OUR SIXTH YEAR

VOLUME EIGHT, NUMBER 4

President: (All dues and changes of address should be sent here) Mike Northam,  
Post Office Box 1122, Lake Grove, Oregon 97034. 503-639-9727.  
Publisher: Don Erickson, 6059 Essex St., Riverside, Calif. 92504. 714-687-5910.  
Membership Dues: (U.S. funds; if paid in Can. funds, please add correct exchange)  
\$9.50 first class mail; \$6.50 third class mail; \$14 air mail. Third class mail  
is not recommended because of unreliable service. Please make all funds payable  
to IRCA and mail only to Mike Northam at Box 1122.  
Bulletin schedule: Weekly, every Saturday; Deadlines: Publisher--varies widely;  
Tues. before Sat. of mailing, to be safe. This deadline represents the earliest  
possible mailing night; it could be as late as Saturday, date of issue.  
Deadlines: Editors---between Thurs. and Sat., 9 to 7 days before date of issue.  
ALL TIMES IN DXM ARE EASTERN STANDARD TIME!!!! Please report in EST only.

## NEW MEMBERS!!!

Joel Brill - 16601 Marquez Avenue - Pacific Palisades, California 90272  
David Copeland - 660 East 82nd Street - Brooklyn, New York 11236  
Mitch Donock - 2921 Brinkley Road - Oxon Hill, Maryland 20031  
Don Eggert - 321 Hoffman Ct., Apt. 4B - Crown Point, Indiana 46307 (Welcome back,  
John F. Gibson - 10903 Waldemire Dr., - Philadelphia, Pennsylvania 19154 Don!) Don!)  
A. Y. Papafingos - 151 Manfield Street - Riverside, California 92507  
Eric R. Tibbatts - Box 165 - Balmerton, Ontario CANADA  
Michael Zsembik - 3003 Eaton Road - Shaker Heights, Ohio 44122

## RENEWALS

|   |  |
|---|--|
| Bruce Bacon - San Jose, California      | Mervyn Joyce - Brisbane 4152, AUSTRALIA          |
| Dave Christensen - Seattle, Washington  | (Please note correct spelling of name)           |
| Robert Friedrich - Whitestone, New York | Dr. John W. Richardson - Cleveland Heights, Ohio |
| Barbara Godwin - Denver, Colorado       | Tom Sundstrom - Willingboro, N.J.                |
| Ross Harp, Jr. - Boulder, Colorado      | Clayton Woodward - Palmer, Alaska                |
| Rob Harrington - Englewood, Colorado    | Greg Zimmerman - Omaha, Nebraska                 |

## NEW ADDRESSES

Bruce Collier - 12 Pleasant Street, #5 - Ayer, Massachusetts 01432  
Edward B. Haden - P. O. Box 1372 - Rosamond, California 93560  
Ron Hays - Route 6, Newton Park - Lexington, Kentucky 40505  
Harry L. Helms, Jr. - Box 111, Clark Howell Hall, University of Georgia - Athens, Georgia 30601  
Roger S. Horie - P. O. Box 784 - Missoula, Montana 58901  
Richard S. Ryrholm - Room # 1734 - Morrill Tower, 1900 Cannon Drive - Columbus, Ohio 43210  
Ronald F. Schatz - 510 N.E. 158th St. - North Miami Beach, Florida 33162//Ohio 43210  
Robert A. Schneider II - 1603 W. 15th, Apt. 101 C - Lawrence, Kansas 66044

All changes of address should be sent to Mike Northam, P. O. Box 1122, Lake Grove, Oregon 97034. A lot of changes recently have been sent to pub. hdq. and apparently not to Mike. Incidentally, when you move, how about notifying your local PO of your move? Otherwise, back come the bulletins, 'moved, left no address.' Tnx. DEE.

CORRECTION: Mark Drogin's new address last issue is "Irving College" not "Krving".

WHIL will use C&W mx and 1000 cycle tone. 0030 EDT - 0100 EDT will be 5kw; 0100-0120 will be 1kw; back to 5kw 0120-0130. Reports to Ken Atkins, CE, WHIL, 99 Revere Beach Parkway, Medford, MA 02155. -NRC/Wes Boyd

CJIB will test on one day or the other. The CE was unclear on which morning. 10kw day power will be used with music and lots of IDs. Reports to: John Mitschke, CE, CJIB, 3315-B Barnard Avenue, Vernon, B.C., Canada. -NRC/Wes Boyd

-----  
KCRL NOW ON RS Dave Christensen writes that KCRL-780 Reno has a tremendous signal in the PNW and that they are now operating on regular schedule. This should be a cinch on the West Coast but, naturally, they are highly directional so should not necessarily be expected to put in a good signal to the east. They ID live as "KCRL, Reno, Nevada, your easy listening station 24 hrs a day."

EAST COAST DX ROUNDUP

Page 3

Editor: Marc DeLorenzo, 30 Bay State Rd - Box 518, Boston, Mass. 02215

Deadline: Thursday. Please list all items in frequency order.

\*\*\*\*\*

- 540 CBT NFLD, Grand Falls topping freq 9/11 w/locally done rr show @ 2222. Ancd on til 0300 LT (0030 EST) w/rr. This probably restricted to Friday nites only (9/11 was a Fri). (FW)(FW)\*
- CBEF ONT, Windsor presumed to be FF //CBF 2225 9/11 fading in/out\*
- 570 WFSO FLA, Pinellas Park good w/wx w/WFAA nulled 0558 10/4. (RB)
- WKBN OHIO, Youngstown 0212-0230 9/28 w/local WMCA off. (TGH)
- 600 WTAC MICH, Flint good 0215 SM 9/13 w/local WICC off. (JPL)
- WMT IOWA, Cedar Rapids o/u WTAC 0215 9/13. (JPL)
- 620 WVMT VT, Burlington s/on w/NA 0500 9/28 for state 48, now if R.I. & Alaska were this easy. (RB) Nice going, Russ! - MD
- 640 KFI CALIF, Los Angeles vy weak u/CMQ 0040 9/10, unn. (JPL)
- 730 WNAK PA, Nanticoke presumably the f/c 0033 tune-in to 0045 disappearance 9/28 per f/c list. Mucho QRM from CKAC. EDT. (TGH)
- 740 CBN? NFLD, LPRT hrd SM 9/20 with "Mx for Sunday" 0338-0400. Wx rpt for Nfld @ 0340; CBC nx @ 0400. TC's EST + 2 $\frac{1}{2}$ . 3 LPRT's listed; Anyone of these rpted before? (Not to ECDXR in the past two years. - MD) Rpt out to CBN in the hope of a verie. Gene Vonderemese take note! (AMG) Nice, Angel! - MD
- 770 WABC NY, New York apparently on AN MM 9/28. Was on @ 0400 & on & on...(TGH) Is AN MM's w/5kw AXR. - MD
- 850 WHDH MASS, Boston weak w/MoR most of AM 9/28, CKVL off I b'lve. (RB)
- 860 XEMO BCN, Tijuana prob the one atop w/relig 0050 9/28, no KONO. (FW)
- 900 WAYN NC, Rockingham w/rr/nx/ID 0600-0615 9/26. (RMB)
- 920 CJCH NB, Halifax ID @ 0400 8/24, caught again later w/MoR. (GB)
- 940 WFAW WISC, Atkinson not hrd at all on sked test 9/15. (KL) In tentatively 9/15 0300. Were they on? Taped the test & all I hrd was "W...testing...." and then MoR mx for about an hour off and on. HELP!! (DF) If Ken didn't hear them, I kind of doubt they were on. - MD
- WFNC NC, Fayetteville good w/tt & OC @ 0405 9/23. (BEM)
- 960 KFVS MO, Cape Girardeau hrd 9/4 on f/c-tt per list 0000-0015. (KL)
- 970 WDAY ND, Fargo s/on 0500 9/6 "WDAY Fargo N.D. returning to the air for another days broadcasting." NSP? (GB) If they were NSP, George, they wouldn't be "returning to the air." - MD
- WCSH ME, Portland FINALLY ID as the easy-listening mx stn u/WJRZ every night for the past 3 yrs. WCSH s/off 0130 weekdays. (TGH)
- 980 WRIP GA, Rossville w/ID at 0305 fair signal WONE QRM. (GB) Was this an E/T, George? WRIP is a daytime-only stn. (Not to mention the fact that WRIP has not been reported in either IRCA or NRC in the past 4 years. - MD)
- 990 WNOX TENN, Knoxville good w/nx, wx, SID 0125-0130 9/24. (RMB)
- 1010 WGUN GA, Atlanta strong w/C&W, little rr, ID 0330-0400 9/25. (RMB) (Must've been an E/T as they don't s/on til around 0600. - MD)
- 1070 KNX CALIF, Los Angeles fair on SRS 9/11 @ 0543. (JPL)
- 1090 WKTE NC, King IRCA Special for #400 hrd 0207-0231 8/31 weak. (JPL) Hrd on test 8/31 0203-0228 w/Floyd Kramer piano mx. (KL)
- 1110 KFAB NEBR, Omaha has been QRMing WBT's strong signal whenever cx are fairly good, due to ND antenna. (FW) Hrd 8/31 w/ID u/WBT at 0230. (Ken Lyon)
- 1170 KVOO OKLA, Tulsa FINALLY hrd 9/28 0030. Faded in for ID w/talk show, man & woman talking. (TGH)
- 1240 WTON VA, Staunton maybe the f/c here 9/28 0047-0057 EDT. Wasn't regular 1000 cycle tone. Dial Tone?? No ID natch. (TGH)
- WSKI VT, Montpelier s/off 9/27 2158 EST. NRC Log says 24 hrs. (TGH) NRC Log says 0600-0005, Tom; 1970 edition anyway. - MD
- 1270 CJCB NS, Sydney xlnt o/WXYZ @ 0415 9/23. (BEM)
- 1320 WILS MICH, Lansing hrd again w/"The Mx Maker, WILS!" (GB)

