WHO IN THE WORLD

Norman Racusin (Left), RCA VP-General Manager, & Film Producer Roger Lewis Talk Over Label's Pre-Production Financing of 'Man Who Could Work Miracles' Movie. Story On Page 3, Along with Hefty Schedule of Broadway Musicals Being Backed and Recorded By Record Company into 1968.

★ SINGLE PICKS OF THE WEEK

Connie Francis takes the attractive country tune, "Lonely Again" (Four Star, BMI), and turns it into a silken torchant for wide-spread sales (MGM 13814).

The Who have a disk that is already breaking in important markets. Side is "I Can See for Miles" (Essex, ASCAP) and will get mileage (Decca 32206).

Title tune, "Take Me Along" (Valry, ASCAP), was from the Broadway show and is now getting exposure as United Airlines jingle. Ray Charles Singers sparkle (Command 4105).

"Incense and Peppermints" (Claridge, ASCAP) has been getting much attention as done by the Strawberry Alarm Clock and will keep going (Uni 55018).

★ SLEEPERS OF THE WEEK

Jaunty instrumental "Lapland" (Just, BMI) is already running away in some areas. The Baltimore and Ohio Marching Band do it (Jubilee 5592).

New Immediate release is first under new Columbia pact. The Small Faces sing "Itchycoo Park," a cute, infectious teen ditty (Immediate 257-501).

Sensational night club act Hines, Hines and Dad sing "Look for the Silver Lining" (Harms, ASCAP) and make it 1967 and fresh and likely to score (Columbia 4-44294).

New Uni subsid, Revue, bows with swiny r/b ditty, "Girl I Love You" (ColFam, BMI) by newcomer Garland Green. Looks like label is off to nice start (Revue 11001).

★ ALBUMS OF THE WEEK

"Diana Ross and the Supremes" is a two-record de luxe package containing a powerhouse of hits that buyers will clamor for (Motown 663 mono-stereo).

Montserrat Caballe opened the Met season in "La Traviata" last week and got the kind of rave reviews that will make this elpee a demand album (RCA Victor LM/LSC 6180).

The Fallen Angels will wow teens with their new and contemporary rock songs. Quintet has some fancy musical ideas in "Room at the Top," etc. (Roulette R/SR 25358).

The American Breed album is full of gritty rock sounds, starting with "Step Out of Your Mind" and going on to some other familiar ditties (Acta 8002; 38002).

Motown LP Release a Sensation — And in Monaural, Too

By DAVE FINKLE

One of the success stories of the week is the success of the new 15-piece Tamla/Motown album release. And a large percentage has been mono sales.

Label, which wrote orders amounting to \$4 million at the August convention, already reports re-orders from a number of distributors.

Barney Ales, Motown, Vice President, told **Record World** last week the activity has been surprising considering the large amount of orders taken initially.

"We gave our distributors sizable quotas at the meeting," he said, "and although they didn't balk, they figured and we figured that it would take a couple of months to sell the quantities. But that hasn't been the case. Some of them are re-ordering already, especially on monaural. It seems that some of our distributors know that if they *merchandise* mon-

aural records, they will sell them. This is true in the East and it's spreading to the Midwest."

'Much Better Than Expected'

Murray Discosa of Alpha Distributors in New York noted that the Tamla/Motown release was "fantastic. It has been doing much better than we expected," he said, "and we expected a lot. Right now it's our second biggest line." (Warners is their biggest.)

Discosa also said that monaural sales have been sizeable.

Schwartz Brothers in Washington, D. C., reported having moved 100,000 units as of early last week, 40% of which were monaural.

Gil Roberts of Arc Distributors in Detroit, who handle the Motown and Soul Lines, told **Record World** that the two labels were doing "tremendous business" and selling one monaural record out of every three.

RCA Backs Film

In an unprecedented move, the RCA Victor Record Division has concluded arrangements with film producer Roger H. Lewis for pre-production financing to develop a musical film version of the H. G. Wells classic, "The Man Who Could Work Miracles."

Announcement was made by Norman Racusin, Division VP and General Manager, who said the six-figure deal would entitle RCA Victor to the original soundtrack album of the film as well as an interest in the property.

At the same time, Lewis announced the project will have a musical score by Burton Lane, lyrics by Bob Merrill and a book by Brian Friel.

"This is a new direction for us as a record company," said Racusin. "In the rapidly changing recording industry, RCA Victor is interested in every field which relates to phonograph records. This certainly is a logical step considering the importance original sound-

Regional Meets Wrap-up:

18 Chess LPs In Hearty 'Welcome' Big Pop Plans?

By DOUG McCLELLAND

WASHINGTON, D.C.—"Welcome to Profits," Chess-Checker-Cadet Records' theme for its four regional sales meets introducing 18 new albums, was welcomed by a large attendance at the Madison Hotel here on Sept. 18-19.

"On hundred percent turnout" was the phrase used most often during the two-dayer, the last lap in a sales series which also saw Chess Group executives, distributors, etc., meeting in San Francisco, Sept. 9-10; New Orleans, Sept. 12-13; and the diskery's home base, Chicago, Sept. 15-16. The LP program lasts through Nov. 30. While it was not revealed how much business was written altogether, it was alleged to be "highly satisfying."

Record World did learn, however, at the last of the C-C-C confabs that the company—a power in blues, R&B, gospel and jazz—can be expected to go

more heavily into the pop music field in the near future.

Attending the regionals wrap-up from Chess were label top-pers Leonard and Phil Chess; Max Cooperstein, General Manager; Dick LaPalm, newly announced as Director of Marketing, Merchandising and Advertising; Bert Loob, newly appointed Director of Album Sales; Herb Lance, Record Promotion, South-East; Chester Simmons, Eastern promotion man; and Richie Salvadore, representing the Chess Group in Philadelphia.

The convention began with a get-acquainted meet in the Chess suite on the 18th, but really got down to business following breakfast on the 19th.

Leonard Chess Back

The business meeting was presided over by Cooperstein. Leonard Chess got the proceedings underway with a short speech in which he stated, "I'm back in the record business. The radio business is going along smoothly, and I plan to stay." For many months, he had been involved mainly with

Newkeys in Stepped Up Disk Biz Drive

By PAUL PERRY

"Through sheer necessity," states Jimmy Key, "we've gone into the record business, full-fledged."

Key, Prexy of the Nashville-based Key Talent Agency and Newkeys Music Outlet, was talking about the current drive in effect with his newly re-activated Rice Records label. According to Key, the label will reach out and release wax on such categories as R & B, pop and folk-rock in addition to their concentration on the Country & Western market.

The first artist with a release was Al Terry, a Lafayette, La., deejay, with a tune tabbed "Old Fashioned Love." This was closely followed by another C & W single, "Mabel, You've Been a Good Gal to Me," with Billy Grammer, and "Bonjour Tristesse," featuring Linda Manning.

The first R&B product for Rice will be "I Just Dropped

In," by Teddy Hill and the Southern Soul. These will record separately also.

Talley Promo, Sales Director

Veteran record business whiz John Talley has been named National Promotion and Sales Director for Rice. Talley, formerly with the Ric label and Brag, will also promote for the entire operation including Newkeys Music songs and art-

Jack Jones Joins RCA

Singer Jack Jones will come to the RCA Victor label under the terms of an exclusive, long-term agreement announced by Norman Racusin, Division VP and General Manager of the RCA Victor Record Division.

Racusin said, "We are extremely proud to have Jack Jones on the RCA Victor label. Jack has already achieved world-wide acceptance as a recording artist, and we anticipate his reaching new heights of acclaim as a major entertainer."

Jones at 29 is currently celebrating his 10th year in show business. He has headlined every major nightclub in the country at least twice, and has made close to 60 guest appearances on network variety shows in addition to headlining two of his own specials in the last four television seasons. He has also been one of the few good music singers who has sold consistently in the wake of the variety of musical trends which have appeared in the music industry. Even more significantly he has won the Grammy Award twice (in 1962 and '64) for "The Best Performance by a Male Singer" in the industry for his renditions of "Lollipop and

Roses" and "Wives and Lovers."

Among his other major hit records are: "Call Me Irresponsible"; "Love With a Proper Stranger"; "Where Love Has Gone"; "Dear Heart"; "The Race Is On"; "The Impossible Dream" and "Lady."

