KGRT will use cycle tone 0200-0215 and music 0215-0230. Rpts should be sent to: Mr. Robert Reymont, CE, KGRT, Box 978, Las Cruces, N.M. 88001.

KAST will use R&R and MoR mx; prepaid phone calls will be accepted at 503-325-2911. Reports should be sent to: KAST, P. O. Box 445, Astoria, Ore. 97103. -IRCA/Martin

WBAA will use daytime facilities, 5kw. Reports should be sent to: WBAA, Purdue Univ., West Lafayette, Ind. 47907. -IRCA/Tom McCormack and Steve Taaffe

WMNC reports to: Mrs. Madelyn Y. Patton, PD, WMNC, P. O. Box 969, Morganton, N.C. 28655. Info from: -NNRC/John T. Tweedie, CPC Chairman

WSSC info from DX NEWS; nothing further known.

WNAK reports to: Mr. Robert Neilson, CE, WNAK, 40 E. Main St., Nanticoke, PA 18634.

WHIP info from DX NEWS; no further details.

WNUE will use R&R mx; rpts to: Mr. Jerry Ryan, CE, WNUE, P. O. Drawer 400, Fort Walton Beach, Fla. 32548. -IRCA/Bill Lemak

WSAR will test for IRCA/NNRC on 2/1, times given, and for NRC on 2/22, times given. Mailing address will be given along with IDs; taped or written rpts desired. Phone # is 617-677-9477. Rpts to: Mr. Duane Burnham, CE, WSAR, Box 927, Fall River, Mass. 02722. Info by phone from: -Bob Friedrich

MORE WRITE-UPS NEXT ISSUE

January 9, 1971

WARNING! Your publisher has just received a mailing from "O'Connell's Associates, 329 Water St., Binghamton, N.Y. 13901 with a flyer for Communications Monitor (sic) Association. The gist of CMA ("a division, Community Enterprises") is a call sign registration program. Cost is \$2 for random call, \$2.50 for special call. \$1 extra outside US and Canada "for the extra cost of mailing and special handling." The only stated privileges of this registration are unspecified awards programs and "special discounts" (5%) on supplies from O'Connell's Associates. And the supplies are overpriced at best. Discount does not apply to WRTH and How to Listen which are being sold at full retail price. The publishers offer a 33% discount to booksellers so there is a fair margin for profit on all items. O'Connell's has a phone number listed with directory assistance. Community Enterprises does not. While the two ads in the O'Connell's envelope don't state any relationship, both mailers are typed on the same typewriter, apparently. Larry Rhysling, WCM2LR, is the manager of the registration program. The letterhead and envelope might appear printed; actually, they are done by electronic mimeo stencil (\$3 each). All aspects suggest that someone is out to make a fast buck. Let the buyer beware. O'Connell Associates (without 's on the flyer) "Catalog #171" lists BCB Reporting Forms at \$3.00/100 with the claim "one DXer who uses these forms gets 92% returns." It is the opinion of your publisher that the claim is a fraud. In checking hundreds of reports from a dozen of the largest stations, there is no sign that anyone has used such a form. If you have ordered anything from this company, please let me know. -Don Erickson

Survey Results Here are the results of the questionnaire of several months ago; the answers were punched into IBM cards and the punches counted by machine.

1. Length of IRCA membership. Less than 1 yr: 32. 1 yr: 16. 2 yrs: 14. 3 yrs: 9. 4 yrs: 7. 5 yrs: 6. 6 yrs: 11.
2. Mail service. Air Mail: 5. First class: 47. 3rd class: 43.
3. Members of-- NRC: 29. NNRC: 19. ASWLC: 11. Others: 13.
4. Subscribe to or read: Broadcasting: 18. EI: 42. PE: 54. Seven others: 33.
5. Volunteers for: CPC: 27. Clerical tasks: 17. Proofreading: 16.
6. Prefer blue pages: changed to green: 24. changed to pink: 6. Remain blue: 50.
7. Primarily DX: Dom. BCB: 80. Foreign BCB: 36. SW: 20. FM: 13. TV: 14.
- 8 thru 11: not applicable
12. Use loop; spiral: 25. box: 22. altaz: 4. FET altaz: 4. ferrite: 10
13. Use reel-to-reel tape recorder: 65. Use cassette tape recorder: 23.
14. Would like updated Mex. Stn List; 65. Regular list of CPs not on the air; 66.

Regular list of requested call changes; 68.

Total replies to questionnaire: 95.

Notes: There were some misunderstandings, to be sure. The question on primary bands DXed was misinterpreted. And the question (results not listed above) about postage due bulletins and bulletins with blank pages was either misunderstood, somebody (or several) was/were trying to be funny, or a lot of members don't care when "all" bulletins arrive postage due or when several have 'blank' pages. The results proved most useful to your pub; thanks to those who took the time to fill it out. -DEE

ZDK Antigua Alan Merriman phones in a tip that ZDK-1100 Antigua, Leeward Islands, was heard between 2215 and 2300 GMT on 1/5/71 with Calypso music, occasional spots, and clear ZDK IDs. This station was also heard by NRCer John Shannon, Pittsburgh, at 1010 GMT on MM Dec. 7th. Power is 10kw per NRC DX News. Antigua, like Al's earlier tip on St. Kitts, is a new country for most everybody. So get them now while the getting is good. If anyone logged and verified ZIZ-585, ex-570, please let FJP know. Al reports they have not yet verified for his reception 12/9. For those DXers not overly familiar with geography, i.e. your pub., Montserrat, Antigua, and St. Kitts are all part of the Leeward Islands. WRTH lists all three under Leeward Islands on page 225, 1970 edition; none of the three are listed in the index by their separate names.

