Hard Choices

JEFF BECK, "PEOPLE GET READY", EPIC... Get ready for some of their best teamwork since the "Truth" period. Beck's tasteful liquid guitar steals the show, but Rod also rates high marks for his strong, moody vocals. You can't beat a couple of old pros in top form on a classic--and this interpretation hits like a freight train in a tuxedo.

BOB DYLAN, "EMPIRE BURLESQUE", COLUMBIA... "Tight Connection" collects another 15--with 57 in just two weeks, tons of raves--and a fast 56-47 primer this report. When Bob leaves the driving to an ace like Arthur Baker, you know there's lots more just waiting to take off...We'd start with "When The Night..." or "Clean Cut", or you can pick your pleasure from the enclosed cassette...As KFMH's Steve Bridges says, "He's perfect for any ADR looking for adult identity."

MEN AT WORK, "TWO HEARTS", COLUMBIA... 63 adds and a 52-44 underline tell us you folks know this band delivers hits. But track a side in the context of your required listening, and they'll once again deck you with originality and personality. CHR is a heartbeat away from single saturation--so work 'em over with two LP tracks we like as well, "Man With Two Hearts" and "Maria."

BRYAN FERRY, "SLAVE TO LOVE", WB... It's so nice we've got to pick it twice--and we won't even try to camouflage the double shot by dropping in an album track or two...The 12" enjoyed another fine week, with 18 adds, 41 total, and a strong 92-69 primer...WHEM's Amy Grossar owns up, "Slave" is wonderful. It's slow and melodic and very captivating.

RATT, "INVASION OF YOUR PRIVACY", ATLANTIC... Two mil sold the last time out, and their distinctive polished metal sound should put them in the automatic column--and that it was at 47 reporters for #2 Most Added--and a #50 debut...As Ted Edwards sez, "It's 3 minutes and 28 seconds of Class A All-American kick ass rock"...Bet you'll end up playing "You're In Love" in a hurry, too.

RUSS PALLARD, "THE FIRE STILL BURNS", EMI... When you think of all the hits this guy has written, you just know his new 12" is going to be the pick-of-the-litter. You can also bet on radial ply hooks from a master of that craft. In short, it is, they are--and we're in.

ROCKING HEADS, "ROAD TO NOWHERE", SIRE... It's one thing to talk taking chances. It's entirely another to walk it. This immensely entertaining and off-the-wall tune will be the art-hit piece de resistance for these kings of no compromise cutting edge commerciality.

TILLS LOFGREN, "FLIP", COLUMBIA... The 12" "Secrets In The Street" picks up 14 reports in the short holiday week--a nice start for what we feel is his strongest mass single contender since the early days. Keep his old and new fans grinning with two more of the album's best: the gritty "New Holes In Old Shoes" and the top-down cruiser, "Flip Ya Flip".

COCK ROBIN, COLUMBIA... There's been limited album radio support to date, but we're firm in our belief that "Heart" will be a pop hit. Watch closely because CHR will spread the word on the bird in your backyard. If you need more edge, you'll like the leadoff number "Thought You Were On My Side"...With a name like that--they have to be great!

Chain Reaction

STING, "IF YOU LOVE SOMEBODY", A&M... Hail to the chief!! The big guy locks up 95 for #1 most added, also the week's highest #8 debut...We ran it past the Instant Capsule Review Board--where Ted Edwards called it "Perfect for everyone"...Pepe Lopez predicted "This summer's smash"...From WLWQ's Jo Robinson "An incredibly emotional song"...KSHE's Rick Ballis sez "Will be a hit"...WPYX's Bob Welch agreed "It's a smash"...KILQ's Alan White sez "Right on the money"...Dave Kane, WCMF, calls it "Absolutely the best"...A great song" according to WQFM's Jerry Gavin, and WJOT's Rick Van Gil notes, "Sting goes right into heavy based on Jock demand and high quality phones"

HEART, "WHAT ABOUT LOVE", CAPITOL... The numbers pretty much do the talking--new on 26--for a 92 station two week tally...Up 28-14 on the Song Index, thanks to 8 max, 26 more at "4", and 8 early increases: KLOL, MHJY, WYFE, KZOK and WMDM included.

FOREIGNER, "REACTION TO ACTION", ATLANTIC... The new 12" adds 19 to the list--moving 86-58, resurging the LP 44-36/40-30 Metro...Upped on WBCN, KILQ and WHTF. React now--or sulk later...!

TIP : VOICES, "I CAN SEE THE NIGHT", ATCO... As per the Dylan rap, Arthur Baker's right hand mixer, John Robie, realizes his rock dreams with Voices. It's about time the rest of the world got hip to these fun and attention-getting dance mix tricks, and this quirky workout is just the ticket.

COREY HART, "NEVER SURRENDER", EMI... We also ran "Surrender" past the Board--and again came up roses: Dave Kane, WCMF, "Will melt females"...Karen Andersen, WJIA, "Masterful ballad"...Bob Walton, WRDU, "It's a hit. Simple but excellent"...Ken Anthony, KSJO, "Excellent improvement"...Pepe Lopez, KLAQ, "Right behind Sting"...Angela Wright, KXZL, "Love that sax"...and Jo Robinson, WLWQ, "The man's voice is so different, so unusual that it almost mesmerizes our listeners"...Dave Shedlock, WYDD, "Corey has proven that he's much more than a one or two hit wonder. This is a smooth, classy song, and it's not overproduced"...#3 most added with 36; new at #71.

U2, "THREE SUNRISES", ISLAND... Although "Sunrises" leads with 25 and a #70 debut, there is serious interest in all 4 songs...Larry Dunn, WLIR, reports, "Right now our #1 most requested and Screamer of the Week is the live version of 'Sad'. We're talking 8 minutes of a future U2 classic." WOXY's Dan Reed says, "Instant phone reaction with 'Three Sunrises' the early fave cut"...WYDD's Dave Shedlock tells us, "Our favorite song is the live version of 'Homecoming'. It sounds too good to pass up"...And WMMR's Erin Riley raved, "Due to unprecedented U2 mania here, we featured every track of the mini LP. Kudos to Island for bringing it to us domestically. This is a 'must deal with' record for any album station"...The mini LP debuts at #39.

BUILDERS

2

ROBERT PLANT, "SHAKEN 'N STIRRED", ESPERANZA/ATLANTIC... Six on the Song Index roll Robert into the Top Album Airplay position--as "Little" holds at #1 with 71 max mentions and 6 more increases... "Sixes And Sevens" gains 51-41, increased at KSHE, WIOT, WCMF, WLVQ, KMYZ and WAQX, with 16 new and 51 on... "Pink And Black" primes 69-59, with WLVQ, KOMA and WCCC upping... "Kallalou" improves 96-88, "Trouble Your Money" inches 97-94, as "Easily Lead" drops back 73-84. The man's obviously the king of the rock.

DIRE STRAITS, "BROTHERS IN ARMS", WB... Equally impressive chart action here--as the LP powers 11-4 Nationally and 12-4 Metro--and like Robert Plant, superior cut depth is the key ingredient... "Money For Nothing" primes 39-23; new on 13, now on 66, up on 7... "Walk Of Life" goes 47-37; new on 10, now on 72, up on 6... and "So Far Away" repeats at 66, with 4 adds and 30 now playing... Bottom line--When they hand you three aces--make space.

SUPERTRAMP, "BROTHER WHERE YOU BOUND", A&M... "Cannon Ball" holds at #4 in Airplay, but 18 play increases tells you it's not sitting still--also grok the impressive 16-11 Most Requested action... "Better Days" stays at 89--with 3 adds, and the LP gains 8-6 in the Nationals, 11-10 Metro.

JOHN CAFFERTY/BEAVER BROWN BAND, "TOUGH ALL OVER", SCOTTI BROS./EPIC... The Beavers hammer double underlines (10-9/9-8)--based on 8 ups (KLOL, WNEW, WYMF, WEZX, WRDU, WGIR, WBCN, WBAB) and 80 "4" or "5" emphasis reports, while Caf hangs "Tough" at #3. Top 5 Phones at WAAF, WTUE, WFYV, WHJY, KZEW and KZEL (good for #13 Most Requested), the building CHR story, and the LP's depth, make an undeniable case for digging deeper. Try "Hometown Girl" or "C-I-T-Y".

NIGHT RANGER, "SENTIMENTAL STREET", CAMEL/MCA... Any way you cut it, "Street" still comes out Top 5: The track primes 10-5, it's up 7-5 Most Requested, with Top 5 Phones at WDIZ, WPYX, WNEW, WEZX, WPLR, WSKS, KGOV, WRCH, KMOO, KZEL and 3 more. Quality play hikes like WIYY, WFBQ, WYMF, KLLO, WLVQ, WTUE, KISS, KSJD, KFMQ--20 in all--and priority attention across-the-street say it's time to follow WQFM and KSRR into the expansion league with the LP's excellent title track.

PAUL YOUNG, "EVERYTIME YOU GO AWAY", COLUMBIA... No letup in sight--the single pushes 21-16 with 7 new, 81 on and 8 ups... WMMR's Erin Riley comments, "Paul is showing up everywhere, on every radio station, and Top 10 Sales--just everywhere. It's not too soft--it's perfect"... Top 5 Calls include WHTF, WLVQ and WCMF--and the Checklist offers building phones at KLAQ, WBRU, WRDU and WYDD, with phones and sales up at WLR, WOUR, WPYX, WIOT, WMMR, WCMF, WAQX and WFYV... Overall we have 21 building and 6 maintaining... The LP also primes 29-21 Nationally, 31-27 Metro. You want women???

BRUCE SPRINGSTEEN, "GLORY DAYS", COLUMBIA... When an album stays on the National Index for one full year, you could practically play the label and get the phones jumping. 19 play-ups underline it across-the-board--17-5 National, 17-14 Metro, 12-7 Songs--with a majority of stations reporting "5" emphasis... Now keep the momentum going with one more from The Boss of the B-sides, and follow WBCN's Bob Kranes advice: "Pick up the flip to 'Glory Days'. 'Stand On It' is a great B-side that makes you shake, rattle and roll."

PAYOLAS, "YOU'RE THE ONLY LOVE", A&M... Added at 8, on 87, with all the right moves--35-30 National play, 37-34 Metro, and 35-30 Songs, all prime... Building on WLUP, WQFM and KIL0 thanks to "4" emphasis play, with WLVQ, WIOT, WNR and KLAQ among the 7 other Checklist builders. Maintaining on 18, under consideration at 9, with only one station dropping.