EAST COAST DX ROUNDUP

Page 4

\*\*\*\*\*

- 1320 WARA MASS, Attleboro s/off 2200 local time every day. Plays easy-listening mx from 2000-2200. (TGH)
- 1350 WXCL ILL, Peoria f/c per list 9/28 0147-0200 s/off w/IDs every minute & cycle tone. Heavy WSLR. (TGH)
- 1380 WAMS DEL, Wilmington f/c 9/28 0325 tune-in to 0330 off. IRCA list says 0430-0445 local time, so on 15 minutes early? (TGH)
- 1400 KUNO TEX, Corpus Christi good & alone in SS till s/off 0100 8/17, to return at 0430. (RB)
- 1410 KNOP NEBR, North Platte s/off 0000 8/24, no NA noted. (RB)
- 1420 KLF B TEX, Lubbock ID at end of ET (incl f/c) 0130 8/28, v/1 mentions this same test every 4 mos (last Fri), tx varies.\*
- CJVR SASK, Melfort good w/nx till 0101 s/off 9/30. (RB) (RB)\*
- KHFH ARIZ, Sierra Vista strong o/u WHK s/off w/all verses of America 0210 9/30; same s/off hrd 0110 MM 10/5. (RB)
- 1430 KOSI COLO, Aurora good w/Serenade in the Evening 2005 9/17. (RB)
- WIRE IND, Indianapolis off MM 10/5, also 9/28, perhaps no longer NSP. (Russ Brown)
- 1440 WEZJ KY, Williamsburg fair w/s/on @ 0500 9/29. (BEM)
- WAJR WVA, Morgantown poor w/s/on at 500 watts to best power to 5000 at 6 AM. Hrd 0500 9/29. (BEM)
- WPRS ILL, Paris in on my 2nd try at SM-SR-DX, 0605 9/20 w/nx & wx. Sounds like a fairly good IDer. (DF)
- 1450 KYNT SD, Yankton good w/s/off, no NA, 0000 9/24. (RB)
- 1460 WPON MICH, Pontiac has always been blocked by someone but finally after much hard effort, perseverance and disgusted disappointment, they managed to beat WHLS s/on 9/20 0700. (DF)
- KSO IOWA, Des Moines noted w/long s/off fanfare 0016 MM 9/28 o/u a stn on RS believed to be CJOY. CJOY isn't AN MM's now is it? (FW) Don't think so, Freak; er, Frank. - MD
- 1480 KBEA KANS, Mission ID on AN pgm, 0230 9/30; think they're off MM though. (Russ Brown)
- 1490 KLOG WASH, Kelso hrd w/s/off 0200 9/14, could only catch an ID & a few snatches of wording o/u WLOH. (GB) There's no way you could have hrd this stn, George, sorry. - MD
- 1500 KWFA TEX, Merkel s/off good after SS pgm 1945 9/17. (RB)
- 1520 KCHF SD, Sioux Falls easy daily at SSS, has MoR til s/off. (RB)
- WKJR MICH, Muskegon Heights, re: 8/15 MWDXR "report" this stn is not "AN now w/rr mx", is a daytimer w/religious & MoR pgm, never rock!!! (RB)
- 1530 WTTI GA, Dalton good w/E/T-rr 0020 MM 9/28. (FWi) That's 'phooey'
- 1540 WBCO OHIO, Bucyrus surprised me 9/20 0710. (DF)
- 1550 WNTN MASS, Newton hrd 9/28 at 1800 s/off, very strong. (KL)
- 1580 WPUV VA, Pulaski in 0600 9/20 on s/on w/fair signal. (DF)
- 1590 WCBG PA, Chambersburg f/c 9/28 0000-0015 EDT per list w/tt. (TGH)

+++++

Larry M. Abraham - 8470 W. Tuscola - Frankenmuth, MI 48734

Greetings DXers and others! Say it's been April since my last rpt. Back in April I finally logged my 1000th stn and at this time I went to SW for awhile, mostly logging SS stations in the 3200-3500 and 4600-5100 kc bands. It sounds like Vancouver was fun, too bad it's so far away. The new ideas in Achievement Awards sound very good, and I am hoping they all pass. The TA and TP articles were very good and should show us all that we have a great club. Will certainly try for more of those TA stns. It must be nice for you guys in the West and South who can have a stn like XEG take a SP when it had none before. I rarely ever hrd XEG in Mich. due to CHUM etc. Now if I could get rid of a few around here. CHLO has to be the biggest DX disaster ever - it completely dominates 1570 and slops up 1580 (two very good SSS freq's). XERF seldom hrd anymore. 1270 has been the best freq. this past two months w/KTFI CMHC WGSV WJJC WTSN & CJCB logged. 73s.

Tom Hartloff - 49 Highview Court - Nyack, N.Y. 10960

Strolled into studios of WARA-1320, Attleboro, Mass. and receptionist had feet up on desk. Newsman and secretary were also standing around shooting the breeze. Friendly folks, those. I got the grand tour and sat in on the Doug Livingston Show. They're good verifiers, if anyone out there heres them. DJ said they don't get out too far. Also came away with a WARA Hurricane Map, which they're giving away. You might get one for a SASE. Up in Maine, at East Hiram, 34 miles northwest of Portland, the strongest signals were from WRKO-680, WBZ-1030 and WJAB-1440 (in order). We were in the mountains and reception wasn't so great, though WDEV-550 Vt. was there in daylight. Never hrd so much rr as on Maine stns. Better than half in So. Maine are rockers. On FM the strongest ones seemed to be FF Canadians. Red Sox BB was all over the place, too. Tnx MD for tip on CJRP-1060 call change. (You're welcome. - MD) I am in market for Vane Jones Logs #1,3,4, and 5. Name your price. (The rest of this rpt, about 12 lines, will be printed in next issue. - MD)

Ken Lyon - 9415 Goodrich Road - Clarence Center, New York 14032

Thought that I would put my two cents worth back into these pages again after a summer absence. Had a pretty good season on SW this summer and expect to keep at it this winter along with BCB. I didn't try those tests in July, but did have luck with WKTE's test on 8/31. Tried for the WFAW test on 9/15 but no luck. Veries this summer from quite a few follow-ups along with WKTE v/q & WABJ v/1. CU later.

Richard M. Bartos - 692 Moore Ave - Campbell, Ohio 44405

Hi friends, I have been DXing alot lately and have really been having the luck. I have received 3 Canadian stations, CJMS CBN & CBM, all on 9/8. Two from our southern neighbor Mexico, XEX, XELO on 9/4. Veries from WAYN WHN KXEN & KFAB, all v/q. Since school started I have listened only once on MM with very little luck, altho I rcvd CHOK in Sarnia, Ont 9/7. Before the end of October I plan to purchase a new rx but I have not decided on what make as yet. Have also constructed a spiral loop antenna which proves to be more help ul than using my other one, 73 for and good DXing to all.

Bruce E. McFadden - 4735 Shimerville Rd. - Clarence, N.Y. 14031

Hi gang. The mail must have been slow as my report didn't make the last issue, but that's the breaks. Down to DX: Only two veries, a v/q from WHIO, and a v/1 from KAYL on a PoP. Money is scarce around here so no reception reports unless a new state or province is heard. Nice f/c list LBG. I am interested in CPC work & am arranging tests for this season, one I hope from WWOL-1120 around Nov., maybe another one from WMMJ-1300. There is a tentative call change here so will try to get them on. 73's & peace.

+++++  
Bruce Bennett - 82 Norman Lane - Levittown, New York

Hello again from the DXing home of BB. I have been DXing from time to time recently but haven't been pulling in anything of interest. I today received the NRC membership materials, and the IRCA Freq Check List. Also received the NRC LOG. This is my first NRC LOG and from the looks of it, it's as good as everyone says it is. I have been looking around and haven't had any luck yet, locating some local SC's. I may be able to get some WGBB surveys, if they are printed up tho, I just received my WDX monitoring certificate - WDX2RMJ - to go along with my CB calls KQD-7684. For all those Knick and Ranger fans, I just got the news that the Knick and Ranger games will switch from WHN-1050 to stn WNBC-660 in New York. Last info--Tnx for your letters DEE and CTW in Dallas. P.S.- Rcvd veries from WHO.

Philip L. Sullivan - 152 Third St. - Leominster, Mass.

Nice to see such favorable reaction to going offset (hi!). CMS: I am not an officer of NRC, just a member (but that's a status some can't attain). If you'd like to get mad at my proposal, go ahead, I don't care. HLH, let's play fair when making comparisons: Last volume IRCA produced 945 pgs (blanks excluded) and NRC 980 (back pages excluded), even with 2 less issues. The final copy in the DXN is generally quite good with the exception of the parts prepared by a certain 2 editors who consistantly produce a poor original--if they were cutting stencils for DXM the results would be worse. Conversely, the IRCA editors who now produce a good stencil would see their sections come out very clear and readable in offset. How many maps, drawings, pictures, QSLs has IRCA mimeoed this past year? Saw a copy of the PSL "scandal"--if charges he makes are true, then I agree we need a stand-by publisher. I'd like to suggest to mbn that he appoint PSL as IRCA's Stand-by Publisher; then if DEE steps out of line again, or quits, Paul can take over publishing and IRCA will be safe because we will have a publisher who will not usurp power or go beyond the Constitution and By-laws. 73.

Leslie G. Wood - 1463 Tadmor St. - No. Merrick, L.I., N.Y. 11566

I liked the info by PRK concerning further expansion of the AAC. Although I have yet to apply for an IRCA Award, I think it would be great to see a variety of awards offered. Since most DXers are interested in states verified awards, I think that the 40-45, then 50 states verified range should interest many DXers and looks like a fine award. An idea of mine is a states verified award for say, 10, 20, then 30 stations and a VASTations for each of the 50 states. Another proposal for a new award was a freq award. I am especially interested in the award dealing with stns per freq. Another idea is to have an award for verifying frequencies - say 10, 20, 30, 40, on up to a VAFrequencies. This could be a very interesting one. I would like to hear from other DXers interested in Achievement Awards, concerning these ideas, about the proposals, by the AAC.

John Howcroft - 9242 Marlow Ave - Norfolk, Virginia 23503

Buenos Dias Amigos! After a summer of no DX activity, summer school (boo!), 90 plus heat, & RX problems to boot, the DX season is just about here. AMEN! I've been doing the paperwork early. I was wondering if anyone could help me with info about getting veries fr om CMCA KQV WAPE WSUN WAAY WARW WJRZ & KXEL? I need some of these to increase my totals (statewise), the others I would like to have. (WAPE & WSUN verified promptly for me, John, but that was 5 yrs ago. - MD) If any FM DXers around Virginny, or anyplace for that matter, would like a WFOG dial card, just drop me a line. I also have for any SCers, the WGH, WNOR, & WNOR-FM SC's. Also, if your lucky I may get some WRAP SC's to you. Just drop me your local SCs. Well that's about it. BEAT 'EM BUCS! PAX.

\*\*\*\*\*

George Bryson - 8762 Hosmer - Detroit, Mich. 48214

I hate to get into the argument, but...DEE: just how is it possible that individual members are ruining the reputation of the club by not sending RP with rpts? And how could the President possibly rule that not sending RP with reports might make the member accused liable to being kicked out of the club? Let's face it, we wouldn't have any members left. And I'll state it right now, to everyone, 99% of the time I don't send RP with my reports! I'll tell you all right now, all it really takes is a courteous request included in your rpt. Instead of just sending a sheet full of reception data and a few words asking for a QSL, be courteous and friendly and you will find that it will work wonders. As I am sure that everybody has a different system of reporting to stns, I say, as long as it gets good returns I would keep using it! You will notice that on the little slips some of us send to stations state that the purpose of IRCA is "the dissemination of information; NOT the regulation, under threat of expulsion, of a member's way of reporting. Now, why don't we all just shut the hell up about controversies and concentrate on DX. My latest in DXR. 73.

Dave Faulkner - 1430 Pine Grove Ave - Port Huron, Mich.

Welcome to our newest Michigan memebrr, Dr. John S. Evans of Kalamazoo. DX fairly limited because I am having trouble adjusting to a schedule of getting up at 0630 three days a week for college. Also having trouble finding \$\$\$, which is a far more difficult matter. Oh well, maybe next year I'll have won one of those immensely rich IRCA contests! Latest veries here are from CKBW, v/c & very poorly worded, & WJLB, v/l from GHB. I liked the old symbols on the f/c list better than the ones now in use. I still stand behind DEE in his comments about personal comments and messages. It looks good to have a big section or a big report but when there is little DX involved, it stinks. Hope you all liked the idea of DDT reports. (Hate to say this, Dave, but DEE has informed me that combined reports are prohibited by the club's Editorial Policy; sorry. - MD) WNRS IDs are pronounced "Winnerz" with heavy emphasis on the z. Finally got JAPON!!! Totals now are 592/25, 37/15, 5/1 ctrys, 6/3 provinces.

