Smiles are the order of the day as Milton Berle, Susan Hunter and Bobby Mellin watch the sales mount for "Not Yet". Berle is the writer of the song; Susan recorded it for Decca; and Mellin published it. Given a tremendous send-off on the Milton Berle show of a couple of weeks ago, the record took off immediately creating a new record star in Susan Hunter.

THE CASH BOX

In all this world, there is probably no more reliable news service than Associated Press.

Every single day of the year, thousands of newspapers and millions of readers rely on AP to bring them accurate, up to the minute, unbiased facts.

Therefore we are happy to report that when it comes to the music world, AP relies upon *The Cash Box*.

An important fact for the entire music industry to know is that *The Cash Box* charts go out over the AP wires every single week. They are relayed to newspapers and radio stations everywhere and give program directors, disk jockeys and editors the latest standing of current pop records.

It is a rare thing that AP should use any but its own sources. Yet for a specialized field such as music and records, it seeks out the best possible source and in turn gives the information from that expert source to its clients.

We at *The Cash Box* are proud of this public recognition by the most respected and reliable news service.

We have always known that our charts were the most accurate, most timely, completely honest compilations available. We knew also that most of the music industry was aware of their effectiveness.

Now this superiority is attested to by the acme of reliability as far as the news world is concerned.

Once again we say we are extremely proud of this recognition. And we know that AP's use of our charts will have great meaning to everyone in the music business.

Quite a weekend of press conferences. Possibly the busiest for ace publicity gal Suzanne Warner. And how she can organize everything. . . . Pretty Kitty Kallen told me how excited she was to be in England and Budd Granoff was busy soothing a few scratches which Kitty got from another Kitty in a basket. Yes Suzanne couldn't resist getting a kitten for Miss Kallen. . . . Herb Kessler manager of the Four Aces, also full of excitement at the thought of the boys opening at the Palladium on Monday and sharing the bill with Kitty. Also in London, Mr. & Mrs. Don Cornell. Don plays Finsbury Park Theatre this week and is guest on Show Band, B.B.C.'s top music show, Monday night. . . . Alma Cogan thrilled at being introduced to the audience from the box she was sitting in at the Palladium. Introduction was made by Johnnie Ray. . . . Hermione Gingold due back in London this week after a very successful U. S. show. But look out over there, she's coming back to New York real soon. . . . It seems that Les Paul and Mary Ford are in confab with the Grade office for a Summer tour of the leading British theatres. Nice to have you back again; make it soon. . . . The Crewcuts have a winner over here with their recording of "Earth Angel". Disk really starting moving via American Forces Network in Germany having now found its way into the best sellers in this country. . . . Johnnie Ray recorded two sides for Philips last Tuesday. One of the songs, written during the early weeks of his tour, is called "My Love For You", lyrics by Johnnie Ray, music by Vic Lewis whose band accompanied Johnnie on his dates. . . . "Mr. Banjo" seems to have gotten wonderful coverage from all the record companies over here. So watch it get into the best sellers list real soon. . . . It looks as though Maggie Whiting may at last have the really big seller she's been waiting for on this side of the Atlantic. I'm talking about a little ditty called "Stowaway". After all, all you need is just one big record and those British fans start clamoring for you as they seem to be doing for Tony Bennett right now. Tony my boy . . . consider yourself a "Stranger" no more!

LOU MONTE
(RCA Victor 20-6133; 47-6133)

B "WITH YOU BESIDE ME" (2:14) [Ben Bloom ASCAP—Silver, Schroeder] An inviting shuffle jumper is colorfully fashioned by the warm Lou Monte voice. A happy pleaser that should draw a heap of spins. Could break.

B "BELLA NOTTE" (2:42) [Walt Disney ASCAP—Lee, Burke] A pretty ballad from Disney's forthcoming feature length cartoon "Lady And The Tramp." gets a mellow styling from Lou. Tender item.

THE CREW-CUTS
(Mercury 70598; 70598x45)

B "UNCHAINED MELODY" (2:50) [Frank ASCAP—North, Zaret] One of the country's top hits is rendered by the Crew-Cuts. Brilliant song that should be a classic in the annals of Tin Pan Alley. From an EP.

B "TWO HEARTS" (2:35) [St. Louis BMI—Stone, Williams] An R & B click that went big in the pop field, is jumped through by the boys. Rhythmic rendition of a terrific novelty. Should share well in final take. From an EP.

TWIN TUNES
(Sound 116; 45-116)

B "JAPANESE RHUMBA" (2:32) [Peer Inter'l BMI—Miller] A favorite of men in the armed forces, gets an exciting revival treatment from the Twin Tunes. Boys dish up a solid job on this novelty. Could click again.

C+ "I'LL MAKE YOU MINE" (2:27) [Berkshire BMI—Mann, Lowe] The songsters blend warmly on a shuffle beat rendition of a pretty love song.

JOE PICA
(Original 518; 45-518)

B "DOODLE DOO DOO" (2:25) [Leo Feist ASCAP—Kassel, Stitzel] Joe Pica, "The Wizard of The Keys," handles the vocal chores in addition to the keyboard activities on this cornball rendition of a great oldie.

C+ "I LEARNED A LESSON I'LL NEVER FORGET" (2:20) [Robbins ASCAP—Davis] Another bouncer with that old-time flavor is handled capably by the artist assisted by Roy Stevens and his New Orleans Nightmares.

LIONEL NEWMAN ORCH.
(Liberty 55001; 45-55001)

B "THE GIRL UPSTAIRS" (2:27) [Robbins ASCAP—Newman] From the flick "Seven Year Itch" comes this exciting melody beautifully handled by Lionel Newman and the ork. Very attractive arrangement. Good dance item too.

C+ "CONQUEST" (2:23) [Robbins ASCAP—NEWMAN] This vibrant march number hails from the film "Captain From Castile." Appealing melody.

DISK OF THE WEEK

"TWO LOST SOULS" (2:24)
[Frank ASCAP—Adler, Ross]

"CHEE CHEE-OO CHEE" (2:26)
[Hill & Range BMI—Turner, Parsons, Seracini]

PERRY COMO & JAYE P. MORGAN
(RCA Victor 20-6137; 47-6137)

PERRY COMO & J. P. MORGAN

● Perry Como and Jaye P. Morgan team-up on wax for the first time and come up with a disk that looms as a two-sided threat. One half "Chee Chee-oo Chee" is a contagious, bouncy little ditty which the duo fashion in mambo tempo. Both stars sparkle as they chirp the cute song "the little bird sang." They blend wonderfully. Coupling is a tremendous Joe Reisman arrangement of one of the big songs from "Damn Yankees," "Two Lost Souls." It's an unusual tune that's different enough to be a smash. Great Mitchell Ayres orking. The wax mates can have two big hits.

"CHEE CHEE-OO CHEE" (2:38)
[Hill & Range BMI—Turner, Parsons, Seracini]

"THE RIGHT TO BE WRONG" (2:19) [Burlington ASCAP—Kelsey, Baguley]

THE JOHNSTON BROTHERS
(London 1565; 45-1565)

JOHNSTON BROS.

● Four English lads, the Johnston Brothers, who've been on the verge of maknig the grade, may do it with the tune that copped top honors in Italy's San Remo song festival, "Chee Chee-oo Chee." The boys have a warm and appealing vocal blend that the teen-agers will welcome. This version should take a big bite of the tune's income. The under segment "The Right To Be Wrong," is a strong shuffle-jump presentation of a top drawer tune. Good backing for big juke box play.

"CHEE CHEE-OO CHEE"
[Hill & Range BMI—Turner, Parsons, Seracini]

"WHO'S GOT THE PAIN"
[Frank ASCAP—Adler, Ross]

THE GAYLORDS
(Mercury 70630; 70630x45)

THE GAYLORDS

● The Gaylords look as though they're headed toward the top again with two wonderful novelties that have all the earmarks of solid hits. The top half is a colorful lilter with a happy-go-lucky air that fits perfectly into the Summer atmosphere. It's a zany ditty titled "Chee Chee-oo Chee." A pert cutie delivered in grade "A" form. The lower lid "Who's Got The Pain" is a mambo beat satire on the "ugh" grunt heard on most mambos. It's another good item from the "Damn Yankees" score. Keep an eye on the upper portion.

"CHEE CHEE-OO CHEE" (2:55)
[Hill & Range BMI—Turner, Parsons, Seracini]

"RIDIN' INTO LOVE" (3:15)
[Mack Gray ASCAP—Crocetti, Brown, Gray]

DEAN MARTIN
(Capitol 3133; F-3133)

DEAN MARTIN

● In the race for top honors on "Chee Chee-oo Chee," Dean Martin comes up with a strong contender. His mellow, easy going voice adds warmth to the delightful novelty and he's pleasantly showcased by a fine choral backdrop. A potent rendition of a tune that should make it. Flip is an attractive lilting ballad dubbed "Ridin' Into Love." It's a melodious romantic number that paints a musical picture of a cowboy atop his horse, heading home.

GEORGIE SHAW
(Decca 29506; 9-29506)

C+ "THERE'S AN OLD SAYING" (2:55) [Trinity BMI—Moore] Georgie Shaw gets a fine assist from the Dave Lambert Singers as he wends his way through a pretty ballad. Appealing set of lyrics.

C+ "DO IT NOW" (2:46) [Shapiro-Bernstein ASCAP—Garson, Garson] This half is a lively shuffle jumper that swings from start to finish. Good tune that the lindy fans will take to.

FELICIA SANDERS
(Columbia 40508; 4-40508)

B+ "BLUE STAR" (2:35) [Chappell ASCAP—Heyman, Young] Lyrics are added to the beautiful "Medic" TV theme and are presented emotionally by Felicia Sanders. Great melody that's been doing well as an instrumental. Could break big with lyrics.

B "MY LOVE'S A GENTLE MAN" (2:48) [Montauk BMI—Jordan, Minucci] A wonderful love song gets a feelingful reading from the talented thrush. Male voice hums along in backdrop. Tricky arrangement that could stir up noise.

RICHARD MALTBY ORCH.
(X"-0135; 4X-0135)

B+ "HIGH TIDE BOOGIE" (2:40) [Sheraton BMI—Eldridge] Richard Maltby has a top grade contender in this fabulous boogie arrangement of a familiar waltz melody. Imaginative performance that'll have the boxes hopping. A big side.

B "JUMPIN' TRUMPETS" (2:47) [Gornston SESAC—Tolbert, Maltby] The brass section takes over on this rockin' instrumental. Exciting side that brings back the fabulous sound that thrilled the teen-agers of the '30's and '40's.

LES BAXTER ORCH.
(Capitol 3120; F-3120)

B "I'LL NEVER STOP LOVING YOU" (2:54) [Robbins ASCAP—Cahn, Brodzsky] Currently riding high with his big version of "Unchained," Baxter has another contender in this soft choral rendition of a big tune from the pic "Love Me Or Leave Me." Has hit possibilities.

B "WAKE THE TOWN AND TELL THE PEOPLE" (2:30) [Joy ASCAP—Livingston, Gallop] The Notables handle the vocal portion of this pretty ballad. Interesting lyric for a romantic number.

THE VOICES THREE
(Big 601; 45-601)

B+ "COO, COO, COO" (2:18) [Hometown ASCAP—Hendricks, Stride] The Voices Three give the new Big label an impressive start with a sensational new rhythm novelty that could be a smash. Side rocks. A "big" start.

B "CALL ME DARLING, MY DARLING" (2:47) [Village BMI—Verrone, San Domenico] The talented trio shows its versatility on this easy-going and beautiful love song. Boys have a commercial sound that could hit with a little help.

NAT BROOKS
(Tico 255; 45-255)

B "POCHI POCHI MAMBO" [—Brooks] A folk song taught to children, is set to a mambo beat by Nat Brooks and his mambo men. Driving side with a heap of excitement. Hoofers will like the dance tempo of this deck.

BUDDY MORROW
(Mercury 70626; 70626x45)

B "23° NORTH — 82° WEST" (2:15) [Pulse BMI—Russo] An unusual and thrilling instrumental, used as theme music on a recent Philco TV show, is belted across by Buddy Morrow's ork. Beaty, wild number. Potent item.

B "BLUE PRELUDE" (2:42) [Isham Jones ASCAP—Bishop, Jenkins] This side is as pretty as the flip is wild. It's a beautiful old blues item. Very effective delivery by the group. Fine trombone solo by Morrow.

THE FOUR TUNES
(Jubilee 5200; 45-5200)

B+ "TIME OUT FOR TEARS" (2:30) [Republic, BMI — Schiff Berman] The Four Tunes have a hit contender in this beautiful new ballad. It's a sentimental, gorgeous number delivered with schmaltz. Boys sound great. Shuffle beat.

B "TIRED OF WAITIN'" (2:08) [Garlock-Scherer BMI—Thomas] A good lilting rhythm number is fashioned by the Tunes on this end. Good item that fits well into the rock 'n roll swing.

THE THUNDERBIRDS

B "AYUH AYUH" (2:13) [Warman BMI—Newman, Bregman] A wild and zany novelty is excitingly styled by the Thunderbirds as they debut on the new Era label. Catchy novelty that could make big noise. Crazy, enjoyable deck.

SLEEPER OF THE WEEK

"STORY UNTOLD" (2:40)
[Rush BMI—Griffin]

"CARMEN'S BOOGIE" (2:37)
[Broadcast BMI—Cates, Leven]

THE CREWCUTS
(Mercury 70634; 70634x45)

THE CREWCUTS

● The rhythm and blues, field con-

tinues to supply a big share of today's pop song material. Here, the Crewcuts, currently on the charts with an R & B click "Don't Be Angry," take hold of another fast rising blues number and fashion it for the pop market. It's a lovely ballad tagged "Story Untold." And the mellow Crewcuts' rendition should do big things. This is about the smoothest waxing the boys have made since they joined Mercury. Watch it go. The coupling, "Carmen's Boogie" is a jumped up version of the "Habanera" from "Carmen," with a new set of lyrics. A colorful deck to keep an eye on.

"THE CATTLE CALL" (2:30)
[Forster ASCAP—Owens]

"THE KENTUCKIAN SONG" (2:44)
[Frank ASCAP—Gordon]

EDDY ARNOLD with HUGO WINTERHALTER'S ORCH.
(RCA Victor 20-6139; 47-6139)

EDDY ARNOLD & HUGO WINTERHALTER

● A powerful sleeper in Victor's "two-star" release features one of the country's great balladeers,

Eddy Arnold teamed with one of the top names in the conductor-arranger field, Hugo Winterhalter. Winterhalter supplies a lush string background for Arnold's easy going vocal treatment of a beautiful cowboy type tune labelled "The Cattle Call." The melody is a penetrating one and could hit big just as "Indian Love Call" did a few years ago. Arnold hands in some of the prettiest yodling we've ever heard. Side has a heap of potential. Bottom half, "The Kentuckian Song" is a charming love song from the Hecht-Lancaster production "The Kentuckian." Another beautiful piece of material.