GEORGE THOROGOOD, "WILLIE AND THE HAND JIVE", EMI... Track #3 rekindles Lonesome George on the back page, priming 45-38 and 41-35 Metro, courtesy of play hikes from WQFM, WOUR, WAQX and WHTF and 10 quality adds including WIYY, WLVQ, WLUP, WSKS and WCK... Solid airplay on this track will generate response, just like "Drink Alone" did, and that's no jive. Take it from WIOT's Rick Van Gil, "This just in: 'Maverick' by G.T. moves up one spot as the #3 selling album in Toledo"... 37 adds to date, up 71-60 on the Song Index.

GINO VANNELLI, "BLACK CARS", HME/PRA... More quality adds: KSRR, KSHE, KGB, WSKS--and two more... This week's ups include WOUR and KZOK, with "4" or better rotation at WBN, WQFM, WAAF, WOUR, KLPX, DC101, WBCN and WLUP... "Black Cars" gets the song underline 44-40, ditto the 42-37 Metro advance... up 38-37 in overall LP play.

GRAHAM PARKER, "WAKE UP", ELEKTRA... The count climbs to 93 with 5 more adds--and we urge any and all considering to add with confidence. KZOK, WRIF and WBCN upped it--with no decreases in play--and we're now up to 11 max reports... The LP gets the 25-20 Metro underline, up 19-17 National... With "Wake Up" #17 on the Song Index.

THE HOOTERS, "ALL YOU ZOMBIES", COLUMBIA... The Night Ranger move nudged the LP back a notch on the back page. But, so what? "Zombies" goes 11-10, while gaining 4-3 Most Requested--and coming back with 8 more play increases: WYMF, KBCO, WFBQ, WBCN, KXZL, WAQX, WHFS and WBLM... WNEW-FM's Ray Grosser sez, "The upper demo response is the strongest I've seen for any new act in the two years I've worked here"... Alan White, KIL0, notes, "The Hooters jumped from #31 to #9 on retail"... Now on 96 with 16 max mentions and no play decreases.

KIM MITCHELL, "GO FOR SODA", BRONZE/ISLAND... #2 phones behind Big Bob Plant is an accomplishment extraordinary, especially for a new kid like Kim... 7 quality increases (KLLO, WLUP, WQFM, KEZO, WFBQ, WKLS, KMYZ) push the LP up 3 to #20 in the Nationals, steady at 23 Metro, and 15 on the Song Index. Enjoying power play on 12, "4" emphasis at 27... Take a bow for helping the format break another promising artist.

SIGNIFICANT SONGS

BRYAN ADAMS, "SUMMER OF 69", A&M... So what if Bryan was nine years old at the time--you don't have to be over 30 to appreciate the good old days and all those classic sixties groups. Even kids like me know music was, you know, better then. Yee. Gimme a bear. And so what if my mom and dad do sing along when they hear it through the wall.

TEARS FOR FEARS, "SHOUT", MERCURY... The follow-up track appears to have plenty of phone appeal--it jumps 15-10 in the Most Requested--coupled with a 33-19 Song underline, 14 play increases, and 11 more adds... The LP turns around 6-5 Nationally, 7-7 Metro.

DURAN DURAN, "A VIEW TO A KILL", CAPITOL, , They're not quite the industry darlings they once were, but in terms of airplay stats this song's quite competitive...We've got play increases from WCMF, KZOK, KDKB, WMGM, WKQQ, WHTF and 5 more, with no decreases in play--and 4 max mentions...Underlined 42-35 on the Song Chart.

BEACH BOYS, "GETCHA BACK", CARIBOU/EPIC, , All that 12" play and three more adds convert for a couple back page debuts--at 46/49 Metro--as ups from WMMR, WRDU, WMGM and KESI move "Getcha Back" up 59-57...We're talking a monstrous CHR record here, so make it an endless summer with the Lp's format-fitted "Maybe I Don't Know" or "It's Getting Late".

HELIX, "DEEP CUTS THE KNIFE", CAPITOL, , WBLM's Tom Wallace voices an increasingly popular sentiment, "I'm not too big a fan of this new tendency toward power ballads from metal acts, but the Helix tune is a real smoker"...Looks good on the Checklist--13 builders including WQFM, WNOR, KISS, WKDF, WPYX, WHJY, WDHA and KLAQ, with 6 maintaining, 1 dropping, and 9 considering...Up on KLOL, WOUR and WRCN; none dropping; new on 10, now on 49; underlined 60-52.

HOWARD JONES, "LIFE IN ONE DAY", ELEKTRA, , You've got to start somewhere--and Howard's new single digs in at #100, with new action at WMGM, WWTR, KXZL, WLIR, WXLP and WHTG...The album reflects this renewed interest 28-25 Nationally, 34-32 Metro.

DON HENLEY, "NOT ENOUGH LOVE", GEFFEN, , How can you miss when an institution like Don deals you an upper demo pleaser like "Love"?...5 new bring the total on to 57, and ups from KLOL, WYNF, KFMQ, WMGM, WBCN, WMMR, WAQX and WHTF give this perfect beast a 45-33 Song primer...Don't ignore the B-side, either. As Marty Bender at WSKS puts it, "The Don Henley B-side 'tears' it up. Is it industrial smoke or dust in my eyes?"

TOM PETTY AND THE HEARTBREAKERS, "MAKE IT BETTER", MCA, , T.P. registers one of the week's major moves, soaring 67-48, reeling in 12 more, for a 32 station count in a little over 2 weeks...The Lp stays at #3 on the back page, with WMMR, WYNF, WEZX, KFMQ, WHTF and WDHA increasing, and KILO, WMMR, WKQQ and WYNF powering with a "5" emphasis...We expect it to close in a flash, so make your break.

REO SPEEDWAGON, "GOTTA FEEL MORE", EPIC, , You gotta be impressed by the key calls list, which includes KYYS, KGB, WEBN, WYSP, WPLR, KSRR, WZZO and WRIF...Then there's the 86-74 Song surge, and ups on WCCC, WMMR, and WHTF...Now that the album's renewed REO's validity via the ballad route, the timing on this nifty Terry Manning remix couldn't be better. Great to hear them rocking again...8 new, 26 on.

PAUL HARDCASTLE, "NINETEEN", CHRYSALIS, , Although the beat may have you concerned at first, ultimately the meat is in the message, as noted by WBCN's Bob Kranes: "If you don't think the song fits, your audience is going to miss out on something that's as relevant as the new Beatles' record was 15 years ago."...With CHR beckoning, don't let the geeks across the street get credit for breaking a record that deals with issues AOR raised in its embryonic days...Just added at WQFM, WCCC, WBCN, KROQ, KFMQ and KNAC, with KSHE, KKCI, WHFS and WLIR among the 15 adds to date.

THE TEXTONES, "MIDNIGHT MISSION", GOLD MOUNTAIN/A&M, , New action on WQFM, WPYX, KLOL, WMGM, KBCO, WWWV, KMYZ, WRCN, WHFS, WBRU and KFMX brings the two week total to 16, as "Mission" accomplishes a #97 debut... You couldn't ask for more in sync lyrics, and Don Henley's touch doesn't hurt either...Here's Roland West, KNAC: "The new remix of the Textones "MM" is fantastic! Thanks once again to Jimmy Iovine."

FIONA, "HANG YOUR HEART ON ME", ATLANTIC, , She's got the opening shot on the Bryan Adams tour--and the new 12" shapes up 83-76, with 3 adds, and ups from WLLZ and WGIR...KNCN's Bonnie Stacey hears rumbles, "'Hang' gonna be a monster if the early phones are any indication."

DIRT ALERT!

ARNOLD GOES INDIE; THE COUNTDOWN IS ON AT THE QUAKE

12

"I will never, ever, ever go back into a radio station as an employee. As an employer? Yeah, you bet!" With those words, former WLLZ P.D. Lee Arnold told FMQB he's jumped into the arena of independent national album promotion. Although "The Hat" will continue his involvement with Silver Moon Management (Colour Radio, Craig Brucker) and may pursue station ownership in concert with other investors, Lee's efforts will be directed toward the indie area. You can reach his Hatness at (313) 258-5897.

"We're creating something that's very, very new and very different that literally defies format categories. . . It's something we've been working on for five years," --future co-Program Director Tom Yates on the new direction of KQAK, San Francisco when Highsmith Broadcasting takes over in mid-June. Look for an expose from Tom and his partner in crime, Kate Hayes, in an upcoming DIRT ALERT!

RADIOACTIVE

WQFM's Jerry Gavin is elevated to Assistant P.D. and continues his duties in the Music/Research Department. Meanwhile, the search for Andy Bloom's successor continues. Jerry will serve as Interim P.D. until a permanent replacement is named.

KGRQ, Casper, WY reveals a new air lineup: 6A-10A Jon Butterfield; 10A-3P Scott Evers; 3P-7P Doc Shutts; 7P-12M Catherine Cid; 12M-6A Jeff Ryan; Weekends: Marcus Hayden and Donny Frye.

Virgin Tulsa rocker, KMYZ, names P.D. Witt as Music Director. He'll take your music calls on Tuesdays, noon to 4 p.m., Central Time at (918) 665-3131.

KSHE, St. Louis appoints Jim Marchyshyn as Marketing and Promotions Manager. Jim's track record speaks for itself. He spent almost three years promoting and marketing Cleveland's WMMS and also served as Assistant Production Manager at Belkin Productions.

P.D. on the loose! WBRU's Jim Samalis, who gave the Providence station its highest 18-34 and 18-49 shares, finished his one year tenure at the college/commercial outlet last week. Take a tip from M.D. Lars Murray and "snap him up fast before your competitor does. You can't make three phone calls without talking to an ex-BRU person, and Jim's track record is better than most."

HOT ROCKS

The second coming of The Jesus Of Cool!...Flash! Dr. Dirt has just learned that Huey Lewis will produce the new album by the prince of pure pop, Nick Lowe! Huey's band, The News, will appear on some of Nick's new tracks. FMQB applauds Nick and Huey on the move. We couldn't think of a more natural hit making collaboration.

Fiona called us from Florida to tell the world she's landed a string of dates on the Bryan Adams tour. Look for Hot'Lantic's leading lady to open for the Adams Family beginning next week in New York.

RECORD HOPS

Elektra/Asylum's Jay Hart announces his engagement to Mary Ellen Firestone. Jay and Mary will tie the knot July 7 in NYC. Yo, Jay! Keep on acing those Par 3's, bubba!

Capitol Records will press and distribute Chicago based Red Label Records (The Buckingham's, The Innocent).

PROGRAM PRODUCERS KEEP ON PRODUCIN'

MJI Broadcasting, the folks who brought you "M-M-M-M- Metal Shop", have unveiled their new show "Rock Today". Debuting on July 1st and hosted by WNEW-FM's morning man Richard Neer and Carla (Raz) Raswyck, RT will offer stations worldwide up to the minute rock news, tour info, album premieres, etc. If you're interested in nailing the show for your market (barter basis; satellite or disc distribution), contact Gary Krantz at (212) 245-5010.

