Brand new merchandise just waiting to be picked off his bulging shelves will be waiting for your selection. Red hot "deals" together with famous Philco "specials" have been lined up for you and we're positive that you won't want to miss out on the excitement . . . or the profits!

BARGAINS GALORE!

"IT'S PHILCO ACCESSORY HARVEST TIME" all over the nation and during the big fall program Philco Dealers and Service-men can really reap a bumper harvest of profits by stocking up on many of the specially priced Philco items. These items are at your Distributor's now and they can be identified as Philco Harvest Time merchandise by their special "Harvest Time" price tags. And not only is the merchandise identified, but at your local Philco Distributor the parts counter men will be all decked out in Harvest Time regalia waiting to serve you at any time.

As an extra added attraction this year your Philco Distributor is featuring the LUCKY PUMPKIN! This special feature will be prominently displayed somewhere in the store and the activities surrounding the PHILCO LUCKY PUMPKIN will be of interest to all Philco Dealers and Servicemen. Keep your eye on the LUCKY PUMPKIN! AND KEEP INFORMED!

Of course, every issue of the PHILCO ACCESSORY MERCHANDISER will keep you informed of the up and coming new products and parts which will be introduced throughout this huge fall promotion. Each month new and bigger bargains will make their debut at Accessory Headquarters and you'll get an advance preview through the pages of the ACCESSORY MERCHANDISER.

But the important thing to keep in mind throughout this promotion is that your local Philco Distributor is the main center of attraction. (Continued on page 4)

NEW PHILCO TEST EQUIPMENT MAKES Harvest Time DEBUT!

In line with Philco's policy of providing the best test equipment for its thousands of Philco Service men and servicing Dealers, here are three additions to the always sensational and impressive line of Philco test equipment!

Leading off the parade of rugged compact equipment is the Model 7021 Philco 5" Oscilloscope, a cathode-ray precision scope perfect for use around the shop or out on a call. If there ever was an item loaded with efficiency this is it!

Checking with the Philco Cathode-Ray Tube Checker and both you and your customers will benefit. Easily portable, the unit is perfect for use out of the shop as well as in the shop. When your customers see you use this equipment right in their home your stock as an efficient technician will soar!

Next on the list is the Philco Signal Tracer Model 7031. This precision built tracer makes trouble-shooting an easy operation in both radio and television service work. Its operation is sure and its performance is terrific. The Philco Signal Tracer is the only tracer on the market which has quality built into every component right down to the cabinet itself!

Smart servicemen and dealers realize the need for test equipment which is faultless in its operation. They know that their service work is judged by the extended customer satisfaction which comes from a thorough job done either in the home or in the shop. The Philco Accessory Division has always offered test equipment which has no peer on the market and which contains more desirable features than any other. In continuing this policy Philco offers these three new test instruments as testimony to its servicing personnel.

Your Philco Distributor has this equipment waiting for your approval now. "IT'S PHILCO ACCESSORY HARVEST TIME"—so get on the ball and see your local Philco Distributor now!
Philco has done it again! That's right, we've come up with the greatest device in listening pleasure since the advent of radio back in the roaring twenties! The profitable, sales-packed Philco Private Listening Unit can now be used by up to four people simultaneously... and what's more the new unit can now be used for television receiver operation as well as for radio. It's new, it's better, and it's a sales natural!

EXCLUSIVE VERSATILITY

The truly amazing feature of the new multiple Private Listening Unit is the ease of operation. From any position in the room it is possible to control the volume of the unit and switch from set speaker to the lightweight ear unit without leaving your chair! And if your customers won't double up on this profitable item then they are passing up the greatest remote control sound device ever offered the public!

But here is the clincher. Here is the crusher that knocks down any sales resistance you may encounter! The new Philco Multiple Private Listening Unit can be used with any radio or television set being sold on the market today! No other listening device with so many outstanding features even approaches Philco's Private Listening Unit for these sensational features. "IT'S PHILCO ACCESSORY HARVEST TIME" and a perfect time to plug this unit.

PHILCO'S FAMOUS QUALITY

Philco Dealers, well aware of the integrity of Philco Accessory Products know that nothing else on the market comes close to the quality of this Private Listening Unit. The same quality found in all Philco major products is built into this unit and it's a source of pride to inform your customer that he is not only getting the best listening device on the market, but that he is also getting Philco quality. And with the development of new TV stations the market for this profit-
