THE HOOTERS, "JOHNNY B.", COLUMBIA

It would have been easy for '85's Best New Group to cash in on the multi-format success of their debut by coming with a blatantly obvious crossover lead track. But as the song title suggests, The Hooters opt instead for a haunting, hard-driving rocker. From the classical-styled mandolin and recorder intro, it's evident their songwriting has evolved to the next level, their confidence has never been higher and this is one band that refuses to stand still. But it's their distinctive style and unusual instrumentation that indelibly etches this haunting Hoot-enany into your psyche. Watch it fly!

TWISTED SISTER, "HOT LOVE", ATLANTIC

Check any retail chart and it's obvious the time is right for a Twisted comeback, so wasn't it astute of Dee & da boyz to trade in their make-up and shock rock image in favor of increased emphasis on solid melody, elephant-sized hooks and a higher nutritional value musically. They've grown up and the new alliance with producer Beau Hill (Ratt, Fiona) reaps a tighter, more textured sound, but "Hot Love" is still TFS fist-in-the-air-we-don't-care power rock. Extra points for J.J. & Eddie's paint-peeling axe work and Dee's restrained yet effective vocals. Warning: use only in asbestos-insulated air studios!

JOE WALSH, "GOT ANY GUM?", WARNER BROS.

Any doubts about "The Radio Song's" format viability have been totally shattered by the 15-9* Trax ascent or the song's convincing performance in the ultra-competitive statistical jungle. This week we log 24 Power reports, 73 Heavies, 158 Cume, 21 Increases, and 7 early Top 5 phone break-outs. Got any gum? You bet! Track this sucker through and take in the album Joe needed to make-varied, humorous, strong, deep and a damn good time! For back-ups, the hard-edged "Fun" offsets the single's pop leanings and is a likely starting point, we're knocked out by "Malibu" and "Up To Me", but "In My Car" is the album's shining star. Dig in.

THE FABULOUS THUNDERBIRDS, "HOT NUMBER", CBS ASSOC.

"Stand Back's" 3rd week stats--this report's 2nd best 31 play increases, 17 New, 151 Cume, 61 Heavy/Power mentions, 54 Good to Excellent phone reports, Top 5 Requests at WQMF, KLBK, WBVR, WZTA and three more, and a 25-21* Trax lunge--tell us the band that spearheaded today's roots revival is more vital and relevant than ever. Brimming with soul, style and sincerity, the T-Birds traverse a wide spectrum of rock heritage on the "Hot Number" Lp, from straight Blues to Stax/Volt R&B to Rockabilly, all with the unmistakable stamp of the Roots champ, Dave Edmunds. Our faves: "How Do You Spell Love", the title track, "Sofa Circuit" and "Streets Of Gold". Too much fun to take off the turntable.

NEIL YOUNG & CRAZY HORSE, "LIFE", GEFLEN

Neil and the Boys aren't walking at all as the lead-off 12" sprinted quickly to some eye opening statistics: 22* Trax, 140 Cume, 10 play increases and talk about an active track, 20 cite Top 5 phones, (WNEW, WDVE, WIOT, WZTA, KPEZ, KWIC, WRQK, KEZE, WRUF, WZXL), sparking a 12-8 Most Requested romp. The new Lp merges that early '70's signature sound with sobering current day messages delivered in various forms. There's energetic, gritty garage house rockers like "Too Lonely" and "Prisoners Of Rock And Roll" (record company personnel take note), the lyrically topical and profound "Around The World" and the tender mood setting "Inca Queen". Depth with distinction!

PETE BARDENS, "IN DREAMS", CINEMA/CAPITOL

It's been awhile since we've heard anything as cerebral or stunningly symphonic as "In Dreams", and who better to revive this genre than former Camel leader and ex-Van Morrison & Them keyboardist Pete Bardens? His long awaited return to the spotlight falls somewhere between "Oxygene" and "Fly Like An Eagle"--a forward moving, atmospheric, extraterrestrial adventure that reeks high tech and is just the tip of a new progressive iceberg. It's upper demo nirvana!

CRUZADOS, "AFTER DARK", ARISTA

WKFM's Brian Illes tags "Bed Of Lies" "An infectious record that will be a summertime smash", and he's not alone as 38 new believers give Cruzados a #3 Most Added finish, pumping the cume to 138 strong as 15 play hikes (KISW, KISS, WQFM, WDIZ, WIOT, WHFS, KZEL, WRXK, WKRR) rivet the 12* 37-28*. And the depth charges on the Lp--"Smalltown Love" featuring Don Henley, "Road Of Truth" with J.D. Souther and Paul Butterfield, and "Last Ride"--confirm what many of you have been saying all along: this is a great American band with the talent and material to match their boundless energy. Like WIOT's Jim Steel sez, "This band's for real!"

GREAT WHITE, "ONCE BITTEN", CAPITOL

You couldn't ask for a better two week report card, especially regarding a baby band. "Rock Me" bags 32 new (#5 Most Added), including KISW, KBCO, WQFM, WKLS, WCMF, KGON, WBAB, WNOR, WEGR and WKQQ, augmenting the young cume to a sizeable 107 and together with 13 increasing play the track soars 47-35*. And if it's performance you want, look no further as a hefty 37 cite Good/Excellent calls, 11 reporting Top 5 (KAZY, KILO, KICT, WDHA, KUPD, WAQY, KWHL), creating that #15 Most Requested debut. Now for more of that sexy, soulful blues based rock delivered so passionately and craftily, go directly to another one listen mutha "Lady Red Light", then sample two more tasty smokers "All Over Now" and "Mistreater". Amazing depth!

STARSHIP, "NO PROTECTION", GRUNT/RCA

Starship touch down at #9 Most Added with 20 new (KSHE, KZEW, KYYS, KOMP, KEZO, WHTQ, WOUR, WBYR, KFMX) as the 2 week total swells to a near closed 143, powering the single 26-19* Trax. And 37 stations logging Good to Excellent requests, coupled with 26 increases indicate significant programmer confidence. The band's evolution in a more contemporary direction continues on "No Protection" with a gorgeous digital recording, state of the art production and snappy upbeat songwriting. Check out the Grace Slick co-authored "Babylon", along with "Girls Like You".

LA BAMBA, SOUNDTRACK, WARNER BROS.

The title track from Los Lobos wrestled down an impressive 17 new reports this week (WLUP, WRDU, KILO, WLIR, WHTQ, WBRU, KOZZ, WTPA, WXRC) sprinting 82-61* Trax and we fully expect the action to intensify next week, coming off a #1 Most Added week at Top 40 (with GO-RILLA PHONES). After all, isn't this supposed to be OUR band?! WTPA's Chris James testifies, "The new Lobos is addictive. It'll blow out your phones--what a summer record." The soundtrack Lp also features top cat Brian Setzer's respectful and perfectly timed cover of "Summertime Blues", and Bo Diddley's fiery recut "Who Do You Love". Ole!

WHAT IF, "WHAT IF", RCA

They may be new contenders in '87's rookie artist race, but this trio of seasoned studio vets are anything but novices. Singer Tommy Funderburk's sung for everyone from Wang Chung to Whitesnake, keyboard/woodwind player Larry Williams can claim performance credits on albums by Eric

Clapton, Joni Mitchell as well as the upcoming Michael Jackson Lp, while the likes of Boz Scaggs, George Benson and Quincy Jones have called on drummer Bob Wilson. But what is "What If? Bright, brass-flavored, finely produced, passionately played, soulful, catchy Rock 'N Roll with more hooks than 42nd St. on a Saturday night. That's what it is!

WHITE LION, "WAIT", ATLANTIC

White Lion has been kicking around the New York/Brooklyn/Long Island metal music scene for the past couple of years and have developed quite a huge following (their first independent release fared extremely well at retail). On "Wait" singer Mike Tramp, (a David Lee type with the personality to boot), supplies enough vocal bravado to thrill the core and Vito's 6 string flash compares with the best of all the young upstarts. MTV better install extra phone lines once the HMB's (heavy metal babes) get a look at these guys! Rock 'N Roar!

AUTOMATICS

Depth Trax From Established Albums

DAN FOGELBERG, "IT DOESN'T MATTER", FULL MOON/EPIC

Dan's triumphant return to Rock Radio was amply solidified by the endorsement and performance of the leadoff cut. "She Don't Look Back" hit Top 10 paydirt and turned up quite impressively on the phone lines. With the Stephen Stills penned follow-up you'll find another rock 'n rhythm deluxe, in vintage uptempo Fogelberg fashion, that's certain to sure up Dan's depth value to the format. Added this week at WNEW, KSHE, WMAD, KRKI, KWIC and KATP, joining KTXQ, WIOQ, WHTF, WTPA, WHCN, WHTQ, KTCZ, WPDH, WWWV and six more already there. Considering the preliminary ground swell set up, including an 81* Trax appearance, this one's primed and ready to go!

MOTLEY CRUE, "WILD SIDE", ELEKTRA

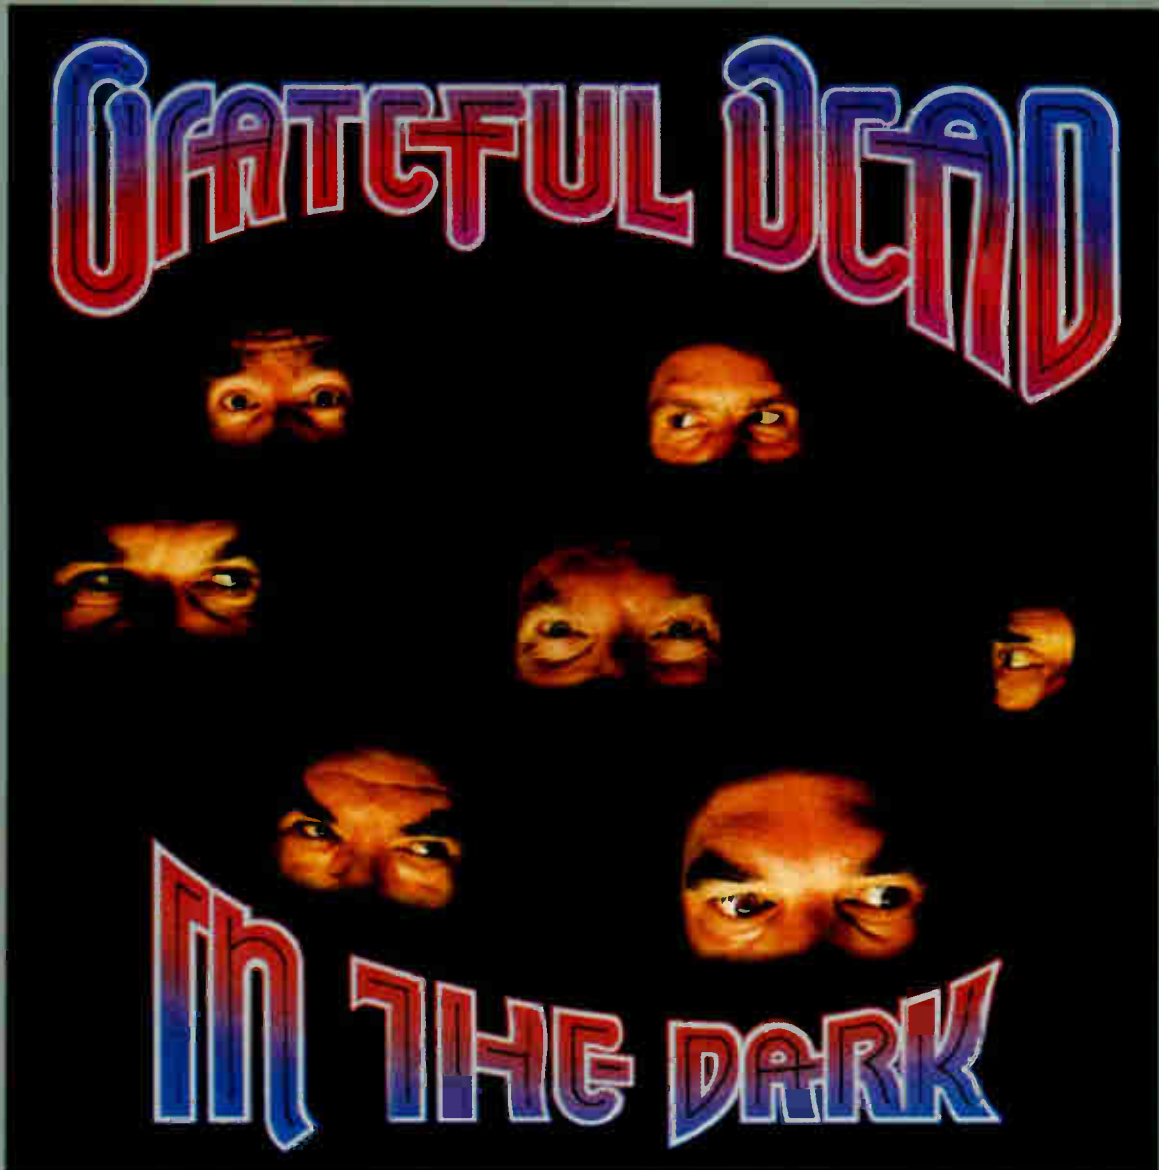

Given the fact that the Crue are coming off their most successful AOR track ever: "Girls" climaxed at 20* Trax, and replaced a few dozen switchboards with a four-week reign at #1 Most Requested; not to mention the retail explosion (double platinum plus). Motley Crue has as much to do as anybody regarding the current auspicious vitality of pure rock. "Wild Side", another mass-appeal driving rocker utilizing tasty breaks and varied pacing throughout, guarantees to keep the phones working overtime and--what with the band's nationwide tour (the hottest power rock coupling of the summer with Whitesnake)--and continued mega retail clout, it appears Rock Radio's in for a wet and "Wild Side" summer. Let the Crue be your guide!

TESLA, "ROCK ME TO THE TOP", GEFREN

Seven months and two Top 20 tracks later, we're all still Teslafying! It was merely a weekend ago that these young Sacramento upstarts stared destiny in the face as they participated in what has turned out to be one of the most important rock bills of the year: The Texus Jam. It was evident that all the industrious work reaped its dividends as the band couldn't have been any more confident nor in control; the Cotton Bowl simply went out of its mind. It's no small wonder that Def Leppard selected this dynamic band as the opener on their highly anticipated forthcoming tour. So now's the time to reach into that gem of a rock box and unleash more of that high energy, power-driven melody of the Tesla variety. Rock On!

Long Live The Dead!

There's 63 rotating in Heavy/Power including WEBN, WKLS, WGTR, KOME, WFBQ, WDIZ, KLOL, KBPI, WLLZ, WDVE, KSHE, WAAF and KAZY. Al Branca, WMGM serves it up "Back To Paradise' is typical 38 Special formula--Good hooks plus great vocals times excellent guitar work equals hit!"

THE FIXX, "DON'T BE SCARED", MCA

(37 New/107 Cume)...WSHE, WNOR, KXRX, WCMF, KILO, KISS, WTUE, KMJX, KMOD, KEZO, WTPA and KPEZ are among the new Fixx clan stretching the now playing column to a heaping 107 and combining with 10 play ups, (KISW, WDIZ, KZEL, WQFM, WWWV, KEZE, KTYD, WRUF, WPDH, WMJY), catapult the track 55-33*, our #4 Trax Gainer. With the Lp hitting the streets Album Action shows a pair of 26* debuts and Rock Radio thinks depth: "Stand Or Fall" rolls on WNOR, WLIR, KPEZ and WEQX; while "Red Skies" falls on WMMR, KPEZ and WLIR. Chris James, WTPA takes a stand, "Being a Fixx fan from day one, I've only one thing to say--The new Lp captures the intensity of the live show so well. 'Don't Be Scared' says it all, give it a shot and watch it react!"

U2, "SPANISH EYES", ISLAND

(32 New/86 Cume)...The U2 hit parade just keeps on rollin' as 32 more turn Spanish including KISS, WXRT, WIOQ, KTXQ, WKQQ, WQFM, KUPD, KXRX, WQMF, KQRS, WNOR, WTKX and WWCT. The cume now stands at a substantial 86 and the request log displays 8 citing Top 5 phones, (KGON, WDIZ, WHTF, WIZN, WXXP, KFMU, WHTQ, KTYD). As the Lp holds on to that prestigious #1 slot in Album Action, Album Radio continues to sing the band's praises. Duane Sherman, WTOS exclaims "It's hard to believe 'Spanish Eyes' is a B-side; such powerful vocals and delivery!" And WKQQ's Stacy Yelton gushes, "'Spanish Eyes' brings me to my knees. Bono I loove the way you sing to me!"

SAMMY HAGAR, "SAMMY HAGAR", GEFLEN

The Red Rocker commands OTB multi-cut exposure and AOR delivers the instantaneous depth charges. 2* Trax and #5 Most Requested. Considering the wealth of Trax activity, it's no wonder the Lp debuts at 7* Album Action! Tom Starr, WOUR reviews "Great rip-roaring rockers to carry us through the summer!"; Anthony Alfonsi, WDVE shouts "Hagar's new Lp is Rock 'N Roll at its finest!"; KLOL's Harvey Kojan asserts, "How popular is Hagar here? We left the Lp completely open for airplay!" And Jason Tyler, WRUF gets down "Ye ha! slammin' Sammy Hagar kicks up his heels and delivers! The Red Rocker's finest effort yet!"

THE CHARLIE DANIELS BAND, "BOGGED DOWN IN LOVE WITH YOU", EPIC

(25 New/41 Cume)...CDB is back rockin' and Album Radio responds with a second week #1 Trax Gainer on "Bogged", 95-64*! KTXQ, WBYP, KOME, KGGO, WKLS, KQDS, WFYV, WIMZ, WAQX, KLAQ, WWTR, WRCN and KSQY are amidst the new believers swelling the start up cume to 41. Among the stations already on are KSHE, WBAB, WLAV, WQFM, WPLR, KQRS, WFBQ, WONE, WOOJ, KUPD and KATP. Steven Page, KOME steps up "CDB's 'Bogged Down' is stellar. And with the album pounding the pavement this week you can also sample more of the feeling that not only is Charlie back, he's here to stay. Check out the title cut "Powder Keg", as well as "Bottom Line" and "Love Pouring Out Of Me".

ROBERT CRAY, "NOTHIN' BUT A WOMAN", HIGHTONE/MERCURY

(19 New/20 Cume)...About the "Strong Persuader" Lp, KBCO's Doug Clifton asks, "Will this record ever stop?" Certainly not anytime soon, what with emphasis cut #4, "Nothin' But A Woman" proving to be nothin' but another strong reaction track from the new king of the blues. Witness but a few of the many four-star rave reviews...Steven Page, KOME lauds "Everything off the album is intense"...ditto, Kim Alexander, WHCN...Joe Marino, WAQY calls it "Nothing but a smash"...Loris Lane, KFMX proclaims "Four cuts deep is fine with me"...Beth Kepple, WKLS feels "He can do no wrong"...Catt Stone, WZEW hears "Excellent mass appeal blues"...Tricia Griffith, KBER swoons "Definitely one of the hottest men around"...and Chris Garrett, WHEB punctuates with "Mean ole blues!"...OTB play is provided by 19 (#10 Most Added) including KFOG, WBRU, WRKI, KMOD, KXRX, WNOR, WLAV, WHEB, WRXL, KLAQ and WKQQ, joining early bird WOUR. Put on your blues shoes and play more Cray.

JOHN HIATT, "THANK YOU GIRL", A&M

(17 New/114 Cume)...Over the course of the six weeks prior to this report, "Thank You Girl" has been a model of consistency, regarding add trend, while posting #1 Trax and #1 Lp Gainer honors along the way. Programmers have flooded our phone lines with unsolicited positive commentary since hearing it on our Super Sampler II Cassette. Could this report be any different? Not a chance. John gets the nod at another 17 new locations paced by WIYY, WYNF, KATT, KILO, KKDJ, KLPX, WZZO, KICT, WGIR, KRIX and WIMZ, expanding the now-playing count to a robust 114, advancing the track 32-31* and nurturing a firm hold on the Album Action charts at 22* National, 24* Metro. As WFYV, WKFM, KNCN, KZOQ and WUVA increase rotation, the Max/Heavy column swells to 21, while WZEW reports Top 5 phones...WKQQ's Stacy Yelton steps up "At last, a place for John Hiatt and his all-star cast. ROGER WATERS, "RADIO K.A.O.S.", COLUMBIA

Roger's latest solo project (this report's #1 National Lp Gainer, 12-8*; #2 Metro Gainer, 10-8*) is making quite a lot of noise on the request and retail fronts. Witness these reports from Andi "Debuts at #8 sales" Turco, WPYX...Jason "Sunset Strip" is getting great phones and response" Tyler, WRUF...and Paul "Top 5 phones and sales" Nelson, WWCT...And not surprisingly, multi-cut exposure continues to be the case in a multitude of markets. Retaining its consensus back-up posture is the highly active "Sunset Strip", new at 16 (KRQR, WIOQ, CFOX, WOUR, WCMF, KZEL, WAQX, WONE, WOOJ, KEZO, KFMG, WMAD); now on 38; already in Power/Heavy rotation at 14, while posting a blistering 90-62* Trax quake (our #2 Gainer). And as three other tracks also garner new play mentions, "Radio Waves" is new at two (145 cume), up at 15 (WQFM, WYNF, WCCC, WIOQ, KRQR, WPLR, WOUR, KBER, KLBj, KLAQ), now Max/Heavy at 78, holds firm at 16* Trax while Top 5 calls at 12 keep it among the Most Requested tracks at #13...Take some advice from WBLM's Robin Mathieu, "Give your listeners a treat and spin the whole thing."