Bruce R. Heimburger - 817 Rawlins St. - Port Huron, Michigan 48060

Hello again after a short absence. Plan on entering the Domestic Singles Contest. Have high hopes of winning since my verie totals before the opening day of this years contest were virtually zero. Dave and I plan on hosting the Robertsons 10/3 for a big bash. DX has started to blossom again around here. For all you SSS DX'ers, try 1580, cx here lately has netted me some interesting catches. Cx so good at times that sub-1kw'ers have been logged (and KCHA veried). I have been averaging about one station a day lately. Helping has been a tape-recorder that DRF has indefinately loaned to me. My new Heathkit Q-Multiplier has also helped boost my totals although I still don't know how to work the notch depth control. And finally, I propose a constitutional amendment banning static from the 15th of Sept to the 1st of June. All in favor-hi? Oh well, 73s.

Florence Mari Cohen - Box 328 - Golden's Bridge, N.Y. 10526

Greetings! By way of introduction, I'm 17 and a senior at John Jay High School. I've been interested in DXing since 1966, but I didn't really find out about it as a hobby until 11/69. Anyway 11/69 is when I began sending for QSLs and keeping a log. Since then I've hrd 134 stns, 24 states, 3 provs, 3 ctrys using a Halli WR-600, with a spiral loop that I built from IRCA plans. I also DX SW and FM and I belong to WTFDA. I collect SC's and other miscellaneous items from stations. DX is starting to pick up again here. Canadians are coming in beautifully. 73 and good DX.

\*\*\*\*\*

David Singer - 5501 Old Richmond Ave - Richmond, Virginia 23226

Hi. Not too much going on here this summer, but ex were surprisingly good. I've just renewed for another great year in IRCA! I'm joining the contests, are you? Finally broke 500 after being on the verge for 3 months; maybe I'll hit 600 by 1980, hi! 73, & Richmond in '71!

Frank Waldron - 65 Lakeridge Drive - Matawan, N.J. 07747

Veries since April include v/q- RAI-845 WGST-920 RNE-620. V/1 WQTY-1000 WQBA-1140 WLAV-1340 WJVA-1580 WTPS-1560 KCMC-740 WNBH-1340 WEPM-1340 plus an inspecific letter from LV de Cuba-690 after 14 months. V/f- CKXL-1140 WEAG-1470. V/1, v/q WABQ-1540. Hope IRCA picks a fairly Eastern city for '71 convention. NRZ convention was nifto, wouldn't you say, Marque? (Yup - MD) By the way MD, what do you have against \$10 motel lamps? (They turn me off. - MD) That can get to be a costly hangup you have there. Well, that is all I can think of to say within the realms of good taste, so I'll have to say CUNextTime.

Bruce Collier - 12 Pleasant St. #5 - Ayer, Massachusetts 01432

Hello from beautiful New England. I am now stationed at Fort Devens, Mass. attending morse code school for the Army Security Agency. No time to DX lately partially due to the lack of a good receiver. Expect to do alot when the season starts since I'll be here a year or more. Would like to hear from all members in this area. Phone number is 1-617-772-0552. After 6PM EST week nights and anytime on weekends. All members write, I'll answer all. Got married 9/6 so DX maybe limited due to other activities (hi). All for now. 73. (Welcome to the Bay State, Bruce! - MD)

Tom Hartloff - 49 Highview Court - Nyack, New York 10960

Remarks on return postage w/DX rpts is interesting. Before I joined a radio club I never sent RP and I guess I got just as good a per cent return in QSLs. But I feel that if a CE sees that you send RP, he'll be more inclined to answer. One stn mgr once wrote me to say that I was the first to ever enclose RP with a rpt (he'd only owned the stn a few months but had gotten rpts and apparently answered them w/pcs. I sent a 6¢ stamp and got a letter.). If you can afford to send RP, do. The quality of rpts may also increase if more DXers send RP. And then some real friendly stns send back your stamp--that's a bonus. Aloha.

Marc DeLorenzo - 30 Bay State Rd, Box 518 - Boston, Mass. 02215

If anyone wishes to phone in his report, the number here is 617-353-6323. Rpts will be accepted as late as 2300 Thursday night. Also, if you want a tape of the Boston Area stations (AM & FM), you've got one on request. Just send me a tape of your locals, hi. 73.

SPECIAL DELIVERY MAIL With CPC season well under way, it might be well to note that

Spec. Delivery mail (for 45¢ extra) is not appropriate for very much material, certainly not for stuff arriving during the week. The earliest delivery (from the standpoint of your pub.) is after I've left for work. There is only one delivery of S.D. after the deadline for regular mail. With deadlines for CPC somewhat variable and the PO unpredictable, members are urged to use the money for RP with reception reports, hi! Only 10% of the S.D. mail rcvd here would not have been received the same day by regular methods. More than once, it has been mislaid and subsequently delayed an extra day.

CLUB SUPPLIES Please see announcement elsewhere regarding IRCA Report Forms. If any item you've ordered previous to Oct. 5, other than RFs, has not arrived by the time you receive this, they are likely lost. Please advise so more can be shipped to you promptly. When ordering club supplies, please avoid the use of cash. Stamps of any denomination are much preferable and less risky. Understandably, purchasing money orders for anything less than a couple of dollars is pretty expensive.

IRCA DOMESTIC AND FOREIGN CONTESTS ARE STILL OPEN. DETAILS FROM PUB HDQ ON REQUEST.

Editor: Richard C. Evans - Box 1988 - Gary, Indiana - 46409

Deadline: Every Thursday AM until March!

+++++  
 Some more reminders: 1) Double space reports; 2) use the 24 hour clock--one person is using "straight" time without noting AM or PM; 3) Show the frequency on each station, even if typed together on the paper; 4) leave me space on the left to make notes; 5) Mail service is erratic. It takes 2 days for me to get mail from Chicago, at least three from Denver. 6) All times are EST!!! although an occasional r/c per v/l is listed ELT (and noted as such) to fit in the list. -30-

Rick Evans - Box 1988 - Gary, Indiana 46409

First of all, a big welcome back to Don Eggert who has paid me several visits. I expect to be down there this week-end to try out his TVI. Can't be any worse than one place I had where the landlady couldn't read English and fell aslepp every night during the news while I was "trying" to work SSS. v/l WCNW WHEP v/q CKWS KXEL WTOB CFRB. Totals here now 1042/573. Interest in listening has been slow in getting started. Work next week should be the start of a 1200-2000 CST/CDT shift, which I don't care much for. I am holding back for next week one report with 46 stations all listed in EDT which has to be changed. Static level here is still high, but hopefully it will soon go away. May everyone have 3 feet of snow all winter long!! 73.

Intermountain Radio Network

This list of Intermountain Radio Network stations was compiled from information obtained by Kevin L. Slater in a visit with Mr. Burt Oliphant, DXer's friend at KDBM, Dillon, Mont., who has conducted several programs for DXers over the years.

EDITOR: Lynn D. Brooks - Box 253 - Ponca City, Okla. 74601

ROBERT A. SCHNEIDER II - 1603 W. 15th; Apt. 101C - Lawrence, Kansas 66044

After a long period of self-imposed isolation I am finally forced to reappear for a DAF rpt. I'm not too sure what's going on as the 9/5 DAM never made it, but in ref. to Bro. Al's comments in the 9/22 DAM, it is true that I have a "verification" (GH's quotes not mine) from Glenn Hauser for the 14 April '69 KFSC DA Special. My 1st rpt to KFSC incl. a tape which was returned 3 wks after the rpt was mailed, but a verie was not rcvd. A 2nd try to KFSC netted the same results. In desperation I sent a copy of the tape, the rpt, & a letter of explanation to the arranger of the special, GH, in hopes he could get some results. In return, I rec'd a letter from him verifying that the tape & rpt were in fact accurate loggings of the special. GH added: 'It should be understood that this "verification" is made upon my own initiative & not as an official representative or verie signer for KFSC. I hope this nevertheless meets your requirements for a "valid" verification,' which it does & for which I thank GH. I'm not sure what Bro Al's point is, but I think he feels as I do, that a verie should come from someone who had a direct hand in the test, i.e. either from the stn, the arranger, or someone who is specifically designated to do so. In many cases, verifiers other than the station itself are harder to convince of a reports validity! Hopefully this will clear up any misunderstandings b/4 they start. 73 (Edited slightly due to length.LDB)

FRANK E. ADEN, JR. - 5805 Flamingo Drive - Boise, Idaho 83704

Hi gang. Nothing new here on BCB as all my DXing has been S.W. Had a fairly good TV DA season here, DXed 29 stns & 20 vfd. I hope to do some BCB DXing soon for DA has started to come in. Has anyone ever thought about having an IRCA membership certificate suitable for framing printed up for the members. I don't think it would be hard for the publ. hdq. to make them would it? I have started to wonder if IRCA is becoming full of Rod Diers. The purpose of IRCA is to promote BCB DXing, not for far-fetched controversies. If I was a non-member & I rcvd a DAM, I would probably have the idea that the club was falling apart.

JIMMY BOYD - 9017 E. 29 Ct. - Tulsa, Oklahoma 74129

Hi! Latest news from Tulsa: KRAV-FM 96.5 went off the air at 0000 9/26 for (according to the lady at KRAV-FM) 30-45 days. The reason for the silent period is a change of ownership to KFMJ-AM Corp. This would also be a change of format, probably to religious. I have 13 of the last KRAV SC's up for trade. New veries: WAKR KYW KRUX. I have seen many questions concerning KFMJ-1050's verie policy. I called them & they said that they try to verify every correct report. 73.

ALLEN W. OGRIZOVICH - WDX9KDD - Box 654 - Whiting, Indiana 46394

Hello once again Brother IRCAers. Not much DX but got a few new veries: WGHN-Douglas J. Tjapkes(v/1, cm, rate card) KAYL-Robt. L. Lamb(v/1 & cm), WTHI-Russ Arnold, WKAC-Wayne Forsythe(mimeo rpt back, letter, & business card), WKAC(rcvd rpts from Tex. & Ill.). v/q: WNMP, WOOD-Charles R. Robison, (I finally have the set of WOOD veries: AM, FM, TV). CJIC-Dave Irwin, & WINS. Does WHLL verify? I am now in 3 radio clubs. (IRCA, CBC SW, & Radio Prague). I ordered an Allied 2515-A. It sounds as if it's a good radio, I never hrd it in operation but the members that have it got some good catches. New totals: 241/175. IRCA Bulletin! WDXR verifies, as I saw a card by them. Well, that's about it from Whiting CU next issue. 73's.

PAUL S. LOTSOFF - Box 5151 - Tucson, Arizona 85703

..... Fellow members: The time has come for us to wake up. We have a critical need for a standby publisher. Surely, there must be one person who would accept this vital club position. IRCA depends on you! (The .... indicate a substantial portion of this report which was deleted per the EP. Paul, I can't print such stuff & be consistent with the standards which I have followed in the past. Besides the letter was meant only for those to whom DEE mailed it to. The problem may be a crucial one for the club, but personal attacks won't be printed in the MWDXF. -LDB)

LYNN D. BROOKS - Box 253 - Ponca City, Oklahoma 74601

You know, some of the things I have read in the bulletin lately certainly are close to being "detrimental to the IRCA" regardless of how you look at it. To me, they are very "detrimental". I urge all the DXF editors to be a little more cautious & selective in what they print in their sections. All this does is make us look like a bunch of little kids, rather than a serious group of BCB DXers interested in promoting the hobby & making the IRCA a strong club. How about cooling it. Okay? 73.