Jones formerly recorded for Kapp Records, who helped mold him into a major singing star. He was also briefly associated with Capitol Records in the late '50s.

London's Maguire to London For Business Meetings

Walt Maguire, National Singles Sales and A&R Manager for London Records, flies to London on Sunday (1) for 10 days of product meetings with the headquarters staff at Decca Records Ltd. of England, as well as with a host of British producers whose disk product is released in America through the London group. These include Parrot, Press, and Deram, in addition to London itself.

The trip marks Maguire's second product planning visit to England of the year, and he has further announced that he expects to make such visits on a semi-annual basis. He continued, "British product has broader impact than ever, with a lot of good-music material becoming evident. Two of our biggest British sellers, Tom Jones and Engelbert Humperdinck, both fall into this broad coverage bag.

"We've taken steps to expand our representation in this field. In England, for instance, we're particularly excited now about a really brilliant writer-ar-

ranger, Les Reed, from whom we expect a lot of good new things. Over there we also have Ronnie Aldrich, the pianist, and conductor Roland Shaw."

During his British trip, Maguire, who just wrapped up a series of New York meetings with the Rolling Stones, will meet with Gordon Mills, manager of both Jones and Humperdinck and with Mike Hurst and Cat Stephens, who produce Stephens' own disks as well as those by other artists. Producers for the Deram label's Amen Corner and The Flower Pot Men are on Maguire's meeting agenda as well.

Maguire is also to meet with Phil Solomon, manager of the Bachelors; Merv Solomon (Phil's brother), who has just brought in a new hit artist in Frankie McBride with "Five Little Fingers," a hit in Britain and now being released in the States; Alan Price, producer of his own current top-five British smash, "The House That Jack Built"; and Joe Roncoroni and Jonathan King. The former has produced earlier King disks and hits by the Zombies.

Kasenetz, Katz Merge With Cordell, Gentry

NEW YORK—Super K Productions principals Jerry Kasenetz and Jeff Katz told Record World last week that they have merged with Richie Cordell and Bo Gentry to form Big Kahoonia Productions.

The foursome will produce the Music Explosion, Tommy James, the Ohio Express, Jamie Lyons, the Groove, ? and the Mysterians, Sam the Sham and the Pharaohs, the Super K Generation (actually Kasenetz and Katz) and Cordell and Gentry also will record and produce themselves (for Bob Crewe).

Big Kahoonia Productions, which is expected to sign an independent production deal with a label shortly, also has just inked the Fairchilds to an exclusive writing-production pact. A publishing firm is in the process of being named, too, and Elliot Chiprut has signed on as an exclusive writer-producer as well. The new office address will be announced soon.

All deals are being handled by attorney Dave Gottehrer.

Sold Over Five Million

Between the four of them, Kasenetz, Katz, Cordell and Gentry have been responsible for over five million records sold in the past year or so. Their combined disk credits include "Little Bit of Soul," the Music Explosion; "I Think We're Alone Now," Tommy James; "Sunshine Games," the Music Explosion; "Getting Together," Tommy James; "Beg, Borrow or Steal," the Ohio Express; "Do Something to Me," ? and the Mysterians; "Mirage," Tommy James; "I Like the Way," Tommy James; "It's Only Love," Tommy James; and "S.O.S.," Christine Cooper.

New releases from the foursome include "Little Black Egg," by Jamie Lyons, lead singer of the Music Explosion; "Heart Full of Soul," Super K Generation; and "We Gotta Go Home," the Music Explosion.

Newmark Exits Audio Fi Post

NEW YORK — Eddie Newmark has resigned his post as music director of Audio Fidelity to start his own production firm.

Newmark will announce extensive details next week.

Martin Block Dead at 64

ENGLEWOOD, N. J.—Martin Block, innovator of WNEW's "Make Believe Ballroom," died here last week following surgery. His age was given as 64.

Velvet-voiced Block, who is generally regarded as the first disk jockey, opened the ballroom in 1934 when WNEW wanted somebody to fill in gaps between coverage of Bruno Richard Hauptmann's trial for the kidnapping and killing of Charles Lindbergh's son. Block played records and chatted and listeners love it.

Key Step-Up

(Continued from page 3)

ists represented by Key Talent Agency.

Gene Norell, a former musician, is set to run the newly opened Las Vegas office located at 2419 Las Vegas South, Las Vegas, Nev., area code 702 phone 734-8282. This branch of the Nashville firm will specialize in booking acts in the Las Vegas areas as well as on the West Coast. Long range plans call for offices to open in New York around Jan. 1 and in the latter part of 1968 in Chicago. Plans also call for the publishing phase of the company to open new offices in Los Angeles and New York in 1968.

"The real reason for the record binge," says Key, "is to build our artists, keep our roster to a minimum and work hard on the records that we do release. The artists that we have would get lost on a major label, while we can give them concentrated effort worth both our whites."

As for the branching out of his company, Key related that, "The days of buying 20 radio spots and placing up 10 posters, and expecting a crowd at a C&W show are over. We're doing this to be closer to the scene and to really promote the shows that our artists are booked on, in the event there is insufficient promotion."

Expects 10 on Rice

About 10 artists are what Key expects finally on Rice. He recently added Chase Webster of "Moody River" fame and plans a teen-country release soon. Also, Helen Carter has been signed to a Rice recording pact, and former Starday artist George Kent to a similar position.

Among the artists being booked by Key Talent, in addition to the big three of Jimmy Newman, Dave Dudley and Bobby Bare, are Claude King, James O'Gwynn, Margaret Lewis, deejay Mike Hoyer, Billy Grammer, Linda Manning, Buddy Meredith, Al Terry, Chase Webster and Tom T. Hall.

ASCAP's \$616,300 Writer Awards Set All-Time Record

Breaking all records, the American Society of Composers, Authors and Publishers is distributing to 1,711 writer-members \$616,300 in awards for 1967-1968, ASCAP President Stanley Adams announces. The new awards are the highest of any during the eight years that the Society has been making these special grants, and bring the cumulative total to more than \$4,000,000.

Some \$296,750 is going to 1,150 writers in the "popular" field, ASCAP creators of pop-rock, rhythm and blues songs, country and western works, jazz and scores for the musical theatre and motion picture industry. The remaining \$319,750 is being distributed to 561 composers of symphonic and concert works, reflecting the Society's commitment to this important but low income segment of American music.

Some of ASCAP's newest members and America's most popular talents selected for awards this year are Bobbie Gentry, performer and writer of the smash, "Ode to Billy Joe," Joan Baez and the Doors (John Densmore, Robby Krieger, Ray Manzarek and Jim Morrison) and the Mamas and the Papas (Papas Dennis Doherty and John Phillips and Mamas Michelle and Gilliam Phillips).

Grants to Jazz Giants

Among the internationally known jazz writers selected for awards by the independent panel of judges are Ornette Coleman, Billy Taylor, Gerry Mulligan, Ella Fitzgerald, Dizzy Gillespie, Benny Goodman, Stan Kenton, Herbie Mann and Mary Lou Williams. Other outstanding award winners are Alfred Smith, rhythm and blues writer of "The Oogum Boogum Song"; country and western writers Cy Coben, Gordon Lightfoot, Erwin Rouse, Hank Thompson, Billy Ed Wheeler and Don Robertson; Lee Hazlewood, creator of "Love Eyes" and "Summer Kindness"; and movie song writers John Mandel and Quincy Jones, Jr.

Musical theatre talents receiving awards include Manos Hadjidakis, composer of "Illya Darling"; Joseph Darion, lyric writer of "Illya Darling" and "Man of La Mancha"; and Clark Gesner, writer of "You're a Good Man, Charlie Brown."

ABC Promotion With Montgomery Ward

ABC Records last week disclosed details of a nationwide, exclusive merchandising and promo campaign with Montgomery Ward & Company for all teen-oriented records released by ABC and affiliated labels.

The tie-in guarantees the sale of only ABC product in the currently established 200 "Combo Shops" located in Montgomery Ward stores throughout the country. The Combo Shop features wearing apparel for teen-age men. Montgomery Ward estimates that by the end of 1967 a total of 400 Combo Shops will be in operation. Each shop will feature a floor display consisting of a browser box containing ABC product exclusively and designating it as "Headquarters for ABC Records."

