at any Youth show. The Hearts did just that not too long ago at a Teener Dance in Harlem and they were just great.

RUTH BROWN

CHICAGO:

Many of the R&B music men attending the NAMM Convention here this past week and the majority of them making it a combination of business and pleasure. Meeting old friends, taking a few orders and discussing the general trend in R&B. And most of all of them in agreement that the situation is well in hand and things look good. Just to mention a few of the people we ran into: Bess Berman of Apollo Records, Jack Hooks, Roost Records, Johnny Halonka, Alpha Distributors, N. Y., Sid Talmadge, L. A. Distrib., Irv Marcus of Duke and Peacock Records, Paul Shorten, Allied Distributors, in San Francisco, Jerry Wexler, Atlantic Records, Marvin Lieber, Pan American Distributors, Miami and Jacksonville, Fla., Nate Duroff, Monarch Record Mfrs., Frank Natco, Original Records, and Jim Shevlan, Epic representative. . . . Smitty of United Records all smiles as he tells us about the call he received from The Moroccos, straight from Australia, while at the convention. The group, originally scheduled to stay only a short time, is now booked thru Christmas and so very thrilled over the extended engagement. The boys are really going over with a bang, all reservations sold—S.R.O. Smitty reports a new release from The Moroccos due shortly. . . . The Spaniels cutting four sides for Vee-Jay, two of which have an early release date set. . . . Talked with George Goldner of Tico

THE SPANIELS

Records, Noo Yawk, in town for the convention. George reports, "Eddie Barclay's, 'The Bandit', doing very well here." . . . We hear from Mike Grondy of Mambo Records about their new group called The Colts. Mike looks for these boys to really go places and predicts, "A big first release for them." . . . The Squires disking of "Sindy" on Mambo label starting to show up on R&B listings here. . . . Della Reese and The Meadowlarks booked for the Chi Thitter starting 8/19. . . . Ben Webster, the sweet tenor man, on Clef label, opens the

Cadillac Lounge, 7/29, for an indefinite stay. . . . Sonny Stitt continues on at the South Side's Stage Lounge where he is attracting large nightly crowds. . . . Sam Evans considering a suggestion by Phil Waddell, Detroit promoter, that Chicago and Detroit conduct a "Battle of the Groups." Waddell suggests that he and Evans transport various singing groups to the two cities and see which one can outsing and outdraw the other. Should be interesting to watch! . . . Bill Ball of Choice Distributors, Kansas City, came to Chi looking for lines and found them not at the convention but over at United Record Distributors. No need to say this made George Leaner of United a very happy guy. "That's the way we like to do business," said George.

The Penguins working the Saltair Ballroom in Salt Lake City July 22 through 25. . . . RHYTHM 'N BLUES REVIEWS

ⓐ AWARD & SLEEPER	ⓐ GOOD
ⓑ EXCELLENT	ⓑ FAIR
ⓓ VERY GOOD	ⓓ MEDIOCRE

SMILEY LEWIS
(Imperial 874)

B+ "I HEAR YOU KNOCKING" (2:23) [Commodore BMI—D. Bartholomew] Smiley Lewis hears her knocking but won't let her in. A slow rocking blues given a very strong vocal treatment. Lewis gives this tune a lot of drive and the item could stir up strong action. Watch it closely.

B "BUMPITY BUMP" (2:20) [Commodore BMI—D. Bartholomew] Another "Shake, Rattle and Roll" type tune. Ok delivery.

GLADYS PATRICK
(MGM K 55010)

B "UNCHAIN MY HEART" (2:37) [Winneton Music BMI—Otis, Sanford] Gladys Patrick sings a pop styled rhythmic bouncer blues. The thrush does a good job on the "Tweed-lee Dee" type tune and disk should get juke box and airplay.

B "THE BLUES" (2:51) [Marlyn Music BMI—Patrick] Miss Patrick sings a slow blues with a torch treatment in good voice. Arrangement unusual and effective.

JACKIE KELSO
(Mambo 108)

C+ "BLUE MOON" (2:34) [Robins—Rogers and Hart] Jackie Kelso rides a scintillating sax as he performs the standard. Good juke box and programming item.

C+ "SMILES" (2:35) [Remick—Roberts, Tallahan] Another oldie is given the delectable sax treat of Kelso. Both sides have a strong beat and make good listening.

DEAN BARLOW
(Jay-Dee 805)

B "TRUE LOVE" (2:45) [Joe Davis ASCAP—Joe Davis] Borrowing from the masters, Barlow sings a lovely refrain with a blues ballad treatment. Romantic gliding tune that has much melodic appeal and the advantage of familiarity. Pop has often dug into the classics for material but this is the first time we remember r & b making the move. Should enjoy a good sale.

B "MY LIFE IS EMPTY WITHOUT YOU" (2:35) [Joe Davis ASCAP—Davis] Another pretty in the same vein. Barlow does well with this type of romantic dream stuff. Middle beat mellow.

SUE ALLEN AND OSCAR BLACK
(Groove 0115)

B+ "BABY PLEASE DON'T GO" (2:54) [Time BMI—Black] Oscar Black sings a romantic rhythmic blues with an effective projection that could grab off a big portion of spins and sales. Black pleads convincingly. Good wax.

B "I'LL LIVE MY LIFE ALONE" (2:00) [Time BMI—Black] Sue Allen and Black perform with strength and appeal as they rock gently with a slow blues. Good team and ok side.

★ AWARD O' THE WEEK ★

"DON'T YOU KNOW I LOVE YOU" (2:20)

[Danby Music BMI—Singleton, McCoy]

"I WISH I'D NEVER LEARNED TO READ" (1:56)

[Rush BMI—Thomas, Kirkland]

THE FIVE KEYS
(Capitol F3185)

● The five Keys offer a strong two sider. An up tempo bouncer, titled, "Don't You Know I Love You" and a pretty weeper ballad, "I Wish I'd Never Learned to Read". The jump side, "Don't You Know I Love You", is a happy bubbly effort with romantic lyrics and the Keys sing it

with strong effervescence. The flip, "I Wish I'd Never Learned To Read", is a lyrical offering in which the lads blend sweetly. It is the sad story of the letter that breaks off a romance. Beautiful harmony. Two strong sides, equally stacked with potential.

"MAYBELLENE" (2:29)

[Arc BMI—Berry]

"WEE WEE HOURS" (2:43)

[Arc BMI—Berry]

CHUCK BERRY
(Chess 1604)

● Chuck Berry comes up with a powerful piece of wax titled, "Maybellene", that seems to have the assets necessary for hitdom. A driving item, Chuck gives it a personality reading. A strong set of lyrics, a good beat and a country flavor

makes this a powerful threat. Chuck swings from beginning to end. The flip, "Wee Wee Hours", is a slow, low lights blues. Berry mournfully sings his lonesome tale and conveys his feelings effectively. A good side just short of the selling power of "Maybellene."

"FLAP" McQUEEN-RAY O VACS
(Josie 044)

B "DADDY" (2:24) [Benell BMI—Thompson, McQueen] "Flap" McQueen and the Ray O Vacs blend on a slow jump side extolling the assets of "daddy". Babe Hutton handles the vocal. Good juke box number.

C+ "I STILL LOVE YOU" (2:16) [Benell BMI—Pee Wee Creighton] Herb Milliner is lead vocalist on this side. Herb and the Ray O Vacs work over a slow blues with feeling. An easy, swaying item for the dim-light room.

ROY MILTON
(Dootone 369)

B+ "YOU GOT ME REELING AND ROCKING" (2:07) [Dootsie Williams—Roy Milton] Roy Milton is in a driving mood as he 'reels and rocks' this moving item. It's a short tune that makes for good air and juke box programming. Roy sells the tune with an effervescence that pays off.

B "NOTHING LEFT" (2:37) [Dootsie Williams—Milton, Pierce] The flip is an abrupt change of pace. Here Milton sings a slow, tearful blues. An emotional and good performance.

THE CASH BOX

Rhythm 'N Blues SLEEPER OF THE WEEK

"IT ONLY HAPPENS WITH YOU" (2:37)

[Seal Music BMI—]

"WALKIN' DOWN BROADWAY" (2:33)

[Seal Music BMI—]

THE PENGUINS
(Mercury 70654)

The Penguins come up with a soft melodic item, "It Only Happens With You", that is strong enough to put them back into the charts. A romantic lyric, a sweet melody, a high falsetto lead and good teamwork takes this side out of the ordinary and gives it a good chance to

click in a big way. The flip, "Walkin' Down Broadway", is another strong offering. It is the rhythm side and the boys rock it out smartly. Item is a middle beat jump that the kids can take to. Like both sides, but lean slightly to "It Only Happens With You."

THE CALIFORNIANS
(Federal 12231)

C+ "HEAVENLY RUBY" (2:05) [Armo BMI—Hampton Nicholson, Odom, Smith] The Californians make their debut with a mediocre offering. A slow blues ballad of routine nature.

B "MY ANGEL" (2:15) [Gallo Otis BMI—Odom, Otis] Similar offering. The group sings the slow blues ballad sweetly. Lead singer is ok. Deck comes off the stronger side.