"GO ON BY" (2:39)
[Hamblen BMI—Hamblen]

"THE LITTLE BLACK SHEEP" (2:59)
[Hamblen BMI—Hamblen]

THE COWBOY CHURCH SUNDAY SCHOOL CHOIR
(Decca 29530; 9-29530)

● The Cowboy Church Sunday School Choir which made an impressive mark on the music business with the Stuart Hamblen tune "Open Up Your Heart," has a new Hamblen release that could be just as big. It's an up beat ditty tagged "Go On By," a tune with another important story to tell. The youth-

ful charm of "Open Up Your Heart" is ever present on this release, and adults are sure to want it for their children. A definite contender that should be as enduring as their first platter. Coupling "The Little Black Sheep" is a touching story about a little lost sheep. A moving fairy tale. Should rack up a huge sale.

JAYNE AND AUDREY MEADOWS
(RCA Victor 20-6132; 47-6132)

B+ "JAPANESE RHUMBA" [Peer Inter'l BMI—] TV's popular Meadows Sisters make a great debut on records with an attractive and catchy vocal rendition of a rhumba novelty that's been a big favorite of GI's for years. Great arrangement. Girls sound terrific. Could hit big.

B "HOT POTATO" (1:52) [Box & Cox ASCAP—Snowhill, Patrick] The mambo beat takes over on this side. The girls belt out a good novelty with a heap of commercial appeal. Sisters could be big wax stars. They have a good sound.

ROBBIN HOOD
(MGM 11997; K-11997)

B+ "MIRROR, MIRROR" (2:40) [Miller ASCAP—Constance] Robbin Hood, a talented songstress, debuts on the MGM label with a dramatic love song that could take off. Big arrangement of a good piece of material. Watch it.

C+ "ONE LOVE IS ENOUGH FOR TWO" (2:47) [Miller ASCAP—Jacobs] A pretty lilt with a cute lyric is pertly treated by Robbin. Ray Charles Chorus and Frank DeVol's ork assist with the light, happy tempo.

GEORGIA CARR
(Big 602; 45-602)

B+ "SITTING ALONE" (2:47) [Village BMI—Wilson, Wilson] A pretty "Tennessee Waltz" type ballad introduces the talented Georgia Carr on the new Big label. Some effective multiple voicing. Good side that could swing into a hit.

B "THE HORSE AND CARRIAGE RAN AWAY" (2:18) [Hometown ASCAP — Prosen, Lisbona] An old melody gets a new set of lyrics, an exciting tempo, and a polished vocal interpretation. A fast moving oriental sounding novelty. Good deck.

FESS PARKER & BUDDY EBSEN
(Columbia 40510; 4-40510)

C+ "BE SURE YOU'RE RIGHT" [Disney ASCAP—Parker, Ebsen] Fess (Davy Crockett) Parker and his side-kick Buddy Ebsen offer a song rendition of the celebrated pioneer's motto.

B "OLD BETSY" [Wonderland BMI—George, Bruns] Crockett's trusty rifle is honored by a rhythmic outdoor type tune. Banjo and chorus round out the side.

VICTOR YOUNG ORCH.
(Decca 29523; 9-29523)

B "EAST OF EDEN" (3:12) [Whitmark ASCAP—Rosenman] With the "Medic" theme selling steadily, Victor Young's Singing Strings dish up a lush instrumental rendition of the theme music from the hit pic "East of Eden." Lovely tune.

C+ "THE WORLD IS MINE" (3:09) [Famous ASCAP—Young, Adams] The conductor presents his own composition employed as a theme to the film "Strategic Air Command." Another top notch Victor Young melody.

THE MARINERS

(Columbia 40514; 4-40514)

B "CHEE-CHEE-OO CHEE" (2:32) [Hill & Range BMI—Turner, Parsons, Seracini] A cute novelty about a bird's song is delightfully treated by the Mariners. Very contagious lilt that should be a smash. Many recordings.

C+ "A RUSTY OLD HALO" (2:39) [Rylan ASCAP—Merrill] An excellent spiritual with a lighter than usual lyric, is capably handled by the quartet. Mahalia Jackson did a big job with it recently.

(RCA Victor 20-6138; 47-6138)

B+ "FREDY" (2:10) [Duchess BMI—Harnick, Pan, Kirk] "Mambo King" Perez Prado supplies the wild mambo beat for the sultry Eartha Kitt voice on a great new sexy novelty that could be a smash. Terrific deck with a wonderful lyric. Top dance item too. Should be a huge seller.

B+ "SWEET AND GENTLE" (2:31) [Peer Inter'l BMI—Thorn, Portal] Another naughty type vocal is showcased by a beautiful melody set in mambo tempo. Superb arrangement. Great reading too. A two-sided threat.

GEORGE GEYER

(Double AA 108; 45-108)

B "PLEASE BE MINE" (2:52) [Robert ASCAP—Skylar, Genaro] The big voice of George Geyer is powerful and impressive on this romantic ballad. Ork support is set up by Joe Leahy. Big arrangement.

RICHARD HAYMAN ORCH.

(Mercury 70616; 70616x45)

B "GOBELUES" (2:00) [Long-ridge ASCAP—Trotter] TV makes its mark on the disk biz once again as Richard Hayman bounces through an imaginative rendition of the theme music from "The George Gobel Show." Cute side.

C+ "CELESTE" (2:12) [Ross Jungnickel ASCAP—Hennessey] The Hayman harmonica glows once again as the virtuoso wends his way through a slow piece of mood music.

VIC BARRETT ORCH.

(London 1566; 45-1566)

C "SOFTLY, SOFTLY" (2:42) [Sherwin ASCAP—Roberts, Paul, Dudin] A hit tune in England is set to a soft, and inviting waltz tempo by Vic Barrett and his crew. Pretty number.

NEW YORK:

Two artists are being switched from Mercury to the diskery's new subsidiary, Wing. They are Lola Dee and Nick Noble. When Wing's first release is issued, there will be about twenty LP mood music albums on it. . . . Don Elliott and his quartet making pretty music at the Composer. . . . Decca is issuing its first LP by Bill Ha'ey and its first EP by Caterina Valente. . . . Terri Stevens and Will Jordan will appear at the Coral Reefs Beach Club at Lido Beach, N. Y. over the Memorial Day weekend. . . . Jerry Lewin of Bourne Music has just become a father. Ditto Marshall Robbins of the Jack Robbins family. . . . Jimmy Myers sends a card from Europe where he says he's working like mad. . . . Bob Watson doing record promotion for Lou Monte in the east. . . . Bill Hayes will be presented with a gold record for "Davy Crockett" on the Milton Berle Show May 17. Archie Bleyer, musical director and head of Cadence, will make the presentation. . . . MGM Records has made arrangements with NBC radio to air the new sound track album of "Interrupted Melody" on 200 stations of the radio network Sunday May 15 at 6 P.M. . . . Irving Fields into the Theatrical Lounge in Cleveland

BILL HAYES

June 6. . . . Harry Belafonte leaves the Broadway musical "Three For Tonight" in June for a Las Vegas engagement. . . . The "Damn Yankees" album must have set a record in some way. It was recorded on Sunday and by Monday afternoon it was in Liberty Music Shop. The same day advance copies started going out all over the country. . . . Looks like Decca has a find in Frank Verna. His first disk has been getting terrific air play.

CHICAGO:

On Friday, (5/7) Hal Fredericks, representing WAAF station manager Tom Davis, presented a gold record on stage to Eddie Fontaine, signifying the first "hunch tune of the week". Record was presented on behalf of the station and Recorded Music Service Association, as Eddie's "Rollin' Stone" was first disk chosen in new tieup between WAAF and Chicago music ops association. . . . The Chuckles, who were on the same bill, simply thrilled to see The Cash Box' "Sleeper Of The Week" awarded to their new "X" recording of "So Long". . . . Mitch Miller, Felicia Saunders and Julius LaRosa among the artists in town this past week to take part in Howard Miller's closed circuit TV show. If all goes well, it is expected that Howard will soon begin a network TV show in conjunction with his brand new CBS contract. . . . Heard about two clever promotion stunts this week. First, in connection with The Ames Bros.' latest Victor waxing, "Southern Cross", Rocky Rolf, Victor's promotion man here, concocted a cocktail being called a "Southern Cross" which is being served in many of the eateries 'round town frequented by the guys and gals in the music biz. . . . The second, dreamt up by Decca's Warren Ketter. Warren mailed out raffle tickets on an automobile, saying, "You're not taking a chance when you play Ella Fitzgerald's 'Taking A Chance On Love'". Clever people, these promotion folks. . . . Gerry Teifer, just back from Cleveland and Detroit, plugging "Unchained Melody" and "How Important Can It Be", as well as the score from the Broadway hit, "Damn Yankees". Looks like Gerry has nothing but hits to worry about at present. . . . Hear tell the McGuire Sisters have been booked back into the Chicago Theatre sometime in June. . . . Meanwhile, The Mariners and Pat Boone opened this past Friday (5/13) where Pat is giving out with his Dot hit, "Two Hearts". . . . This air age! ! Burt Taylor, currently appearing at the Black Orchid, flew to New York after completing his 3 A.M. show. In New York, he cut a session and was back at the "Orchid" the same nite, before most people had a chance to discover that he was gone. . . . Eddie Fisher certainly made many friends during his week stay here, where he made the rounds of the stations with his latest for Victor, titled "Heart". He was most friendly and cooperative.

AMES BROTHERS

HOLLYWOOD:

Most unusual waxing we've heard in a long time is featured on the latest Key Records release by Jack Benny's Sportsmen Quartet. The tune "Hot Rod Hop" is a rhythmic blending of voices and gimmick automotive sounds such as motors, fender grinders and other realistic hot rod sounds. The Sportsmen introduced the record in San Francisco during their engagement at the Fairmont Hotel which brought immediate reaction following the first exposure. Tune is catchy enough to bust through into the big-time. . . . "Dearest One" by "Scat Man" Crothers on Century has been a real sleeper that's suddenly starting to wake up. Al Kavelin informs us that the tune is breaking in Portland, Ore., New Orleans and Norfolk, Va. . . . Watch for Lawrence Welk and his Champagne Music to soon go coast-to-coast. Welk and his manager Sam Lutz are now making final arrangements for the new show which will start in July and will be carried over the full facilities of the ABC-TV network. . . . Platter star Carl Ravazza follows singing comedienne Kay Ballard into the Mocambo on May 24th for a two weeks stint. . . . The Dorsey Bros. headline the new show which opened at the Last Frontier in Las Vegas May 9th. . . . Lew Chudd, head of Imperial Records, makes his entry into the pop market this week with two strong sides by The Salmas Bros. titled "Spark of Love" b/w "Never A Day Goes By". The group formerly recorded for Epic. . . . Mario Alioto, noted San Francisco bass-baritone, has inked a pact with Cavalier Records to record several songs which include Vincent Youmans' "Without A Song" and Albert Malotte's "The Lord's Prayer". . . . Tunesmith Don "Red Hot Papa" Reed has composed a song titled "Eight-One" to honor the birth of his new baby boy born May 2. . . . POPULAR

RODGERS & HAMMERSTEIN II—OKLAHOMA/CAROUSEL SUITES—Morton Gould and his Orchestra—RCA Victor LM-1884 (12" LP)
Three great names of the music world make up this absolutely beautiful LP. Richard Rodgers, Oscar Hammerstein II and Morton Gould. Gould fashions the music from Rodgers and Hammerstein's greatest musicals "Oklahoma" and "Carousel," two plays which have become classics in the annals of show business. And as far as delivery is concerned, Gould is just about unbeatable. The music and arrangements are enchanting. And now with the Todd-AO film version of "Oklahoma" scheduled for release very soon, album should enjoy an even greater sale than expected. Beautiful cover photo of a boy and girl obviously in love, should attract many a buyer. An LP that ranks with the best.

"HOLIDAY IN ROME" — Michel Legrand and his Orchestra — Columbia CL 647 (12" LP)
The beautiful string orchestra of Michel Legrand captures the magic of Italy and Rome with a penetrating album of some of the most melodic Italian melodies, some familiar, some not so well known. It's a warm and pleasurable forty five minutes of listening. If you close your eyes, you can almost picture Italy. Legrand had a big seller in his "I Love Paris" LP. This one should appeal just as greatly if not more so. The maestro has a definite feeling for the deeper strains of music and he skillfully offers an imaginative LP. Tops in background music.

"THE WILD SIDE OF LIFE"—Burl Ives—Decca DL 8107 (12" LP)
WILD SIDE OF LIFE; LITTLE GREEN VALLEY; SIESEL SMOKE, DANGEROUS CURVES; LEFT MY GAL IN THE MOUNTAINS; CRAWDAD SONG; LONESOME SO LONESOME; ONE HOUR AHEAD OF THE POSSE; GREAT WHITE BIRD; HOUND DOG; THERE'S A MULE UP IN TOMSTONE ARIZONA; IT'S SO-LONG AND GOOD-BYE TO YOU; CLOSE THE DOOR, RICHARD.

Although Burl Ives is making a big name for himself as an actor in the legit theater and in films, he's still the world's foremost singer of folksongs and ballads. This album proves it. It's not the usual Burl Ives accompanied by his own guitar, but it's an Ives showcased by varied backgrounds. On some, the cornball instrumentation of Grady Martin is heard. On others the voices of the Anita Kerr Singers supply the backdrop. Songs range from "hillbilly" to folk songs to sacred to novelty. A wonderful cross-section of Ives' versatility.

"MUSIC FOR A LAZY AFTERNOON"—Conducted by Camarata—Decca DL 8112 (12" LP)
WILLOW WEEP FOR ME; TALL TREES; FLASHING PEARLS; SERENADE D'AMOUR; LITTLE JUMPING JACK; EVENING MIST; WALTZ THEME; THE SINGING ZITHER; LOTUS LAND; THE GRASSHOPPER.

Camarata, a gifted composer, arranger and conductor, beautifully displays all three talents on this captivating album of mood music. The album contains ten tender, melodic items some of which are so beautifully arranged that they have a near classical nature. Disk is housed in a lovely sleeve featuring a great work of art depicting the title of the LP. Should enjoy a long and healthy sale.

"LOST LOVE"—The Coronet Orchestra—MGM E 3167 (12" LP)
LOST LOVE; CARESS; STRANGER IN TOWN; SPINETTE; TINA; MADONNA; DESIREE; ADRIFT; DAWN; HEARTBEAT; EPISODE; TANGO OF LOVE.

The Coronet Orchestra, a newly formed English aggregation specializing in mood music, displays its wares on the MGM platter with a dozen melodies of varied emotions. The themes rendered include the sultry type, the haunting type, seductive and others. Interesting platter. Some numbers were previously released in single form.

"PICCADILLY DANCE PARTY"—Buddy Brennan and his Orchestra—"X"—LA-3038 (10" LP)
KISS ME AGAIN; THE MAN I LOVE; I'LL BE AROUND; IT AIN'T NECESSARILY SO; THE GLOW WORM; THE HAUNTED BALLROOM; TILL THEN; THAT OLD FEELING.

Buddy Brennan's Orchestra, well known in England for his own delightful brand of dance music, treats eight great pop hits of yesteryear to some smooth easy-going orchestrations. There is nothing elaborate about the delivery. On the contrary, they have the same simplicity that makes Guy Lombardo's music the rage in the U.S. It's music that's easy to dance to. A treat for all hoofers in the middle aged class.