MARILLION, "INCOMMUNICADO", CAPITOL

(14 New/97 Cume)...An Art Rock revival is under way and Marillion continues to lead the charge. "Incommunicado" forges ahead 41-36* on the Hot Trax 100 as 14 locations supply fresh play (KLOL, WBYR, KSHE, KUPD, KMOD, WDIZ, WTUE, KPOI, KEZO, WHTF, KFMG, KRIX, WRDU, WKLT). Of the 97 stations now playing it, WQFM, WRKI, WCMF, WBLM, KMJX, KNCN and KQWB increase air; 20 provide Power/Heavy emphasis while Top 5 phones are the haps at WQFM, WPDH, WPYX, WQBK, WOUR, WAQX, WAQY and WIZN where Steve Cormier sez "'Incommunicado' is a great piece of work and our audience agrees"...The Lp impacts the Album Action charts at 29* National and 32* Metro. Considering the conspicuous absence of music from the progressive Art rock genre of late, and the large audience that still exists (as evidenced by the phone reaction), the new Marillion appears to be not only a safe call, but a smart one as well.

THE CALL, "I DON'T WANNA", ELEKTRA

(14 New/69 Cume)...The raves continue to come in waves...Patty Martin, KSJO takes center stage, "Mark my words, The Call is about to become one of the most important bands of the '80's. Michael Been's voice is compelling. It almost makes you listen"...J. David Holmes, KUPD informs "They're starting to call for the Call's 'I Don't Wanna.' This could be the record that does it for this fine band"...Steve Cormier, WIZN comes clean "It took a while for 'I Don't Wanna' to kick in for me, but it was well worth the wait. It builds into a powerful tune"...And for a big-time build, how does 14 new (WBCN, KDKB, WCCC, WNOR, WIOT, KLPX, WXRT, WQBK, WZEW, WGLU, WIZN, WHMD, KMJX, WXKE), 65 cume, nine play hikes, 13 Max/Heavy mentions, Top 5 phones at WHMD, a torrid 58-47* Trax jolt and Album Action debuts of 38* National and 34* Metro, sound?

JON BUTCHER, "WISHES", CAPITOL

(14 New/19 Cume)...The format is jacked sky high, and it looks as if the sky's the limit for Jon's third emphasis track...Take it away Harvey "A standout in concert and on the radio" Koijan, KLOL...Summerfield "Emotional, powerful-great story" Horner, KZEW...David "Deserves the highest accolades" Anderson, WIOQ...Mary "Big calls every time we play it" London, WRFX...Beaver "Amazing guitar virtuosity" Brown, KDJK...and John "Proves tremendous depth of the Lp!" McCrae, KRQR...Now more well wishes of the unsolicited variety...Chris James, WTPA suggests "Keep an eye on the new Jon Butcher 'Wishes.' It's the track that'll make him a superstar"...Joe Marino, WAQY injects "'Wishes' is the 'sing-along and play air

guitar in the car' tune of the year. This album keeps getting better as we get deeper into it"...This week, 14 more dig deeper (KRQR, KMBY, KLBj, KATT, WAQY, KWIC, KTYD, KATP, WONE, KZOQ, KFMG, KNCN, KMJX, WMAD), joining KLOL, KXRX, KRXQ, KZEL, WDHA and WTCS. "Wishes" upon a star.

THE TRUTH, "UNTIL IT BURNS", I.R.S.

(14 New/16 Cume)...We checklisted "Until It Burns", the follow-up to The Truth's monster lead track "Weapons Of Love" and the programmer review board responded with a resounding thumbs up. We heard tons of "Great follow-up" type comments from folks like Tim Drayer, WHTF; Joy Crosslin, WMJY; Tim Jeffreys, KAZY; Doug Clifton, KBCO; Rick MacKenzie, WAAF; "Catfish" Phil Colwart, WHMD; Jim Steel, WIOT; Al Branca, WMGM; Greg Mull, WRXK, and many more. But there's much more...Mary London, WRFX calls it "One of the many great tracks from the Lp"...Carter Alan, WBCN finds "Another exciting track"...Chris Garrett, WHEB excites "Cookin' rock n' roll!"...Jason Tyler, WRUF hears "Another summer smash"...Hubby Dean, KZRR speaks the truth "These guys are gonna go far"...and David Fortney, WKLT tells no lies "A band with a future"...And an impressive present. "Until It Burns" bags 14 first-week commitments from WNEW, KTXQ, WQFM, WNOR, WAAF, WAPL (where it's already getting Top 5 calls), WHTF, WPYX, WMJY, KWIC, KATP, KFMH, KQWB and WTOS, joining WONE and WKLC...We'll close with these words from WGLU's Brian Wolfe, "Let's keep it going."

STEVE EARLE & THE DUKES, "I AIN'T EVER SATISFIED",

MCA

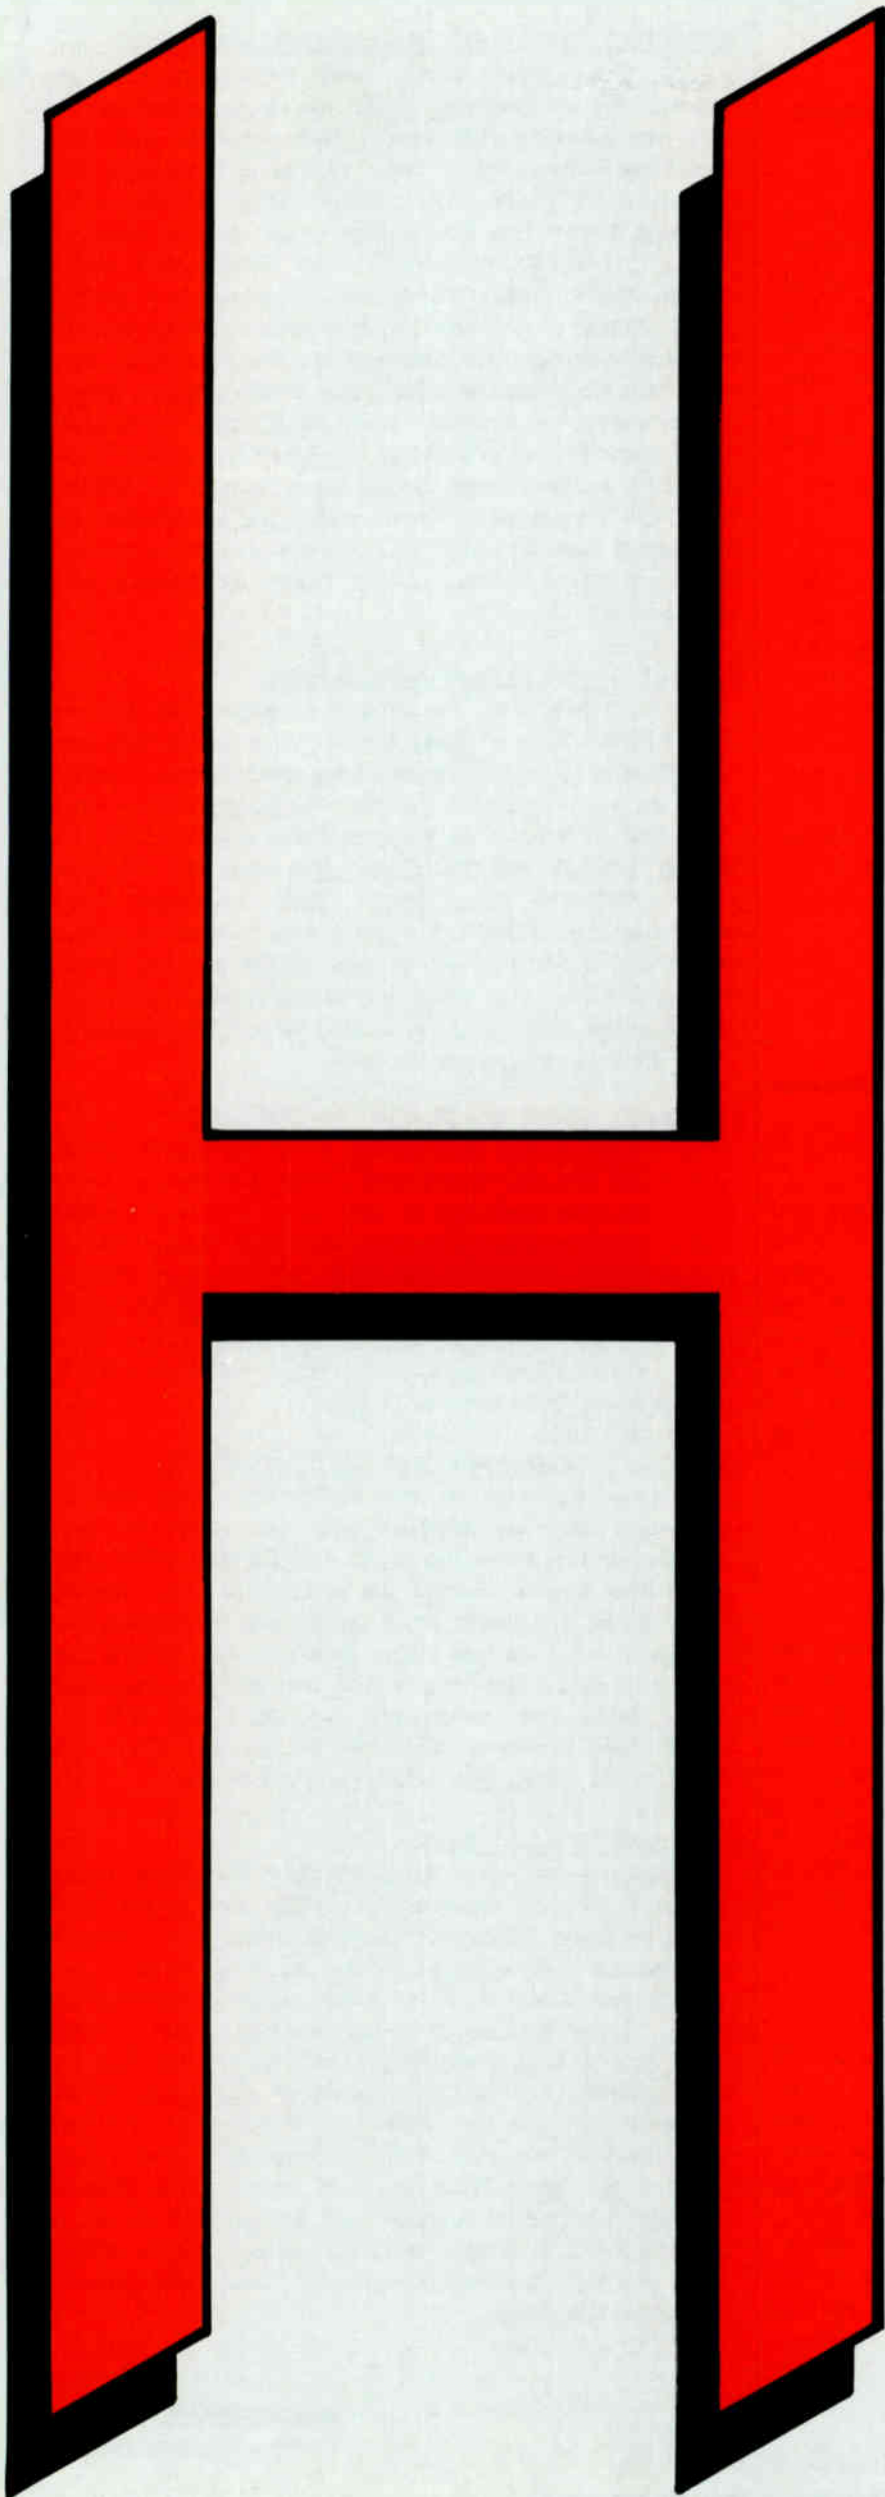

(13 NEW/97 CUME)...Another report day is in the record books and when the dust cleared, we found Steve and the boys once again among the top add-getters, a position they've held since the record's release. "I Ain't Ever Satisfied" is now on a stout 97, including this report's 13 newcomers (WRIF, WNOR, KOME, WPYX, WIOT, WBLM, KOZZ, WWCT, WGIR, KQDS, KGGG, WJXQ, WGLU). With additional thrust supplied by eight increases (KGB, WDIZ, WCMF, WAPL, WZZO, KZEL, WMJY, WWTR) and 18 Max/Heavy mentions, the track improves 40-39* while the Lp holds firmly at 30* National and Metro. Excellent/Good calls is the haps at more than a dozen, while a build in several key categories continues to be the recurring theme among many of our reporters.

LITTLE AMERICA, "THAT'S THE WAY IT STAYS", GEFLEN

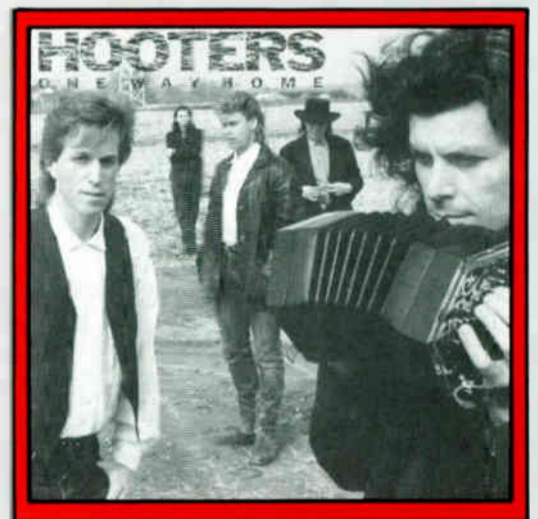

(13 NEW/24 CUME)...Considering the huge success of their debut offering, and the fact that such industry notables as Beth Kepple, WKLS; Kim Alexander, WHCN and Bill Webster, WJXQ feel that "That's The Way It Stays" is even stronger, it is safe to say that Little America is in it for the long haul. The follow-up flies on 13 more this week (WBYR, WRKI, WQFM, KMOD, KICT, KZEL, WAQX, KMBY, WGLU, WGIR, WYMG, KTYD), stretching the start-up cume to 24 (KGB, KTXQ, KLOL, WNOR, KILO, KWIC, WDHA, WTPA, WONE, WWWV, KNCN). Factor in increased air at WNOR (Power), and KWIC, and track #2 impacts the Hot Trax chart impressively at 83*. Now to the raves from Tricia "Great follow-up tune" Griffith, KBER...Hubby "Jamful fun" Dean, KZRR...Brian "Great response band" Wolfe, WGLU...Chris "Great reaction record" James, WTPA...Joe "This really cooks" Skare, KFMG...Paul "A band with a future" Shugrue, WRXL...and Jay "These guys will be stars" Lopez, WWWV...We'll close with some good advice from WTUE's John Beaulieu, "Watch this band."

EUROPE, "CARRIE", EPIC

(13 NEW/24 CUME)...They've proven beyond a shadow of a doubt that they can mix it up with the big boys when it comes to hard drivin' rockers. With "Carrie" (which impacts the Trax chart at 85* this week) they show their ability to slow it down, diversify, change direction and still come up winners. This power ballad, a natural follow-up to the first two tracks, is off to a fine start as the current column now

stands at 24 thanks to this week's 13 new play locations (KUPD, WRKI, WHCN, WGTR, WIMZ, WOUR, KATP, WWWV, KSQY, KJOT, WXLN, KNCN, KZOQ). As WFYV and KRQU increase rotation, the Power/Heavy tally expands to 6, a strong indication of how this mutha's performing for those on it. Speaking of performance, Top 5 phones is already the case at KBPI, KILO and KRQU. And with over 30 stations actively considering, expect more great things from Europe in the weeks ahead.

PATTY SMYTH, "ISN'T IT ENOUGH", COLUMBIA

(12 NEW/21 CUME)...Can the format ever get enough of Patty Smyth? Our facts and figures respond with an emphatic "NO". "Isn't It Enough" blasts onto the Hot Trax 100 at 89* as fresh airplay is provided by KUPD, KMOD, DC101, WAQY, WPYX, WBYP, WIMZ, WKFM, WUVA, WWWV, KBAT and KRQU. Also included in Patty's 21 current mentions are WMMR, KLOS (Power), WLAV (Heavy), WTPA, KILO, WKLC, KATP and WWTR. As the LP maintains a strong hold at 49* National and 47* -Metro on the Album Action charts, the Considering Checklist uncovers 46 more taking a good long look 23 of which say they are close. It's never enough, never enough, never enough.

BUZZBANDS

The Most Talked About New/Developing Artists

JEFF PARIS, "SATURDAY NITE", MERCURY

#1 Buzzband honors go to Mr. Saturday Nite, Jeff Paris, and so do six of the heaviest call letters in the country. WBCN, KTXQ, KISS, WYNF, WDIZ and WHJY join WHEB, WIMZ, WLNZ, KMBY, KWIC, WDHA, WFYV, WKLC, KBER and KICT as "Saturday Nite" impacts the Hot Trax chart at 77*. With a 2 week cume of 31 (KNAC, WEZX, WLLZ, WMGM) and another 38 considering, KISS' Tom'T-Bone' Sheppke sums it up: "It's the most rockin' thing we've touched the needle to the groove to this week. It's a summertime rock & roll anthem that sums up a summertime Saturday Nite!!" With the smoke now clearing, this couldn't be more obvious...phone it in!

X, "4TH OF JULY", ELEKTRA

It finally seems that X has crossed over from Adventure Club land into the Rock Radio mainstream. The Buzz is awesome! WBRU's Alison Stewart tells it like it is: "I heard that people seem to have some problems with the new X song, the comments are 'it's too adventurous & too cult oriented'. Jesus, this song is as Americana as baseball, hot dogs, and dare I say it—the 4th of July! Neat harmonies, 6-string melodies and a healthy hook make a perfect package!" X doubles their cume as 15 hop on (KISS, KILO, WHJY, WCCC, WLIR, WRCN, WDHA, KFMG, WWZU, WHEB, WGIR, WYNF) pushing "4th of July" 96-72* Hot Trax, good enough for #3 Gainer honors. Let the fireworks begin!

THE SILENCERS, "PAINTED MOON", RCA

Coming off #1 Buzzband honors, The Silencers have caught many a programmers ear and it seems as if it's only a matter of time before these guys are a household word. Why, with comments like these...WIOT's Jim "Sleeper of the year" Steel...WXRT's Lin "Guaranteed smash by mid-July" Brehmer...WMGM's Al "Impressive debut" Branca...it won't be long! 10 commit to new airplay (KBPI, KRXQ, KRQU, WWZU, WMRY, WDHA, KGRQ, WBRU, WMGM) expanding the cume to 19. With 10 stations already reporting building status, and another 43 considering/12 close, The Silencers are about to be heard from!

JON ASTLEY, "JANE'S GETTING SERIOUS" ATLANTIC

Kudos to the entire Atlantic family for working their little "Astley's" off on this one. Radio has finally woken up and Jon has kicked in big time! That debut at #18 Most Requested is propelled by Top 5 phones at 9 (KDJK, KNCN, WBRU, WHEB, WMJY, WOOJ, WOUR, WXXP, WZEW) and that blistering 59-52* Trax leap is due in part to new activity at 13 (DC101, WLZR, KRXQ, WDIZ, WIXV, WRXK, KICT, WKLT, WEGR, KMBY, WKGR, KKDJ) and air updates at 5 (WCCC, WIOQ, WONE, WOUR, WWZU). Overwhelming Radio response has literally brought Jon back into the Buzzband fold, there were tons of raves this week, but WBRU's Alison Stewart clearly defines the situation: "He-he,ha-ha,ho-ho, I'm laughing because the Top 40 in our town is even on Jon Astley. It has the ability to be a mass appeal kinda thing. It's different, yeah, but people like different stuff. It's so different that it's parked itself in Top 5 phones since it went on the air!" The LP is our # 1 Metro Gainer: 43-40*; 39* National...Now that's serious!

IN VITRO, "MAN & WOMAN", MANHATTAN

Every once in a while, the voice of an angel calls, this time it calls in the name of Shandra Beri. Were not the only ones who think so...A quick glance at the checklist found nothing but positive feedback...WPLR's Christina calls it a "Masterpiece"...WTPA's Chris James thinks this could be "The sleeper of '87!"...WBCN's Carter Alan feels it's, "A great single!"...WKQQ's Stacy Yelton puts it simply, "Pure excellence"...and KFMQ's Joe Skare nails it: "Fresh & unique" KBCO, KFMH, KGRQ, WDHA and WZEW join the already playing WMGM, KBLE, WKLC and WHFS to give In Vitro quite an impressive start. If you're looking for a refreshing change of upper-demo pace, look no further!

PAUL JANZ, "ONE NIGHT (IS ALL IT TAKES)", A&M

Product overload has really been a thorn in this guys side as of late, but with the release load getting a bit leaner the time couldn't be more right for Paul Janz. Programmers sure love it...WQFM's Chip "Great Canadian rock" Hobart...WAPL's Garrett "It put a hook in me" Hart... KZOQ's Vern "Sleeper record of the year" Argo....and KRQU's Kevin "It's great" Lewis. Now on 12 (CFOX, CHEZ, CHOM, KATP, KBPI, KMBY, KRQU, WLAV) with WQFM, WLKC, KZOQ and WMJY new this week. One listen is all it takes.

