WHO IN THE WORLD

RCA into Publishing
Field with Gerald E.
Teifer in Charge.
Story is on Page 3.

In the opinion of the editors, this week the following records are the
SINGLE PICKS OF THE WEEK

Petula Clark has some advice for her stubborn lover on "Don't Sleep in the Subway," a ditty that makes dollars and sense (Warner Bros. 7049).

A gritty, infectious re-doing of "You Must Have Been a Beautiful Baby" by The Dave Clark Five. Beautiful future (Epic 5-10179).

One of his best, Joe Tex gives out the bouncy r/b word that "Woman Like That, Yeah" and everybody will like it (Dial 4059).

SLEEPERS OF THE WEEK

Tony Orlando has a "Sweet, Sweet" rock sound with easy driving rhythm. The fellow should enjoy sweet success (Cameo 471).

"River Deep—Mountain High" is a Greenwich-Barry-Spector song with great potential. Toni Wine gets all emotion out of it (Senate 2104).

Upbeat, bright song about a guy having love heartaches. Howard Tate will cheer up with "I Love You, Baby" sales (Verve 10525).

ALBUMS OF THE WEEK

Advance orders for "Headquarters," the new Monkees packageful of cuts and cut-ups, is already extremely high. Many a singles possibility in the elpee (Colgems COM/COS 103).

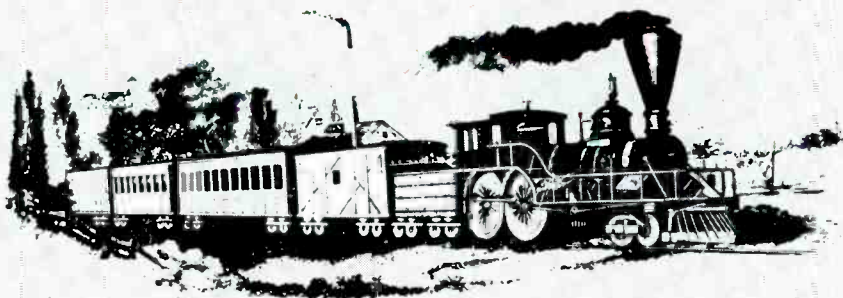

The title of the album tells the story and sales will be the moral. "The Best of Eric Burdon and the Animals Vol. II" is a click (MGM E/SE 4454).

Brenda and the Tabulations proved their prowess with "Dry Your Eyes." That single, plus the new one, "Who's Lovin' You" and "Stay Together Young Lovers," is here (Dionn LPM/LPS 2000).

Negro Artists Controversy

Editorial Improves Fan Mag Problem

The recent (April 15) editorial in **Record World** entitled "Record World Breaks 'Conspiracy of Silence' to Demand 'Fair Play' For R & B Performers in Record Fan Mags" has caused national interest.

During the last few weeks praise for **Record World's** stand has appeared in such diverse sources as the Philadelphia and Pittsburgh editions of the *Courier*, the nationally syndicated Walter Winchell column and the widely quoted "On the Line in New York with Major Robinson." Letters from artists, managers, agents, record companies and fan magazines have poured in daily.

For the most part, these have been in complete agreement with our original position:

"The major fan publications are practicing a 'white only' policy in their pages. Such major names as James Brown, the Supremes, Martha and the Vandellas, Wilson Pickett, the Five Stairsteps, Otis Redding, the Miracles, the Four Tops and dozens of other artists who have made it to the top of the pop charts again and again get either no coverage at all or only the most meaningless and demeaning 'token' attention.

"It is often easier to get national consumer magazines . . .

"No one is finding fault with the artists now getting the attention of the fan magazines. The question is, what authentic reason can there be to exclude the Negro talent that has become so widely accepted by disk jockeys, television shows, the consumer press and most importantly on the bestselling charts in the record trade publications?"

Without question, however, one of the most gratifying results of all came to us in a letter which we have just received from *Hullabaloo* magazine:

Great things are in store for all future issues of *Hullabaloo* in its coverage of Negro artists. In the June edition we have a story on the Four Tops. In July we have a three-page spread on "Chicago Blues" written by Tony Glover, covering every big Negro blues names. Bob Rolontz has written a "Memphis Sound" piece for our August issue (two pages) mentioning all the top Rhythm and Blues names emanating from the Stax-Volt stable.

We will be interviewing the Supremes for a two-pager in September. I would also like to call your attention to the fact that *Hullabaloo* will run at least two pages on Negro artists in all future issues.

Bruce A. Gedman
Executive Editor
Hullabaloo

Magazines Now More Receptive

Mr. Gedman went on to say in his letter, from which we have run excerpts, that he believes that his publication, as well as the other record fan magazines, are now more receptive than ever before to material on R & B artists and he urged record companies, publicists, managers, agents and the artists themselves to "maintain a steady flow of press releases, bios, pictures, records and fact sheets."

We are proud that **Record World** has played an important part in breaking the "conspiracy of silence."

Refice Sales Mgr. of All Non-Decca Distributed Wax

Decca Distributing Corporation VP and General Sales Manager Sydney N. Goldberg, announces the appointment, effective immediately, of the company's former Cohoes branch manager Leo Refice to the executive post of Sales Manager of all non-Decca distributed product.

At the same time, Goldberg made known the appointment of Howard McGrath to replace Refice.

Refice, a member of the Decca sales organization since August of 1946, joined the company as office manager in the Scranton, Pa., sales outlet. In 1948 he was transferred to Philadelphia and handled sales throughout the North East section of Pennsylvania. The years 1951 through 1955 he headed the branch operations for the company in Scranton, Pa. and then Harrisburgh, Pa. and in 1957 moved on to Buffalo to become branch manager in that city. After a short tenure in the executive offices in New York from 1959-61, he was next

tapped to head up the branch at Cohoes, N. Y., a post that he held up to last week and the announcement of his new executive sales duties.

Based in New York

In his new assignment, Refice will base at the company's New York executive offices, located at 445 Park Ave., that city, and will report directly to Sydney N. Goldberg.

UA Tape Shows 100% Increase

The United Artists Records four track and eight track stereo tape cartridge catalog has shown a 100% increase in sales during the first quarter of 1967, announces Mike Lipton, Vice President, Marketing.

Lipton also stated that UA will continue its present policy of releasing all major product on tape. This will include such currently hot chart groups as the Spencer Davis Group and the Easybeats, and performances from such best-selling artists as Jay & the Americans, Al Caiola, Bobby Goldsboro, Jimmy Roselli and the firm's big country trio, Del Reeves, Johnny Darrell and Bobby Lewis.

United Artist Records, long an industry leader in the field of motion picture music, is being paced to its outstanding tape sales period by its extensive backlog of major soundtracks, including the Beatles' "A Hard Day's Night," "Goldfinger," "Hawaii" and the current blockbuster, "A Man and a Woman."

Another UA tape cartridge sales leader has been the instrumental duo of Ferrante and Teicher. Also a strong seller in the contemporary area is Anthony and the Imperials whose set, "The Best of Anthony & the Imperials," is assuming the proportions of a national best seller.

United Artists Records will continue to back its entire line of four track and eight track stereo tape cartridges with an extensive advertising and marketing campaign.

Col Tape Prices

(Continued from page 3)

stereo tape cartridges by these artists will continue to be priced at \$7.95, as will two new TC8 cartridges, "Paul Revere and the Raiders' Greatest Hits" and "Bob Dylan's Greatest Hits," scheduled for release in June.

Refice at Decca

(Continued from page 3)

Like Refice, McGrath also joined the company in 1946 and from that date until 1961 was on the staff of the company's Buffalo, New York branch in a number of sales and administrative posts. In 1961 he joined Refice in the Cohoes sales outlet and served as his assistant until this week and Mr. Goldberg's announcement of his appointment as manager of that city's branch.

'Mame' Promo At Korvettes

Columbia's Records' original Broadway cast album of "Mame" has been certified for a gold record by the RIAA for sales in excess of one million dollars. The LP was recorded under the supervision of Goddard Lieberson, President, CBS/Columbia Group, shortly after the show opened in May, 1966.

In honor of "Mame's" first anniversary, the E. J. Korvette stores throughout the East and Midwest have proclaimed May to be "Mame" Month and have launched a full-scale promotion on the show and its cast album. "Mame" star Angela Lansbury visited Korvette stores in the New York area where she chatted with fans and autographed copies of "Mame."