The program extends to Montgomery Ward's news bulletin aimed at teen-age girls called the "Wendy Ward Pacesetter." The publication reaches over 1,200,000 teen-age consumers and will contain special offers for ABC product.

Personal appearances by ABC teen-oriented artists will be scheduled for the Combo Shops where they will perform. If the Montgomery Ward store is located in a large shopping area, weather permitting, the artists will present a show outdoors followed by an autographing session in the Combo Shop.

One of the first ABC acts taking part in the Montgomery Ward promo will be the newly-signed Candymen who will hit the road on a national promotion tour within the next month. The promotion was negotiated between ABC and Larry Ostrow, Assistant National Retail Sales Manager for Montgomery Ward & Company.

track albums have to the recording industry at this time. We believe Mr. Lewis has an important property and that those he has selected to develop it combine to form a talent package of great prestige."

Morton J. Mitosky, Broadway theatrical investment counselor and RCA Victor consultant, was instrumental in negotiating the deal between RCA Victor and Lewis.

Big Broadway Schedule

In the meantime, RCA Victor Records is enjoying one of its most ambitious and promising Broadway schedules in many years, backing and recording (to date) five important new productions.

Coming up first, off-Broadway, is what the label believes to be the first musical about the Hippie movement, "Hair," which the label will be cutting shortly after opening on Oct. 26. Next, "How Now, Dow Jones," with TV's Marlyn Mason, for mid-November. In late December, the Robert Goulet-David Wayne starrer, "The Happy Time," opens. And in January, "Darling of the Day," starring Vincent Price and Patricia Routledge. Coming after that, the Mata Hari musical, "Facade," with Marissa Mell and directed by Vincente Minnelli.

Chess Regionals

(Continued from page 3)

Chess' air interests, which include owning and operating the high-rated station WVON in Chicago. Discussing the new album product, which shortly would speak for itself, Chess added: "I don't believe in pressure or allocations." Brother Phil then gave a brief salutation.

Loob outlined the LP plan. Next, LaPalm discussed the advertising end, plus the growth of Chess, stating: "We want you to be part of that growth." He then showed the mobile unit and counter display for the release. "This is a battleground, and these are the tools," he asserted. (Later, LaPalm noted that Cadet had begun to issue stereo singles.) Awards also will be given for "bests" and "number of" C-C-C windows to be set up, as decided by photos of same sent to Chess execs.

According to Cooperstein: "We have enlarged our organization and have plans to enlarge it even more . . . We have gone into distribution of our own tape product, both 4 and 8 track . . . Commencing Oct. 15, we will be in distribution of our own reel-to-reel and cassette."

Following the audio presentation of the new product, there was a lengthy group discussion of the mono vs. stereo problem. The general consensus was that mono was dying a slow and frequently deceptive death, but that stereo would eventually take over completely. Said Cooperstein: "Eventually there will be one record, whether it be called compatible stereo or stereo. But the public has to be educated first." LaPalm went on: "I don't think we should create a battle here. It all boils down to supply and demand. If there is a demand for it, we will supply it."

New Releases

It was further reported that starting in January, the entire Chess-Checker-Cadet line will be available in stereo. Right now, the firm is concentrating on the new release, with a special push on "Paint It Black," by the Soulful Strings, which Cadet is re-servicing; and the new Ramsey Lewis package on the same logo, "Dancing in the Street."

Also new from Cadet: "Cry Young," Ahmad Jamal (With Voices); "The Ray Bryant Touch"; "Ain't Doing Too B-A-D, Bad," Bobby Bryant Sextet; "Groovin' with the Soulful Strings"; and "Involve-

ment," John Klemmer Quartets.

From Chess: "Save Your Soul, Baby," Pigmeat Markham; "Sax and the Single Girl," Charlie Chalmers; and "Hannah, The Ideal Mother," Rev. C. L. Franklin. Checker offers: "Rev. C. L. Franklin Presents Sammie Bryant"; "Two Wings," Stevie Hawkins; "Try Him," Dorothy Best Gospel Singers; "God Never Fails," Harold Smith and His Majestic Choir; "The Gospel Truth," the Soul Stirrers; "The Hand of God," Rev. O. M. Hoover; "I Feel It," Meditation Singers; "Move on Up," the Violinaires; and "Blessed Quietness," Ernest Franklin and Choir.

Five previously released evergreens wrap up the current drive. These are: "The Ramsey Lewis Trio Sound of Christmas"; "The Ramsey Lewis Trio More Sounds of Christmas"; "Have Yourself a Soulful Little Christmas," Kenny Burrell; "The Challenge of Christmas," Rev. C. L. Franklin; and "The Gospel Soul of Aretha Franklin."

The success of Chess' first regional sales meetings indicates more of the same.

Tempo To Tower

HOLLYWOOD—Nino Tempo, arranger, conductor, composer, producer and artist, has signed a recording contract with Tower Records in Hollywood, announces Eddie Ray, label's A&R Director.

Latest Re: Colgems, Kirshner

NEW YORK — In the continuing legal actions between Don Kirshner and Columbia Pictures Corp., Screen Gems, Abe Schneider, Berton Schneider, Jerome S. Hyams and Raybert Productions, the latest development is that the Colgems faction has filled papers in support of a motion for an order "striking plaintiff's pleadings and dismissing his claims with prejudice, and awarding dependents' counsel fees in this action, on the ground that plaintiff destroyed relevant and material evidence [tape recordings] which he had been directed to produce" by the court.

Charles Re-signs

Loren Becker (above, standing) has announced the re-signing of artist Ray Charles (seated) to Command Records. Label also reports action on Charles' latest LP, "A Special Something," and recent single, "Little By Little"; and the Pepsi Cola Co. is now making arrangements to use another cut from the album, "Music to Watch Girls By," as a special premium tie-in. The Charles Singers' just-out single is "Take Me Along."

AT CHESS REGIONAL, WASHINGTON, D.C.: at top, Chess execs Herb Lance, Leonard and Phil Chess; Joe Cohen of Essex Distributors, Chess' Max Cooperstein, Max Silverman of Waxie Maxie's, Harry Rosen of David Rosen Distribs, Phil Chess and Record World Editor Doug McClelland; below, Rosen, Phil Chess, Silverman; Jay Jacobs, Aubrey Morris, District Records, Howard Ring, Bob Levinson, Jerry Brenner, Dumont Distribs, Chess' Dick LaPalm.

Pick Hits

THE FOUR TOPS GREATEST HITS

Motown 662(m-s).

Certain to race to the top of charts, this package includes "Baby I Need Your Loving," "Shake Me, Wake Me," "I Can't Help Myself," "Reach Out I'll Be There," "7-Rooms of Gloom," "It's the Same Old Song," "Standing in the Shadows of Love."

THE FOUR TOPS GREATEST HITS

Shake Me, Wake Me • I Can't Help Myself • Ain't The Way Loving You Is Greater Than Ever • Baby I Need Your Loving • 7-Rooms of Gloom • Born to Be Wild • Searching About The Way • It's The Same Old Song • Standing In The Shadows of Love • Reach Out I'll Be There

CHILD OF CLAY

JIMMIE RODGERS—A&M 130; SP 4130.

A singer of great taste, Jimmie wanders through a garden of Rod McKuen, Bart Howard, Jacques Brel, Tom Jones-Harvey Schmidt, Boyce-Hart. "Child of Clay" is on this classy package, too. Deserves attention.

MUSIC FROM DOCTOR DOLITTLE

FRANK CHACKSFIELD—London SP 44102.

The score from "Doctor Dolittle" in minty arrangements by inventive Frank Chacksfield with a kiddie chorus chirping through some of the numbers and Jackie Lee singing "I Think I Like You," "After Today," "Something in Your Eyes," etc.

BURT BACHARACH: REACH OUT

A&M 4131; SP 4131.

This fellow, who created a new way to write a popular—rock and roll, yes—song reinterprets some of his best melodies here. He plays piano on all of them, sings on "House is Not a Home," and gets aid from a chorus led by a gal who sounds suspiciously like Dionne. Glossy, lively, lovely.

IT'S A HAPPENING WORLD

THE TOKENS—Warner Bros. W(S) 1685.