HONEST, MOM, I WORK FOR A LIVING

Naturally, we all like to be written up in our local newspaper, so we can clip it and send it to Mom. That way, she understands that we really do work for a living. Well, Dave Kane, WCMF's Asst. P.D./M.D., is no exception. Rochester's Democrat & Chronicle Upstate Magazine offered this essay on "wholesome puttering" to its readers last month. . .

INTRODUCING...

DAVE KANE: Assistant Program Director/Music Director/Air Personality — WCMF-FM.

Birthplace: Brooklyn, New York.

Home: 21st Ward.

A Rochesterian for: Five years.

Occupation: Disc jockey.

Hobbies: Basketball, puttering, and occasional culinary adventuring.

I am currently fascinated by: Compact disc players.

The last good movie I saw: The Breakfast Club.

Favorite waste of time: Watching The A-Team.

I'm a sucker for: A song with a great hook.

How I describe Rochester to out-of-town friends:

Not the best winter vacation spot, but a clean and wholesome place to live.

Favorite musicians/groups: Bruce Springsteen, Steely Dan, Dire Straits, and anyone else who exhibits virtuosity on his or her chosen instrument.

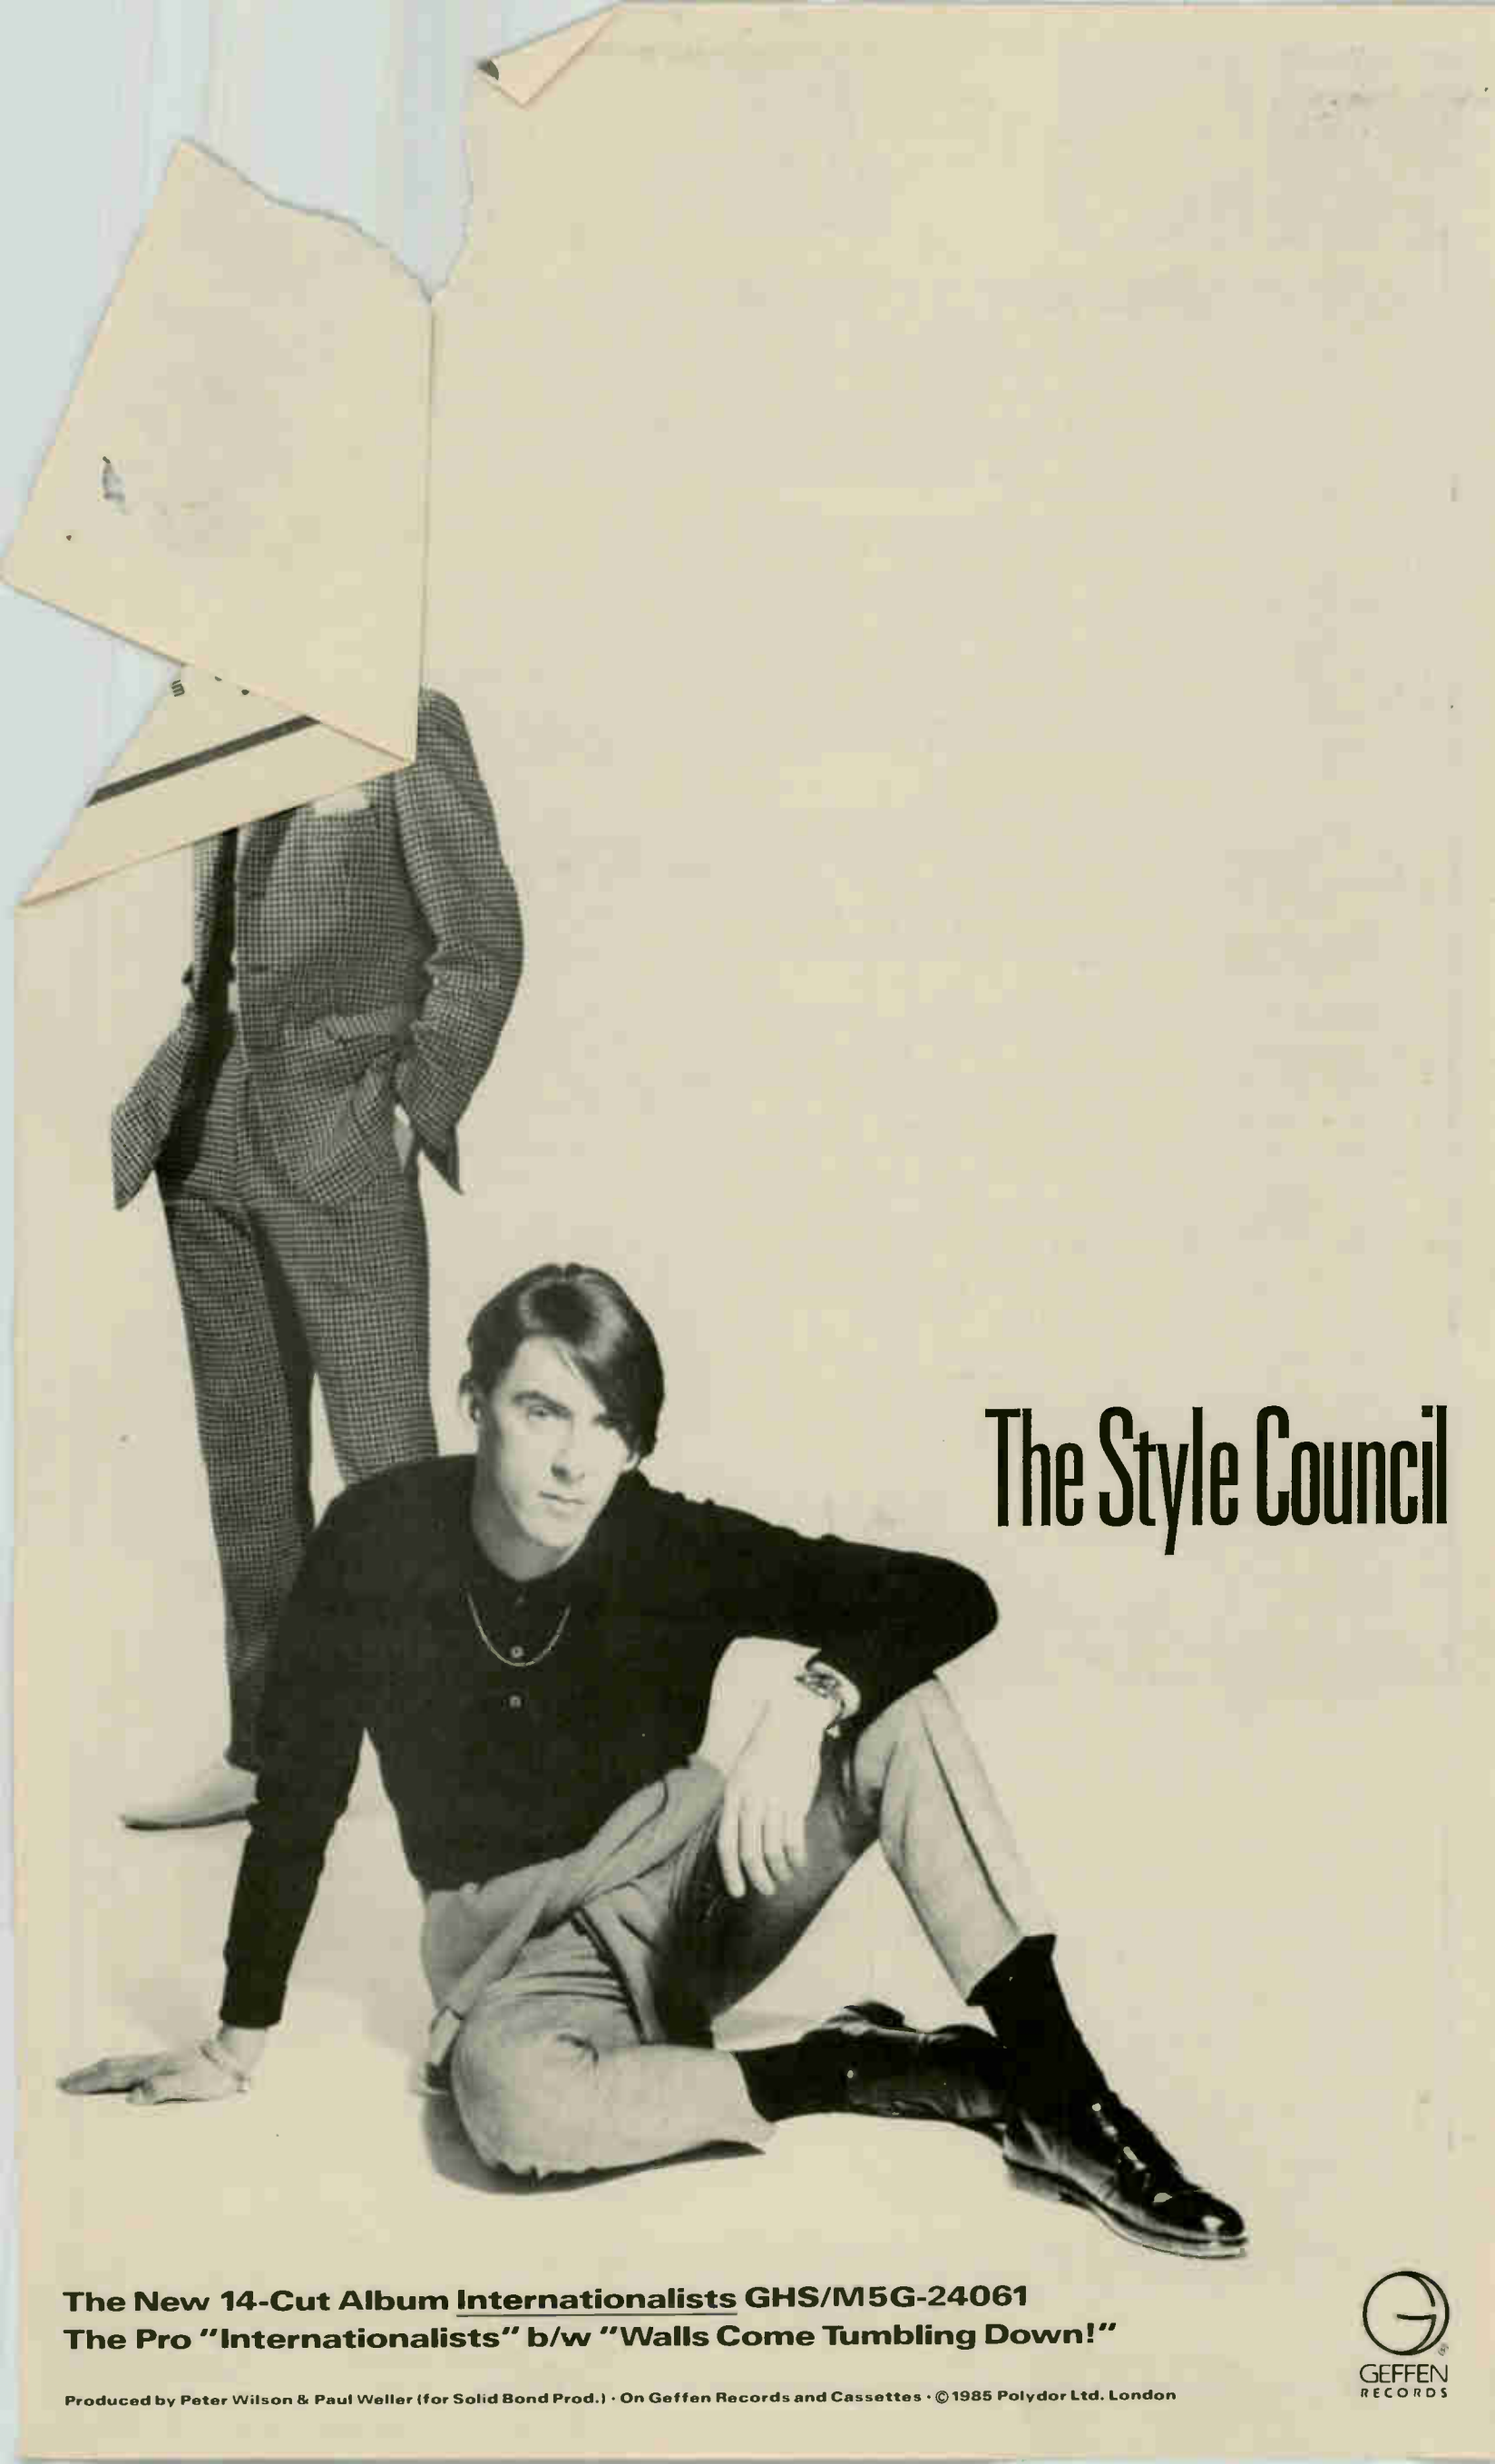

What I would do if I had more time: Read more books, do more cooking, and work around the house.

Significant quote: "Never underestimate your audience."

LATE FLASH

LISA NOVAK RESIGNS at San Francisco's Rocker. She tells FMQB: "After approximately 3 years with KRQR I am resigning as Asst. PD and Music Director effective June 14th. Some of you know that I have been attending law school, and now that I'm entering my final year the juggling act is over. I'll be working with a firm this summer, and pursuing other related activities in the coming year. I will greatly miss the daily contact with new music and will miss those of you I've gotten to know during this last year. I'll be out of town through Wednesday, June 5th, after which I'll be here through the 14th. Let's talk."

DIRT ALERT! is compiled and edited by Paul Heine. When you see Dirt in the making, call our Dirtlines at (609) 424-9114, or send your dirt to: FMQB, Executive Mews, 1930 East Marlton Pike, F-36, Cherry Hill, NJ 08003. Do it before midnight tonight!

DIRT ALERT!

CONGRATULATIONS TO WNEW-FM'S SCOTT MUNI for another sterling performance last week live featured some of the biggest names in rock 'n' roll including: Bill Wyman and Charlie Stones; Pete Townshend formerly of the Who; Elton John; and Emerson, Lake and Powell, put together. Perhaps the most moving highlight of Muni's appearance all week long, occurred on Friday, May 24th, when live from London at 4:31 in the afternoon, Muni spun - for the America - "You'll Never Walk Alone", sung by Jerry Marsden. Of course, O'Neill points out some of the background vocalists on the tune, as he and many other people came together to raise money for the victims of that terrible, terrible fire a few weeks back in Bradford, England. Monies raised for the Bradford City Relief Fund. Among those heard on the record are: Rick Wakeman; Denny Laine; many others too numerous to mention.

FLASH! Bruce Springsteen has added a third show for Wembley next week. The first two sold-out with tickets for each being gobbled up like M&Ms on a Halloween night!!!

BILLY IDOL may have given the first idea of what his upcoming album might be like to - of all people - Terrence Stamp. Details: An avant garde magazine in New York has learned that Idol admired Stamp tremendously and arranged to have the two meet and interview each other in the lounge at New York's J.F.K. Airport. When Stamp asked what Idol had been up to in LA that the leather rocker gave his tantalizing glimpse of the music he's currently writing for his upcoming Chrysalis Lp. Said Billy, "The first two lines on the new album are, 'Elvis Presley was always dying. Johnny Ray was always crying:'"...Billy Idol's lady, Perri Lister, performed last week at the Cat Club in New York City and, although Billy never made it to the stage, he was lending his support and encouragement from a ringside table. We also spotted rock star David Johansen and Lenny Kaye at the club.

CONGRATS TO STING AND HIS LADY TRUDE on the birth of their second child. The happy dad was in attendance at the delivery...Also kudos to New York rock journalist Charlie Crespo for landing that exclusive interview with Sting, formerly of the Police, last week. The Daily News promptly put it on the back cover of the Leisure Section. It was a terrific interview. Listen to what Sting told Charlie: "I have 3 kids - about to have a 4th. That's fairly normal, except the kids have different mothers. But, that's the advantage of being a star!!"

IS THERE ANYTHING TO THE RUMORS that the Rolling Stones have three days on "hold" for Madison Square Garden come September???