THE BEARS, "FEAR IS NEVER BORING", PMRC/I.R.S

...Said the late man to the straight man...You can be guaranteed that any 25-pluser who was reared on early Genesis and Floyd was also hip to King Crimson, which leads us to The Bears. Fronted by ex-Crimson guitar virtuoso Adrian Belew, The Bears play it punchy and progressive, and manage it with a hot rock edge. Take a tip from CFNY's Don Berns, "Straight-ahead rock 'n roll with full production and Adrian Belew too, means you can be bullish with The Bears!"...New this week at WDHA, WOUR and KZEL, with KBCO, WXRT, KROQ, WHFS, CFNY and 91X already on.

ENVY, "AIN'T IT A SIN", ATCO

Considering all the raves that we've heard from those playing "Ain't It A Sin", it's surprising to us that more of you aren't doing the same. Witness these testimonials on the record's performance: Lenny Bloch, WRCN, sez "It continues to out-perform just about all of our other nighttime harder-edged tracks. These girls get down!"...Mike Ferris, WYBR, predicts "Envy have a long career in front of them. 'Ain't It A Sin' is a smoker. It only takes one listen"...Greg Mull, WRXK, advises "These girls can really rock. Put them on and give your audience the opportunity to experience Envy"...Kevin Lewis, KRQU, lauds "Their sound is refreshing and thus far the record is performing quite well"...It's currently on 36, is generating Top 5 phones at WAQY, is increased at WYBR, KNAC and WMJY, and improves 71-69* Trax. Don't commit a deadly sin. Play Envy!

TONIO K. "I'M SUPPOSED TO HAVE SEX WITH YOU", CHRYSALIS

Tonio K's latest installment of music with lunacy hails from the "Summer School" flick, directed by a lunatic in his own right, Carl Reiner, and starring Mark Harmon. There's a funky Peter Wolf-esque feel to this "Sex" with a compelling big bass groove. Toss in some crafty axe work courtesy of Mr. K, and this offbeat rocker may be just the stimulus to liven up those lazy summer evenings. Melodic horns and that get-down-beat add even more texture to this seductive little piece that simply is sex. A must for the Adventure Club! Already groovin' at WLIR, KROQ and WBAB.

ICICLE WORKS. "UNDERSTANDING JANE", BEGGARS BANQUET/RCA

This Liverpoolian band had a solid run at Album Radio a few years back with "From A Whisper To A Scream". And now, after graduating from the Budweiser Hall of Fame, they're coming right back at 'cha with yet another "Jane." This time around Icicle Works are high energized and guitar dominant, a departure from their previous efforts. The result is a power driven, frenzied rocker with melodic vocals and a rhythmic intensity that captures you for the duration. One good listen is all it takes!

BUILDERS

Displaying continued progress (Charts/Sales/Requests)

FLEETWOOD MAC. "ISN'T IT MIDNIGHT", WARNER BROS.

The latest emphasis cut to surface from the Mac camp is "Isn't It Midnight", new at 11 (KATT, KNCN, WZZO, WTUE, WRXK, WRFX, KWIC, WQBK, WFBQ, WIOQ, WOOJ), up at two (WQFM, WRUF) and now in Max/Heavy at 42 including KILO, KBCO, WQFM, KAZY, KFOG, KISS, WEBN, WCCC and WWDC. Moving 38-34* on the Hot Trax 100, the LP holds at #2 on both Album Action charts.

GREGG ALLMAN. "CAN'T KEEP RUNNING", EPIC

Plain and simple, Gregg's latest Lp just keeps on coming....WMGM's Al Branca sums it up: "Can't Keep Running"--another great, smooth-textured track from a superb album! With new adds at The Loop, WLNZ, KEZO, WKFM, KQWB, KRZQ, KPOI, WMGM, and WAQY, "Can't Keep Running" boogies 31-30* Hot Trax and is pulling Top 5 phones at WDHA, WORZ and KKFM...Depth with distinction.

BOSTON. "HOLLYANN", MCA

We saw 'em literally light up 82,000 at the Texas Jam, and once you witness the incredible fan reaction, you'll know why people are dying for tickets. With that in mind, "Hollyann" couldn't make more sense right now, as someone once said--Give the people what they want! Already on WWTR, WHJY, KUPD, WAAF, WFBQ, WHTQ, WWZU and WZXL.

WHITESNAKE. "HERE I GO AGAIN", GEFLEN

Boy, is this record on fire or what??? Now that the guys across the street are waking up to the Snake, "Here I Go Again" blasts 19-12* Hot Trax and 4-1 Most Requested, thanks in part to new life at seven (WEBN, WZZO, WSHE), increases at 17 (KOME, KQRS, KTXQ, WEGR, WRCN) and Top 5 phones at 53 (KAZY, KBPI, KISS, KLLOL, KOME, WDIZ, WQFM, KUPD). The Lp also cracks the Top 10: 10-9* National; 9* Metro. It couldn't of happened to a nicer guy!

SIMPLE MINDS. "IN THE CITY OF LIGHT", A&M

"Promised You A Miracle" leads the pack with seven new including WNEW, KEZO, WGIR, KQWB, KZEL, WHFS and WWZU swelling the come to 15 (CFOX, WHJY, WHTQ, WLIR,

WBRU). "Don't You Forget About Me" is on four with new life supplied by WHCN, while "Alive & Kicking" is on WQBK and WHTQ. Tear open that double-live CD package on your desk and sample the fruits of their labor...It's alive & kicking!

THE CULT. "UL' DEVIL", SIRE/WARNER BROS.

That 30-29* Hot Trax move is enforced by fresh play at eight (KSJO, WQFM, WRIF, WIYY, WIMZ, WTPA, WDIZ, WTCS) and increases at five (KNAC, KMOD, KQWB, WKFM, WYBR). With a come close to 100, The Cult continue to ignite the switchboards with Top 5 Phones at KLOL, KLAQ, KOZZ, WBRU, WFYV, WKLT and WTUE. Now in Max/Heavy at 27 (KTXQ, KISS, KLLOL, KNAC, KRQR, KRXQ, WAAF, WDVE, WNOR). Enlist now!

TOM KIMMEL. "THAT'S FREEDOM", MERCURY

If for no other reason than its holiday appeal, take WDVE, Anthony Alfonsi's advice: "That's Freedom" is a perfect add for the 4th of July, just around the corner. I really love the hook! Holiday or not, Tom Kimmel continues to raise radio's spirits. With new life at seven (WAAF, KSJO, WDVE, CFOX, WRFX, WMRY) and play ups at 20 (KLOS, KUPD, KRQR, KDJK, KLAQ, WWZU, WPYX, WFYV), "Freedom" rallies 28-25* Hot Trax. As 54 stations report building status, 11 more consider, 7 of which are close. The Lp Holds at 19* National; 22-21* Metro. Let Freedom ring!

ROGER DALTRY. "TAKE ME HOME", ATLANTIC

This week Roger takes seven (WXRT, KGON, WQFM, KPEZ, WBYR, WMGM, WLVQ, WHMD) lifting the now playing tally to 63 including WMMR, KBCO, KFOG, KSJO, WAAF, WNEW, WIOQ, WNOR, WRIF and KILO. As "Take Me Home" goes 46-45* Hot Trax, WMGM's Al Branca sums it up: "It took a couple of listens to sink in, but considering the caliber of this artist, it can't be overlooked!". Keep an eye on "Hearts" also, already on WXRK, KSHE, and WEQX. The Lp holds at 32* National; 29-28* Metro. Let's take it home!

INXS/JIMMY BARNES. "GOOD TIMES", ATLANTIC

The Inxs/Jimmy Barnes combo chalks up this weeks #1 play increase honors with 36 including KLOL, KOME, KSJO, KUPD, WKLS, WGTR, KEZE, KDJK, WRQK, WRCN and WDVE. Six new (WMMR, KEZO, WHTF, WRFX, WEQX, KGRG) motivate a 17-8* Hot Trax onslaught. With Top 5 phones at 25, and power/heavy play at 87, the OST debuts at 12* National, 11* Metro. Like KATP's Jack Randall sez: "This new INXS/Jimmy Barnes is going to be very big. No....it already is big!!"

NEIL YOUNG. "LONG WALK HOME", GEFLEN

Although it's a passive sounding record, it's quite active on the air. Witness the phone barrage (13-8 Most Requested, Top 5 phones at 20) and the radio raves....WBLM's Robin Mathieu states "Speaking of comebacks, Neil Young is our fifth most requested song. The old fans are much more receptive to 'Long Walk Home' than they were to last year's album." "Long Walk" struts 24-22* Hot Trax with six new (KRZQ, WHFS, WRFX, WKGR, WWTR, WZZO) and ten play ups (WIOQ, KISW, WBLM). Ya gotta walk it, like ya talk it!

ROCK & HYDE. "I WILL", CAPITOL

This week six say "I Will" (KQWB, WAQY, WHMD, WMRY, WWTR, WUVA) as Rock & Hyde motor 72-66* Trax. Three increase (WKLC, WBLM, WRUF) while 39 are now playing (WAAF, WOUR, KMOD, KICT, KATP, CFOX, KRQR, WPLR, WAQX, WDHA, CILQ). We look to WDHA's Mike Boyle for these words of wisdom: "Play Rock & Hyde....Say I will!" Ditto.

GARY MOORE. "WILD FRONTIER", VIRGIN

Ireland's guitar virtuoso delivers the double shot as "Wild Frontier" racks up five new (KNCN, KRXQ, KILO, WRXK, WWZU), lifting the now playing tally to an early 12 including KISS, KNAC, KATP, WMJY, WOOJ and KZEL. This week's checklist unveiled a whopping 60 (!) considering, 21 close. Give 'em Moore!

JOHN WAITE, "THESE TIMES ARE HARD FOR LOVERS", EMI

Many have expressed their belief that this record will be John's biggest before all is said and done, and the numbers support that claim. A 12-7* power cruise is fueled by new play at DC101, KEZO and WYBR combined with our third-ranked 26 increases (WSHE, WCCC, WLUP, WFBQ, WFYV, WHJY, WHEB, WOUR). Of the 156 now playing, 13 report Top 5 calls and a whopping 56 show Excellent/Good phones (for a 19-12 Most requested surge), 98 supply Max/Heavy exposure. The Lp debuts at 15* National; 13* Metro.

LITTLE STEVEN, "FREEDOM", MANHATTAN

Little Steven's "Freedom" rings at 17 so far (KFOG, WBYP, KLOL, WYNF, KATT, KBER, KZEL, KOZZ, WWZU) including newcomers WNEW, WMGM, KATP and WONE. As the follow-up debuts at 83*, programmers express themselves freely...Folks like Jon "Extremely powerful record" Russel, KFOG...Carter "An ace choice" Alan, WBCN...Catfish Phil "No compromise here" Colwart, WHMD...Tricia "Great message" Griffith, KBER...Steven "Very accessible" Paige, KOME...Paul "Intensity plus!" Feel free.

HEART, "WHO WILL YOU RUN TO", CAPITOL

On the heels of the week's top play-hike tally of 36 (WKLS, KGB, KUPD, KXRX, WSHE, KISS, WNEW, WNOR, WFYV, KLOS, WHCN) plus new play at KEZO and WTCS, "Who Will You Run To" sprints 9-5* Trax as the Lp holds at #3 on both Album Action charts. As eleven Top 5 phone locations motivate a Most Requested debut at #16, 66 stations rotate in Power; 48 spin Heavy.

THE OUTFIELD, "SINCE YOU'VE BEEN GONE", COLUMBIA

This standout sophomore effort from The Outfield is now a Top 10 record as our fifth best 21 play increases (KISS, WHEB, KLB, WOUR, WDIZ, WTUE, KPOI) combine with fresh spins at WGTR and KEZO to produce a 13-10* Trax trek. As the Lp upgrades 15-14* National, 13-12* Metro, 43 stations rotate in Power, 56 in Heavy, and 12 report Top 5 phones for a 15-11 Most Requested leap.

OMAR & THE HOWLERS, "HARD TIMES IN THE LAND OF PLENTY", COLUMBIA

While debuting at #17 Most Requested (with Top 5 calls at

11), "Hard Times..." picks up new spins at WRXL and KKFM, is increased at WRIF, WHCN, WHFS, WBYP, WMMR, WKLC, WHTF and 10 more, nurturing chart holds at 23* Trax, 16* National and Metro. Of 138 now playing, 10 are in Power and 38 more spin Heavy.

SUZANNE VEGA, "LUKA", A&M

Increased airplay at this report's fourth-best, 22 (KGB, WLUP, WBAB, WHCN, WRXK, WDIZ, WQMF, KLAQ) plus new play at KKFM combine to produce a 14-13* Trax surge, and a firm hold at 13* National. Meanwhile, a massive 32 Top 5 phone mentions keep "Luka" at #6 Most Requested. Of 136 now on it, it's currently Max/Heavy at 90.

TOM PETTY, "RUNAWAY TRAINS", MCA

Casey Jones would be proud of the speed with which Tom's newest smash has made it's way up the Trax chart. "Runaway Trains" boogies into the Top 5 as nine increase (KSHE, WFBQ, KGB, KMOD, WOUR, WRCN, WXLP, WWCT and WHTQ) and new play at WSHE jacks it 6-4*. As 111 spin Max/Heavy, and WYBR reports Top 5 phones, the Lp holds at #4 on both Album Action charts.

FIRE TOWN, "CARRY THE TORCH", ATLANTIC

This former #1 Buzzband is already on 43 including newcomers KMBY and WTPA; is increased at KXRX and WMJY; is currently enjoying Max/Heavy play at KFMH, KZEL, WMAD, WBRU, WIBA and KRNA; is generating Top 5 phones at WLZR; and elevates 62-60* Trax, 48-47* National. Meanwhile, look for more great things in the future as 39 consider, 14 close.

KEEL, "SOMEBODY'S WAITING", GOLD MOUNTAIN/MCA

WBCN, KAZY and KICT aren't waiting any longer, they've added the new Keel this week. Already spinning are WLLZ, WQFM, KISS, WHJY, WBYP, KUPD, WTPA, KEZE, KWIC, KILO, WEZX, WKLC, KNAC, KRNA and nine more. As "Somebody's Waiting" bolts 93-90* Trax, it's increased at KNAC, gets heavy play at WWZU and KNAC, and motivates Top 5 phones at KILO, KNAC and WWZU. Why wait?

BRUCE COCKBURN, "WAITING FOR A MIRACLE", GOLD CASTLE

Another victim of the recent product overload has been Bruce Cockburn. From its release, programmers have been full of positives, praising "Waiting For A Miracle's" upper-demo appeal. This is the week Bruce needed as majors WXRT and WBCN join WHTG, WKLC and WTOS bringing the now playing tally to 20 (KBCO, KBLE, KMMX, WHFS, WMAD, WQBK) as "Waiting" lifts 97-94* on the Hot Trax 100. Do yourself a favor, pull it out from the back of the stack and give it a good listen!

WAX TO WATCH!

DWEEZIL ZAPPA, "HAVIN' A BAD DAY", CHRYSALIS

All of Dweezil's major influences and inspirations are evident: Frank Zappa, Eddie Van Halen, Randy Rhoads, David Lee Roth and Steven Tyler. With Dweezil a VJ it appears he may have a head start, but he won't need it. Dweez has talent and precocious sophistication fusing together to produce a guitar virtuoso at the early age of 17. The lead off emphasis cut is "Electric Hoedown", an instrumental that "Sends country music to Mars". Fast and furious riffs explode on the blistering "You Can't Imagine", and "I Want A Yacht" is a hilarious Frank inspired tune with guest vocalist Bobcat Goldthwait. Making this project a total family affair, Dweezil's solo outing is supported by Sister Moon, guest vocals, and his old man who produced the Lp.

TIREZ TIREZ, "SOCIAL RESPONSIBILITY", P.M.R.C./I.R.S.

This Lp is Tirez Tirez's fifth release and their first on P.M.R.C. Lead by accomplished musician/songwriter Mikel Rouse, "Responsibility" is a collection of songs with complex uplifting melodies that draw on elements of dance music and folk rock. "Somebody Tell Me" is a fairly straight forward pop song. "In Your Own Back Yard" combines elements of XTC and King Crimson to create a cool smooth song with an edge. For those adventurous programmers, check out the Crimson--"Discipline" influenced "See My Problem" and "Paper Boy".

DIRT ALERT!

SEBASTIAN STEERS 'BMW' IN ECLECTIC/NEW AGE DIRECTION

Four years to the week after first announcing his unique Eclectic Oriented Rock (EOR) format (see this week's FMQB TIME SLIDE), veteran programmer John Sebastian has found a suitable vehicle to carry his innovative programming concept: Infinity's 'BMW', Washington. Sebastian has resigned as KDKB, Phoenix PD to get behind the wheel at 'BMW' as PD around July 6.

"This is a dream come true," he told FMQB. "I've been waiting since late 1982, almost five years now, to implement my original concept of an Eclectic New Age format on a radio station with a competitive signal and an aggressive marketing campaign. Mel Karmazin, Ken Stevens and Infinity Broadcasting have given me this opportunity. Further, Washington, DC may be the best market in the country for this atmospheric format. With the most recent wave of enthusiasm sweeping the country, it's certainly timely for me to be involved in this phenomenon which I helped to pioneer."

Sebastian is 'BMW's first PD. "We put the station on the air," explains 'BMW GM Ken Stevens, "without a Program Director for the purpose of attracting the best PD for the format, and I think we found that with John. We didn't take the station all the way, pending getting that PD who could come in and make it something special. 'BMW will continue to evolve with John, using a great deal of what he has been working on over the past several years."

Sebastian says 'BMW, which switched from Top 40 B106 to a 25+ "Adult Rock 'N Roll" format last month, will be "More familiar, more mass appeal and less instrumental" than The Wave (Metropolitan's KTWW), Los Angeles; considerably more mass appeal than Lee Abrams-consulted KLRS, San Jose; but more adventurous than KINK, Portland. We spoke with Sebastian and Stevens about some of the strategy and specifics behind 'BMW:

FORMAT/MUSIC

Sebastian: "There are two very important keys: One is the atmosphere that is this soothing, incredibly high level of musicianship that is created. Number two is the uniqueness of the music. You cannot hear this music on any other place on the dial. I've said for some time that the market is so wide open for this that you don't even have to do it right, you just have to do it and you'll succeed. I think the Wave is proving that. As far as some of the music being done, a lot of what is called New Age instrumental music will be a significant part of it. Kitaro, Vollenweider, a lot of the

Windham Hill artists, as well as cuts from very mainstream artists. Bernie Taupin has cuts off of his latest album, for instance. Danny Wilson will be on it immediately and China Crisis is a good example as well. It's a very eclectic mix of music. The new contemporary jazz will be a very significant part of it."

Stevens: "There's no question that John was there with the EOR format, and some people would say that it was ahead of its time, but everything that he'll be doing here in Washington is related to that original format that he developed four years ago. It's not the easiest music in the world to program, it takes a very sophisticated approach. I think John is one of the very few people in the country that can do it on a mass-appeal basis because of his unique background—from Top 40, to call-out researched AOR, to EOR. He's got the background that it takes to do this format in a way that makes the end-product more than just a cult-type approach. We have a simple goal of being No. 1 25-49 Adults, and you have to be pretty mass appeal to do that. We're going to be looking to be right on that fine line of new and challenging enough to be exciting, but at the same time, comfortable and familiar enough to be a primary choice radio station."

PERSONALITY/MORNINGS

Stevens: "Personality is a factor. The Wave doesn't use jocks, but a morning show and strong personalities in the other dayparts are important in our approach to it. We're close to settling in on an exact approach to mornings. It's a very special kind of morning show that is required by this format, and we very strongly believe that we need to score big in morning drive. I think Howard Stern is our secret weapon; our nuclear bomb which we won't drop unless we have to. There are a number of options available to us in morning drive and, yes, Howard is still one."

RESEARCH

Stevens: "We conducted extensive research that very strongly indicated a hole in the market format-wise, and a demand audience-wise for a different approach to AOR in the more adult sense, and to AC in the more hip sense."

BOLD MOVE FOR INFINITY?

Stevens: "I think it's an innovative move. But I think for the company that operates KROQ and WBCN and has Howard Stern doing morning drive simulcast in two markets, that it's not bold for us. Sometimes it's easier to try and do something completely unique than it is to try to get it to sound like everybody else, and beat them at their own game."

EMI AMERICA MERGES WITH MANHATTAN

As widely speculated, the EMI America and Manhattan labels have been merged to form a new company under the name EMI America/Manhattan Records. The combined label, headquartered in New York, will be helmed by new CEO Sal Licata. A marketing/sales/promotion vet, Licata will be leaving his post as President of RCA-A&M-Arista Distribution to join EMI/Manhattan. He has previously served as Exec VP/GM of Arista Records and as Prez of Chrysalis Records in the U.S. Licata reports directly to Capitol Industries-EMI Inc. Vice Chairman Joe Smith.

Bruce Lundvall, who piloted Manhattan Records, has assumed the position of President, EMI America/Manhattan Records reporting to Licata for the creative aspects of the company, with particular emphasis on A&R duties for both rosters and the Blue Note label. Jim Mazza, formerly President of the EMI America label, has resigned to pursue other interests.