Thanks to everyone who reported, ya done good! Open mouth- insert foot day...on pre-amp plans, para 2, line 4, "At point "B"" should be: "At point "A""...it was very drunk out. Mark your calendar NOW for the big Thanksgiving bash here in Californias "First City" the 28th of November. Please let FJP, JK, or myself know if yer coming, otherwise maybe run out of num-nums...SEE worlds first Tinkertoy loop, SPR-4, HQ-180, and other goodies. Be there!!!

+++++

ANARC NEWS Wendel Craighead, 2110 W. 74th Terr., Prairie Village, Kansas 66208, is the new Executive Secretary of the Association of North American Radio Clubs (ANARC). His term will be for the next two years.

Midwest DX Club (MWDXC), David R. Alpert, President, 6636 Davis St., Morton Grove, Illinois 60053, has applied for ANARC membership. If any IRCA members are interested in a sample, drop Dave a quarter and he'll be glad to send a copy of MWDXC JOURNAL.

ANARC is conducting a vote on whether or not to make available to interested parties, subscriptions to the ANARC Newsletter. Fee would be \$2, first class mail. The decision will be announced in early 1971.

Copies of the ANARC Abbreviations List are available from Stewart MacKenzie, 16182 Ballad Lane, Huntington Beach, CA 92647, for \$1.25. This is the most complete list of its type available.

Editor: Bob Jacoby, 556 E. Alvarado St., Pomona, CA 91767  
Bruce Portzer - 14056 5th Ave. S. - Seattle, WA 98168

Hi. Another controversy has developed. Oh joy, I'd love to throw in my two cents but unfortunately I've been doing so much DXing lately that I'll probably devote my entire report to that, rather than to the latest scandal. Oh well... some 50 reports went out in late Aug-early Sept. with veries back from KSLY KCBD CFVR KEDO KSTN+SC KCRL KTKN KLPM KGDN KHLP+PC all v/1; KRED KTL KONA+CM all v/f; WLW KMWX+SC+CM CFPR KSEI KFRE KBRC KWSU KMVI KSUB WABC KSRO+CM v/q; KXXL v/cm. Total is 786/267. Strange things can happen when you try to verie your own locals. My KGDN v/1 said, "We are always pleased to hear from our distant listeners....if you are in the Seattle area, drop by and visit our studios." Speaking of form v/1's, does anyone know if KCBD-1590 carries Dallas Cowboys football? I heard an unid there w/a Cowboys promo, sent KCBD a tentativ and got a v/1. I'm not 100% satisfied, however, as the letter looks like they might be an automatic verifier. KJWE-800 may be the shortest lived calls on record. On 9/24 DGC, CA and I heard them ET'ing and ID'ing as "KJWE, with call appl. for KQIN." The next day they were IDing as KQIN! I have two KJWE ID's on tape fortunately. Hope to find out soon when they'll hit the air and with what format. In the meantime Chuck Albertson hopes to write a technical article on how to DX without ever waking up. Should be a real boon to the DXer who has to get up early the next morning to go to school or work. Till then 73.

Chuck Albertson - 815 101st Place SE - Bellevue, WA 98004

Hi all. This week saw the addition of three new countries to my log in the person of TGJ, HJBI, and CMKP. Has anyone heard of DXing in your sleep, sort of like sleepwalking? Last weekend I set my alarm clock for 0400 so I could get up and DX. I don't even remember getting up, but when I awoke the next morning I found entries in my log for an UnId on 666 made at 0430! I even ran back all the tape on my recorder, but apparently I hadn't taped anything at that time. Personally, I think I'm a case for the shrink. (Many people would have agreed on that before this thing went down, hi.) Welcome to Phil Bytheway and John Sacklin. Good luck on your OM chasing, Brother Al. KOMO almost went on strike last week, but it was postponed. The stn would have stayed on the air, but probably would have gone off at midnight. However, it could still take place, so hang in there. 73 and good DX.

Steve Kamp - 6149 Monteverde - San Jose, CA 95120

The IRCA needs the proposed "Sullivan Amendment" like it needs a merger with NRC (which IRCA needs like it needs a hole in the head.) However the "Bryson Amendment" is good and should keep the IRCA out of any more crazy merger attempts. To Mr. Hauser: Sir, since when does IRCA cover loggings above 1630 kc/s (or khz, if you prefer)??? I'm all for GMT in the DXWW. Most hams, DXers, etc, in parts of the world other than NA would keep their logs in it, I would think. Since DXWW has an "International" look to it now, it should go to GMT. We have a holiday on MM Oct. 12, so I hope to be up DXing then. Lots of good foreign DX in DXWW of 10/3. Hope to get some of it, possibly, and some domestics. Veries in: v/1 de KXO-1230, KORE-1050, KAHI-950, and KRWL-1300. V/q de KLUB-570, KGB-1360, and KSWs-1020. V/f de KLAC-570. My unId on 1050 in 10/3 WCDXR turned out to be KBLE in Seattle. 73s and good DX.

Dan Sys - 149 W. 26th Ave. - Vancouver 195, B.C. CANADA

Vancouver DXers have a problem, CJOR is illegally broadcasting on 530 kHz and 670 kHz. We've complained to the Dept. of Communications, and they said it's OK. Their reasoning was it's not bothering anybody and they won't take any action. It's a strong, distorted signal. I'm quite sure it gets out all over the Northwest, so if you hear it please complain to the D.O.C. at 739 West Hastings St., Vancouver. Even if you don't hear it, write. I'm trying every approach to get rid of this, even if I have to start a one man demonstration outside their offices, hi. While on the CJOR topic, they've almost cut C&W except on weekends and the all-night show. The rest is MoR and a new open line show from nine to midnight. The Prince George station on 620 with 10kw should be in full operation by the time you read this. Vancouver has a new stn, KCRL-780, it sounds like I live across the street from their Xmitter. 73.

Contrary to what many will say later, the following was not written to satisfy my ego. I have been Province of the Month editor since 1967 and the present period of time surely qualifies as the biggest lapse in support for the column. I must admit that as the years have passed, my spare time has decreased markedly but PoM has come first in the line of non-life-and-death activities (i.e., before DX). The next PoM is Saskatchewan, which will be published only if and when a respectable number of tips reach me. I would normally be able to supply tips from my own DX knowledge and that of the other local DXer, but, frankly, neither I nor most of the other local reliables have done any DX since Christmas. I was more or less expecting a few comments on the LPRT List just published, even before I typed it. The real reason that it ever became a reality is due to a number of reasons: 1) many people actually requested that a comprehensive list of LPRTs be published as part of PoM; 2) no complete list of LPRTs has been published before in DXM (to suitable use the list that appeared 1½ years ago, one must make references to another list published two years ago listing locations); 3) accurate up-to-date info was available from the CPC. All responsibility for the poor inking of the stencils rests upon my shoulders. It just shows what happens when you let an editor get rusty and don't work him. I'm always open to suggestions on PoM or Publicity Committee. 73 and Good DX!

Fred Jordt - 398 Chestnut St. - Nanaimo, B.C. CANADA

Hi all; Well this is my first report of the new season. Glad to see so many new members. It only proves that people wouldn't join IRCA if it wasn't the great club that it is. I see that I finally have a partner here on Vancouver Island. A hearty welcome to the club Neil McDougald. I had Neil up for a visit last week and we spent supper and the evening talking DX and associated subjects. This year my object of DXing is to raise my total states, provinces, and countries verified. My totals now are states 29/23, provinces 5/4, countries 1/1. My job at House of Stein Electronics holds what most DXers would like. That is I have the chance of trying out new radios and communications receivers when they arrive at the store. Last evening I tried out the 6001 Grundig. Not that good on AM but great on FM and SW. It has 20 trans. and 10 diodes with 20 bands. The price here is \$449.00. Well better close or I'll be over my limit. For new season one verie in WHAS Kentucky for state # 23. 73's

#### NO MORE IRCA REPORT FORMS

The inventory of IRCA Report Forms is now gone. They sold so quickly that it was not realized the end was near. A new order will be placed as soon as there has been time to receive, at pub. hdq., your comments on the forms. Any suggestions for changes will be carefully studied. Please send them only to DEE; not to DX Forum, etc.

Orders will still be accepted for IRCA RF's but not more than 75 can be shipped to each person at this time. The remainder of the order, at the old rates, will be filled from the new stock as soon as it is received. You may order whatever quantity you desire to get the old rates but only until Nov. 1, 1970. After that date, ALL orders will be returned, unfilled, and subsequent orders will be at the new price, which has not yet been decided. -DEE, 6059 Essex Street, Riverside, Calif. 92504

#### Writing Reception Reports Reprints

Reprints of Leaflet R, 'Writing Reception Reports,' by Bob Coomler, taken from the IRCA DX Booklet, are available for yourself and for any interested friends. The reprint is 7 pages (4 sheets) and is an ideal newcomer's course on writing reports to radio stations in a manner that will achieve the highest percentage reply. If you'd like a copy or copies, pse drop a card or letter to DEE, address above.

#### PHONE TIPS

CPC or other tips for printing in the bulletin may be phoned until the night the bulletin is mailed. The number is 714-687-5910, any time 6 PM to midnight PST. -DEE

--Don't forget the DX Meeting in San Diego during the Thanksgiving weekend, all day Saturday, at Grant Manning's house. Be sure and drop Grant a card if you're coming.

Editor: Father Jack Pejza, 3266 Nutmeg St., San Diego, Calif. 92104  
Telephones: 714-282-0076 or 714-282-2184.

Deadlines: Fridays, eight days before publication. Use EST in reports, one side of page, preferably typed and in order of frequency.

+++++

Logging Your First Ten Mexicans--- Jay Murley

Logging your first ten Mexicans isn't a problem in the Southwest. But many DXers far away from the Mexican border have definite loggings on only a handful of Mexicans. And those who don't understand Spanish may feel rather frustrated in their attempts to increase their totals.

But there happen to be a few rather fool-proof shortcuts that only require careful listening. The only requirement is an extra receiver, standing by on your most audible Mexican frequency or on certain short-wave dial positions in some cases.

With rare exceptions, for instance, every Mexican station--regardless of time zone--carries the same program from 2300-0000 Eastern Time on Sunday evenings. Even if you don't understand the language, the well-produced "La Hora Nacional del Gobierno Mexico" offers unexcelled opportunities for parallels. This is a prime source of new loggings for both distant DXers logging Mexican clear channels and border area DXers logging the tougher locals by careful looping.

Five of the most commonly heard AM stations have shortwave parallels as well. I suspect that these may present the sort of problems those of us in the West encounter as we attempt to log Nova Scotians via SW//AM. But for those whose loggings of certain large-power XE's have been blocked only by the splatter of a pesky local, this approach may have merit.

Most distant DXers will find their first ten Mexicans to emerge from among the thirteen stations listed below. Some are primarily English-language, some largely so; the majority are Spanish-language outlets.