BIRTHDAY BOOK FOR THE WEEK OF SUNDAY, JUNE 2: This date in 1967 (18 years ago) marked American release of the Beatles' album "Sgt. Pepper's Lonely Hearts Club Band". Happy birthday to Charlie Watts of the Rolling Stones - 44. Sally Kellerman, the actress, is 48. Marvin Hamlisch is 41. TV tough guy, Stacy Keach (who gets out of prison on June 7th on cocaine charges in England) is 44. **MONDAY, JUNE 3:** Johann Strauss was born. Billy Powell, originally with the Lynyrd Skynyrd band, is 33. On this date 10 years ago noted music journalist Ralph J. Gleason died. Of course, Jan Wenner, of Rolling Stone Magazine, called Ralph Gleason his "journalistic father". Art Collins, President of Rolling Stones Records, is 32. Ian Hunter (born in Shrewsbury, England) is 39. Actor Tony Curtis is 60. Suzi Quatro is 35. Michael Clarke, original member of the rock band The Byrds, is 41. Poet Allen Ginsburg is 59. On this date 21 years ago the Rolling Stones began their first-ever American tour. **TUESDAY, JUNE 4:** Michelle Phillips, formerly with the Mamas And Papas, is 41. On this date in 1973 Murray Wilson, father of the Beach Boys, died of a heart attack. Tex/Mex singer Freddie Fender is 48. (You know, of course, that Freddie Fender was jailed in Texas many years ago because of one marijuana seed they found on him.) Roger Ball, formerly of the Average White Band, (born in Dundee, Scotland) is 41. Gordon Waller (of Peter & Gordon fame) is an even 40. (Ironically, in 1964, John Lennon and Paul McCartney wrote a song for Peter & Gordon called "World Without Love". It became one of their big hits. At the time, Paul McCartney was courting Peter's sister, Jane Asher.) Actor Bruce Dern is 49. Actor Dennis Weaver - perhaps best remembered as "Chester" on the old "Gun Smoke" series with "Matt Dillon" - is 61. Singer Robert Merrill is 66. **WEDNESDAY, JUNE 5:** Journalist Bill Moyers is 51. Actor Gregory Peck is 69. Ronnie Dyson is having a birthday. **THURSDAY, JUNE 6:** It was on this date in 1962 (23 years ago) that John, Paul, George, and Pete (yes, Pete Best) first auditioned for EMI producer George Martin. Former superstar in the world of tennis, Bjorn Borg, is 29. It was on this date 30 years ago that Bill Haley's "Rock Around The Clock" reached #1 on the American Charts - unbelievable, because that was the first rock song to ever reach #1, and it was the start of a movement and a genre that has now lasted for 30 years. (Incidentally, "Rock Around The Clock" remains the 3rd biggest selling single of all time - after "White Christmas" and "Rudolph The Red Nosed Reindeer".) Also having a birthday on this day is WPLJ (NY) Program Director Larry Berger - 44. On this date 17 years ago we lost New York Senior Senator Robert F. Kennedy, who was killed in Los Angeles while campaigning for president. Gary "U.S." Bonds is 46 (born as Gary Anderson in Jacksonville, FL). **FRIDAY, JUNE 7:** Dean Martin is 68. It was on this date that the Who - Pete Townshend, Roger Daltrey, Keith Moon and John Entwistle - made music history by being the first, and only rock group ever, to perform at the Metropolitan Opera House (in 1970). They performed their rock opera "Tommy". Tom Jones, the man who makes the women go so crazy, is 45. Actor Robert Preston is 67. Prince Rogers Nelson - the man people just call Prince - is 27. He was born in Minneapolis, MN in 1958. **SATURDAY, JUNE 8:** Boz Scaggs is 41. On this date in 1974 (11 years ago) Rick Wakeman left the rock band Yes. It was on this date in 1969 that Brian Jones, one of the founding members of England's Rolling Stones, announced he was leaving the band. Just a few weeks later, Brian would be found dead in his London swimming pool. New York City radio personality Ray White is 34. Nancy Sinatra, Jr. is 45. Former Middleweight Champion Rocky Graziano, who does all those commercials, is 63.

DAVID BOWIE was in New York all week long last week but kept a very low profile, except when he went out palling with his Buddy, Boy George - then he was recognized everywhere.

FMOB'S SOURCES spotted a beaming Yoko Ono, with young Sean Ono Lennon, at the movie "Perfect" on 57th Street last week. Sean seemed to love the movie...Sean was taken out to lunch by David Bowie last week at a swank, not-to-be-named, upper East Side hotel.

THERE WAS A NICE JAM at the Be Bop Cafe in NYC last week for that party for Women Photography In Rock 'n' Roll. It featured Rick Derringer rockin' with Brian Setzer of the Stray Cats. The party was so crowded it was like being in a sardine can. More than 500 people packed the small club on 8th Street. Blondie's Debbie Harry and Chris Stein both attended the party.

CONGRATULATIONS TO Mick Jagger and Patti Smyth of Scandal, both of whose albums have just been certified Platinum.

A LOT OF PEOPLE WHO LEFT the fantastic T.J. Martell Dinner early missed it--but Cyndi Lauper sang with the Beach Boys Saturday night at the Hilton. And speaking of the Beach Boys, weren't they sensational? There's no doubt in our mind now that the Beach Boys will enjoy a big hit with their first real creative single in quite some time - "Getcha Back."