"This is an extremely positive move," comments Smith. "Together, Licata and Lundvall form a strong team in both the creative and marketing fields. The new label will also have the advantage of a powerful combined artist roster as well as an effective marketing unit to promote and sell their product."

The label's promotion department will be directed by former Manhattan VP Promo Jack Satter who now holds the same title for the newly merged label. Reporting to Satter are: Director Nat'l Promo/East Coast Rich Tamburro and Director Nat'l Promo/West Coast Mark Kargol, who each held the same positions for Manhattan. Both will handle primarily Top 40 promotion, reporting to Satter. "For me this is a giant homecoming," said Satter, who served as Director Nat'l Singles Promo for EMI before joining Manhattan a year and a half ago. "I've dealt with all these artists--everyone from Bowie to John Waite to Corey Hart to Sheena Easton. It's very exciting for me because I can continue moving forward without missing a beat, so the transition is not really that difficult."

On the album front, former EMI Director Nat'l Lp Promo John Hey will relocate from L.A. to N.Y. for the same position with the merged label, reporting directly to Satter. "Being a Buffalo boy," he told FMQB, "I'm very excited to be making the move to New York City. The profile of the company looks extremely positive, the future looks bright, and we are committed to maintaining a significant presence within the North American marketplace." EMI Nat'l Album Promo Mgr Ken Benson continues in the same capacity for EMI/Manhattan, based in L.A., reporting to Hey.

EMI and Manhattan, who previously shared the same field promo staff, will continue to do so. The new company will retain a West Coast office, with a staff of A&R sales and promo people.

TONY BROOKS RESIGNS AS SANDUSKY RADIO PREZ, PLANS GROUP OWNERSHIP

After eight years with the company, six as President, Sandusky Radio Prez Tony Brooks has resigned to build or acquire another radio group in the near future. Brooks, who joined Sandusky as KBPI, Denver GM in '79, advancing to Prez two years later, told FMQB, "I can't make a lot of announcements yet, as there's still a couple of pieces that have to fall in place, but it will be fairly evident when I do make an announcement as to why we couldn't do it just yet. I've decided that it would be best for me to go ahead and try to do this from outside, since it's a little bit awkward to try

to put together something else and do it from the chair that I'm sitting in now." Brooks says his new radio division will be Denver headquartered. Some speculate that the new venture will be aligned with another major broadcast group that currently doesn't have a commitment to radio.

Sandusky Chairman Dudley White will temporarily take over the responsibilities for the radio division, with a replacement expected no sooner than late August. Norman Rau, VP/GM at Sandusky's KEGL, Dallas, and White's nephew, is said to be a candidate for the job.

COOPER CROSSES TO WPYX AS ASST PD/MD/PM DRIVE

WQBK, Albany PD John Cooper has joined arch rival WPYX as Asst PD/MD/afternoon driver, replacing Andi Turco who exits after six years with the station and is expected to announce plans soon. 'PYX PD Ed Levine, who's known Cooper since college, praised him for his "great set of ears and great business sense." He told Dr. Dirt, "I've had tremendous respect for John all through the years, and when I came here it was always in the back of my mind that getting him over here would be a real coup for 'PYX, but I didn't know how realistic that was. We've been talking for months now and were finally able to put the deal together. John is universally respected by the record community, so now they can breathe a sigh of relief that they don't have to deal with me any longer."

Cooper, who joined 'QBK for part-time work in '77, graduating to full-time and MD in '78 and to PD in '80, told FMQB, "The combination of Ed and I will just destroy the rest of the town. When Ed originally came to town I thought that was the right move for 'PYX. I'm real happy that he and I were able to sit down and talk about radio--where it's going--and were able to work something out that's to the benefit of both of us."

Cooper joins 'PYX as the station notches a 17.6 in the April/May Birch, the highest share in the history of the market. 'QBK, who have suffered declining ratings, are rumored to be contemplating a format change, after thirteen years as an AOR.

DIRTY SHORTS

Six year CHOM-FM, Montreal PD Rob Braide joins crosstown CJAD/CJFM as GM. An 8 year CHOM vet who worked his way up from all night jock to PD, Rob told us, "It's a monstrous challenge. You can take a conservative approach or you can decide to take the fast track. Better life in the fast lane than on the service road. I've got some remarkable support here. They're highly successful, and financially they can't be stopped in the marketplace. I look forward to taking my skills in people management and applying them to a bigger picture". Meanwhile, CHOM Creative Director Ian Mac Lean is informally looking after day to day programming activities, until Rob's successor is named. Look for a replacement to come from within the CHUM Group of stations.

With John Sebastian motoring to Washington's WBMW, a prime PD position is open in Phoenix at Sandusky's KDKB. GM Chuck Artigue is in an interviewing process for the job, telling FMQB, "I've had a number of calls from people but the most important thing I've not yet found, and that is that I want to continue to develop the format along the lines that John has charted it on. A lot of people have called and said, 'Gee, Chuck give me some time and I can turn the station around for you', but that's not what I'm interested in doing. However, I'm not looking for a Sebastian clone. Rather, someone who has the background, wisdom, intelligence and dedication for the job." Artigue is still open to hearing from interested candidates, and wishes "all the best to John who now has the chance to fly an airplane that he designed."

Congratulations to KBCO, Boulder which just celebrated its 10th birthday. In conjunction with the event they asked listeners to send in cards and those who came up with the most creative cards had a chance at winning a Sony portable CD player. This entry is certainly a sure "shot" to be a winner as this daring listener wished KBCO a happy birthday from 10,000 feet. And we all thought KBCO listeners were down to earth. Here's to another ten years of great music from KBCO!

CFNY ROCKS THE CASBYS

Thanks to CFNY Asst. PD/MD Don Berns, who wrote and contributed the following Dirt bit:

The 1987 CASBY (Canadian Artists Selected By You) Awards were presented over a two-day period last week at the Metro Toronto Convention Centre. The only Canadian People's Choice Awards, the CASBY's evolved from the CFNY U-KNOW's some eight years ago. Awards are determined through a double balloting system in newspapers and magazines throughout Canada. In a show MC'd by actor/comedian Sean Thompson (The Guiding Light) and featuring the CASBY Modern Music Orchestra under the direction of Dominic Troiano, the big winners were The Parachute Club (Best Group and Album Of The Year); Luba (Best Female Vocalist and Single Of The Year); Pursuit Of Happiness (Most Promising Group and Best Independent Video); and Rock & Hyde (Engineer, Producer and Video Of The Year). Also picking up awards were newly signed Virgin artist Colin James (Most Promising Artist); Corey Hart (Best Male Vocalist); Skinny Puppy (Best Album Art); and Paul Simon (International Album Of The Year).

The second night's festivities featured twelve bands performing and a host of comedic talents in the CASBY Music Showcase, which will be shown coast-to-coast on network TV, with a coast-to-coast radio simulcast as well, in the fall. Performers included this year's winners: Colin James, Luba, Pursuit Of Happiness and Billy Newton-Davis; previous winners Bruce Cockburn, Images In Vogue, and Carole Pope; nominees Eight Seconds and The Box, and special guests QMD, XTC, and The Fixx. The showcase was hosted by Dave Thomas (SCTV) with appearances by Paul Shaffer, Fred Willard, Don Pardo, Jan Hooks (Saturday Night Live), Dean Devlin (Hard Copy) and Susan Rattan (LA Law). Obviously, with this line-up the two nights were spectacular, even though there were a couple of minor glitches. The overall feeling however amongst the artists in attendance was that this year's festivities were not only the best ever, but also make the CASBY's as viable in terms of recognition as the JUNOS.

GOETZ CONFESSES!

By RICHARD STEUER,
SONIA REYES
& TIM McDARRAH
A NEW side of subway
gunman Bernhard Goetz
emerged yesterday —
he's a Dead Head.

Goetz briefly came
out of his self-imposed
seclusion in his 14th
Street apartment to
ask a reporter for the
new Grateful Dead
album, "In the Dark."

The album, which in-
cludes the hit single
and video "Touch of
Grey," is scheduled to
hit the stores this week.

The Grateful Dead
are famous for free-
form jams incorporat-
ing jazz rhythms and
long drum and guitar
solos, as well as
lengthy live concerts.

Fans of the rock band
— called Dead H ads —
are known for their cult-
like worship of the group,
which has survived for
more than 20 years.

Goetz, 38, has refused

I'M 'DEAD HEAD' & WANT LP

to speak to reporters
and has not left his
apartment building
since his acquittal on
12 attempted-murder
and other charges —
and conviction on a
weapon possession
charge — last Tuesday.

Earlier yesterday
Goetz went to the lobby
to get the Sunday papers
and some messages.
Building superintendent

Agustin Barquet
told The Post that
Goetz said he was
"waiting for the press
to go away."

Newspaper, TV and
radio reporters from
around the country
have been camped out-
side his building 24
hours a day since the
verdict was announced,
waiting for Goetz to
give his impressions of

the trial.

Goetz also told Bar-
quet he was anxious for
the building's central
air conditioning sys-
tem to be fixed.

Then, at about 2:15
p.m., Goetz appeared
on his terrace, which
faces W. 14th Street,
and aimed a movie or
video camera down at
a Post reporter and a
wire service reporter.

Goetz began playing
peek-a-boo, sticking his
head out and pulling it
back in over and over
again.

Finally, Goetz agreed
to talk on the phone.

When asked what he
was doing to pass the
time, he said, "Does it
matter?"

Then he said The
Post was "pretty slick"
in snapping the only
photo of him in seclu-
sion — taken from a
building across the
street. It appeared in
last Friday's edition.

Bernie breaks his silence. Says he'll kill for the new Dead album.

E. PLURIBUS DIRT

By now nearly everyone's heard about the earthquake that rocked at least fifteen central U.S. states and parts of Canada on June 10. But perhaps most of you haven't yet heard what some say was the cause of all the rumblings. At 7:50 that evening, WRIF, Detroit night personality Steve "The Kid" Kostan was rockin' the Motor City with Bob Seger's "Shakedown", when suddenly things began to literally shake. "I felt my chair kind of shaking and the microphone was sort of wobbling," Kostan told the local press. "I said, 'Can this song really be that good?'" Kostan and 'RIF got tons of coverage on the incident, including a front-page article in The Detroit Free Press.

WLIR, Long Island Asst PD/MD Larry "The Duck" Dunn informs us that during a recent phoner with Police guitarist Andy Summers, Andy told him that he can no longer see the Police working together again. In more news from 'LIR, "Animal Magic", a movie about Capitol recording artist Belouis Some, which premiered on MTV the night of June 18, features segments shot at the WLIR studios, with appearances by The Duck, PD Denis McNamara and personality Malibu Sue. The movie will air again on Sunday, July 26 at 10:00PM.

A New Age Contemporary 24-hour format is now being made available through a new satellite service called Progressive Music Network. If you would like more information, contact Terry Randolph at 612-920-3830.

Arnold Freedman Management, Inc. is opening new offices at South Park, Suite 216, U.S. Route One, Walpole, MA 02081. Phone: 617-660-1233.

VINYL TAP

Neshui Ertegun, founder and Chairman for Warner/Elektra/Asylum International, has resigned, and is replaced by Vice Chairman Ramon Lopez, effective July 1. Ertegun, who founded WEA International in 1970 for the purpose of developing Warner Communications Inc. labels overseas, has signed a new five-year contract to continue his association with WCI and will head up various special projects. He also retains his position as President of the international recording industry association IFPI. Lopez, in addition to his Vice Chairman position, has served as co-CEO for WEA with

Ertegun since joining the company in 1985. He has also worked in executive positions for Polygram and EMI prior to his tenure with WEA. Ertegun's duties under the new WCI contract are said to include "exploring the prospects for the creation of a new record label, assist the WCI Record Group in realizing and maximizing the values of their back catalogs," and more, according to WCI Executive VP Robert Morgado.

Polygram has elevated Don Coddington from Local Promo rep in the Carolinas to Seattle Local Promotion Manager. Don has been with Polygram since March of 1984, when he served as a merchandising/sales specialist in the Boston branch, until being promoted to his former position in June 1986. Taking over for Coddington in the Carolinas is Joe Riccitielli, who had been serving as the label's College Promo Manager since September 1986. Riccitielli joined the label in April 1985 as an advertising clerk. Both he and Coddington began their careers with Polygram as interns while in college. Concurrently, the label has named Chris Lopes as Manager, College Promotion. Lopes' career began in 1985 as an A&R intern with Sid Bernstein's New York Music Company. He has also managed a number of developing New York area bands and served in the sales division of Columbia Artists Management, Inc.

Rachel Matthews, a former buyer for Wherehouse Entertainment, has joined Capitol Records as an A&R Representative, West Coast.

Blake Gumprecht has joined Alligator Records and will handle AOR promo and advertising responsibilities. Gumprecht comes to Alligator after having served with Twintone Records.

Former MTV Networks Administrative Asst./Creative Services, Andy Zipfel, has joined Quantum Media and will report directly to Quantum Executive VP Les Garland.

RADIO ACTION:

JOHN SEBASTIAN: My new format, Eclectic Oriented Rock, (EOR) pays tribute to STEELY DAN and will use them and other artists like ALAN PARSONS as the epitome of the music we play on EOR stations. I've spent more than nine months putting this new format together. I've done focus groups at my own expense to find questions and answers and to validate my hypotheses; and boy! has it been validated. The 25-40 year old male rock listeners in this country have been left out in the cold up until now. They are tired of Top 40, AOR is too hard, soft rock is too soft, progressive radio is too off the wall. In my research, this group has confirmed that they are crying out for such a format as EOR!!

WSKS, CINCINNATI, MARTY BENDER: So here it is, plain and simple. Take the needle off that new goofy synthesizer song, throw down this paper, get up off your ass and go see STEVIE RAY VAUGHAN. There will be absolutely no excuses...My favorite line of the year comes from DFX2, first song, side two: "I'm Gonna Rock 'Til I Fall Down". This business would be all the better if we lived by this painful philosophy.

KGB, SAN DIEGO, TED EDWARDS: A few folks have insinuated to me in the last few weeks that they felt Ex-Sebastian M.D.'s had so much SHOOTING STAR jammed down their throats that they couldn't get them to seriously consider their new release. If that's a fact, it's only their loss because these guys make hit music and not just in the call-out sense. This band has sold a half million records. How many critically acclaimed bands have ever come close to that kind of sales through their first three releases???

WDHA, NORTH JERSEY, MARK CHERNOFF: My idol, NY Yankee BOBBY MURCER, spent an hour on the air with me talking about his new record and his days with the Yankees. Thanks to JIM DELBALZO for setting it up. Now, do I get the tickets for Bobby Murcer Day in August at Yankee Stadium??

WWTR, OCEAN CITY, BRIAN KRYSZ: This past weekend, I had the chance to meet two of the nicest people I've ever met in rock 'n roll: STEVIE NICKS is not only beautiful, but a tremendous individual who took the time to speak to everyone backstage. The same goes for RICK SPRINGFIELD, who also took the time to speak to every pre-pubescent co-ed that didn't pass out at his mere presence. Rick and I have a lot in common that way!

WHCN, HARTFORD, BOB BITTENS: If you're looking for another BOWIE song, it may interest you to know that we're getting good reaction to "Ricochet". David starts his American Tour here in Hartford on July 15th. That show sold out in just a few hours and a second date on the 16th is well on it's way to doing the same.

RECORD ACTION:

MIKE BONE, ELEKTRA: With all the tiring dialogue about "Is MTV Racist" coming from the Album Rock Community, I feel I must make a point. I don't think it's quite fair for any Album Rock Programmer or Consultant who is not playing or has not played MICHAEL JACKSON, PRINCE, JOAN ARMATRADING, or JON BUTCHER AXIS, etc. to say anything negative about MTV. Further, do you have a black announcer on your staff...MTV does...Album radio should clean up it's own backyard first!

JOHN BRODEY, NETWORK: I must put to rest the widely circulated rumor that I left the country in disgust over the refusal of Playgirl Magazine to publish a certain nude promotional picture taken at my tenure at a prominent Northeast radio station, only to see a highly censored copy of it published in an industry newspaper; not true!

HARVEY LEEDS, EPIC: New York, New York! Big city of dreams. Welcome to New York Tower Records. Good party. Great store. If you're in NYC you owe it to yourself to visit the world's largest record store. Do it today! Doot Doot.

ROBYN KRAVITZ, ELEKTRA: Each week we write comments to our industries and when someone responds, you know people are really reading them. SKY DANIELS, one of our most read and heard from Music Directors, called a spade a spade. I for one, do NOT think Album Radio is pathetic. I've been getting the opportunity to get out on the road and have been hearing some great Album Radio Stations. Most recently, DRAKE HALL has been named as the best. I really look forward to coming to Chicago in the next few weeks, Sky, to hear you. From everything I've heard, you too are one of the best!

SEAN COAKLEY, ATCO: LARRY BRUCE will not rest until GOANNA is #1 in San Diego, which shouldn't be too distant as the record is already in the Top 15. I hope the powers that be have the good sense to give MICHELLE ROBINSON SAYRE a shot at programming KLOL. She's got the skills to program anywhere and they'd be foolish to pass her by. Besides, it's rather sickening to consider how few women hold Radio Programming jobs. Are most G.M.'s Republican? Or what? Let's get current!

UP CLOSE!

UP CLOSE! WITH MARKO BABINEAU/GEFFEN DIRECTOR NATIONAL ALBUM PROMO.

TRACE YOUR CAREER PATH.

There I was in Boston, just another drummer in another Boston band trying to get a label deal. A good friend of mine tipped me off to a job in the warehouse of Music Merchant, a local Boston distributor. He thought I could work my way up and possibly get my band signed. That was my original intention. I started off in the warehouse

picking records and

sweeping floors. After about a year of that, I ran Music Sales One Stop for a good year and a half. Clive Davis became aware of me and wanted to create a marketing department. I became Arista's test tube baby for marketing out in Boston. I worked for Arista for about a year and Clive decided I belonged in promotion. He moved me to Chicago where I did local promotion for a total of three weeks. From that point, they decided to create an album department and made me Midwest Regional Album Director. I did that for about a year and a half and it was time for another job move. Harold Childs hired me for National Album Promotion at A&M, under Heavy Lenny out of Chicago. I did that for a year and then Harold moved me to the west coast to take over the whole album department for A&M. I was National Album Director for A&M out of L.A. for about 3 and half years. Then along came David Geffen and he said, "you're mine!" At that point, I went over to the David Geffen Company where I have been the head of the AOR Rock Department for roughly three and half years and still going strong. And by the way, I'm still drumming if there are any great bands out there looking for a killer drummer!

WHO WERE THE THREE MOST INFLUENTIAL PEOPLE IN YOUR CAREER?

I would have to say number one, Howie Ring. Howie Ring owned and ran Music Merchant Distributing out of Boston. That man really taught me the ropes and what this industry was made up of. He was definitely the first most influential person in my life in the record industry and the spirit of Howie Ring lives on.

Second, hands down, would have to be Harold Childs from my A&M days because Harold not only saw my intentions as a promotion man, but promoted me to a position he created in the Midwest for me and then had the support and strength to move me to L.A. and let me head up the Album Promotion Department for A&M. He really taught me how to be an executive. I really have to tip my hat to Harold and a large part of my career goes to him.

Third, and not least, I must admit, Colleen my darling wife

that I've been married to for fourteen years now has been the backbone behind me throughout my whole career. I couldn't exaggerate it enough. It's very true, behind every great man is a great woman. She has gone beyond that.

WHAT ARE THE 5 MOST INFLUENTIAL BANDS OF THE 80'S?

I'd have to say it's U2, Peter Gabriel, The Cult, INXS and Fabulous Thunderbirds.

WHAT WERE THE 5 MOST OVERLOOKED BANDS OF THE 80'S?

Chris Isaak, The Call, Gene Loves Jezebel, World Party and Siouxsie And The Banshees.

WHAT ARE YOUR FAVORITE LEISURE TIME ACTIVITIES?

Drumming, deep sea diving, fishing and dog handling (no pun intended!).

WHAT WAS THE LAST BOOK YOU READ?

The Power Of Your Subconscious Mind by Dr. Joseph Murphy.

WHERE WERE YOU AND WHAT WERE YOU DOING DURING THE SUMMER OF LOVE?

In '67 I was hanging at the Boston Tea Party where I saw the ultimate psychedelic bands before anyone knew who they were and I saw the likes of The Who, Led Zeppelin, Jimi Hendrix, The Doors, Jethro Tull, Grand Funk Railroad, Santana, Joe Cocker, Bloodwyn Pig, King Crimson to name a few. The uniform garb was tie-dyed t-shirts and frayed bellbottom jeans, fully stacked with patches. And let's not forget the moccasins!

WHAT'S HOT AND WHAT'S NOT?

What's hot: Carphones

What's not: Speakerphones

WHAT ADVICE DO YOU HAVE FOR THE "OTHER" SIDE?

Being the leaders of hard rock at this time, it's time for programmers not to let rock and roll run amuck on their stations, but to open up the daypart headache that record companies are faced with right now. I call that the 80's station wall.

ROCK OVER LONDON PLAYLIST

Show airing internationally in the week of July 5.

DAVID BOWIE/"GIRLS" (EMI AMERICA)

DAVID wrote this song for TINA TURNER's "Break Every Rule" album...his version isn't on any album but it is our lead track on ROL this week.