THE FLAMINGOS
(Checker 821)

B+ "I WANT TO LOVE YOU" (2:43) [Arc BMI—Nelson, Freed] The Flamingos perform expertly on a very strong piece of material. Deck could take off and really be a strong seller. The stylish Flamingos blend beautifully for an impressive side.

B "PLEASE COME BACK HOME" (2:42) [Arc BMI—Nelson] The group again performs smoothly on a ballad pretty that is easy to listen to though it falls short of the upper deck.

THE GOLDENTONES
(Jay-Dee 806)

B+ "THE MEANING OF LOVE" (2:36) [Beacon BMI—Verson Harris] Pretty ballad that can go either pop or r & b. Dramatic delivery by lead singer of the group is good and should be a strong item for the urban markets.

C+ "RUN PRETTY BABY" (2:32) [Beacon BMI—Melvin Johnson] Tune that bears strong similarity to "Bunny Hop" is given a mediocre reading.

SPIRITUALS

DIXIE HUMMING BIRDS
(Peacock 5-1742)

B "IT MUST HAVE BEEN THE LORD" (2:39) [Lion BMI—Rubin] The Dixie Humming Birds work their way through the religious number with a syncopated treatment that generates excitement.

B+ "TAKE CARE OF ME" (2:43) [Lion BMI—James Walker] The Dixie Humming Birds change their mood on the other side and offer a slow, sincere and touching chant plea to be taken care of. Lead and answer work together as effectively as always. Strong side that should prove to be a good seller.

ANGELIC GOSPEL SINGERS
(Nashboro 558)

B "JESUS NEVER FAILS ME" (2:39) [Excellorec BMI—Allison] The Angelic Gospel Singers move slowly and sincerely through the gospel tune and then pick up the tempo for a swinging beat embellished with handclaps and shouts. Strong religious wax.

B "I'LL BE ALRIGHT" (2:40) [Excellorec BMI] The Singers wax tenderly on a simple, slow tempo spiritual. Performance good.

Jazz at the Metropole

NEW YORK—Bethlehem Records was host at a cocktail party to premiere their new album "Jazz At The Metropole" held at the Metropole Cafe where the album was recorded. From left to right: Hilda Simms, Rick Willard, Jack Walker, WOV disc jockeys; Murray Singer, national sales manager of Bethlehem; Creed Taylor, A&R director of Bethlehem; Norman Orleck, The Cash Box; Leigh Kammon, WOV disc jockey.

"Workshop" Will Be Feature of New Victor Jazz Program

NEWPORT, R. I.—Plans for the most comprehensive jazz program in the history of RCA Victor were revealed at the Newport Jazz Festival.

Jack Lewis, Victor's director of jazz artists and repertoire, said that a minimum of 800 jazz sides would be cut by the company during 1956. This compares with an estimated 400 during 1955.

Victor's rejuvenated jazz program was launched under Lewis' direction and the supervision of Emanuel Sacks, Victor vice president and general manager, and Joe Carlton, overall director of pop and jazz artists.

"We at Victor feel that the potential market for jazz records eventually will make this field one of the most profitable phases of the industry," said Lewis. "That is why we intend to continue and build the most definitive jazz catalog in the business."

Lewis said that one of the most important facets of Victor's jazz program would be a "Jazz Workshop," a project that already is underway.

"Workshop will consist of a series of albums in which young artists will be given the widest latitude in composition, arranging and performance," he added.

Three of the "Workshop" albums now are in the works under the direction respectively of Al Cohn, Bobby Brookmeyer and Billy Byers.

"All three of these musicians are alike in that they each compose, arrange and perform," Lewis explained. "Other musicians of this same calibre also will be given an opportunity for full expression in 'Workshop'."

Lewis added that "Workshop" would not include only novel numbers.

"Music doesn't have to be modern," he said. "As far as I'm concerned, it's modern if it swings."

Lewis said that Victor also would concentrate on discovery of vocalists who "comprehend and have a feeling for jazz."

"We recently signed Teddi King," he said. "We regard Teddi as one of the greatest jazz personalities of the day. Throughout the year we will be looking for other youngsters who, like Teddi, have a great potential in the jazz field."

Lewis said the re-issue of jazz classics from the Victor catalog would be stepped up still further.

"Victor has built up a tremendous jazz catalog through the years," he said, "and I feel that the public is in a mood to hear more of this great music of the past."

Crew-Cuts Launch Own Tonsorial Products

CHICAGO—Since they cut their hair and began cutting hit Mercury platters, the Crew-Cuts, because of their special appeal to the teenage set, have become a potent trademark for products as well as tunes. And what is more natural than to produce and sell their own hair toiletries—Sh-Boom Shampoo and Collegiate Cream Oil Hair Dressing!

On the market since last month (June), the boys' tonsorial concoctions are climbing up the best-seller toiletry charts in every city in which they make a vocal stand. It's a case of on-the-spot promotion.

An added sales draw is the tag attached to each bottle of Sh-Boom Shampoo and Collegiate Cream Oil which entitles the purchaser, for the sum of 50c, to obtain two Crew-Cuts' recordings, "Dixie Danny" and "In A Little Spanish Town," which are not available through record stores.

As yet, the boys and manager Fred Strauss do not know which is the "A" side—the shampoo or cream oil, that is.

Basch Seeks Filmed Interviews For New Teen-Age TV Series

NEW YORK—Buddy Basch has been signed by Victor and Richards, Inc., New York advertising agency, to secure the filmed interviews for their forthcoming syndicated TV series "Top Ten Dance Party".

Basch is currently arranging for top recording and other show business personalities to film a three-minute interview to be inserted into the program locally. This would be the equivalent of the artist being interviewed locally on thirteen (the current number) stations without budging from New York.

Films will only be used one time per market and the interviewee will be allowed to insert whatever plugs he or she wishes for forthcoming records, movies, etc. Currently, films will be run in the following markets: Bloomington (Ind), Detroit, Nashville, Columbus, Dayton, Cincinnati, Atlanta, Topeka, Toledo, Cleveland, Portland (Me.), Huntington (W. Va.) and St. Louis. Contact Basch at 17 E. 45th Street, New York 17 (Murray Hill 7-8351) for details.

Gayle Reactivates Advance Records

HOLLYWOOD—Tim Gayle has reactivated his Advance Records label, and in conjunction with several west coast and midwest associates, plans to issue regular schedule of commercial releases. In past Gayle has used it largely for promotional platters. It was in this manner that he started a number of Lorry Raine recordings, including her "Harbor Lights" and "Strangers" taken over by London in '50 and eight sides Coral took over in '51, including the reissued "Am I Blue."

First release has gone out, Lorry Raine's "Show Me the Way to Forget You" and "Laugh, Laugh, Laugh" with thrush's "But Yes, My Sweet" and "If It Weren't For You" next on agenda. Advance also contemplates issuing a Johnny Holiday record and possibly a Chuck Cabot disking. In December Gayle set some Cabot masters with Cardinal and is ork leader's p.a.

NASHVILLE—Pictured here is Justin Tubb, along with his recording manager (center), Decca's Paul Cohen, and Justin's personal manager, Gabe Tucker. The picture was taken recently when Justin recorded his "All Alone" and "Within Your Arms." Decca is all excited about this one; and many have predicted this to be Justin's biggest record.

Radio-Telephone Calls To Be Used By Karey

CHICAGO—Jack Karey, popular WCFL deejay, this city, announced this past week, a new policy on his show, of telephoning a recording personality and chatting about the artist's latest release, club dates, etc.

Of this new policy, Jack says, "I realize this isn't an entirely new idea, but I believe it is the first time such a policy will be used as daily fare."

"There won't be phone calls just for the sake of wasting time, but only if there should be good news possibilities in the call."

"My first call", concluded Jack, "to Pat Boone in Washington, D. C., received such wonderful response from listeners that I am more than encouraged to go on with these radio-telephone conversations."

Helps Raise Polio Funds

NEW YORK—Mae Williams, recording artist for the American label, left for a 17 city trip on July 20 to help raise funds for the Sister Kenny Foundation For Polio. Miss Williams will pay all her own expenses, making the trip in a twin engine plane.

Miss Williams will also contribute all royalties from her current American release, "Break Through" backed with "Huckleberries".

CINCINNATI CUT-UPS

This year we are promised a "New Look" at the State Fair in Columbus by Sam Cashman, manager of the fair, because visitors last year remarked that displays and even the locations of exhibits haven't changed in the past 20 years. A 300 piece band dressed in Bermuda shorts will be on hand with a parade of stars to appear at the Coliseum which will include Gisele MacKenzie, Frank Parker, Bill Hayes, and the Chordettes. With the Circus coming to town this week, somehow we feel like a kid again looking forward to this season of big tops and sawdust walks.