Foreign DXers To those foreign DXers, especially on the East Coast, who don't report your DX to FJP or don't do so on a regular basis, how about making a New Year's resolution to do so in 1971. There should be no less than twenty reporters each week from the EC alone. Let's all make 1971 the year to make DXWW the source of up-to-the-minute foreign DX info.

Next installments:

Verified Newfoundland, Arkansas, Iowa (deadline 3 weeks from date of this issue)
 Verified Asia and Europe; Heard Newfoundland, Arkansas, Iowa; Heard Asia and Europe

When listing your BEST and counting your totals, please go by licensed location for domestics (WINS, etc. are N.Y., not N.J.). For foreign stns, use licensed or ann'd location or propagation characteristics, whichever is most sensible. (RSFSR-1475 and 1250 ID as Moscow but are actually in Asia instead of Europe). (XEMO, XELO, XETRA, etc. are in Mexico, not in Calif. and Texas).

Note from Publisher to those above with 4 or less countries: please make sure you are counting all countries, not just "foreign" countries. First three, for most, are US, Canada, and Mexico. If you have PJB and can hear any Mexican, you have 4 countries. Likewise, those with those 4 should try Radio Belize-834, TGJ Radio Nuevo Mundo-880 (from WC), Cuba CMQ-640 (from EC), etc. Let's all add at least one country for the next Foreign Heard listing. Your publisher wants Qatar! hi. -DEE

Editors: Dave Faulkner and Bruce Heimburger. Please mail reports to Bruce, address on page 5, top. Deadline: Thursday until announced otherwise. Format: Leave a space between every stn, list the freq. every time, give your initials at the end of each item. Always give the full location in the same format as below. Keep the DX current. 6 week old stuff belongs in the archives and history books. This page, DEE.

- 550 WSAU Wisc, Wausau in nicely 0430 12/21 w/WGR nulled. Are they AN MM now?
Taped and reported. (QKB)
- 590 WMBS Penna, Uniontown at 1930 11/30 w/WVLK nulled. (FDP)
- 620 WSUN Fla, St. Petersburg fair 0227 12/14; would suggest this to anyone needing Fla; try on a MM. (BL)
- WTMJ Wisc, Milwaukee fair 1705 12/12; sig completely faded at 1805. (KB)
- CFCL Ont, Timmins fair w/ID 0546 12/13. CFCC-630 Chatham local was playing a record so there was no mistake. (DF)

EAST COAST DX FORUM

Page 5

Mail reports to: Bruce R. Heimburger - 817 Rawlins St. - Port Huron, Mich. 48060

Deadline: To be decided. Please aim for Thursday, for issue dated 9 days later.

This issue typed: Don Erickson

Gray Scrimgeour - 227 Hanna Road - Toronto 350, Ontario

I would like to wish all my friends in IRCA best seasons greetings! Peace on earth, and goodwill toward all men. My lack of Forum reporting hasn't been through a lack of interest in BCB DXing, but I seldom feel like pearl casting. Main reason for reporting now is to thank Larry Godwin for arranging the successful (for me, anyway) HCJB-700 DX test. Much wanted for many years; if I receive a verie, I'll cherish it much more than my prized WABC-770 QSL - as controversial as that latter station is. For the record, I send a SASE with every report to a domestic station. Courtesy seems to be a disappearing commodity, judging from some recent things I've read. Too bad reception conditions aren't even up to those of 1969-70. There are still new stations being logged, but with much more difficulty. DX time often limited to SM sessions with Jim Warner - and often the conditions have not kept us busy for long. Again, to the mature and hard-working members of IRCA, Happy 1971! 73.

Steve Taaffe - Box 156 - Dayton, Indiana 47941

Greetings DXers. I am switching over to the EC DXF for the same reason TM gave. Recent veries: v/q - KFBK KWMT KGBS WBAL WOW WCFL WBZ WFAA WBT WIBW WFAA (twice? ed.) WGTO KGHL (2nd Mont. verified). v/1 - WUNI KLTR WGAF KNED WEUP KDFN KSAL KJLT WRBC WACT KJFJ WRNG WCRL. v/cm - WTVN. I picked up one of my best catches so far - JBC-700, Montego Bay, Jamaica, 11/14. I listened to them for a solid hour. WLW was off. WWOL DX test reached here OK w/an exc. signal. Called up anncr & had a nice chat. Attn everybody: Look out for the WAZY, WBAA & WASK DX tests. Tom McCormack and I arranged them. I have a good supply of SCs from WLS & WASK. Just write for them. Totals 37/34 - 4/2. 73's and good DX from Indy. Tnx BM for WWOL DX.