- 540 XEWA San Luis Potosi, S.L.P., 150 kw. Spanish-language, //to 900, 1190, 6165 and 9515, scheduled 0700-2300 EST.
- 690 XETRA Tijuana, B.C.N., 50 kw. A 24-hour "good music" (wall-to-wall), English language outlet serving Southern California.
- 730 XEX Mexico, D.F., 150 kw, Spanish, // to 6065, 0700-0100, with unloggable satellites that are barely loopable.
- 800 XELO Ciudad Juarez, Chih., 150 kw. Basically Spanish by day and English by night. Note: Tijuana daytimer XEMMM is 1000 watts here.
- 900 XEW Mexico, D.F., 250 kw, Spanish, // to 540, 1190, 6165, and 9515, 0700-2300, with two U.S. Chicano daytimers.
- 1000 XEOY Mexico, D.F., 10 kw. Spanish, // to 6010, 0700-2300, hardly a clear-channel in the Pacific Northwest.
- 1030 XEQR Mexico, D.F., 10 kw. Increasing to 20 kw, Spanish, another all-nighter, contemporary music and news.
- 1050 XEG Monterrey, N.L., 100 kw. Somewhat bilingual, on all-night, no SW parallel.
- 1090 XERB Tijuana, B.C.N., 50 kw, Vancouver's soul station, English, 24 hours, featuring "Wolfman Jack", etc.
- 1110 XERCN Mexico, D.F., 50 kw, for many best logged via "La Hora Nacional" parallels; Spanish, 24 hours, no shortwave parallel.
- 1190 XEWK Guadalajara, Jal., 50 kw, Spanish, // to 540, 900, 6165, and 9515, 0700-2300.
- 1220 XEB Mexico, D.F., 100 kw., Spanish, 0600-2300, two Chicano daytimers here, but no other XE's from 1210-1230, for "La Hora Nacional" parallels.
- 1570 XERF Cd. Acuna, Coah., 250 kw. Bilingual, 1800-0800, no parallels. Was English 1900-0200 or 0300 and 0500-0730 last year.

And a challenge to those who have long surpassed the ten-mark in their Mexican loggings: there are about 500 AM stations, satellites included, in Mexico. If you've logged the 13 above, you'll have seven Estados (counting the Distrito Federal). That leaves 25 Estados and Territorias to go. Some, like Guerrero (best known for Acapulco, the resort town), are very difficult catches. Others are virtually impossible. For those interested in logging XE's by states, here's last year's listings, when 491

stations were on the air.

|                  |     |            |    |                 |     |
|------------------|-----|------------|----|-----------------|-----|
| Aguascalientes   | 4   | Guerrero   | 14 | Quintana Roo    | 2   |
| Baja Calif. (N.) | 25  | Hidalgo    | 4  | San Luis Potosi | 11  |
| Baja Calif. Sur  | 3   | Jalisco    | 35 | Sinaloa         | 23  |
| Campeche         | 5   | Mexico     | 3  | Sonora          | 35' |
| Coahuila         | 32  | Michoacan  | 27 | Tabasco         | 8   |
| Colima           | 5   | Morelos    | 4  | Tamaulipas      | 36  |
| Chiapas          | 11  | Nayarit    | 8  | Tlaxcala        | 1   |
| Chihuahua        | 34' | Nuevo Leon | 19 | Veracruz        | 42  |
| Distrito Federal | 30  | Oaxaca     | 11 | Yucatan         | 8   |
| Durango          | 6   | Puebla     | 12 | Zacatecas       | 5   |
| Guanajuato       | 23  | Queretaro  | 5  |                 |     |

For those who have logged 48 or 49 states and 9 or 10 provinces and feel that those last US States or Canadian Provinces to be frustrating challenges, here's a new one: see how many Estados you can log!

#### Listeners' Loggings- East Coast

584 RNE Spain, Madrid, 9/27 2110 EST with opera type music. Signal weak but clear with loop. (TRS)

665 ... Portugal, Lisbon, 9/27 2030 with talk in PP at tune-in. Some pop music, best signal of evening. (TRS)

683 RNE Spain, Sevilla, 10/4, 2030-2100 with music through QRN. Signal not particularly strong, but best of 665, 764, 782, 818, 845, 1554 heard throughout P.M. from 1900. (TRS)

719 ??? UnID. 9/27 1825, looped ENE with "Let It Be" in EE; otherwise foreign language pop music with announcements. Het from 720, but quite readable until 1900 when faded out. Portugal? (TRS)

764 ... Senegal, Dakar, 9/27 1815 with Afro music through WABC sidebands, quite clear at times when latter quieted down. (TRS)

782 CSB9 Portugal, Maramar, 9/27 1815 with talk in PP. Weak at first, but by 1830 quite good even though only just traces of signals were on 737 and 1554. (TRS)

818 ... Egypt, Batra, 9/29 1830 in AA talk over Andorra, just a het. Good audio and easily apart from 820. (TRS)

845 RAI Italy, Rome. 9/27, 2120 with light classical music, good signal. Excellent ID caught on tape 2130, more music following. Still around with good signals past 2300. Also 10/4, 2100 with time pips, ID and into news. Peaking at very high signal levels completely wiping out QRN from local thunderstorms in progress (using new blanker built from 10/68 PE). (TRS)

1041 ??? UnID LA 9/27, 2305-2400 het against WHO readable at times with some EE pop music ("Let It Be") at 2310. Missed IDs at 2310 and 2330. ID on tape at 2400 deciphers something like "...Radiotelevision ...San Tavlos (or Tablos)...las musica popular..." and I have no idea. Loop says CA. How about it? (TRS) (This het has been heard out here, too. Could it be HOJ2Ondas del Canajagua, Las Tablas, Panama, off-frequency? Ed)

1045 ... UnID LA, 9/28 2340-0010, weaker than 1041 and buried under 1050 splash. Programming SS language and music, loops further S than 1041. Had OC with no modulation after 2400. Ideas? (TRS)

1165 ??? Cuba (presumably). The unlisted R. Liberacion relay was again noted here 9/29 from 2115 tune-in. Thus a repeat has gebun of last season's pattern. First this one was heard, next a Colombian was reported on 1167 (not heard here), then I was hearing either a US spur or a bootleg relay of a US station(s) on 1167v. To the best of my knowledge, none of these "UFOs" were ever heard on the air at the same time. All of which is probably coincidence, but there is an outside chance that we are dealing with a sophisticated hoaxer of the Purple Pumpkin type. (CMS)

1554 RTF France, Nice. 9/27 2055 with news in FF to 2100, then began OC with some TT. Noted OC ending 2300 with FF announcements and s/on. (TRS)

Midwest

- 665 ... Portugal, Lisbon, first appearance after 9/11 opening came on 9/24 when definite carrier with poor audio blossomed at 2255. Was not there earlier and all trace had gone by 2340. A quite similar brief appearance came on 9/26 2140=2210. (GM)
- 760 CMCI Cuba, La Habana 9/15 0305-0316 with "Reloj Nacional" news and second pulses atop frequency. No WJR or KGU. (JO) (Call should be CMCD, John. Ed)
- 1YA New Zealand, Auckland logged 0400 9/14 with MoR and semi-classical music program. Intermittent KOB testing was QRM. (DN)
- VOA South Vietnam, heard 0700 s/on 9/14 and then into Vietnamese, not enough for a report. (DN) (Doug, I would doubt this is VOA. WRTH lists s/on as 0600; to my knowledge no one in the US, not even REW from Hawaii, has reported this one. Also KFMB was on by 0700 on that AM, according to my log. Ed)
- 764 ... Senegal, Dakar, first audio of the season for me on 10/1 0140-0145, man in Arabic speech. On 10/2 at 0124, caught a bit of guitar-picking. Carrier audible here from about 85 degrees soon after 0100 on 9/25 and 9/27. Don't get Dakar confused with El Salvador on 765 which has s/off close to 0100 but leaves carrier on for next 10-15 minutes. (GM)
- 770 3LO Australia, Melbourne present 9/14 0358 with discussion, ID, then into opera music, reported. (DN)
- 820 HJED Colombia, Cali. Has that directional antenna broken down or been changed? Heard with unusual signal strength at 0100 on 9/29 and on the next MM too, 10/5. HJED up to now has been very faint here although it's usually the #1 SA from Ohio on eastward. Now it is about on par with the Colombians on 750, 840, and 850. (GM)
- 840 CB84 Chile, Valparaiso, "Radio Portales", IDs as just that, heard at 0343 and then 0346 9/28 with IDs. Latin American music with frequent IDs in SS after almost every song, reception GOOD! (BH)
- 844 VSZ1 Gilbert and Ellice Islands, Tarawa had a strong carrier but poor audio as early as 0210 10/5 MM. Not new here. (GM)
- 970 KPUA Hawaii, Hilo 9/21 0345-0400 poor compared to last season when it was almost my semi-local. (JO)
- 1010 XEHL Mexico, Guadalajara, Jal., 9/14 0505-0520 with many ads in SS and SS rock music. Clear channel. (JO)
- 1020 HJDP Colombia, Neiva, Radio Colosal with KDKA nulled, here briefly but ID is on tape 0219 9/30. Not heard again in the next 45 minutes. (GM)
- ZCO Tonga, Nuku'alofa 9/14 0420-0505 strong with no KDKA or KGBS but fades of 40 seconds. Taped for best signal since 1960. Woman announcer with dedications of songs in ZCO type language plus EE songs by Elvis, Tom Jones, Neil Diamond, etc. 9/21 0410 poor under KGBS briefly and no KDKA. (JO)
- CMBN Cuba, Nueva Gerona, La Emisora de la Juventud, heard with musical interval of the "Voice of Vietnam" program heard at 0340 9/28 with excellent signals; some QRM by UnID MW, with excellent signal. (BH)
- 1042 CMBN Cuba, Isle of Pines, "R. Caribe" heard in s/off 0105 10/4. Found them on 1028 in July. (GM)
- 1170 KOHO Hawaii, Honolulu 9/21 0315-0340, poor o/u KVOO with JJ songs and ID at 0333, taped. (JO)
- 1420 2AP Western Samoa, Apia, and KCCN, Hawaii, Honolulu, signals 9/14 briefly during log of ZCO. Unneeded. (JO)
- 1580 XEDM Mexico, Hermosillo, Son. in like a local as usual but in EE with country music USA. Said they programmed CW on Saturday 2200-2400 (local time). Heard 10/3. (DN)
- West Coast
- 548 RV445 Asiatic RSFSR, Vladivostok presumed the carrier heard 0710 10/5. (FJP)
- 573 HLKR South Korea, Keng Neung with Korean language 0842 9/24. (WG)
- 648 ??? UnID carrier 0650 10/5. (FJP)
- 650 XETNT Mexico, Los Mochis, Sin. fair 2113-2121 s/off 10/3. (AEL)/s/off 10/6 2122 with call ID and "Radio 650" ID. (FJP)