Herman Griffith has joined the staff of WCIN. A few years ago he appeared on WLW's "Builders of Destiny" before working radio thru the south. He now returns to replace Ted Byrd at that station. . . . Marty Roberts back on the WCKY Jamboree after a vacation and appearances with Pee-Wee King (Victor) over ABC-TV and Casey Clark in Detroit. . . . Jimmie Skinner (Decca) also making the rounds of the King and Clark shows. . . . Waite Hoyt and Jack Moran will travel to Bumville this weekend to broadcast three games of the Reds-Dodgers from Ebbets Field. . . . Elinor Wright and Lee Bowman will head the cast this week at the Summer Playhouse in "Dial M for Murder". . . . Lillian Roth is the star attraction at Beverly Hills which is one of the best floor shows offered this season by the club. . . . Buddy Morrow, his trombone and orchestra at Moonlight Gardens this weekend. Johnathan Winters, a Springfield, Ohio comedian, turned in a capable performance as Gobel's Summer replacement. . . . Bert Farber, who now conducts the Godfrey's orchestra, received a lot of raves in local papers when he was featured as pianist on the Wed. show. Bert along with Lee Erwin worked at WLW for many years.

New Polka Record Company Organized

CHICAGO—A new recording company which will be known as Polka Artists has been organized in Chicago. The label features the following Chicago Polka Bands: Boulevard Cavaliers, Polka Toppers, Melody Boys and Polka Knights.

Albert C. Michelotti, president of the Polka Artists Company, instituted polka programs at Radio Station WOPA in Oak Park. In the past two years this type of programming has grown to the point where some 300 half-hour programs are broadcast monthly. Vice-President of the firm is Egmont Sonderling, who formerly headed the Master Record and Swingmaster labels.

Polka Artists label is now negotiating with six additional bands and will have a complete Polka catalog ready for national distribution this fall.

THE CASH BOX
BULLSEYE of the WEEK

"SO LOVELY, BABY" (2:18)
[Acuff-Rose BMI—Kershaw, Miller]

"LOOK OUT" (2:21)
[Herb Reis BMI—C. Walker]

JOHNNIE AND JACK
(RCA Victor 20-6203; 47-6203)

● Johnnie and Jack once again pool their wonderful talents and they come up with a pair of delectable platters that have all the ingredients needed to carry them way up the popularity charts. The pair nominated by the country de-jays as the "Most Programmed Vocal Group" in the Cash Box poll, lead off the release with a real, happy-go-lucky, romantic novelty tabbed "So Lovely, Baby." The other side, "Look Out," is a bright and lively ditty with an infectious beat, similar to their waxing of "Beware Of It." Both ends are performed in the "pure country style" groove and they make for pure listening pleasure. It looks like the boys have a double-barreled smash on their hands.

"MOST OF ALL" (2:44)
[Texoma ASCAP—H. Thompson]

"SIMPLE SIMON" (2:18)
[Brazos Valley BMI—B. Auge,
B. Gray]

HANK THOMPSON
(Capitol 3188; F3188)

● A potent piece of material, tailor-made for Hank Thompson's velvety tones, is waxed by the artist in a manner that could send it up to the number one spot. The tune, titled "Most Of All," not to be confused with the recent pop and r&b favorite, is a middle tempo, lover's lament that the songster delivers with telling effect. An excellent example of a perfect marriage of melody and lyrics. On the flip, "Simple Simon," Thompson breezes through an inviting, quick beat romantic item that tells about a lad who is fickle in the ways of love. The Brazos Valley Boys, who were chosen as the "Most Programmed Dance Band" in the recent Cash Box poll, back up both ends in superb fashion. Watch the top half.

AL TERRY
(Hickory 1029; 45-1029)

● "NO, NO, JOHN" (2:42) [Acuff-Rose BMI—Terry, Miller, Terry] Al Terry advises John to "stay single" on this tantalizing, quick beat novelty that could build into a tremendous side. Watch it.

● "GONE AGAIN" (2:32) [Acuff-Rose BMI—Atkins, Carter] On this end Terry persuasively vocals a middle tempo weeper with expressive lyrics. Terrific coupling.

HERB HENSON
(Abbott 182; 182-45)

● "MAN HOLDS LIGHTNING IN HIS HANDS" (2:32) [Dandelion BMI—C. Ellis] The distinctive vocal styling of Herb Henson lends itself to a spirited, fast tempo, religious-flavored item with moving lyrics. Solid choral and instrumental support.

● "OLD JALOPY" (2:22) [Dandelion BMI—Jolonsa, C. Gaspard] Henson and chorus dish up another fine reading on an enchanting, quick beat, sentimental piece.

LOUIS INNIS
(King 1485; 45-1485)

● "THE KISSING CHAIN" (2:28) [Modern Age BMI—L. Williams] Louis Innis hands in a real snappy vocal job on a flavorful bouncer with charming lyrics. Capable support by the string band.

● "LET'S MAKE UP TONIGHT,
HONEY" (2:06) [Mar-Kay BMI—James, Innis] On the bottom portion Innis neatly fashions an interesting, quick tempo item.

PATSY CLINE
(Coral 61464; 9-61464)

● "A CHURCH, A COURTROOM,
THEN GOODBYE" (3:01) [Four Star BMI—E. Miller, W. S. Stevenson] Patsy Cline offers a first quality reading on a middle tempo heartbreaker. A powerful tune that the chirp sings with the utmost of feeling.

● "HONKEY TONK MERRY GO
ROUND" (2:18) [Four Star BMI—F. Simon, S. Gardner] Reverse etching is an engaging, quick beat, rhythmic piece that Patsy knocks out in zestful style. Two good sides.

TOM TALL
(Fabor 125; 125-45)

● "GIVE ME A CHANCE" (2:12) [Dandelion BMI—T. Tall] Tom Tall handles the vocal efforts in grade "A" fashion as he waxes a lilting, up tempo piece with fetching lyrics. Could catch on.

● "REMEMBERING YOU" (2:45) [Dandelion BMI—B. Franks] Under half is a touching, middle tempo lament that Tall performs in soft and tender style. Effective mid-deck recitation.

"SLEETS" YANEY
(MGM 12043; K12043)

● "I MAY BE LONESOME" (2:13) [Acuff-Rose BMI—Willis] A quick beat, sentimental tune gets treated to a neat vocal performance by the mellow-toned "Skeets" Yaney. Melody and lyrics blend in easy-on-the-ears manner.

● "SWEETHEART OF MY BEST
FRIEND" (2:40) [Acuff-Rose BMI—Luton, Clevenger] This end Yaney warmly spins a sad, slow moving lover's tale.

JIMMY LITTLEJOHN
(Columbia 21417; 4-21417)

● "NEVER, NEVER, NEVER" (2:21) [Fairway BMI—Meredith, Littlejohn] Jimmy Littlejohn, alias "The Tall Texan," dishes up an impressive reading on a feelingful, quick beat item that could create noise in the boxes and over the airwaves.

● "WALKING THE STREETS" (2:09) [Acuff-Rose BMI—G. Evans, J. Fields, Littlejohn] Flip is an up tempo weeper that the warbler delivers in coin-catching fashion.

HACK JOHNSON
(Colonial 405; 45-405)

● "CRAZY BANJO MEDLEY" (2:32) [Bentley BMI] Hack Johnson and his Tennesseans, Allen Shelton featured on the banjo, team up in sensational style as they knock out a high flying instrumental piece that fits perfectly into the current trend.

● "SWANEE RIVER" (2:32) [P. D. S. Foster] Johnson and the gang treat this evergreen to a top drawer vocal as well as instrumental performance.

THE CASH BOX Country Roundup

WSM GRAND OLE OPRY . . . Hubert Long, personal manager of Faron Young (Capitol) and the Wilburn Brothers (Decca) has literally swamped the mails with an avalanche of publicity regarding Faron's appearance in the forthcoming film "Hired Guns". Long has wasted no time in seeing to it that the deejays

FARON YOUNG

are also aware of Faron's latest release . . . "All Right" and "Go Back You Fool" which he has taken particular care to promote through his various publicity releases. Young flew back to the West Coast last week where he was scheduled to record with a chorus the "opening and closing" for his "Hired Guns" flicker, Long reported. Tom Disken, who is currently handling the Hank Snow tour, reports from the road that the show is progressing nicely with good turnouts. Disken said there were many disk jockeys taping interviews all along and showing great interest in having Hank and the other artists play their towns. In addition to Snow, the show featured: Martha Carson (RCA Victor) and her Country Gentlemen, the Davis Sisters, Skeeter and Georgia, Mother Maybelle and the Carter Sisters, Anita and Becky and Jimmie Rodgers Snow, Tommy Warren, musician with the Lonzo and Oscar Show, reports that the group recently enjoyed a very successful tour through Florida. Several of the entertainers took their wives along for this trip, making it a combination business-vacation jaunt; Major Joe Gigandet and Capt. Hickman, along with Pfc. Richard Hayes, were in Nashville last week and managed to get several transcribed 15-minute radio shows set up for their "Country Style USA Show" for the Army. Richard Hayes is now working the emcee spot where Cpl. Mark Hamilton left off. Hamilton is free-lancing at the present. Hayes is carrying on with the "Country Jamboree" over WOR and Mutual from New York. Artists featured on the "Country Style USA Show" were: Hank Snow (RCA Victor), Faron Young and the Wilburn Brothers, Ernest Tubb (Decca), The Carlises (Mercury), Little Jimmy Dickens (Col.) George Morgan (Columbia), Hawkshaw Hawkins (RCA Victor), Grandpa Jones (RCA Victor) and Ray Price (Columbia). WSM is now presenting a half hour of their Grand Ole Opry on television on Saturday nights through the summer from 8:00-8:30 and at the same time feeding this portion through radio also. Fred Baker (Capitol) who has been making the rounds lately promoting his latest disk "I'm Not Giving Up That Easy" and "I Fish With A Wish" spurred the disk's popularity further last week when he appeared as guest on the 'Opry' and guested on Ernest Tubb's Midnight Jamboree from Tubb's Record Shop here in Nashville. Little Jimmy Dickens (Columbia) and Del Wood (RCA Victor) took a breather last week when they returned from several weeks of personal appearances. However, the group are slated for more heavy personal appearances right away. Johnnie and Jack (RCA Victor) and Kitty Wells (Decca) along with Roy Acuff (Capitol) and his Smoky Mountain Boys back on the road with Johnnie and Jack's and Kitty's personal manager, Frankie More taking care of the business end and Oscar Davis handling the promotion. Murray Nash took off for work in the Dallas area last week. Hal Smith, personal manager of Carl Smith and the Tunesmiths (Columbia) reports that Carl and his band headlined the show