Ken Lyon - 9415 Goodrich Road - Clarence Center, New York 14032

As Don noted in the 12/19 issue, I am now compiling the RVL list. (Ready Verifiers List - ed.). I would appreciate it if all members would send me a list of their recent veries in order of freq. with call, location, and type of verie. v/q for printed card, v/c for home brew card, v/f for form letter, v/r for verie written on report, v/1 for letter. And other items that were received such as a CM, SC, etc. Also how long it took to arrive in days and if a follow-up was required to get it. This is not a verie signers list; please don't send them to me as they will be discarded. Help me to make this project a success. Two veries this week, WRYT-950 finally rcvd after a long delay, home brew NRC verie, and KOAM-860 very friendly letter, v/q, and CM from the CE. CU later.

Dave Faulkner - 1430 Pine Grove Ave. - Port Huron, Michigan 48060

Hello world. I hope you're enjoying the new DX season as much as I am. Couldn't sleep Sun. morning 12/13 so decided to try for a few stns and got 11 instead. Probably my best 3 hours ever, from 0500-0800 that day. Now have 388 stns for this year, which has to be exc. and 712 altogether. I hope to make it an even 400 for the year by the end of Dec. or maybe even better. Look out! Now WSGR tower is on the rise! Also plan to forget about domestic contest as it's too much fun to get stns and not enough to write them all letters. Just realized that I forgot all about 12/14 DX Tests. Egad, I wanted to get some of those. I think Brh did too. Oh, well, there are more to get, and I may have some if I can ever find the list of IRCA frequencies. Am looking forward to some new stns for Christmas, and last 1/1 I got 7 so there could be more there too. 73s and long live DDT, DEE, MD & DX.

Carol Schweiger - 41 Lawndale Road - Stoneham, Massachusetts 02180

Since this is my first report to the ECDXF, I think I need an introduction. I'm 14 and have been DXing for 4 years. I go to Stoneham Junior High School 9th grade and am hoping to major in either Math or Science. My reciever is a Zenith 'Long-Distance' with a horizontal dipole antenna. It's not great by any means but it does well for the moment. I'm thinking of getting better equipment soon. So far my totals are: 40/30, 6/6 states, and 2/2 countries. The totals haven't been very high lately because of school work. Still waiting for veries from WEAN-790, WJAR-920, CBM-940, and WPOP-1410. 73's and peace.

All East Coast DX Forum and Roundup reports should be mailed to Bruce Heimburger, address above. Bruce and Dave Faulkner are Standby Editors.

East Coast DX ForumBill Likens - 2578 Spaatz Avenue - Columbus, Ohio 43204

DX down by way of the Carribean is really going wild for some weird reason. On MM & TM, I hrd a total of 4 Fla. stns. Thing is that they are the first Floridians I've ever heard. Then on Wed. evening (12/16) I hrd ZNS1-1540 in the Bahamas!!! I really went wild when I heard it. (Mon. 12/14 saw the onset of a severe geomagnetic disturbance causing conditions to be auroral; thus enhanced southerly reception; ed.). Previously my only countries hrd were US, Canada, Mexico, & Cuba. Do Cubans verify? The major thorn in my side here is Wisc. due, in part, to WCAR Detroit which is between me and Wisc. among other things. Recently sent letters to WWOL & WKIX on their DX specials; WFBS, ZNS1; and, of course, WSUN, WHOO f/c, WVOF & WLCY, all in Fla. Recent veries are KFI v/c, WCEF v/l, & WWJ v/l. (If KFI's card is printed, Bill, it is a v/q. ed.). Still waiting for a reply from a number of stns. Also, I have a few questions on abbreviations due to the fact that my list has been lent out for several mo's. What is a SC & SCer and what does MoR, cm, & RS mean? (record survey, survey collector, Middle-of-the-road music, coverage map, and regular schedule, ed.). Merry Christmas and 73. Oh, I just heard WQAM in Miami.

David Singer - 5501 Old Richmond Avenue - Richmond, Virginia 23226

Hi. In my 12/19 DXF rpt, I was asking for help in locating spurs of WLEE. I hope everyone was able to hear the WGOE TEST; it was an unusual experience. Tnx to those who called. Veries in: v/c KSYL; v/l WRNG WEEP WHAT; v/q WDEF CKTB; v/f WCRV-TEST WBBW. Long-term holdouts, for which any help would be appreciated: XEVIP WSGA WAUG WRFD WIVK WHIP WDAF WLCY. ... Another DX get-together 12/27-28, resulting in 14 new ones for me. Cx were funny on the eve of 12/27, with the North nearly missing. Funny thing is there was hardly any effect E-W, and the whole thing cleared up by 0100. Anyone with information on good long-wave antennas, please write; I've started LW DXing using an IRCA loop with added capacitors and inductors and have only hrd ORTF-164. Totals now 589/72, 40/34, 6/4, 18/6 and I have 172 pts in the Dom Sings and 39 in Domestic Call Letters. 73.