PHIL COLLINS SCHEDULE FOR THE WEEK: Irvine Meadows on June 3rd in Laguna Hills, CA; and then 3 straight at the Universal Amphitheater in L.A. on June 4th, 5th and 6th; June 7th, 8th and 9th Phil moves to the Oakland Coliseum in Oakland, CA where he'll do 3 straight one-nighters for Bill Graham.

News From Rock Over London

THE THOMPSON TWINS bounce back into action as they're due to return to the studio next week to get working on the new Lp. Tom Bailey has now fully recovered since his collapse in a London hotel a few weeks ago. Nile Rodgers will be sitting in the producer's seat, and the album is set for release in the late Summer with a U.K. tour due to take place in the Autumn.

Meanwhile, the BRONSKI BEAT saga continues. The band are denying rumors that Mark Almond (ex-Soft Cell) will be the replacement vocalist for Jimmi Sommerville. Mr. Almond, of course, recently teamed up with the Bronskis to record their British Top 10 hit "I Feel Love", so it seems that the marriage was temporary after all. On the other hand, Jimmi Sommerville's new band, who called themselves THE COMMITTEE, have now

adopted the new name of BODY POLITIC to avoid legal trouble, due to another band, also being called The Committee.

BILLY IDOL, who has had more success on American shores as compared to Britain, probably hopes to put that right with the release of the new mini Lp over here. "Vital Idol" contains seven tracks, six of which were previously unavailable, plus the never before released track "Catch My Fall" (remix fix).

The STYLE COUNCIL'S PAUL WELLER has been h-o-t on the controversial/political trail of late. As co-president of International Youth Year England, he's been out protesting near the House Of Commons for more government action on jobs for youth, education, housing, and disarmament. Also, in a recent interview, he displayed much political tact in his method for dealing with people who partake of blood sports: "Just shoot them!" But there will be no shooting in "Our Favorite Shop", which is the title of their new Lp. And on Rock Over London this week, we play, "A Man Of Great Promise" from the Lp.

NICK LOWE will play his first concert date in a long while at the Hammersmith Palais on July 14th. His Lp, "A Rose Of England", is due for release soon.

This week's highest new entry in the British charts (in at #52) is yet another BAND AID style record. This time, it's to raise money for the victims of the fire which happened recently at Bradford City Football Grounds. Among the artists singing on the record are PHIL LYNOTT, RICK WAKEMAN, and Rock Over London's very own GRAHAM DENE.

COCKNEY REBEL'S STEVE HARLEY of "Make Me Smile (Come up and see me)" fame, has been working on a new song called "Irresistible" which was apparently originally written for Rod Stewart, but Rod thought that Steve would do far more justice to it.

On this week's Rock Over London, listen out for two exclusive tracks which are definitely not to be missed. The artists? Well, that's a mystery for now. (Hint--stations check your cue sheets)...Along with that, we have a remixed version of DAVID BOWIE'S "Don't Look Down", and the new one from NICK HEYWARD called "Laura"...CURT SMITH from TEARS FOR FEARS pulls up a big chair and sits in as this week's interview guest. Plus, we play TFF's anniversary oldie "Pale Shelter"...And in the Top Five, hold on for two new entries and a brand new #1.

Radio Action

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "The new U2 has been well received at KBCO. Live versions of 'Bad' and 'A Sort Of Homecoming' capture the magic of U2 in concert. The import is selling well and I expect the domestic to continue that retail success story...Sting gives us another h-o-t record in time for the long, hot Summer. 'If You Love Someone' is a new direction for this multi-talented performer. We're looking forward to the album and the tour...KBCO has got the blues. If you've got blues records on your label, please send them our way. We need to build up a blues library for our new blues show that airs on Sunday night after the jazz program...Thanks to Mindy at Alligator for lining up our conversion with Roy Buchanan!"

KGB, SAN DIEGO, CA ASST.P.D./M.D.-TED EDWARDS: "Two way tie for AOR Weapon Of The Week between Ratt's 'Lay it Down' and Sting's 'If You Love Somebody Set Them Free'. Ratt. Basically three minutes and 28 seconds of class A all American kick ass rock and roll music...Sting. Mega, awesome, large, enormous, grandiose (get the picture!?)...Helix's 'Deep Cuts The Knife'. We've been waiting to make room for this sucker. Obviously a super strong tune and an excellent performance. Real growth. I'm very impressed...Men At Work 'Everything I Need'. The arrival of this song made us a little nervous. But after some consideration, isn't a track record like their's at least worth the benefit of a doubt?...Adam Bomb 'I Want My Heavy Metal'. Here's a tune that's been waiting to be written. If your station isn't totally concentrating on attracting that elusive 44-year old male, play this tune after dark and give the young adults something to feel good about...Gino Vannelli 'Black Cars'. We thought this was a hit since the second or third listen. The question since then has been, is it right for KGB? We decided to let the audience make the decision...Additional tracks: Foreigner's 'Reaction To Action', Tom Petty 'Make It Better', and Eric Clapton 'See What Love Can Do'...P.S. Congratulations to Jeff (the human piston) Naumann on his recent rise in stature (although with his face, it's probably the only rise he's had lately). But seriously, Western AOR types, watch out for this guy. He's a veritable suckah and will be visiting you soon. The only bad thing about his promotion is that we won't get to see him as often."

WCCC, HARTFORD, CT P.D.-DAVID GROSSMAN: "Robert Plant 'Shaken 'N' Stirred' already owns Connecticut radio! 'Little By Little' along with 'Sixes And Sevens', 'Trouble Your Money', and 'Pink And Black' have homesteaded top 10 adult 18+ phones...Dire Straits 'Brother In Arms' goes #18 to #6 retail! And 'Money For Nothing' slides into top 4--age 12+ phones. 'Walk Of Life' scores an up rotation at WCCC...Sting's 'If You Love Somebody Set Them Free' sends the same rushes through the body that I felt way back when I first heard 'Outlandos D'Amour'. The phones are staying lit for this first taste of a 'future classic' album...Night Ranger proves that they have excelled into rock radio's elite core artist category with '7 Wishes'. The album showcases a variety of quality tracks...The new remix of Textones 'Midnight Mission', coupled with already resounding lyrics, makes this the type of 'buzz record' you just want to give a shot to...Jeff Beck's 'People Get Ready'--a great remake of the original classic by Curtis Mayfield--teams two of rock's upper demo legends together for what will be a 'rock radio hit'."

WNEW-FM, NEW YORK, NY MUSIC COORDINATOR: AMY GROSSER: "The Top 102.7 songs of all time was a perfect ending to WNEW and Scott Muni's week in London. Scott did his show live from Capital Studios and had many impressive guests such as Pete Townshend, Elton John, Bill Wyman and Charlie Watts, Sting, Emerson Lake and Powell, Steve Hackett, Steve Howe, John Entwistle, and Nils Lofgren. It was an exciting week and went off without a hitch. Thanks to everyone who participated...Looking at new music: Bryan Ferry's 'Slave To Love' is wonderful. It's slow and melodic and very captivating...In the same vein, Paul Hyde & The Payolas have something real nice with 'You're The Only Love'. The song is smooth and very memorable...I first heard 'Set Them Free' by Sting when he performed at the Ritz. I liked it then, and I like it even more now!"

WYDD, PITTSBURGH, PA M.D.-DAVE SHEDLOCK: "Everyone should be talking about, and, more importantly, playing Sting's new release! If the rest of the album is as good as the 12", we'll be on it all Summer long...Corey Hart has proven that he's much more than a one or two hit wonder. 'Never Surrender' is a smooth classy song and it's not over produced. Corey's true talents are able to shine through...It's interesting to see Depeche Mode getting national action. We played the song 'People Are People' back when it was originally released last year. It should have been a hit then, but the radio support just wasn't there. We're giving it another chance...Heavy Lenny is absolutely right! U2 has earned more airplay. Our favorite song on the Ep is the live version of 'A Sort Of Homecoming'. Although we played the song from 'The Unforgettable Fire' album, we're giving the live rendition a spin. It sounds too good to pass up!"

CILQ, TORONTO, CN M.D.-JOHN DERRINGER: "Soon after you have this in your hand, you will receive a copy of the debut Lp by Gowan. The album's been on our chart for fifteen (15) weeks, and it's still rising. This week it sits at #3. Above and beyond the track 'Criminal Mind', it is a very high quality Lp. We've gone four tracks deep and it sounds as good as it did the day it was released--if not better!"

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "Waiting for the new Ratt Lp to arrive! Until then 'Lay It Down' again and again!...The Firm's 'Someone' was always my favorite album track--now it's the new 12". It's definitely the most Zep-Bad Company sounding track on the Lp!...Ron Keel, with a little help from his producer, Gene Simmons, has come up with a great remix on 'Easier Said Than Done'...Finally, try out the new power ballad 'Hardest' from Bon Jovi...Rock steady, T-Bone!"

WLWQ, COLUMBUS, OH ASST. M.D.-JO ROBINSON: "Once again we heard a song and it sent chills up our spine! The new Sting has so much energy and emotion we'd like to play it 24 hours a day but we'll just have to settle for playing it at home sometimes...Corey Hart has a s-m-a-s-h on his hands! The man's voice is so different, so unusual that it almost mesmerizes our listeners. 'Never Surrender' goes into heavy this week...We're getting immediate phones on Tears For Fears 'Shout'. Great follow-up and the hooks are right there...Tremendous phones on Robert Plant too---Even though we're having a hard time deciding which tracks to play. Our callers say 'just play anything'...Increased phones on Kim Mitchell (killer song!), Joe Walsh, Paul Young, Lone Justice and The Hooters...Thanks to Warner Brother's Larry Bole for being the QFM 96'ers centerfielder in our first softball game--We won 19-7!"

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "First on the agenda has to be Sting! This past Spring I was fortunate enough to see one of Sting's solo performances at New York's The Ritz. Needless to say, I was mesmerized throughout. 'Set Them Free' does the same thing to me on vinyl as it did live, and it really sounds beautiful on-the-air...Paul Young's 'Everytime' showing up everywhere on every radio station and Top 10 sales just everywhere. It's not too soft--it's perfect!... 'PinkAndBlack' from Robert Plant sizzles. That's our favorite... Many requests coming in for 'Money For Nothing'...Hooters #1 sales, four cuts deep and their independent release 'Amore' is Top 10 sales again"...Added note from Paul Heine and Erin who saw Van Morrison last week: "It's rare when you get to see musicianship of that caliber. Some of the Plants on-stage were better than many players we've seen in the last year, and we're not talking Plant music here!"...Due to unprecedented U2-mania in Philadelphia, we featured every track off the import mini-Lp. Kudos to Island for bringing it to us domestically. This is a must-deal-with-record for any album station!"

