CIC 2009

Now that 2008 is in the books, it's time to look ahead to 2009.
And can there be a better way than attending CIC 2009?

A brief turn through the pages of this 2008 Yearbook will reveal an extensive roster of influential Concert Industry professionals. Most return year after year, and with good reason: The annual Concert Industry Consortium is *the* gathering place for the important players who year after year keep the industry moving.

This year it's all happening January 28-30 at the Hyatt Regency Century Plaza Hotel which is centrally located on the edge of Beverly Hills.

The CIC provides a great opportunity for you to improve your connections in the Concert Industry, meet up with old acquaintances and make new contacts.

Just fill out the registration form on the opposite page and send it in. Or you can log on to www.PollstarPro.com/CIC2009 to get more details and register online. If you're a PollstarPro subscriber, just enter your login name and most of the forms are filled out for you.

We look forward to seeing you in January.