John Boncek - Denman Mountain Road - Grahamsville, N.Y. 12740

I am 13 and in 9th grade in Tri-Valley Central School. I have been BCB DXing for about 5 mo's. Recent veries include: WFAD WLIX CKEC and CBF. My totals are 117/81, 25/23 states and 3/2 prv's. I hope to hit 100 veries by my 14th birthday, 1/27. Well, 73's for now.

Richard M. Bartos - 692 Moore Avenue - Campbell, Ohio 44405

Hi DXers, the DX is becoming stronger. Recent catches up to date are KGLC, KOMO, WOL, WRC, WIAC, and KMMJ. Now that Xmas vacation is coming up, I can DX a lot more, and don't have to worry about sleep. The Texan stns seem to be coming in strong along with the other Southern stns. I am expecting veries from all the above stns plus KCRL and KDAY. That's about it for now. Merry Christmas and Happy New Year, too. 73s and good luck in DXing.

Fred Precht1 - 6128 Glade Ave. - Cincinnati, Ohio 45230

Veries that came in since last rpt are WMQM KWCO WSRF WWUN WHER WMBS KNEA WPCF and KOKY. WHER said they were an "all-girl" stn. All veries were ppc's bringing my totals to 1137/713. Still hopefully waiting for WHAZ, KLEO, KJCK and KCOH to verify. 73's and good DX. (ppc = pp = prepared postcard used for verification, ed).

Quentin K. Brown - 59 Kenilworth - Ottawa 3, Ontario

The 12/12 ECDXF was really something, imagine 23 Forum rpts! Some veries in: KNBR and 2 beautiful CMs, WIBC, WPIC-790 and, the best of them all, CBU-690 for my 10th prov. DX has been very good here recently with many of the tests being monitored. Also it is a pleasure to have a Hammarlund HQ-140X as a rx; I would encourage anyone looking for a second hand rx to try and pick one up. Had an all too short phone chat with TM & ST in Ind. Tnx to Joe Plonka, the IRCA received some very nice coverage in the latest issue of "Electron" and maybe there will be some new Canadian members. Totals here read 624/210, 39/37 states, 10/10 prov's, and 18/8 countries. 73's.

CANADIAN MEMBERS: If your bulletin arrives postage due, pse save the env. and mail it to DEE unless you want to complain to your own PO. It would probably be easier to solve the problem from here since it probably lies with the exchange office, esp. if all Can. members are having the same problem in the same area. -DEE

Editor: Richard C. Evans Deadlines: Thursday thru 3/25.

Rick Evans

First of all, thanks to all those who sent me Christmas Cards. Also a big thanks to my Dad for helping me move, and for loaning me some furniture. WEEB-990 special heard weakly u/CBW, not even put in the books, though. Veries: v/l WHGR WTCB WGFS v/q WVIC KSYL WCHS. WHGR said that during the past year, they had received a tape of their signal as heard in Sweden, containing QRM from a Russian station. Seems to be a real friendly station. One of my Christmas presents this year was a 25-watt speaker for the HQ. Makes it sound like a stereo now, and even WLS and WCFL don't sound too bad on it. For those interested in such things, I started the 1969-70 season on 10/1/69 with 623 heard. In Oct., Nov., Dec., I heard 96, 84, 94 new stations respectively, for a total of 274 new stations in three months. 73 & I hope to see you next week.

EDITOR: Lynn D. Brooks - Box 253 - Ponca City, Okla. 74601 DEADLINE: Thursday PM

GARY D. DeBOCK - AdCom, NTC - Great Lakes, Illinois 60088

Greetings. Tnx to John Zondlo for putting up with RK, AWO, RCE & me at the 12/19 Hammond, Ind. get-together. Really enjoyed a discussion with Rich about the "lake effect". RK, that is the last time I drive through downtown Chicago at night, hi! Only verie is WKBH-1410 v/l & sked, bringing totals to 408/68. The SP of WMT-600 is on SM only 0100-0600 EST per verie; KSJB is usually hrd well then & is best bet for the state. As the period for the IRCA elections approaches, the membership should carefully examine the present EP with regard to censorship; how do you feel about a clause which permits an editor to censor your entire rpt regardless of its content? 73's.

DAVID R. ALPERT - 6636 Davis Street - Morton Grove, Illinois 60053

I got my 1971 COMMUNICATIONS HANDBOOK last week, & it is great. The entire DX section is written by IRCA member Dr. Richard E. Wood. The pages devoted to BCB concentrate almost entirely on foreign-BCB DXing. All in all, it's a welcome change from the reprints-of reprints appearing in the last few HANDBOOKS. I haven't read REW's book SHORTWAVE VOICES OF THE WORLD yet, but after seeing how nicely he handles the HANDBOOK, I'm ordering one immediately. Recent veries: WBAP. That's about all from here for this time...73's.