SENATOR EVERETT MCKINLEY DIRKSEN
—Capitol (S)T 2754.

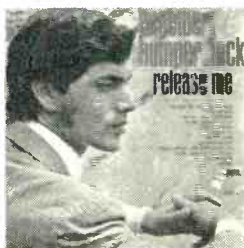

The Senator follows his patriotic album with an equally moving inspirational one. He draws his material from the Bible and other religious works. John Cacavas has again supplied reverential background music. Stock well.

RELEASE ME

ENGELBERT HUMPERDINCK—Parrot PA 61012; PAS 71012.

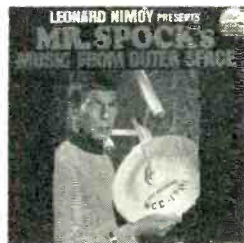

New name, and what a name. Engelbert Humperdinck, released "Release Me" and suddenly was a chart-high performer. On this package he struts his manly stuff in a variety of tempos, starting with his single click and then "Quiet Nights." "This is My Song."

LEONARD NIMOY PRESENTS MR. SPOCK'S MUSIC FROM OUTER SPACE

Dot DLP 3794; DLP 25794.

One of the most popular new TV personalities is Mr. Spock, the "Star Trek" regular, played by Leonard Nimoy. Nimoy sings, narrates and includes instrumentals in this album tribute to the character he plays. "Where is Love?," "Star Trek" theme.

FOREIGN AFFAIRS

VIC DANA—Liberty LRP 2051; LST 8051.

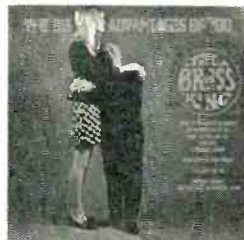

Thoroughly likeable young crooner Vic displays smooth pipes and excellent taste on his new package with an international theme. "If You Go Away," "Trains and Boats and Planes," "A Nightingale Sang in Berkeley Square."

THE DIS-ADVANTAGES OF YOU

THE BRASS RING—Dunhill D 50017.

Phil Bodner's group clicked recently with the Benson & Hedges theme "The Dis-Advantages of You," and he adds other recent and attractive themes to this and comes up with breezy, summery package. "Born Free," "A Man and a Woman."

A QUARTET OF SOUL

VARIOUS ARTISTS—Musicor MM 2131; MS 3131.

The Platters, Inez and Charlie Foxx, Tommy Hunt and Barbara and Brenda split up the work on this diverse package. They all sing hits that they've released in recent months. "I Love You 1000 Times," "Tightrope," etc.

SOMEWHERE MY LOVE

FRANKIE CARLE—Dot DLP 3802; DLP 25802.

His second Dot release and a likely click, too. Ten new and old songs heard around quite a bit these days are contained. "Somewhere My Love," "Strangers in the Night," "You're Nobody 'Till Somebody Love You," etc.

LOOK TO LOVE

SHANI WALLIS—Kapp KL 1527; KS 3527.

THROUGH EUROPEAN WINDOWS

ROD MCKUEN—RCA Victor LPM/LSP 3786.

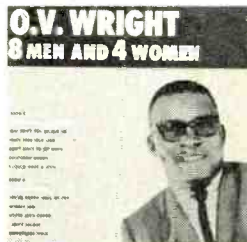

Singer-songwriter Rod McKuen has been busy in his role as translator recently, working on Jacques Brel, Gilbert Beaud, etc. tunes and here are a bouquet of them. The best known is the new "I'll Say Goodbye."

8 MEN AND 4 WOMEN

O. V. WRIGHT—Backbeat 66.

"8 Men and 4 Women" and O. V. Wright and 11 other tunes make an enticing r/b album. The title tune is currently gracing charts and so sales action is off on the right foot. "Why Don't You Believe Me," more.

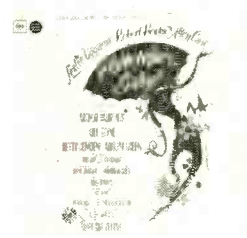

ORIGINAL CAST

HALLELUJAH, BABY!

ORIGINAL CAST—Columbia KOL 3090; KOL 6690.

Short on compelling drama, "Hallelujah, Baby!" the new Leslie Uggams musical is long on effervescent musical moments and here they are with Robert Hooks, Allen Case and Lillian Hayman chanting along. "Talking to Yourself," "Smile, Smile," more.

SOUNDTRACK

THE HONEY POT

SOUNDTRACK—United Artists UAL 3159; UAS 5159.

Oscar-winning John Addison tossed off this score with a great deal of style and panache, which is the perfect accompaniment for Joseph Mankiewicz' witty scenario. Rex Harrison and Susan Hayward head "The Honey Pot" cast.

IN LIKE FLINT

SOUNDTRACK—20th Century Fox (S) 4193.

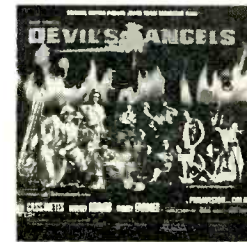

Jerry Goldsmith supplied the funky, jazzy, inventive music for the second in the series of Flint flicks. (Goldsmith also wrote the first score.) And it's highly likely to appeal to the fans. Leslie Bricusse wrote "Your Zowie Face" lyrics.

DEVIL'S ANGELS

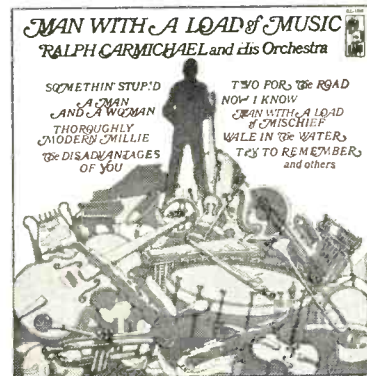

SOUNDTRACK—Tower (S)T 5074.

More Hell's Angels-type music from new movie with The Arrows providing all the playing except for the title tune, which is done by Jerry and the Portraits. Mike Curb, who has the touch, produced the package.

Decca Opens Woodside Branch

Sydney N. Goldberg, VP and General Sales Manager of Decca Distributing Corporation, has announced the establishment of a New York sales branch, located at 34-24 56th St., Woodside, telephone 478-6700, to meet the demands of the company's ever-expanding share of business throughout the entire New York metropolitan area.

This Decca sales outlet, the 22nd in a line of fully owned company branches from coast to coast, will be under the supervision of James McDonald, long-time Decca sales manager of the New York area.

Goldberg stated, "With the tremendous increase in our volume of business throughout the metropolitan New York area we feel that the time is now opportune to open a physical branch in this city to best service the needs of our customers with our highly diversified record, tape and musical instrument product in all segments of this important market."

Along with the Decca, Brunswick and Vocalion labels, the company's New York branch will also be the exclusive sales outlet in the area for LHI Records, the jointly owned Decca-Lee Hazlewood label, the full line of Berlitz language product and a highly selective gospel line on Word Records.

RCA Intro's Language Series

On May 10, RCA Victor introduced the new stereo 8 cartridge language series to the press at a party held in New York's Four Seasons. The series provides basic, intermediate and advanced instruction in French, German, Spanish and Italian. The party featured cuisine, beverages and costumed interpreters representative of the four countries. Shown above at the French display is Robert Sarnoff, President of Radio Corporation of America, and Bob Austin, Publisher of Record World.

Another Date Duo

NEW YORK—Further proof that duos (Peaches and Herb, etc.) are "in" at Date Records: Mr. and Mrs. Ed Mathews (he heads up the label) became the parents of twins, a boy and a girl, Nicole Beth and Philip Harold, last week. There are three other Mathews children.

Club Review

Steve, Eydie Delightful

NEW YORK—Steve Lawrence and Eydie Gormé have been in a Broadway mood of late, with their current Columbia LP, "On Broadway," and plans to co-star in a musical version of "A Hole in the Head."

