### FOREIGN LOG Volume 7

The IRCA Foreign Log is out. All prepublication orders should be mailed out by 15 November. For those who haven't ordered their Foreign Logs yet, the price is \$4.50.

This Foreign Log is the most useful ever because it contains a detail listing of the 9 kHz plan to be adopted by 23 November. Send your order to Phil at the IRCA Goodie Factory, P.O. Box 17088 Seattle, WA 98107.

For those of you new members who have not received your New Members booklet yet, Phil says that he is having a few pages re-printed and he says that he will be caught up again in about 3 weeks. Remember that they are mailed third class, so could take up to 3 weeks to get to you after he mails them.

## FLASH TIPS

Bruce Portzer reports that CKAL-1050 in Vernon, BC is now on the air. They were first noticed 11/3 at 0220 w/pop standards and YL ancr using a slogan like "The Wonderful Voice of the Okanagan Valley" or something similar. He adds that the Seattle Times says KQLA-1480 in Lakewood, WA is now the air w/MOR.

There will be a DX GET-TO-GETHER Saturday Nov. 25, 1978 at the home of John Kolb, 540 So. Kalbaugh, Ramona, CA 92065. Phone (714) 789-6015. Contact John, Randy Seaver or Grant Manning. A flyer will be sent to active So. Calif. members.

DOMESTIC STATIONS REPORTED TO DXR's and DXWW since Volume 12 (Continued from last issue)....  
8 stations that have not been reported to the above columns since Aug. '74 were listed in this issue: WLEW-MI, WEXL-MI and WTRO-IN by Dave Faulkner. WBBX-NH by Bryan Lee. WHBB-AL by Scott Mentzer and KADE-CO, KHAP-NM, KGHM-MO & KGUC-CO by Bill Harms. A few more states with stations not reported since Sep '74. CO-19-KIIX, KAPI, KBRR, KPFL, KGLN, KNAB, KWBZ, KBRR, KBOR, KORT, KAVI, KFLJ, KRLN, KDTA, KFTM, KBZZ, KPAG, KGIW, KSIR OT--2-WVFR-WNLG DE--2-WTHD-WNRK DoC-O

Please note that because of the fact that the printer that we use is closed the day after Thanksgiving, the editors have been advised to move their deadlines up a couple of days for the issue dated 25 November 1978. The bulletin will probably still be mailed after Thanksgiving. The issue two weeks ago was delayed to a mix-up by the printer. This issue may be delayed because of the postal holiday on Saturday 11 November.

(Constitution didn't quite fit on the last 3 pages so the tail end appears here...sorry DKK)

### ARTICLE XIII - AMENDMENTS AND CHANGES

These Bylaws may be amended by the submission of a Bylaw amendment in written form to the President. He, in turn, must submit the proposal to the Board for consideration. With the approval of the Board, the proposal is then submitted to the Election Committee who shall arrange a special election. A proposed Bylaw amendment petition containing the signatures of 20% or more of the membership must be presented by the Election Committee to a vote before the entire membership. To be enacted as an amendment, the proposal must receive a simple majority of those members voting. An amendment to the Bylaws goes into effect immediately after its adoption, unless the proposal specifies a date for its going into effect.

### ARTICLE XIV - RATIFICATION

The ratification of a 2/3 majority of those members voting shall be sufficient to establish these Bylaws and Constitution as the official documents of the International Radio Club of America, Inc.

Some nice DX in this report. Hope everyone  
noticed all those western stns reported by Paul  
Mount - OH.  
Dave Faulkner asks, "What is current IRCA  
rule for reporting times?"  
All times in the domestic sections of DX  
Monitor shall be in Eastern Local Time. Your  
loggings are all correct, Dave. EDT is used dur-  
ing the period that daylight time is in effect.

1560 KGHO WA, Hoquiam 11/1 had very late s/off of 2030--Nov. s/off is 1945! (NH-WA)

1570 KLOV CO, Loveland 10/30 0805 ID "36° at K-Love, Loveland" into pop song. (WJH)

1580 KPIK CO, Colorado Springs a station contest 10/26 1849. Poor to fair, partially nulled KNIX just too potent for a good copy. (WJH-UT)

1610 "TIS" WA, Chief Joseph Dam 10/19 2330 fading from nil to fair & back again w/ mentions of powerhouse, Columbia River & Chief Joseph Dam. Modulation seemed murky, but steady frequency of 1610.039 kHz. A 100 Hz het there also-- another TIS? Another clear channel shot, hi. (NHP-BC)

UNID's:

1040 9/30 0340-0345 album cut mx. Fair signal, very little WHO. KPOI? (WJH-UT)

1390 CBS nx sounder noted way down in mud 0500 10/9. Only one listed is WFBL-NY, but no ID possible. (NHP-BC)

Due to a change of deadline at HQ, the Nov. 16 WDXR deadline has been moved up to MONDAY, Nov. 13. Hope this doesn't inconvenience too many of you. 73.