CARTER SISTERS

in Edmonton, Alberta for six days July 18-23. The show is Canada's way of putting on what is known in the states as a State Fair. Webb Pierce (Decca) and Red Sovine (Decca) and the Wondering Boys worked the Rainbow Ballroom in Denver, Colo. July 15-16. From this date, the group toured to Peoria, Ill., Angola, Indiana and then worked two theatre dates in Warren, Ohio and Cleveland, Ohio. On July 25 Webb and Red appeared on the Pee Wee King TV Show and on July 30 Webb is scheduled for a CBS Network guest spot on the Julius La Rosa Show from New York. Gabe Tucker, personal manager of Ernest Tubb and Justin Tubb has Justin set for a forty-five day tour starting Saturday (July 23). Justin will tour the North and Northwest on this tour. Also, Tucker has Ernest working a ten-day tour through the middle West, working for Hap Pebbles. On this same show will be Decca's Bob Wills and Columbia's Marty Robbins.

HAYRIDE HAPPENINGS . . . Jim Reeves (RCA Victor) is flying back into Shreveport, La. on Saturday nights for his appearance on the 'Hayride' while he is currently touring the West, Northwest and Canada. Reeves is getting some mighty good air play on his current release of "Yonder Comes a Sucker" and "I'm Hurtin' Inside". Tom Perryman continues to handle bookings for Maxine and Jim Edward Brown (Fabor.) Ray Bartlett, personal manager of Slim Whitman (Imperial) all tied up with work on Summer personal appearances for his artist. Horace Logan now caring for Artist Bureau business in addition to his regular duties and program director and producer of the "Louisiana Hayride." Slick Norris into Nashville recently with 'Hayride' artist Jimmy Newman, who is making big noise with his Dot recording of "Blue Darlin'".

LONZO & OSCAR

THE BIG "D" JAMBOREE . . . Al Terry (Hickory) was into Dallas recently for a guest spot on the Show. Terry previewed his latest Hickory recording "No, No John" for the first time and it was well received. Joe Lucas of Hickory Records made the trip with Terry. On July 16, the Rangers Quartet and the Five Strings returned to the Big "D" for guest appearances. The Rangers will soon return to California to work in the Walt Disney enterprises. Lafawn Paul is out on the West Coast making her first records for the Abbott Record Company. Upon LaFawn's return to Dallas, George McCoy, a steel guitarist on the show and a partner of Johnny Harper on his afternoon KRLD-TV Kiddie Show will take the same route and debut for the Abbot label also. Hank Locklin (RCA Victor) worked Wichita Falls on July 16. Charline Arthur (RCA Victor) will be on the Big D only once this month—the rest of the time she will be working personal appearances. Elvis Presley (Sun) returned to guest line-up at the Big "D" on July 23. Sonny James (Capitol) has signed for an appearance in Memphis on Aug. 5 and will appear on the 'Opry' on August 6. On the 13th of Aug. Sonny is slated for a guest spot on the Red Foley ABC TV'er "Ozark Jubilee" in Springfield, Mo. Following this date, Sonny will work Little Rock, Ark.

FROM THE CROSSROADS OF COUNTRY MUSIC . . . When Webb Pierce (Decca) recently appeared on the Red Foley "Ozark Jubilee" TV Show, Foley presented Webb with the Cash Box Award—which named Pierce as the number one male vocalist in the Country field. Interesting sight on the last week "Jubilee" TV Show was the medley on "Satisfied Mind" sung by Porter Wagoner (RCA Victor), Jean Shepard (Capitol) and Red Foley (Decca). Each artist sang a verse of the song, and for the finishing touch—the three grouped together and sang in harmony "Satisfied Mind". No doubt, here's one tune that has ben put across in the Country field, through the exposure of TV. All three artists on the "Jubilee" have the song on wax. Columbia's Robby Lord, a regular on the "Jubilee," was the only Country artist on the label to attend Columbia's recent convention held at Miami Beach, Fla.

COUNTRY SMATTERINGS . . . Herb Clarke reports from WRVA, Richmond, Va. . . Don Reno and Red Smiley, regular attractions on WRVA's "Old Dominion Barn Dance", are now working a heavy slate of personal appearances out of their Richmond headquarters. A couple of rain-soaked Sunday afternoons are the only minuses in an otherwise prosperous summer for the King Records pair. In the works for Reno and Smiley is an early fall tour through the deep South. Slick Norris reports that Paul Kallinger, XERF, Del Rio, Texas, is still passing out cigars after the recent birth of Brenda Jean, the second girl for the Kallinger's, Paul and Ann. Werly Fairburn and personal manager Keith Rush were into Nashville recently. While in town Werly recorded his first sides for Columbia Records. Carl Stuart worked a very successful July 9th date at Belfast, Maine, the occasion being "Broiler Day" which was sponsored by the local Masonic group to raise charitable funds. WVOM has announced the appointment of Ralph Weinman as Vice-president and General Manager of the station. Weinman is well acquainted with Country music and its happenings in the area and will be a great asset to both WVOM and Country music. Herbert L. Shucher is Carl's personal manager. Jim Wilson (Mercury) continues to get out the promotion on his latest disk . . . "Daddy, You Know What" which has shown some very fine action to date and looks very good for Jim! Jack Turner (RCA Victor) is doing a very good job with his TV show . . . the Jack Turner Show over WSAF-TV in Montgomery, Ala. on Monday, Wednesday and Friday from 5:00-5:30 p. m. and his "Alabama Jubilee" Show on WSAF-TV on Tuesday nights at 9. This is a production show, and Jack who has done much painting and art work, designs his own sets for the show. Fred Baker (Capitol) was a recent guest on the "Alabama Jubilee" with Turner. A special thanks to Fred Wamble, of WBAM and XEG, Ft. Worth, Texas for the "One Week Salute" on his shows. I am very grateful for this honor. Fred each week takes some personality in the music business and spotlights them on his XEG, Ft. Worth, Texas Show for seven nights. These salutes are aired from 12-1 AM and 2-3 AM only. The frequency of XEG is 1050 kc. Uncle Jim Christie and Fred split four hours each night. Thanks again Fred, and thanks to those of you who nominated me for this honor . . . Charlie Lamb. The latest entry into Country music is Judy Lynn Voiten . . . none other than "MISS IDAHO" of 1955. Judy Lynn, as she will be known in the music business, was judged winner of the contest over twelve other contestants, representing as many Idaho cities. Judy will enter the "MISS AMERICA" contest in Atlantic City on September 5th to compete for "MISS AMERICA", and of course, Judy is going to be in full western costume, and she will pick her guitar, sing her own western composition, and

JUDY LYNN

have her own western band backing her up. According to word from John Kelly, promoter of top names in the Country music field, John says that in the parade in Atlantic City, Judy's float will be of a corral fence with bales of hay and her western band will be aboard the float, playing and clowning while Judy passes in review. During the past year, Judy has been busy on tours continually over the country, appearing with such artists as Eddy Arnold, Faron Young, Cowboy Copas, Minnie Pearl, Red Foley, Rod Brasfield, Ray Price, and other Grand Ole Opry stars. John Kelly is exclusive manager for Judy. Curtis Gordon (Mercury) telephoned last week from Mobile, Alabama, saying that he was going into Military Service. Good luck, Curtis. Curtis said he would keep me posted as to where he would be stationed, and we'll pass the word along so his friends can keep in touch! Martin Robertson, doing a good job of promoting country music. Robertson works out of Nashville with Music City Record Distributing Company. John Towles of Capitol also does a good job . . . John works for Capitol Records. Hal Harris and his band of Houston, Texas busy playing dance dates in this locality, in addition to his deejay show on KRCT, Baytown, Texas. "Sheriff" Tex Davis reports that there was lots of excitement around WCMS-Norfolk, Va., this past week. Tex celebrated his first anniversary on the air this month. On July 12th there was a big birthday party and on hand to help celebrate were Roy Acuff and his Smokey Mtn. Boys, Johnnie and Jack and the Tennessee Mtn. Boys and Kitty Wells.

