THE GAVIN REPORT #1221
WEEKLY SUMMARY

TO OUR READERS

I hope that the shape and color of this issue will not cause anyone an unpleasant shock. After over twenty years on 8½ x 14" blue paper, coming to you in a sealed envelope, we've modified our format in order to enlarge its contents.

Our plans to present our "new look" on traditional blue paper were blocked by a widespread strike at the paper mills. So, rather than wait an indefinite time for a strike settlement, we decided to go ahead with the available white, retaining our blue look in the color of the printer's ink. It is our intention to return to our regular blue paper as soon as it's available.

Among the several changes and additions to our publication are the new "Album Radio Section", edited by Kent Zimmerman, and the first in a series of columns titled "P.D. Notebook", written by Eric Norberg, program director of KEX-Portland.

I like our new look. I hope you do, too.

The various listings in the following pages offer a consensus of our correspondents' evaluations of comparative music popularity in their own local areas and formats. Each correspondent utilizes whatever research methods are deemed most suitable for the station's needs.

All rights to any or all of the contents of this publication are reserved. Material may not be reproduced in any form without publisher's permission.

(Editor, Gary Taylor)

Smash of the Week: YOU NEEDED ME-Anne Murray (Capitol)
WHENEVER I CALL YOU "FRIEND"-Kenny Loggins (Columbia)
Both records are equally deserving of this listing. For her, it's been a long dry
spell; for him, it's his most successful effort since separating from Jim Messina.

Hot: MACARTHUR PARK-Donna Summer (Casablanca)
When a new record comes on this strong it generally goes all the way.

Top Tip: DOUBLE VISION-Foreigner (Atlantic)
Heavy play as an album cut made this a Record to Watch 3 weeks ago; now that there's
a single, the airplay has naturally increased.

Record to Watch: I JUST WANNA STOP-Gino Vannelli (A&M)
Evidently it's his turn to have a hit.

Sleeper of the Week: SHARING THE NIGHT TOGETHER-Dr. Hook (Capitol)
A large number of stations tell us this is one of the stronger new records available
to programmers.

Top Prospect READY TO TAKE A CHANCE AGAIN-Barry Manilow (Arista)
This tasty item from the soundtrack of the Chevy Chase movie "Foul Play" is charting
at: WPRO/FM (10), KQIZ (14), KGW (24), KLNW (26), WRKO (26), KSTP (27), KFI (27),
KHJ (28), 94Q (28), WCOL (29), WAPE (29), WIRE (30), KJR (30) and others.

Top New Airplay: BLUE COLLAR MAN-Styx (A&M)
EVERYBODY NEEDS LOVE-Stephen Bishop (ABC)

THE GAVIN REPORT, One Embarcadero Center, Suite 220, San Francisco, CA 94111 (415) 392-7750
Publisher's Memo

I'm delighted to introduce "P.D. Notebook", the first in what I hope will be a long weekly series of columns by my friend, Eric Norberg. As a long time correspondent, Eric has done as much as anybody to keep me in touch with the ever-changing face of radio. His knowledge about the various complexities of broadcasting is vast. In fields such as engineering or audience research he not only knows but also he has the enviable ability to explain things clearly and simply, so that even the non-expert (such as myself) can understand.

In today's initial column, Eric invites input from other PD's as responses to his ideas. I heartily endorse his request, and I urge any and all of our readers who have comments or experiences relating to the programming field to feel free to share them with him.

We're proud to welcome Eric Norberg to these pages.

*****

Congratulations to Bill Gavin and Gary Taylor and their staff on the magazine you are holding in your hands - a very notable step forward in the development of the Gavin Report! This new magazine format will allow some innovative expansions and refinements in evaluating music not just for format, but for target audience... with the extra room needed for new services never offered before. This column is one of the new services, and it is not mere lip service or courtesy when I say that I feel extremely honored to be part of it.

You are part of it too, because I definitely invite your participation in what is intended to be sort of a weekly "PD's Memo". Rather than being concerned with the music recommendations elsewhere in the magazine, this column will deal with aspects of the job of Program Director...and I not only need your input on subjects you'd like to see dealt with, but also feedback representing other points of view than I may express here.