"THROUGH A LONG AND SLEEPLESS NIGHT"—Jerome Courtland—Jubilee LP 22 (10" LP)
OLD DEVIL MOON; I DIDN'T KNOW WHAT TIME IT WAS; SHE'S FUNNY THAT WAY; DOWN BY THE RIVER; THROUGH A LONG AND SLEEPLESS NIGHT; THAT OLD FEELING; YOU GO TO MY HEAD; MORE THAN YOU KNOW.

Jerome Courtland, a versatile and very talented performer, displays his intimate and inviting vocal skills as he offers an octet of wonderful standards. The mood is sentimental and cozy because of the moving and meaningful lyrics of the selected standards. Jack Kelly and his ensemble add to the intimacy with a subtle accompaniment.

POETRY

POET'S GOLD—Helen Hayes, Raymond Massey, Thomas Mitchell, Geraldine Brooks, Norman Rose—RCA Victor LM-1812; 1813; 1883 (1-12" LP each)
RCA Victor deserves much credit for issuing this trio of albums titled, "Poet's Gold." It is a high aimed effort—presenting the world's best known poetry and lending to them the gentle, expressive, colorful, dramatic but simple voices of Helen Hayes, Raymond Massey and Thomas Mitchell on LP's 1812 and 1813. The third of the trio offers the warm and stimulating voices of Geraldine Brooks and Norman Rose. If exposed, we believe these albums could attain a good sale. The poems come alive under the masterful readings of the five artists. They are vivid, moving and beautiful. The melody of the voices, hearing words spoken with fluid diction, the intonations that give meaning to words—all these could bring new readers to poetry. For diction classes, dramatic classes, literature classes, releases such as these should prove invaluable.

CLASSICAL

"50 YEARS OF GREAT OPERATIC SINGING"—RCA Victor LCT 6701 (5-12" LP's)

Truly a treasure—and one that could only come from the vast operatic masters of the RCA Victor vaults. A two year project, RCA Victor has selected 68 classics sung by 58 voices. Too many to be listed in their entirety, there are, to name just a few, such greats as Nelli Melba, Enrico Caruso, Antonio Scotti, Geraldine Farrar, John McCormack from the first two decades of the 20th Century. From the recordings made in 1920 to 1930 we hear, among others, Beniamino Gigli, Mary Garden, Giovanni Martinelli, Rosa Ponselle, Ezio Pinza, Feodor Chaliapin, Amelita Galli-Curci, Tito Schipa. Among the later day favorites are Ezio Pinza, Lauritz Melchior, Kirsten Flagstad, Alexander Kipnis, Lily Pons, Lawrence Tibbett, Rose Bampton, Jussi Bjoerling, Helen Traubel, Leonard Warren, Zinka Milanov, Licia Albanese, Robert Merrill, Eleanor Steber, Rise Stevens, Jarmila Novotna and Jan Peerce. The earlier recordings are remarkably good considering the techniques that were in use. RCA Victor applied its newest skills in sound enhancement and the results are in evidence for those who are able to compare with their precious 78's. Historically, this album is priceless. From an enjoyment point of view, it is indescribable. From a price angle, it is happily quite low—\$29.95. A limited edition, it is bound in red rayon moire satin with gold leaf lettering, including a forward, text and 43 page table of illustrations.

"LOVE DUETS FROM THE OPERA"—Cetra Records A 50187—(1-12" LP)

PRENDI L'ANEL TI DONO, BELLINI; O SOAVE FANCIULLA, PUCCINI; LAGGIU NELLE NEBBIE REMOTE, PONCHIELLI; TU, TU, AMORE?, PUCCINI; T'AMO! . . . E IL SOL DELL ANIMA, VERDI; LA DOLCISSIMA EFFIGIE, CILEA; UDITE! SONO SOLA! AND VICINO A TE . . . LA NOSTRA MORTE, GIORDANO.

Cetra has picked the raisins from the cake in this release. Titled, "Love Duets From the Opera," Cetra takes from its files of complete operas the duet gems and presents an lp comprised entirely of the melodic arias with which most of the world is familiar. Most of the arias listed above are dramatic-romantic and provide many thrilling moments. It is impossible to report on each duet in the limited space allowed here. Suffice it to say that the performances are excellent. The vocalists are of top calibre. Heard on the 12" LP are Renata Tebaldi, Rosanna Carteri, Lina Pagliughi, Clara Petrella, Fedora Barbieri, Carla Gavazzi, Ferruccio Tagliavini, Giacinto Prandelli, Vasco Campagnano, Gianni Poggi, Jose Soler.

"CARNAVAL" Schumann—"SONATA, Op. 35" Chopin—Alfred Cortot RCA Victor LHMV 18 (1-12" LP)

Although Alfred Cortot does a capable job of presenting the Schumann and Chopin piano works, from the point of view of the retailer it is the composers who stand to sell this release. Both Schumann's "Carnaval" and Chopin's "Sonata No. 2 in B Flat Minor" are extremely well represented by a great number of fine pianists and this may pose a problem for the retailer. Cortot's faithful treatments of the two classics should be well received as his performances are good, though not great. It is one of Victor's boxed singles which makes for good eye appeal.

RICHARD STRAUSS—"Don Quixote"—Camden CAL-202 (1-12" LP)
WARWICK SYMPHONY ORCHESTRA.

Transferred from the RCA vaults, we find a musically excellent treatment of the Richard Strauss work. The Strauss' works are usually outstanding in their tonal effects, we find this version somewhat lacking in this respect. This is no doubt due to the pre-present day recording methods. By comparison, a "Don Quixote" released last season with hi-fi accentuation seemed more alive and exciting. However, from a price standpoint, this is an excellent buy. Lest you be misled, the Warwick Symphony Orchestra is none other than the Philadelphia Philharmonic.

JAZZ

THE GENIUS OF ART TATUM—Clef MG C-657, 658, 659, 660, 661—(Each 1-12" LP)

Last year Clef released a mammoth five albums of Art Tatum at the keyboard. It was a momentous release and no doubt did well at the counter. Tatum has no master at the jazz piano and collectors who eagerly await anything by him will undoubtedly warm up to this new set of albums. It might not do as well as the first five since a good portion of a market buys only representative works, but the true collector will want them all. The music consists of standards and Tatum's intricate fingering make them his own. To name just a few would be to do an injustice to the remainder. His flying fingers leave the listener breathless, his glittering but disciplined technique make this vast release seem short. A genius who never ceases to amaze. Should sell extremely well.

HAL McKUSIC—East Coast Jazz Series No. 8—Bethlehem BCP-16 (1-12" LP)
TAYLOR MADE; YOU DON'T KNOW WHAT LOVE IS; THEY CAN'T TAKE THAT AWAY FROM ME; LULLABY FOR LESLIE; MINOR MATTERS; BLUE-WHO; BY-IAN; WHAT'S NEW; INTERWOVEN; GIVE 'EM HAL.

An easy swinging sound seems to be the trademark of this group. Led by Hal McKusic, alto sax & clarinetist, whose youthful appearance belies his almost fifteen years as a professional with the top names in the trade, the quartet comes up with a highly refreshing modern sound. McKusic does not use the piano, utilizing the bass as the basic sound. The spirit of the group is keen, the sound clean and inviting, the mood restful. Should find a good reception awaiting it. Barry Galbraith, guitar; Osie Johnson, drums; and Milt Hinton, bass, provide top-notch support.

**Fisher Becomes Star
Salesman For Coca-Cola**

CHICAGO — King-sized Coca-Cola in the new 12-ounce bottle got off to a king-sized, resoundingly successful start in its first major market, Chicago, this week, thanks to a one-man army named Eddie Fisher. Spear-headed by the young baritone, the new product sold so well in its first week that it outstripped the Chicago bottling company's production facilities. Coca-Cola execs immediately tagged Eddie their "number one salesman".

Fisher, in addition to doing his Wednesday and Friday "Coke Time" shows from Chicago, appeared on 20 or more radio and TV interviews, press conferences, Coke parties, luncheons and banquets singing the praises of Coke's new bottle.

The visit to Chicago marked the first time "Coke Time" had originated from anywhere but New York or Hollywood with the exception of one special appearance from Washington. Fred Robbins, Axel Stordahl, NBC rep Ed Watson, announcer Ed Stokes, Coke exec Bob Kesner, D'Arcy veep Paul Louis, and a half-dozen other personnel made the trip with Fisher. Shows were presented from NBC's previously shuttered Studebaker Theater, opened especially for the show with an audience of 600. Friday night's show was held open for members of Fisher fanclubs, with members from almost 100 in the Chicago area present.

The Chicago trip climaxed two busy week-ends in which Eddie appeared in Detroit and Toledo, followed by Des Moines and Cleveland. At the last, he did a heavy sell for Coca-Cola at the Supermarket convention. In Des Moines, he did two shows at the KRMT theater.

**Faggen Named General
Manager of Marquee**

HOLLYWOOD — Irving Mills has announced the appointment of Jay Faggen as general manager and public relations director of American Recording Artists, Inc., producers of the new Marquee label.

Faggen assumes his new assignment immediately and is actively lining up distribution and key promotions for the initial Marquee releases, which will reach the national market this month.

The public relations organization which Faggen heads will function under his direction on behalf of Marquee and will continue its regular activities otherwise under the guidance of Lee Hewitt in Los Angeles and Freddy Warren in New York.

Marquee's new manager has been closely identified with music and record business through public relations in New York and California since 1931. In the mid-thirties Faggen was general manager for the Crawford Music Company, which succeeded DeSylva, Brown and Henderson.

THE CASH BOX CANADIAN CAPERS

TORONTO TOPICS
Joan Fairfax, the CBC-TV and Radio thrush has made an auspicious p'att'r debut with her just-released Spiral disk of Norm Campbell's lush ballad "Whe, MES is the Boy?" Flip side is an up-coming movie *Ission* "Something's got to Give", so Joan looks like a twTH time winner her first time out. . . . Top deejays this sector continue to give heavy plays to Priscilla Wright's Spartan waxings of "Man in a Raincoat" and "I Wanna Dance to a Mambo Combo", and *WNT* hear that the Canadian enthusiasm is spilling ov^{er} the border of the U. S. A. I understand that the 14 year old song starlet will be journeying to Detroit to guest with Ed McKenzie. Little known fact about Priscilla is that she is the grand-daughter of Arthur Mien, Canada's only living ex-Prime Minister. . . . Art Tatum and Slam Stuart had a busy week here last week re-newing acquaintances with their old friends. Goes without saying that their date at the Town Tavern was packed with patrons a'l week long. . . . The Casino Theatre is enjoying the box office magic of the "Old Black Magic" man—Billy Daniels. The Mercury star has always gotten terrific support from the local deejays and the airwaves have been heavy with airings of his Mercury platters. . . . RCA Victor's Bob King temporarily forsaking his Ottawa dates to guest on WWVA, Wheeling, West Virginia. The handsome Bytowner is building nicely with his Victor platters in Canada and his U. S. dates should open that territory for him. . . . The Colonial is playing host to Phil Napoleon this week, and I hear tel Phil is really packing them in.

Candy Store Jury Leads To New Group and Wax Pact

NEW YORK—Here's an unusual set up that led to a recording contract. In the rear of a candy store on Bay Parkway, Brooklyn, a number of teenagers and two brothers had been testing a theory that a talented untrained voice has a flavor that is lost when it becomes a professional voice. The experiments among the teen agers resulted in a group called the Heartbeats. A vocal aggregation that has signed a Jubilee recording contract and has just had its first record released.

Responsible for this chain of events are Ben Weisman, a tunesmith who won a BMI award last year, and Al Weisman whose parents own the candy store. These two men formed a teen-age jury in the store to judge songs and artists. The Heartbeats were formed and they were given two songs, "Finally" and "Boil And Bubble." Both received "wow" ratings from the jury, and the material and group were brought to Jerry Blaine of Jubilee.

The record should be around the country shortly.

New Label Promotes South Dakota Talent

HARROLD, SOUTH DAKOTA—A new record release that is an entirely home-grown South Dakota product, as issued this week. Both sides were written by Grace Lex, an employee of the State Capitol office and Danny All, a 9 year old South Dakota youngster sings them to his ownitar accompaniment.

Gordon Stout of the Gordon Stout Company, Pierre, who is also president of the South Dakota Phonograph Operators Assn., is sponsoring production of this sample record and future pressings. The sole purpose being to boost and publicize South Dakota and to acquaint the music world and music lovers with this heretofore hidden South Dakota talent. Radio stations, dee jays, music stores and the state's juke box operators will cooperate in this campaign.

One side of the disk, written especially for Danny, is titled "Dakota Dan," a title the youngster received from country star Smiley Burnette. The other half is "I Come From South Dakota," a tune Miss Lex offered to the 1955 legislature for adoption as a state publicity theme song.

"Bessie Mae Mucho"

NEW YORK—Lanny Ross, resuming his chores at CBS, after his trip to Spain, ran a contest to name a guitar he brought back from that country. Lanny originally had a guitar tagged "Bessie Mae" and he wanted a name for the companion piece. The winning title turned out to be "Mucho."

Decca Diskery Opens Omaha Branch

CHICAGO—Shim Weiner of Decca Record Distributors, this city, this week announced that Decca has closed its Des Moines, Iowa Branch. And has opened a new branch at 911 Douglas, Omaha, Nebraska.

Branch Manager is William Penry, Jr. Sales will be handled by Max Melton who will cover most of Iowa. And Bud Rankin, who will cover Nebraska and western Iowa.

As yet there is no information as to whom Decca will appoint to handle promotion for this office.

Clarence Goldberg of the Chicago office traveled to Omaha to supervise the opening of this latest branch.

Regular Feature

CLEVELAND—As a result of terrific listener reaction, Phil McClean, WERE-Cleveland, Ohio deejay, now incorporates Bill Kenny's "X" waxing of "If We All Said A Prayer" as a regular feature on his show. McClean played the disk one day immediately preceding "The Rosary," a 15 minute Catholic program, and the fans jammed the switchboards requesting the tune.

Holmes Goes Collegiate

NEW YORK—Leroy Holmes, MGM, wearing cap and gown these days as he and his band hit the prom circuit. Crowded into recent weeks, Holmes has played college proms at NYU, Fordham, Williams, Princeton, Seton Hall, Rutgers, Oneonta State Teachers College, Amherst and RPI.

No. 2 for Her Nibs

NEW YORK—Her Nibs Georgia Gibbs, who last hit the coveted million mark with "Kiss Of Fire," received a second gold plaque from Mercury Records last week indicating that "Tweedle Dee" had also joined the Magic Circle of Big Ones. Here, Georgia is being presented with the precious award by disk jockey Bill Randle, at the recent Lighthouse Benefit for the Blind in Carnegie Hall. (Randle emcee'd the show).

Georgia's current hit, "Dance With Me, Henry," is running her "Tweedle Dee" a close second and figures to join the select circle any juke-box play now.

Berkshire Music Barn Summer Home For Jazz

NEW YORK—The Berkshire Music Barn, the first summer music hall devoted to concert jazz and related music, will open July 2, at Lenox, Mass., just a mile down the road from the Boston Symphony's famous Music Shed.

The Music Barn, sponsored by Stephanie and Philip Barber, will be hospitable to all phases of Jazz and Folk Music. Among the musicians scheduled are Count Basie, Richard Dyer-Bennet, Dizzy Gillespie, Coleman Hawkins.