In their current Waldorf-Empire Room tandem turn, they are keeping the thought—beautifully. The young marrieds work smoothly together, although they spend a good portion of their lengthy act in a Bickersons mood as well. Miss Gormé, in particular, at least in her Empire Room showing, has developed into a facile, three-dimensional performer, given too much to giggling, perhaps, and "breaking up" (the latter a shortcoming she shares with her spouse), but still a young lady with an excellent vocal instrument. With the years, she has acquired not only the polish necessary to stand out in her metier, but also an underlying pathos that makes such ballads as "Guess Who I Saw Today" (especially) and her Grammy-winning "If He Walked into My Life" the highspots of the evening.

Steve has already proved he can carry a Broadway show ("What Makes Sammy Run"); and Eydie shows she is ready, too, and then some. The gal also is looking svelte, an ad-

jective that describes her clear-voiced, agreeable husband who opens their current stint with several solos before the Missus shows. When Eydie appears, Steve self-effacingly becomes a skilled foil for his lady, in both humor and harmony. He has already proved he can sock across a powerful "Impossible Dream" to rank with the best of this oft-done number.

The pair, as mentioned, are ill-advised to engage in much of their banter—Eydie: "I gave you the best years of my life!"; Steve: "I didn't want the best years of your life. I only wanted a couple of good nights!" They don't need this. And their breaking-up when we caught the program on the "Sunrise, Sunset" number was jarringly protracted and out-of-place, even if it wasn't planned.

However, Steve and Eydie are solid entertainers, and should be caught wherever, and as long as clubs can afford to pay these two high-powered individual "names" as a double.

Although they end their act with "The Honeymoon is Over," it definitely is not.

Money Music

By KAL RUDMAN

Smash of the week: both sides of the Bee Gees! The "B" side, "Can't See Nobody," went to #1 in Boston. Picks everywhere on the "A" and the "B" side. Then Atlantic has the #1 and #2 selling records in the nation, "Respect," Aretha Franklin, and "Groovin'," Young Rascals. And the new Sonny and Cher, "Plastic People," is a gas! As we were first to point out and predict, Booker T. is a smash!

This is the week that will be long remembered by pop music directors. The records that Record World and "Money Music" went out on the limb on over a month ago have ARRIVED as confirmed pop smashes. This proves that when a trade mag has a legitimate basis for predicting that records will make it nationally, the odds are very good that it will all turn out just that way.

Kal Rudman

Thus: 1. "No Good To Cry," Wildweeds, Cadet, hit #1 with Bertha ("Our Leader") Porter, WDRC, Hartford. That was enough for us. Smash in Boston. It is top 5 in New Orleans, hit in Cleveland, and breaking everywhere; 2. "Hip Hug-Her," Booker T. and M.G.'s, Stax—it quietly sold 300,000 R&B. We were astounded to see it hit #2 at KOL, Seattle—a pure pop area—then it hit #2 in Louisville and #2 at WQXI, Atlanta and broke in Des Moines. We kept the info flowing to you in these columns. Now it is a national giant; 3. "Together," Intruders, Gamble—sold over 25,000 in Philadelphia, both R&B and off WIBG. It went on CKLW, Detroit, at #12 and is the first teen pop-R&B ballad to make it big in Detroit in a very long time; KDKA-Pittsburgh went on it and it went Top 10 WITHOUT ANY play at pop-oriented KQV; Bertha Porter who is very alert to the pop hits went with it very quickly. Then WQXI, Atlanta; WCFL, Chicago; WRKO, Boston; WNOE, New Orleans; WMCA, New York and many Southern stations went with it. It has exploded on the trade charts, because the sales are THERE; 4. "For Your Precious Love," Oscar Toney, Jr., Bell—Record World gave the very first word on this MONSTER. WSAI, Cincinnati,—which plays little R&B—proved it first as a pop giant; 5. Our key barometer station, KPOI, Honolulu, which has been first on ever so many records, charted "Don't Blame the Children," Sammy Davis Jr., at #1 a long time ago—which we reported—and it is coming through as a giant—drawing fantastic phone response in many areas, and is Top 10 at KIMN, Denver; 6. "Oogum Boogum," Brenton Wood—was reported as an R&B giant out of Chicago and Charlotte. It is coming in big pop; 7. "Can't Take My Eyes Off You," Frankie Valli—we reported overnight sales of 20,000 in Philly off WIBG—then N.Y.C. This one can't miss!

Tips from Money Music

Bertha Porter Spotlighted "I Stand Accused," Glories, and WIBG followed. It's a hit! . . . "Alfie," Dionne Warwick, is not an R&B song but R&B sales are gigantic, it's a pop giant in Detroit, and is now breaking at key barometer station WCOL, Columbus, Ohio.

Scepter-Wand has the smashing #1 seller in Houston, "99th Floor," Moving Sidewalks, and KILT picked out big R&B tip, "Why Am I Treated So Bad," "Sweet Inspirations, Atlantic . . . Jim Dunlap tips us about a local smash at WQAM called "What You Gonna Do About It," Evil, Living Legend, which we feel will be a giant when a big label picks it up. Miami is also high on "Girl I've Got News For You," Benny Lattimore, Dade . . . WCOL, Columbus, was first to chart "Little Bit O' Soul," Music Explosion, at #1, which is where it's going nationally . . . Dallas was first to chart Jon and Robin a #1.

Neil Diamond has lived up to every prediction made for him in this column as "Girl, You'll Be a Woman Soon" hits #3 in national sales . . . Everyone in the biz is marveling at how the Happenings, guided by the Tokens, created such an amazing "cell sync," ingenious, pin-point harmony, contrapuntal arrangement of a very old standard like "I Got Rhythm" and went to #4 in sales. This is the great arrangement and record idea of the year! . . . Everyone is amazed at how an old C&W hit like

Acuff-Rose Meets Re Europe Growth

NASHVILLE—British affiliates of Acuff-Rose Publications, Inc., will assemble in Nashville in the near future for a series of meetings on European expansion for the organization.

Wesley Rose, president of the company, announced the scheduling of the meetings following a recent visit to London. Nick Firth, general manager of Acuff-Rose Music, Ltd., and Colin Berlin, who heads the Acuff-Rose agency operation in England, will be involved in the meets along with other company officials in Nashville.

Rose said that further overseas expansion would be discussed in Nashville, along with mechanics for a closer working relationship between the organizations in the U. S. and in England.

Acuff-Rose Music handles European publishing activities.

Bennett Silver

LONDON — Tony Bennett flew into London Airport on May 11 and was greeted there by disk jockey Pete Murray who presented him with a Silver Disc for sales of his new standard, "I Left My Heart In San Francisco."

The Harold Davison-presented Basie/Bennett concert tour of the UK is a sell out.

Kapp in Europe

Dave Kapp, President of Kapp Records, left for Europe on May 20 to meet with European affiliates.

Kapp will be in London for a few days and then will attend the meeting of the International Federation of Phonograph Industry in Paris, starting Tuesday, May 23. Kapp also plans to meet with producers and publishers in both England and France, seeking material for Kapp artists. He expects to set up production deals with foreign producers in both countries.

Maxin Overseas

NEW YORK—Arnold Maxin, Executive Vice-President of Big 3 Music, arrived in Europe, May 22, for a round of conferences with the publishing firm's overseas affiliates.

Maxin will hold London, Paris and Rome meetings to discuss current music product and general policy relative to Big 3 world-wide music exploitation. In recent months the Big 3 network of international publishers have substantially stepped-up their exchange of new material.

Dru Harvey To America

LONDON — Dru Harvey, Director of Harvey Block Associates, Ltd., flies to New York on Monday, May 22, for a round of business talks with American show business interests.

Primary objectives of the trip are placement of masters with American record companies and setting of American acts for U.K. and European tours.

Dru Harvey

In the first instance, Harvey is hopeful of establishing a new and deep relationship with American record producers and marketers. He is at present considering an offer from EMI records for exclusive rights to all his record production activity but, before making such a commitment, he is to put proposals to U.S. record companies and listen to counter offers.

Negotiating

Coincidentally, during his four day stay in New York — at the Waldorf-Astoria — he will negotiate European exposure for upwards of a half dozen top American acts.

Harvey Block Associates was formed last year as an agency and record production company and is associated with such acts as the Troggs, the Moody Blues, the Loot and the Outer Limits, among others.

The company has developed links throughout Europe, but Harvey's U.S. trip is its first excursion into the States.

Their London address is Chandos House, 45/46 Chandos Place, London, W.C.2.