CURTIS GORDON

WAX-WISE . . . Justin Tubb (Decca) has a new release just out. And, in our opinion, this could be one of the best yet for Justin. Titles of the new disk are "All Alone" and it's coupled with a strong ballad . . . "Within Your Arms". These two are already attracting a lot of attention, and if our guess is anyway near right these should put Justin right on top! There's a new duet on Hickory that's doing real big with a tune called "So Lovely, Baby" . . . their first efforts for the label and it's doing real good, judging from the deejay play around these parts. Chet Atkins (RCA Victor) who has had an excellent run with his recording of "Hey, Mr. Guitar" should continue to ride high on all programs with his new release . . . Chet couples two old standard tunes . . . "Somebody Stole My Gal" and "Shine On Harvest Moon." The outstanding feature on both sides is Chet's newest innovation, his amplified 12-string guitar, whose second set of strings are tuned slightly differently and give a real rickety-tick sound. The sides are strictly instrumental and both are great! Cowboy Copas (King) has re-recorded one of his biggest 'hit' songs . . . a tune that has continued to pull lots of mail for him on the 'Opry' and on his personal appearances through the years. The song is "Tragic Romance" and it's coupled with "Listen To My Heart." Could easily be that Copas will come forth anew on this one! Ken Nelson, head of Capitol's C&W department, has just completed a talent search through Oregon, Seattle and Spokane, Washington, Boise, Idaho, Cheyenne, Wyo., Billings, Mont. and Denver, Colorado. Nelson reported that he has lots of new talent which he will introduce this Fall. Nelson and Bob Burrell, Capitol's Promotion man were both in Nashville for several days recently. The Sons of the Pioneers (RCA Victor) out with a new release . . . "Epidemic" and "Be What You Want To Be."

CLEVELAND, O.—When the Seaway bill (open water thru the lakes to the Atlantic Ocean) was passed last year, reaction here ranged from open criticism to intense support. Now the reaction ranges from luke warm to extreme optimism. Cleveland officials, as well as top executives of commercial business firms, predict the Seaway will bring it \$1 billion in foreign trade annually. Of interest to coinmen, is the fact that wholesale firms here will be able to save considerable money on shipping charges on their export business. Also, of interest to operators, is the statement that the Seaway will increase the population of northeast Ohio by 500,000 creating 100,000 new jobs. If this prediction comes off, many new locations will be available for operators.

DETROIT, MICH.—With the automobile industry heading for a record year of production and sales, Ivan L. Wiles, general manager of the Buick Motor Division of General Motors, attributes this condition to "growth of population, high employment and increased productivity." Production this year was 4,250,000 passenger car units in the first half. Ordinarily the second half slows up, with 40% of the year's production. However, this year, with GM and Ford keeping production going full blast, predictions are that the division will more than likely be 55-45. If this comes off, passenger car production will run beyond 7,250,000 units, which would be nearly 600,000 units more than the previous passenger car record set in 1950, when output totaled 6,665,863 cars.

WASHINGTON, D. C.—For the first time in the country's history, personal income not only reached the \$300 billion annual rate, but exceeded it by about \$1 billion, according to the Office of Business Economics of the United States Department of Commerce. This figure was reached in May, and was \$2 billion ahead of the annual rate reported for April, the former record month. It was \$14,400,000,000 higher than that for May 1954.

LOS ANGELES, CALIF.—A kiddie ride operator tells of watching a youngster, dressed in his spaceman's outfit, get off a coin operated horse, and greet his father with "Hi there, Podner. Yore a sight for sore eyes, you are." Pop gently reminded him that this was Western, not space talk. The boy was quick with the come-back: "I, suh, am from West Mars!"

PROGRESSION

"FRONT MONEY GUARANTEES"

"70%-30% COMMISSION BASIS"

"7½¢ COIN"

"DIME PLAY"

A Sequence of Events Originated, and Sponsored by THE CASH BOX That Have Helped the Industry to Continue Moving Forward

Progress in and of itself is, many times, very strange. During its course, over a span of time, few recognize that they are progressing forward.

Looking back over the past 13 years, since this publication came into being, it is interesting to note that, first, *The Cash Box* urged the nation's operators to establish "Front Money Guarantees" with all their locations and, to assure maintaining the "Front Money Guarantee", to sign their locations to agreements (or contracts) for at least two years' duration, if not longer.

Many agreed with *The Cash Box* regarding "Front Money Guarantees." Many still feel that, regardless of dime play, this is an essential which must remain in being between the operator and the location owner. "Front Money Guarantees" are, therefore, still in existence all over the nation. Location agreements wherein the operators lease the space from the locations also remain.

Then, as inflation continued its upward spiral, this publication foresaw the time when even a front money guarantee would not help the operators financially. That was when *The Cash Box* urged operators to change over to a "70%-30% Commission Basis". The storekeepers were to be given 30% commission from all machines and the operator was to take 70% of the gross. Many used this plan and some are still using it.

But, as time went on, location owners became disgruntled with this uneven arrangement. The operators liked it, but the location owner receiving only a dollar or so from the equipment in his place of business, lost complete interest in the equipment and, as always happens in such cases, when the storekeeper stops cooperating, intake falls.

As this became more apparent, this publication searched high and low for an answer to the problem. It worked closely with noted operators and made tests of many plans and ideas. Then, one day, this publication featured an editorial advising the industry that there should be a "7½¢ Coin" minted by the U.S.

Other industries also took up this idea and praised *The Cash Box* for this suggestion. For some three sessions of Congress bills were introduced for the minting of a 7½¢ coin.

If such coin would have come into being a great portion of the present inflation might have been held back. Telephones went to a dime. It is believed they would have gone to 7½¢. But since there was no intermediate coin between the nickel and the dime—the dime was used.

This same was true of many, many thousands of merchandise items, ranging from ice cream cones and bottled soft drinks to baby pants. And so costs jumped 100% where, in the greater majority of cases, they would have jumped only 50%.

In the meantime, while other industries were hot after the trail of a 7½¢ coin, *The Cash Box* did not halt its efforts to help the operators to realize a more decent return on their investments, especially as costs continued to zoom upward and the value of the American dollar continued to fall downward.

The Cash Box, in conferences and discussions with legislators, quickly realized that the 7½¢ coin was doomed. It then did what all American business had to do and called for "Dime Play". Today dime play is rapidly spreading thruout the nation. It took almost 12 years of hard and unbending effort to "sell" dime play to this field.

As this publication has reported time and time again, dime play may not be the cure-all, but, it definitely has helped to bring profits instead of losses to many, many operators nationwide and now, as is being noted, has been accepted in Cuba, Canada and in other countries.

This sequence of events, ranging from "Front Money Guarantees" all the way thru to "Dime Play", originated and pioneered by *The Cash Box* was, tho not so easily noticeable at the time, progress at work for the benefit of the industry.

GAME MFRS. KEEP 'EM COMING

Producing Many Money-Making Machines For Operators During Summer

CHICAGO—Despite the usual summer heat and the summer vacation schedules, manufacturers of amusement machines in this "coincenter" have been producing machines at a steady clip. However, they haven't stayed on with games introduced in earlier months—they have been introducing new, highly attractive machines for the operators.

In the past several weeks, factories have brought out a number of games—in-lines, pinballs, shuffles, baseball games, guns and other amusement machines, as well as keeping their production lines going on kiddie rides. Experience has proved, in past years, that new machines can liven up locations which may suffer during the summer months. Operators in reporting this fact to the factories had a great deal to do with the manufacturer's decision to produce new machines.

In the last few weeks or so, Bally Manufacturing Company brought out a new in-line, "Gay Times", and this past week shipped its new bowling game "ABC Bowler" and "Congress Bowler" to its distributors. Sales reaction on both were immediate. In addition, Bally continues to make and ship its line of kiddie rides, "The Champion", "Bull's Eye" and "Hot Rod".

Chicago Coin Machine Company is kept busy shipping its "Big League Baseball" game, "Bonus Score" and "Hollywood" Bowlers.

"Treasure Cove" shooting gallery, a new gun, was introduced by Exhibit Supply a couple of weeks ago, and

orders are keeping this factory busy. In addition, its Card Vendor, and new line of "Davey Crockett" cards are going big. Exhibit still continues to ship kiddie rides to its operators.

A new baseball game "Champion Baseball" was introduced by Genco Sales & Mfg. Company only a few weeks ago, and is hard pressed to comply with the demand.

D. Gottlieb & Company, upon opening its factory after a vacation period, brought out a new pinball game "Sweet Add-A-Line", and its executives report the game selling as well as any it ever manufactured.

J. H. Keeney & Company, still busy shipping its "Speed Lane" bowler, is also pressed to deliver sufficient quantities of its new Coffee Vendor.

United Manufacturing Company, with its myriad of games, shows no slackening in production. Demand is high for its amusement machines introduced these past weeks, among which are "Triple Play", an in-line game; "Super Slugger"; "5th Inning Shuffle, Targette"; "Derby Roll"; "Capitol" and "Clipper" shuffle alleys; and "Venus Shuffle Targette".