- 655 ... North Korea, P'yongjang, net 2. The Asians are back, at least. Loud and clear 0533, 9/28 with repeated pattern of a group singing, some talk, and back to same song. Propaganda time? (AWPP)
- YSS El Salvador, San Salvador presumed the one mixed with quite a bit of slop 0124-0139 10/6. No clear ID heard, but what else is here in SS? (FJP)
- 670 JOBK Japan, Osaka NHK with strong signal at 0555 10/4. (WG)
- CMKP Cuba, San German all alone with KBOI and WMAQ off 0137 9/28. (CA)
- 700 JOFB Japan, Hiroshima/Kitami, NHK2 0525 9/28 with EE lessons. New frequency allocations per WRTH'70. (AWP)
- JOKD
- 725 ... North Korea, Kim Chack with a fair signal 0850 9/21, //785. (WG)
- 737 RNE Spain, Barcelona, SS music and male announcer, loud and clear via remote link from Watertown, Mass, 10/2 0100. (JM)
- 750 JOIB Japan, Sapporo, NHK2, 0510 9/28. Loud and clear with talk and music. At 0515, Net 2 begins EE lessons. Started with "Today is Monday, Sept.28". (AWP)
- 770 JOUB Japan, Akita, NHK2 0517 9/28, EE lessons in progress. New frequency from 1590. (AWP)
- 780 ... China, Peking, woman singing in CC 0902 9/23. (WG)
- 810 XERSV Mexico, Ciudad Obregon, Son., "R. Variedades" s/off 2102 after Taps and full information in SS. (FJP)
- 820 ... China, Peking talking about Mao Tse Tung at 0852 9/23. (WG)
- 830 JOBB Japan, Osaka fair with WCCO looped 0510 10/4. (AEL)/ Music, chimes, pips and ID 0700 9/28. (FJP)
- 834 ... British Honduras, Belize, R. Belize in EE and SS at 2300-2407 s/off; good level 9/30. (WG) (Usually in very well each evening in So. Calif. Ed)
- 835 ... China, Nanchang good but with long fades; 0600, pips and CC; into music 10/5. (FJP)
- 840 ??? UFO with WHAS looped 0540 10/3. Language sounded Korean but too weak to be sure. (AEL)
- JOQK Japan, Niigata, NHK ID and talk at 0903 9/19. (WG)
- HJBI Colombia, Santa Marta in with SS versions of US pop tunes and ID 0215 9/28. (CA)
- 855 ... China presumed the carrier 0616 10/5. Carriers also heard on 845 (N. Korea?), 1475, and Koreans on 655, 725, 765, 875, 1005. (FJP)
- 870 JOLB Japan, Fukuoka, NHK with very strong signal S9+10db at 0933 10/4. (WG)
- 874 ... North Korea, Wonsan, Net 1. Shift of frequency from 876. Weak at 0555 9/28, with woman in Korean. Funny that this shifted farther away from WRTH listed 877.5! (AWP)
- 890 JOHK Japan, Sendai weak 0512 10/4. WLS looped. (AEL)
- 1000 XEOY Mexico, D.F. good ;with SS music and "Radio Mil" ID at 0235 10/5. KOMO off with no OC or TT. (CA)
- 1030 XEQR Mexico, D.F. all alone with music and frequent "R. Centro" IDs 0553 10/4. (CA)
- 1040 ... China, very good at 0900 10/3 and 10/4. First appearance of the season was 8/22 with fair signals 0802. (AEL)/ At 0905 9/24 the strongest foreign station I have heard to date, S9+30db. (WG)
- HJAI Colombia, Barranquilla, R. Tropical 0135-0155 10/4 with usual Caracol music, etc. Hets about 1.5 KHz and .25 kHz below. Couldn't tell whether this one was exactly on frequency or not. (FJP)
- 1175 YSCB El Salvador, Sonsonate presumed the one 0630 10/5 with SS voice and music. Noise killed any chance of IDing. (FJP)
- 1210 HJFF Colombia, Pereira, La Voz Amiga with usual Colombian music 0220 10/4. (FJP)
- 1349a XELBL Mexico, San Luis, Son. s/on 0810 10/4 causing loud het with KCKC and KLYD. ID 0828 and 0830 with call and slogan, "Radio Juventud". (AEL)
- 1475 ... Asiatic RSFSR, Khabarovsk. This had me going for a while. Strictly Mandarin program 0610-0700 9/28, then Kremlin Bells on the hour. So don't be fooled! (AWP)'

Please continue to use EST in reports; hopefully GMT will soon be in use though.

Radio Nordsee International'

According to reports received from Tom Sundstrom, Desmond J. Colling (via CMS), and Terry Greenhill, RNI has ceased transmission. The last days of the station appear to have been hectic ones. On August 29, atug and a smaller boat came out to Mebo II, the ship on which RNI was based, and boarded the ship, claiming the station belonged to Kees Menders. When the RNI crew denied this, Menders got back in the tug, circled Mebo II for 20 minutes and then began preparing to cut the anchor chains. The DJon duty put out a distress call, asking people to call a number in Zurich and another in The Hague to find out who the real owners were. Erwin Meister, who was in Holland, came out to the ship with a lawyer and called for help from the Dutch Marines. The tug and the small boat escaped out to the open sea and disappeared in the mist. On September 24, the station left the air. They announced that they were closing down because of pressure within the Dutch parliament to close all pirate stations. They said that the directors thought it better to voluntarily silence RNI rather than have the older Radio Veronica (and the Dutch people) suffer. The 1367 kHz carrier left the air at 0500 EST on September 24, and the 6205 KHz carrier ended a minute later. According to announcements, the vessel cut its sea anchor at 0430, and the ship sailed into Schenveningen harbor in mid-afternoon. According to Desmond Colling, strangely enough, all the DJs seemed unusually happy about the closure. One DJ said he was still employed as an engineer, although not as a DJ. Several times it was said that "The future is bright for all the lads out here", and perhaps most revealing of all is the official announcement, dictated by RNI's HQ and read many times--- "...Our directors in Zurich feel that it would be better for the Dutch people for us to suspend broadcasts so the Dutch government will not attempt to close Radio Vernnica..."

Colling suggests that RNI's vessel, the Mebo II, is far from finished as a radio ship. He sees a couple of possibilities: 1) they plan to do what they said they would do when setting up the station, in the event of the Netherlands introducing legislation; that is, sail to the Mediterranean and broadcast to France, supplied from Spain; 2) RNI may have made a deal with R. Veronica who will possibly take over the Mebo now since Veronica's own ship is very old now. The Dutch may allow Veronica to continue with more power instead of having both RNI and Veronica off their coast. Menders (or Mundes) who tried to allegedly hijack RNI last month, attempted to buy Veronica about two years ago, so he may also be connected in some way. Tom Sundstrom's correspondent in Sweden, Terje Isberg, states that RNI never had or never will have any QSLs, according to Mrs. Bclliers, one of the co-owners. There will be a book printed about the operation of RNI, available for about \$2 US, from "Souvenir Book", Radio Nordsee International, P.O.B. 113, CH-8047 Zurich, Switzerland.

The above corrections and additions to the Mexican list were taken over the phone from Ron. Any errors are probably due to phonetic similarities or stenographic errors. (Editor)

England England's first commercial radio stations are expected to be in operation by January 1972. Commercial radio backers are now hoping for medium-wave allocations for broadcasts. The BBC stations are restricted to VHF broadcasting, which offers big disadvantages; VHF cannot, for instance, offer road information since car radios are generally not equipped with AM/FM receivers. Commercial stations on MW would offer a distinct advantage over the BBC plan. (WRB)

Pirates

Growing numbers of pirate are appearing in England. Several stations in southern England have formed an organization called "The Southern Independent Radio Association." Member stations include Radio Morsham, Radio Ajax, Britain Radio, and Radio Reigate. Britain Radio operates on approximately 1180 and 1385 kHz. Radio Free Morsham has been noted on about 1115 kHz. (WRB)

Austria The output on 1475 kHz will be increased to 1000 kw. (SCDX)

Malta According to station from the Station Controller, the British Forces Broadcasting Service, is closing down the MW transmitter on 1430 kHz on Dec.1.

British Honduras According to the British High Commion in Ottawa, British Honduras is an "internally self-governing nation" but that Britain controls all external affairs. The name is still British Honduras, but the country is soon to become independent and it is not known at this time whether they shall be independent within the commonwealth or shall break entirely. (Quentin K. Brown)

India The Ministry of Information and Broadcasting now has its Fourth Plan for a strengthening of the radio networks of India. Equipment for a super-power medium wave transmitter at Rajkot has recently arrived from Yugoslavia, and is expected to be on the air by the end of 1971. High powered stations are also planned for Simla, Najibaad, a place near Bareilly, Jammu, Srinagar, and Imphal. Low powered transmitters will be at Tawang, Niasa, Aijal, Lungle, and Uttarkashi. The high-powered MW station at Bhug is already in use, while another at Leh is under construction. (SCDX)

Lesotho Lesotho National Broadcasting Service, Maseru, is now on the air 2300-0200, 0530-0700, 1000-1500 EST. Sat 2300-Sun 0200, and Sun 1000-1430 all on 899 kHz with 10 kw. (SCDX) Has drifted to 897, and probably not 10 kw. (EDXB)

Venezuela Radio El Sol, La Fria, is a new station on 1160 kHz. (SCDX)

West Germany A SSB MW transmitter operates from Hanover-Hemming 0300-0900 EST on 1025 kHz with 400 watts, relaying first program of NDR/WDR. (SCDX)

Mozambique A new 50 kw transmitter located in Lourenco Marques will operate on 1007 kHz in the near future. (EDXB)

Ramadan The Islamic Holy Month this year is from November 1 to December 1. This means a daily fasting period from sunrise to sunset, and therefore a considerable number of MW stations in Arabic countries are on extended schedules in the late evenings. (SCDX)

Last Minute Report- Grant Manning, San Diego, Calif.

650 XETNT Mexico, Los Mochis, 10/8 2056 over WSM; s/off 2125.  
1054 ??? UnID strong carrier 0125 10/9.

*With this issue we resume weekly publication. I want to encourage as many as possible to try some foreign DXing. Jay Murley's article in this issue on Mexican DXing will, I hope help some of our newer members to ID those XE's they hear. Regardless of where you live in the US or Canada, you have a chance for some foreign DX. One thing I would warn you about, however, before you report to DXWW--I don't especially like getting a report of the "UnID SS with typical LA mx" variety. If you're going to report, (and I certainly hope that you do), please try to listen long enough to your unidentified stations to get some identifying marks--slogans, ads, or whatever. Use standard reference works such as World-Radio TV Handbook to find out what stations you might have heard. Hope to hear from you!*

*I'm still waiting for my copy of the NRC Domestic Log to reach me. Apparently the U.S. Post Office is still using Pony Express for delivery (4th class) from Boston. Don't forget the SCECPOSDX get-together on November 28 at Grant Manning's. 73 from FJP.*

## Radio VL2NI

A challenge to all medium wave DXers is little VL2NI of the Norfolk Island Broadcasting Service.

You may quite possibly know nothing about Norfolk Island. Its geographical coordinates are 167.56° east and 29.03° south which puts it in the So Pacific 660 miles NW of Auckland, NZ, and 1035 ENE of Sydney, Australia.

Only 8528 acres in area, it is an Australian Territory with an Administrator and a locally elected Council. Its main income is from the sale of postage stamps and from tourism.

It is in fact a popular place for tourists who come mainly from Australia and New Zealand but increasingly from other countries. They are attracted by a near-perfect climate, luxuriant flora and fauna, fascinating historical remains, duty-free shopping and first-class hotels.

The Island was a notorious British penal settlement in the early 1800's and there is much evidence of this unsavoury period still in existence.

VL2NI is the only broadcasting station on the Island and is now operated by the Administration. It started life as a Department of Civil Aviation utility designed to inform Islanders of aircraft movements.

A studio was then set up in the Administration buildings at the capital, Kingston, and a transmitter with an output of approx. 12w was used on 1570 kHz.

Following the recommendations of an Australian Post Office engineer who visited the Island and reported on the local broadcasting service in 12/67, a new 50w trans. was installed and a new aerial erected. An ultra-modern studio was built in a restored convict building and a library of records and tape-recordings was established with the assistance of the New Zealand Broadcasting Corp., the BBC and Deutsche Welle.

The Island now had an excellent broadcasting service providing international news, local news bulletins and a wide range of musical and variety programmes. Transmission times were 0900-1200 local time (2130-0030 GMT) Mon. thru Fri. and a Monday evening programme 2000-2230 (0830-1100 GMT). Monthly Council meetings were broadcast Tue. eve.