JOHN ZONDLO - 6617 Maryland - Hammond, Indiana 46323

The long awaited get-together finally convened and this is a short summary on what happened. Everything got underway when Gary DeBock arrived about an hour early. He brought along some of his Alaska and Hawaii veries to show the gang. Round about 12:30 we had our most members at the gathering, five in all. Showing up were Gary & myself, Al Ogrizovich, Richard Evans, & Robert Kramer. Rick played tapes of stations he had heard, veries were looked over, and so forth. Around 3:00 everyone left except me and Al. Near 5:00 Mike Pawlowski and Tom Jasinski popped in to talk DX. After talking for awhile, we decided to drop in on Rick Evans and see his set-up. We all marvelled at the number of veries he had, & especially when he showed us a verie from KORL-650 Hawaii. But the most fun of all was when Rick showed us his collection of Playboys, hi. All in all, it was a very interesting day & watch for another one around Easter.

ROBERT KRAMER - 3406 W. Pierce - Chicago, Illinois 60651

Tnx to Gary DeBock & his car for the wheels from the get-together in Hammond. After looking at some of RCE's veries I decided to get going, so I went out & logged 8 new stations on the 20th of Dec(the day after the get-together). I was expecting more than 5 to come, but that's all that came. Gary DeBock noted that I was writing bad reports & RCE seconded that so take note I have mended my ways. I would suggest DXers who are not getting a high percentage of their reports veried to check the quality of their reports. Reports out to: WLTD KRNT KSCJ WELI KCNW WHA KULY WKOW WTAQ WLET WIRL WIFF PJB WAAM WING WJIC & KSTP. v/q WKBW KSO WBAA WJRC WJOL v/l WKRS.

NEIL BARTLETT - 717 Mark Drive - Verona, Wisconsin 53593

Veries: v/l WZBN-1500 KBRB-1400 KBIZ-1240 KCCR-1240 WPIT-730(+CM) KJLT-970 WTRQ-1560 v/q WTIC-1080 WVOK-690 v/c KBOE-740 KWCO-1560 v/note KLTR-1580 v/f note WSHN-1550 v/f WAJR-1440. Replying to a CPC letter, KNDK-1080 1kw Langdon, ND says they conduct a f/c every 1st Tue from 0200-0215. It is listed in the IRCA list as 2nd Monday. The CE of KNDK, Don Barr, is interested in receiving reports. New totals here: 490/126, 40/31, 4/2, 7/2(ctys). Newest cty here is Ecuador, in the form of HCJB-700 on their DX; thanks for arranging the test, LBG! Newest state here is Wyoming, in the form of KWYO-1410. My goal is to log 500 stns by 1/1/71, which is 10 days away. DX has been great for the last couple of months, & I hope it keeps up during Christmas vacation. Anyone needing WERK or WLYV SC's, drop a note. Correspondents write; what ever happened to Dave Egan? Tnx for card Andy Bolin. 73 & Good DX.

LYNN D. BROOKS - 2109 Mary Street - Ponca City, Oklahoma 74601

Well, not much to say, as DX has been slim. Have only been home one MM out of the last 8, so that has seriously curtailed good DX. But have managed a little SRS DX. SSS DX limited due to heavy workload necessitating working a couple hours overtime most days. I keep thinking things will improve. Not many reports for this issue. Maybe that means a large section next time. Happy New Year to all of you! 73's.

January 9, 1971

Oh what a week. I missed DAF's nice catch on 1420, WOC s/on 0600, SSB & nx. Also, again, managed to mess up The Dalles, and Dallas Oregon, KROW is in Dallas, can win some, some of the time, and all some of the time, but never all, all of the time. I have been criticized for my "under three weeks old" policy, ie: not printing it if it's over three weeks old by the time it gets here. Figuring on a weeks delay here, then a week at DEE's, and a week in the mail, this would make some of it over a month and a half old. What say ye West Coasters...yay, or nay. Speak now, or forever hold your peace! San Diego in '71...a good idea!

(cont'd from page 4)

East Coast DX Roundup

990 WEEB NC, Southern Pines hrd w/TEST; exc. sigs. (DSS)
 CBW Manitoba, Winnipeg fair 12/15 in evening. (BL)

Editor: Bob Jacoby, 556 E. Alvarado St., Pomona, CA 91767

Steve Kamp - 6149 Monteverde - San Jose, CA 95120

Veries: v/1 KQIK-1230 Lakeview, Oregon and KBRE-940 Cedar City, Utah. V/q KSO-1460 Des Moines, and KAST-1370 Astoria, Oregon. V/r KUEN-900 Wenatchee, Wash. and v/f WACO-1460 Waco. New stns hrd here: KASA-1540, KOPY-1550, KBLF-1490, KIPV-1510, KPQ-560, WDAK-540 (on ET w/5kw XR), KUDI-1450, KEWI on 1440, WGEN-1440, KOOL-960, KALE-960, KPUR-1440, KBRV-790, KSVN-730, and KGMI-790. All these hrd 12/18-12/22. Local KABL was off 12/22; rcvd KOOL and KALE then. KPRO doesn't run AN anymore--were off MM 12/21, as well as Tuesday AM 12/22. KDON was also off Tuesday AM 12/22, but dunno if this is going to be regular hours off. Just rcvd a Ferrite Loop from Joe Worcester--like everybody else is saying, it's hot and directional as h___! Don't think I would have hrd KALE-960, KBRV-790, KGMI-790, or KSVN-730 without it. The FL was rcvd PM of 12/21. DEE is doing a very good publishing job and has for a long time--but he shouldn't censor, that's all. ATTENTION: Have for sale bootleg xrs, RBM4 rx, S2OR rx, Q-multiplier, crystal calibrator, as well as some electronic parts. Write for more details. Well, I hope the TPs start making it back in here soon. I certainly don't intend to get out of DXing. 73