"King of Swat", Williams Manufacturing Company's baseball game keeps leaving the factory for its distributors in good quantities, and demand is still high for its "Sidewalk Engineer".

It would appear from this resume that the factories haven't held anything back, but are giving the operators the best they have to keep collections high during the summer months.

"Distributors 'Rave' Over New Bally Bowling Games"—Says Nelson

CHICAGO—"All of us here at the Bally factory are tremendously excited over the reaction of our distributors to our new bowling games 'ABC Bowler' and 'Congress Bowler,'" exclaimed Jack Nelson, general sales manager of Bally Manufacturing Company, this city.

"Our phones have been ringing continuously," he continued, "relaying operator reaction on these games—and of course every distributor clamoring for large and fast shipments. Let me quote a few of our distributors:

"'Bally 'ABC Bowler', and the match-play model, 'Congress Bowler' are definitely the greatest money-makers ever produced in the shuffle-bowler class', said Barney (Shugy) Sugerman, Runyon Sales Company, New York, Newark, N. J. and Hartford, Conn.'

"His statement, based on collection reports of operators in these areas, is echoed by distributors from coast to coast," Nelson continued.

"Johnny Ruggiero, sales manager of R. F. Jones Company, Denver, Salt Lake City and San Francisco, summed up national comment by pointing out that 'the terrific earning-power of Bally 'ABC Bowler' and 'Congress Bowler', with match-feature, is causing a new bowler-boom and a riotous scramble to get the new Bally bowlers on location.'

"Bill Geiger, Amusement Supply Company, East St. Louis, attributes the unprecedented earning-power of the new Bally bowlers to 'the powerful play-appeal of Official Bowling Scores engineered into these games, permitting groups of competitive players, for the first time in coin machine history, to shuffle-bowl by the exact same rules that prevail in official bowling alleys'.

"Si Redd, Redd Distributing Company, Allston, Boston, Mass., adds, 'Our location surveys indicate that 9 out of 10 patrons in typical New England locations are either regular league-bowlers or occasionally engage in America's number one participant-sport, bowling. Naturally they welcome a coin operated shuffle game that is played by Official Bowling Rules. The result is that 'ABC Bowler' and 'Congress Bowler' are out-earning all other bowlers in the territory'.

"Contrasted to Redd's comment is the opinion of Jake Friedman, Friedman Amusement Company, Atlanta, Ga.," continued Nelson, "who is 'doubtful that the tremendous earning-power of Bally 'ABC Bowler' and 'Congress Bowler' is based solely on

the popularity of bowling. We find that players who have never bowled are just as enthusiastic patrons of the new Bally bowlers as regular bowlers. The Official Bowling Scores built into these new games emphasizes the competitive-skill factor and encourages group play, whether players are alley-bowlers or not'.

"Milt Marmer, The Marmer Distributing Company, Cincinnati, O., confines his remarks on Official Bowling Scores to pointing out that 'Official Bowling in games like Bally 'ABC Bowler' and 'Congress Bowler', played by teams of 2 to 6 players, is an engineering triumph that was a long time in the making, and is typical of Bally engineers' tireless effort to improve play-appeal and earning-power in the shuffle bowler class'."

Nelson went on, "Like many others in the industry, happily observing the cash-box success of 'ABC Bowler' and 'Congress Bowler', Harold Lieberman, Lieberman Music Company, Minneapolis, Minn., and Omaha, Neb., attributes much of the success of the new Bally bowlers to the massive styling of the cabinet, built around the new Bally exclusive 'king-size' pins, nearly a foot tall and almost as big as official alley pins. 'Altho requiring practically no additional floor space, only 6 inches more in length and 3 inches wider than old style bowlers', said Lieberman, 'ABC Bowler' and 'Congress Bowler' have a husky, he-man appearance that dominates any location and gets immediate attention that starts the play in a hurry'.

"He is seconded by Cliff Wilson of Walbox Distributing Company, Dallas, Tex., and Wilson Distributing Company, Tulsa, Okla., who says: 'The minute a patron walks into a location where 'ABC Bowler', or the match-model 'Congress Bowler' is installed, he knows that something new has been added, and he and his friends don't waste any time getting up to the new Bally bowlers'.

"And," concluded Nelson, "Summarizing opinion, coast to coast, is the comment of Leroy Bergman, Sheldon Sales, Inc., Buffalo and Syracuse, N. Y., who said, 'The shuffle bowling industry needed a new twist to maintain public interest, and Bally, as usual, supplied the need, not only with Official Bowling Scores, but with the wonderful new king-size pins and over-size puck. No wonder 'ABC Bowler' and 'Congress Bowler' are breaking all records for shuffle bowler profits for operators'."

2 Bills in Pennsylvania Legislature Could Be of Great Benefit to Coinmen

HARRISBURG, PA.—There are two bills now approved and reported out of committee and sent to the legislative floor which could be of great benefit to operators of coin machines. The first, approved by the House Liquor Control Committee, is the controversial tavern bill which would extend closing hours on Saturday night from midnight to 2 A.M. The second is a bill to permit a referendum in Philadelphia on the question of sales of alcoholic beverages on Sunday, after 2 P.M. At present Sunday sales are prohibited. Should these two bills receive a favorable vote, it would give taverns those several hours additional, which could mean considerable improvement in income for operators of amusement machines and juke boxes.

George A. Miller, MOA President, Wires U. S. Senators Opposing Appropriations for Copyright Bill Study

OAKLAND, CALIF.—Representative Frank Thompson, Jr.'s bill introduced early this year before the House of Representatives, Judiciary Subcommittee, in which he asks for a fact-finding commission to investigate the Copyright Act (and which is vehemently opposed by the coin machine industry) resulted in a request by the Copyright Office for \$40,000. The House voted \$20,000 for the study. A Senate Appropriations Committee is considering this request.

Music Operators of America, headed by George A. Miller, president and business manager, is voicing its opposition to this proposed study. Miller ad-

vises the following telegram is being sent to the United States senators from all parts of the United States by the officers and directors of MOA. All individual members will be asked to follow this procedure. The telegram sent to Senators Carl Hayden, chairman of the Senate Appropriations Committee; Earl C. Clements, head of the Senate Sub-Committee on Legislative Appropriations; and California Senators William F. Knowland and Thomas H. Kuchell, read:

"I respectfully request that the portion of the appropriations to the Library of Congress dealing with such copyright laws that affect the coin operated phonograph business be deleted until you have a chance to thoroughly investigate the situation as it may have serious effects upon this industry which was given no opportunity to make its position known to Congress. This should be an impartial investigation by a committee who is willing to listen to both sides of the question before any decisions are made. Will you please give this matter your immediate attention."

**Mass. Music Ops
 Assn. Turns Over
 \$9,000 To Cere-
 bral Palsy**

**Meeting Last Until
 Sept. 8, Look for Big
 Increase in Member-
 ship in Fall**

BOSTON, MASS.—The sum of \$9,000 will be turned over to the Cerebral Palsy Drive fund by the Massachusetts Music Operators Association, it was announced by Dave Baker, president, at the meeting of the organization Thursday night, July 14, at Hampton Court Hotel in Brookline.

It was the only midsummer meeting of the group. Meetings will recommence in the Fall at the Hotel Kenmore in Boston starting Sept. 8. In the future, it was announced, meetings will be open to dues paid up members only.

The question of whether distributors should be associate members was discussed, and recommendation was held over until the next session. Some distributors indicated they would like to come in after the operators' business meetings were over and join in the discussion periods.

The association now consists of 18 members, representing a total of 862 machines, it was reported. Decals will be issued to dues paying members.

Directors of the association reported that the organization would be kept going at "any cost" and "regardless of size of membership." It was indicated, however, that more memberships and more interest would come in the Fall.

A discussion of 10c. play was held and reports were that in many sections the dime play has bogged down and a return has been made to the nickel play, but set forth as "two for 10c."

It was voted to hold meetings on the second Thursday of each month, starting the 8th of September at the Hotel Kenmore in Boston.

Even with the weather getting into the high eighties and the real California summer with us, everyone on coin row reported that good business and brisk sales continue. Sales figures are even with, or past the figures set for this time of the year last season. Everyone convinced that the old "summer slump" just doesn't exist anymore.

Ben Chemers showcases all the latest record releases on the juke box in the California Music Merchants Association's offices. In visiting with Ben last week were Nat Ferraro, Downey, Calif.; Glen Walcott from La Crescenta and Ben Korte and Jerry Jacobs, both of Glendale. . . . George Nachtweih returned home to Compton after a motor trip across the country visiting family and friends on the East Coast and champing at the bit to get back into the music business again. . . . George Miller, president of the California Music Merchants Association will be in Los Angeles the first of next month to attend the August 2 meeting. . . . Sam Ricklin of California Music says business is great with his mail orders increasing every day. . . . Jerry Ingles, formerly of Los Angeles, is visiting Sammy from his Boise, Idaho home. . . . Gabe Orland leaves Friday for a three week vacation trip to Canada. Along the way he will call on some of California Music's many mail order customers in the territory. Incidentally, Gabe says that they have a complete stock of LP's on all labels for those operators who would like them for their home players. With Gabe away and Martha Delgado on vacation, Sammy will be pretty much on his own next week.