Sliding easily in and out of falsetto, The Tokens sing hits—"It's a Happening World" and "Portrait of My Love"—and take another go at "Wimoweh." The other ditties are equally attractive as crooned by the quartet.

ALL ABOUT LOVE

THE DEANGELIS SINGERS—ABC ABC(S) 609.

Everybody knows and loves the songs on this album. A couple of the cuts, like "When Your Old Wedding Ring Was New," are already getting much air play. Others include "When I Lost You," "Painted, Tainted Rose," "True Love."

Laura, What's He Got That I Ain't Got

BROOK BENTON—Reprise R(S) 6268.

Among the delights of this package is a medley of "I Left My Heart in San Francisco" and "San Francisco (Wear Some Flowers in Your Hair)." "Ode to Billie Joe" and "Laura, What's He . . ." sound great as does Brook throughout.

ODE TO BILLY JOE

BILLY VAUGHN—Dot

Lush treatments of recent and less recent tunes by Vaughn and ork. Carol Lombard sing the "Billie Joe" ode. "The World We Knew (Over and Over)," "More and More," "Cocktails for Two," "Here We Go Again," "Careless."

EXCURSIONS

THE TRADEWINDS—Kama Sutra KLP/KLPS 8057.

The Tradewinds are an extremely exciting group with the added boost of having two stand-out writers cleffing for them—Pete Anders and Vinnie Poncia. "Mind Excursion," "Catch Me in the Meadow," "Only When I'm Dream'." All cuts are very short too.

THE BLUES PROJECT LIVE AT TOWN HALL
Verve Forecaest FT/FTS 3025.

This album begins with the Blues Project's jazzy "Flute Thing," already beloved among their fans. Al Kooper, no longer with the group, is on this package of spicy items. Certain to be a very big attraction for teens.

FOR YOU

JACKIE DESHANNON—Imperial LP 9352; LP 12352.

Gal, who has a large, clamorous following, especially among deejays, sings for all and sundry. "When I Fall in Love," "It's All in the Game," her marvelous current single "Changin' My Mind," "Think of Rain" and other daisies.

GONE WITH THE WIND

SOUNDTRACK—MGM 1E-10ST.

To mark the impending re-release of the greatest American movie, MGM has issued the first authentic soundtrack. Max Steiner wrote the great melodies—among them "Tara's Theme." Package is full of photos and background text.

THIS IS CARMEN MCRAE

Kapp KL 1541; KS 3541.

A great group of standards done to just the right turn by Carmen. "Comes Love," "Angel Eyes," "Ain't Misbehavin'," "The More I See You," "By Myself," "I Only Have Eyes for You," "If Love is Good to Me," "I'm Glad There is You."

OUT OF CRANK

KEITH—Mercury MG 21129; SR 61129.

Although album title is elusive, it must be synonymous with good rock because that's what Keith includes on this package put together by Jerry Ross with arranger-henchmen Joe Renzetti and Jimmy Wisner. "Candy Candy," "Daylight Savin' Time," "Times Gone By."

ALBUM REVIEWS

(Continued from page 10)

CARNIVAL OF THE ANIMALS

CAMARATA—Vista 4028.

A delightful zoological study by Ogden Nash and Saint-Saens the kids and the adults will absolutely go wild for. The Nash verses complement the Saint-Saens grand music. Jolly reading by Camarata himself.

WOLFGANG AMADEUS MOZART IS A DIRTY OLD MAN

NORMAN LUBOFF, IGOR KIPNIS—Epic LC 3966; BC 1366.

It would seem unlikely that an album of Mozart songs would turn into a left field, and perhaps underground, click. But don't rule out the possibility. These are a group of scatological songs from letters Mozart wrote to friends and family!

THE GYPSY AND I

YUL BRYNNER—Vanguard VRS 9256; VSD 79256.

Academy award winner Yul re-teams with Aliosha Dimitrievitch to recreate some of the musical moments they had 20 years ago in Paris when they toured as part of a gypsy band. The songs are haunting, vital tone poems.

THE EYES OF LOVE

WAYNE KING—Decca DL (7)4916.

Lots of appeal here since all the tunes are recently popular ballads. Wayne gives sheen to "Lara's Theme," "Somethin' Stupid," "More," "Tiny Bubbles," "Tara's Theme" and more. Sure to be a sturdy seller.

THE PLEASURE FAIR

Uni 3009; 73009.

Imaginative group who go for the Mamas-Papas-Harper's Bizarre easy listening rock sound. What they do with "Come to the Sunshine" is highly amusing, and "Stay Around for the Good Times," "Barefoot in the Park" and more pleasing cuts.

SONGS OF THE HUNGARIAN MEADOWS ANNY KAPITANY AND THE GYPSY TROUBADOUR—Request RLP SRLP 8093.

Gal, who is a famous Budapest cafe singer (and how romantic those personalities have always been), sings a number of well-known Hungarian songs here and it should do well in Hungarian markets and even otherwise.

Latest Participants Set For MIDEM Meet

The drive to bring about maximum participation by American recording, music publishing and other interests associated with the overall music and record industry in MIDEM 2 will enter its final phase this week, with the arrival in New York on Wednesday (27) of Jean-Claude de Villeroy, international manager of the worldwide market for records and music publishing.

This will be de Villeroy's third visit to this country in connection with MIDEM 2, to take place next Jan. 21 to 27 in Cannes, France. De Villeroy, who will be in Montreal for two days of meetings with Canadian music interests in that city and Toronto prior to his arrival in New York, and Ren Grevatt, American manager for MIDEM, will meet with a number of potential American MIDEM participants for 10 days. De Villeroy is then scheduled to depart for further visits to the music communities of Australia, Japan, and New Zealand.

Only 16 weeks remain before the grand opening of MIDEM 2 on Sunday evening, Jan. 21, when the first galas will be staged at the colorful Palais des Festivals on the beautiful oceanfront at Cannes. Space reservations for offices have been literally pouring into MIDEM's Paris headquarters during recent weeks, according to Bernard Chevy, commisariat

generale of MIDEM.

Discussing the American scene last week, Chevy noted that the latest list of definite participants from the United States includes A & M Records, Disneyland Records, Elektra Records, Jay Gee Record Corp., Kapp Records, London Records, B. T. Puppy Records, RCA Victor Records and Canusa Records of Montreal, Canada.

Latest publisher interests definitely expected to attend include Acuff-Rose Publications, Al Gallico Music, Burlington Music, publishing affiliate of London Records, and Screen Gems-Columbia Music. Officials of BMI have also indicated their intention to participate in the international event.

Beginning about Oct. 1, Chevy said, all firms which have filed their formal applications to attend will receive regular bulletins from Paris headquarters announcing the newest firms to have indicated their intention to attend. In this way, he noted, participating companies will be kept posted at regular intervals on all new applicants, making possible the scheduling of meetings not only with a company's own affiliates and licensees, but with the host of independent producers and other important new entities of the business who will be on the MIDEM scene as well.

King Double Header

UA on Road With Product

The complete sales force of UA Records will take to the road in early October to present distributors with new album product. Each UA distributor will be visited in their local area beginning Oct. 9, and at that time will be shown and sold the new album merchandise for the fall and winter selling season. Shipment on the program will begin Oct. 10.

This departure from UA's standard method of presenting new product was specifically initiated by the label in answer to requests from distributors who are finding it increasingly difficult to attend the numerous meetings held by the disk companies they represent without losing valuable selling time. UA is also responding to editorial campaigns being conducted by several of the leading industry trade organs in reference to the costly and time-consuming slate of meetings that an independent distributor is obliged to attend yearly.

At the same time, the company will be able to present their new line to an entire local staff, instead of to just several distributor representatives, as is the general custom at national or regional meetings.

Exec Itinerary

United Artists Records' VP and Director of Marketing, Mike Lipton, will head the sales contingent. He will be visiting New York, Newark, Chicago and Philadelphia. Album sales chief David Greenman will travel to Cleveland, Detroit, Minneapolis and Madison; singles sales topper Sonny Kirshen has Baltimore, Atlanta, Charlotte and Miami on his itinerary; regional sales staffer Lee Levine hits Pittsburgh, St. Louis, Nashville and New Orleans; Norman Weiser of UA's West Coast organization goes

to San Francisco, Seattle and Salt Lake City; and Charles Goldberg, also on the Pacific Coast, treks to Los Angeles, Dallas, Houston and Denver. Rounding out the United Artists schedule is David Skolnick in Albany, Hartford and Boston, and Ron Eyre who will supervise the Canadian conclave.