Pitney Travels

Gene Pitney, whose travels are estimated at close to 100,000 miles a year, will shortly hit the overseas trail again. His itinerary lists visits to England, Italy, Australia and New Zealand between now and September, with a strong possibility of additional visits to Hong Kong and Japan after the New Zealand stop.

Williams Tour a Winner

When Andy Williams recently arrived in Tokyo, the Columbia Records artist was greeted by thousands of enthusiastic fans. This, Williams' first tour of the Orient, will include concerts in Tokyo, Osaka, Kyoto, Yokohama and Nagoya. RCA's Henry Mancini and his Orchestra are traveling with Williams throughout the tour. In addition to breaking all house-attendance records for each of his concerts, Andy and show are also appearing at army hospitals throughout Japan.

Powerful Regional Records

"Mary In the Morning," Al Martino, was an overnight smash in Philly. This is a beautiful HIT song! . . . "San Francisco," Scott McKenzie, is a giant in S.F. and L.A. and a HIT . . . "It's Cold Outside," the Choir, is a big #1 in Cleveland and is now breaking in many markets . . . "Bowling Green," Everly Brothers, is their first hit in too long . . . Bertha Porter reports that "The Collector," #1, Kapp, is a hit . . . "Misty Blue," Eddy Arnold, looks great . . . "They're Here," Boots Walker, Laurie, looks very good . . . "Someone Else's Arms" is a top 5 Smash in Boston for MGM and the artist is Rick Coyne, their promo man in Boston . . . "Thread the Needle," Clarence Carter, Fame, is a smash Birmingham.

Morris Diamond may have his first hit with "Step Out of Your Mind," American Breed, Acta . . . "Summer and Sandy" is another-hit-to-be for Lesley Gore . . . "Girl You Captivate me," Monkees.

"Brown Eyed Girl," Van Morrison, sounds potent . . . Mike ? and Mysterians, is a sure hit for Cameo . . . Mike Harvey, WFUN, Miami, confirms the Choir . . . "Summer Afternoon," Vogues, is choice . . . "Save Your Money," Lonnie Mack, is hot in the mid-West . . . "Flower Music," Osmond Brothers, can be a hit . . . Tom Jones looks good . . . Mojo Men hot on the West Coast . . . Gary Lewis looks very good in Pittsburgh. Since KQV plays almost no R&B, you must follow 50 Kw KDKA to know what R&B-pop records are selling legit in Pittsburgh in the pop stores.

"California Sunshine Girl," Shackelfords, LHI, is getting as much play as any record I've seen.

Good pop play has begun on "You Send Me," Johnny Thunder, Diamond, with WMCA, New York; WCFL, Chicago; WCAO, Baltimore.

We cannot believe the fantastic new sound of the Serendipity Singers on U.A. as they come with a song that's #6 in England called, "Boat That I Row" . . . Good cut in the Easybeats LP is "Sea Lion Woman." We've always felt this song is a hit . . . "Ooh Baby, Baby," Lawrence & Arabians, Shout, going the pop route at WPTR, WAVZ . . . Congrats to WING, Dayton, for breaking the Everly Brothers first. It's spreading fast.

Tremendous play on WMCA on "Up Up And Away," 5th Dimension. This is a great song. WMCA is also heavy on "San Francisco," Scott McKenzie, as is Philly, Cleveland, Hartford, Chicago. Hit!

Round-Up

"Hip Hug-Her," Booker T & M.G.'s, is a giant pop in Seattle, Des Moines, Louisville, Atlanta, going in Miami, New Orleans and many key stations picking it up. Sales are already over 350,000.

Add Cleveland (with four weeks play) to confirm hit sales on "No Good To Cry," Wildweeds, Cadet. It went to top 5 New Orleans, #1 Hartford, smash in Boston, giant through the South . . . "Woman Will Do Wrong," Helene Smith, Phil-La, is a smash in Birmingham . . . Gene Creasy, WCAO, Baltimore, went with "Love Song," Artisticks, and reports "Together," Intruders, Gamble, as a hit . . . Dick Starr, WFUN, Miami, reports "Thread the Needle," Clarence Carter . . . Jim Dunlap, WQAM, Miami, confirms the Everly Brothers . . . Mitch Ryder is gigantic in Pittsburgh . . . Paul Drew at CKLW, Detroit, confirms "Together," Intruders, as a smash . . . WQXI, Atlanta, Ken Burkhardt, went on the Carolina hit, "39-21-46," Showmen, Minit.

"Shake," Otis Redding, is basically a pop rather than an R&B hit, and has already been proven large in the South pop . . . Sandy Posey starting first in the South, as Johnny Rivers is starting inevitably first in L.A.

"Brown Eyed Girl," Van Morrison, Bang, is beginning very well in the South . . . WQXI went on "Make Me Yours," Betty Swann, Money, which is an R&B giant and is very pop sounding. It's #1 in Columbus, Ga., with Allan Boyd . . . "He We go," Ray Charles, is selling in quite a few markets, Philly, Boston, Florida, Louis-

Screen Gems - Col Countersuing

NEW YORK — In answer to Don Kirshner's recent lawsuits against Columbia-Screen Gems, Abe Schneider, Berton Schneider, Jerome S. Hyams and Raybert Productions, the sued parties, are countersuing.

In a suit filed here last week, the countersuing factions denied all Kirshner allegations and made some of their own in a series of counter-complaints, charging Kirshner with breach of employer-employee relationships and other contractual violations, including "harassment," a charge Kirshner also made.

Wm. Morris Music Division Changes

Rob Heller will transfer from the New York office of William Morris Agency and join Ben Bernstein in the college concert field in the Los Angeles office, announces Steve Leber, head of the Music Division of the agency.

Al DeMarino has been appointed an agent in the New York branch of the Music Division, taking over some of the accounts of Wally Amos, who is no longer with the agency.

Heller and DeMarino were both assistants in the N. Y. Music Division offices of the agency for the past year.

Gaines' Disk A Slip - In

A sample of the kind of promotional savvy helping Lenny ("Banana Man") Gaines' Columbia disk of "The Coney Island Parade" was the recent KEX-Portland stunt.

Lenny Gaines

A truck loaded with bananas (the disk's subject) drove through town, manned by one fellow dressed as a "banana" and another clad as a gorilla, while the "Coney Island" single was blasted from the vehicle's tape recorder. During lunch time, the outfit gave out bananas on the local college campus.

This kind of balleyhoo has helped the disk on the West Coast, along with the slogan, "Don't Smoke 'Em—Eat 'Em!" The East Coast also is starting to indulge—in playing the record, that is.

Dain-Ganim Tour

Liberty Records Division General Manager Bud Dain has embarked on a two week U.S. tour, accompanied by newly appointed National Singles Sales-Promotion Manager Dennis Ganim. The men plan on holding a series of confabs with Liberty staffers throughout the nation.

Spotlights

Bobby Vinton opens a three-week engagement at the Copacabana on Thursday evening (25). The young singer will be making his third annual appearance at the Copa. Vinton also will be celebrating his fifth anniversary as a major record star.

Ronnie Dove Gino Tonetti

The Dave Clark Five will be on tour in the U.S. from June 16 to July 23 . . . Harpers Bizarre will perform at a Harper's Bazaar magazine cocktail reception for fall fashions at the Hotel Pierre on June 5 . . . Anthony and the Imperials return to the Flamingo Hotel in Vegas on Aug. 10 for four weeks . . . Frank Fontaine is appearing at the Royal York in Toronto . . . Jane Powell has a February date at the Persian Room in New York . . . Mayor Lindsay and the city of N.Y. will honor Latin Quarter owner E. M. Loew on the club's 25th anniversary . . . Neil Sedaka opens a five-week tour of the Orient in Tokyo on May 26 . . . The Charles Lloyd Quartet is performing in Russia . . . Arthur Godfrey closes his daily CBS radio show singing Gladys Shelley's "Peace and Harmony," asking his audience to heed its message.

Ronnie Dove, recording and nightclub singing star, will headline the new show at the Latin Quarter beginning May 24 . . . Gino Tonetti, currently starring at the St. Regis Misonette, has been held over for an additional week. Originally scheduled to play a two-week engagement, Gino will now perform at the hotel for three weeks. The singer then opens at the Caribe Hilton in San Juan on June 16.