During five weeks of the Tanglewood Season, however, the emphasis will definitely be on Modern Jazz in the form of a Modern Jazz Workshop. During this period, young musicians, who are endeavoring to push forward the boundaries of Jazz, will be in residence at the Music Barn. Housed and fed at nearby Music Inn, the musicians will work creatively together on compositions and arrangements, perhaps inter-reacting with the classical musicians of the area. Thus for the first time, the summer Boston Symphony audiences and musicians will readily be able to get a taste of some of the new developments in Jazz.

Public performances of Modern Jazz will be presented every Sunday night during the Tanglewood Season, starting on July 10, with well-known Modern Jazz musicians featured. Among the groups already signed are Art Farmer, Thelonius Monk, Teddy Charles, Dizzy Gillespie, and The Modern Jazz Quartet.

Count Basie and his band will appear on Thursday, July 28.

On five Saturday afternoons at 4, the Berkshire Music Barn will present Richard Dyer-Bennet, leading American singer of English and American Folk ballads. In this series of five concerts, each one different, Mr. Dyer-Bennet will present a comprehensive sweep of songs and ballads of Europe, the British Isles and America.

Original Issues Hibbler Disk

LITTLE FERRY, N. J.—Original Records, this city, announced its new series of releases, highlighted by a new Al Hibbler record.

Hibbler had cut several sides for Original just prior to his signing with Decca Records. His initial Original platter, "After The Lights Go Down Low", did extreme ly well. Just prior to his number one hit, "Unchained Melody". In view of the artist's current high rating, Original reports Hibbler's latest, "Autumn Minds" and "You Will Be Mine" has been accorded an immediate strong reaction.

Also in the package are Roy Stevens' "Black Velvet" backed with "Down In Villa Capri" and Joe Pica's "I Learned A Lesson I'll Never Forget".

Ramblings

LOS ANGELES:

The smash success of Bill Doggett and his band at the Five Four Ballroom May 6 thru 8 proved, once again, that Eastern artists, who have become popular through their own records, can make a highly successful tour of the West Coast even though they have never appeared here before. This talented organist received a royal reception and it's our bet that he'll be greeted by the same Western hospitality all along the Coast during his six week tour. . . . The Biharis excited by the new West Coast group, The Cadets. Modern Records quickly snatched them up and hustled the group into the recording studios to cover "Don't Be

NEW YORK:

Joe Davis releasing a new Dean Barlow etching, "Forever." Davis has already had the platter on some New York stations and the reaction is very favorable. . . . There's an Angel in the clouds this week—and with good reason too. Jack Angel of Herald Records says, "All's well with the world." Herald has three records going for them—"Story Untold" by the Nutmegs, "Paradise Hill" by the Embers and "Dearest One" by Charlie & Ray—but that's the least of it. The courts finally approved the adoption of Jack's little boy and the knowledge that the little fellow is his has him bursting at the seams. Sincerest congrats. . . . Looks very much like Phil Rose of Glory Records has come up with one. Phil has been getting a tremendous reaction on his "Soldier Boy" by The Four Fellows. . . . Atlantic Records has signed and cut Margie Day on Cat. Margie was formerly with Dot Records and Decca. Her first release will be out shortly. Jerry Wexler also advises that Atlantic will release a double package next week. A T-Bone Walker and a Ray Charles. Atlantic has another hit in Ruth Brown's recent release, "As Long As I'm Moving" and "I Can See Everybody's Baby."

Both sides are being reported in a stream of cities. Coming up strong also are Jimmy Reed's "I'm Gonna Ruin You" on Vee-Jay, "Story Untold," Nutmegs on Herald, "I Wanna Be Loved" by Muddy Waters on Chess and "I Wanna Ramble" by Little Jr. Parker on Duke. Showing very strong in pop reports is "Bo Diddley" by Bo Diddley on Checker. . . . Ed Pearsons, jockey at WEAN and WPJP-Providence, R. I., would like to receive spirituals from all the majors and indies. . . . In a last minute shuffle, Leo Rogers bought out Monty Bruce and Morty Craft. He now is solo at Bruce and Marble Records. . . . At the Westchester Operators Guild annual dinner last week were the Blaines—Jerry, Elliott and Ben, representing Jubilee, Josie and Cosnat, and Johnny Halonka and Harry Apostoleris of Alpha Distributors. These two wide-awake organizations show up at every juke box affair in the New York area. . . . Jerry Winston, Mardi Gras Records, advises he is releasing another Al Castellanos record which he feels could be the follow up to "Speak Up Mambo." Because of the phenomenal success of "Speak Up," Winston and Al Castellanos have renegotiated their contract and the orkster is now signed for three years. . . . Bobby Shad, Mercury and Emarcy, on his recent trip to the Coast signed The Platters. The group has already been in session and the results, "Only You" and "Bark, Battle and Ball," will be released in a week or two. . . . Herman Lubinsky, currently guiding Savoy through its hottest period in several years, continues to feed his distributors—the latest being Varetta Dillard's "You're The Answer to My Prayer" and "Promise Mr. Thomas." Varetta's last, "Johnny Has Gone," was a real biggie. . . . Bess Berman, Apollo Records, reports her health is wonderful, business is good and what more can one ask. Bess reports, "That's All" by The Casanovas and "My Angel" by The Dovers getting real action. The Casanovas also look ripe for a strong follow up with their newest, "It's Been A Long Time." . . . Original Records releases a new Al Hibbler record, "Autumn Winds." . . . Bag's Gonzales has another good seller in his "Rockin' & Rollin' The Blues" for Crazy Records. Reports have been coming into the office from several eastern cities. . . . Syd Nathan, King and Federal Records prexy, came home the other night to find a roomful of friends singing "Happy Birthday."

CHICAGO:

Lotsa news from Vee-Jay this week. Ab tells us they have three brand new spiritual releases. "Great Day," Parts I and II by Rev. Lofton's 250 Voice Choir; "Feed Me 'Till I Want No more" b/w "I Want To be A Christian" by the Lockhart Singers; and "Climbing High Mountains" b/w "The Fountain" by Brother Isiah's Choir. Also, the Spaniels' dinking of "Doo Wah" and Jimmy Reed's "I'm Gonna Ruin You" are starting to climb. Last, but not least, Ab reports that New York pubberies are bidding for "Ollie Ollie Otsen Free." . . . Len Chess has just released a new Buddy & Claudia disk on Chess. Titled "You Keep Me Guessin'" b/w "I've Got A Secret." . . . Muddy Waters' "I Want To be Loved" looking like its heading for the charts. Watch this one! . . . Talked to McKie Fitzhugh this A.M. and McKie's really keeping busy. Beside his 2 to 4 P.M. show and 9 to 10 P.M. show, he's really working on his all nite program which he shares with Fred Garrett, who broadcasts out of the Stage Lounge and the Kitty Kat Lounge, and Vera Greene, who does a segment of the show from her bar-b-q eatery. . . . Daddy-O

Daylie doing a benefit for the B.B.R. (Boys Brotherhood Republic) Monday, 5/16. With a promise of Nat Cole as guest star. Nat opened 5/13 at the Chez Paree for a record 6 weeks stay. . . . Wild Bill Davis in town visiting dj's with his brand new Okeh waxing of "East Of The Sun", b/w "Don't Get Around Much Anymore". Bill also doing nicely with several LP's and EP's. . . . Ernie Leaner tells us the new offices still aren't completed. "Cause", Ernie says, "we're too busy selling hits to finish the offices". Of course, this being the case, we're quite sure Ernie is content with his incomplete offices. . . . Ella Fitzgerald just completed a two-week stint at the Chicago. Ella's latest release is titled "Taking A Chance On Love", the old favorite. . . . The Mariners opened this theatre May 13. . . . Dinah Washington's "I Dided" gaining and gaining.

LOS ANGELES:

The smash success of Bill Doggett and his band at the Five Four Ballroom May 6 thru 8 proved, once again, that Eastern artists, who have become popular through their own records, can make a highly successful tour of the West Coast even though they have never appeared here before. This talented organist received a royal reception and it's our bet that he'll be greeted by the same Western hospitality all along the Coast during his six week tour. . . . The Biharis excited by the new West Coast group, The Cadets. Modern Records quickly snatched them up and hustled the group into the recording studios to cover "Don't Be Angry". Now their second release (out this week) "Fine Lookin' Baby" b/w "Rollin' Stone" has stirred up so much enthusiasm around the Modern diskery that Saul Biharis predicts that both sides will be a natural double headed hit. He says that it's the best platter that they have produced in a long time. Ben Waller Enterprises has signed the group and is lining up a series of club dates. . . . Johnny Otis and his band have returned from a record breaking ten day tour of the Southwest. Johnny is now back to dee-jaying from his record store on Western. Walt Abbott and Dave Armetige subbed on the show during his absence. . . . Art Rupe is plenty pleased over his newest artist Jesse Belvin. He says that the boys waxing of "One Little Blessing" is proving to be the hottest tune that has come out under the Specialty banner in several months. . . . Looks like the turning point in Oscar McLollie's career is now at hand. The big break came last Wednesday when McLollie and his Honeyjumpers opened in the lounge of the new Las Vegas Riviera Hotel for a two week stand with options. . . . Lester Sill, top brass of Spark Records, disclosed last week that he had signed Frankie Marshall, a dynamic new singing star. Sessions have already been held which Les admits were the greatest. He almost ran out of descriptive adjectives when he stated, "Wait till you hear the record—it's stupendous, it's colossal, it's sensational, etc." Spark is currently breaking through with "I've Got A New Car" by "Big Boy" Groves. . . . KGFJ deejay Hunter Hancock will be flying low in his classy new Mercedes Benz sports job when he heads for the tall timbers of Wyoming on a bear hunting expedition the end of this month. . . . The Jewels have been plenty busy these days with club dates and guest appearances on deejay shows to ballyhoo their latest Imperial slicing "Angel In My Life" and "Hearts Can Be Broken". They teamed up with Joe Houston, Marvin & Johnny and Jesse Belvin for three week-end dates at the five four ballroom May 13 thru 15. The troupe also doubled up for an early evening show at the Torrance Civic Auditorium on Sat. (14). . . . After a successful engagement at the Flamingo Hotel in Las Vegas The Ink Spots left for Empire, Oregon, where they opened May 10. . . . Modern's latest slicing in the "Wallflower (Dance With Me Henry)" series called "Hey, Henry!" by Etta James and Richard Berry is already showing strong signs of breaking wide open throughout the country. . . . The Midnighters are slated for a complete swing through the Western territory starting July 1. . . . Bill Doggett and The Jewels will join forces for a one nite engagement in Las Vegas on May 22. . . . Two big night spots—one in El Monte and the other in Baldwin Park—are now booking R&B attractions into their respective clubs and are offering a lucrative deal to "name" personalities.

JOHNNY OTIS

JAZZ

An unusual jazz session was conducted this week when Period gathered together the entire personnel of the original John Kirby orchestra, except for Kirby himself, who died in 1952. The results will be an LP issued on Period label. Charlie Shavers, trumpeter and arranger with the Kirby band when it was one of America's finest aggregations, acted as leader on the session. Maxine Sullivan, Kirby's wife during the bands years of fame and who sang with the group on its weekly broadcasts, also participated in the LP. The other Kirby alumni were Russell Procope, alto sax, now with Duke Ellington; Buster Bailey, clarinet; Billy Kyle, piano, now with Louis Armstrong; and Gordon "Spees" Powell, drums, who for the past decade has been on staff at CBS. It was the first time the six of them had worked together in fourteen years. Jack Walker (WOV-New York) acted as commentator on the record in the role Canada Lee used to play on Kirby's CBS Network shows.

THE MIDNIGHTERS
(Federal 12224)

THE MIDNIGHTERS

● The Midnighters get into the “Henry” series with a driving cutie that should keep the dance

bit going. As proven in previous similar series, several best sellers on the same theme can be kept going at the same time. “Henry” could develop into the hottest series since “Hounddog” and “Mama He Treats Your Daughter Mean”. In the latest, Henry has flat feet and the man has his troubles. The Midnighters get their own individual sound and touches into the reading. Should take off quick. The flip, “Whatsoever You Do”, is another jump item of medium beat, smoothly performed. The Midnighters turn in a good performance on this side but it doesn't have the particular appeal of the “Henry” etching.

JOHN LEE HOOKER
(Modern 958)

ⓑ “TAXI DRIVER” (2:37) [Modern BMI—Taub] John Lee Hooker wails a slow down country blues moaning over the loss of his girl. Hooker's sad chant is potent Southern market fare.

ⓑ+ “YOU RECEIVE ME” (2:37) [Modern BMI—Taub] The flip is also a slow Southern blues told with the heart and emotion that makes Hooker one of the better blues singers. Good blues wax.

ELMORE JAMES
(Flair 1069)

ⓐ+ “HAPPY HOME” (2:32) [Flair BMI—Josea] Elmore James chants a middle beat Country ditty with that down home flavor. Deck comes off ok, tho routine.

ⓑ “NO LOVE IN MY HEART” (2:30) [Flair BMI—Josea] James ups the beat on this side for a bouncing quick beat blues in a Latin tempo. The more appealing side.

MISTER RUFFIN
(Soark 115)

ⓑ+ “A TOUCH OF HEAVEN” (2:40) [Quintet Music BMI—Leiber, Stoller] Mister Ruffin, in a distinctive bit of vocal work, dishes up a middle beat bouncer in a big voice styling. Strong hornwork in the break keeps the ditty driving. Ok wax.

ⓐ+ “BRING IT ON BACK” (2:40) [Quintet Music BMI—Ruffin] Ruffin rocks through a fast beat jump blues with gravel voice. Etching seems to lack the drive it needs.

THE EMPIRES
(Harlem 2333)

ⓑ “MAKE ME OR BREAK ME” (2:35) [Kase Music BMI—Singleton] The Empires sing a melodic slow rhythmic effort that comes off an ok side. Group has an unusual sound and material is good. Could stir up some action.

ⓑ “MAGIC MIRROR” (2:38) [Kase BMI—Dunn] The Empires sing a slow beat pretty in engaging fashion. Very strong lead. Two better than average sides.

THE TENDERFOOTS
(Federal 12219)

ⓑ “MY CONFESSION” (2:55) [Gallo BMI—Carl White] The Tenderfoots wail a tormented slow beat blues. Emotional lead is good. Ok side.

ⓑ “SAVE ME SOME KISSES” (2:15) [Gallo BMI—White, Frazier, Bass] Fast beat jump blues etched with excitement. Effective lead singing the romantic bouncer is given good rhythmic chant and instrumental support. Pulsating beat.

STICKS McGHEE
(King 4800)

ⓑ “GET YOUR MIND OUT THE GUITTER” (2:36) [Jay & Cee BMI—McGhee] Sticks McGhee chants a middle beat country blues that will hit a fair degree of sales.

ⓐ+ “SAD, BAD, GLAD” (2:47) [Jay & Cee BMI—Sticks McGhee] Sticks found a note from his baby telling him she left him. A slow bouncing blues wailed in ok manner by McGhee.

THE PENGUINS
(Dootone 362)

ⓑ+ “KISS A FOOL GOODBYE” (2:48) [Dootsie Williams BMI—Herold] The Penguins chant a slow pretty ballad blues that has a good chance to take off in strength. Lots of feeling and effective melody line.