Some of the subjects I plan on going into would include ratings, and what they can tell you about your programming (hopefully in a simpler and more useful form than I've seen elsewhere lately); clearing the air a bit about AM stereo; staff motivation and self-motivation; periodic updates on the tools available to the program director; communicating effectively with your general manager, sales manager, chief engineer; as well as some basic stuff that somehow often gets overlooked in this business, like learning breath control ("diaphragmatic breathing" - virtually nobody makes it to a top, major market on-air position without learning this, but somehow or other you are expected to pick it up yourself!) and what not to put in an audition tape.

Along the way we'll discuss things like new techniques in music research, writing spots, developing air personalities, and new trends in programming music for mass appeal. I'll be calling on some talented people for expertise...and as I say, calling on you, too! You're talented, aren't you? If you're going to get as much out of this column as I hope you will, you're going to have to help me make sure the right material is going into it.

You can write care of The Gavin Report, or write or call me at KEX, 4949 S.W. Macadam Avenue, Portland, Oregon, 97201. (503) 225-1190.

Correspondents' Reporting Procedures

1. Be sure to fill in the spaces for your name, call letters, city, date and station format.

2. List your top ten, showing last week's and this week's chart positions. Always list the artists' names. Titles are optional.

3. Under "Other Gainers" indicate those records that are moving up on your chart - all that show any upward movement. When listing chart debuts, list only those that have moved up from your extra or hitbound list. Stations that chart new adds with a number should not list them as "Gainers" but should list them in the "New Adds" section on the upper right of this form.

4. Under "New Sides Added This Week" indicate all new airplay. In the case of a new add that has rated a chart number because of local sales and/or requests, without previous airplay on your station, indicate sales by an underline and/or requests by an asterisk (*).

5. "Newer Uncharted Extras" refers to adds from previous weeks that are still being played but which have not yet made a number on your chart. Be sure to underline any records on which you have received sales reports. Do not list recurrents.

6. In showing "Phone Requests for Newer Items", list only records that do not appear elsewhere in your Action Report.

7. Under "Stiffs Dropped", list only those records that have been dropped from the playlist because of insufficient sales or request support. Never list the worn out hits that have dropped off the playlist.

8. Please note the instructions on LP cuts. Be sure to indicate favorable listener response to any of the cuts. Show the new cuts added as well as those still being played. Do not list LP cuts that are already available as singles. When showing an LP cut as "Top Ten" or a "Gainer" on your numbered chart, be sure to note that it is from an album.

9. Phone reports. Those who phone their reports are advised to fill out this Action Report form first and then read it off on the phone. Please don't call us collect.

10. Adult-Contemporary reports need not be based completely on sales and request data. Under "Top Ten" may be listed the records in maximum rotation frequency. Under "Other Gainers" should be listed those sides whose rotation frequency has been increased.

11. Whenever possible, please include demographic information.

**Jazz Fusion Airplay**

Jean-Luc Ponty- "Cosmic Messenger".
Chuck Mangione- "Children at Sanchez-Prelude", "Medley".

Inside Progressive Radio
(by George Meier, Editor of Walrus)

ESTABLISHED PROGRESSIVE AIRPLAY:

The Who
Rolling Stones
Boston
Foreigner
Bob Seger
Bruce Springsteen
Kenny Loggins
Fogelberg/Weisberg
Hall & Oates

NOTES: If you doubt that this is a rock 'n' roll world, take note of the top echelon of this list. Not until Kenny Loggins does the list begin to soften. And soften it does with the Dan Fogelberg-Tim Weisberg LP, the thrust of which is downright M.O.R. The Hall & Oates is the other new entry into heavy airplay groups. Otherwise the intensity remains with the masters.

NEW PROGRESSIVE AIRPLAY:

Lynyrd Skynyrd
Player
Norton Buffalo
Janis Ian
Rodney Crowell

NOTES: Both Lynyrd Skynyrd and Player start strongly because of Southern support. Ironically, both are next strongest in the Midwest, next in the Northeast, and last in the West. The new name, Rodney Crowell, comes from nowhere.

Singles: Top singles are by Linda Ronstadt and Van Morrison. They are followed by Styx and Heart.

Imports: The import scene is weird because it's led by a Beatles reissue and a U.S. release of Rocky Horror Picture Show, which has been wildly misinterpreted as an import. The Who LP, on red vinyl, follows close behind.

Star Track (A walkover)

In Hollywood, the Chamber of Commerce announces that on December 13, they'll add a new star to the "Walk Of Fame" in honor of KMPC's morning star, Dick Whittinghill. He's the first and only D.J. ever to be so honored.