ANDY SUMMERS/"EYES OF A STRANGER" (MCA)

From an album that AOR radio in particular is going to love...SUMMERS in strong vocal and guitar form.

FM/"LET LOVE BE THE LEADER" (EPIC)

You might know them as FM UK...each of their releases makes more of an impression and this is a solid rock radio record.

MARILLION/"JUST FOR THE RECORD" (EMI)

The fifth MARILLION album, another guaranteed monster, and this is one of the most playable tracks on it.

TWO NATIONS/"THAT'S THE WAY IT FEELS" (TEN)

One of the many excellent new bands we've been championing on ROL this year, featuring DAVE WRIGHT, once of THE BEAT...this is a persuasive ballad from their forthcoming debut LP "Both Sides" and they're also our interview guest this week.

THE ROCK OVER LONDON TOP 5

- 1 (3) JOHN FARNHAM/"You're The Voice" (RCA)
- 2 (1) ABC/"When Smokey Sings" (Neutron/Phonogram)
- 3 (-) CURIOSITY KILLED THE CAT/"Misfit" (Mercury/Phonogram)
- 4 (4) SIMPLE MINDS/"Promised You A Miracle LIVE" (Virgin)
- 5 (-) BROKEN ENGLISH/"Comin' On Strong" (EMI)

The rock request this week is for the many ROL listeners who fondly remember the band MODERN ENGLISH and their radio hit "I Melt With You".

Those superstars are getting everywhere: following their triumphant appearances at the recent Prince's Trust concerts at Wembley Arena, GEORGE HARRISON, ERIC CLAPTON, and ELTON JOHN turned up, of all places, at the English county cricket match last week between Worcestershire and Leicestershire. Large sections of the crowd suddenly lost all interest in the cricket and swarmed round the trio for autographs. All three claimed they were only there for the sport and had no other reason for getting together...but we do know, of course, that both ELTON and ERIC are playing on GEORGE's forthcoming album.

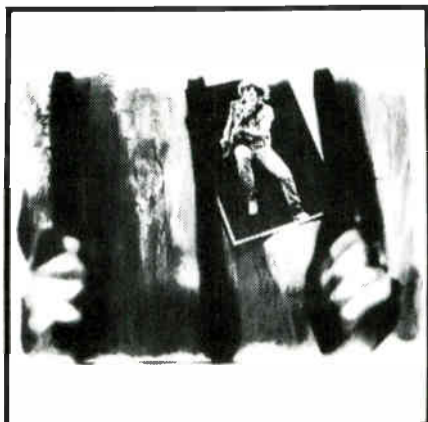

No funny business with the title of the forthcoming LP by ECHO AND THE BUNNYMEN - we hear it's called "Echo And The Bunnymen"...meanwhile their single "The Game", one of the band's best in our opinion, has already faltered in the national chart and fallen short of the ROL Top Five.

That PETROL EMOTION have another try at achieving their first major single success with "Swamp", just out from the "Babble" LP in remixed form, with a cover of HAMILTON BOHANNON's club hit "Dance Your Ass Off" on the b side. They follow it up with tour dates in Italy, Finland and Sweden in July with a single New York appearance at the New Music Seminar on the 14th.

Also just out in Britain: BANANARAMA's "I Heard A Rumour" from the FAT BOYS movie "Disorderlies" (they're currently recording their next LP for release at the end of August) and THE CURE single "Catch", which features two new tracks on the flip: "Breathe" and "A Chain of Flowers". They begin their North American tour next month.

As we highlight the MARILLION LP on this week's show, there's news that the follow-up single to "Incommunicado" from the album will be "Sugar Mice", out in Britain on July 13.

BLACK, the A&M signings who impressed with their independent release "Wonderful Life" last year, have an atmospheric new single called "Sweetest Smile" just out and their first album will follow in the autumn.

The sixth edition of the "Guinness Book Of British Hit Singles", the UK chart buff's bible and our version of JOEL WHITBURN, is published this weekend with the usual information about some 12,000 hits dating back to when British singles charts began in November 1952.

"Sgt. Pepper" was unable to sustain its incredible revival in the UK album chart last week, falling back from three to six after its 94-place climb the previous week. The two top in the chart were hanging tough, by WHITNEY HOUSTON and SIMPLE MINDS - the MINDS' double live set continuing to sell like crazy in spite of the fact that the limited edition gatefold sleeve, glossy booklet version has now sold out, leaving a comparatively modest edition in the shops. U2's "The Joshua Tree" climbed back from four to three as their tour stormed Britain. The only other serious movement in the Top Ten came from the "Friends And Lovers" compilation which jumped from 23 to 10. We're not sure if this is a first, but there wasn't a single new entry in the Top 60 of the chart - in fact the highest debutant was actually a re-entry, LUTHER VANDROSS' "Never Too Much" at 64, and would you believe the next highest entry was by MARIA CALLAS at 66.

Former independent band PRIMAL SCREAM have made their major label debut on WEA with a strong, Beatlesque single called "Gentle Tuesday"...BEGGARS BANQUET'S FLESH FOR LULU have a new single out on July 6 called "Postcard From Paradise" and it has distinct chart possibilities with even a Bono-ish vocal in places.

Then JERICO, who've recently been touring in Japan, are the support act on IGGY POP's current tour and have a new single out on June 29 entitled "The Motive".

SHOXSIE AND THE BANSHEES' new single will be "Song From The Edge Of The World", out on July 13. They've recently been in the US finishing it and they play two UK dates in July, including one at the unlikely setting of Plymouth Argyle Football Club on July 18.

BARCLAY JAMES HARVEST have a live album due in October - the title will be "East/West"...TOYAH's new single from the "Desire" album is "Moonlight Dancing".

THIS WAY UP, the new band we mentioned recently formed by CULTURE CLUB's ROY HAY, are about to make their singles debut with a classy, soulful song called "Tell Me Why", out on July 6. The vocalist in the band is an unknown 21-year-old Glaswegian called ROBINSON REID. HAY produced the 45 and the pair co-wrote it; the b-side "Move On Up To Heaven" was written by HAY and MICHAEL RILEY of the reggae band STEEL PULSE.

Island Records hold their official 25th anniversary bash at Pinewood film studios on July 4. Highlight of the evening will

be an Island all-stars concert which will be transmitted live to European TV between 10pm and 1am. The U2 slot will be pre-recorded, but among those scheduled to appear live are ROBERT PALMER, JULIAN COPE and one of our favourite new bands to emerge this year, THE CHRISTIANS.

There are a number of people who think the STRANGLERS don't get the airplay they deserve, but DJ CHRIS LOWE from Signal Radio up in Wolverhampton has always given them his hearty support. In fact, his evening shift was always peppered with the odd record from HUGH AND THE LADS until one night he decided to play an hour long STRANGLERS special including the song "Ugly", banned by stations for its dubious lyrics...he was promptly asked to relinquish his post, which he did - but not before he'd departed in style with a final show featuring three hours of non-stop STRANGLERS during which his studio guest was singer and bass player, JEAN-JACQUES BURNEL.

BIG COUNTRY came out of their temporary retirement to support DAVID BOWIE on four of his UK dates. Since their tour late last year, BIG COUNTRY have been working on their next album.

After watching two weeks of independent television's new music show The Roxy, we have to admit that we still remain unexcited. Like its BBC rival Top Of The Pops, the format still favours white top 40 acts and the presentation is attractive but unoriginal. There were the inevitable teething problems in the first show, mainly to do with the sound quality, but by last week these had been ironed out and everything went smoothly with a brief moment of unconventionality as co-presenter KEVIN SHARKEY made a joke about one of his former careers as a centrefold model, which had been discovered and exposed by the popular press a few days earlier.

Phonogram are filling in the gap between MISSION records with a MISSION record - an album of early material called "The First Chapter" comes out next month with rare recordings and unusual covers like NEIL YOUNG's "Like A Hurricane" and PATTI SMITH's "Dancin Barefoot" - all songs were produced by the group. The MISSION will premier their new material at the Reading Festival at the end of August when it is rumoured that ex-Led Zep JOHN PAUL JONES (recently involved in BEN E. KING's new album) could appear on stage with them.

It looks like "Throwing It All Away" isn't going to prove an automatic hit for GENESIS in the UK - it made its chart debut at a relatively low #46. Their extra show at Wembley Stadium on July 3 isn't selling as fast as expected either...advertisements in the music press indicate that tickets are still available on this date although July 1, 2, and 4 are totally sold out.

Twenty-five thousand people have so far signed a petition protesting at the threatened closure of the Birmingham Odeon, one of the city's major music venues. When other lists are taken into account the figure is expected to be much higher. Among those who've already signed are TINA TURNER, MEAT LOAF and SIMPLY RED who have all appeared there over the years...the last scheduled show at the Odeon is GO WEST on July 2.

ROCK REPORT

AFTER AN EXTENSIVE SEARCH FOR THE RIGHT PROJECT, it seems MICK JAGGER and DAVID BOWIE have finally landed upon a movie script to their liking. Titled "ROCKET BOYS", the film is set in the future and pits Bowie and Jagger against one another in the roles of rival nightclub owners. Naturally, no one can say when this epic will go before the cameras as both Bowie and Jagger are in the midst of either touring or

recording. David, as you know, is on the road with his Glass Spiders tour and Mick is currently in Los Angeles putting the finishing touches on his second solo album. Jagger plans to tour in the fall with JEFF BECK lending a hand on guitar. When schedules permit, which probably won't be until 1988, lensing will begin.

SEEMS MANY ROCK PERSONALITIES ARE ANXIOUS TO JUMP

on to the silver screen as witnessed by the recent appearances by TOM WAITS (DOWN BY LAW), MADONNA and PRINCE to name but a few. Now TOM PETTY, NEIL YOUNG and RIC OCASEK are getting their chance in the forthcoming ALAN RANDOLPH flick "MADE IN HEAVEN." The picture stars TIMOTHY HUTTON and KELLY MCGILLIS and should be released by the end of summer. According to Petty, his character is a low-down and dirty fellow named "STANGY", who manages a pool hall in Hell. Young and Ocasek portray similar roles on the opposite side of Heaven. Keeping with the Heaven and Hell theme, another summer film starring rock notables is "STRAIGHT TO HELL", which features ex-CLASH man JOE STRUMMER, ELVIS COSTELLO, GRACE JONES and DENNIS HOPPER in a comedy spoof on westerns. This Island Pictures release is due sometime in August.

DAVE MASON IS GEARING UP to release his first record in five years and he's getting a little help from former TRAFFIC bandmate, STEVE WINWOOD. This marks the first time they have recorded together in more than 15 years with their last collaborative effort being "WELCOME TO THE CANTEEN", the live Traffic record. Mason's album is called "TWO HEARTS" and will be released on Voyager Records, distributed by MCA, in September. Winwood contributes his unmistakable keyboard sounds to two tracks. PHOEBE SNOW also makes an appearance on the disc as do other notables. Look for Mason to hit the road this fall in support of "Two Hearts".

ROBERT PALMER, WHO HAD ORIGINALLY PLANNED to join LITTLE FEAT in the studio and on the road, has nixed that plan due to the publicity surrounding it. Instead, he has devoted his time and talents to helping out other artists. Among those are the C.S. ANGELS (formerly known as THE COMSAT ANGELS) who gets some production help from Robert on a track called "YOU'LL NEVER KNOW" which is slated to appear on the band's forthcoming Island release "CHASING SHADOWS". Palmer also has been in the studio with Canadian HUGH MARSH handling vocals on three of the tracks on his soon to be released Lp, "SHAKING THE PUMPKIN". Among the tracks Palmer sings is a version of JIMI HENDRIX's "PURPLE HAZE".

FRANK ZAPPA HAS FORMED HIS OWN VIDEO COMPANY aptly named HONKER HOME VIDEO. He plans to utilize this company as a vehicle to release his movies and video compilations. The first is due in September and it is "BABY

SNAKES - THE COMPLETE VERSION". The 1979 film combines concert footage with claymation which, according to those who have seen it, looks like someone's bad acid trip. Zappa has spiced the home release with added concert footage making the total running time 3 hours. This gem can be yours for \$79.95. Also expect "VIDEO FROM HELL", a collection of clips and "THE TRUE STORY OF 200 MOTELS". This is the reworked version of the making of that 1970 film of the same name. All of the above releases will be uncensored, and to make sure no one is offended by the contents, Zappa is including a pair of NO-D glasses in every tape. In other Zappa news, Ryko Disc is planning to release "JOE'S GARAGE ACTS I, II & III" on compact disc (a two disc set) on September 1.

ALRIGHT BEACH BUNNIES THIS STORY IS FOR YOU. The (much anticipated?) return of FRANKIE AVALON and ANNETTE FUNICELLO is in full swing with the dynamic duo set to star in "BACK TO THE BEACH". What should be interesting is the soundtrack that will accompany this piece of cinema verite; BRIAN WILSON with New York rappers, THE FAT BOYS, doing a ditty called "LET'S GO TO HEAVEN IN MY CAR". Surf guitarist DICK DALE with STEVIE RAY VAUGHAN, Annette and FISHBONE on a remake of the classic "PIPELINE" and, get this, PEEWEE HERMAN doing a version of "THE TRASHMEN'S SURFIN' BIRD". GARY USHER is the man handling the production for the soundtrack to this movie which will be out by the end of the summer.

LOOK FOR A LIVE EURYTHMICS record sometime this fall. DAVID STEWART and ANNIE LENNOX are currently in their London studio going over tracks that were recorded from their last U.S. tour. No word yet on what will be included but as soon as we know we'll pass it on.

TERRY MARSHALL'S DAILY INSIDER, 708 Cole Street, San Francisco, CA 94117... (415) 564-5800

BILLY IDOL: Billy Idol, his 23 year old girlfriend, and their bodyguard, jetted to San Francisco on his tour break. After spending a few days at a river resort north of the city where Idol got a bad sunburn and capsized his canoe, they reportedly took off for Bora Bora.

BON JOVI: Four men in Sweden sold \$24,000 worth of tickets to a phony Bon Jovi show they told fans was taking place on June 12th. They pulled off the scam by telephone. Police are looking for the con men.

JOHN HIATT: D.A. Pennebaker, known for directing the Bob Dylan movie, "Don't Look Back," and "Monterey Pop," directed John Hiatt's new video, "Thank You Girl." The performance video was shot at McCabe's in Los Angeles and also includes location footage from the Mohave desert.

THE BANGLES: The Bangles will take a week's vacation at the end of their month-long tour. The tour wraps mid July in Hawaii. After the break, they'll meet with producers and resume writing material for a new album. Some collaborations with other top stars are expected.

TOM PETTY: Turning out to see Tom Petty during a four night stand at the Universal Amphitheater in Los Angeles were Bob Dylan, Bob Seger, Aimee Mann, Steve Jones, Bonnie Raitt, and Carla Olsen of the Textones.

RON WOOD INTERVIEWS MICK HUCKNALL FOR ITALIAN TV: Simply Red's Mick Hucknall was surprised to have Ron Wood of the Rolling Stones show up to interview him for Italy's biggest TV network, R-A-I, backstage at a concert in Bologna. Hucknall and Wood swapped stories on camera about the rock and rollers they admired the most--everyone from Bobby "Blue" Bland to Keith Richards--described as "a hero of mine," by Hucknall. But the most surprising story of all to Hucknall was how Wood happened to become a Simply Red fan. Wood said two friends, Ben E. King and Bobby Womack, had told him Simply Red was a band he simply had to check out.

BUCKINGHAM THINKS TIME MAY BE RIGHT TO LEAVE MAC: Lindsey Buckingham has told the Los Angeles Times that he thinks the time may now be right for him to leave Fleetwood Mac, but that he may do one last tour with them after the first of the year. Buckingham is currently preparing to record another solo album and already has 48 songs written for it. "I would not have wanted to leave the group on the ambiguous note that the 'Mirage' album sounded," Buckingham explained. "There were lots of things left hanging out on limbs... finances, emotions. I think there was also some pride at stake." Buckingham added that because he feels the group has done some "remarkable" things, the "Mirage" LP was no way to say goodbye, but the new one may be a way to take his leave. He said, "I think we had something to prove and we did it in the new album. So it now feels like the time." Other members of the group had different reactions. Nicks says they've heard it all before and she doesn't think her former lover will follow through with plans to quit. Mick Fleetwood, who has been through 20 years of personnel changes with the group, quipped, "the only way you could stop this band is with a firing squad!"

MECHANICS' CARRACK JOINS WATERS' TOUR BAND: 'KAOS' IN AUGUST: Roger Waters, chief architect behind Pink Floyd's historic shows, plans to recreate a traveling radio

station on his "Radio Kaos" world tour, complete with guest disc jockey, Jim Ladd, who will perform his role from the album. Plans also call for a live "phone-in" segment, with a phone booth fashioned near the sound board. In addition to all of "Radio Kaos," Waters will be performing material from "The Wall," "Dark Side Of The Moon," and his first solo album, "The Pros And Cons Of Hitchhiking." Joining Waters' bleeding heart band for the tour will be special guest Paul Carrack from Mike and the Mechanics on keyboards; others in the band are Andy Fairweather Low and Jay Stapley on guitar, "Dark Side Of The Moon" sax play Mel Collins, drummer Graham Broad and the same backing vocalists who are on the album. Waters is kicking off his world tour with a 28 city North American tour. It starts August 14th in Providence, Rhode Island and concludes in Honolulu on October 3rd. Along the way, the show will play Madison Square Garden in New York, Atlanta's Omni, the Forum in L.A., the San Diego Sports Arena, and the Oakland Coliseum outside San Francisco. The North American dates will be followed by shows in Japan and Australia, with more dates to be announced.

GENESIS: Projections for Genesis' bottom line when they finish their world tour say that each member will be taking home 30 million English pounds. Not bad for a year's work. Their shows in London grossed a record breaking 4.3 million pounds at Wembley Arena.

JOEL'S TRADE OUT WITH THE SOVIETS: The promoters of Billy Joel's July concert tour of the Soviet Union are getting quite a bargain. The piano man's fee per show is entirely affordable. In fact, it is a steal--Joel is playing for free. "They offered me \$2500 a concert," he revealed in a recent interview in Sydney, Australia. "They were serious. So I told them to forget about it and I would do the tour anyway if they were prepared to provide every assistance possible so we can film the shows." Joel wishes to cull either a longform video or a full length feature film from the tour, and perhaps even a live album. Unlike Elton John, he will be taking his whole band and staging the same performance as he does anywhere else in the world. "I've been told that there'll be no restrictions on me," said Joel. "I can go where I want. I hope I end up in somebody's kitchen drinking vodka."

WILSONS' BIG HEARTS FOR ANIMALS: Heart begins their "Bad Animals Tour '87" in Portland, Maine. Drummer Denny Carmassi says the "Bad Animals" concept comes from their last tour. "We arrived at our hotel in Memphis at 1:30 in the morning after partying on the plane, so we really looked wild," he recalled. "When we walked into the lobby, the whole place came to a complete halt. All the people looked at us like we'd crawled out from under a rock." But animals have always played an important role not only in Heart's music, but in their personal lives as well. Leading up to "Bad Animals," were such songs as "Barracuda," and "Dog and Butterfly." And Nancy Wilson, who raises English Springer Spaniels with her husband, writer Cameron Crowe, says she always takes at least one "port-a-pup," as she called it, on the road with her. The dog she travels with is Wombi, a mutt given to her by a fan years ago. Ann Wilson has a poodle, and both sisters have horses. Nancy Wilson explains their interest this way: "As songwriters, we're always looking for images that are not your standard boy-girl relationships. We're always looking for other kinds of symbolism. I think you can really characterize people a lot by animals, too," she added. Wilson says Wombi once came onstage with her for an encore, but as a rule they keep the pet away from the noise and confusion of rock shows. Wilson does say their dogs often sleep in the room where they are rehearsing and the noise doesn't seem to bother them there.

BRYAN ADAMS, WITH PHILADELPHIA'S VERY OWN HOOTERS,

proved what it's like to play in the big leagues at Madison Square with a series of sensational performances that had New Yorkers rockin' in their seats. The Hooters mesmerized the audience with a mixture of their early hits, and from their soon-to-be-released second Lp. Canadian-born Adams belted out one-hit-after-another to the audience's delight -- and did the girls scream! When the shy rocker broke into "Heaven", it seemed like every lady in the audience went B-O-N-K-E-R-S! It's nice to report that Bryan is still the shy, self-effacing, humble rock 'n' roller.

THE GUYS IN FOREIGNER ARE GERTTING ALONG

very well, and plans are proceeding on schedule for the group to reunite to record their next Atlantic Lp. Foreigner's lead vocalist, Lou Gramm, will play Madison Square Garden's Felt Forum early next month in a solo appearance, but will definitely continue with the band as well.