But on the morning of Wednesday, May 27, 1970, a disastrous fire completely gutted the building housing the new studio along with the Public Library and historical museum. Priceless historical documents were lost and VL2NI went off the air.

But not for long. The enthusiasm of its staff, particularly people like part-time technical officer John Anderson, owner of a large radio shop, had the station operating the next day from the tiny transmitter shed.

With fellow broadcaster Pastor Matt Cathcart sick with hepatitis, Broadcasting Officer Mrs. Kathy Lecren has since the fire presented 45 min. daily programmes under dreadful conditions. Her entire equipment consists of one ancient record-player, a Sony transistor radio, a small control box, a low-density mike and a kitchen clock.

International news is taken from R. Australia or Brisbane's VLQ9 through the transistor set and there are unavoidable lengthy breaks as records are changed. But no one complains. VL2NI is a community station and everyone on the Island would help if he could. Each morning there are many visitors to the transmitter building and children play outside the open studio door.

Saturday and Sunday aircraft movement broadcasts continue to come directly from the airport terminal where Department of Civil Aviation controller Les Bright has a lower power transmitter also tuned to 1570 kHz.

The staff at VL2NI are aware that many foreign DXers are trying hard to capture their elusive signal and they look forward to receiving reception reports. In fact, several accurate reports have come in from N.Z., Australia, Germany, Finland and elsewhere and have been quickly verified.

Strangely, none have arrived since the 50w tx was commissioned except from a ship in the Tasman Sea. John Anderson thinks the old makeshift aerial must have had sky-wave tendencies while the new system is specifically designed for local transmission and may have none of the former long-distance capabilities.

But do try to log VL2NI. And if you can't log it, why not visit Norfolk Island yourself? The Administration or Tourist Board will be pleased to send you information on VL2NI and the Island in general. Remember, Norfolk Island is an excellent location for South Pacific DXing.

---Kelvin R. King, freelance writer and photographer, P. O. Box 3911,  
Auckland, New Zealand

CONSTITUTION OF THE INTERNATIONAL RADIO CLUB OF AMERICA, INC.

ARTICLE I - NAME

The name of this organization shall be the International Radio Club of America, Inc.

ARTICLE II - PURPOSE

The purpose of the International Radio Club of America shall be to promote the hobby of radio listening on the AM Broadcast Band.

ARTICLE III - MEMBERSHIP

Membership in the International Radio Club of America shall be open to anyone in any nation interested in the hobby of broadcast-band DXing.

ARTICLE IV - DUES

Dues in the International Radio Club of America shall be enacted on an annual basis, the amount to be determined by the appropriate governing body, to be known as the Board of Directors.

ARTICLE V - OFFICERS

The government of the International Radio Club of America shall be comprised of the following officers:

1. President
2. Secretary-Treasurer
3. Board of Directors (seven members)

ARTICLE VI - ELECTIONS

Elections for President, Secretary-Treasurer and Directors will be held every two years.

ARTICLE VII - CONVENTIONS

The one official international meeting of the International Radio Club of America shall be the annual convention.

ARTICLE VIII - AMENDMENTS

Amendments may be made to this Constitution by submitting a proposal in written form to the President of the International Radio Club of America at least 60 days prior to the beginning of the annual convention. To become enacted [as] an amendment, the proposal must receive a full hearing before the members assembled at the business meeting at the annual convention, and announcement must be made at that time to express the intent to have the full club membership vote on the proposal. In addition, to become enacted, a proposal must receive a two-thirds majority of the total club membership.

BYLAWS OF THE INTERNATIONAL RADIO CLUB OF AMERICA, INC. (Revised to 8/1/70)

ARTICLE I - NAME

The name of this organization shall be the International Radio Club of America, Inc., and the official abbreviation IRCA may be used in referring to this organization.

ARTICLE II - PURPOSE

The purpose of the IRCA shall be to promote the hobby of radio listening on the AM Broadcast Band, 510 to 1630 kilocycles.

ARTICLE III - ELECTIONS

Section 1 - Frequency

Elections in the IRCA shall be held in odd-numbered years to elect the officers listed in Article V.

Section 2 - Dates

Part 1 - Nominations: April 1 to May 15.

Part 2 - Campaign statements: due to be submitted to the Chairman of the Election Committee one week prior to the date of the June DX Monitor. The same deadline applies to nominees who wish their names withdrawn from the ballot.

Part 3 - Elections: Ballots and the printed campaign statements are to be mailed to all members with the June issue of the DX Monitor in the election year and are to be returned to the Chairman of the Election Committee by August 1. In case of a tie in the balloting for any office, a run-off election among the nominees that tied will be executed immediately by the Election Committee, and results announced

Part 3 - (continued) as soon as possible thereafter. In case of a tie in the run-off election, or in case there are no persons nominated to fill a particular position and no write-in candidate receives an undisputed majority of the votes cast, the newly elected members of the Board will appoint from the candidates that tied (if any) an officer to fill the position within 30 days of the election. A Director vacancy must be filled by a member from the geographical Region in which the vacancy exists. In case of a deadlock in balloting on the Board, the President shall cast the deciding vote.

Part 4 - Results: The results of the above elections are to be announced at the IRCA Convention and published in the following issue of DX Monitor. Results of other elections are to be published within 30 days of the ballot deadline.

Section 3 - Scope

Part 1 - The President and Secretary-Treasurer shall be elected by the membership-at-large.

Part 2 - The Board of Directors shall be elected on the following basis:

- a. The world shall be divided into seven regions, each representing as nearly as possible an equal number of IRCA members.
- b. Each region may contain as few as 10% but not more than 20% of all IRCA members.
- c. One Director shall be elected from each of these Regions.
- d. Region boundaries will be reviewed by the Election Committee before each election and, if necessary, revised.
- e. Eligibility: No member shall be eligible to election to any office without having held one year's membership in the IRCA; no member shall be eligible for more than one elective office concurrently.
- f. If a Board member moves permanently from his Region within one year of election, he shall be relieved of his duties at the time of such move; if the move occurs after the first year of his term has elapsed, he will be allowed to fulfill the term but will not be eligible for reelection from his former Region.

Section 4 - Nominations

Part 1 - All nominations for officers must be submitted in written form to the Chairman of the Election Committee.

Part 2 - Nominations for President and Secretary-Treasurer may be made by any member regardless of location.

Part 3 - Nominations for Director must be made by a member or members residing in the appropriate Region.

Part 4 - An IRCA member may be nominated for more than one office, but must decide for which he prefers to run and so inform the Election Committee.

Part 5 - Only one nomination per office shall be allowed any one member. If a member signs a nomination as a group, this will be considered his one nomination.

Part 6 - All candidates will be notified of their nomination by the Chairman of the Election Committee shortly after May 15 of election year. Nominees may submit campaign statements to the Election Committee Chairman with limits as follows: President and Secretary-Treasurer: 20 lines; Directors on the Board: 15 lines.

Section 5 - Determining Winners, Election Committee

An Election Committee appointed by the President with the Board's approval will handle all aspects of each election with complete authority.

ARTICLE IV - DUES

Dues will be collected on an annual basis and the amount will be subject to change by the action of the Board of Directors. The Secretary-Treasurer will be in charge of collecting dues.

ARTICLE V - OFFICERS AND DUTIES

Section 1 - Officers

The government of the IRCA shall be comprised of the following officers: President,

Section 1 - (continued) Secretary-Treasurer, and seven members of a Board of Directors.

Section 2 - Duties of Officers

Part 1 - President

- a. Shall preside at all official club functions, including the annual business meeting, when in attendance. If he is not to be present at the annual business meeting, he will appoint at least two weeks in advance of the meeting date a member who does plan to attend, to preside over the meeting; this appointment is not subject to Board approval.
- b. Shall be responsible for protecting the reputation and dignity of the IRCA, and promote and administer the affairs of the club to the best of his ability.
- c. Shall, with the approval of the Board, have the power to bring reprimand and revocation proceeding against any member who he deems is not adhering to the rules of the organization; he must submit in written form any findings to the Board for their action.
- d. Shall have the power to appoint the chairman of any committee, with the approval of the Board.
- e. Shall have the power to remove a chairman of any committee for neglect of duty; this action must in turn be approved by the Board.
- f. Shall have the power to appoint any contest managers, with the consent of the Board.
- g. May create any additional committees which he may deem necessary with the approval of the Board.
- h. Shall have the power to bring action to appoint and/or remove editors of the club publication DX Monitor with the approval of the Board of Directors.
- i. Shall have the power to appoint or remove the Publisher of DX Monitor with the final approval of the Board of Directors.
- j. Shall have the authority to act on any suggestions or proposals, making any recommendations if he so desires, but also submitting the primary proposal to the Board of Directors; any action on a suggestion or proposal is subject to the final approval of the Board.
- k. Shall have the power to vote on any proposal that does not receive a majority decision by the Board of Directors during the contemporary administration so as to break any deadlock that would result.
- l. Shall not have the power of pocket veto.
- m. Shall be responsible for the inclusion of the complete IRCA Constitution and By-laws, as amended during the previous year, in one of the summer issues of the DX Monitor each year.
- n. Shall be responsible for reporting the results of voting by the Board of Directors in the DX Monitor; such reports to be made by the time a ballot is circulated among the membership dealing with matters that were presented to the Board for decision.

Part 2 - Secretary-Treasurer

- a. Will be in charge of collecting all dues for membership and membership renewal.
- b. Shall issue IRCA membership cards.
- c. Shall keep an up-to-date list of all members.
- d. Shall keep a complete financial record of all monies received and spent.
- e. Shall submit every six months a condensed financial statement to the Board for their examination, and, at the time of said submission, shall present the statement to the membership through the official club publication. The financial statement of the club must be approved by the Board of Directors before publication in the DX Monitor.
- f. May, with the consent of the Board, appoint members to assist him in some of the bookkeeping work.

Part 2 - (continued)

- g. Shall be responsible for recording and filing minutes of the annual business meeting. In his absence at the business meeting, he shall appoint another member to record said minutes.

Part 3 - Board of Directors

- a. Shall be responsible for protecting the reputation and dignity of the IRCA, and promote the affairs of the club to the best of their ability.
- b. Shall have the final power in ruling on any club affairs, suggestions, proposals, recommendations, or findings submitted by the President; the Board shall have the power to present legislation and findings as well as make rulings.
- c. Shall not have the power to appoint chairmen of the various committees, contest managers, publishers, or editors, but shall have the power to confirm their appointment.
- d. Can conduct most of their business by mail, but if five are present during an annual convention, a quorum for business shall be said to exist.
- e. Shall have the power, if they deem it necessary, to call for a special election to submit a major issue to the membership-at-large; the Election Committee then will handle all aspects of the special election.
- f. The President shall ballot the Board of Directors soon after each election, or in case the Chairman of the Board resigns, to determine the Chairman of the Board, who will be the spokesman for the Board and will be responsible for assuming the President's office in case it is vacated during the current term. A tie in the balloting will be broken by the President. In the case where the Chairman of the Board becomes club President, he shall be required to resign as Chairman of the Board and a new Director from his region must be selected to fill the position vacated by his succession, in accordance with Article V, Section 4.
- g. Shall have the power to submit a question to the vote of those present at the annual business meeting with a simple majority of those voting prevailing.
- h. All decisions of the Board of Directors, including the names of the Directors voting for and against each proposal, must be published in the DX Monitor as soon as possible after the decision is made. No member shall be held responsible for such decisions until they are made public through the DX Monitor.
- i. All members of the Board shall submit to the President their votes on all proposals no later than 3 weeks after the mailing of the proposals to them by the President. All votes not received within the 3 week period will be considered abstentions from voting by the member(s) in question.