Sports Shorts

In Seattle, B.R. Bradburg will add his 60 second sports commentary capsules to the morning newscasts, plus one in the P.M. B.R. was formerly with the news departments of KFRC-San Francisco and KHJ-Los Angeles.

The People Speak

Proposition Thirteen in Kansas won't reduce property taxes, but it will beef up a radio station. KFH-Wichita, with a frequency of 13, distributed thousands of "Prop 13" ballots via area businesses, newspapers, and local functions, and set up a 24 hour hotline. Listeners vote for their favorite in various categories. They're also asked what kind of information is important to them: news (local, national), weather, farm reports, business news, stock markets, talk shows, drama specials. Jason Drake, P.D. reports the aim of "Prop 13" is to "create 'your' radio station." After the ballots are tabulated KFH hopes to be "Wichita's Radio Station" not just in music, but in information as well.
Adult Contemporary Programming

(Associate Editor, Ron Fell)

Most Active: LOVE IS IN THE AIR-John Paul Young (Scotti Bros.) Time to make believers out of even the most sceptical A/C programmers. High rotation at leaders like WBT, KVI, WSPD, WSM, WNEW, KMBZ, and KIOI.

Worth Watching: THEME: WIZARD OF OZ-Meco (Millennium) Good phones already at KEX-Portland and other majors like WNEW, WMAL, WTMJ, and KIOI have made early airplay commitments.

Elvis the first
What was the first recording that Elvis ever made? It was "TELL ME PRETTY BABY", and WHN-New York has it. It was recorded in Phoenix on the Professional Sound label and will be distributed through Cin Kay Records. It was premiered on WHN on Thursday (21st), and will be released nationally next week. WHN's premiere of the record will present an audio scientist to testify to its authenticity, plus a DJ who swears he was in the studio when the recording was made.

New Release
The P.D. of WFAI-Fayetteville, Terry Jordan and his wife Phyllis, announce the birth of their second child, Mary Kathleen, who arrived August 30.

Gooey fun
The folks of Port Arthur, Texas, enjoyed watching a "Most Anything Goes" Contest, which included a sour milk contest (whatever that is), a race on a greased pole across a mud puddle, a tomato eating contest and an egg throwing contest. A KYKR staffer ate 27 tomatoes in 5 minutes. The KYKR team tied for first overall, but lost the play-off with egg on their faces.

Wedding bells and leis
Lynnea Anderson, programming secretary for WJJD-Chicago, is marrying Dennis Reichel, September 23. They will spend their honeymoon in Hawaii.

<td>Sean Lynch, of KENI-Anchorage, spent four days camped out at an island in Westchester Lagoon as a promotion stunt to raise funds for the Muscular Dystrophy Association. To wind things up the mayor came out to visit him and to hold a press conference. Sean was finally &quot;rescued by a Far North Ski Guides helicopter, which flew him directly to the TV studio where the M.D. telethon was in progress. There he presented the Association with a check for the money he had raised - $18,264.14.</td>

Albums of the Week

(reviewed by Ron Fell)

"Living In The U.S.A."-Linda Ronstadt (Asylum) A good, but not great, Ronstadt album. Fans should lower their expectations. BACK IN THE U.S.A./JUST ONE LOOK/ALL THAT YOU DREAM/OOH BABY BABY/LOVE ME TENDER.

"Giant"-Johnny Guitar Watson (DJM) Accessible funk. Mr. Watson gets the "neatest" sound from his guitars and stylized vocals. MISS FRISCO (QUEEN OF THE DISCO)/TU JOURS AMOUR/GANGSTER OF LOVE/YOU CAN STAY BUT THE NOISE MUST GO.

"Dark-Eyed Lady"-Donna Fargo (Warner Bros.) Country and pop mingle nicely in this very entertaining package. Fargo must be considered seriously by A/C programmers. ANOTHER GOODBYE/EVERYBODY HAS A DREAM/FOR THE REST OF MY LIFE/CHANGES IN MY LIFE.

"Original Motion Picture Soundtrack"-THE WIZ (MCA) Another adaptation of a successful Broadway musical. Diana Ross, Michael Jackson and Lena Horne lead a talented cast down a musical yellow brick road mapped out by producer Quincy Jones. HE'S A WIZARD/ YOU CAN'T WIN/EASE ON DOWN THE ROAD/A BRAND NEW DAY (EVERYBODY REJOICE).