ⓑ “BABY LET'S MAKE SOME LOVE” (2:49) [Dootsie Williams BMI—Blue] The Penguins rock on this flipside for a strong pairing. Lends buying appeal to the release, tho for the askin' side it will probably be “Kiss A Fool Goodbye”.

BIG BEN
(DeLuxe 2032)

ⓑ “MOONLIGHT IN THE GANGES” (2:15) [Harms ASCAP—Ewing, Wallace] Big Ben strums the banjo for an engaging cornball treatment of “Ganges”. Solid juke box material currently in a growing vogue.

ⓑ “NAGASAKI” (2:15) [Remick ASCAP—Warren, Dixon] Another standard. Similar comments. Both sides for any market.

THE CASANOVAS
(Apollo 474)

ⓑ+ “IT'S BEEN A LONG TIME” (2:45) [Bess BMI—Woodward] The Casanovas come up with a good slow beat blues wax. The lead does a moving job in reading and voice. Good wax.

ⓑ “HUSH-A-MECA” (2:32) [Bess BMI—Samuels] The Casanovas change the pace with a fast beat jump ditty story of the soldier who will soon be home to stay. Driving wax that comes off a good coupler.

THE RHYTHM ACES
(Vee-Jay 138)

ⓑ+ “OLLY, OLLY, ATSEN, FREE” (2:48) [Tollie BMI—Rowan, House, Carter] Cute fast beat novelty rocker that moves with gayety and excitement. Good jump ditty for the kids. Happy gimmicked vocal treatment. Could stir up some action.

ⓑ “WHISPER TO ME” (3:00) [Tollie BMI—Rowan, House] The Rhythm Aces blend on a soft breeze wafted sentimental. Ok coupler.

BUDDY GRIFFIN
(Chess 1597)

ⓑ+ “YOU KEEP ME GUESSING” (2:43) [Griffin, Swann] That expert team of Buddy and Claudia blend on a middle tempo romantic bouncer and the result is a potent wax. Watch it carefully. It could happen.

ⓑ+ “I GOT A SECRET” (2:44) [Arc BMI—Griffin, Swan] A quick beat talky-sing dret of romantic nature. Cute jump evergreen loaded with appeal. Two solid coin pullers.

THE BEL-AIRES
(Flip 303)

ⓑ+ “THIS PARADISE” (2:45) [Limax BMI—Woods] The Bel-Aires chant an unusual slow beat blues and the result is a potent wax. The group has a good sound and the disk comes up strong with sale potential.

ⓑ “LET'S PARTY AWHILE” (2:33) [Limax BMI—Woods] The group backs with a middle beat rocker in ok style. Ok coupler.

LIGHTNING JUNIOR
(Harlem 2334)

ⓐ+ “RAGGED AND HUNGRY” (2:41) [Kase BMI—L. Dalton, M. Shad] Lightning Junior sings a slow country type blues about the tortures of being down and out. Routine wax.

ⓐ+ “SOMEBODY CHANGED THE LOCK” (2:40) [Kase BMI—L. Dalton, M. Shad] Lightning Junior wails an uptempo Latin flavored blues. He's been locked out and told to stay away. A rhythmic effort that comes off ok.

RICHARD BERRY
(Flair 1068)

ⓑ+ “GOD GAVE ME YOU” (2:37) [Modern BMI—Matola] Slow dramatic folk type material, melodic in tune and tenderly romantic in theme. Berry could crack through with this one.

ⓐ+ “DON'T CHA GO” (2:38) [Flair BMI—Berry] The flip is a bouncing quick beat item for the dancers. Side has the driving quality demanded today, but falls short of being a top etching.

THE FIVE OWLS
(Vulcan 1025)

ⓑ+ “PLEADING TO YOU” (2:35) [Pennant BMI—Harris, Henderson, Sumton, White, Dickerson] The Five Owls rock gently through a slow swaying ballad. Lead is good and the group maintains an effective rhythmic back drop. Melodic item that could catch on if given enough exposure.

ⓑ “I LIKE MOONSHINE” (2:15) [Pennant BMI—Harris, Henderson, Sumton, White, Dickerson] The Owls change pace with a middle beat bouncer. The lads chant their appreciation of the amber fluid to a bouncing beat that the kids can dance to.

EARL BOSTIC
(King 4799)

ⓑ+ “CHERRY BEAN” (2:19) [Lois BMI—Alberto Pestalozza] Bostic rides merrily through the boisterous melody. Good jump side for the Bostic coterie.

ⓑ “REMEMBER” (2:35) [Berlin ASCAP—Berlin] Bostic adds the Berlin standard to his catalog. A rhythm horn treatment of the melodic lovely. Good party and juke box wax.

STARS OVER HARLEM

The past week found this writer once again entertaining some of the nation's top notch blues belters. The first to appear on the local scene after very successful stints in leading spots of the far western, midwestern and southern areas was Guitar Slim who dropped by to tell us all about his next releases which he says are definitely his greatest pair. A few paces farther we find Fats Domino and crew who are busy plus unloading for a short stay in and around the New York, New Jersey and Connecticut parts. . . . Energetic Sid Prosen getting off to a flying start with his latest Big Record venture. First releases stars singsational W.O.V. dee-jay Georgia Carr and The Voices Three. Georgia's are called "Sitting Alone" b/w "The Horse And Carriage". The group sings "Coo, Coo, Coo" and "Call Me Darling, My Darling". . . . Lowell Fulson and "Lovin' You" a real crowd pleaser. . . . Memphis Slim racing away to the platter chatter men with his "She's Alright" late one. This waxing really moves. . . . Willie Mabon and "Come On Baby" starting to get the many calls. . . . And speaking of the blues, think this a good time to call to the attention of all concerned the fact they could very easily have a double deck dynamo if they were to get a few more plays on the Dean Barlow's "Don't Ever Leave Me" now that the "Forever" flip side has taken such firm foothold. . . . Sat with Atlantic's Jerry Wexler who allowed us to hear the results of the latest Ray Charles calisthenics in the cutting rooms and it's a twin batch of hits once again for the deserving maestro. . . . Success to latest W.O.V. jock Rick Willard whose Gospel Way stint airs each early a.m. for one hour starting at six. . . . Ruth Brown "Moving" platter doing just that. . . . Al Hibbler's "Unchained Melody" still growing. . . . Same goes for Dinah Washington and "If It's The Last Thing I Do". . . . Charles Brown and "Nite After Nite" a real good bet. . . . Nat Cole's "If I May" and "Blossom" one of Harlem's top notchers. . . . Red Prysock, his big toned tenor and groovy little group have another smasharoo. It's called "Hard Rock". It is easily one of the hardest hitting instrumental readings now appearing on the scenes. . . . Watch Jubilee Record's new singing stars, The Cues, and their "Only You" pressing. Definitely loaded with all the good gimmicks. . . . Babs Gonzales' "Rockin' And Rollin'" has Crazy records executives Tommy Myers and Clarence Jackson smiling broadly and struttin' all about real proud and peacock-like.

**Grand Ole Opry To Be
 Telecast For First
 Time June 11**

NASHVILLE—Grand Ole Opry, 30-year-old radio program originated by WSM in Nashville, Tennessee, will be telecast for the first time June 11. WSM president, John H. DeWitt, Jr., has announced that his station has accepted NBC-TV's invitation to showcase the program in a half-hour coast-to-coast network feed at 8 p.m. EDT on that date.

DeWitt said the show will be picked up from the famous Ryman Auditorium, where the radio version of the Opry originates. It will be produced and fed by WSM personnel.

According to present production plans, the cast will include Carl Smith, Ernest Tubb, Martha Carson, The Carlisles, Anita Carter, Faron Young, Lonzo and Oscar, Minnie Pearl and Rod Brasfield.

Grand Ole Opry is said to be oldest uninterrupted commercial radio program on the air, and it has the largest live studio audience. In its history of almost 30 years, it has never missed a performance and never takes a summer hiatus. It plays to a live audience averaging 5,000 persons each Saturday night.

More than 5,000,000 persons have come to Nashville to see the live production of the show during the past 29 years. The show is 4½ hours long, and a half-hour portion of it has been carried on NBC radio network regularly since 1939 under the sponsorship of Prince Albert Tobacco.

Grand Ole Opry has a total cast of about 125 persons. During 1954, recording artists on the Opry cast recorded well over half of all country music records sold, played on juke boxes, or played by disc jockeys.

Tucker Becomes Manager of Ernest & Justin Tubb

NASHVILLE, TENNESSEE — Gabe Tucker, well-known deejay and promotor of country music, last week moved into Nashville and immediately announced that he has taken over the personal management of two of Decca's top recording artists . . . Ernest Tubb and Justin Tubb.

Tucker, for the past eighteen years has been associated directly in the country music field. In Houston, Texas Tucker formerly handled country music shows on radio stations KLEE and KATL. Just prior to his move to Nashville, Tucker was with Radio Station KRCP, Baytown, Texas, and has worked on many country music show promotions and one of the most recent was the Houston Firemen's Show.

Tucker was with Eddy Arnold for seven years and with Red Foley for two-and-one-half years, and was one of the original members of each of these bands. At one time, he was a featured comedian on the CBS network, working the show from Renfro Valley, where it originated.

Tucker remarked that altho he will serve as personal manager for both Ernest and Justin, the two will not be booked together as a 'talent package'. At the present time, each artist will be booked separately, he said. Ernest Tubb, one of the strongest and most consistent artists in the country field, and the young Tubb are both slated for top record and personal appearance promotion under Tucker's guidance. His office is at 417 Broadway in Nashville.

CINCINNATI CUT-UPS

Mix together a lovely Miss, three Lads and a Cutie tune, and there you have Cincinnati's latest bid for the big time, the Teddy Raymore Quartet. They are scheduled for the Godfrey "Talent Scouts" show Monday, May 16th. For almost ten years now we of the Queen City have been enjoying this Quartet in local cafes, clubs, on radio and TV. The group which includes Teddy Raymore (piano player), Carol Shane (vocalist), Larry Gilbert (trumpeter) and Bob Sattler (bass) once appeared as a regular on the Pee-Wee King's show "Flyin' W. Ranch" over WLW-TV, which in my book was Cincinnati's best TV show. Whether or not they win the "Talent show" you can rest assured that we here at home will be rooting for our favorite combo, and wishing them our best as they sally forth.

Here and There

WASHINGTON, D. C.—For many years now, in an effort to bring about better public relations, this publication has been urging the nation's coinmen to take part in their social responsibilities as citizens of their communities. Coinmen have been advised to join all types of charitable efforts to aid their local communities. They have been advised to loan use of trucks and of manpower whenever and wherever possible. They have been asked to join eagerly and enthusiastically in all good and charitable efforts. All this leads up to a statement by Harry A. Bullis, chairman of General Mills, Inc., who, speaking before a gathering of 3,500, in this city, at the U. S. Chamber of Commerce, said: "As business faces up to its social responsibilities, so will society stand up for business." He suggested that local businesses develop programs to help their communities on educational problems, to help their employees improve themselves, and to help with local civic and commercial development projects. He said, "The recognition of social responsibility and doing something about it does not depend on a good public relations department." (Ed note: This sage advice was spotlighted for us this week, when we personally had to canvass the trade, right in big New York City, to beg for a measly three juke boxes needed for community centers in their difficult fight against juvenile delinquency. We are aware that in most communities, these machines are available by coinmen who are aware of their social and moral responsibilities.)

NEW YORK—The Institute of Life Insurance, which keeps statistics on the life and death of the country's peoples, issued one of its most encouraging reports this past week. The 1954 death rate was 607.7 per 100,000 compared with 621.4 the year before, and 766.5 ten years ago. Deaths due to tuberculosis, heart disease, influenza and accidental death dropped this past year, with an increase being noted only in the case of cancer.

CLEVELAND, O.—It was revealed at a convention of the Super Market Institute in this city, this week, that there are a total of 3,506 stores, owned by 358 companies. In recent years, operators have discovered that this type of store is a very fine location for several types of coin operated machines—particularly kiddie rides.

4 YEAR PHONO DEPRECIATION NOW VITAL NECESSITY

Increased Overhead Expenses Plus Higher Taxes and Zooming Inflationary Costs to Continue Doing Business Require Music Operators to Obtain More Equitable Depreciation Schedule on New Equip't.

RECOMMENDED DEPRECIATION SCHEDULE FOR NEW PHONOGRAPHS AND MUSIC ACCESSORIES

FIRST YEAR — 40%

SECOND YEAR — 30%

THIRD YEAR — 20%

FOURTH YEAR — 10%

For some years now this publication has urged the nation's music operators to apply for a four year depreciation schedule to their local office of the Internal Revenue Department in an effort to save themselves money.

As all in the automatic music industry realize, within a year's time almost every type of new machine depreciates approximately 50% and, in a great many cases, much more.

Therefore, to somehow obtain an equitable depreciation schedule, so that the average phonograph operator can proceed to purchase more new equipment, he must arrange to completely depreciate the cost of his capital merchandise (his new phonographs and music accessories) within a period of four years.

The suggested schedule as shown above was published for the very first time on recommendation of two very well known certified public accountants who are intimate with the problems of this industry.

These men are Leo Kaner, C.P.A., of Chicago, Illinois, and Herman Jaffe, C.P.A., of New York, New York.

Some years ago, when *The Cash Box* first recommended that the nation's music operators attempt to clarify the depreciation of their capital merchandise investment with the local offices of the Internal Revenue Department, and thereby obtain a four year depreciation schedule, almost all agreed that this was, at that time, a very vital necessity.

Today, it has become more important and more vital than ever, especially as overhead expenses continue to increase and new equipment had to be purchased at more regular intervals to maintain peak play action on any music route.

In view of the fact that, after a year or so, a phonograph is moved into secondary locations and, after being in such locations for about a year, is again moved to even lesser income spots, the new phonograph within a four year period has completely depreciated itself, as far as its capital investment value is concerned.

The operator, at that time, usually trades it in and, in

many cases, in even less time for a brand new phonograph as well as new music accessories.

In such areas where music operators are forced to depreciate their phonographs at the rate of 20% per year over a period of five years, they are actually losing money.

The fact remains that any new phonograph will drop in value from 50% to even more within a period of one year, and then gradually continue to lose value as the months go by.

The four year depreciation schedule which this publication has urged the nation's music operators to obtain: 40% the first year, 30% the second year, 20% the third year and 10% the fourth and final year, is considered, by all well acquainted with the automatic music industry, as extremely fair in every regard.

It is agreed that the Treasury Department may lose some revenue the first year and possibly the second, but, in the long run, this revenue loss would return in income taxation on the whole amount of earnings without any depreciation.

At the same time, such action on the part of the Treasury Department, allowing the music operator to depreciate his phonographs and music accessories within a four year period, would tremendously help to stimulate business all down the line.

Certainly few, if any, would want to hold onto a completely depreciated piece of equipment. This would make for increased purchases of new units.

This means a more stable and better economy. Better business. More taxes. Greater income, in the long run, for the Treasury Department.

Many operators, it is reported, have already arranged the four year depreciation plan. This is progressive. It ties in perfectly with modern business methods. It means a quicker write-off and a definite savings in the beginning.

But it also means a return of taxation in another form as the years go on with business better than ever because of sounder economic procedure.