Col Presents Acts At Persian Room

NEW YORK—Columbia, with a full complement of label brass present, threw a lavish luncheon at the Plaza's Persian Room last week to introduce three new label acts—in performance—to booking agents, TV and radio executives, the press and other potentially interested parties.

New contractees who were called on to present their entire acts for trade delectation were Hines, Hines and Dad, Debbie Lori Kaye and the Statler Brothers.

So far only the Statlers can boast a big single—"Flowers on the Wall"—to reprise mid-act, but young Kaye, a diminutive brunette with a Brenda Lee high note, and especially the highly synchronized Hines boys (dad plays the drums) showed nitery polish and implied disk promise.

Medallions Swingin'

Bob Richardson, producer of the Swingin' Medallions for Smash Records, has stated that the information on A&M Records' "Lonely Drifter" single by the Pieces of Eight listing the group as "The Original Swingin' Medallions" is incorrect.

Richardson says that the Swingin' Medallions have been performing since 1959 and are still recording and performing under that name. He informs that two of the Pieces of Eight were once with the Swingin' Medallions, although not at the beginning.

Mrs. Miller's Rave

Of the performers in Warner Brothers' "The Cool Ones," film story about the record world, Capitol Records' Mrs. (Elva) Miller drew the only favorable review from Time magazine last week: "After a cascade of blaring echo-chamber numbers, Mrs. Miller's wobbly warbling sounds peculiarly pure and fresh. She seems the coolest of them all."

'More' Recordings

NEW YORK—The Sunbeam Music tune "More and More" by A. Reuse, R. Robinson and T. Karen, is getting a lot of wax action, including recordings by Jack Carroll (World-Pacific), the Palm Beach Boys (RCA), Jack Jones (Kapp), Sandler and Young (Capitol), Andy Williams (Columbia), and the Mills Brothers (Dot). Several other "names" are coming.

Big Drive for Dot 'Barefoot In Park' S'track & Single

HOLLYWOOD—Dot Records has begun a special national publicity and promotion campaign with their release of the Neal Hefti sound track album and single, "Barefoot in the Park," from the Paramount Motion Picture of the same name, announces Christine Hamilton, Executive Vice-President for the label.

Starring in the film are Robert Redford, Jane Fonda, Mildred Natwick and Charles Boyer.

In addition to complete disk jockey coverage by promotion men, special screenings of the picture are being arranged for disk jockey's and record dealers in all major markets.

Special Kits

Special kits containing 24 x 24 card back mounted lithos, giant-sized window displays, in addition to special promotion items, have been distributed to all dealers and distributors. Also included in the kits are "special" foot prints for dealers to apply on the floor at the entrance of their stores leading to the "Barefoot" displays.

Paramount Pictures, of which Dot Records is a division, recently announced that the motion picture "Barefoot in the Park" will open an exclusive run at the Music Hall Theatre in New York City beginning June 4 with general distribution to be announced later.

Prima Playback

Listening to a studio playback are UA's A&R Director Henry Jerome and artist Louis Prima, recently pacted by the label. The initial Prima project is an album titled "Louis on Broadway" and a single of "Illya Darling," from the Broadway show of that title (which UA also has as a cast album).

Cap Promo Re 'Born Free' LP A Nashville Smash

NASHVILLE — Capitol sales and promo rep Buzz Wilburn conducted one of the most successful promotions locally on the original soundtrack album "Born Free" by Matt Monro.

Wilburn had four models from the Jo Coulter School dressed in mini-album outfits which were in reality a white cardboard box with an album cover centered front and back and "Oscar" painted above and "Winner" below. White crepe paper was utilized to give the skirt effect around the bottom edge.

The "Born Free" promotion was done in connection with 12 Nashville record shop dealers and with the cooperation of Radio Stations WLAC, WKDA,

WMAK and WWGM giving air play and promotional spots all day Friday during the event, which took place during the lunch hour in downtown Nashville and from 6-9 p.m. at four greater Nashville shopping centers. The album-skirted girls handed out the 5,000 handbills to secretaries, office workers and adult shoppers. After the all-day Friday promotion, three newspaper ads appeared in the Sunday Showcase, an entertainment tabloid which is a feature of the Sunday Nashville Tennessean.

As a result of this promotional effort by Capitol, their Matt Monro LP sold at a rate of 500 and jumped on the WLAC good listening charts at #8 in a short two-week period.

Shown above: Bob Stich, WLAC P.D. Mark Pritchard, Vicki Owen, Susan Perry, Jan Dill; four models Jan Dill, Vicki Owen, Cathy Vaden, Susan Perry with Harvey's Record Shop personnel Jimmy, Joyce, Johnny and Terry behind the "Born Free" LP display; Capitol promo girls; and Vicki Owen and Bill Craig of WKDA.

Audio Fi Extends Plan

NEW YORK — Herman D. Gimbel, Audio Fidelity President, announces that the April Sales Program has been extended a third month, with a new expiration date of June 30.

In April, Audio Fidelity released five new Otto Cesana LPs, giving the Audio Fidelity catalog a total of seven Cesana albums. The program was offered

to dealers whereby for every 15 Cesana albums purchased, they get five at no charge. Simultaneously, a program was offered to radio stations all around the country of any or all seven of the Cesana LPs, Mono or Stereo, for \$1.00 each.

The response has been such that Gimbel plans to continue an all-out promotional and merchandising campaign on the artist.

Cesana is going to Italy in August to record six more albums for the company.

Nashboro Inks Rev. Bradford

NASHVILLE—Nashboro Records has signed Prof. Alex Bradford to a long-term recording contract, with his first LP set for release June 1.

The internationally known gospel favorite has made several European tours and appeared on BBC radio shows. He also was the star of the recent off-Broadway show, "Black Nativity."

'Soul' LP Rushed

Musicor Records' President Art Talmadge has rushed out a new LP titled "Quartet of Soul," which is expected to bring the Musicor R & B wing into a top position in the field.

Talmadge has packaged four major attractions in the current "Soul" album: The Plat-ters, Inez and Charlie Foxx,

R & B Beat

(Continued on page 23)

Charlie Foxx—Top 10 in New Orleans, hot in N.Y.C.

Starting: "Four Walls," J. J. Jackson; Fantastic 4; Artistics; Billy Butler; 5 Stairsteps, Johnny Thunder.

Excitement New Releases: Wilson Pickett; 4 Tops; Otis Redding.

Southern Smash: "Thread the Needle," Clarence Carter, Fame—giant R&B and pop in Birmingham, top 10 Memphis, Charlotte, New Orleans, and powerful #1 at WAME, Miami.

Most Unrecognized Smash of the Year: Would you believe that "The Spoiler," Eddie Perrell, Volt, has sold 30,000 copies in Chicago and is second only to "Respect" at WVON? Deejays do not want to take this record seriously. Just because they don't "hear" the record, they won't play it and give it the chance with the public that it deserves. Stax-Volt is dead serious, and thus far not one market, including Memphis, has even tried to confirm the fantastic Chicago action.

Surprise R&B Stars: Young Rascals. "Groovin'" went to #1 in Atlanta, top 5 KATZ, St. Louis, and just a natural smash.

Upsetter: "Call on Billy," Billy T. Soul, Musicor. Van McCoy has produced a cookin' smoker! . . . Otis Pollard produced the best Jive Five in a long time for Musicor called, "Crying Like a Baby."

Big Play: "Hypnotized," Linda Jones, Loma—broke big first Baltimore, pick at KATZ, went on KSOL, WIGO, Pick WAME.

Overlooked Hit: Dee Dee Warwick is a smash in Baltimore and N.Y.C.

Did You Ask What Else is New?

Larry Hargrove has been appointed PD of WJLD, Birmingham, and is now putting out a sheet from the station. He reports that Willie McKinstrey is doing gospel, and that Sam "OO" Moore is cooking . . . "Look Out Love," Inverts, Tower, is getting a tremendous shot . . . Phil Medley reports good action in the Carolinas on "He Broke Your Game Wide Open," Frank Dell, Valise . . . "R&B Time," E. Rodney Jones, Tuff, is selling well in Chicago and is getting a great shot . . . Norm West is also big in Chicago for Hi . . . "You Don't Know," Steve Alaimo, ABC, is doing well . . . "Girl I've Got News For You," Benny Lattimore, is an exciting record . . . The big stations are going with the Jimmy Holiday & Clydie King . . . WAME, Miami, reports good sales on "Joey," Young Folk, Onerdful, and it's getting very good airplay . . . "Nearer To You," Betty Harris, is going on the big stations . . . We are very high on "Until the End," Eldridge Holmes, Sansu. This one is quite different and Seahorn and Toussaint may have one here . . . Joe Medlin informs that Bill Moss and Les Brown at WVKO, Columbus, Ohio, went with the new Jackie Ross on Brunswick (WABQ, Cleveland picked it). Medlin is getting terrific play through the South on Billy Butler and the Artistics.