BOY GEORGE HAS ACKNOWLEDGED TO THE ROCK PRESS

in Britain that he is taking a big chance with his first truly solo album -- on the streets in America last week -- called "Sold". If Culture Club is over and done with, Boy George is not yet ready to confirm it, although he does admit things are not as tight with CC as they once were. Asked if Virgin was a bit surprised with the contents of "Sold", George likened it to a record company executive demanding that Michael Jackson sing "Ben" again. "I suppose Virgin would have been happy if I sang tunes on 'Hold' which sounded exactly like 'Do You Really Want To Hurt Me', but I wanted to try something new, and something completely different. I've had a lot of problems in the last few years, and I must confess, my heroin habit was staggering. But, I also would like to say I've been clean for six months, and it's a great feeling. Still, I have my bad days. I wouldn't be honest if I didn't admit it, yet, I'm enjoying myself. I'm quite sure that things will be going well for me again in future. Future plans? Well, I'd like to be a host of an American TV talk show, and I'm not joking. Joan Rivers, Joan Collins, Spike Milligan, Benny Hill, wow, I'd love to join their gang."

DURAN DURAN'S MADISON SQUARE GARDEN SHOW

was one of the band's most interesting, provocative and imaginative in years. Of course, with the departure of Andy Taylor and drummer Simon Taylor, the band's sound is different, but what a sound it is! More on the New York City blow-out next week.

EURYTHMICS: The Eurythmics have agreed to pay \$100,000 to their former British record label, Transatlantic Records. The settlement involved a dispute surrounding an agreement the parties had made after the group evolved from being the tourists.

THE EVERLY BROTHERS HAVE JUST KICKED

off another major North American and United Kingdom headlining concert tour. It began on June 17th in Edmonton, and will take Don and Phil throughout America and Canada for nearly four months, with fifty North American concert dates already booked, and a British tour set to begin on October 2nd. Details about a new Everly Brothers Lp for PolyGram will be forthcoming. Last year, they were among the first inductees into the Rock 'n' Roll Hall of Fame, and they had their star put on the Hollywood Walk of Fame. And, this summer's concert tour has special significance because it marks the 30th anniversary of their big breakthrough hit, "Bye, Bye Love".

BEST BITS

KUPD'S WILD ONE

98 KUPD
ROCKS YOU ARIZONA

We recently caught up with Dave Pratt, the "wild one" who fills the morning slot at KUPD, Phoenix. Dave told us about some of his different bits explaining that

his most consistent bit is done both on and off the air. He has a band called Dave Pratt And The Sex Machine Band who perform fun, humorous and totally original songs. Of course the songs are all used throughout the morning show, but the band also performs approximately once a month all over the state at places like Oktoberfest, The Coliseum in Tuscon or the State Fair, and they draw about six to seven thousand people at each performance. They currently have three albums out with a fourth due out in the fall and all proceeds from the albums and the shows go to Multiple Sclerosis.

To give you an idea of what the songs are all about here's a sampling from their latest creation, a song called "I Need Protection":

"They were advertised last night on TV,
The preacher on the corner gave me one for free,
got one in my wallet bought from a machine,
I always keep it handy, got a ring in my jeans,
and when I'm feelin' horny and I'm ready for love,
I don't need infection,
when I whip out Mr. Love Connection,
I need protection."

Other song titles include "Couch Potato" and "Whipped Cream", which when they perform they squirt about 100 cans of whipped cream all over the crowd. At shows for the over 21 crowd, the band has been known to perform in only their red underwear. Mr. Pratt, of course, claims that he has nothing to do with this bizarre ritual. Dave has, however, been known to invite his 64 year old mother up on stage with him to sing the song "Turbo Mother". Ah, what a mother won't do for her son....no matter how "wild"!

WTPA'S IN THE DOGHOUSE

93.5 WTPA

You've probably had it up to you-know-where with Jim and Tammy by now, but how could we get away without

printing just one Jim and Tammy bit. Ken Johnson and Jim Tofte run WTPA's Breakfast Club and have given us the scoop on the infamous Jim and Tammy Doghouse: "It was first purchased at an auction by a California contractor for \$4,500," the boys told us. "He donated it back to the PTL Ministry. The second time it was on the block, it brought a slightly lower bid of \$630 from George Campbell of Holidaysburg, PA. He and his wife Helen brought the 'Dog Box' (as George calls it) back to their home in historic Holidaysburg where it sits at the end of their gravel driveway. It has a lovely green carpet, an air-conditioner/heater and three doors...one for small dogs, one for big dogs and one for defrocked ministers."

George and Helen have been the talk of Holidaysburg for weeks. Media folks from all over are "spending more money to come out and take pictures, than we spent on the Dog Box," according to George Campbell.

Well, add the WTPA Breakfast Club to the long list of media folk since Ken Johnson and Jim Tofte had the unique pleasure of broadcasting their entire show live from inside the doghouse. A great time was had by all as Ken cooked breakfast while Jim played Tammy tapes.

WRXK RUBS YOU THE RIGHT WAY

96 K-ROCK

According to WRXK PD Greg Mull, his morning team of Jeff Alan and Allison Young have a tendency to be a bit

on the extreme side and have a habit of never knowing when to quit. To sort of smooth over the rough edges they create every once in a while, the station has their own massage therapist and they send her out weekly to give a massage to whomever they may have "rubbed the wrong way". Sometimes they'll send her to somebody they just want to "rub the right way". The station will hype the day before where and who their masseuse will be massaging, and listeners will come out to the event. Then Jeff and Allison will do a couple of breaks live on the air while the massage is going on. They'll even briefly interview the person being massaged.

WRXK recently rubbed the Mayor the right way and received front page newspaper coverage from it. They managed to rub one of their clients the wrong way on the morning show so they sent him a massage. It made them so happy that they upped their budget for spots. And when Jeff got on the air and made some snide comments about a new restaurant that was opening up in town, the owner got very upset so they sent the masseuse to rub him the right way. What a great idea for when you're air staff has made just one too many derogatory comments towards a most important client....like "Wang" perhaps?!

Is your morning show funny? Do your listeners suffer from terminal laughter as a result of listening to your morning personality/team? Have some of your recent morning bits been nominated for dozens of awards for their creativity and entertainment value? Why not share these ideas with the rest of us and in the process help those struggling, dull, witless, droll, void of originality, ratingless morning shows get their act together. Send us your Best Bits on tape or in written form to FMQB, 1930 E. Marlton Pike, Suite F36, Cherry Hill, NJ, 08003.

RADIO ACTION

KGB-FM, SAN DIEGO, CA M.D.-PAM EDWARDS: "Many thanks to Bill Bennett and MCA Records for the wonderful time at the Texxas Jam. It was one of those great rock 'n roll weekends. Also, thanks to Marko Babineau and Christina Anthony at Geffen for the primo dinner. It was a very unique experience having all the members of Tesla, Whitesnake, and Aerosmith as our dinner guests--and I can't forget to congratulate Ronnie Raphael, Bubba Wayne McManners, and Mark Niederhauser for the best bash ever at the Hard Rock, and to John Kalodner. Those on-stage vantage points were a real treat. You're the best!...Back on the home front. We've got some more people to recognize, including Rob Halford and Columbia's Bob Garland for a Judas Priest party that blew our listeners' minds...Also, thanks to Little America for stopping by and giving San Diego one hell of a great show...Musicwise, only one comment this week: Sammy Haqar!"

KAZY, DENVER, CO M.D.-TIM JEFFREYS: "It could be a mutha of a record for Sammy Haqar. With Eddie on bass and co-producing, and the fact that it's his last solo record, the curiosity factory alone is going to sell this record! But, hey! It's a good rock 'n roll record with several tracks to consider. We're going with 'Back Into You' for starters...Found room this week for Cruzados...The Grateful Dead's on during the day with major phones (of course)...Also new this week is Keel 'Somebody's Waiting' and Tesla, the band that doesn't seem to burn, is on with their follow up track, 'Rock Me Thru The Top'...Personal pick of the week: Echo And The Bunnymen, and their cover of the Door's 'People Are Strange' from the 'Lost Boys' Soundtrack."

WIOQ, PHILADELPHIA, PA M.D.-DAVID ANDERSON: "Some people say Cruzados is one of those foreign words whose meaning is not translatable to English. It ain't so! Actually, Cruzados means 'stop playing crusty old dinosaurs like 'Aqualung' 50 times-a-day and give some great new music a fresh run for a change!...The Trades don't show a lot of progress on Jon Astley's 'Jane's Gettin' Serious', but the phone response from our listeners is good and our gut tells us to go for it, so this week Jon moves into heavy...Thanks to Sean Coakley of Arista for the headline-of-the-week: 'Goetz says: 'I'm a Deadhead, and want the new album!' 'Ridin' that subway train, high on cocaine...!'"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Best New Song: Grateful Dead 'Touch Of Grey'. The response has been incredible (see Requests)...Best New Record: The Call 'Into The Woods'. 'I Don't Wanna' moved right into a power rotation and the album is full of many more gems...Building: Grateful Dead 'Touch of Grey', Fabulous Thunderbirds 'Stand Back', U2 'In God's Country' move into power rotation...New Cuts: Neville Brothers 'Forever For Tonight'; Tom Petty 'It'll All Work Out' and 'Think About Me'; Little Steven 'Freedom'; and Lyle Lovett 'Acceptable Level of Ecstasy'...Requests: The Grateful Dead 'Touch of Grey', and the forthcoming Dead album is getting overwhelming response. If the album were out now, Top 5 Most Requested songs would be by the Dead. We haven't seen this kind of response since the U2 release...Concerts: Another SRO crowd at Red Rocks for our

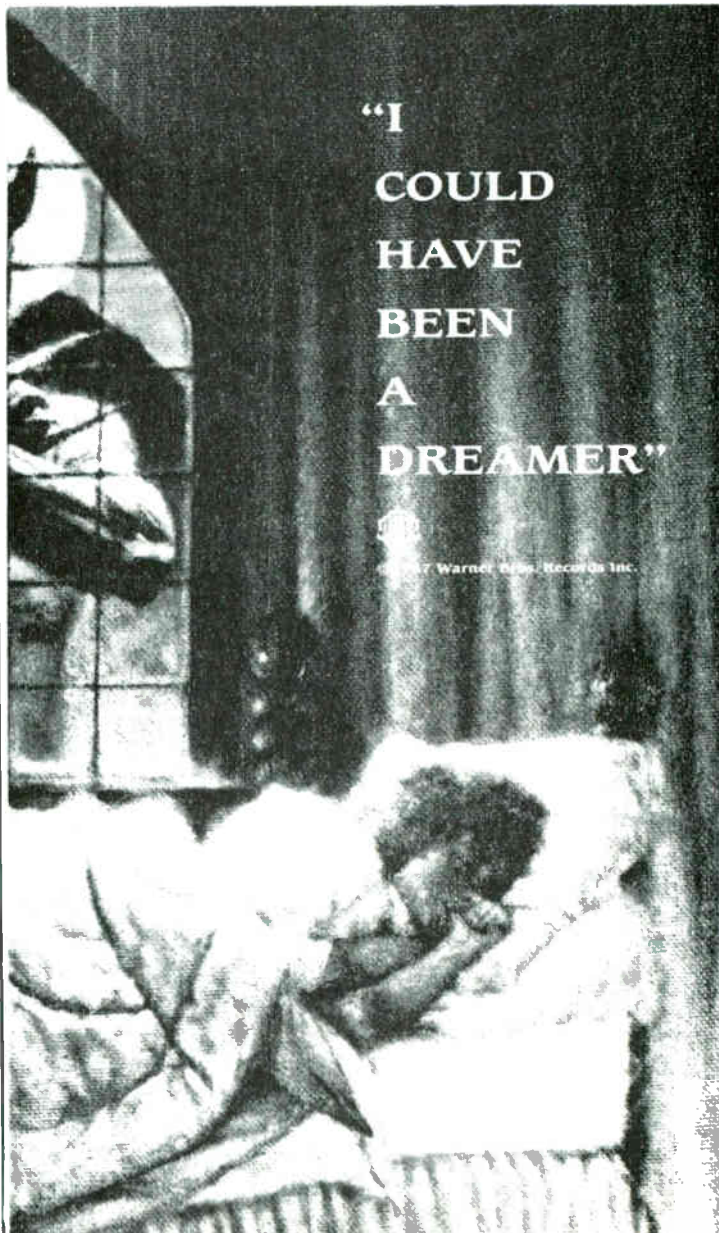

KBCO 10th Anniversary Show with Stevie Ray Vaughan and Gregg Allman. Seeing Gregg was the next best thing to seeing the Allman Brothers. Stevie is looking and sounding better than ever and his Colorado performances at Red Rocks are always memorable...Thanks: To Jeff Patton for the visit with Stevie Ray Vaughan, and to everyone who made the journey to Boulder for our 10th birthday party. Special thanks to Debby Appelbaum for covering the event for the Quarterback. Hope you can all make it back again sometime soon. Thanks to everybody else for the cards and letters. We look forward to many more years of rock and roll in Colorado."

WCMF, ROCHESTER, NY ASST.P.D./M.D.-DAVE KANE: "We have been playing the INXS import for about three months and it has been working extremely well. Be aware that the Australian import is a much hotter mix and has more balls than the domestic version currently available. Look for it. It'll be worth your effort...The Grateful Dead--more than a band--they are a way of life. And whether you love them or hate them, 'Touch of Grey' brings it home with elegance and class...Biggest reaction records of the past week are Marillion, which gets a boost to medium, and Whitesnake 'Here I Go Again'."

WHCN, HARTFORD, CT M.D.-KIM ALEXANDER: "I've always liked the Dead when they are concise as opposed to rambling. 'Touch Of Grey' is just that, concise yet not slick. I'm pleased, and remember every silver lining has a touch of grey! Have a good day!"

WBCN, BOSTON, MA M.C.-CARTER ALAN: "It's 'BCN's Rock And Roll Rumble that dominates the heavy action here at 'The Rock' this week. As I write this, the local band competition,

now in its ninth year, reaches the semi-final stage with finals at the Orpheum Theatre this Friday. So far, these eight groups are in contention and are all worthy of a closer look by the labels: Rapture Of The Deep, Treat Her Right, Doctor Black's Combo, The Rain, Shake The Faith, Nova Mob, Unattached and Childhood...Since I'm off to Dublin for a 'BCN promotion with some other bands, Tami Neide will have the final results next week. We did have time to breakaway from the Rumble to host a video release party for the new 'Judas Priest Live' party held at a local rock and roll club. Glenn Tipton and T.K. Downing were featured live in person. Thanks to CBS Records for bringing the two guitarists to the studio for a great hard rock interview."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "I must say the Sammy Hagar is great. 'Give To Live' doesn't even scratch the surface. This album is five cuts deep, maybe more. Much of it reminds me of Sammy's older tunes. It's as though he's been revitalized. Now I'm not just saying all this 'cause I heard it ten times in a row at the Texxas Jam, I was knocked out after the first listen. It's a good thing too, a couple of hours into the show I began to lose my hearing. Of course, it was well worth it...Tesla turned in a real clean performance; Whitesnake didn't look for a second like it was their debut performance; Aerosmith not only sounded great but, believe it or not, looked great and their new songs are hot. When Boston hit the stage for the first time in eight years, the Cotton Bowl became a sea of light. A good time was had by all. Many thanks to Bill Bennett, Randy Hock, Marko Babineau, Christina Anthony, and especially John Kolodner...The Psychedelic Furs put on another great show in Philly. 10,000 people all trying to get on the stage at once. It was getting a little crowded up there...Thanks to Paul Rappaport for bringing Omar of the Howlers by."

KGON, PORTLAND, OR M.D.-INESSA YORK: "Listening to the U2 interview with Carter Alan last week reminded me of one of my dearest favorites, Echo & The Bunnymen. With everyone conjecturing where new artists come from and how they'll sound, here is an opportunity for you to discover a new 'old' band. Strange how circumstances of the moment, personalities, songs, timing, all come together to make one band the next big thing (i.e. U2) while another band, such as the Bunnymen, with similar sound, sensibilities and passion are still looking for a home in American after all these years. Check out the new single 'New Direction' from Echo when it comes in and see what you think...We're pleased with Sammy Hagar. He sounds raw, essential, and master of his medium."

KUPD, PHOENIX, AR M.D.-J. DAVID HOLMES: "Welcome back to the Grateful Dead! A 'Touch Of Grey' is the happiest, freshest thing from these rock and roll veterans in an eon. Whether they have a touch of grey or are totally bald, these guys make music that will turn on a whole new generation of Deadheads...After one and a half weeks of airplay, Great White rockets to the #1 Request spot. 'Rock Me' rocks the kids and the adults as well. Play it and play it a lot!...And now they are also starting to call for The Call 'I Don't Wanna'. This could be the record that does it for this fine band."

KYYS, KANSAS CITY, MO ASST. P.D.-ELLEN GERDES: "INXS is burning the phones lines, along with Richard Marx 'Don't Mean Nothing'. Not surprised this song went straight to the top of the charts...I expect Grateful Dead to raise a few eyebrows and get immediate attention from old fans and respect from potential new fans."

WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI: "The Grateful Dead 'Touch Of Grey' is already a station favorite. It sounds old but new, same yet different. Definitely a winner!...Tom Kimmel's 'That's Freedom' is a perfect add for the 4th of July, just around the corner. I really like the

hook a lot!...Sammy Hagar's new album is rock and roll at its finest. Seeing Edward Van Halen's name down as co-producer is no big surprise, but having him play bass on the album is something you don't see every day—but considering how Sammy's guitar work on this album is some of his hottest playing yet, he can afford to have Eddie play bass. My favorites on the album are: 'When The Hammer Comes Down'; 'Boys' Night Out'; 'Hands And Knees'; and 'Returning Home'."

KOME, SAN JOSE, CA INTERIM M.D.-STEVEN PAGE: "First off, the new Sammy Hagar is the best solo work he's ever done. The only problem with the album is deciding which songs to play first...Charlie Daniels' new one 'Bogged Down In Love With You' is stellar. It's great to have Charlie back where he belongs—rockin! If that song doesn't get to you, you're probably dead."

KSJO, SAN JOSE, CA INTERIM M.D.-PATTY MARTIN: "First the business. KSJO welcomes another new voice for weekends: Keith Standlee, a ten-year-vet of the Fresno market, most recently at KFIG. Also, by the time you read this, KSJO will have made history with an all-day AIDS Awareness radiothon. Besides the traditional song pledges, we have some exciting rock and roll items for auction. Items from Jackson Browne, Paul Kantner, Sammy Hagar, Ronnie Montrose, Steve Winwood, Huey Lewis, Jon Bon Jovi to name a few. Neil Young will spend an hour at the station and on the air as will Ronnie Montrose, Dave Meneketti from Y&T, members of the 49ers, plus we have phone interviews from Jackson Browne, Sammy Hagar and Bon Jovi will call live. So will Tyran Porter from the Doobie Bros...Now to the fun. After locking myself in with a turntable, CD player and tape deck, listening to records 'til my ears bled, I'm close to being caught up. Kudos to Virgin for signing Warren Zevon. He's back with his stable of the greatest musicians to call on, and that unmistakable Zevon sense of humor...Speaking of senses of humor, my vote for best album title goes to Joe Walsh's 'Got Any Gum?'...Mark my words, The Call is about to become one of the most important bands of the 80's. Michael Been's voice is compelling. It almost makes you listen. My absolute favorite is 'In The River', but I also like 'Too Many Tears', 'Expecting' and 'Walk Walk'...CruzaDOS get better with each record. Nuff said!"

CFNY, TORONTO, CN ASST. M.D.-IVAR HAMILTON: "Echo & The Bunnymen's newest, 'The Game', jumps into our top request spot this week. The B-side, 'Lost And Found', is also worthy of attention...The Hoodoo Gurus finally hit power rotation this week with 'Middle Of The Land' and 'What's My Scene' gaining the most ground...Watch for a late summer release from the Japanese/Australian chart toppers Sandii And The Sunsets. They have previously toured with Japan, Roxy Music, the Eurythmics and INXS. Their new album, 'Rhythm Chemistry', was produced by Sly Dunbar who plays on the album as well. The combination of techno-pop with reggae flavor and lyrics half in English, half Japanese, is very unique while still being accessible. If you're interested in a preview tape, contact Gerry Young at Current Records, 366 Adelaide Street East, Suite 437, Toronto, Ontario M5A3X9 (416-361-1101)...15,000 plus CFNY listeners are looking forward to our 10th Anniversary Canada Day concert July 1. Just a few of the many bands scheduled to appear include Carol Pope, Images In Vogue, Blue Rodeo, Northern Pikes, and the first-ever Canadian appearance by The Saints. As a gift to our listeners, it's a \$1.02 ticket price of a dozen bands...Special thanks to Wire, The Fixx and 5440 for stopping by for live mike interviews this past week...And finally, thanks to WEA in Canada for releasing Jon Astley and making it available to the public."

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "I've heard that people seem to have some problems with the new X song. The comments are, 'It's too adventurous and too cult oriented.' Jesus, this song is as American as baseball, hot dogs and, dare I say it, the 4th of July. Neat harmonies, six string melodies, and a healthy hook make a perfect

package...Hee hee, ho ho, ha ha--I'm laughing because the Top 40 in our town is even on Jon Astley. It has the ability to be a mass-appeal kind of thing. It's different, yeah, but people like different stuff. It's so different that it's parked itself in Top 5 phones since it went on the air...'La Bamba' is perfect summer fare from a band that has proven their staying power on an AOR level...A huge thank you to George Skaubitis from Warner Bros. for the amazing Paul Simon show. Simply the most spectacular event of the year, and meeting a man like Paul Simon was a dream come true."