Section 3 - Term of Office

All terms of elective office in the IRCA begin on September 15 in the year the nominee is elected and expire on September 14 two years hence unless re-election takes place.

Section 4 - Replacements

Part 1 - When the Presidency becomes vacant, the Chairman of the Board will assume the Presidency for the remainder of the current term.

Part 2 - When the office of Secretary-Treasurer becomes vacant, the President shall appoint a new Secretary-Treasurer, with the approval of the Board, for the remainder of the current term.

Part 3 - When a seat on the Board of Directors becomes vacant, the Board must appoint a successor to complete the unexpired term as soon as possible. A Director vacancy must be filled by a member from the geographical region in which the vacancy exists. In the case of a deadlock in balloting on the Board, the President shall cast the deciding vote.

Part 4 - If a Director on the Board moves permanently from his Region within one year after his term of office begins, or in the event a Director fails on two consecutive occasions to communicate to the President his vote on club matters within

Part 4 - (continued) the limit specified in Article V, Section 2, Part 3 herein, his seat on the Board will be declared vacant and the procedure outlined in Part 3 (above) will apply.

Part 5 - If an IRCA officer's membership in the club expires during his term of office and he fails to renew it within two weeks after such expiration, his office will be declared vacant and the relevant procedure outlined above will be applicable.

#### ARTICLE VI - PUBLICATION

The official publication of the IRCA shall be known as DX Monitor. It shall be issued 34 times each year, except in cases of emergency. With the permission of the Board the number of issues may be changed. DX Monitor will normally be published beginning with the first Tuesday in October, up to and including the last Tuesday in March, twice in April and September, once in May, June, July, and August.

#### ARTICLE VII - PUBLISHING COMMITTEE

The President shall have the authority with the final approval of the Board to appoint a chairman of the Publishing Committee. Publishing proposals should be submitted to the President in written form and should include the qualifications of the publisher as follows: amount of time available for the job; availability of helpers (should include at least two helpers in addition to the chairman); access to mail schedules; availability of necessary space for duplicating equipment. The job of Chairman of the Publishing Committee shall not be terminated until such times as continuance is no longer deemed beneficial to the organization according to the Board, or until such time as the publisher is no longer able to continue in his capacity.

#### ARTICLE VIII - OTHER COMMITTEES

Functions of other committees shall be determined by the Board of Directors. Committee chairmen shall have complete authority over the activities of their committees (contest managers are considered to be chairmen of their respective committees.)

#### ARTICLE IX - EDITORS OF CLUB BULLETIN

The Editors of the club bulletin shall be appointed by the President with the final approval of the Board of Directors. When an editorship vacancy is announced, volunteers will be sought by the President. A reasonable time limit will be established for names of volunteers to be submitted. After the time elapses, the President will select one person from the list of volunteers, appointing him as the new editor; immediately, he will send to the Board of Directors a proposal to that effect, listing in his proposal the names of other volunteers (if any) from which the editor could be chosen if the President's choice is not approved. A majority vote by the Board will make the President's appointment official; if the proposal is defeated, the President will appoint another person from the list of volunteers to be the new editor. The process will be repeated until the Board confirms an appointment by the President. If necessary, the President shall have the power to appoint a temporary editor to serve during the selection process, without approval by the Board of Directors.

#### ARTICLE X - CONVENTIONS

##### Section 1 - Annual Meeting

The annual meeting of the IRCA shall be held in conjunction with the annual convention for purpose of presenting the reports of officers, committees and boards, and such other business as may lawfully come before the meeting.

##### Section 2 - Special Meetings

Special meetings of the IRCA may be called at any time by the Board of Directors on its own motion, and must be called by the Board of Directors on petition of at least 10% of the membership. Such meetings shall be held at such times and places, either within or outside the state of Colorado, as the Board of Directors or petition herein specified shall determine.

##### Section 3 - Convention Location

The Board of Directors shall solicit during January of each calendar year bids submitted by those wishing to host the annual convention. The Board shall subsequently cause a special election to be held among the members to select the convention site and date.

Section 3 - (continued)

Such special election shall be conducted during the first quarter of each calendar year. The Board may, on its own motion, determine any bid made as unqualified prior to the special election.

Section 4 - Voting

Each member shall have one vote on each and every matter submitted to a vote of the members. At all meetings except as otherwise provided by law, the members entitled to vote who are present shall constitute a quorum. All action except as otherwise provided by law, by the IRCA's Constitution or bylaws, shall be by majority of those members present and voting. Presence and voting by proxy may be allowed at the discretion of and in accordance with rules prescribed by the Board of Directors.

ARTICLE XI - SUGGESTIONS AND PROPOSALS

All suggestions and proposals shall be submitted to the President in written form, who will then submit them to the Board for action (along with any specific recommendations he may care to make). The final decision as to any action to be taken rests with the Board of Directors. A proposal that receives more "yes" votes than "no" votes will be considered passed. A proposal which is related to the activities of an IRCA committee or the club Treasury will first be submitted to the respective Committee Chairman or the Secretary-Treasurer for his recommendations, which will subsequently be submitted to the Board along with the primary proposal.

ARTICLE XII - IRREGULARITIES, REPRIMANDS, DISMISSALS

Section 1 - Irregularities

Any irregularity of club policy must be brought to the attention of the Board of Directors and the President. A statement of the irregularity and the member or members charged must be made in written form and must bear the signature or signatures of the members making such charges, and shall be submitted directly to each Director and the President; all shall determine any action which shall be taken.

Section 2 - Reprimands

In case of irregularities, the IRCA President must with the approval of the Board issue a letter of reprimand, to be sent by registered mail, to any officer or member of the IRCA, clearly stating the nature of the offense and the proper means of rectifying said offense.

Section 3 - Dismissals

If the nature of the offense is serious enough to cause further action than a reprimand the President must, with the final approval of the Board issue a letter or letters clearly stating the nature of the offense and that dismissal proceedings are being taken. The aforementioned letter(s) are to be sent by registered mail, return receipt requested. A sufficient amount of time must be allowed for the accused to answer the serious charges. If the reply is not forthcoming or if it does not meet with the satisfaction of the President, a letter or letters of dismissal may be sent with the final approval of the Board of Directors, removing the membership of the accused.

ARTICLE XIII - REFERENDUM/INITIATIVE

If a member cannot get action on a proposal in the prescribed manner, he can submit a petition bearing 20% of the signatures of the club membership to the Election Committee to effect a special election on the matter. This pertains to matters other than those concerning the contents of these documents.

ARTICLE XIV - RECALL

If a petition is presented to the Election Committee bearing the signatures of 20% of the members asking for the removal from office of the President or Secretary-Treasurer, the Committee shall call a special election at which the membership will be able to vote for or against such removal. If the removal of the officer is approved by 75% of the members voting, the office shall be declared vacant. If a petition is presented to the Election Committee bearing the signatures of 20% of the members in a certain Region asking for the removal from office of the member of the Board of Directors from that Region, the Committee shall call a special

ARTICLE XIV - (continued)

election at which the members in that Region will have the opportunity to vote for or against such removal. If the removal of the representative is approved by 75% of the members voting in that Region, the office will be declared vacant.

ARTICLE XV - AMENDMENTS AND CHANGES

These Bylaws may be amended by the submission of a By-Law amendment in written form to the President. He, in turn, must submit the proposal to the Board for consideration. With the approval of the Board, the proposal is then submitted to the Election Committee who shall arrange a special election. A proposed By-Law amendment petition containing the signatures of 20% or more of the membership must be presented by the Election Committee to a vote before the entire membership. To be enacted as an amendment, the proposal must receive a simple majority of those members voting. An amendment to the Bylaws goes into effect immediately after its adoption, unless the proposal to adopt specifies a date for its going into effect.

ARTICLE XVI - RATIFICATION

The ratification of a 2/3 majority of those members voting shall be sufficient to establish these Bylaws and Constitution as the official documents of the International Radio Club of America, Inc.

Respectfully submitted,

Rev. Aug. 1, 1970

(4.1-41)

Michael B. Northam, President

## Guidelines for Submitting Proposals

- I. The IRCA government has jurisdiction over the following matters, to which proposals may refer:
  - A. Initiation of additions, changes or deletions to the IRCA Constitution and Bylaws.
  - B. The IRCA Editorial Policy.
  - C. The IRCA Bulletin, DX MONITOR.
  - D. Club policies.
  - E. Club activities.
  - F. Charges of irregularities.
  - G. Actions performed by a member that involve the club, or reflect upon the club name, other than those reasonably expected in the normal activities of membership.
  - H. Appointments or removals by the President.
  - I. Creation or dissolution of committees.
- II. Requirements of proposals submitted to the President:
  - A. Name of the member submitting the proposal.
  - B. Date of submission of the proposal to the President.
  - C. A proposal must not violate procedures established by the IRCA Constitution, the IRCA Bylaws, or the incorporation laws under which the IRCA is organized.
  - D. A proposal may be accompanied by comments of explanation or justification.
- III. Procedure for submitting proposals:
  - A. Eight copies of each proposal should be submitted in written form to the President. (Only seven copies are necessary when Board members submit proposals.)
  - B. Upon receipt of the proposals, the President will send one copy to each Board member as soon as feasible, with his own comments and recommendations if he wishes. Board members will communicate their decisions to the President within thirty days. [Bylaws, V,2,2-1, specify a three week time limit. ed.]
  - C. (Exception to the above.) Proposals concerning certain special areas for which committees exist will be sent to the appropriate committee chairman by the President for recommendations. Then the proposal, together with the committee's recommendations, will be sent by the President to the Board for action.
  - D. After the Board's decision is obtained, the President will have the results published in the club bulletin as soon as possible. If the member who submitted the proposal desires to know the outcome immediately, he may send the President a self-addressed stamped envelope.
  - E. A proposal that is passed by the Board becomes effective immediately, unless otherwise specified in the body of the proposal. Exception: proposals dealing with additions, changes or deletions to the IRCA Bylaws, which must be approved by the club membership as well as by the Board. (Note: Proposals amending the Constitution are not sent to the Board of Directors.)
  - F. A proposal that is defeated by the Board may not be resubmitted in identical form for a period of one year from the date of announcement of the Board's decision.

---

These guidelines have been approved by the Board of Directors, and should be followed in all instances. Naturally, all proposals are welcome and will be carefully considered by the Board. You may wish to discuss the wording of a proposal with your representative on the Board, or with the President, before it is submitted. Below is a list of the Board members:

Region #1: Ken Lyon - 9415 Goodrich Road - Clarence Center, N.Y. 14032  
Region #2: Charles Grise - 69153 Cedar Road - Bremen, Indiana 46506  
Region #3: Ray Hartman - 19330 W. Pinecrest Lane - New Berlin, Wisc. 53151  
Region #4: Lynn D. Brooks - P.O. Box 253 - Ponca City, Okla. 74601  
Region #5: Percy R. Kesteven - 13112 134th Street - Edmonton 44, Alta. CANADA  
Region #6: Donald K. Kaskey - Hotel El Rancho, P.O. Box 235 - W. Sacto, CA 95691  
Region #7: Father Jack Pejza - 3266 Nutmeg Street - San Diego, Calif. 92104  
President: Michael B. Northam - P.O. Box 1122 - Lake Grove, Oregon 97034