"I Want You Back," Roddy Joy, Cameo, is great . . . Brunswick is very high on "You Don't Have To Worry," Doris & Kelly . . . The new James Carr on Goldwax, "Let It Happen," is fantastic, and it went right on WWRL, N.Y. . . . "4 Walls" puts J. J. Jackson right back in action, and it broke fast in Philly . . . "Baby I Love You" is the new Howard Tate . . . "Turn To Stone" seems to be the big side R&B for the 4 Tops like WDAS, WOL . . . First station to break the Curtis Mayfield—written "Can't Get Away From You," Fascinations, Calla, is WWRL, N.Y. . . . Jim Dandy, WLOU, Louisville, reports Intruders is #2 . . . No one will be replacing Buster Jones at KATZ, St. Louis, as each deejay goes to four hours and Bernie Hayes goes to the evening slot . . . Ken Reeth at WAMO, Pittsburgh, reports "I Can't Get No Satisfaction," Jimmy McGriff, Solid State, is a smash . . . Jay "Baby" Dunn, WAOK, Atlanta, is first to go with Anthony & Imperials. He and Dave "Demon" Crawford (6 to 9 p.m.) and Charlie Brown (9 to midnite) report the Stokely Carmichael thing is settled.

"You Send Me," Johnny Thunder, Diamond, is getting the re-orders and it is getting a tremendous shot around the circuit . . . Veep is very pleased with the reaction to the Joe Richardson, "The Choo Choo" . . . "I Travel Alone," Lou Ragland, Bell, is fine . . . Jimmy Bishop had a sellout (13,000) at the Philadelphia Arena for the Temptations show. So he's coming right back with Smokey Robinson & the Miracles . . . Al Garner at KYOK, Houston is looking for some men in the OK Chain. He reports Ray Charles is selling; #1 is Bettye Swann . . . King Ro, WHYZ, Greenville, is big on Lee Moses; Inspirations; Jamo Thomas; Inez & Charlie . . . Mal Cooke, WAUG, Augusta, is high on Jamo Thomas

Jazz Taking Care of Business

By DEL SHIELDS

The dispatch out of Tallinn, Estonia, Russia, read this past week: "The Charles Lloyd Quartet of the United States roused an audience of 5,000 Sunday in perhaps the wildest hour of far-out jazz ever performed in the Soviet Union."

What the writer of this report was simply trying to say was that Brother Charles Lloyd went to Russia and took care of business.

Del Shields

But the action behind the scene was the real story. Prior to accepting an invitation to appear at the Soviet jazz festival to appear with other jazz men from Russia, Sweden, Finland, Poland and Czechoslovakia, Charles and the group had appeared at the United Nations Jazz Society, private group of UN personnel dedicated to the jazz arts at the

Dag Hammerskjold Auditorium in New York.

And he wound up his pre-Russian tour with an exciting concert at New York's Town Hall auditorium giving his American followers a sample of what his message was to be once he stepped on Russian soil.

At both concerts, Charles Lloyd proved his excellent musicianship and made us aware that the fantastic raves from his previous overseas tours were indeed genuine.

Upon his arrival in Russia, with the promise of appearing at the festival, Charles faced a series of rebuffs. For some unknown reason, he was not permitted to appear on the program for the first three days of the concerts.

Repeatedly approaching the dear Comrades, the decision to allow him to play his music was a definite "No."

Officials Relented

Finally on Friday night the festival officials relented and

Charles was scheduled to go on. Again for some unknown reason at the last moment, he was again turned down.

By this time, Charles had finally realized that perhaps his reason for being denied an opportunity was due to his color, he made it clear to the officials that he was the victim of rank discrimination.

With the charge of prejudice ringing in their ears and no doubt aware of public and national opinion, he was again given the go-ahead and scheduled for the Saturday performance.

Finally Charles was on stage. When he finished blowing, he received an ovation that lasted some eight minutes and two seconds" and of which we quote "deafening, applause, whistling, stomping, cheering, and cries of bravo in the Sports Palace of this capital of Soviet Estonie. It was the only frenzied ovation of the four day festival."

Fractured Audience

The response to Charles' playing so fractured the audience that an intermission had to be called. And this was somewhat of a twist since Charles' group was the first on the program.

The selection of Lloyd to represent American jazzdom was certainly an excellent choice. Since leaving UCLA he has played with Chico Hamilton, and while a member of that group wrote "Forest Flower" which has since become his signature theme.

A brief stay with Cannonball Adderley Sextette saw him finally emerge as the leader of his own group, and he has proven during the past three years that his voice ranks among the leaders of the new jazzmen with something important to say.

It is difficult to classify Charles. There are those who will say he is a member of the avant-garde school. But this classification is not exactly accurate. Upon listening to his latest album ("Forest Flower," Atlantic) he displays a finesse that most of the newer avant-gardists lack. He has a beautiful spiritual and lyrical sound when he plays ballads. And he is a well-trained musician who knows where he wants to go.

Charles' trip to Russia, of course, brings to mind the stay that Willie Ruff and Dwiki Mitchell enjoyed when they put on a great two-man show for the Russians some years ago

record world's Jazz Album Reviews

PAINT IT BLACK

THE SOULFUL STRINGS—Cadet 776

This is the kind of album that upon first hearing, you might possibly bypass. With an arranger-conductor such as Richard Evans (Ahmad Jamal, Ramsey Lewis, Kenny Burrell), however, it would not be possible for the album to be anything except good. The adventuresome Evans decided to find out how strings, long just a background in most arrangements, could play a definite major solo role. And the experiment comes off. Blended with the strings are a flute, piano, vibes and piano.

THE GOLDEN FLUTE

YUSEF-LATEEF—Impulse 9125

Because he is one of the real gentlemen in the business who quietly and effectively takes care of business, 'Sef has not broken through and received due recognition. With the jazz academy there are few musicians who can match his versatility or his mastery of so many instruments. Here, 'Sef confines his work to the tenor, flute and oboe and it is an excellent choice. His flute is smooth devoid of the heavy breathing stops that some flutists have found effective. His tenor work is heavy and masculine with straight-ahead drive. And the oboe is something else again.

with the Yale Chorus.

Mitchell and Ruff were ecstatic with the response they received, and in Charles' case, it must have been just as exciting and thrilling to have the chance to communicate with the "comrades" and receive such an ovation.

Once again Charles proved to all of America (and we hope the ears down in Washington received the message) that America's greatest export is not the American dollars nor the American know-how when it comes to business. It is the one product born, raised and nurtured here on American soil: jazz.

Since jazz is the "now" music, a reflection of how the musician feels and thinks about things within a musical framework, it certainly would pay for the state department to take a few moments out and understand that each time a jazz musician goes abroad he takes only his music and his art. He does not have to propagandize. His music speaks for itself. And his music is truly loved. Since all people want to love, it is understandable that a jazz musician is using the greatest weapon in the world, that can criss-cross the language barriers and can offer the people something to enable them to have a little hope.

Successful Diplomats

Over the years, the jazz musicians have been successful diplomats and ambassadors for America's goodwill Corps. Time and time again, musicians and performers have returned following a tour in Europe or Asia and have reported unbelievable crowds in the thousands and the rapport with the audiences as well as the love and respect they have received from the overseas jazz fans. Certainly this record must mean something to the people in Washington.

Charles has continued this fantastic record and we wish him well. However, in his case, we shall not allow America nor New York to forget what he did for us and jazz while in Russia. For when he returns, we at WLJB/FM (hopefully, with Atlantic Records) will present a "swinging coming home" party for Lloyd and his group.