KGON, PORTLAND, OR M.D.-INESSA YORK: "Night Ranger's and Sting's offerings have, of course, been straight away attention grabbers. I do notice that with Sting it's a song that seems to take several listens, but I think that's a positive (easier on the old burnout factor)...Nice to welcome Heart back to the Northwest airwaves with a gutsy ballad...Frankly, I don't know yet where I stand with the new Ratt, but I do have to admit the goods are there. They throw those lines out and reel the kids in...The new Talking Heads album appears to take them out of funkville back to the more simple song approaches of the early days and the early albums - a comfortable kind of Lp, all about babies and stuff...Tastiest to come along in some time is Bryan Ferry's solo album. Not one let-down on either side, except I could stand more. Ah, euphoria, absoluta!"

WBKN, BOSTON, MA M.D.-BOB KRANES: "I guess the first order of business this week comes from Sting. Stewart Copeland says the Police are no more, depending on what and where you read it. Well, I think we could live with that fact if the Sting man keeps making great records. 'Set Them Free' is wonderful and there is some good material to follow. I had the opportunity a few months back to see his live show, and to say it's amazing is an understatement...To not play Bob Dylan is a sin. 'Tight Connection' is on the radio and I'm waiting for the listeners to respond. It's gonna be up to them. If they come thru early, Dylan is going to be a hit...Paul Hardcastle's thoughts are touching, and his sentiments well taken. If you're a doubter, that is, you don't think the song fits, your audience is going to miss out on something that's as relevant as the new Beatles' record was fifteen years ago...Pick up the flip to 'Glory Days'. 'Stand On It' by Bruce is a great B Side that'll make you shake, rattle, and roll...Charles Lacquidara's Big Matress Song Of The Week comes from Paul Hardcastle. It's 'Nineteen'."

WSKS, CINCINNATI, OH M.D.-MARTY BENDER: "Lp extensions: 'Sixes And Sevens' by Plant is paving the way to follow-up the single...Night Ranger expands with 'The Boy Needs To Rock' and the album's finale 'Goodbye'... Track down the Tears For Fears retail remix on 'Everybody Wants To Rule The World'. Its format revitalization involving CHR is knocking it dead...The REO Speedwagon song from 'Goonies' is a sleeper. Very reminiscent of 'Sister Moonshine' by Supertramp...There's a lot of ballads out there, but we're cleaning house for Shooting Star's 'Somewhere In Your Heart'...Speaking of ballads, the Don Henley B Side 'tears' it up. Is it industrial smoke or dust in my eyes?...The Alaska album deserves at least an objective listen...Who is this Shadow Page band?...Hey, is any radio station anywhere actually playing Nina Hagen?...Finally, Webster defines hat trick as 'the retiring of three batsmen with three consecutive balls'. Just thought you'd like to know... And whatever happened to Rolf Harris?"

WIOT, TOLEDO, OH M.D.-RICK VAN GIL: "After a three-day weekend of laying out by my Mr. Turtle pool, about the only part of my body that doesn't look like a lobster is my ear lobes, thanks to my Walkman-type cassette player, and even though the speed of the tape goes fast for 17 seconds and slow for 42 seconds, I could still enjoy listening to the new U2. 'Wide Awake In America' is another gem in U2's crown. This is a group that sounds great no matter how good or bad your Close And Play sounds. U2 has become one of the new core groups for us, with great phones and sales to back us up...Sting goes right into heavy in a very safe move, as does Supertramp because of jocks' demand and high quality phone people...Dire Straits sales are really moving, so in goes another tune from that quality Lp...I thought I was doing my air staff a favor in giving them Omar And The Howlers records and tapes, however problems came up when listening to Omar in the car because of pedal to the metal reaction. 'I Told You So' could be the ultimate summertime cruiser. I know the superstar product is great right now, but take the time to check out Omar And The Howlers. Looks like this great Texas rock and roller is ready to break out and hit the rest of the States like a tornado...This just in: 'Maverick' by George Thorogood moves up one spot this week as the #3 selling album in Toledo."

WHTF, YORK, PA M.D.-TIM DRAYER: "Hi! Had a great Memorial Day weekend. Lots of great rock and roll going strong here in Central PA...Supertramp's 'Cannonball' is enough to sink any rock and roll ship...Also strong, Springsteen's 'Glory Days' and Paul Young is getting some strong phone response!"

WTPA, MECHANICSBURG, PA P.D.-LOUIE TORRIE: "Survivor's 'The Search Is Over' has one of the purest sounds we've heard this year. This is an important tune that CHR will kill you with. Search our h-o-t rotation and you'll find it!...At the other extreme is Ratt with 'Lay It Down'. Heads up metal no doubt. This track cuts into light rotation this week...Hooters continue to lead all vinyl sales in Central PA!"

WBRU, PROVIDENCE, RI M.D.-LARS MURRAY: "We've been on U2's 'Three Sunrises' since we got it as an import many weeks back. Now that it's finally out domestically, there should be no question about this one! It brings a real accessibility to the sometimes wandering 'Unforgettable Fire' sound...On 'If You Love Somebody', Sting puts the emphasis on his voice, rather than the instrumentation, and it works! This time on pure ether, rather than on the conventional Police hook...In the power-ballad department, Corey Hart's 'Never Surrender' is automatic. Again, this stands on the vocal strength...Short-takes: Hooters are h-o-t! Projecting into heavy...Watch out for New Order--astonishing #1 sales in Providence...Graham Parker comes on at his third-week-in-five at #1 requests. Even CHR is beginning to pick-up on this...Time to look deeper on the Eurythmics and 'til tuesday...Don't get scooped on 'Shout' Tears For Fears...Finally, this week marks the end of Jim Samalis' one year term as P.D. here. We at BRU are in debt to him for increasing our ratings to their highest ever: 18-34 and 18-49, working with an unpaid staff with pre-occupied college kids who are often out of touch with that target. Do yourself a favor and snap him up fast, before your competitor does! You can't make three phone calls without talking to an ex-BRU person, and his track record is better than most!"

WRXL, RICHMOND, VA M.D.-PAUL SHUGRUE: "Nice to see Jeff Cook and Al Moss in town as part of their 'Menace Tour' of the Southeast. As Tom Evans, our P.D. says, 'If you don't like baseball, you ain't shit'. So we took them to our new baseball stadium, The Diamond, and watched the Richmond Braves in yet another victory. Anybody else want to see a game, we've got box seats...Thanks also to Rick Miller of Atlantic Records for the Phil Collins tix. Phil is a world class nice guy. He even saw us backstage when, God knows, he doesn't need the extra promotion. Excellent show, too. Don't miss it!"

WBLM, LEWISTON/PORTLAND, ME M.D.-TOM WALLACE: "We just can't go wrong with a new record from Ratt. Needless to say, 'Lay It Down' brought in instant phones...Same thing happens with the great new one from Sting who was immediately added to heavy rotation in response to sizable phones...I'm not too big a fan of this new tendency towards power ballads from metal acts but the Helix tune is a real smoker. A vast improvement over last year's 'bombastic' anthem...I'm looking forward to seeing Heart back near the top of the chart with their new one. It's high quality material and Ann Wilson never sounded better."

WEZX, SCRANTON, PA P.D.-DAVE LONDON: "ROCK107's \$100,000 giveaway is going great. So far we've given away \$40,000 and still going strong. This week we debut the ROCK107 Pony, a fully restored 1969 Pontiac LeMans sports coupe worth over \$10,000 and we're going to give it away...Her first song, 'Talked To Us', and now her new one goes 'Right To The Heart'; check out Fiona's 'Hang Your Heart On Me'. Rock radio needed a female rocker, now here she is...Speaking of Heart, it's great to hear the Wilson Sisters' 'What About Love'...I'm also happy to announce the promotion of Jay Daniels. Half of our 'Morning After' with Daniels and Webster, is the new music director of ROCK107. Jay and I have worked together for many years and he will be an added plus for us at WEZX."

WDHA, DOVER, NJ G.M.-BOB LINDER: "Still experimenting with different marketing ideas for CD's; Warner Bros. shortchanges the public with a cardboard housing for Prince. But Warner Bros. more than makes up with an extended Dire Straits CD. Same songs, but four are considerably longer than their vinyl counterparts. Three of the four songs have longer endings and the fourth ('Your Latest Trick') has a 2-minute intro not on the vinyl version. With the edit 45, extended 12", album and now CD version of songs, the consumer can be thoroughly confused. By the way, there's an extra song, 'We Said Hello Goodbye', found only on the Phil Collins CD that is very much worth programming. We recommend cueing your machine past the slow intro to 1:12 into the song as a starting point...Many thanks to A&M for the great sounding Supertramp CD...If you're wondering whether a CD was analog or digitally recorded here's the 'secret' code: AAD means it was recorded analog, mixed analog and digitally mastered for the CD. DDD means it was digital all the way such as the Dire Straits; and there is quite a difference."

KMYZ, TULSA, OK M.D.-P.D.WITT: "Hi, I'm P.D. Witt, the Music Director here at virgin KMYZ. I'll be working under Jim Ray here at Tulsa's newest rocker. If anyone would like to get in touch to make something happen, we can be reached at 5810 East Skelly Drive, Suite 801, Tulsa, OK 74115. (918) 665-3131 is the phone number, music calls will be taken Tuesdays from Noon to 4PM Central time. Reep Kockin'."

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "Syracuse welcomed summer in with a Memorial Day blowout - 10,000 fans, five bands and a downpour. The mud look was hot and everyone had a blast. Our thanks to Kim Mitchell, Autograph, Outlaws and Todd for the wet time!...Earlier this week Loudness, complete with Michael Prince, Bob Clark and 'Happy Coats' in town, moseyed into town for an in-store and club show. Akira Takasaki's guitar expertise is not to be missed. Be sure to catch him if they are in town...I've been stung and Sting's done it. Got to admit, when I heard about a jazz band backing the man on tour, I wondered what the product would bear. Not to worry, 'Set Them Free' is a hit and the jocks fave of the week...Nice to hear Corey Hart with a smash. One spin should do it for the Sunglass Kid...Ratt is back just in time for the summer. Prepare the phones for the deluge. You can't open a teen music mag without seeing these guys. The anti-Madonna crowd will demand airplay...We've been screaming about him forever - and soon you can hear for yourself. Benny Mardones has recorded a five-song EP which has already hit our most-requested list. If you need a copy call Mark at (315) 635-9310."

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "I had the pleasure of hosting a great show at The Ritz the other night. Joining Mars Williams (Psychedelic Furs, Power Station, Billy Idol) on stage was Tim and Richard of the Furs. 'Heartbeat' ended up the crowd pleaser...Nothing like staggering out of the door of The Ritz, turning on the radio, and hearing the new remix of 'Life In One Day'. I never tire of Howard. Call him the Billy Joel of England - whatever - just call him brilliant. Currently score him as pop's most prolific songwriter/performer...Right now our #1 most requested song and Screamer-Of-The-Week is U2's live version of 'Bad'. We're talking 8 minutes of a future U2 classic. I especially enjoyed Island's reprinting of Heavy Lenny's comments on some of AOR's stubbornness with U2. You don't need me to get on a soap box. Lenny says it all. By the way, 'The Three Sunrises' did very well with us as an import. It was Screamer-Of-The-Week, and our most requested song two weeks in a row. No question, U2 have become the new Who...Top 5 requests this week are: U2 'Bad' Live, Vitamin Z 'Burnin' Flame', Duran Duran 'View', Bryan Ferry 'Slave', Sting 'If You Love Somebody'."