In addition to the regular new line of UA merchandise, the company's sales force will be showing new Christmas releases and product from such subsidiary labels as Solid State, Unart, UA International, Tale-spinners for Children and Veep, and will review catalog albums and tape cartridges.

Bach Liberty Regional Sales Mgr.

HOLLYWOOD — Mike Elliot, Sales Director, Liberty Records, Inc., has elevated Russ Bach to Regional Sales Manager of the entire mid-west, covering distributors and territorial sales offices.

Bach, who reports directly to Elliot, will headquarter at Liberty Records Distributing Company of Illinois in-between extensive traveling schedules.

Bach now acts as liaison with all major accounts as well as Liberty branches and independent distributors. As a representative of the corporation, it will be his responsibility to coordinate all sales activity. Bach will concentrate heavily on sales, merchandising and market analysis.

MONEY MUSIC

by Kal Rudman

MOST PICKED RECORD: Cowsills.

"To Sir With Love," Lulu, owns the nation.

Uni Records Has a Hit: "Incense & Peppermint," Strawberry Alarm Clock, is a giant in L.A. Went on most of the big stations.

Johnny Bond Does His Number: "As Long As You're Here," Zal, went on every West Coast station within 24 hours of release. Fast re-orders in L.A. and S.F. On WMCA, KHJ, KFRC, KYA, WFIL, WCFL, WDRG, WRKO, WCAO, KDNB, WHK, KNUZ, WCOL, WUBE, KRIZ, WPGC. Bill Drake played the record first on KHJ.

Dickie Klein of Atco Did His Number: Some laughed when Dickie Klein, Supermite, screamed that "Can't Stop Loving You," Last Word, was a hit. He gave you top 10 in Miami and all Florida, #1 in Lansing and Flint and all that stuff—now can you believe an order for 6,500 from Dallas off KLIF and KVIL? Something's going on!

Kal Rudman

Joe Niagara, WIBG, Philadelphia Says Hit: "Love You Till Tuesday," David Bowie, Deram. So Hal Moore, WHK, says "I'm a Believer." It's on WOR-FM and Ton Donahue in S.F.

We Tipped You On: "You Mean the World To Me," David Houston, Epic. So WMCA, N.Y.C., said we believe and went. Now we'll really see. WIBG, WHK, WCAO, WRIT.

Why Won't They Believe Philadelphia Hits: "The Pleasure of Your Company," G.T.-C.N., Amy, is close to 10,000 off WIBG. Doesn't anybody want to play a proven LIVE record? . . . And then WIBG broke "Everlasting Love," Robert Knight, Rising Sun, to 40,000.

Sam & Dave Are a Pop Act: "I'm a Soul Man" is playing Boston and Milwaukee. They're as pop as Dino, Desi and Billy. And is this record selling.

Tom Jones is getting the big play every place but California. His secret is that the kids dig him, and young adults and old adults love him. Top 40 stations wish there were more artists in this category. The sales are coming in now.

Shelby Singleton has a solid hit with "Let It Out," Hombres. Tip: "I Can't Happen Without You," Power Plant, Diamond; WCFL, WMCA, WIBG.

Kingpins Pulled It Off: "Ode" instrumental is up up and away! **Marvin and Tammi Are Pop:** Name me one label that doesn't want to get into R&B now.

This will be **Aretha Franklin's Biggest:** Written by Goffin & King and Jerry Wexler. That King girl used to come into Jerry's office when she was still in high school. Everyone was nuts about her even then. Some of us think she's the greatest white soul singer in the biz. Ever hear her demos? The title "You Make Me Feel Like a Natural Woman" was Jerry's idea. The monster "B" side from the LP, "Baby Baby Baby," will cause this one to do double sales.

Club Review

Nina is Great

NEW YORK — RCA's Nina Simone, having left the Village Gate field fallow for over two years, returned there recently to sow new seeds of content and dis-

(She returns after her current and first stint in Las Vegas at the Caesar's Palace Lounge.)

There are few unique talents in show business today. Nina Simone is one of them. The antithesis of the singer who comes out to woo, wow and win the audience, Nina Simone believes first in her songs, secondly in herself and only lastly in her audience.

In these days when some performers would swing from a trapeze with a tri-lingual suckling pig dangling from their teeth if they thought it would please the crowd, it's a pleasure somehow to watch Miss Simone come out and get lost, voice and flickering-flame body, in her songs, waving off disturbances from ringsiders with an imperious gesture.

The Simone ability to create mood is well-documented. The night this enraptured critic saw her, she created many moods, like the snappy one on current RCA moralizer "You'll Go to Hell." But none of her moods was better than the exultant one she spun with Billy Taylor's "I Wish I Knew How It Would Feel to be Free." This number could become another Simone signature song.

Money Music (Continued from page 21)

The Committee: "California My Way." White Whale did some sharp thinking and the big stations in the nation agree.

KDKA, Pittsburgh Monster: "Tell Him," Patti Drew, Capitol, jumped from 40 into the top 10 in one week, it was #1 in Philly. THIS IS A HIT.

Paul Power, WRKO, Boston On: "As Long As You're Here," Zal; Hollies; Dusty Springfield; Righteous Brothers; Bee Gees; Gene & Debbie. LP Cut "Do What You Gotta Do," Johnny Rivers LP.

Hal reports that he is on "Felicidad," Sally Field, and the TV show got rave reviews in Cleveland.

WBBQ, Augusta, Picked the Cincinnati smash by The Lemon Pipers and Bill Vermillion, WLOF, Orlando, and Charlie Brown WKIX, Raleigh, went with it. It's charted well in Cleveland, on KFJZ, KNUZ, KNIT in Texas, WBZ.

Claudine Longet Tammi Terrell Miriam Makeba Lulu

"The Land of Oz," Les Cerq, Buddah, sounds good. Check it out.

Fantastic LP by Sonny Bono coming on Atco. There is a 14-minute side called "Pammy Is on a Bummer" that tells it like it is. KHJ-TV asked him to produce a 30-minute film around this cut.

The new Neil Diamond is fantastic and is probably his best—called "Kentucky Woman" . . . There will be a new Van Morrison soon.

Art Roberts, WLS, Chicago, called to report that Wilson Pickett is up to #7. #10 is Turtles. Movers: Brenton Wood; Rolling Stones (both sides). Biggest Mover is Hombres (giant). Jumping: Esquires; Young Rascals; Lulu. #29 is "Expressway." Going on: Purifies; Marvin & Tammi; Cowsills.

The John Fred LP is cooking in New Orleans (WNOE & WTIX). The new John Fred single is "Judy in Disguise."

"She's the Kind of a Girl," Peppermint Trolley, is out there trying for Morris Diamond.

Top Pick at WNOX, Knoxville, is "Can't Happen," Power Plant.

"Soulsation," Capreez, looks good in Philadelphia, went on in Miami, etc.

We heard the new Petula Clark which is called "Nanna" and we feel it will be one of the top records in the nation. We were first in the nation to hear it. It has a tremendous arrangement.

The "Talk to the Animals" side of the Bobby Darin should emerge as soon as the "Dr. Dolittle" movie hits.

Hot Promo Man: Johnny Musso of the West Coast with White Whale is getting heavy recognition as a very effective promo man. This guy is really good and the guys out there know it.

Hit R&B Records Now Pop Smashes

Our hot tips from the R&B area: "Get On Up," Esquires, Bunky, is a solid pop giant in many cities. Also, "Casanova," Ruby Andrews, is making a big move pop like Philadelphia, WMCA, and other markets.

New on "Reflections of Charles Brown," Rupert's People: WING, Dayton; WCOL, Columbus; WINX; KXOA & KROY, Sacramento; KXOL & KFJZ, Ft. Worth; WTRX, Flint; WILS,

On "First": Strawberry Alarm Clock; ("Looks good"). New: "As Long As You're Here," Zal of the Spoonful; Hollies; Dusty Springfield; Righteous Brothers; Bee Gees; Gene & Debb. LP: "Satisfaction," Aretha; "Do What You Gotta Do," Johnny Rivers "Rewind" LP.