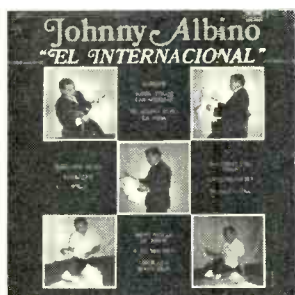

It'll be our way of saying, "Charles, you sure took care of business."

Saldrán esta semana dos "sencillos" de Tito Puente con "Shingaling" b/w "Have a Ball Baby" y "Twiggi" b/w "A Cuba Volveré" . . . Sacará Gema esta semana la grabación de Tomás de San Julián. También una nueva de Roberto Ledesma, que está magistral y un instrumental muy bueno de Pepé Delgado . . . Muy bueno el "álbum" Iempsa titulado "Tentación" interpretado por Pedrito y su Ritmo con: "Doce Campanadas," "Novia Triste," "Nada," "Tentación" y "Mi Nuevo Amor" entre otras . . . Estará Carmita Jiménez en Nueva York, para presentaciones, desde esta semana . . . Abrirá Parnaso Records su propia distribuidora en esta ciudad. Musical Records abrió sus locales para distribución la semana pasada. Amplios, modernos y bien localizados. ¡Un acierto!

Ana Rosa González del sello MRVA ya regresó a Nueva York, después de su exitoso recorrido por Suramérica. ¡Bienvenida! . . . Logra impacto en Lima, Perú, Roberto Tello (La Voz Melódica del Perú) con su grabación Sonoradio de: "He Vuelto al Barrio" . . . Por un "lapsus mental" colocamos como éxito de Los Beatles el número "A Little Bit Me a Little Bit You," cuando lo cierto es que es triunfo de Los Monkees. Nada, amigos, ¡queda probado que a cualquiera se le muere un tío! . . . Estrenó Raúl Marrero en El Liborio de N.Y. la canción de Pupy Hurtado "Quién te ha dicho." ¡Muy buena! . . . "Luto Blanco" por Jorge Valente se populariza en el West Coast y se mueve a otras áreas.

Varios sellos latinos establecerán en Nueva York, un fondo común de \$1000.00 para utilizarlo como recompensa a todo aquel que brinde información suficientemente clara como para lograr la detención de los "piratas" del disco, así como la confiscación del material distribuido por ellos, dondequiera que este se encuentre . . . ¡Jesús! . . . Y ahora . . . ¡hasta la próxima!

Stars Fall on Nashville For Chet Atkins Tribute

NASHVILLE — The main topic of interest and conversation hereabouts of late has been the "Tribute to Chet Atkins" show on Sunday, May 28, in Municipal Auditorium, to benefit the Florence Crittenton Home for Unwed Mothers in Nashville.

On Saturday, May 27, Atkins, celebrating his 20th anniversary in country music, will be honored in the state capitol by Gov. Buford Ellington for his

contributions. May 28 was proclaimed Chet Atkins Day.

The Atkins evening offers such entertainers as Arthur Fiedler, conducting the 80-piece Nashville Symphony Orchestra; Jimmy Dean, Master of Ceremonies; Boots Randolph, Floyd Cramer, Homer and Jethro, Archie Campbell, Dottie West, John D. Loudermilk, Mother Maybelle and the Carter Family and others. Proceedings start at 8 p.m.

We Salute Chet Atkins

By BOB AUSTIN

No one person can honestly receive total credit for the phenomenal explosion of Nashville's Music Business. However, no individual has been more responsible for this growth than Chet Atkins, currently celebrating his 20th anniversary in the field. Chet has worked hard to earn the admiration of America's entertainment industry and this admiration has flooded the four corners of the earth.

As an artist, Chet Atkins put guitar licks of mountaineers and blues singers into a most commercial instrumental approach, to the extent that nearly all of his many albums are in circulation and they continue to sell.

He is credited with introducing the electric guitar to the concert stage and his popularity has helped bring about an upsurge in popularity for the guitar. Thousands of people flock to his concerts year after year as he plays an astounding number of return engagements.

Astute Citizen

Chet's business astuteness and citizenship are factors that the Nashville community has been able to witness firsthand rather than just listen to a lot of publicity about. His service as head of RCA Victor's activity in Nashville has been a strong part of the magnet that has drawn so much of the music industry to Middle Tennessee. A great innovator and pioneer, Chet has encouraged the musics of the world to influence Nashville and in return Nashville has influenced the world.

A loving father, a student of mankind, a dedicated musician, a curious scientist, not to mention a good golfer, Chet Atkins

Chet Atkins

is the kind of person we like to see attract attention.

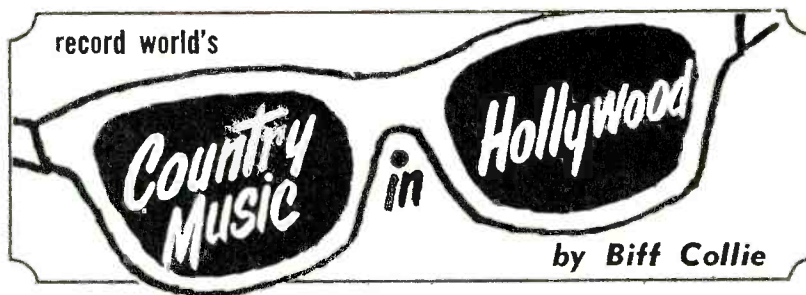

Jennings to Chart

NASHVILLE — Chart Records' topper Slim Williamson has announced the signing of Bob Jennings to an exclusive recording contract. His first release: "The Worst Is Yet to Come" b/w "Diamonds for Pearl."

Owens Station

Capitol's Buck Owens, President of Buck Owens Broadcasting, Inc., hosted a recent press party at Del Webb's Towne House in Phoenix to announce his purchase of Radio Station KYND, Tempe, a suburb of Phoenix. The 50,000 watter programs country music. Shown above (from left) are KYND station manager Joe Thompson, Dorothy Owens, general manager of Buck Owens Enterprises, Mrs. Thompson, Buck and Buckaroo Don Rich. The Owens radio flagship is KUZZ, Bakersfield, Calif.

Last Monday night Monument and Jeannie Seely tossed a champagne soiree for Hank Cochran to honor his writing of all the selections in Jeannie's current "Thanks Hank" LP. Country stations in L.A. invited chosen listeners to this affair. Hank and Jeannie hosted Lee Hazlewood, songwriter Hal Blair, Bonnie Guitar, "It's Such a Pretty World" writer Dale Noe, Hickory promo dynamo Del Roy, Fran Balzer, publicist Norm Goodwin who heads local Monument distrib outlet Privilege in L.A., record producer (LHI) Donnie Owens, Jim Kolitz, Cal-Racks rack jobbers, KGBS' Bill Thompson, George Richey, Bob Kingsley, Pamper Music's Ronnie Green, Terran Music's Don Sessions and more! Affair took place at Martoni's Hollywood.

Lee Hazelwood told me the story of his dad, who's a great country music fan, encouraging his son for years to write country hit songs. To date, Lee conservatively figures his songs have sold in the neighborhood of 70,000,000 records, and yet his dad never had made a big fuss over the "pop" hits he's enjoyed. Not long ago Flatt & Scruggs made an album of songs of the cities and included Lee's "Houston." He got a long distance call from his dad, which he says is a rarity. His dad greeted him with "Now you're gettin' somewhere. You're gonna be a successful songwriter yet!"

Billy Mize was given away on K-FOX' giant Country Spec last week. K-FOX audience contest answered the "musical" question. "Why would I like to Win Billy Mize?" The winner: a whole BEAUTY SHOP! Guess Billy will have his hands full. He'll tour them through Universal City, feed them at a Hollywood restaurant, host a movie preview at one of the studios, etc.

Ronnie Wheaton, young, talented singer-entertainer in So-Cal, smashing success after his recent return from active military duty, opening the Club Lido in Orange County, near Angel stadium.

Ray Price in Knock-out Show

The most entertaining show in our memory was presented by K-FOX May 16 and starred Ray Price (who treated the Southern California audience to a close record sound, showing off 22 musical pieces for his background). Others who knocked them on their ears were Charlie Pride, making his first shot in the West, and they loved him. This young man will be long remembered for his Jackie Robinson-like feat of being the first colored country singer in the "big leagues."