"Tracks on Wax"-Dave Edmunds (Swan Song) Edmunds continues to pledge allegiance to an earlier era of rock and roll. Plenty of excellent support from Nick Lowe and the Rockpile. NEVER BEEN IN LOVE/DEBORAH/THREAD YOUR NEEDLE/A! ON THE JUKEBOX.

"I've Always Been Crazy"-Waylon Jennings (RCA) The "Waylon 'n Willie 'n Texas" bit is getting tired and threadbare but who's gonna tell 'em with the success of recent albums. GIRL I CAN TELL/MEDLEY OF BUDDY HOLLY HITS/BILLY/AS THE 'BILLY WORLD TURNS/ DON'T YOU THINK THIS OUTLAW BIT'S GOT OUT OF HAND?

"Ace Frehley" & "Paul Stanley" & "Gene Simmons" (Casablanca) A Kiss-off. These three and one by Peter Criss represent the packaging hype of the 70's. None the less, there is some pretty fair music to be heard. Stanley has the most potential airplay. Simmons has superstar cameo walk-ons. Ace Frehley will surprise many with the quartet's best production. Peter Criss is disappointing. Simmons: RADIOACTIVE/SEE YOU TONIGHT/MAN OF 1,000 FACES/MR. MAKE BELIEVE. Stanley: TONIGHT YOU BELONG TO ME/AIN'T QUITE RIGHT/TAKE ME AWAY/IT'S ALRIGHT/HEART ME, TOUCH ME. Ace Frehley: NEW YORK GROOVE, RIP IT OUT/WHAT'S ON YOUR MIND.

"Special Touch"-Crackin' (W.B.) I CAN'T WAIT FOREVER/TOO YOUNG/ON THE WING/DOWN LOVE "Goin' Coconuts"-Donny & Marie (Poly.) ON THE SHELF/NEVER CAN TELL/YOU DON'T HAVE TO.... "Love & Peace"-Ray Charles (Atlantic) SHE KNOWS/RIDING THUMB/HE HAD IT ALL "Love Rustler"-Mylon LeFevre (W.B.) KEEP THE FIRE BURNING/MAKE ROOM FOR MY DREAMS/ROWENA/BETTER COME BACK "Give Thankx"-Jimmy Cliff (WB) STAND UP AND FIGHT BACK/WANTED MAN/LOVE I NEED "Snake, Rattle, and Roll"-Crawler (Epic) SAIL ON/MUDDY WATER/WHERE IS THE MONEY? "First Glanca"-April Wine (Capitol) GET READY FOR LOVE/COMIN' RIGHT DOWN/LET YOURSELF GO "Yesterday Dreams"-Brian Cadd (Capitol) SKATING ON THIN ICE/NEXT TIME../LONG TIME.. "Trevor Rabin" (Chrysalis) FINDING ME A WAY/ALL I WANT/RED DESERT "Main Event"-Alpert & Masekela (A&M) BESAME MUCHO/I'M COMIN' HOME/SHE-BEEN/SHAME..DEVIL "Grand Slam"-Rare Earth (Prodigal) SAVE ME../YOU GOT MY LOVE/WISH IT WOULD RAIN/I CAN FEEL MY LOVE RISIN' "Daughter of the Night"-Jim Capaldi (RSO) DAUGHTER..NIGHT/STAY WITH YOU/YOU BURNED ME
Gary Taylor's Personal Picks

ON THE SHELF-D & M (Polydor) If image change was desired it was accomplished 30 seconds into the song. In fact, the more I heard the better it got. Kudos all around for a superb effort at every level.

HOLD THE LINE-Toto (Columbia) A band composed of staunch studio session men could have easily sounded mechanical. Not so. This record has a fresh and pleasing hard rock sound.

DREADLOCK HOLIDAY-10cc (Polydor) I can't recall ever reviewing a "reggae" record, so this is a new experience; I don't like reggae but I sure like this.

THE DREAM NEVER DIES-Cooper Bros.(Capricorn) STRANGE WAY-Firefall (Atlantic)
IF THIS IS LOVE-Joey Travolta (Millennium) SH-BOOM-Big Wheelie & the Hubcaps (MCA)
NEVER BE THE SAME-Chilliwack (Mushroom) TIME PASSAGES-AI Stewart (Arista)
DO YOU FEEL ALL RIGHT-K.C.& Sunshine Bd.(TK) I DON'T KNOW IF IT'S RIGHT-Evelyn
EUROPEAN NIGHTS-George Deffet (GRR) "Champagne" King (RCA)