Johnny Randolph, WAKY, Louisville, Pick: "A Natural Woman," Aretha Franklin. Chart: Gene Pitney; Hombres; Bee Gees. #10—Sam & Dave . . . Brian Halter, WJIM, Lansing, #2—? and Mysterians. #5—Last Word. #7—Jefferson Hankerchief. Extras: Lulu; Arbors; Bert Kaempfert; Lord Sitar.

Hy Getting Hotter

Hy Lit's syndicated young adult variety show on TV is fantastic in ratings in Philadelphia, Detroit and Boston with a total of three million plus viewers. It is rated #1 in Boston. They will soon be in Cleveland and Oakland. Just about every heavyweight recording star has been on the show. Joe Sarceni is the fantastic director. He has a tremendous creative imagination. Atlantic and Motown and Columbia, etc., order a dozen tapes of each act that appears for use around the nation. The cost of the tape is \$77. The show is available for other markets from Hy Lit at Kaiser Broadcasting in Philadelphia.

WKNR, Detroit, #2—Bob Seger; #4—Brenton Wood; #5—Al Kent; #9—Precisions. Chart: Lulu; Soul Survivors; Vikki Carr; Ray Charles.

"Time Seller," Spencer Davis, went on WIBG, Philadelphia. Wherever there is play, there are sales, like Boston off WMEX; Pick at WTOD, Toledo.

"Keep Your Cool," Terry & Chain Reaction, UA, is selling well in Nashville and in Dallas . . . "You Waited Too Long," Johnny Bartel, Solid State, is selling in L.A.

"You Are My Sunshine," Jimmy McGriff, is getting big play in Boston . . . "Dime At a Time," Del Reeves, is a big C&W record, and this could be another "Girl On the Billboard" for him . . . WIP, Philadelphia is getting action on "No More Waiting," Arnold Goland, UA. "The Idol," Fortunes, now with UA and could have a hit. "All the Time," Jimmy Roselli, went on WMCA, WCAO. Should be his biggest.

High on Committee

White Whale is high on The Committee's "California—My Way" already on KLR, Seattle; KOMA, Oklahoma City; KDWB, Minneapolis; WOWO, Fort Wayne; KYA, San Francisco; KRLA, Los Angeles; WRIT, Milwaukee; WHK, Cleveland, where it's the Pick.

Hot tip: WIBG and WHK are giving heavy play to "Nobody But Me," Human Beinz, Capitol. New Keith: "I'm So Proud"; new Spanky, "Lazy Day."

WLS went on Power Plant and Strawberry Alarm Clock. Kenny O'Dell's "Beautiful People" is on KRLA, KCBQ, WIBG, WMZ, WBAM, WVOK, WAPV and WYSL . . . The Messengers is breaking in Milwaukee where the fourth re-order has just gone in.

Boston just confirmed the L.A. giant, "Incense and Peppermint," Uni, with an order of 16,000. New York confirms with over 10,000. Late confirmation, too, on "Can't Stop Loving You," Last Word, Atco. Close to 10,000 in Boston, good sales in Cleveland, Top 10 sales in Dallas confirm this record which went to No. 2 in Miami . . . It appears that Kapp is going to get a pop hit with "What Are We Gonna Do?", the Just Us. It is breaking in Philly and is starting well in Seattle.

Crossroads Celebrates First Birthday with Major Campaign

With the slogan "You've Heard This Line for a Year," Crossroads Records is launching a major ad and merchandising campaign to celebrate its first birthday. The medium-priced line of classical recordings was introduced to the consumer by Epic Records in September, 1966.

Epic introduced and marketed Crossroads in a lighthearted, whimsical manner. This unique approach was manifest in colorful, humorous album covers, clever advertising which combined the comical drawings of the album covers with eye-catching slogans such as "Strike a Blow for Brahms" and the introduction of a Crossroads digest of musical minutiae entitled "Poof! You're an Expert." This booklet was made available free to consumers when they mailed in the coupon contained in each Crossroads ad.

In January and February, 1967, a massive advertising and in-store follow-up campaign entitled "Update Your Ears" was initiated. Samples of Crossroads' stereo quality were provided to over 120,000 potential customers in the form of a free sample stereo record which contained short excerpts from ten Crossroads albums. A custom merchandising kit, which contained the sample stereo records, along with a complete catalog of Crossroads releases to that date, a dispenser for the sample records and catalogs, a selection of pre-designed ad mats and a poster compiling the reviews received by the Crossroads product in

the first six months of its existence was made available to the distributors.

Now another major advertising and merchandising campaign has been planned, again with a lighthearted approach. The campaign is scheduled for October and November.

Advertising based on the lead slogan "You've Heard This Line for a Year" has been planned for record and hi-fi/stereo publications as well as for college newspapers. These ads will feature the new Crossroads releases as well as a coupon announcing the new free booklet, "Poof II—For the Advanced Expert." Based on the successful "Poof!" of one year ago, this new booklet of "musical one-upmanship" also doubles as a complete Crossroads catalog including all new releases. This year, however, in addition to sending the booklet to all consumers who mail the ad coupon direct, large bulk quantities, along with convenient counter dispensers, will be sent to distributors who, in turn, will make them available to retailers.

(This column appears first in Spanish and then in English)

Paseó su figurita llena de gracia y talento, la singular Lissette, estrella de los Discos Borinquen de Dario González, en el "cocktail party" con que dicho sello hubo de rendirle honores en el Restaurant Liborio de esta ciudad la semana pasada. Acompañaba a Lissette su esposo Chucho Avellanet, artista exclusivo de United Artists. Las actuaciones de Lissette en esta metrópolis han producido los resultados esperados. ¡Aumentaron notablemente las ventas de sus grabaciones en esta área! . . . Pondrá la RCA a la venta el "álbum" de Armando Manzanero el día primero de Octubre. Se luce Armando interpretando su propia cosecha en esta grabación. Se espera que las ventas sean notables, después del triunfo absoluto de sus "No," "Adoro" y "Perdóname."

Comenzó la WHOM una nueva programación en horas de la mañana, a cargo de Rodríguez Díaz y la gran actriz Marta Casañas. El programa es ameno, entretenido e interesante. En su sección de páginas poéticas se luce la Casañas, haciendo interpretaciones de gran altura. Su grabación para Montilla de poesía dirigida a la "Cuba del Exilio" saldrá a la venta próximamente. Marta es una de las voces más logradas de Latinoamérica y se planea lanzar una grabación de "Poesía Romántica" con vistas al gran mercado Suramericano, donde Marta Casañas encuentra terreno propicio para su arte.

Su grabación para Orfeón conteniendo "Sálvame," "Este Fracaso," "Espera," "Duda," "Un Corazón" y "Una Limosna" comienza a moverse muy bien . . . En Nueva York el impulsador del ritmo Peregrina Mike Vazquez. ¡Saludos! . . . Abren también en el Teatro Puerto Rico en esta semana, los integrantes del Cuarteto Montemar, Julio Alonso, director, Anibal Hernández, Pedro Juan López y Sammy López. Su última grabación, lanzada al mercado por Musicor titulada "Mas Exitos de Los Montemar Quartet" está recibiendo una gran promoción.

Abrió el popular Dick (Ricardo) Sugar de la WHBI FM de Nueva York, su "Psycho Room" en "La Calesa Club" en el 60 East de la calle 14. Indica hizo presentación a la prensa, radio, televisión y personal de tiendas de discos de sus estrellas. El acto fué muy lucido, donde los artistas agradecieron a las jóvenes encargadas de tiendas de discos la preferencia y simpatía a sus grabaciones. Entre las asistentes recordamos a Solón Sirias, Paco Navarrete, Norman, Trío Los Brillantes, Claudia, y Los Thunder Boys, todos estrellas de los diferentes sellos prensados por Indica y por el mismo Indica.

Marco Antonio Muniz, figura fuerte del elenco RCA había anunciado su visita a Centroamérica para fines de agosto o principios de Setiembre, dicha jira fue pospuesta para el próximo mesde Octubre, cabe recordar que es precisamente Muñiz una de las figuras preferidas de los Centroamericanos en la actualidad.