Should ASCAP Succeed In Getting Present "Copyright Act"

Amended Thereby Removing Automatic Phonos As Exceptions:

HOW MANY NEW COPYRIGHT COLLECTION AGENCIES WOULD OPEN FOR BUSINESS?

Automatic Music Leaders Believe Dozens of Small Wildcatter Uncontrolled Copyright Collection Agencies Would Spring Up All Over the Nation to Cash in on New Royalty Bonanza and Would Definitely Harass Automatic Music Merchants Right Out of Business

CHICAGO—"If ASCAP ever wins in Congress and succeeds in having automatic phonographs removed as an 'exception' to the payment of royalties to copyright organizations, I'm going right into the copyright collection business myself", is the way one well known music leader put it this past week, "and", he added, "I mean it."

As he explained, "There will be dozens of new copyright collection societies pop up all over the nation. And why not? Think of the tremendous royalty bonanza these uncontrolled wildcatters would have before them."

"In short", as he continued, "there would be every reason for any man who had any music writing ability to not only publish his own music, but, at the same time, create his own copyright society and go out to collect as much, if not more, than ASCAP and similar such present organizations, would attempt to collect from the nation's automatic music merchants."

"Remember this", he said, "they will all have the backing of the Federal Government by Federal Law, should ASCAP ever win."

This music leader, like many others thruout the nation, realize that there is absolutely nothing in the present bills before both the House of Representatives as well as the Senate Judiciary Sub-Committees that, in any fashion whatsoever, says "how" the money is to be collected, "when, where, how much and what extra charges can be made" for the "use" of any copyrighted music in automatic musical instruments.

There is every reason, then, this man believes, that music writers all over the country, should ASCAP ever win in Congress, immediately create copyright collection agencies. Set up their own publishing firm. Record their own music as well as add whatever music they can purchase and then, after any automatic music owner places these recordings in his phonographs, jump him for whatever they possibly can obtain.

Even if its much more than ASCAP, and similar such organizations, will be asking. Because there is no limit

and no basis and no control over how much and when and why and how many times they can and should collect.

Nor is there any set rules as to the creation of a copyright collection society or any organization of a similar nature.

Nor does such an organization have to be of the opinion that its songs won't become the nation's biggest hits.

Nor does such a society have to try to collect from radio and TV stations or from any other users.

As this automatic music leader explains, "There'll be plenty just collecting from the automatic music merchants."

In short, as can be realized, should ASCAP ever succeed, it would create the worst chaotic condition which has ever existed in the history of all the music industry, and in all its various divisions.

It would bring on dozens of new wildcatting collection agencies with a few copyrighted tunes to start them off after what seems like a tremendous and golden royalty bonanza.

It would be simply another gold rush and would, in the end, as this man and all others believe, mean harassment of the automatic music merchants to such a point that the entire automatic music business might be bankrupt and, thereby, completely smashed out of the picture to the detriment of the very people who now desire this amendment to the present "Copyright Act."

"That is why", this automatic music leader concludes, "if ASCAP's own members would pause for a moment to think over what could and would most definitely happen they, of themselves, would halt this entire legislative fracas and would, instead, appeal for more mechanical royalties, if they do not believe that they are getting what they require for their music at this time."

First Meet of Industry's Old Timers to be Held at Morrison Hotel, Mon., June 6, to set Program and Decide on Date and Place for First Annual Convention of "20 Yr. Club." Consider This Historical and Momentous Meet as Old Timers Get Together for First Time in History of Industry

WILL MEET IN

Morrison Hotel

Monday, June 6, 1955

CHICAGO—The very first meeting of those men who have been engaged in the coin machines industry for 20 years and longer will take place at the Morrison Hotel, this city, on Monday, June 6.

This will not be the meeting of the entire membership of The Cash Box "20 Year Club."

It will, instead, be the very first meeting of the newly created "20 Year Club Council" which came into being this year.

The members of the "20 Year Club Council" will meet to set up a program as well as to consider a place and date for a full convention of all the members of The Cash Box "20 Year Club."

There are, at present, approximately 1,000 members of the "20 Year Club." A convention of these old timers is bound to prove of tremendous value to all the industry.

As far as this very first meeting of the "20 Year Club Council" is concerned, it is not only a momentous, but also an historical meeting.

The fact is that this is the very first time in all the history of the coin machines industry where old timers, those men who have given 20 years and more of their lifetimes, will be meeting to discuss what can be done for the general betterment of the entire industry.

As many have agreed, the experience and knowledge which these men have gained, can prove of tremendous value to all concerned with the field.

Some have been in this industry for 35, 40 and even 50 years. These are the men who have already solved problems which are now besetting many of the youngsters in the industry.

Even though this meeting concerns itself with the "20 Year Club Council" all members of the "20 Year Club" are welcome to attend.

The only requirement for admission to the meeting itself will be a membership card in the "20 Year Club."

Miller Urges Nation's Ops Support "Miss Juke Box"

OAKLAND, CALIF.—George A. Miller, president and business manager of Music Operators of America (MOA), with headquarters in this city, advises he has notified all members of the association, as well as non-members, to support the sale of Sonny Graham's first RCA recording.

Miss Graham was selected as "Miss Juke Box of 1955" by the vote of music operators attending the recent MOA Convention in Chicago.

Miller also urges all of the country's music machine operators to continue to send letters to their Congressmen and Senators voicing their opposition to the four copyright bills now

before the Sub-Committee of the House and Senate.

"We must be fully aware that it's necessary to send in thousands and thousands more letters" said Miller, "from your personal friends, organizations, location owners, et al, so as to convince the members of Congress that the present copyright laws are fair and equitable regarding the automatic phonograph business."

The names of operators who won attendance prizes at the recent MOA Convention, were also announced. Winners were Rodney A. Pantages, Hollywood, Calif.; Kenneth Shyvers, Seattle, Wash.; D. C. Fortner, Carmi,

Ill.; A. W. Wietalis, Cleveland, O.; J. R. Bush, Peoria, Ill.; Gerald Davis, Silver Springs, Md.; Dick Mitchell, Boston, Mass.; Pete Pellegrino, Huntington Park, Calif. and Jerry Sanzari, Stockton, Calif.

These men won a \$100 government bond.

Miller advised that "Each year, as the attendance grows at the MOA Convention, more government bonds, in larger denominations, will be presented to the music operators for attendance prizes."

Norfolk, Va. Newspaper Tells The Juke Box Story in Length

Intimate and Extensive Report Gives Insight to Operators Problems

NORFOLK, VA.—With the automatic music industry grossly misrepresented to the nation's public by the sensational press more often than not, it gives us great satisfaction when the business is publicized honestly and correctly.

The Norfolk Virginian-Pilot and Portsmouth Star, this city, in its Sunday, May 1 issue, devoted almost a half page, featuring a four column headline, delving into the origin, local and national coverage, financial, mechanical and musical conditions under which the automatic music machine industry functions.

Under the by-line of Philip A. Lincoln, the story starts off: "When Thomas Edison, 'way back in 1877, recorded on a cylinder of tin foil his own recitation of 'Mary Had a Little Lamb' he had no way of knowing that this first crude phonograph was to be an ancestor of the glittering juke box of today. Currently reaching into every corner of the United States, there are 550,000 coin-operated phonographs busily spinning out 176,000,000 plays every week of the year. And if you care to push your mathematics just a bit harder you'll find that the total number of plays for one year is more than nine billion.

"The Norfolk-Portsmouth share of this industry is presently running close to 1,000 juke boxes. Serviced by approximately 30 agencies, the voice of the ubiquitous Tidewater juke box is seldom stilled. According to the whims or the musical tastes of the customers, the machines will pour out music to suit almost any mood or occasion. Ten cents a play, three for a quarter. You pays your money and you makes your choice, as the fellow says. And the choice is endless: from the foot-stompin', shoulder-shaking rhythm of pure jump to the easy goin' sugar-coated vocals of the modern song stylists. Or anything in between."

Lincoln continued: "The selection of records for juke box play is made on the basis of their popularity with the public as reported by disc jockeys, music shops and the juke box operators' own national trade magazine 'The Cash Box'. A constant, on-the-scene check of this popularity is made by a mechanical popularity counter. Located inside the machine, the device impartially reports the total number of times any one of the machine's 50 to 60 records (100 to 120 tunes) has been played."

Further on in the story (and this is the part of it we appreciate), Lincoln reports on the financial position of the juke box operator. He states: "On the surface, nobody ever had it as good as a music operator. He locates his machines around town, then sits back and waxes fat and happy and prosperous under a deluge of silver coins. But,

let's take a closer look. The nationwide average income from a single juke box representing 360 nickel plays is \$16 a week. This is split down the middle with the restaurant or tavern owner who's playing host to the machine, leaving the music operator with a weekly take of eight dollars from every \$1,200 juke box he has around town. Some machines will, of course, return greater dividends. But out of his share the music operator must buy the records, the sapphire-tipped needles, the skilled services of a technician when the complex mechanical and electrical equipment gets fouled up. For his 50% of the machine's total weekly income, then, the man who owns the location pays only for the electricity consumed by the juke box."

The balance of the story delves into such matters of players, thru mischief or otherwise, damaging the equipment; problem of slugs; and the matter of providing the proper tunes for locations.

Concluding the lengthy story, Lincoln observes: "So juke box it is, brightly painted and brightly lighted, by turn loud and boisterous or soft and sweet. It's a thin slice of music for a silver coin. It's music called forth by nostalgia, music to soothe or excite. It's—say they're playing our song!"

Chi Phono Bowling League Banquet Sellout

Bill Gersh to MC Party

CHICAGO—Johnny Oomens, secretary of the Chicago Automatic Phonograph Bowling League, advised this past week that no more tickets were available for the forthcoming big windup banquet at Allgauer's Restaurant, Lincoln and Touhy Avenues, this city, Saturday evening, May 21.

Bob Gnarro, president, Edith Davis, treasurer, and Ray Gallet, vice-president, joined with John Oomens to thank all the operators, distributors, record firms and all others for their immediate response to the first notification of the forthcoming season's end banquet, which appeared in *The Cash Box*, April 23 issue, and the fact that, within a few days of the announcement, "the house was sold out."

Not only will this be the biggest banquet yet given by the Chicago Automatic Phonograph Bowling League in its three years' existence but, what is even more impressive, will be the final scores of the trophy winners as well as the records which were established this past bowling season.

Once again, Bill Gersh, publisher of *The Cash Box*, as he has done the past two years, will act as Master of Ceremonies for this final banquet of the season.

Robert E. (Bob) Gnarro stated, "There are some surprises to come at this forthcoming banquet which are absolutely unexpected by any who will attend."

"I can assure everyone," he continued, "that they will tremendously enjoy this affair and will admit it was one of the grandest evenings they have ever experienced."

three horses which run across the backboard of the game.

For example, the first player may get horses 1, 2 and 3. The second player, horses 4, 5 and 6.

As the winning horse comes in the player scores 1,000, second horse to come in scores 800, third scores 400, and fourth scores 200.

In short, the one player may come in with the winning horse scoring 1,000, the second player can still beat him by getting second and third horses in with a total of 800 and 400 for 1,200 score.

"Our first tests proved to us that this was what the players were seeking in an entirely different type playing game", said Bill DeSelm, sales manager, this past week. He also added, "Further tests convinced us that the game had one of the most attractive playing appeals of any game produced in some time.

"The resultant effect", he continued, "has been to bring operators into the offices of our distributors demanding 'Derby Roll' just from seeing the game on test locations and noting the great entertainment the players were getting from it.

"We feel certain", Bill DeSelm concluded, "that here in 'Derby Roll' is the really different game operators were seeking."

US GALS

By CISSIE

Did you know that there are reported to be more successful women operators in the Empire State of New York than in any other state? Within a radius of 50 miles from the outskirts of New York City alone there are: Mrs. Gertrude Browne of Beacon, N. Y., Mrs. A. Koenig of Kingston, N. Y., and Mrs. Wm. Marcarelli of Catskill, N. Y. (Who said a woman couldn't do a man's job?) . . . Muriel (Mrs. John) Casole is just bursting proud of her husband. Johnny just entered into the auspicious realm of a 32nd degree Mason. . . So happy to hear that little Patty Huebsch, seven year old dotter of Rosemary and Paul Huebsch, is back home and romping about once again. Patty was rushed to Michael Reese Hospital for an ear operation.

Mr. and Mrs. Arnold Feldman, daughter and son-in-law of Mrs. Sadie Hankin of Atlanta, Ga., and their gorgeous little dotter, Natalie, most thoroughly enjoyed their vacation in Florida this past month. Highlight, we hear, was their visit to Sydelle and Wm. Blatt's gorgeous new home with which they were so much impressed. (Aside: Thanks a million, Sydelle, for your very grand and newsy letter.) . . . Had lunch with Al Schlesinger. Tells me he's expecting his wife, Leona, to arrive in Chicago this week. Both plan to make our Windy City their home. (Very happy to welcome both of you to Chicago.) . . . Thanks to Long Island's Mindy Austin for her so wonderful letter. Mindy tells me she finds "Us Gals" column both interesting and informative. . . They say that the way to a man's heart is through his stomach. If that is truly the case, then here's a terrific tip. Before pan frying liver, soak it in tomato juice for an hour. Not only gives the liver a wonderful flavor, but, actually makes it ever so tender.

Ruth (Mrs. Al) Stern of our town very proud of her three sons. Number one son, Joel, in business with his dad at World Wide Distributors. Number two son, Mark, finishing Northwestern U. Medical School. Number three son, Loren, attending Nat'l College. . . Margie (Mrs. Judd) Weinberg, just returned from a whirlwind New York trip. Roberta Gottlieb, Margie's youngest sister, accompanied both Margie and Judd. And all had a very grand time. . . Marian (Mrs. Joe) Robbins reports, through her Empire Coin husband, that, "We have the terror of Anshe Emet's Nursery School." None other than their little son, Mark. "But," the Robbins report, "our nine months old son, Larry, is the grandest of the goodest." So what're y'gonna do? . . . Etta (Mrs. Paul) Golden of Chicago just returned from one of those very luxurious South American cruises. And happy to be home. Si, Senora? . . . Mary (Mrs. George) Kozy (ABT's sales manager) so thrilled with the picture *The Cash Box* took of both of them, arm in arm at the MOA Convention, they've hung it in their living room. "First picture we have taken together since we were married nine years ago," they claim. . . Sure sorry to hear Kaye (Mrs. Art) Weinand suffering so terribly from an attack of buritis.

Oakland Phono Op Gives Juke Box to Philippine Missionary

Overwhelming Letter of Thanks From Reverend

OAKLAND, CALIF.—Joe Silla, music operator here, and chairman of the State Board of Directors of the California Music Guild, has donated many automatic phonographs to charitable organizations. In addition, Joe has a reputation throuout the state of never saying "no" to any request for assistance, or charitable contributions.

But—Joe has outdone himself recently. Just read the following letter from Rev. Francis Gevers, a missionary in Baguio City, Philippine Islands, and be proud that the industry has such men:

"Most probably you have been waiting for this letter since a long time. Maybe you are wondering about the delay. There are many reasons to explain you the absence of this letter. I received the juke box here in Baguio about the beginning of the month, although it arrived at an earlier date in Manila. But custom formalities take

quite a lot of time in the East.