KLOL, HOUSTON, TX M.D.-HARVEY "DR. K" KOJAN: "It was Tipper Gore's worst nightmare come true: Over 80,000 young, high-impressionable kids baking under the unforgiving Texas sun, fists raised in a sugar-and-alcohol-induced frenzy, bombarding each other with paper cups, toilet paper and an occasional naked breast or two, the ever-present fire hose dousing the pulsating mass of flesh, while a succession of long-haired, leather-clad, sweat-soaked degenerates unleashed a barrage of deafening rock 'n roll punctuated by a steady stream of obscenities. Hey, it doesn't get any better than this. My sincere thanks to everyone who helped make the weekend such a special one, particularly Marko, Mark, Billy, and all the fine folks at Geffen. I had a blast...Speaking of Geffen, when you get the new Neil Young album, go directly to side 2. You'll hear what sounds like a bunch of teenagers practicing in the old man's garage, which is exactly what Neil had in mind. My personal early fave is 'Too Lonely', but you've also gotta love 'Prisoner Of Rock 'N Roll' (especially all you 'record company clowns'). Best line on the album: 'When they burned me in effigy, my vacation was complete.'...#1 Phones in a landslide: The Grateful Dead...How popular is Sammy Hagar here? We left the Lp completely open for airplay...Ya know, we went on 'Hard Times' from Omar out-of-the-box, but my favorites are 'Dancing In The Canebreak' and the re-worked 'Border Girl'...Jon Butcher is a great interview as well as a great performer."

KBPI, DENVER, CO M.D.-JOHN EDWARDS: "Best wishes and good luck to the President of KBPI and Sandusky Broadcasting, Toney Brooks, who resigned to persue other interests. As most of you know, Tony has been the chief architect and prime mentor of KBPI's phenominal 22-year success. Under his direction, KBPI has been the most-listened to radio station in the Denver market for the past ten years. All of us at Sandusky feel fortunate to have had the opportunity to work for one of the true innovators and real leaders of our industry."

WLIR, LONG ISLAND, NY ASST. P.D./M.D.-LARRY "THE DUCK" DUNN: "Belated congratulations to Howie Klein and Bob Kranes. Congratulations to Doug and John at KBCO on their 10th anniversary. I heard all about your party--wish I was there. Check your mail. A present is forthcoming...Andy Summers called live from his home in London. Andy broke the news live on the air that he could no longer see the Police working together again. 'Love Is The Strangest Way' is a great effort from this Police innovator...Adds this week include X, Los Lobos, Pete Dinklage, ABC, The Fixx, The Box, Figures On A Beach, Brian Brian, Thompson Twins, the classic 'Amy Grant' from the Young Fresh Fellows, David Bowie, Andy Summers and the anthem 'We Care A Lot' from Faith No More. Yes, it's a dirty job, but someone's got to do it...Hey, by the way, how's this to end the Spring Book, we co-promoted successful shows with Howard Jones at Madison Square Garden and Duran Duran/Erasure at Madison Square Garden. Not bad, WLIR in the Garden, eh? And what a garden party it was. Our thanks to everyone at Elektra, Capitol, Sire and Warner Brothers for all their help. Special thanks to Vicki Peterson of the Bangles for calling in live on the air...Screamer Of The Week: Thrashing Doves 'Jesus On The Payroll'."

WRXK, FT. MYERS, FL P.D.-GREG MULL: "Mucho thanks to Jeffrey Shane of Epic for the Fogelberg catalogues. If you haven't checked out Dan lately, go pull out 'Souveniers' or 'Captured Angel' and check him out. While you're listening to 'There's A Place In The World For A Gambler', I want you to remember that in '74 this was album-oriented-rock radio. It sounded okay to have 'Black Dog' and 'Sweet Emotion' on the same station with 'Part Of The Plan' and 'A Horse With No Name'. Our audience listens to us for diversity. If our lists continue to get tighter, then we force a lot of listeners to tapes and CDs. I don't advocate playing music from all over the road, but I do think we should not just categorize and cull music without honest listening. For example, the Steve Earle record may be too country if you're Z-ROCK, but on a mainstream AOR list there's room for it, along with Whitesnake, the Fabulous Thunderbirds, INXS, Motley Crue, Gregg Allman, Neil Young, and the Georgia Satellites. Keep in mind that there must be a method to madness. You should pick music to make up the whole sound of the station. Don't get boring. There's so-o-o much exciting music out, you should never sound stale...And, to all you Deadheads out there, God must love ya cause look at the wonderful gift he just gave you!"

WMAD, MADISON, WI M.D.-PAUL MAROZALEK: "Three things: First, Fire town--now!...Second, Zevon--bad karma. Is this a wonderful record, or what?...Third, I think the Sire folks are bent on keeping the Smiths off the commercial airwaves. So what if 'Panic' and 'Shoplifters' worked in Europe? 'Sheila Take A Bow' and 'Half A Person' would have done much better in the U.S. And, what about 'William, It Was Really Nothing'? This old cut is new to just about everyone that listens to radio...Thanks for your time!"

WPLR, NEW HAVEN, CT M.D.-CHRISTINA: "I don't write record reviews, but I do know what I like! Cruzados 'Bed Of Lies'--actually, the entire Lp is quite good...Whitesnake's 'Here I Go Again', and Heart's 'Who Will You Run To' will both be #1 songs, and I like them too...Today my favorite song is on the In Vitro album. 'I Choose You'. What a great song!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "They're ditch diggers, and lawyers in their teens and pushing 40, and they're all over the phones for The Dead's 'Touch Of Grey'. All us stereo types have enjoyed stereotyping the fans of The Dead, mostly because it was so-o-o easy, and they deserved it. But this dawn of The Dead find far fewer apparent acid casualties and far more coherent and responsible sounding requesters on the phones, and there're tons of 'em. Enough, in fact, for a #1 phones debut by a 5 to 1 margin over a surprisingly strong Marillion in 2nd place...Sammy Hagar may have more good material on this one one than all of his previous solo outings combined. Great rip roaring rockers to carry us through the Summer...Consistent curiosity calls about Jon Astley have lead to 'Janes Getting Serious' requests...Command performance from The Call. They sight the band as an influence. I can only hope that it proves mutual when Robbie Robertson puts his solo out in the Fall. 'In The River' is awesome...If audio wallpaper is all you're after, don't bother listening to The Bears 'Fear Is Never Boring', but if you want a reminder of how exhilarating rock can really be, dig it out and strap yourself in for a real 'E' ticket ride...The Kinks were in town for a concert on Ray Davies' birthday so we set up an After Show party. The guest of honor's attendance record for things of this sort is about on a par with mine for that 8:00AM Geology course I took Freshman year. So, we went ahead with the plans only after getting the absolute assurance of the Road Manager that Ray would put in an appearance. You know the rest of the story. The question is, what do we do with the Porsche 928S we were going to give him?...Steve Jones, on the other hand, was as great with our staff and listeners as he was on stage. Don't miss him live!"

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE: "It sure was HOT in Texas at the Texxas Jam. And I'm not just talking about the music! Thanks to Marko and Christina at Geffen for everything! You folks know how to throw a party. Thanks also to Randy and Bill of MCA for taking care of business too...In the last few weeks there have been a load of records released. Want one that really will surface? Add the Silencers 'Painted Moon'."

WKFM, FULTON/SYRACUSE, NY ASST. P.D.-BRIAN ILLES: "No one else but the Grateful Dead could sing a song called 'Touch Of Grey' and no one else could do it with such class! Now, if the album is nearly as good, watch out!...Arista gets two this week with the Cruzados. An infectious record that will be a Summertime smash...The magic between Dave Edmunds and the Fabulous Thunderbirds continues on 'Stand Back'. There's another Lp I'm dying to hear...And for those of you keeping score, nobody was on the Georgia Satellites before I was!"

WRQK, CANTON, OH M.D.-GREG MORRISON: "Great to hear the new Grateful Dead tune...Sammy Hagar has come up with a killer album that I feel we'll be dealing with for several months. Oh, by the way, for all you record types, we're glad to use those artist IDs. All we ask is that they say, 'Good Rock 107, WRQK', and we'll slap 'em on.'"

WXXP, PITTSBURGH, PA M.D.-DEB BRADY: "I made time to listen to Lps this weekend, but could not get past Warren Zevon 'Sentimental Hygiene'--it's great! His best since 'Exciteable Boy'...Roger Daltrey and X return with solid albums as well...Pittsburgh loves The Cure. It's been Top 5 phones since it hit the airwaves, and now the Lp is selling Top 20...U2, Psychedelic Furs, and Suzanne Vega keep it company...Thanks to John and John of 'They Might Be Giants' for another great show...And finally, congratulations to my friend, Garrett Hart who is off to program WAPL in Wisconsin. Pittsburgh and I will miss you...Welcome Darrin Smith from WLIR to evenings at Double X."

WWCT, PEORIA, IL M.D.-PAUL NELSON: "Grateful Dead's 'Touch Of Grey' gives us a reason to pay attention to Deadhead requests...Roger Water 'Radio K.A.O.S.' is Top 5 phones and sales. It's a pleasure to see Peoria pick up on this so quickly. It's the best thing he's done since 'The Wall'...Bowie's 'Bang Bang' goes in for 'Time Will Crawl'...It's ironic the 3 tunes we played from 'Never Let Me Down' all feature the lead guitar of Sid McGinnis from the Letterman Band. Good thing he and his new haircut aren't in the video...We didn't need the tequila to add the Cruzados. Any band Mrvos signed can't be all bad...Finally, more ways than one, the Steve Earle goes in! This tune definitely grows on you."

WPYX, ALBANY, NY M.D.-ANDI TURCO: "Now, I fully realized what Don Henley meant about seeing a Deadheads sticker on a Cadillac! 'A Touch Of Grey' will please everybody, including no-Deadheads like me. No doubt Jerry and Company will be in the limelight throughout the Summer...We have some impressive sales reports this week: Roger Waters debuts at #8, so the 'Powers That Be' is the second cut...Other adds: 'Eagles Fly' from Sammy Hagar, Patty Smyth, Steve Earle, and The Truth's 'Until It Burns'."

WAQY, SPRINGFIELD, MA ASST. P.D./M.D.-JOE MARINO: "Grabbing #1 phones out-of-the-box is the Grateful Dead's new one, 'Touch Of Grey'. Even though Deadheads know it well from the live show, they love hearing The Dead on the radio, and it's grabbing new fans for the old rocker...Jon Butcher's 'Wishes' is the 'sing along and play air guitar in the car' tune of the year. This album keeps getting better as we

get deeper into it...Thanks go out to Marv Amols of Capitol Records and Poison for a great time at their recent show. My brother, the winners and I had a great time, and Poison really impressed me, and I don't impress easy...And finally, another out-of-the-box smash was Great White's 'Rock Me'. You'll be playing this one for a long, long time."

WLNZ, LANSING, MI M.D.-CATHY DOWN: "Deadheads wake up and get ready for a massive expansion of members to the United Deadheads Organization because your band is back and they're sounding greater than ever! At first listen, a 'Touch Of Grey' proved to be an obvious smash and an immediate heavy add. And with Rick playing it at least five times to every passing stranger, and raving that it's the best thing since sliced bread and Dire Straits, 'Money For Nothing', we've decided to give Mr. Van Gil a much needed vacation and continue spreading the word that Grateful Dead is very much alive...Another biggie this week is Sammy Hagar's new self-titled album. I feel it reflects some of the finest material he's done in a long time...Eddie Van Halen's contribution is clearly evident and the end result has success written all over it with a capital S. Both projects are definitely A-one in my books."

KZEL, EUGENE, OR M.D.-BILL SAINT JAMES: "Thanks to Greg Lee and Mary Hyde from Warner Brothers, who helped make the K.D. Lange and The Reclines show in Portland last Thursday night a great success. Judging from attendance and audience reaction, K.D. is helping to make the world safe for a country-based rock and roll. Also, thanks to many people who worked very hard at bringing Ex-Stroke Island's great band the 77s to Eugene this past Friday night...Also, congratulations to Michelle Higgins and the folks at TVT for getting The Saints major MTV recognition...Top music pick-of-the-week is the Call's 'In The River'."

WZZO, BETHLEHEM/ALLENTOWN, PA PROM. DIR.-KIM DOUGLAS: "We just wrapped up WZZO's direct mail contest called 'Ticket To Ride', in which we gave away over \$40,000 in cash and prizes, including a trip to the baseball All Star Game in California; Windjammer cruises; and a whole bunch of other high sizzle prizes...WZZO is located in the Lehigh Valley, which is also the home for one of the top 3 Olympic bicycling tracks in the nation. It's called the Lehigh County Veleddrome. We sponsored one of the nation's biggest races, featuring some of the Olympic gold and silver medalists. We had a crowd of over 2,000 watch the Z95 jocks race listeners on the bikes at half time."

WEGR, MEMPHIS, TN M.D.-KELLY CRUISE: "All right! A very special thanks to MTM Records for their wonderful Hege V contest. I'm the type that never wins anything, and I'm absolutely thrilled to be your Grand Prize Winner. Thank you, thank you, thank you...I'm in love with the Grateful Dead record! This one should turn everyone into a Deadhead. Great production, meaningful lyrics, and a you-can't-help-but-sing-along harmony. 'Touch Of Grey' may be their first Top 10 record. A true classic!...We finally got serious about Jon Astley, Lou Reed meets David Bowie on 'Jane's Getting Serious'. If you're longing for a new Led Zeppelin record, try Great White's 'Rock Me'...The Cruzados 'Bed Of Lies' really grows on you after a few listens (even without the Tequila). I can't wait to play it on my night show so all the summertime cruisers can crank it up!...The Eagle took part in Carnival Musicfest '87--a tribute to Memphis music. It ended this weekend after 10 days of over 60 local bands performing. The climax was Sunday night when former Memphian Larry Raspberry flew in from L.A. to show us he could still rant and rave! Larry, you're still the greatest, and keep up the good work. Memphis misses you!...To Atco's Alex Miller: I really enjoyed our conversation. Thanks for stopping in to visit."

Typical 38 Special formula—good hooks, plus great vocals, times excellent guitar work, equals HIT...Gregg Allman 'Can't Keep Running'. Another great, smooth textured track from a superb Lp...Roger Daltrey 'Take Me Home'. It took a couple of listens to sink in, but considering the caliber of this artist, it can't be overlooked...Bryan Adams 'Hearts On Fire'. We dealt with this track when the Lp first broke, and we still feel it has the biggest crossover potential from the album."

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI P.D.-GARRETT

HART: "Out of the everywhere into the here, it's too late to stop now reptiles...I have returned! Let it be known from Green Bay to Oshkosh, the rockin' apple rules! I'm happy to say I'm working at a fantastic station, and with a real pro in Rick Panneck. His music hours will continue as usual, Friday and Monday, 10:00AM-12Noon. My hours will be Wednesday AND Thursday 1:00-3:00PM (Central time). I have found WAPL to be an aggressive promotion oriented station, and I will have lots to share in future reports. Thanks to all for your good wishes. It's great to be back in the big chair...Greetings to the people who dare at the Double X...To deb brady and the whole ganglia. I miss you guys and stuff!...Thanks to everyone for the calls and all the neat stuff too...Talk about office plants, just call me bawanna!...So, hey, how about some music this week?...It's a new dawn for the Grateful Dead. To the unannointed, this is a new track, but whatever, a little 'Touch Of Grey' will do you. Happy trails!...Great White has the chops to 'Rock Me'. It's destined to be one of the signature tracks of the Summer. Hey, just give me some Truth 'Until It Burns'. This one's bound to raise a blister on the turntables and on the phones...That's it for this week. See ya in church!"

WIOT, TOLEDO, OH M.D.-JIM STEEL:

"The chalkboard is getting full of names to 'thank' so it's time to tip the 104 cap to: Jim Cortez of Elektra for the Hoodoo Gurus promotion. After our recent heatwave, giving away an air conditioner is the only way to blow your cool!...Mike Rose and Don George of MCA for helping out with the Tom Petty show in Cleveland...And Mike Whitenack of RCA for the Hornsby picnic. All of these were just the extra kick in the promo pants we needed to finish Spring Book...After spending some time with the John Waite album, it's clear he has two or three bonafide hits on his hands. Glad to have him back!...Inching closer and closer each week to the playlist has been Steve Earle and this week it gets a shot. Boys and girls—country my ass! Steve Earle is rock 'n roll!"

KRIX, BROWNSVILLE, TX ASST. P.D./M.D.-JOE KELLEY:

"The Grateful Dead's 'Touch Of Grey' should re-ignite the Grateful Dead fans and in the process maybe make some new Grateful Dead fans. This record will need some time to develop...I think the Cruzaodos 'Bed Of Lies' should open it up for the boys. Great Lp all the way around...Envy's 'Ain't It A Sin' is a very solid song. The lead vocals on it reach out and grab you ('Ain't It A Sin' for those not playing it?)"

KDJK, OAKDALE, CA M.D.-BEAVER BROWN:

"Are you starting to get serijous yhet? Well, please do! Jon Astley has that quirky little song that grabs your listeners and holds them. Then they call back for more...The Grateful Dead wow! I was not ready for 'Touch Of Grey'. What a smash...Just like the song says, 'the South has risen again'. Thank you, Charlie Daniels for my favorite new song of the week. I'm bogged down in love with it...Have you given serijous

consideration to Hunter? 'Dreams Of Ordinary Men' has quite a hook. Listen before midnight tonight...Those with stile will add the Stile Sisters—Envy 'Ain't It A Sin'. Play it again...and again...and again!"

WQBK, ALBANY, NY M.D.-BOB WELCH:

"Grateful Dead, Grateful Dead, Grateful Dead—far and away 'Touch Of Grey' is our most-requested-song. Now the problem is explaining to the Deadheads why they can't buy the album yet, and why that's the only tune we have. Thanks to Arista's Jay Ziskrout for taking time out to go on-the-air with me last week and straighten that out!...Also, 'thanks' to Chrysalis' Jerry Blair for coffee and bagels and for helping me fold my clothes at the Laundromat last week. By the way, Jer, my wife seems to be missing a pair of red 'n black lace bikini panties!"

KICT, WICHITA, KS M.D.-PHIL THOMPSON:

"First off, special thanks to Geffen and MCA Records for the most fun I've had in one weekend. The Texas Jam was an incredible party! It was a real thrill to talk with the artists that performed, and to meet those radio people I see in print every week...Thanks to Jeff Ireland from Geffen, and Norrin Cohen from MCA for getting the ball rolling on this weekend! Also thanks to Christina. Glad we finally met...Now, on to music: I was so impressed with the opening band, Farrenheit, that I reconsidered and added 'Lost In Loveland' this week which goes to show what a live performance can do. (That and a tip-off from Russ Mottla at KTYD, Santa Barbara). Speaking of live performances, Little America is coming back! Really anticipating this one and I'll admit I've been playing 'That's The Way It Stays' for awhile, but this week it's an official add and deservedly so. This straight-ahead-rock is testimony to what these guys are all about: No frills, balls out, hot rock 'n roll...Of course Sammy goes on this week. Our first choice out of mahy is 'Returning Home'."

WAQX, SYRACUSE, NY P.D.-SIMON JEFFRIES/ASST. P.D.-

LORRAINE RAPP: "The 95 days of Summer are here and we're off to a smokin' start with another killer Birch! We're up in every demo, once again, while others either stayed flat or went down. Can you say 'Music Of Your Life'?...Great talking to Lou Gramm, Charlie Daniels, Great White, and Gary Moore this week...Good seeing Kevin Young of Atlantic. Poor guy had to take a week's vacation after Garrison Keiler pulled the plug on 'A Prairie Home Companion'...The new Grateful Dead tune is a station favorite: Instant phones from Deadheads and normal people too...We're on to a second track from Little America. We did a low dough show with these guys a few weeks ago and feel they deserve a shot...Still looking for that rock 'n roll animal for our night time shift. Send T&r to 95X ASAP!...And finally, there's less than a week left until Simon's wedding. If you mislaid your invitation, please call for directions."

WTPA, HARRISBURG, PA ASST. P.D.-CHRIS JAMES:

"Being a Fixx fan from day one, I've only one thing to say: finally. The new Lp captures the intensity of a live show so well. 'Don't Be Scared' says it all. Give it a shot and watch it react...I know the Grateful Dead are an automatic anyway, right? But it's so nice to have an automatic with the hit potential of 'Touch Of Grey'. Out-of-the-box and already our #1 request record...The new Los Lobos is addictive. It'll blow out your phones! What a Summer record!... Following in the footsteps of last year's 'Burning House Of Love', the new X is phenominal. Great texture, and with the holiday around the corner, why not?...Keep an eye on the new Jon Butcher 'Wishes'. It's the track that'll make him a superstar."

WHTQ, ORLANDO, FL M.D.-SLATS:

"I'm real excited on how this Suzanne Vega record is performing in Mickey Mouse land. The shy girl from Barnard is #1 Most Requested for the 2nd week in a row, plus it's a monster at retail — #2 behind U2. Yes, dreams do come true in the land of magic...One thing I'm not excited about was hearing Sean Coakley on WDIZ introducing the new Grateful Dead before anybody else in town had it!"

KRQU, LARAMIE/CHEYENNE, WY M.D.-KEVIN LEWIS: "Envy is the kind of hard rockin' female group that doesn't come around very often. Their sound is refreshing, and thus far 'Ain't It A Sin' is performing quite well."

WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON: "The excitement from our listeners on the new Grateful Dead has been tremendous! This is, by far, the most anticipated release in terms of audience reaction that we've seen at this station. Deadheads are already requesting specific tunes from the album. We have to keep explaining 'It's a CD single--only one song'...After weeks and weeks of being close, Jon Astley is an add. Time to drive this one all the way home...And now, please welcome P.D.-Bill Weston: Now that the Book is over, most PDs have some extra time (sure, ha!). Let's try to make the effort to contribute ideas, successes and failures to these pages for the benefit of all...Networking, what a concept! 'Nothin' But Rock And Roll-195' just wrapped up the 'compact disk cash track of the week'. \$25,000 in cash to 40 winners in nine weeks' time. Very successful! We used a song for an entire week instead of changing it every day. Listeners were much more likely to remember it when it actually played (between 3-5 times per week). The last day of the contest we played it 10 times for \$500 a pop. The phones and phone company went crazy. Application: When doing a song-of-the-day type promotion, use a song you have on CD and work that tag into your contest identifier, i.e.--WXXX compact disk cut of the day, instead of the song of the day. Yes, you add a few extra syllables, but it's no extra effort on your part and you continue to reinforce that your station is the one playing the compact disk and more of them."

KEZE, SPOKANE, WA ASST. P.D.-BREW MICHAELS: "Ever since ROCK-106 and Hizzoner the Mayor declared a Sammy Hagar Day in Spokane three years back, the red one has claimed a sizeable chunk of the KEZE airwaves for his own. The new album has plenty for all shades for the AOR approach. 'Boys Night Out' swaggers; 'Eagles Fly' sores and divebombs and 'Returning Home' is in the heart-tugging 'Dreams' and 'Remember The Heroes' vein...The twentieth anniversary of the 'Summer Of Love' seems as ripe a time as any for another wave of Dead-mania! 'Touch Of Grey' is a mainstream groove record with some tasty licks and a pretty funny video to boot...Having been there from the start on 'Walk On Fire', we're delighted to go to 'That's The Way It Stays' from Little America's very likeable debut Lp."

WCLZ, PORTLAND, ME M.D.-ALAN ARMITAGE: "The new Grateful Dead sounds great. 'A Touch Of Grey', how appropriate!...John Hiatt's 'Have A Little Faith In Me' is another one we like here...The Summersound series of concerts is going very well at the Portland Performing Arts Center. Larry Corvell, last Friday and the Dirty Dozen Brass Band last Saturday packed a one-two punch...Summer came in with a bang and the tan is coming along well. The golf game still needs work though!"

WKQQ, LEXINGTON, KY M.D.-STACY YELTON: " 'Bang! Bang!' Another homerun for David Bowie. I've got mine...Can't argue with the Robert Cray sales success story. I don't think we even listened to 'Nothin' But A Woman'. We just added it!... 'Detox Mansion' has been the station Warren Zevon fav since we all heard it on Rockline. God, what a sense of humor...Great White 'Rock On' to the nighttime airwaves. I heard phones ringing with the first play, and I wasn't home...U2's 'Spanish Eyes' brings me to my knees. Bono, I looove the way you sing to me!...At last, a place for John Hiatt and his all-star cast. Looks like this guy's gonna finally get his due!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN

SMALL: "With 'Touch Of Grey' the Grateful Dead will extend their appeal beyond just their Deadhead following. The song is catchy, the production is clean and clear. All the elements of the song fall right into place. Already we have #1 phones on this one...The X record is also a timely one and it's one of their most broad appeal tunes, so we'll give '4th Of July' a shot this week... Once Gary Numan's 'Radio Heart' has its hooks into you, it won't let go. This one's miles away from 'Cars' and a lot catchier."

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "Thanks for breakfast, Stan Foreman and Tom Gorman of Capitol...A salute to Dana Buck of Westwood One for a well-organized concert and execution of our promotions...We thoroughly enjoyed REO's return to Anchorage...Coming this week: The continuing saga of Larry Reymann's quest to catch just one fish in Alaska...A well-done, edged female rock lead is always welcome here on KWHL. To miss playing Envy's 'Ain't It A Sin' would be the eighth deadly sin. Your rockers would give you hell if they heard about it somewhere else."

WHMD, HAMMOND/BATON ROUGE, LA M.D.-"CATFISH" PHIL

COLWART: "MTM recording artist, Hege V is on the road in the Hearse Of Tears tour. Look for him on a stage near you...The Roger Daltrey 'Take Me Home' has a fantastic mandolin that just tears me up inside. This song is just incredible. The more I listen to it, the more I feel like a drunken sailor on leave...The Whitesnake 'Here I Go Again' remix is definitely us. The version is just totally non-objectionable to adult AOR stations like ours. Go for it!...Looking forward to the Night Ranger concert. Thanks to Rhonda Rose of MCA for the gives. Looking forward to meeting the guys...The Call's 'I Don't Wanna' oozes emotion. It's a likely effort for this artistic group. It's tested really well--Instant Top 5 phones!"

WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS: "After listening to X's '4th Of July' a few times, I'm ready to go out and buy a Ford pickup with big wheels! How American can you get at this time of year?...Grateful Dead 'A Touch Of Grey' will put your ratings in the black. When it comes to rock classics, this one is guaranteed to be a dreadful great...Robert Cray Band's 'Nothing But A Woman' has got that contagious kind of thing, real good feeling, and Cray's riffs are really set apart with those powerful horns...The Cure 'Why Can't I Be You'--all hell breaks loose on this track. That pumping bass line makes it move. The guitar work touches it up. The horns drive it home, and you can't help but love those incurable vocals."

KNCN, CORPUS CHRISTI, TX M.D.-ELISE VANDER BORGT:

"Sniff, sniff. Have an itty bitty cold. Can't talk now so I will take my Roger Daltrey album home and listen to it from my....cough, cough....deathbed!"

WIZN, BURLINGTON, VT P.D./M.D.-STEVE CORMIER:

"It's not only nice that the Grateful Dead didn't slack off after 7 years, but they've come through with a really fine hit. After only 3 days of airplay, it's #1 requests...Marillion's 'Incommunicado' is a great piece of work and our listeners agree. Second week of Top 5 phones...Now, this is the Neil Young I remember. 'Long Walk Home' is vintage Neil and his message hits home...The CruzaDOS 'Bed Of Lies' is the biggest surprise of the year. It will break this band...If 'Good Times' is any indication, INXS/Jimmy Barnes should do more things together...David Bowie's 'Bang Bang' is the best rocker on the album...It took a while for the Call's 'I Don't Wanna' to kick in for me, but it was well worth the wait. It builds into a powerful tune."

KFMU, STEAMBOAT/VAIL, CO M.D.-DAVE ROSS:

"Gary Numan is in the picture here this week. If you were into 'Cars' then you better check out 'Radio Heart'. It's nice to see that Gary hasn't lost that voice that makes him so-o-o

distinctive from the rest...Warren Zevon is going all the way and 'Trouble Waiting To Happen' is the cut that's getting it up there...Others that are doing well include: Grateful Dead, INXS, Roger Waters and Roger Daltrey...By the way, another Doors album? We'll take it!"

KFMQ, LINCOLN, NE M.D.-JOE SKARE: "The Deadheads are coming! The Deadheads are coming! The Grateful Dead are back and generating all kinds of phone activity, the same thing that happened to Neil Young a couple of weeks ago. 'Touch Of Grey' is a welcome surprise for fans, and even non-fans, and prove these guys still have it. It should be a bonafide Top five phone smash...The new Cruzsados Lp is great. They sound much more polished. Besides 'Bed Of Lies' there are some other very strong tracks. I see why it was such a tough decision on what to release first...Great White 'Rocks' us and should mean instant phone reaction...Watch out Whitesnake!...And we've been keeping our eyes on John Hiatt's progress. There's no denying 'Thank You Girl' which also gets the nod this week. If you like this track, make sure you check out the entire album, as John really demonstrates his diversity...And lastly, Sammy Hagar's new Lp is terrific. I especially like 'Boys Night Out', 'Returning Home' and 'Privacy'."

WRUF, GAINESVILLE, FL M.D.-JASON TYLER: "Ye ha! Slammin' Sammy Hagar kicks up his heels and delivers!...The Red Rocker's finest effort yet. Solid throughout!...And hey, what about this Grateful Dead 'Touch Of Grey' tune? We had Top 5 phones before we even played the fucker. 'I saw a Deadhead sticker on a Cadillac. A little voice inside my head said 'look back, you can always look back'...Roger 'I'm pissed at Pink Floyd reforming' Waters killer cut 'Sunset Strip' is getting great phones and response. Can't help but love the ending because I don't like fish!...Wilson Sisters watch out! A new band called Envy may take over!"

KATP, AMARILLO, TX P.D.-JACK RANDALL: "After a couple of tubes of Solarcaine, and a case of Gatorade, I am officially recovered from the Texxas Jam. A fantastic time was had byall. It was great to get to see everybody again...Sammy Hagar's last solo album could very well be his biggest. Thanks to all at Geffen for the CD and the red carpet treatment in Dallas...This new INXS/Jimmy Barnes is goding to be very BIG...Early phone calls and audience reaction on 'Ain't It A Sin' have made us believers on Envy."

KQWB, FARGO, ND M.D.-TY BANKS: "Just wanted to say 'so long' to a very, very popular great local band. It was discouraging to hear that the Suburbs will disband at the end of July. Could not make it a commercially viable venture, but undoubtedly their individual talents will surface in other areas."

WTOS, SKOWHEGAN/BANGOR, ME M.D.-DUANE SHERMAN: "ADDS: Grateful Dead 'Touch'; Brian Brain 'Monkey'; Naked Raygun 'Remember'; Dash Rip Roc 'Shake'; Bruce Cockburn 'Miracle'; Dynatoners 'Shout'; Robert Cray 'Woman'; Truth 'Until'; Echo & The Bunnymen 'Strange'...**CONSIDERING:** Painting My House...**MOST REQUESTED:** U2 'Spanish'; Grateful Dead 'Grey'; Replacements 'Alex'; Cure 'Why'; Roger Waters 'Radio'...**INCREASED PLAY:** Grateful Dead...The Grateful Dead debuts in heavy and claims the number two spot this week for Top 5 phones. Very high anticipation for the Lp and the July 4th show with Bob Dylan in Foxborough, Mass. Thanks to Sean Coakley at Arista for the tickets...U2's 'Spanish Eyes' stays at number one for the second week. It's hard to believe that this is a B-side with the powerful vocals and delivery that it has. If it was an A-side for any other band, it would be a number one hit...Let's check in with some independent product. Dash Rip Roc on 688 Records is hot! Danceably cowpunk-loud volume is a must. Brian Brain is also a must. Play 'Who Hung The Monkey'; in fact, use your imagination and do a whole monkey set. My thanks to the good folks at MTM Records for letting me win a CD player, (I love payola). Also, I want to mention the Dynatoners' version of 'Shout' on Rhino Records. No matter who covers this record, it always is a dance floor filler. Also play something from the Doors at the Hollywood Bowl, your listeners deserve

it, after all this is rock and roll history...**PICK OF THE WEEK:** Echo & The Bunnymen 'People Are Strange'. Don't overlook this great gem on 'The Lost Boys' soundtrack...And finally, is your marriage on the rocks? Get yourself a Replacements hand buzzer and spice up the bedroom activity."

KTCL, FORT COLLINS, CO P.D./M.D.-CHARLIE WROBBL: "ADDS: Grateful Dead 'Touch'; Mondo Boffo 'Marine'...**CONSIDERING:** Royal Crescent Mob; French Frith Kaiser; 'Lost Boys' Soundtrack...**MOST REQUESTED:** Cult 'Love'; Roger Waters 'Sunset'; XTC 'Seasons'; Young Fresh Fellows 'Amy'; Smiths 'Sheila'...**INCREASED PLAY:** None...**INCREASED SALES:** None."

Case in point: X - Sure, they were at the front of the L.A. punk explosion, but as time passed by they've become more and more accessible without compromising their ideas and style. WEQX is proud to be all over 'See How We Are' because it's just that good. If you're not playing X, you're cheating your listeners to one of the tightest bands around. Besides that, Excene is one fabulous babe...Scruffy The Concert. Tonight. Heinous."

RECORD ACTION

JACK ISQUITH, EPIC (212-0975-5687): "THE FABULOUS THUNDERBIRDS have made a great album. As in Lp, CD, full length cassette, etc. Don't worry it's not a 'concept' album - just a record filled with a continuity of theme, content, and above all, musical direction. Recorded in Memphis and dripping with soul and style, 'Hot Number' transcends homage status by taking the best of three great American music genres (Blues, R&B and Country) and shaking 'em up T-BIRDS rock 'n roll style. 'Hot Number' is quintessential American music from a key band, perhaps the key band that has brought roots-rock back to AOR in the late 1980's. For depth tracks, try the title cut, the rockin' and profound 'How Do You Spell Love', the slinky 'Streets of Gold' and finally, a song-story that 9 out of 10 AOR P.D.'s seemed to have lived - 'Sofa Circuit'. Enjoy it all, it's there for the taking...Hate to be a drag, but it's real distressing to see so many programmers miss the REPLACEMENTS record. Bands this good come along once or twice a decade. The REPLACEMENTS make music that's as explosive, passionate and as intelligent as the most classic of the classic rockers. In fact, you can hear 'Alex Chilton' as 'Tumblin' Dice' supercharged by a decade and half's passing. Like 'Dice' you can't understand every word - but it's OK, you know it's just the sound of great rock 'n' roll kicking against the barriers and knocking down limits. Give it a listen."

MR. RECORDHEAD, POLYGRAM (212-333-8539): "Ah yes...let us harken back to those golden days of yester-year, when Mr. Recordhead was new to this National Promotion business. His grooves contained only rough mixes, and his first introduction to a lot of programmers came while travelling around the country in 1982 with the opening act on the HEART tour. The act's name was JOHN COUGAR; the album was 'American Fool'. Well, it's 1987, Mr. Recordhead's grooves have been mastered to CD quality, JOHN MELLENCAMP is a household name (with a great new Lp coming in August), but sometimes

you get hit in the spindle hole with deja vu! HEART is out on tour again, and Polygram has a great singer/songwriter (whose songs have been covered by other people) out with them as the opening act. The act's name is TOM KIMMEL; the album is '5 to 1'. Can history repeat itself? Stay tuned."

MICHAEL PRINCE/ALEX MILLER, ATCO (212-484-6400): "Ten of the best reasons to play ENVY are on both sides of their debut LP 'Ain't It a Sin'. The raves continue to be heard concerning this talented pair of sistes who write, sing and play primo rock and roll. Some programmers didn't wait for room on their lists, they made it...Meanwhile GARY NUMAN continues to pick up action with his 'Radio Heart'. NUMAN'S currently in the studio recording a full length album...Attention hard rockers, MANOWAR'S 'Defender' is out on the 12" featuring a superb opening monologue by the late Orson Welles. Since you did..."

JEFF NAUMAN, VIRGIN (213-278-1181): "I'd like to thank Z-ROCK, KISS, KNAC, and Hit Video for their great interviews with GARY MOORE last week. Gary's a very personable and funny guy and is known to be even sicker than me on occasion. GARY'S finally on the verge of becoming a star in America like he already is in most other countries of the world. 'Wild Frontier' is the key to his success. Gary will be headlining approximately 30 cities through July and August. In the past two weeks his album has jumped almost 40 points in Billboard's album chart. Add 'Wild Frontier' and break an act...Speaking of breaking of acts, DANNY WILSON'S 'Mary's Prayer' is finally breaking at all formats. 'Mary's Prayer' is a very active upper demo record that is both selling and pulling major phone requests everywhere. The Virgin Pistonworks cassette is in the mail to all of album radio. Guess what the picture is on the cover?"

JAY B. ZISKROUT, ARISTA (213-655-9222): "It doesn't happen very often, but every once in a while the endless hours of listening to the latest pile of tapes, promo singles and albums pays off with the discovery of a muscial work that is truly exceptional. The vast majority of you, with open and receptive ears and a heart that still beats (and occasionally skips a beat), have recently made such a discovery...After Dark', the new album from the CRUZADOS. 'Bed of Lies' is just the first of many remarkable songs from this Lp. I thank you for listening. Have no doubts...we will break the CRUZADOS!!! Judging from the way my phones have lit up, I can't begin to guess how many phone systems met their match this week as 'A Touch of Grey' from the GRATEFUL DEAD flew on the radio everywhere. You don't have to be a deadhead to love a song with hooks like these and lyrics so positive and uplifting. The band's first 'MTV Era' Video world premiered last week. It captures their unique sense of humor. Long live the DEAD!!! We recently serviced you with a promo CD of 'Long Goodbye' from the THOMPSON TWINS. Please listen to it and play it."

ROGER LIFESET, PEER PRESSURE PROMOTION (818-991-7668) "THE BAND: TANGERINE DREAM. THE ALBUM: 'TYGER'. THE SONGS: 'Alchemy Of the Heart'; '21st Century Common Man', (CD only track...not a laser left over). THE DATE; July 4th. We're finally at the right place at the right time. Those who will play it will receive it. You know who you are. Call for CD service."

MATT POLLACK, RELATIVITY (718-995-9200): "So you like the 12" from SCRUFFY, eh? Figured you might. 'Never Never' and 'Time Never Forgets', real good stuff. Just ask WKXE-VT, WLIR-NY, WMJY-MA, WMJY-NJ, WBRU-RI, and KUNF-CO. Incidentally, got word from a couple of bigwigs in the Big Apple, the BRANDOS are going to happen. Just you wait until July 13. Caught them live last week at the Cat Club in N.Y.C. They sounded great, they looked great, and the audience danced. Relativity smiled. This band captures the energy and integrity that is the essence of real rock & roll. Just three weeks away, judge for yourself."

ED TRUNK, MEGAFORCE (201-254-6533): "This has been a very big week in the history of Megaforce Records. We have signed three new artists this week in our continuing effort to expand the musical diversity of our label. This first is an incredibly talented band from New Jersey known as PROPHET. This group is certainly no stranger to the music business. The band has played around the East Coast for years and is certainly experienced in the studio as well. PROPHET is a Rock 'n roll band that writes hit songs! They are a five piece band that features guitar, keyboards, bass, drums and a vocalist that can crack glass. Our second signing is KINGS X, a trio from Texas whose music can only be described as greatly original. Both PROPHET and KINGS X are NOT metal bands! They are both very unique and talented artists that you'll definitely be hearing more about in the future. The third signing is something that shouldn't come as much of a surprise. It's M.O.D. (METHOD OF DESTRUCTION), the new band fronted by former S.O.D. vocalist Billy Milano. Billy has assembled a new lineup that features the same hardcore humor that made S.O.D. legends after just one album. Their debut release is already recorded and will be titled 'U.S.A. for M.O.D.' It is due out the end of August and was coproduced by Alex Perialis and Scott Ian of ANTHRAX. Speaking of ANTHRAX, their Among the Living tour has sold out

everywhere so far! ACE FREHLEY'S COMET is also on a sold-out tour which is devastating crowds everywhere. The response he is getting cannot be described in words. Our roster now includes FREHLEY'S COMET, ANTHRAX, M.O.D., TESTAMENT, OVERKILL, KINGS X, AND PROPHET. More info on all our acts in the coming weeks, or feel free to call me if you need anything. We look forward to your continued support and don't forget to play 'Into The Night' from FREHLEY'S COMET! THANX!!!"

PROGRAM PRODUCER

ED PINKA, RADIO INTERNATIONAL (212-302-1670): "TEN YEARS AGO. What were you listening to ten years ago? Bands like Marshall Tucker, Lynyrd Skynyrd and Gregg Allman maybe. Well most of those bands are gone but, the best ones survive. Gregg Allman has survived and he's got a new hit album as well. We've put together a 90 minute special on Gregg and the Allman Bros. available July 3 to August 2. You can't beat that window or the string of classics the Brothers wrote, 'Jessica', 'Blue Sky', 'Whipping Post' and more. The great rock and roll is there, the info is in your mailbox."

A new CARS' album, tentatively titled "Door To Door", will be out in August. The band just finished recording it at Electric Lady Studio in New York, where they're now mixing it. A spokesperson says the new album, which was recorded in just 3 months, has more of a live sound than the last CARS' album, 1984's "Heartbeat City," which took some 9 months to record. There's going to be a big party down in Tijuana, Mexico June 30th and everyone is invited. It's called Mexfest and will feature 10 hours of music. OINGO BOINGO will headline with the BANGLES making a special guest appearance. There will also be appearances by SQUEEZE, THE HOODOO GURUS and CHRIS ISAAK...DEF LEPPARD have just finished recording side one of their long-awaited new album, "Hysteria." They mastered the six tunes on the first side last week at a studio in Holland. The song titles are "Women," "Rocket," "Animal," "Love Bites," "Pour Some Sugar On Me," and "Armageddon It." The remaining six tracks on side two are being mastered this week. The album will be out in August with a tour starting in September.

INTERVIEWS

GRATEFUL DEAD (JERRY GARCIA): We've made a few records where "Come on, we have to make a record Oh God!" you know, and they end up sounding like it. ...Not only are they not representative of the Grateful Dead as the Grateful Dead really plays, but they aren't very good records anyway. So, in this one we were much more ourselves. We have the thing of not having an outside producer so we aren't being filtered through somebody else's notion of what we're like, what our record should be like or any other such bias, so this music comes off authentically as itself.