Con motivo de las "Fiestas Patrias" Centroamericanas en este mes de setiembre Indica lanzó, muy oportunamente un lindo LP titulado "Patria Grande," donde se incluyen los Himnos de los países Centroamericanos y algunas selecciones de gran significado para los países del Istmo. Tanto los himnos como las otras selecciones son ejecutados por La Banda Nacional de España. Y eso es todo cuanto por ahora ha ocurrido en Centroamérica en el mundo del Disco... y hasta la próxima.

Taking Care of Business

by Del Shields

In a recent column we referred to one of Chicago's outstanding jazz jocks as follows: Of the many jazz jocks currently on the scene taking care of business on the airwaves of America's radio stations, there is none prettier or more soulful than Chicago's **Yvonne Daniels**.

Miss Daniels fills the 7-11 P.M. slot on WDSM/FM, as the Late Den Pal.

Miss Daniels was the former partner of Sid McCoy, the veteran jazz giant of the nation who almost built a dynasty in the Windy City through his many years as host of the nighttime jazz show on the 50,000 watter, WCFL. Her selection by Sid came following the high ratings and loyal following she had chalked up during her period at neighboring WYNR.

When she joined Sid, she brought an amazing accumulation of jazz knowledge. Spicing her shows with a dash of femininity and presenting the female side of jazz, she helped to create one of the most popular male and female radio teams to ever hit the airwaves.

Her constituents in the business praise her highly. She does not rely on total femininity alone. A look at her picture, however, indicates there would be nothing wrong if she chose to take this course to put her message across.

The high compliments paid her are due to her overall

Yvonne Daniels

knowledge of jazz and the professionalism she displays as a jazz announcer.

Inasmuch as our picture was painted in such complimentary hues, there were some unbelievers who felt that the picture could not equal the talent.

But this is **Yvonne Daniels**. Her soft sell is not the purr that most female jocks use à la **Miss Monitor Weather**. She approaches her program equipped with a deep feeling and understanding of the jazz arts.

Perhaps this feeling may stem from her show business family. She is the daughter of **Billy Daniels**, who was the first singer to put real emotion in selling a song. His classic "Old Black Magic" was the sophisticated forerunner of soul.

The jazz fans of Chicago do not think of her as the daughter of **Billy Daniels**. They embrace her because she has a personal way of communicating and making jazz the spiritual involvement and soul feeder it is.

Bill Frangus, WHOO/FM, sent the following missive from Orlando, Florida:

"It was good seeing your column in print again after a few weeks' absence. You were so right about FM's relationship to jazz—FM stations all over the country have almost single-handedly kept jazz alive as far as radio time is concerned.

"In the latest Pulse rating here in Central Florida WHOO/FM rated higher for evening listening than all other AM stations in the area with the exception of one rock and roll station. In the past, this has been unheard of!

"In addition, last April Florida Gas, one of the South's fastest growing corporations, bought my program. They were so impressed that an additional two hours were purchased on Saturday night. They were very happy with the results of FM advertising in this area. With organizations of this caliber backing jazz, our music is bound to make even greater strides in the future.

"One more plus sign for jazz in Central Florida, and I'll close. I have been writing a jazz review and news column for the Orlando Evening Star. This pa-

per has a large circulation in several counties in this state. Last, but not least, we held a jazz concert Labor Day evening here in Orlando. The city of Orlando picked up the tab to fly **Frank Foster** in as guest soloist. I emceed the affair which featured Frank's charts. The concert was offered to the public free of charge and was attended by over 1,800 jazz enthusiasts."

Reports from Other Jocks

Jim Samuels of WBNE, Virgin Islands, dropped by on a quick trip to Montreal and was filled with good words about the recent NATRA Convention in Atlanta. Jim agrees with me that more jazz jocks should join the organization since personal contact does much to increase service.

We also met with **Rick Holmes** of KBCA/FM, Los Angeles, who was in New York and unfortunately had to cut short his stay due to the death of his father.

During the afternoon we had a chance to talk, I was greatly pleased to learn of his many activities. He represents something we've been discussing for some time and that is the jock must get out from behind the microphone and do a little leg work. He tells me he has quite a few national accounts on his show.

Leather Boy Busy

The Leather Boy, currently clicking on MGM with his single, "Soulin'," has been touring and doing TV and radio to promote the record.

Top 40 Techniques

Cousin Brucie Morrow breaks up record producer Tom Wilson by insisting on sharing Tom's mike on MGM's weekly radio program, "The Music Factory." Show is broadcast in stereo on WABC-FM and Brucie wanted to broadcast via the right channel. Brucie was on hand to coach Wilson in the art of rapid-fire, Top 40 announcing. After a few, hectic record intros, Wilson fell back to his own, relaxed delivery and stated that he would accomplish the Top 40 technique by simply re-recording his voice track at high speed.

EMI Sales Conference Flies High

LONDON — E.M.I. Records held its 1967 Marketing & Sales Conference on Sept. 4 and the location was E.M.I.'s own large conference room at Manchester Square.

The conference was attended by all of E.M.I.'s outside sales staff plus key personnel, both from Hayes and Manchester Square. The theme for the conference was "Fly High with E.M.I."

In keeping with the theme, E.M.I. had a promotional tie-up with BOAC and the Manchester Square headquarters was made to resemble an airport terminal.

The welcoming address was given by Managing Director Ken East.

Dealer Incentive Plan

John Fruin, the General Manager of E.M.I.'s Sales & Distribution Division, unfurled the first major item—a massive dealer incentive plan which has been called "Fly to the Sun." This offers E.M.I.'s top 36 record dealers (and their wives) luxury holidays in Bermuda. The scheme starts Oct. 1 and runs right through until the end of January, 1968. It is the first time any major British record company has launched a dealer incentive scheme on this scale. In addition to the major prizes, there are to be numerous consolation awards.

Classical repertoire was dealt with by Leonard Smith, John Whittle and Bill Simmons.

Pop repertoire was dealt with by the pop marketing team of Ron White, Roy Featherstone, Jack Florey, Brian Jeffery and Colin Burn.

White, the General Manager for the E.M.I. Pop Repertoire Division, outlined E.M.I.'s plans, as far as pop repertoire is concerned, for the ensuing 12 months. He also announced a special promo tie-up with the British Radio Corporation — E.M.I. is producing 10,000 copies of a special promotional LP to be distributed by B.R.C. with their new range of gramophones. One side will be classical, with a commentary by Russes Turner, and the second side will feature pop with Alan Dell as commentator.

Featherstone, E.M.I.'s Pop Marketing Manager, addressed the conference at length and divided his talk under four

main headings: recent acquisitions, established repertoire and the "middle" market and special projects.

After referring to the acquisition of successful new acts like the Pink Floyd, he also talked about the deal with Denny Cordell's New Broad Productions, the fruits of which are being released on the reactivated Regal Zonophone label. He discussed that LPs by the Move and Procol Harum are in the planning stage, and that Tony Hall's THE firm is promoting all New Breed/Regal Zonophone product. Featherstone remarked upon the gratifying success of the Beatles "Sgt. Pepper's" LP which had passed the half-million sales mark in the U.K., and said that he had high hopes of a new Beatles album before Christmas.

New product coming from established E.M.I. favorites before Christmas will include a single by the Hollies (Sept. 29), a new LP by the Group in November, a Seekers album, a Herman LP, a religious album by Cliff Richard entitled "Good News," plus an EP featuring him singing material from a Billy Graham film and albums from Vince Hill, Kenn Dodd and Lulu. Featherstone said how pleased E.M.I. was to see Frankie Vaughan back in the charts, after 3½ years with his first single for the company following his recent label switch. A Blue Beat series is to be launched on Columbia. An agreement has been concluded with the independent producer Ziggy Jackson, who will record Laurel Aitken, Blue Rivers and the Maroons and the Bees, among other artists. The series will be released with a yellow label by Columbia and packaged in blue container bags.

Featherstone explained that the term "middle market" excludes the enthusiastic pop and classical markets but encompasses film and show music, humor, the stereo series and sophisticated artists of perennial appeal. This area will be promoted under the tag of "Records for All on E.M.I."