Dan Sys - 149 W. 26th Ave. - Vancouver 195, B.C. CANADA

Greetings. Hope you'll have had a great Christmas. Tnx to everybody who sent me cards. Well January 15th is the first phase of the clampdown on Canadian broadcasting by the government. All radio stns must play 1/3 Canadian mx. About the only format that will have problems is classical & opera, as that field is almost dead in Canada. The next step (by 1972) will require all Canadian TV stns to play 60% Canadian produced shows. The govt. plans some drastic actions in the TV field like forbidding Canadians to advertise on U.S. stns, resulting in the death of KVOS-TV (99% Vancouver oriented). They are also going to put cablevision companies out of business and set up signal blockers (like in eastern Europe) where U.S. TV sigs penetrate into Canada, such as Vancouver, where with a good antenna we can get Seattle stns. I doubt if these laws will pass. The public outcry will be too great. But I agree, as some of your TV shows are meant to brainwash you and our government doesn't want us to watch trash. Only time will tell. (Are you sure your govt. isn't trying to brainwash you, Dan-BJ.) We've had a mild winter so far, temps in the 35 to 50 area, resulting in poor DX. Hrd about the five feet of snow near Los Angeles a couple of weeks ago----send us back our snow, you snow thieves. Whithorne, Yukon hit 48 above yesterday. What's goin on? SCers write. 73.

Kevin L. Slater - 4750 Verda Lane N.E. - Salem, OR 97303

Big news here is that my local KAPT-1220 will s/off for good Sunday, 12/27. Apparently the competition from KGAY-1430 was too much for two C&N stns in Salem. I found out from Mike Tinder, present PD at KGAY that former PD Al Gordon is now at KONE-1450 in Reno. Not a great of DX lately. With the term over, I'll send out a bunch of f/ups. Veries: v/q WSUN-620, KGMB-590, CBE-1550; v/1 KMMJ-750, KUUV-1590, KWFT-620, KVNU-610, CJNL-1230, KODL-1440, KUEN-900, CKKR-1330, CJAT-610 plus 45 rpm record about Trail, B.C., KSNM-1290, KBUZ-1310, and KTYN-1430; v/r KNAK-1280. Had recent Portland get-together and toured KXL and KYXI. KYXI is a fantastic set-up. Good DX to all in '71.

Bill Hein - 5539 Pattilar Ave. - Woodland Hills, CA 91364

Howdy. SCers, CMers, corresponders, WELCOME! Where are all the LA area DXers: DDT reports in the MWDXF should be allowed. My goal for Jan 1, 1972 is 500/350, 40/40, 6/6, 25/20 ctys. Don't think I can do it do ya? Just watch and eat yer hart out, hi. My totals for six monthes of DXing soon. Will need almost 300 new ones this year. QSLs, you bet: KOGO-600 v/c + prog sched, KSDO v/q, KAVL-610 v/r + CM, KACL-1290 v/r + CM. I think all DXers should use RP, but I'm not about to step on their constitutional rights to force them to use it. Enuf sed.....73

Three things to remember when reporting: 1) pse double space, 2) deadline is now Thursdays, 3) lists of stns rptd to will be cut.-BJ

Caracol List A few comments from Richard Wood: "The CARACOL list is very useful. I believe that the Radio Reloj on 1380 is that in Valledupar. A few spelling errors I might point out: 820, LV del Rio Cauca; 1350, Puerto Boyaca; 1360, Jose Antonio Galan; 1520, Popayan.

Britain will go back to GMT at the end of the summer, 1971, per a decision of the British Parliament, in a free vote. (Richard Wood)

Japanese Pronunciation Some months ago, someone reported an ID from a Japanese station in EE. Ed Kocsan comments that certain things in Japanese are pronounced the same as they are in English, for instance "NHK", "one", "news" and all letters, so that JOOR in Japanese is pronounced the same as it would be in English--"J-O-O-R".