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE: "The ongoing controversy of metal/hard rock on-the-radio takes a back seat to the new song from Ratt. 'Lay It Down' is just what we're gonna do. Some songs just speak for themselves...This week we also go in for more from Foreigner, The Firm, Clapton and Bryan Adams...By the way, the Bryan Adams import called 'Diana' is killer and you should glom one for your station ASAP...Saw a great show last night from Detroit rockers Flash Kahan. These guys were good! Even though the club wasn't full, they performed with the reckless abandon of a sold-out show. If they come to your town, by all means, go see 'em! Thanks to Capitol's Jack Snyder for the usual cool time and two days of mischief!"

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "I haven't made comments for a few weeks 'cause my mama told me if you can't say something good...Well, there's lots of good things out right now so how can I refuse? Over the Memorial Day weekend, KILO made it special for our listeners by having an All-Request Party. When was the last time your station did that? This gives us an overview of songs that don't normally come up on the phones, plus a bigger sampling of new music as well. Our listeners went nuts over it!...There are so many great albums out right now it's becoming difficult to squeeze in new things like the King record which has caught my ear, especially the song 'Fish'...This week, Sting's 'If You Love Somebody...' goes right on-the-radio. Hey, J.B.: Where's my Police single's box?...Ratt has baited the trap with a fresh piece of cheese. Guess how many little mice we're going to catch with this one? 'Lay It Down' or go home...Top 5 phones: 'Radioactive', 'Shout', 'Soda', 'Lay It Down', 'Alone Again'...Top 5 retail: Dire Straits, Robert Plant, Phil Collins, Eurythmics, Tears For Fears...By the way, The Hooters jumped from #31 to #9 retail. Thanks to John Lilley of the band for the call. It's nice to know that what we do really does make a damn bit of difference to some 'artists'!"

WXLP, DAVENPORT, IA M.D.-TERRI DUGAN: "ADDS: Sting 12"; Kenny Loggins 'Forever'; Shooting Star 'Sun'; Corey Hart 'Surrender'; Mama's Boys 'Needle'; Ratt 'Lay It Down'; Howard Jones 'Life In One Day'; Dire Straits...MOST REQUESTED: Duran Duran, John Cafferty, REO Speedwagon, The Hooters, Dire Straits...INCREASED PLAY: Night Ranger, Dire Straits...INCREASED SALES: Prince, USA For Africa, REO Speedwagon, Phil Collins, Bruce Springsteen."

 He's so-o-o strong on this record! He is just perfect for any AOR looking for that adult identity. If you
 gotta serve somebody, I'll serve up this record anytime...Sting's record is also a nice record for album radio.
 It sets the mood for the female demographics...Actually, there's not too much crap out there today. I can't

 coming out of hiding for! That was the John Cafferty/'til tuesday WMS Appreciation Day Concert in Cleveland.
 No doubt about it--WMS sure knows how to show appreciation! Rates nothing less than A+ as promotions go...And
 Joe Carroll, from Epic Records, sure knows how to throw a party--first class all the way. If Gary Hart had a
 promotion man like you, Joe, he might have beat Mondale...And John Cafferty, he's ready for the bigger halls.
 Just ask anyone who was there...It's tough being more on the hybrid side of AOR--positive phones on cuts like
 'Axle F', 'Goonies' and the 'Search Is Over' by Survivor prove the validity of the game plan but prevent artists
 like China Crisis from medium rotation, and that's too bad. Still, there's room for Sting's new one, that U2 Ep,
 and Corey Hart--and that's good. In that scenario, you find AOR's saving grace, flexibility."

WPDH, DOUGHKEEPSIE, NY M.D.-PAM BROOKS: "Hey, Bob, do I love those backup singers! Funky to the max, very
 upbeat! Just an exciting new offering from Mr. Dylan. 'Tight Connection' opens him up to a whole new
 audience...Tears For Fears is doing so very well up here that 'Shout' was just a natural segue. We also have
 gotten quite a few calls from area residents back from Europe who became familiar with that track there, so
 the interest is already strong...So nobody knows why it's 'The Dream Of The Blue Turtles'. Well, the listeners
 don't care. All they know is that they love the song. So Sting's career continues to flourish, and the trip
 is fueled by 'If You Love Somebody, Set Them Free'. Hey, girls, don't you remember that famous poem gracing
 every bathroom stall when you were in high school? Thanks for the memory, Sting...Ratt's back rockin' with

KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: War 'Groovin'; U2 'Love Comes Tumblin'; 'Goonies' Soundtrack--Cyndi Lauper and RKO Speedwagon; 'Sylvester' Soundtrack for the two Crusados cuts; Rodney Franklin 'One From The Heart'; Casiopea; Heart 12"; Rational Youth 12"; Nils Lofgren 12"; Corey Hart 12"; and the Sting 12"...Since there are virtually no albums to report this week, so it's the song report instead of the album report. It was a good week for Capitol/EMI starting with a surprisingly strong comeback from Heart. Then there's Corey Hart's monster, 'Never Surrender'--it's a stronger mass appeal song than anything on his excellent debut album. And third, an important major label offering from Rational Youth could be big...Nils Lofgren's song 'Secrets In The Street' is good, but it's his guitar that gives the grinning E Streeter a go at the gusto. Great chops!...The two Crusados cuts on the 'Sylvester' soundtrack are h-o-t stuff. Don't pull the Plugz on these guys this time!"

This track has it all and we are already seeing a lot of sales on this very important 12"...Ditto all of the above on Sting's new record. He is an artist with an undeniable loyal following. This record will deliver for you, so don't be slow on adding it...Good medium tempo guitar rock never goes out of style and here to prove that is Translator. There are a lot of folks rooting for this band, including myself, to do it big this time. 'Come With Me' is a creeper of a track; so if you're not on it, take the time to give it a couple more spins. You won't be sorry...Want to hear a cool album, heh? Check out Game Theory's 'Real Nighttime' on Enigma--a beautifully produced and packaged set of songs that warrant your attention. I'm getting good sales reports too, and if it can sell in Cincinnati, OH, I know it can do well where you are! Maybe you can even put it on-the-air too. I'm probably asking too much now, right?"

"It's just like Graham Parker says, the weekend is too short, even when it's three days... Well, we're back in action and speaking to our brothers in arms. Dire Straits' new Lp is a killer. 'Money For Nothing' is the dynamite you'll need to blow minds... 'Wake Up America' to U2's new Ep. Thanks for the live stuff but the studio tracks rule. Try 'Three Sunrises'...It's no surprise that Sting's gone solo and equally no surprise that the phones are ringing off the hook...Another ladykiller, Paul Young, has our listeners eating out of his hand...Nothing is stopping the killer lady, Annie and the Eurythmics. This is the 'vertiable suckaha of '85'. Thanks Nutsy...Don't pass up B.B. King's 'Into The Night' and 'My Lucille'. He sounds as good as ever...No, 'Flaunt The Imperfection' is not a Walter Becker album, it's the latest from China Crisis. No, it's not Steely Dan either. 'The Highest High' has everyone asking 'Who is this?'. The new remix of the Textones' 'Midnight Mission' is fantastic. Thanks once again to Jimmy Iovine...And, yes, Tom, we're playing The Truth, the whole Truth and nothing but The Truth. Don't it make your brown eyes blue?...That's all from the soul brother of the West."

Program Producers

CATHY LEHRFELD, THE SOURCE/NBC RADIO ENTERTAINMENT (212-664-2594): "LISTEN for our 'Live Album Party' with Joe Walsh, June 4, coming from Studio One in L.A. at 10:30PM Eastern Time. Denny Somach, who is co-producing the program with NBC Radio Entertainment, will host. Joe was one of our guests on 'Live From The Hard Rock Cafe' on Sunday, May 26th. It was a great show! Robert Klein was the host and opened with none other than Dr. Ruth (who talked about sex and Rock and Roll, of course!). We were honored to have Bo Diddley there, who did the opening and closing numbers live, as well as Lorraine Newman. And the party didn't stop after the show either! NBC set up an impromptu 'Garage Band' consisting of Walsh, Waddy Wachtel, Michael Shrieve and Severe Dog Legs. Paul Schaefer is among the guests lined up for our next Hard Rock show. For more info call Shirley Maldonado at 212-664-5538."

Record Action

23
PAUL RAPPAPORT, COLUMBIA (212-975-8616): "Men At Work are back with a vengeance. After two years and 7.5 million records sold nationally (and 20 million sold worldwide), the Men from Down Under put their best foot forward with 'Two Hearts'. Their refreshing sound will add spice to the Summer's hits. The single is 'Everything I Need' and the Lp is packed -- good spinning...And talk about deep and right on target, Bob Dylan should get an award for this one. We like 'Tight Connection', 'Clean Cut Kid', 'Trust Yourself', 'When The Night Comes Falling', and 'Dark Eyes'...We are very proud to bring you the new Nils Lofgren Lp and the Cock Robin album. The Nils will speak for itself. It's his best and certainly most commercial. On the Cock Robin, we have the power ballad, 'When Your Heart Is Weak', and for those looking for more, don't miss 'I Thought You Were On My Side'. This, too, is a smash...Thanks to all who are supporting the Translator Lp. This record is too good to get lost. The Byrds-sounding 'Come With Me' is perfect for your demo...Recurrent lists move over -- we got the goods!"

RAY GMEINER, ELEKTRA (213-205-7433): "Radio has to be overjoyed (we know you're overworked) with the deluge of great product continually being released by all record companies. Now comes summertime and it's time to really rock your socks off! In keeping with the spirit, Elektra proudly gets ready to deliver Motley Crue. The Crue leads off with a perfect summertime ditty entitled 'Smoking In The Boys' Room'. Yeah, you got it - Brownsville Station's gem, familiar to those of us a few years older, soon to be a hit for a new generation...Another excellent week for Graham Parker's 'Wake Up'. KRQR, KFOG, KQRS, WDIZ, WAQY, WKLT and WXKE come to the party. Thanks to all...Anyone for a morning promotion? We slipped album radio Howard Jones' next hit, 'Life In One Day', a bit before the other formats. Go for it!...Rogue Male offers a 'Crazy Motorcycle', 'Dressed Incognito' and KLAQ says, 'Big phones on 'All Over You'... Thanks go to Tom Starr for his positive report on Dokken's 'Alone Again'. Yes, it gets Top 5 requests, researches very well, and is nearing gold status...Congrats go to: Jeff 'a-vertible-suckah' Naumann on a much deserved promotion, and Jay 'hole-in-one' Hart...On the road with HoJo and G.P. See ya!"

MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400): "On your desk this week the debut 12" from Voices. It's entitled 'I Can See The Night'. Production is handled by the adventurous John Robie. This is a reaction record for both you and your listeners, so put an ear to it...Loudness is just finishing their first U.S. tour to return to 12 sold-out shows in Japan. Look for these rockers to return to the States real soon. Meanwhile, the present 12" 'Never Change Your Mind' continues to garner airplay and the Lp 'Thunder In The East' still shows it has legs at retail...Since you did, thanks for reading."

MICHAEL CAPLAN, EPIC (212-975-5097): "As one of our venerable format staples says, 'the waiting is the hardest part', and I'm happy to report to you the waiting is finally over. This week brings you your first taste from the upcoming Jeff Beck Lp, 'Flash'. The song is the old Curtis Mayfield/Impressions classic, 'People Get Ready' featuring the larynx of one Rod Stewart. If you don't get a chill down your spine upon first listen, you should switch to a career in News/Talk!...Hey, what's the hesitation on our new REO remix of 'Gotta Feel More'? You complained about the profusion of ballads, put your money where your mouth is. WHJY, WBCN, WMMR, WYSP, KSRR, WEBN, WLVQ, WRIF, KYYS, KUPD and KGB are among the notables who have. A couple of our albums require listening time due to their depth...While you're sharing John Cafferty's 'Tough All Over' with your nextdoor hit competitor it's time to bring out the secret weapon, 'C-I-T-Y'. Just ask Pittsburgh's Greg Gillispie about this one...The Beach Boys Lp also beckons multi-track airplay. 'Maybe I Don't Know', sung by brother Carl, features a blistering guitar solo by one Cary Moore! Also check out 'It's Getting Late' with those trademark Beach Boys harmonies...On a final note, please do not ignore the Joe Lamont album on Private I. 'The Secrets You Keep' is a straight ahead AOR cut and deserves your attention...To Brian Taylor: You are one of the few true gentlemen in this business... Hot on the home and portable CD players: new Dire Straits, Gino Vannelli 'Black Cars', Paul Young 'The Secret Of Association', Blood, Sweat & Tears 'Child Is Father To The Man', and A Decade Of Steely Dan."

LINDA KIRISHJIAN, COLUMBIA (212-975-1701): "The week is finally here! The records everyone has been talking about for the last few months are finally hitting the stores today (Monday, June 3). As you read this (if you're reading this on Monday), 21 local promotion managers are madly dashing from one end of town to the other (not to mention me), dropping off 12" chunks of coded vinyl (albums): Men At Work, Bob Dylan, Nils Lofgren. Did you know that directly or indirectly we are talking bands who are associated with the word millions!? Think about that. When you play 'Everything I Need', 'Tight Connection To My Heart', 'Secrets In The Street', plus get deeper into all three Lps, guaranteed you will be influencing someone's Summer... Turn up the heat! Summer tours expected by Gowan (opening for Tears For Fears), Bruce, Paul Young, Hooters (with Don Henley), Santana, Men At Work, Kenny Loggins, Translator, and Fishbone...At the Hard office this week I noticed equal opportunity in stapling and taping. Very well done. Efficient usage of metaphors in the bunker. Hei(ne)(ss), Hei(ss)(ne) was it? Oh well. Paul, about your operator headset, sounds just like your voice is connected to a wire. Judy, you're right, I should have done my comments there...By the way, I've got a great topic for Dr. Dirt. Doc, I've never seen a better prepromotion job in obstetrics than for Baby Rap II. Come on Paul and Sharon, pack that Lamaze bag!! Head for the mountain (Sinai that is). Baby Rap II, you're overdue and everyone knows it. We're waiting -- come and get your present, signed your AOR auntie."

BENNETT KAUFMAN, GOLD MOUNTAIN (213-469-2411): "The Textones pick up 19 more believers this week, including WBCN, KLOL, WQFM, WOWE, and many more. 'Midnight Mission' is perfect for your 25 to 35 demo. This song is that rock ballad that will light your phones...This week on your desk is Keel's new single 'Easier Said Than Done'. This is a Gene Simmons song which he remixed and Ron Keel did a new lead vocal on. Put this one on at night. After the recent tour with Loudness, America's rock and rollers now know Keel...You got it!"

ALAN SNEED, ROCK PROMOTION AND-MARKETING (404-441-2210): "Chris and I would like to thank both the radio and record communities for the positive response to our new venture. We intend to provide a credible presence in the South for our clients by thoroughly and intelligently promoting album radio. We will be calling roughly 40 stations on a weekly basis."

RICH SCHMIDT, RHINO (213-450-6323): "Trivia question worth valuable video prizes at the end of this paragraph... Need to relax? Need to forget? I've got the perfect solution! Get a sleeping bag, tent, and fishing equipment and lose yourself in the woods for a few days. It puts things in their proper perspective, if you know what I mean...Upcoming from Rhino is Classie Freddie Blassie's 'Pencil Neck Geek'. With all of the national exposure Fred is receiving via the WWF Wrestling circuit, you'd be crazy to pass up this hilarious track. Watch for Fred's upcoming guest comments in this space soon...Last week's Monkeestrivia question was too easy. So, this week I'll toughen up the quiz with this following item. Question: Within two, tell me how many times the Monkees TV show rated in the Top 25 shows, according to the Nielson Ratings. Winners will receive their choice of one Rhino home video. Now, get back to work!"

JON SCOTT, MUSICVISION/VINYL CONSULTANTS: (818-906-1995): "At one time in my career, I was a Music Director for some ten years at FM100 in Memphis. Being a Music Director, I know that sometimes you have to do a lot of things that you might not enjoy. For those of you who don't enjoy taking a lot of promotion calls, I must tell you from experience that it is impossible to receive too many calls from people in this business--Someone you talk to (or dread to talk to) now could become an important ally in the future. For those of you too shaky to return phone calls, maybe one day you'll realize that these people could very well be some of your closest friends of the future...Special thanks to all of you involved in our weekly conference calls. If you're not, you can call Drake, Marsha or me collect for all the details!"

RECORD ACTION CONTINUED

MICHAEL SCHNAPP, IMPORTANT (718-995-9200): "IMPORTANT NEWS: We are beginning a new age label very soon which will feature ambiance and new age music. The Relativity label is ready to sign many new music acts including -- Oh, I can't say that yet--but you'll know soon enough!...Coming soon to radio, will be AXTION with their debut album in June...Mega Metal Department: Megadeth continues to thrash helpless audiences. Once the driving force behind Metallica, Dave Mustain crosses the line for this interesting new sound which includes a cover version of Nancy Sinatra's 'Boots Are Made For Walkin'. This must be heard to be believed!...No metal shop is complete without Combat Metal. Combat's latest explosive care package contains Megadeth and Exciter who will be touring nationally this Summer, as well as Germany's Running Wild. If your metal shop is not playing Combat Metal, you should call it 'Wood Shop'!...Also, Happy Birthday to Jeff Neben at IMPORTANT WEST."

BOB LAUL, SERIOUS BOB PROMOTIONS (212-580-3314): "Ask yourself this question: First, what two records out right now draw upper demos; and second, what two records have no single out that every CHR in town is cranking away? The answer is simple - China Crisis and Translator. You guys are worried about playing records that everybody else is playing. You want a piece of the market and you're afraid of playing first and second singles by newer artists for fear of repetition. It would seem to me that China Crisis and Translator could fill the empty void. Both bands have roots in traditional AOR playlists - Walter Becker produced China Crisis and it has the feel of Steely Dan. Translator's guitar styling and vocals are quite reminiscent of the Byrds. Both are late 60's/early 70's artists that attract those good ol' upper demos. Enough with my tirade...A couple of other acts that don't have their roots that far back but are great, nonetheless, are Animotion, whose follow-up 'Let Him Go' is every much a hit as the first; and the Boomtown Rats who have their strongest record ever with 'Rain' which is doing quite well...Hot on the home turntable: New imports from the Chameleons and Propaganda."

NEILL "JAMES BLONDE" DIXON, CANADIAN INDEPENDENT (416-625-6007): "It's not a very pretty picture when a morning man is out of a job. Try and imagine your wife out of Valium. 'What am I gonna do, Blonde? Radio's my life. Being sober enough to read my lines should tell you how dedicated I was - letting my second banana get all the good lines, doing wet T-shirt contests, breaking your Bon Jovi record. I was there, king of the hill.' 'Don't cry on my shoulder, tough guy. You're still #1 in my book', I said, taking the spoon away from him. 'Put down those corn flakes and listen up. Guys like you don't grow on trees, the radio business lives and dies on the strength of your performance, you set the tone for the whole day. You're one of the best, pal. Mark my words, you're still tops.' 'Thanks, Blonde. I really needed that. Now give me back my spoon, I want to try some of these flakes.'"

RICHARD PACHTER, PROMOTION IN MOTION (305-482-6629): "Great songs are always fun, but for those of us with longer attention spans, great albums are even better. The Payolas' long player, for example, is loaded with terrific tunes. Check out 'Cruel Hearted Lovers', 'It Must Be Love' and the title cut. Every time I listen, another song jumps out. What a great album!...The Beach Boys Lp is their best since '15 Big Ones'. 'California Calling' should be the next single, but there are eleven other big ones on this disc, including 'Maybe I Don't Know' and 'It's Just A Matter Of Time'...Supertramp has never been a one-cut band. 'Still In Love' and 'Better Days' are as good as the single, but the title tune is unquestionably a modern masterpiece. I saw the short film of it on MTV. Wow! Catch it when you can...The New Order album contains several excellent songs, 'Perfect Kiss' and 'Love Vigilantes' are pretty obvious, but 'Sunrise' is hot and I love 'Elegia', the super instrumental...Rumor of the week: Which skinny Midwestern Capitol AOR guy with the same last name as mine allegedly gained five pounds? Call me with your guesses."

"Two Hearts", and the first video from the album, "Everything I Need", is due in early June. Men At Work are expected to begin a worldwide tour this August.

INTERVIEWS

JOHN CAFFERTY: Discussing his new album with The Beaver Brown Band. "Sort of a concept album. One of the first songs that I wrote for the record was a song called 'The Voice Of America's Sons'...which to me, wasn't any kind of political statement at all, it was just another definition of what rock 'n' roll could be. Rock 'n' roll is the voice of America's sons. It's not my father's voice, it's not my grandfather's voice, but our voice. And I got an idea that each song on the record could be someone else's voice, in a different story, so that's pretty much where the songs come from."

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