Lots of activity at Trico Music with Al Cohn and Jerry Lowe both very busy. . . . John Freeman at Simon Distributing Co. busy with foreign shipments with a big order of boxes and games being sent all the way to Singapore. . . . Wayne Copeland of Sierra Distributors and Gary Sinclair, Western regional manager for Wurlitzer, very busy out at Disneyland prior to the big preview opening festivities on Sunday. The repair men were busy refurbishing Wurlitzer Colonial 780's which will be used extensively in the rustic settings at the new park. Howard Freer still getting used to our California living and misses his hometown of Chicago. Matt Nordberg trying to convince him that California is the only place. . . . Bob Bard and Marvin Jones at Bard Distributing Co. getting good response from operators on their top ten record sheets which use the Cash Box's weekly listings. The operators are using them for their first ten on their 100 selection machines. . . . Bill Happel at Badger Sales and a special display model of the new Genco "Champion Baseball" game flown in. Fred Gaunt says that operator reaction and enthusiasm was great and he's written orders from practically every game man who has seen it. Charley Robinson of C. A. Robinson & Co. says business trend this year is better than any previous year. Al Bettelman credits United's "Capitol" Shuffle Alley and "Derby Roll" for a good deal of the increase. . . . Vacation time over at Paul A. Laymon Inc. also. Charley Daniels is relaxing at home and Don Peters is getting in some fishing at Yellowstone. Ed Wilkes holding down the fort and getting wonderful response on Rock-Ola 1448 and Bally "Gay Time." Ed celebrated a birthday and was 39 again last Saturday, July 9. . . . Bill Black from Bakersfield in shopping and trading. . . . Larry Flynn from Visalia has opened a Drive-In to tie in with his games operations. . . . Other ops visiting last week were; Dick Leubert, Costa Mesa; Fred Shuey, Huntington Park; Oscar Tetzloff and son, Banning; Lucky Lackey, Oceanside; Mr. and Mrs. Glen Catlin, Montrose; E. E. Peterson, San Diego and Earl Wilson and Mel Wolzinger both in from Las Vegas.

Over at Bill Leuenhagen, Mary and Kay Solle say that the Mulcays' "Harbor Lights" is really taking off with the operators. Mr. and Mrs. Bill Gonda of Brawley, Calif., and Al Miller from Blythe in picking up the latest releases. Recent visitors to Kay And Marys Record Bar were; Bob Roubian, the "Pop-corn Song" man, and Dave Miller, president of Essex records. Looking through her autograph book, Mary saw Gogi Grant's signature from 1951, and remarked that she was happy to see that it looks as though Gogi has that big one now in "Suddenly There's A Valley."

Al Shifrin at H. Rosenberg & Co. going along at top speed with his conversion of bowling games. "Hymie" Rosenberg's family arrived from the East and are busy getting settled—we welcome them to California. . . . Exhibits in the Wurlitzer Disneyland building include some of the first juke boxes ever manufactured along with the latest models now on the market. . . . Retail sales here for beer and soft drinks rose sharply the past month, while overall phonograph receipts were estimated as much lower than for the previous month. One operator calculated that folks were buying the stuff in cases and drinking it, sans juke box music, at beaches, resorts, parks and other wide open spaces.

Import Restrictions On Vendors To Britain Removed

LONDON, ENGLAND—The British Board of Trade announced that from May 13, 1955 coin operated vending machines may be freely imported on "open general license" from "soft currency" countries, which includes Western Germany and most other European countries, except those behind the Iron Curtain.

Parking meters are excepted.

The situation on importing of other coin machines remains the same. Music machines can be imported freely on "open general license", same as vendors, but amusement machines are limited by quota to a certain value each year, unless originating from the Sterling Area.

Altho many American machines are reaching England, they are being made or assembled in Europe. These are mostly music machines. American amusement machines haven't been imported since World War II.

NEW ENGLAND NIBBLES

Despite heat wave, which has been continuous for weeks, coin biz has been on the upswing here, and this is all the more amazing because of the added handicap of the truck strike, now in its fifth week. Heat has kept most ops from making the rounds of the distributors, but the telephones have been getting a good workout as ops call in for equipment. Expected break in heat wave did not come off, except for slight reductions in temperatures, and coin biz is taking advantage of summer vacation scheduling right now. . . Biz booming at World Fair and Associated Amusements, twin enterprises of Ed Ravreby, with everything moving fast, especially kiddie rides and arcade equipment. Inquiries heavy here on the new Keeney De Luxe Coffee Vender, he says, and Ed expects a floor sample in most any day now. Sales are up over the like period last year, the veteran coin man reported as he readied himself for a selling trip to the Maine and Northern New England territories. Interest in guns has lapsed, but enthusiasm for baseball type games is growing by leaps and bounds sparked by the red hot Sox pennant rush. Richard Mandell, sales manager for Ravreby, making calls around the Hub territory. Reports Keeney cigarette machines and "Palisades" hot around the Beantown area. . . At Si Redd's Redd Distributors (Wurlitzer), interest was at an all-time high in Bally's new "ABC Bowling" alley and in the exciting new shooting gallery, "Treasure Cove," by Exhibit, with fast moving targets. Ops were making a beeline to the Lincoln Street plant to see the two new coin sensations. Charlie Brant, credit manager, back from a vacash two weeker. Helen Ford, bookkeeper, swimming at Buzzards Bay vacash. Si Redd taking vacation weekends at his Hyannis summer spot. . . Spotty record distributing around the Hub on account of the truck strike hassle. . . Heat has cut in and business is quiet on the platter front. Dave Bond, president of Trimount Automatic Sales Corp. (Seeburg) back from vacation and busy engaged in philanthropic work for the Jewish Appeal. . . Louis Blatt, Atlas Distributors (AMI), and Mrs. Blatt glimpsed President Eisenhower near their summer place on Newfoundland Lake, N.H. The presidential car slowed down and "Ike" gave them a big smile. . . Ops who braved the heat to visit distribs around town this week included: Al Dolins, Hyannis; Dave Baker, Arlington; Connie Pocius, South Boston; Ray Faini, Framingham; Nat Schulman, Dorchester; Harry Deshowitz, Chelsea; and Sam Baker, Arlington. . . Big spurt upwards in sales of used equipment in New England. Distribs report that demand for used games and music is phenomenal at present. . . EASTERN FLASHES

The heat wave continues, and they tell us it's going to get hotter. If it does, operators will have to look for underwater locations. That's about the only place we can think of that will have people. But, come to think of it, most bars and grills have air-conditioning today. And these locations are the only comfortable ones in the city. We know of an operator who promoted one of his better locations to install air-conditioning, and he paid a part of the cost—his end from the receipts of the machine. From the wholesaling end, coinrow getting only a moderate number of ops down. Some on vacation, others just too hot to bother, we guess.

Barney (Shugy) Sugerman, Runyon Sales, back from his short trip to Chicago. Shows his sample of Bally's new bowler (and we mean bowler) "ABC Bowler". This is the game that permits the player to shoot for actual bowling scores. Mechanism must be most extraordinary to record actual bowling scores, but it does. Shugy says, even so, it's most simple. Big pins, look to us like regulation size; and larger puck. Watched a crowd of games ops try their hands at the game, and they all were tremendously impressed. Unanimous report to Shugy was "Shug, looks like you've got a big hit here!" Which brought both a smile of joy and a frown to Shugy's face. "Now, all I have to worry about", he said, "is for Bally to ship me enough to take care of all my friends." ... Over at Albert Simon, Inc., Al Simon away on vacation, leaving Al D'Inzillo to take care of the trade. With Genco's "Champion Baseball" getting plenty of attention, ChiCoin's games selling big, Al was sweating bullets, even the quarters is air-conditioned. ... Hank Peteet, Wurlitzer field engineer, at Young Distributing early part of week. Left for Albany for a few days, and then goes on vacation. Hank working here with Abe Lipsky, as Joe Young makes another trip to Connecticut. ... Ben Becker, United regional representative, returns from Chicago, where he entertained Shriner visitors to the Windy City. After a week-end at home, Ben off to New England, and reports he'll probably make a trip to Montreal, Canada.

John Cappuzzi, former owner of Bergen Music Co., Cliffside, N. J., and well-known coinman, died Friday, July 15. He was 51 years old. Services were held at the Tiffany Church, and he was buried at the Fairview Cemetery, Fairview, N. J. Attending the services were Jimmy Savarese, Valley Sales, South Bend, Ind.; Eddie Corristen; Raoul Ullberg, and Ben Becker. He leaves a widow, Ann, and two children, Ann, Jr. and John, Jr. ... Dave Stern and Bob Slifer, Seacoast Distributors, mighty glad Rock-Ola factory finished with vacation, and production of the new "1448" phone going again. Claim they have fallen behind plenty in supplying customers. Dave caught smoking quite a fancy cigarette, Sherman's "Pastelle", which he tells us was a gift from Aaron Weisberg of Sands Hotel, Las Vegas. Estelle Potash, Seacoast secy., expected back from her vacation, which she spent in Fla. ... Mike Munves still sending rush shipments of arcade machines out. Couldn't locate Exhibit's "Treasure Cove" shooting gallery on Mike's floor. Mike explained an operator took it away. "Couldn't wait until I got another shipment" he said. ... Atlantic New York Corp. making the move to their new quarters on 10th & 56th St. the early days of the week. Should be settled by the week-end. Looks like the move and sale of its buildings will create a chain of switches and moves by others. ... With Harry Koepfel, Koepfel Distributing Co., at their Albany office, Hymie plenty busy here. Hymie tells us Harry keeps in touch by phone, and it looks like he, too, will see plenty of action. Harry, for the present, drives home for week-ends. ... Willie Blatt, Miami, Fla., advises he'll be vacationing in the Catskill Mts. with his missus, Sydelle, for two weeks starting July 23. Expects to stop off in the big city to test the skill of his friends at "gin". (From what we hear, Willie should come in plenty loaded, as the New York boys are "looking for him to contribute".)