New Zealand Radio Waikato, LXW, reports that its repeater, LXP, 1020 kHz, is expected to be on the air in the middle of 1971, and L XK, 1170 kHz, in March 1972. Radio Whakatane has been granted a license. Studios are on the corner of McAllister St. and the Strand (Auckland?); P.O. Box 120. (No frequency given. Ed) (NZDXT via LBG)

Listeners' Loggings-- East Coast

- 640 RADINKA Surinam Paramaribo poor u/CMQ and KFI with ID 12/25 0558. (DSS)/ I think the name should be RADHIKA--Radio Diehaat ke Awaaz. (REW)(Also the frequency is slightly above 640, I am told; about 641. Ed)
- 650 YVLH Venezuela, Maracay, Radio Giradot heard with LA music and US soft rock 12/7 0530 under WSM. Heard again 0430 12/28 over WSM. (DSS)
- KORL Hawaii, Honolulu, S2 to S3 signal on 12/28, but faded up at 0830 ID time. (KGS)
- 690 XETRA Mexico, Tijuana, B.C. heard with "Extra Music" 12/26 0632. Poor under Cuban. (DSS)(Wait till you hear them on 650, 660, 670, 680, 700, 710, 720, 730--then you know you're living in San Diego. Ed)
- CM?? Cuba, Havana not //640 and other with "La Voz de Cuba". Was carrying a program with semi-classical music, frequent mentions of Madrid. ID as "Radio Enciclopedia Nacional". Frequent EST TCs. All AM 12/26.(DSS)
- 770 CMDC Cuba, Holguin heard with rock, ID with WABC knocked way down by semi-auroral conditions 0300 12/27. (DSS)
- 780 YVOD Venezuela, San Cristobal, "Ecos del Torbes" good with music all AM 12/28. Infrequent IDs. Full ID, with call and frequencies of all Ecos del Torbes stations 0828. (DSS)
- 1060 CMBQ Cuba, Havana, "Radio Enciclopedia Popular" with light music 0900 12/28. (DSS)
- 1214 BBC England, best of all the western European TAs in on MM 12/28, with a BBC-1 promo for the Beatles special programme at 0648. (KGS)
- 1380 HIJC Dominican Republic, Santo Domingo "Radio Nacional" fair 0900-0928 12/28. Full ID, giving slogans and frequencies of all stations on network 0920. Destroyed by WTVR OC 0928. (DSS)

MidWest

- 834 ... British Honduras, Belize in fairly good 12/29 0059 with music. severe QRM from WCCO. (JPM)
- 844 VSZ-1 Gilbert and Ellice Islands, Tarawa had Polynesian language music, then directly into GSQ without any announcements at 0919 MM 12/21. Excellent signal. (LBG)
- 1080 YVQJ Venezuela, Barcelona, "Radio Barcelona" s/on with NA 1002 MM 12/28, unusually late, I thought. (LBG)
- 1180 CB118 Chile, Santiago had a very good signal with WHAM looped out with ID 0930 MM 12/28. Still in at 0958. XEFR and a Colombian are also AN here, but frequently CB118 overpowers them at this hour, and is the best bet for Chile at this time of year, I think. (LBG)

West Coast

- 665 TGRT Guatemala, Guatemala, Radio Fabulos pounding in at 1143 12/28 s/on with many IDs. Then came program of marimba music--typical Guatemalan fare. (AWP)

- 670 XETOR Mexico, Matamoros 12/27 with SS music until 1201 ID, then back into music. Has been booming in the past two nights. (DPS) (Listed as a daytimer. Ed)
- 750 HJDK Colombia, Medellin 12/27 with SS music until 1020 ID(?), then back into SS. Wish I knew SS now! (DPS) (It pays to study, Dave.Ed) / With several mentions of Colombia 12/21 0900. Good to fair. (RC)
- 800 PJB Netherlands Antilles, Bonaire in fantastically with man rapping in what I believe was Dutch on 12/19 0840. On 12/20 I got an ID at 0900 in SS, but was confused by frequent mentions of what appeared to be IDs: "...316, La Plata, Argentina". Have good tape of it. (RC)(I thought they were in Portuguese starting at 0800, Randy. I believe what you heard was the box number mentioned in the program itself, like Curtis Springer's Box 1, Baker, Calif. They used to have one in Natal, Brazil. Ed)
- 810 HJCY. Colombia, Bogota 12/28 with mention of Bogota at 1002, into SS music, and possibly news at 1004. KGO off for second MM in a row. (DPS)(I think call letters for R. Sutatenza are HJGY, Dave. Ed)
- 820 ??? UnID SS strong with a possible ID at 0959 12/28. Very strong; any ideas? (XEBA? Ed) (DPS)
- HJED Colombia, Cali 12/28 under above UnID with ID at 0949. Very weak. (DPS)
- 830 XEVQ Mexico, Navolato, Sin. 1130 12/22 with music and talking. (RC)
- 834 ... British Honduras, Belize best ever, 12/16 0226 with classical music. (WHH)
- 840 HJBI Colombia, Santa Marta in with very strong signals MM 12/21 0815. Had music program with many mentions of Colombia. No sign of HJED. (GH)
- 880 TGJ Guatemala, Guatemala in as usual 12/16, WCBS looped. Good signals. (WHH)
- 890 ??? UnID SS with WLS looped. Heard briefly 12/16 0220. Looped SE. (WHH) (Could be 10 kw HJCE, La Voz de Bogota. Ed)
- 925 PJA6? Netherlands Antilles, Aruba may have been the one in 1047-1107 12/28. This is prior to WRTH listed s/on. There were Christmas carols in EE, but announcer was SS. If not them, only Costa Rica and Ecuador listed. Anyone have any better info? (AWP)
- 970 XEJ Mexico, Ciudad Juarez, chih. 12/28 with SS music and ID at 1253. Down south really in good this night. (DPS)
- 1025 HJER Colombia, Cali with ID in SS 12/16 0230, excellent signals. Do they verify? (WHH) (Dunno, Bill. Ed)
- 1035 4VEF Haiti, Cap Haitien 12/27 with announcement at 1102. Poor readability. (DPS)
- 1040 CM.. Cuba, 12/27 with ID at 1029 and many "Radio Nacional" promos throughout my logging. (DPS)
- ??? UnID SS heard very loud for about three minutes 12/16 0240. Looped SE. (WHH) (HJAI, Radio Tropical? Ed)
- 1140 XEMR Mexico, Monterrey, 12/28 with ID at 1141. "Radio Aquic". (DPS)
- 1150 XERM Mexico, Mexicali 12/23, SS music till ID at 0904. ID was for 3 or 4 stations, but decided it was Mexicali. (DPS)
- 1180 ??? UnID SS with announcement at 1232 and 1236. Have a tape but I cannot translate, and there is no hint of an ID, only a promo. Any ideas?(DPS) A real mystery here. Heard for about the week, with fair signals with WHAM looped, under VOA. Looped SE. Ideas? (WHH) (Time, Bill? I think mostlikely this is XEFR, Radio Felicidad, in Mexico City. Ed)
- 1200.YVOZ Venezuela, Caracas in as usual under WOAI, sometimes over. 12/16 0300, (WHH)
- WOAI Texas (re Don Kenney's earlier report) Had HI programme 12/28 at 0655; very weak, but faded in for complete ID at 0700. Sponsored by Holiday Inn North in Austin, Tex. About as strong as they were last year using their auxiliary transmitter on MMs. (KGS)
- 1220 XEB Mexico, D.F. meter pinned with RF at ½. Potent! 0238 12/16. (WHH)
- ??? UnID SS 12/28 with announcement at 1106. Help, please. (DPS) (XEB. Ed)