Roy Clark always wows them wherever he goes, too. He was at his best that night, mixing his unbelievable guitar artistry, his rubber-faced expressions, quick wit and professional know-how to get every laugh they had in 'em. Slim Whitman goes about his business knocking them out with his great ballads and yodels. Connie Smith showed off her sharp musical group and her string of hot hits she's enjoyed the past couple of years.

Roger Miller and wife Leah dropped by, and Roger seemed to have a good time all evening heckling his friends. He sang harmony with Ray Price in his early Nashville days. Mary Taylor took a bow from backstage where she absorbed the bulk of a beautiful show. Pubbery chief Charlie Adams was there, gout and all. It was a fine program and sounded like "more."

WJRZ Appointments

HACKENSACK, N. J.—Steve Hollis has replaced Ed Neilson as PD at WJRZ, while Lee Arnold becomes Music Director, maintaining his on-the-air assignment 2-to-5 p.m. daily.

Carter Exits ABC

Fred Carter, ABC's A&R man in Nashville, is exiting his post there. A replacement is expected to be announced shortly, along with word of stepped-up ABC activities locally.

NASHVILLE REPORT

By PAUL PERRY

MGM Records and all C&W station WMTS of nearby Murfreesboro banded together to throw a big birthday party for **Hank Williams, Jr.** Saturday, May 20, at the **Ernest Tubb** record shop, downtown at 417 Broad. Hank, Jr. will be 18 May 26. The shop was jammed with C&W fans throughout the day as well as artists with Hank, Jr. and his **Cheatin' Hearts** on hand much of the day. The young pro also had his \$20,000 Pontiac automobile stationed in front of the shop while WMTS held an all-day broadcast. The day was climaxed by two big shows by the **Hank Williams, Jr.** show Saturday night at Jackson, Tenn. and then another show at nearby Hopkinsville, Ky. on Sunday.

Paul Perry

The **Webster Brothers**, known widely for their playing around Knoxville for many years, have just signed to record for the **K-Ark** label with their first release date right away. These boys are very talented and could make it really

big with the **John Capps** push.

Little Darlin' chief of operations **Aubrey Mayhew** stopped off in town last week and reported he's about to release three can't-miss singles, new ones by **Jean Riley**, **Tommy Dee** and **Johnny Dallas**. Mayhew also reported very strong reaction to "Ruby's Answer" by **Dori Helms** as well as **Bobby Helms** and **Country Johnny Mathis** on Little Darlin'.

Canadian-born artist, **Stu Phillips**, whose new Victor single, "Vin Rosa," was just released, leaves May 21 for Germany where he'll record in German while doing sessions in Munich and Berlin. From Germany Phillips will head for England on a 10-day spin before returning to the states.

Epic songstress **Tammy Wynette**, whose "Good Girls Gonna Go Bad" is currently the nation's highest ranked female singer, has purchased a home on Old Hickory Lake. Miss Wynette made the move to Music City from Birmingham about a year ago and is presently making a strong bid for Most Promising Female Artist of the Year award.

C&W top gun artist **Buck Owens** will appear on behalf of country music on the **Joey Bishop** network TV show Friday night, May 26. Also from promo man **Eddie Briggs**, KUZZ radio in Bakersfield has moved their studios to the swank El Cid Motel where they have new, ultra-modern facilities.

Talked with Decca artist **Bill Phillips** while listening to Bill's new single, "I Learn Something New Everyday." Bill, who has been a member of the **Johnny Wright-Kitty Wells** show for several years now, is also looking forward to the release of his new album, "The Bill Philips Style," due June 1.

Davis Heads Monument Promotion

C & W deejay vet **Tex Davis** is moving to Music City from Norfolk, Va. where he's been one of the nation's top radio personalities for many years on WCMS. Tex is taking over the C & W promotion reins at Monument Records.

Lovely writer **Joyce Allsup**, author of such hits as "The D J Cried" by **Ernie Ashworth** and others, has signed an exclusive contract with Acuff-Rose. Joyce is the writer of **Bob Gallion's** new Hickory single, "I'll Do That, Too."

Hubert Long and aid **Audie Ashworth** just returned from a three-week tour of Europe reporting a giant upswing in country and Western music over there.

"I'm A Fool," the cut in **Slim Whitman's** new Imperial "15th Anniversary" album, is being requested like crazy on local radio here.

The younger sister of **Dottie West**, under the show biz name of **Diana Dawn**, is making appearances with her sister's show these days and from all reports is destined to be quite an artist.

And what a whopper novelty record the new **Slim Williamson** discovery on Chart titled "World's Biggest Whopper" by **Junior Samples** could be. The record has been described by everyone around here who's heard it as the funniest thing to come down

the pike in a long time.. The record was taken from an actual interview conducted by **Jim Morrison** of the Georgia State Game and Fish Commission that was a portion of a program that the commission sends to radio stations throughout the state. A deejay friend of Slim's heard it, the station played it three or four times and the response was fantastic. The friend called Slim and he picked it up for the Chart. The original interview was about seven minutes, but it was cut down to single size.

Chart has announced the signing of **Bob Jennings** as a recording artist with his first single to be the **Liz Anderson** song, "The Worst is Yet to Come." Jennings patrols many local activities including the operation of the Nashville Division of Four Star Music and his early a.m. deejay chores on WLAC radio.

Hickory into Tape

NASHVILLE — Hickory Records has negotiated with three leading duplicators of recorded tapes for distribution of Hickory albums in a complete range of tape techniques.

The three agreements, all for nationwide but U. S. only distribution, were signed with **Muntz Stereo-Pak**, **General Recorded Tape, Inc.**, and **Mercury Record Productions, Inc.**

All three organizations plan immediate releases of packages of eight to nine albums.

Under terms of the agreements, Muntz will produce four-track tape cartridges, GRT will produce four-track and eight-track cartridges as well as reel-to-reel tapes, and Mercury will produce cassette cartridges.

Selected Leaders

D. Kilpatrick and **Lester Rose**, who head the Hickory organization, said that they were "most pleased with these associations, and feel that we have selected the leaders in each field to handle these albums."

"The field of recorded tapes, particularly in the various types of cartridges, is becoming increasingly important in the United States and we have been studying an entry into this growing market for some time," the two officials explained. "We feel that this will be of great advantage to Hickory recording artists and to the company."

Albums included in at least one of the tape producers' packages of initial releases will include the following: "King of Country Music," **Roy Acuff**, "Paper Tiger," **Sue Thompson**; "Catch the Wind," **Donovan**; "Great Train Songs," **Roy Acuff**; "Fairy Tales," **Donovan**; "The Best of Frank Ifield," **Frank Ifield**; "For the First Time Roy Acuff Sings Hank Williams," **Roy Acuff**; "The Real Donovan," **Donovan**; "Tale of Two Cities," **Frank Ifield**; and "Pop Goes The Country," the **Swingin' Gentry Singers**.

Negotiations for Muntz were handled by **Earl Muntz**, Presi-

dent, and **Ed Michel**, Director of the Music Division; the GRT agreement was signed by **Allen J. Bayley**, President, and **John Spellman**, Vice President in charge of the Eastern office; and the Mercury contract was executed by **Irwin H. Steinberg**, Executive Vice President.

Distributors will be handled by the three tape duplicators and their distributors.

All tape releases under the agreements will be labelled as Hickory albums.

Chart to Distribute Wayside Records

Joe Casella of Wayside Records in Boston, Mass., announces that all future releases on the label will be recorded in Nashville, and released and distributed nationally through the facilities of Chart Records, under the Wayside logo.

The first release under the new arrangement will be singles by **Cathy Cass** and **Bobby Butram**. "Little" **Richie Johnson** of Belen, N. M. will handle the national promotion chores.

New Clement Pubberies

NASHVILLE—Indie producer **Jack Clement**, with a successful music publishing company already bearing his own name, plans to open, in partnership, three three additional publishing companies, each affiliated with a different Nashville music licensing society.

According to Clement, the three new pubberies will be **Frances Music, Inc. (BMI)**, **Juanita Music, Inc. (ASCAP)**, and **Big Joe Music, Inc. (SESAC)**.

Sykes to Jed

NASHVILLE — **Bobby Sykes**, mainstay of the **Marty Robbins** musical entourage, has signed a recording contract with **Jed Records**. First session for Sykes was cut recently under the direction of label exec **John Denny** and **Wayne Walker**.