Half a million "Records for All" booklets will be available free in October to support this

market and advertising space has been booked in Weekend and the Radio Times from October till January. Various display items have been designed for dealers.

Command Launching

Featherstone gave details of the plans concerning the launching of the Command label on Oct. 1. Releases would be in stereo only, with an initial issue of 12. The label had been available in the U.K. previously but was now being completely repackaged with full color laminated sleeve fronts and backs, with the focal point of the front repeated on the back. The LPs would retail at 35s each, and to ensure the original American sound, the albums are being pressed from American metal parts. Special promotional aids have been prepared for the Command bow.

Peer Packaged Agenda

NEW YORK — Presided over by President Mrs. Monique Peer-Morris, managers and execs from 17 countries convened last week at Peer-Southern Brill Building headquarters.

A packed agenda—discussed in English, French, German and Spanish—included coverage of the relationship between music publishers and record companies, the current music scene in Southeast Asia, the opening of a record factory in Panama, the demand in Japan for Argentine Tangos, the Nashville scene, sheet music for stage bands written for 60 musicians at college balls and the sound of the sitar now echoing through Peer-Southern's outlets in Spain as well as Britain and America.

P/S delegates also auditioned demos and records of titles aimed to hit world charts by 1968, inspected their printing plant which supplies over a quarter of a million copies of sheet music yearly throughout the world and hosted nearly four hundred industry guests at a cocktail party at the Essex House Hotel.

Mamas, Papas On Sabbatical

HOLLYWOOD — The Mamas and Papas held a press conference last week to announce 1) That they are not breaking up the act; 2) they are doing no further recording and 3) they are leaving for Europe for an indefinite period of time.

John Phillips, speaking for the group, said that they reached the decision to leave the country during a recording session for their fourth album which will now remain incomplete. Phillips said the main reason for their decision was the fact that they felt they were "grinding out the same old stuff" and were making no progress creatively. He blamed this on the pressures of meeting personal appearance commitments and recording schedules.

They may do three concert's, one each in London, Switzerland and Germany, but outside of that do not plan to work. Their choice of a place to live is either Greece or Spain. Moeller Books Stonemans; WSM-TV Airs Family's TVer

NASHVILLE — Two important changes in the career of the Stonemans have been announced by Bob Bean, co-manager for the group, and Jack D. Johnson, President of Jack D. Johnson Talent: bookings for the group will be handled through Moeller Talent, Inc. beginning Nov. 1 and their syndicated TV show will be produced and aired for the Nashville market over WHSM-TV this fall.

The booking change will make the group available in a wide variety of package combinations with other top Country acts also belonging to the Moeller stable of talent. The change will enable Johnson to devote more time to the rapidly-moving career of RCA Victor artist Charley Pride, whom he also manages.

Producer Gene Goforth of Jet-Star TV Productions will continue to oversee activities for the "Those Stonemans" television show. Bayron Binkley of WSM-TV, who has worked with

the Stonemans in earlier TV productions, will be the director. The WSM color version of "Those Stonemans" will include a new set and a variety of new costumes for Donna and Roni Stoneman, but will utilize essentially the same program format.

Important Extra

One important extra will be a top-flight guest line-up co-ordinated by Goforth and Bean. First show of the new series will be aired on WSM-TV Oct. 14 from 4:30 to 5 p.m. (CST).

The show is currently viewed in 30 markets, getting a twice-weekly airing in Wichita Falls, Tex. . . . a procedure which is expected to spread to other areas.

Latest single for the popular group is "West Canterbury Subdivision Blues" with an album, "Stoneman Country," doing well in the charts. They will continue to record on MGM with indie producer Jack Clement supervising their sessions.

Midwestern Tour Next for Sonny

The busiest schedule of personal appearances ever undertaken by Sonny James and his Southern Gentlemen continues with the announcement of a tour for Midwestern promoter Hap Peebles by manager Bob Neal.

Sonny and the Gentlemen will head direct from their appearance at the Painter's Mill Music Theater near Baltimore to start the tour on Sept. 28 in Sioux Falls, S.D. Other towns included on the tour are Sept. 29 Sioux City, Iowa, Sept. 30 Topeka, Kansas, Oct. 1 Omaha, Neb., Oct. 2 Rapid City, S. D., Oct. 3 Grand Forks, N.D., Oct. 4 Fargo, N.D., Oct. 5 Watertown, S.D., Oct. 6 Salina, Kan., Oct. 7 Winchita, Kan., Oct. 8 Kansas City, Kan.

This will mark the first appearance of Sonny James and troupe in most of these cities in approximately seven years. Sonny currently is featuring his fast-rising Capitol record release, "It's The Little Things," and an LP that is moving toward the top of the charts, "I'll Never Find Another You."

Red Automobile" is proving to be a turntable monster.

Spoke with **Fred Boyd**, the Orlando, Fla. native now living here, about his new ABC Records release, "Don't Tell The Folks In Memphis." The record, according to **Stubby Stubblefield**, has all the ingredients necessary to make it a number one record. The label also just signed former Capitol singer **Kay Starr**.

Record Row rumor has **Mr. & Mrs. Ralph Emery** expecting a visit from Sir Stork soon.

K-Ark Records president **John Capps** has been making frequent trips to Wheeling, W. Va. in recent weeks to the fabulous Ponderosa Club. The plush place has started using Nashville-based C & W talent on Friday nights and K-Ark artists on Saturday nights. Another plus for country acts.

Larry Page reports that **Cheryl Pool's** "Gotta Be a Woman" on Paula is looking real good everywhere. Also **Nat Stuckey** will be in Nashville for the convention in October to be followed by a recording session afterwards.

All country & western station **WEYY**, Talladega, Ala. now has a new sister station, according to **Don Stephens**, PD. The call letters are **WANL**, Lineville, Ala. and new records, current and past are badly needed. Mail to **Don Stephens**, **WANL**, Lineville, Ala.

Caught a few words with **Bill Anderson** in between business sessions with manager **Hubert Long** and he revealed that he'd be singing the title song in the movie "Stranger on the Run," due for world premiere on NBC-TV Oct. 31. Flicker is a western with **Henry Fonda** and **Anne Baxter** in leading roles.

Sandy Posey Moves to Memphis

Teen singer **Sandy Posey** has moved her belongings to Memphis from Nashville. She does her MGM recording in the Bluff City.

Johnny Darrell, presently enjoying the success of a new release "Come See What's Left of Your Man," has just signed with the **Moeller Talent group**.

David Houston's appearance on the "Tonight" show was so knocked out that everyone should be proud to be associated with the country & western scene. Houston just wound up an album recording session last week under **Billy Sherrill's** guidance.

Recovering from gallstone surgery is MGM singer **Roy Orbison** at a suburban Nashville hospital.

The country music world mourned the passing last week of **Mrs. Myrtle Deason**, the mother of **Kitty Wells**. Mrs. Deason had been living with **Kitty** and husband **Johnny Wright** for sometime.

CMA Voting Underway

NASHVILLE — First round of voting by the entire Country Music Association membership got underway last week as members reviewed the list of nominations which have been mailed out by Price Waterhouse & Company. The closing date for first round voting is Sept. 23, with all ballots due in the Price Waterhouse offices by that date.

Charles Walker of Price Waterhouse reviews the balloting procedure for the first annual CMA C&W awards with CMA President Paul Cohen and Awards Chairman Bill Denny.

Following the first round voting Price Waterhouse will tabulate the five nominees in each category receiving the most votes. A listing of these nominees will be mailed to the membership for the selection of the eventual winners.

The Awards show will be presented the evening of Oct. 20 at Municipal Auditorium.

Artists Sign CMA Code of Ethics

NASHVILLE — Five top country and western artists represented by the Bob Neal Agency have signed the "CMA Code of Ethics." The Code of Ethics was recently prepared by a committee of country and western performers as the proper guidepost for all country performers.

"I'm extremely happy that five of our top artists have voluntarily signed the Code of Ethics," said Neal. "I'm sure that other artists that we represent will sign the Code, but busy road schedules have kept them from being in Nashville recently."

Those signing the Code of Ethics include Sonny James of Capitol Records, Liz Anderson of RCA Victor, Conway Twitty of Decca Records, Nat Stuckey of Paula Records and Johnny Paycheck of Li'l Darlin'.