"I was surprised of such royal gift, and I know my words will be powerless to express my thanks to you. I wonder why our Lord placed such good people on earth? I am a complete stranger for you, the place where I stay is unknown to you, and still you send me a gift which nobody would dare to ask even from his best friend. I don't need to describe to you the surprise of my people and most of all of my boys and girls when they saw the juke box. This is the first time in their lives that they can call such a marvelous instrument theirs. They consider it almost as something mysterious for it seems to have intellect.

"I told all the kids about the great benefactor in America who sent them this marvelous instrument. Be sure that what this letter fails to express they will make up for through their prayers. They will remember you and your family and ask all the blessings for their generous friend.

"On my part I cannot express my thanks enough for your gift, as it will be an excellent tool for my mission work. It attracts the people and most of the youth, and it gives me ample opportunity to talk to them and to mix with them. Besides music, it provides me with more than one opportunity to make friends with them. It is a marvelous and unequalled tool for my mission work.

"I know that sooner or later a greater reward and better thanks than mine will be given to you."

Calif. Music Ops to Celebrate 22 Years

OAKLAND, CALIF.—The California Music Merchants Association, with headquarters in this city, announced it and all of its divisions in California will get together at the Leamington Hotel, this city, on Saturday night, June 4, to celebrate its 22 years of continued service to the music operators of the state.

Westchester Ops Guild Fourth Annual Banquet Huge Success

TUCKAHOE, N. Y.—The Westchester Operators Guild continued in its vein of conducting larger annual banquets with each succeeding year. As had previously been experienced, the Westchester organization, facing an evergrowing attendance which forced them into larger and larger dining halls, once again filled the latest choice and again faces the prospect of looking for a larger hall for 1956.

The Fourth Annual dinner was held at the New Parkway Casino, this city, on Tuesday, May 10, with an assemblage of more than 400, comprised of association members, wholesalers, factory representatives, and those from the music and record industry.

Malcolm Wein, counsel for the Guild, once again acted as master of ceremonies. Speeches were kept to an almost non-existent minimum. Wein, in a short address, paid tribute to president Carl Pavesi, and thanked the committee chairmen for the long hard hours the men had put in dealing with the innumerable problems that arise in running such an affair. He especially pointed up the efforts of Seymour Pollak, general chairman; Nathan Bensky, co-chairman and entertainment; James A. Smith, souvenir journal; Edward Goldberg, seating arrangements; Louis Tartaglia, treasurer; and Carl Pavesi, who in addition to his other duties, handled the tickets.

Pavesi spoke briefly, welcoming the guests, and at the end of his talk was gifted with a U.S. Government bond from the association membership. Malcolm Wein also presented Mrs. Pavesi with a large bouquet of roses.

Wein concluded by introducing guests, among whom were members of associations from other territories, wholesalers, factory representatives, trade journals, and members of the record and music industry. Some of those on hand were, factory representatives Jack Mitnick (AMI); Jack Gordon and John Stuparitz (See-

burg); Ben Becker (United). The New York distributors were represented by Meyer Parkoff, Murray Kay and Nat Solow, Atlantic-New York Corp. (Seeburg); Barney Sugarman, Abe Green, Irv Kempner and Morris Rood from Runyon Sales (AMI-Bally-Keeney); Joe Young and Abe Lipsky, Young Distributing (Wurlitzer); Bob Slifer and Charles Reissner, Seacoast Distributing (Rock-Ola); Mike Munves, Mike Munves Corp. (Exhibit); Al D'Inzello, Albert Simon Co. (Chicago Coin-Genco); and Harry Berger, West Side Distributing Co., wholesaler.

Representing out-of-town associations were Abe Fish and Jimmie Tolisano, Connecticut State Operators Assn.; and Jack Wilson, Tom Gobel and Gertrude Brown of the New York State Operators Assn.

In from New York City were Al Denver, Lou Hirsch and Sidney Levine of the Music Operators of New York; and Lou Rosenberg and Claire Morano of the Associated Amusement Machine Operators of New York, Inc.

Joe Fishman and Lenny Schneller, Atlantic Pennsylvania Corp., Philadelphia, Pa., also attended.

Record company officials were introduced to the gathering.

The dinner was followed by entertainment provided by top recording artists.

Seen below, top picture, are the officers of the association welcoming Sonny Graham, selected "Miss Juke Box of 1955" at the recent MOA Convention. From left to right: Seymour Pollak, Jim Smith, Nat Bensky, Miss Graham, Carl Pavesi, Ed Goldberg and Lou Tartaglia.

Music machines, bearing the "Music Helps Johnny" Cerebral Palsy Drive poster, were springing up in new locations throughout the Hub this week. An AMI from Atlas Distributors went into North Station to catch the commuters' dimes and quarters as well as the thousands swarming to the Ringling Bros. Barnum & Bailey Circus at Boston Garden this week. A Seeburg from Trimount Automatic Sales Corp. went into Loew's State Theatre on Mass. Ave., loaded with rhythm and blues disks. Another Seeburg into Loew's State in Providence, R. I. Double tie-up here as Loew's is booking the "Rock 'n' Roll" Show which hit a record gross at Brooklyn Paramount. Other distributors' machines are at Hotel Vendome, Wurlitzer, from Redd Distributors; Hotel Sherry Biltmore, AMI, from Atlas. James Geracos, president Massachusetts Music Operators Association, in hospital for gall bladder operation. . . . Perez Prado, in town at Hi Hat, has a contract which calls for no dancing when he is playing. . . . Tom Kennedy, office manager, Redd Distributors (Wurlitzer), back from vacation in Florida and mid-West where he visited with his son. Among ops at Redd's were Martin Oliver, Portland, Me.; Bud Sequin, Newport, Vt.; Jim O'Connors, Danielson, Conn.; Mortoro Cavarros, Norwich, Conn.; Jim Perchillis, Ipswich, Mass.; and Jim Tolisano, Hartford, Conn. . . . Cigarette machine ops have joined the Cerebral Palsy fund drive through efforts of Dave Baker, Melo-Tone Music, Arlington, and Phil Swartz, Winrox.

At Thursday, May 5, session of Music Operators Association in Hampton Court Hotel, articles of the by-laws were voted. Committee comprising Peter Pompeo, Sol Robinson, association veep, and Bob Rome, will report at next session Thursday, 18. Dime play reports indicate much confusion still exists. Reports of those cutting back to the nickel have, however, diminished. Most ops are driving steadily ahead on the dime. . . . Hank Peteet, field engineer Wurlitzer, visited with Si Redd. . . . Biz on upswing at Atlas Distributors with heavy shipments of AMI's going out daily. Louis Blatt back from visit with Charles Barrody in New Hampshire, where Blatt's have summer home. Among ops visiting with the Blatt's were George Hatzipietro and Russell Hall, Holyoke. . . . Irwin Margold, general manager Trimount, noted inspecting the Seeburg in booth at South Station for Cerebral Palsy. . . . Ed Ravreby, World Fair and Associated Amusements, reports big demand for outdoor season with kiddie rides and guns leading. Rental service, now offered by Ed going strong. Among ops in this week were Joe Turcotte, Willimansett; Dave Gropman, Beacon Hill; Joe Fielding, Brockton; Tim Twommey and Martin Oliver, Portland, Me.; James Westcott, Reading; Pat D'Amico, Methuen; Bill Arrison, Chester, Vt.; Johnny Lazar, Manchester, N. H.; Paul Doherty, Worcester; and George Adams, New Bedford. . . . Extended play records and rhythm and blues discs going strong throughout Boston area.

"Reports On New Machine Beyond All Expectations"

J. A. (ART) WEINAND

CHICAGO—J. A. (Art) Weinand, sales manager for Williams Manufacturing Company, this city, stated this past week:

"Reports on our new 'Sidewalk Engineer' are beyond all of our fondest expectations."

He continued, "The reports of the gross intake on 'Sidewalk Engineer' just can't be described because we feel that the average operator would never believe us."

"The one and only way we convince anyone regarding 'Sidewalk Engineer'," he stated, "is to have them check locations where the machine is already in operation."

Not only is Weinand enthusiastic over this new machine, but Harry

Williams and Sam Stern of the firm are just as jubilant, especially after they saw some of the gross intake reports.

"What amazes me the most," Weinand says, "is the fact that, at first, we thought the kids would be the ones to play 'Sidewalk Engineer'."

"Instead," he continued, "it seems that the adults are jamming the game and are getting more fun and entertainment out of it than are the kids."

The firm was extremely proud to hear, this past week, that two of the "Sidewalk Engineer" games were placed in the very social and sedate Ambassador East Hotel, Sarah Siddons Room, by the Riverview Park people who were holding an affair there.

They featured the games for all their members to enjoy and the results were so great, it is reported, that they still can't believe what they saw and heard.

"A couple of operators from Peoria dropped in," Weinand said, "and took two of the games to their city, headquarters of Caterpillar Tractors, where they believe every one of the workers will do everything they can to prove that the competitive make tractor, used in 'Sidewalk Engineer', isn't equal to their own product."

"In fact," Weinand concluded, "I can go on for hours telling about 'Sidewalk Engineer'." In the front window of a Neisner 5c & 10c Store and in other places where it has been located, it not only amazed the management but, what's even more important, absolutely amazed the operators as to its intake capacity."

More Coin Funds For Polio Drive

UKIAH, CALIF.—Coinmen thruout the nation made a wonderful contribution to the coffers of the National Polio Foundation during the recent "Day of Dimes for the March of Dimes" campaign originated and sponsored by The Cash Box.

These many men can justly feel mighty proud of their efforts, as the money collected thru their machines contributed to the discovery and distribution of the now famous Salk Vaccine.

One operator who must be going about with that fine feeling is Harold

Zimmerman, owner of Ukiah Music Company, this city, who contributed the use of his Bally "Champion" ride to raise funds. The horse was located in front of a shoe store and parents were urged to permit their children to "ride for polio."

"And they needed no urging," said Zimmerman. "Everybody had a field day. The kids got all the rides they wanted, and the polio fund was nearly \$400 richer."

Pictured above is the Bally ride in action during the drive. (Photo courtesy of R. J. Jones Comany, San Francisco office.)

Sorter like old times on coin machine row since Bob Davenport opened his Coin Machine Exchange at 1906 Leeland. Bob buys, sells and trades all kinds of coin machines, used records and equipment. Shortly he will open a new department with a used record package deal for new phonographs. A complete set of records, freely spiked with old favorites, labels typed and all, might be had at considerable saving. . . . Well known (in Texas surely) George Wrenn, Chicago Coin Machine representatives, here visiting old friends and casting about for a suitable distributor for Chicago Coin Machine line. . . . C. R. Sage (brother of A. A. Sage; recommendation enough) recently joined up with Houston branch of S. H. Lynch Co. Seeburg background music division. . . . Hazel Conklin, foremost fem operator hereabouts, now owner of Chatter Box lounge, favorite hangout for local coin machinemen. . . . If Howard Elam, King record Southern Texas sales representative, was a betting man he'd likely wager a modest sum that a late release, "Henry Has Flat Feet" by the 1954 Rhythm and Blues award winners, The Midnighters, would repeat in 1955. Oscar or no the new number should make the top Rhythm and Blues log. . . . Atlas Radio and Records hit the jackpot publicly when locally prominent newspaper columnist, Sig Byrd, used that company as a base for one of his daily pieces.

One reason L. R. Gardener, manager of R. Warncke Co., Houston, has the congenial air of a successful business man these days, rather than his habitual mien of a college professor, might be because he is selling more of those phonographs than he can deliver. . . . Much ado here about ten cent phonograph play, but to say that even a gradual changeover was being affected in Houston and environs would be an exaggeration. Rank and file of the operators, favorable as they seem conversationally, just haven't stampeded (or even strolled) into the idea. All three local major distributors, while not directly affected, are believed to favor that new deal. Seeburg people went further in a series of meetings with operator groups and advocated a plan where certain selections would list at two plays for a dime and other more popular members would cost ten cents or three for a quarter. Nearby cities of Beaumont and Port Arthur are already 100% ten cent play as is Liberty and other in-between towns. Galveston was reported as having more ten cent plays than fives and improving. . . . It happened here: Two roller skating rinks, each in the \$100,000 class, recently opened in this area and in both cases it was the rink owner that made the first move to get some coin operated devices scattered about the rinks.

Canadian Officials Look Over AMI

MONTREAL, CANADA — Romeo Laniel, Laniel Amusements, Inc., this city, sends along the above photograph, showing some of Canada's prominent officials looking over AMI's model "F" phonograph. From left to right: Camille Pouliot, provincial minister of game and fisheries; Jean Paul

Ranger, proprietor of Electro Amusement Reg'd, Sherbrooke; and Hon. J. S. Bourque, provincial Minister of lands, forest and hydraulic resources.

(Ed. comment: We're wondering if the meeting of these men at Laniel's offices had anything to do with his great love of hunting and fishing.)

Op Fights to Bring Amuse Mach. Taxes in Line

GLENDALE, ARIZ.—John J. Hourihan, Copper State Amusements, this city, has undertaken a one-man campaign to educate the city's Council that he, as an operator of amusement machines, should be taxed equally with other businesses, and not be burdened with excessive taxation.

The City of Glendale has had a tax of \$15 per machine per quarter year

for quite some time. "A committee has been appointed by the City Council to list additional businesses which were not in town when the tax structure was established," said Hourihan. "I decided this was a good time to attempt to bring my taxes in line with other businesses, and I am trying to show the members of the City Council that I am selling amusement in the same sense as a theatre."

Gottlieb Intros New 4-Player Pinball

CHICAGO — Alvin Gottlieb announced this past week that the firm is in full scale, full speed production on its new four-player pinball, "Jubilee."

This is the second four-player pinball the firm has produced, the first being "Jumbo" which met with very fine approval of the trade and opened the way to four-player pinball action.

Said Alvin, "We are extremely proud of 'Jubilee.' Not only is it a perfect follow-up on our great 'Jumbo', but, what is even more important, all that we learned from our first four-player is now incorporated into this new game and, what's more, the very extensive location tests for 'Jubilee' prove this second of four-player games to be the finest yet produced."

"We also believe", he continued, "that if location tests, especially location tests as intensive and extensive

as we made on 'Jubilee' mean anything at all, every operator who buys 'Jubilee' is going to be very happily surprised at the results he's going to enjoy on locations everywhere in the nation."

Once again D. Gottlieb & Company is featuring its "New Look" cabinet on the "Jubilee." This beautiful and modernistic cabinet clicked so well that it has been adopted as a standard cabinet for all its outstanding games.

In addition, all the easy servicing features are added onto the game and, most important of all, the twin coin chutes are again being featured, 1 play 10¢ and 3 plays 25¢.

Alvin Gottlieb concluded with the following remarks, "Because of the many new features which we have incorporated into 'Jubilee' and, further, because of the marvelous acceptance the game received on test locations all

Bill Introduced in Ill. to Ban Mfr. of Devices That Deliver Money or Tangible Property

SPRINGFIELD, ILL.—A bill to outlaw the manufacture of slot machines and some other types of gambling devices was favorably reported to the Illinois House of Representatives on May 5, by its industry and labor relations committee.

The measure specifically excludes from its prohibition the manufacture of amusement-type pinball machines.

Rep. Paul Powell, Vienna Democrat, offered an amendment dealing with the pinball exclusion and it was adopted after the bill's sponsor said it was in accord with the intent of the measure.