THRU THE COIN CHUTE

CHICAGO CHATTER

This city has been enjoying (?) its usual hot, humid period during the past few weeks. You wouldn't have thought so though, to see the people running to get their "13th Anniversary" issues of "The Cash Box." These were available along with the "N. A. M. M. Issue" at The National Association of Music Merchants Convention at the Palmer House last week. Lotts a fun! Unfortunately, we didn't realize we'd have such a rush for "13th" issues and were caught short. To those who missed out we can only say, "Sorry." . . . Had an unusual but nice request from a local coinop this week. "I notice that almost without exception, your editorials are directed toward helping the manufacturer, distributor and operator to know the trends in the business. This is fine, but I want the manufacturer to know how I feel about the latest machines, whether phonograph, pin-ball, bowler, seasonal game or what-have-you. I think that the manufacturers are doing a tremendous job of making their machines, 'operators machines'. I mean that most of the machines being produced now are giving the operator a break, whether it's a break in price, adaptability, simplicity or just plain good quality. Thank you, Mr. Manufacturer." And there you are!

Dave Rosen, Philadelphia, Pa., recent visitor at Exhibit Supply. . . Frank Mercuri reports that Jack Young of Amusement Corp. of America Shows is "all steamed up over our 'Davy Crockett' card series." Frank says, "in the first four days, we sold over 1/4 of our anticipated sales for the season on this series. It makes Sam Lewis, Ed Hall, Chet Gore and everyone at the Exhibit plant very happy." . . . Bob Gnarrow of ABC here stopped by to say hello. Bob is the guy who's been doing much work on phono donations to worthy groups and would certainly appreciate a word from you ops who might have an old, usable phono "against the wall." . . . Thanx to Walter Huber of Huber Distribs, San Francisco for the beautiful matches he sent this office. . . More and more votes rolling in on the "20 Year Club Annual Reunion Banquet." Keep 'em coming! Latest volunteer for the "Banquet Committee" is Larry Frankel, Rock Island, Illinois. . . Herb Perkins and Monte West gazing fondly at building housing Purveyor. They're renovating both the inside and outside of the building—paint, trim, new private offices and all.

Alvin Gottlieb calls to report that everybody's back at work and singing, "Sweet Add-A-Line"—oops! Not singing; they're producing Gottlieb's very successful new pinball, "Sweet Add-A-Line." Al also reports that Nate Gottlieb just back from a wonderful weekend, spent in Eagle River, Wis. with Mr. and Mrs. David Gottlieb. . . According to Wally Finke, First Coin Machine Exchange is really pickin' 'em up and laying them down in the export biz these days. Joe Kline, happy after a week of family vacation in Wisconsin, back and snapping pictures like mad with his new polaroid camera. Now if they could only find one with a coin chute! ! ! Ben Coven of Coven Music happily telling story of son, Jeffrey and 4 lb. 9 oz. bass he caught in Lake Geneva, Wis., recently. Seems Jeff is up for Chamber of Commerce prize for "biggest fish caught." Ben laments, "my 3-oz. perch didn't qualify." Ben and Carl Christiansen way up in air over new speaker Coven is producing. . . Ralph Sheffield looks longingly after Avron Gensburg and charming wife Nancy, off on 10-day jaunt through Haiti and Jamaica and sighs, "my turn will come." Genco is so swamped with orders for "Champion Baseball," says Ralph, that formal vacation period was called off. . . Gil Kitt and Joe Robbins very pleased over Empire appointment as Genco Wisconsin distrib. Jack Burns touring Wisconsin and Jerry Bremner with nose to grindstone selling Genco line. . . Vince Shay of All State C. M. Exchange looking trim after a 3-day visit to the Eagle River fishing haunts and pleased with biz "as good as it is." . . Grinning too, is Charles Pieri who took over complete ownership of Monarch C. M., Inc. with the retirement of Clayton Nemeroff. Charley looking forward to lots of hard work and lots of profits.

Ed Levin, ChiCoin, agreeing that "it's sure hot out," says, "but our production line is really hot, going on three machines and filling the fantastic orders we've been receiving on the "Hollywood Bowler." . . Wayne "Brad" Bradfield back from vacation and rarin' to go with the orders amassed at Rock-Ola for that model "1448." "They're even usin' em in motion pictures these days," says Brad. Les Rieck, attempting to catch up on vacation fun, found two fingers in a sling as a result of a hard baseball game with the youngsters. . . Don Maloney, Tom Cath and Mac Brier still going real strong on kiddie rides at Donan. . . Bill O'Donnell, George Jenkins, Herb Jones and everyone at Bally pinning high hopes on Bally's new "ABC" and "Congress" bowlers. Jack Nelson reports, "All of our distributors have received favorable comment on the simpleness and realism of these games. The large pins and pucks are a tremendous feature, too." . . Nate Feinstein and Harold Schwartz rolling along on "wonderful Export biz" at Atlas Music and keeping themselves busy as bees. . . Bernard Bitterman of Kansas City, Mo. and Bernie Reichel of Reichel Distribs, El Paso, Texas, recent visitors to the Keeney plant here. Paul Huebsch reports that Bill Coan is travelling thru Tulsa and Chattanooga, and on his way back to the plant. Bill Bolles is visiting Johnny Bilotta at Bilotta Distribs in Newark, N. Y. Keeney's "red red" "De Luxe Coffee Vendor" doing well all over the country, according to Paul. . . Irv Ovitz at Acme Int'l Distribs "keeping cool" in the hot weather, thinking about the good coinbiz looking his way from the lake regions, lately. . . Although minds at this time of year turn toward vacations, Bill De Selu, Herb Oettinger and the staff at United are turning their heads toward production of United's "5th Inning" and "Super Slugger." But they still manage to keep the company golf league going. . . Charles "Little Jimmy" Johnson, calling in to say

Inquiring Reporter

The following questions were recently asked of Mr. Scott Brown, member of the Society of Audio Engineers and chief sound engineer at AMI Incorporated. Mr. Brown's straightforward answers should be of interest to every operator

Q. Why doesn't AMI share the secret of its exclusive multi-horn high fidelity?

A. There is no secret to it. We'd be happy if all who play juke boxes, regardless of make, could enjoy the thrill of full range high fidelity. It would be good for business generally. The public has become sound conscious and wants to hear horn quality music.

Q. Then others could offer multi-horn reproduction?

A. Yes, they could. We found the quality we were after was obtainable only through the use of horns. This required extensive engineering changes in which cabinet design had to be integrated with and become a part of the sound system.

Q. Are you confident that better sound means better business?

A. Operators say so. Demand for the multi-horn high fidelity Model "F" reached a new all-time high in June and seems to verify this conclusion.

THIS WEEK'S USED MACHINE QUOTATIONS

16th YEAR OF PUBLICATION
825th CONSECUTIVE WEEK'S ISSUE

**How To Use
"THE CASH BOX PRICE LISTS"**

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Price Lists" can only feature the market prices as they are quoted. "The Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games—and \$25 to \$30 on Phonographs.

REGARDING SELLING PRICES

IMPORTANT!

Reports received indicate that, in some cases, purchasers become upset due to the fact that they cannot, many times, buy equipment listed in the lower price brackets. Sometimes sellers of machines listed at from \$10.00 to \$25.00 ask from \$50.00 up to \$75.00 and even more for these very same machines. Purchasers of such equipment must realize that machines in the very low priced categories much worn to be priced at these low figures. To completely recondition such machines, the reconditioner must add onto his price the cost of transportation to obtain these machines, the labor, parts and supplies needed to recondition the machines, plus the cost of cartons, crates and labor for packing and shipping of the machines, in addition to a decent profit which will, in most cases, raise the price of a \$10.00 to \$20.00 machine to anywhere from \$50.00 to \$75.00 and up. In the case of arcade and kiddie ride machines these may even be higher due to the fact that many of the parts have to be made by hand or contracted for at some machinist shop, since manufacturers of many of the old arcade machines and kiddie rides are no longer in business, and it is impossible to obtain parts for reconditioning. Purchasers of such equipment should take these facts into consideration and, at the same time, should also realize that many buyers today have their own repair and reconditioning departments as well as experienced mechanics. These buyers will purchase machines "as is" at prices quoted by the trade at large and recondition the machines themselves to meet their own operating standards.