1280 XEBW Mexico, Chihuahua, Chih. 12/28 with ID at 1215, followed by SS music.
(DPS)

1470 ??? UnID SS 12/28 with "Radio Tropical" at 1049, SS announcements at 1045 and 1052. Any ideas? (DPS) (I dunno, Dave, the most common SS here is XESM, Radio Fiesta. I don't know of any Radio Tropical on the channel. Ed.)

??? Fiji, Rakiraki perhaps. In addition to the usual Mexican here, I had another signal looping E-W, with signal that can be only described as "strange". 0959-1015 9/28 (12/28? Ed) was the time. The signal was so faint I could get no details except that I doubt it was domestic. Does anyone know if Fiji is still on this frequency? Nothing else listed on that bearing except Aussie, and signal didn't suggest that. (AWP)

Verifications

625 TIRICA Costa Rica, San Jose. Letter from Pat Robertson, President of Christian Broadcasting Network, Box 111, Portsmouth, Va. confirms that it was La Voz de la Victor which I heard on FT on 12/8. Said there'd be a special programme on 12/25 at 0200 GMT and asked for reports. Not heard here, and I doubt that they came on between 0200 and 0530. C.B.N. operates or is affiliated with a number of FM and TV stations (including WXRI-FM, WYAH-TV, Ch. 27, in Virginia. (KGS)

750 YNX Nicaragua, Managua with v/l in about a month airmail. Letter was quite vague but very cordial. Enclosed a tourist folder. (GH)

Geomagnetic Conditions

Dec. 23-29 6 9 2 3 7 9 8

I finally got my 500' longwire installed 3' above a 12' chain link fence. So far, no noticeable pattern has been detected, but not much DXing has been done recently. The LW runs N-S, and is fed to the receiver at the southern end. One thing I have noticed is that it is very efficient in picking up all the multitudinous local mixing spurs. Have been doing a bit of (heaven forbid!) SW DXing since putting up the LW. Good to see some of our younger members reporting to DXWW. Taped report sent off to WADD reported last week. I should start sending more reports than I have in the past few months -maybe I'll do so just to make a representative showing in the IRCA Foreign contest. As usual, Dave Stroup doesn't know what he's talking about. There was a 3-way tie for first in the Eastern League last year; SD High was chosen as the league rep in the playoffs; Saints went as an at-large team, leaving Pat. Henry out in the cold. Sorry, Dave. The SD contingent will soon make a formal bid to the BoD for the convention this coming summer. In the meanwhile, start planning on spending the weekend of August 27-29 in San Diego, California's first city. 73 de FJP.

CONVENTION BIDS Mike Northam reminds everyone interested in hosting 1971's annual IRCA Convention to send your bid to him (address on front page) right away! Richmond, Virginia, is already in the bidding; how about your city?

IRCA Mailing Address Regarding Father Jack's comment on DXWW-1; the add. in C.H. is fine for the 5% who join without getting a sample; however, if mbn's address is used, there is 4 to 10 day delay in filling sample requests. If you have occasion to give IRCA publicity and mention sample requests, BE SURE they come directly to 6059 Essex for the promptest service. -DEE