The amendment spelled out what would be covered as to amusement-type pinballs by defining them as de-

vices which do not deliver money or tangible property.

The measure provides stiff penalties for violations, ranging up to a fine of from \$5,000 to \$10,000 and two to five years in prison for a third offense, and dissolution of an offending corporation.

Arizona Atty. Gen. Declares Pinball Machines OK if No Payoff in Money or Prizes

PHOENIX, ARIZ.—Attorney General Robert Morrison declared in an informal statement on May 3, that pinball devices violate gambling laws only if there is a payoff of money or prizes.

over the nation, we feel certain that 'Jubilee' will be recognized, within a short period of time, as one of the greatest games of all time."

Richmond, Va. Music Ops to Meet to Form Association

RICHMOND, VA.—On Tuesday, May 17, between fifty and sixty music operators will gather at the William Byrd Hotel, this city, in an attempt to form an organization.

Under the guidance of R. H. Minor and K. A. O'Connor the groundwork has been laid. Minor and O'Connor wrote George A. Miller, president of the MOA, asking his assistance. Miller contacted Hirsh de LaViez, Hirsh Coin Machine Co., Washington, D. C., and asked him to be guest speaker at the initial meeting and to help the group in its organization.

The meeting will be preceded by a cocktail hour between 6 and 7 PM, followed by dinner and business.

Richmond operators who are interested should contact either R. H. Minor at 12 N. Robinson Street or K. A. O'Connor at 2320 W. Main Street.

NEW YORK—Dave Stern and Bob Slifer, Seacoast Distributors, this city, announced the dates of a Rock-Ola service school to be held in this city and in Elizabeth, N. J.

Frank Schultz, Rock-Ola factory engineer, with the assistance of Seacoast's Charlie Reissner, will conduct classes in New York Monday, Tuesday and Wednesday, May 23, 24 and 25; and in Elizabeth on Thursday and Friday, May 26 and 27.

"Since the initial day of the showing of the new Rock-Ola model '1448', operators have been flocking in continually to view the machine," advised Dave Stern.

Roy Small Visits Chi

CHICAGO—Roy Small, conciliator and public relations counsellor for United Music Operators of Michigan, spent the weekend visiting here and met with some of the leaders in this area.

Roy Small, along with Al Schlesinger, managing director of the National Coin Machine Distributors Association, spent a pleasant evening together with Bill Gersh, publisher of *The Cash Box*.

Roy Small also had some association business to attend to here. He also met with Phil Levin, president of the Recorded Music Service Association of this city.

This was Small's first meeting with Levin and it is believed that their common interests in heading music operators' associations had much to do with the congeniality that existed at this first meeting.

Most of the city's coinmen, and many from out of town, attended the Fourth Annual Dinner-Dance of the Westchester Operators Guild on Tuesday night, May 10 at the New Parkway Casino, Tuckahoe, N. Y. . . . As usual, it was a grand party, with officials of the Guild most gracious hosts. While there was sufficient accommodations for the some 400 guests, Carl Pavesi, president, was concerned over their comfort, and was wondering where to go next year, should a larger hall be necessary to take care of the ever increasing attendance. . . . Under the leadership of Pavesi, the committee members worked hard, but had the satisfaction of seeing a most successful affair. Taking bows for a job well done were Seymour Pollak, general chairman; Nat Bensky, chairman of entertainment; Jimmy Smith, souvenir journal; Lou Tartaglia, tickets; Ed Goldberg, seating arrangements; and Malcolm Wein, the brilliant attorney and toastmaster for the occasion. . . . The membership turned out big. . . . The table attracting most attention was that where the Tartaglia family was seated. In addition to the active boys and girls of this operating firm, also on hand were Mr. and Mrs. Paul Tartaglia, the father and mother of this wonderful family. Mr. and Mrs. Tartaglia returned from a seven month sojourn in Florida for the affair. . . . Malcolm Wein also had members of his family at his table—his charming mother, sister, son and daughter. Mike (teen-age son) Wein got quite a thrill when introduced to Barney Ross. The "champ" was on hand seeing all his coin friends—and naturally plugging his "boy," Eddie Fisher. . . . Factory representatives in attendance were Jack Mitnick (AMI); Jack Gordon (Seeburg); and John Stuparitz and Ben Becker (United). . . . All of New York's distribs were there in force. From Atlantic-New York Corp. (Seeburg) were Meyer Parkoff, Murray Kaye and Nat Solow. From Runyon (AMI, Bally, Keeney) were Barney Sugerman, Abe Green, Irv Kempner, and Morris Rood (as well Shugy's son Myron). From Young Distributing (Wurlitzer) were Joe Young and Abe Lipsky. From Seacoast Distributing (Rock-Ola) were Bob Slifer and Charlie Reissner. Mike Munves, Mike Munves Corp. (Exhibit), Al D'Inzello, Albert Simon Co. (Chicago Coin and Genco); and Harry Berger (wholesaler) also took in the fun. . . . Representing out-of-town associations were: Abe Fish and Jimmie Tolisano, Connecticut State Operators Assn.; Jack Wilson, Tom Gobel, and Gertrude Brown of New York State Operators Assn.; from New York City: Music Operators of New York; Al Denver, Lou Hirsch, and Sidney Levine, attorney; and Lou Rosenberg and Clare Morano of the Associated Amusement Machine Operators of New York. . . . Joe Fishman and Lenny Schneller, Atlantic Pennsylvania Corp., Philadelphia, Pa., drove in just for the party, and left immediately after for the City of Brotherly Love. . . . And of course, representatives from all of the recording companies, as well as many of their artists, who put on quite a show. . . . A great party, fine meal, plenty of fun—let's all hope we're around for the organization's Fifth Annual Banquet.

A. D. Palmer, Jr., advertising and sales promotion manager, The Rudolph Wurlitzer Company, in town the latter part of the week, introducing his new assistant Donald K. (Don) Beyer. . . . Also in town for one day from the Wurlitzer firm was Joe Hrdlicka, service manager, who was starting a two-week good-will trip, in which he will cover the East, New England, and Southern distributors. . . . Joe Connors back from his two-week vacation in Mexico. Joe had quite a busy and thrilling trip. . . . Accolades of the highest order to execs of Atlantic-New York, Runyon, and Seacoast, who donated one juke box each for Westside community centers, whose officers are doing quite a job keeping teen-agers off the streets. And a special bow to Harry and Hymie Koepfel, who cleaned up the machines, set them for free play, and will service them. Your correspondent is exceedingly grateful to the above, as it appeared for a while that the big city of New York was going to fail to supply these measly three machines. . . . Iz Edelman, Edelco, converters of shuffle games, practically commutes between Chicago and New York—with occasional visits to his plant in Detroit. . . . The offices and showrooms of Runyon took on a new look. Special music showroom set up in front—special amusement machines showroom to the right—and a new office for Buddy Fox. THRU THE GOIN' SHUTE CHICAGO CHATTER

Well, at long last, the day is set. For the very first and historical meet of the old timers of the industry, the members of the "20 Year Club Council", who will decide at this meeting in Chicago at the Morrison Hotel on Monday, June 6, 10 A.M. in Parlor "B", the program as well as the day and the place for the First Annual Convention of the "20 Year Club." There are today approximately 1,000 members of the "20 Year Club." A gathering of these men and women, who have given 20 and more years of their lives to this industry, should bring forth some tremendously fine results. . . . With Jack Nelson in the East working hard this past week, Bill O'Donnell was one of the busiest of the busy. The Bally factories are spinning ahead with top production schedules. Shipments are going out just as fast as possible. . . . Officers of the Chicago Automatic Phonograph Bowling League were re-elected: Robert E. (Bob) Gnarro, president; Ray Gallet, vice-president; John Oomens, secretary and Edith Davis, treasurer. What's more the League announced that its big banquet at Allgauers set for May 21 was now a sellout. No more tickets available.

George A. Miller advised that his California Music Merchants Association's annual banquet would be held at the Leamington Hotel in Oakland on June 14. . . . Even tho Ed Levin is on vacation, the phones didn't stop ringing for even a second over at Bill's going down to the low 80's very soon.) . . . Wally Finke on a Miami and New Orleans vacation so Joe and Fred Kline along with Sam Kolber at First Coin busier than ever. Said Joe, "Just made our very first shipment of machines to Sweden." Added Fred and Sam, "Y'shoulda been here yesterday—you'd swear it was a convention—over 30 operators in our place all at one and the same time". . . . Bob Lincoln and Ken McGuire in from Calistell, Mont. shopping about the town. . . . Greetings to Harold Lieberman, Amos Heilicher and Fritz Eichinger of Minneapolis and St. Paul from the owners of the White House and Charley's visiting Our Town this past week.

Howard N. Ellis, sect'y-treas. of Nebraska's phono ops and George A. Miller of MOA co-signed a letter to all Nebraska to ask ops to purchase Sonny Gram's (Miss Juke Box) dinking of "A Stairway To The Moon". . . . Bill DeSelm one of the most thrilled guys in town. Broke 100 at the golf course t'other day. Shot a 47 for nine holes—and halted. Knew when he was ahead. (But all of the belief that Bill's going down to the low 80's very soon.) . . . Wally Finke on a Miami and New Orleans vacation so Joe and Fred Kline along with Sam Kolber at First Coin busier than ever. Said Joe, "Just made our very first shipment of machines to Sweden." Added Fred and Sam, "Y'shoulda been here yesterday—you'd swear it was a convention—over 30 operators in our place all at one and the same time". . . . Bob Lincoln and Ken McGuire in from Calistell, Mont. shopping about the town. . . . Greetings to Harold Lieberman, Amos Heilicher and Fritz Eichinger of Minneapolis and St. Paul from the owners of the White House and Charley's visiting Our Town this past week.

Charley Schlicht advises he's going into the electrical equipment brokerage biz. . . . These are 4 absolute necessities for this industry: Public Relations Bureau, Tax Council, Credit Bureau and Board of Trade. . . . Never before realized that Vic Comforte such a handsome handsome. . . . Nice note from Marty Bromley all the way from Honolulu, Hawaii, telling us how much he'd love to serve on the "20 Year Club Council". (Used to lift this kid up in Brooklyn so that he could play the games in his Dad's (Irving Bromberg's) place. . . . Paul Huebsch certainly threw a scare into Roy McGinnis this past Sunday eve. When Roy pulled into town from his Miami Beach home he drove right over to Paul's place to visit with his grandchildren. With the kids hanging on all over him he turned to Paul and said, "I'll be down to the factory bright and early Monday morning." Answered Paul, "No use you doing that, Mac." And as Mac spun about to ask, "Why?" Paul answered, 'Because we don't open until 10 A.M.'" And just as Mac was ready to blow his top—everyone laughed. (McGinnis was down at his office at about 8 A.M.)

The entire Gottlieb clan, Dave, Nate, Sol and Alvin Gottlieb all thrilled at the great reception given to their new four-player five-ball, "Jubilee". This is the second four-player the firm has built. "And this one", Alvin chortled, "has already proved itself the honey of all honey making games". . . . The trio at Exhibit now in sales contest with a duo. The trio: Frank Mencuri, Ed Hall and Sam Lewis. The duo, Chet Gore and Ken Wilson. This past week Chet and Ken were 'way ahead in sales. They've been on the road with Exhibit's "Vacumatic Card Vendor" which is going great. . . . Rock-Ola's Wayne Bradfield gazing at the orders piling up in the firm's sales dept. for the new Model "1448" said, "We're just happier than happy at the tremendous reception being given our new '1448' everywhere in the nation". . . . Very, very pleasant evening, dining with Al Schlesinger of NCMDA and Roy Small of United Music Ops of Mich. at the Pump Room.

Ralph Sheffield reported this past week that, "When I took home my copy of 'The Cash Box' and my son, Roger, saw the item mentioning his name, he said, 'Dad, I'm getting famous.'" (Who knows, Ralph? Maybe here's the new Thomas Alva Edison, Steinmetz or Einstein) Johnny Casola and Leo Golinski of United Mfg. Co. report in by long distance phone after their dual Service Schools in Corpus Christi and San Antonio, Texas, that these "were among the two most successful we've ever held". . . . Joe Robbins of Empire reports that Jack Burns on a sales trip thruout Northern Illinois and that "business is better than ever". By the way, that very attractive gal at the reception phone over at Empire is Norma Purchla. She has taken over the job of Katherine Neis who was just recently married. . . . Nate Feinstein and Harold Schwartz with sheets and sheets before them and that golden gleam in their eyes as they discuss the terrific sales Atlas Music has been enjoying. And bossman, Eddie Ginsburg, just puffing on his cigar, standing at his office window, with his eyes glued on his second planting of hedges, "Because", says Eddie, "if someone tries to uproot these * * *". . . . Looks like Don Moloney may have started a Soft-Ball League at last. Chicoin challenged the Donan team to a game. Don's been trying hard to get a Soft-Ball League going in the industry here.

Dan Wertz of Richmond sent us clipping where his City Council refused to pass a \$2,500 occupational license fee for operators. Also encloses story from the "Norfolk Virginia-Pilot and Portsmouth Star" wherein The Cash Box given nice mention. . . . Gordon Stout sends us a copy of the "S.D.P.O.A." record featuring Grace Lex's tunes as sung by 9 year old "Dakota Danny" Hall. . . .

Formosa GI's Ask For 45RPM Records

CHICAGO—Lonely GI's stationed in Formosa on the "Formosa Patrol" now have in their possession a much battered 45rpm phono, but, no records.

They have sent out a plea for all who can afford to ship them American recordings of any and all types.

The juke box industry has always handled such pleas and, therefore, many of the nation's music ops could certainly win even greater pleasure for themselves as well as commendation for their industry, by shipping 45rpm records immediately to:

The Staff, Commanding Cruiser Division 5, Fleet P.O., San Francisco, Calif.

Just mark the package: "45 RPM Recordings for our GI's."

How To Use "THE CASH BOX PRICE LISTS"

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK" and "The Confidential Price Lists"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games — and \$25 to \$30 on Phonographs.

REGARDING SELLING PRICES

IMPORTANT!

Reports received indicate that, in some cases, purchasers become upset due to the fact that they cannot, many times, buy equipment listed in the lower price brackets. Sometimes sellers of machines listed at from \$10.00 to \$25.00 ask from \$50.00 up to \$75.00 and even more for these very same machines. Purchasers of such equipment must realize that machines in the very low priced categories are much worn to be priced at these low figures. To completely recondition such machines, the reconditioner must add onto his price the cost of transportation to obtain these machines, the labor, parts and supplies needed to recondition the machines, plus the cost of cartons, crates and labor for packing and shipping of the machines, in addition to a decent profit which will, in most cases, raise the price of a \$10.00 to \$20.00 machine to anywhere from \$50.00 to \$75.00 and up. In the case of arcade and kiddie ride machines these may even be higher due to the fact that many of the parts have to be made by hand or contracted for at some machinist shop, since manufacturers of many of the old arcade machines and kiddie rides are no longer in business and it is impossible to obtain parts for reconditioning. Purchasers of such equipment should take these facts into consideration and, at the same time, should also realize that many buyers today have their own repair and reconditioning departments as well as experienced mechanics, such buyers will purchase machines "as is", at prices quoted by the trade at large, and recondition the machines themselves to meet their own operating standards.