1979 IRCA CONVENTION

It's probably no surprise to anyone, but the 1979 IRCA Convention will be in Peoria, Illinois (assuming the Board of Directors approves their bid). As mentioned in a recent DX Monitor, the convention will be held August 24, 25, & 26, and will take place one week before the NRC Convention in nearby St. Louis. My wife and I are already making plans to attend and hope to see many of you there.

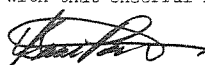

POSITION OPEN

DX Worldwide editor. As noted in DXWW, I've decided to resign as editor, effective whenever a suitable replacement can be found. If you'd like the job, please let me know.

MISCELLANEOUS

I've been having some problems with mail service lately. A paycheck from my former employer never completed the four mile journey from downtown Seattle to my home. A letter from a club member never showed up either, and a postcard from another DXer was found in a flower bed one Sunday Afternoon. The problem is compounded by the fact that due to a busy personal schedule I've fallen behind in answering mail. So henceforth, I'll acknowledge my mail with a postcard if I can't answer it promptly. If you volunteer for something, send in a proposal, or have a question, and you don't hear from me within 2 or 3 weeks, write back as I may not have received it.....

With that cheerful note I'll close. 73 and good DX,

- 746 t UPPER VOLTA, Ouagadougou, suspected here briefly showing w/Carrier & weak audio looping Africa 2327 10/22. (Connolly, MA)
- 755 PORTUGAL, Lisboa, very good w/cl mx 2309 10/22. (Connolly, MA)
- 765 SENEGAL, Dakar, xlnt w/male AA chanting during otherwise mediocre ex 2336 10/19. Loud w/AA talk b y woman 2257 10/22. (Connolly, MA)
- 782 PORTUGAL, Miramar, very good w/pop-rock, then man in PP 2325 10/22. (Connolly, MA)
- 818 ANDORRA, La Vieja, in w/pop mx, then man in FF o/bad low het 2359 10/15. (Connolly, MA)
- 818 MOROCCO, Rabat, very good w/female AA chant o/TV QRM 0059 10/23. (Connolly, MA)
- 827 MOROCCO, Oujda, xlnt w/female AA chant //818 0059 10/23.
- 872 SPAIN, Zaragoza, loud w/SS talk, then disco mx; heavy 2.7 Hz SAH present 0103 10/23. (Connolly, MA, last 2)
- 936 MOROCCO, Agadir, poor in slop w/AA mx 2254 10/23.
- 989 t SPAIN, vocal mx, bad het 0017 10/23. (Connolly, MA)
- 1043 MOROCCO, Sebba-Aioun, good-xlnt w/FF talk, then soul mx 0003 10/23. (Connolly, MA, last 3)
- 1043 ? UNID, carrier looped TA here 0538 10/12 & 0540 10/16. (Thomas, FL)
- 1061 PORTUGAL, Norte, xlnt w/cl mx, badly jamming KTW 0001 10/23. (Connolly, MA)
- 1196 MOROCCO, Agadir, fair, man in AA 2307 10/23. (Connolly)
- 1214 GREAT BRITAIN, Washford, etc., BBC to fair peaks w/pop mx, EE talk, QRM de WCAU 2345 10/22. (Connolly, MA)
- 1394 ALBANIA, Lushnje, potent w/woman in SS 2341 10/22. (Connolly, MA)
- t +Presumed TA here w/man in Slavic(?) language & diatribe re imperialism. Fair at best 0510 10/16. (Thomas, FL)
- 1403 GUINEA, Conakry, in nightly week of 10/12. Best 0530 10/12 at a solid 10db o/S9 which, relatively speaking, is strongest TA here. AA man-chants. (Thomas, FL)
- 1466 MONACO, Monte Carlo, poor-fair in slop w/apparent GG talk by man 2340 10/22. (Connolly, MA)
- 1586 WEST GERMANY, Langenberg, WDR, fair w/GG man & some really nice piano jazz 0525 10/12. (Thomas, FL)

## PAN AMERICAN DX ROUNDUP

- 595 DOMINICA, Roseau, fair & completely free of slop from 590/600 Cubans. Caribbean ex good 0147 10/13. EE rock & female ancr. (Thomas, FL)
- 610 HONDURAS, Tegucigalpa, R. America in better than usual 0125 10/21 w/many IDs & Manilow's "Copacabana" in SS. (Thomas, FL)
- 620 CUBA, Moa, CMKI, CM ancr w/run-on political talk. Not carrying same programming as 590/600/640/670. Weak & intermittent w/QRM from WJDX, WSUN, & others 10/21 0905. (Landry, IA)
- 640 GUADELOUPE, Arnouville, to good peaks w/man in FF 2305 10/22. (Connolly, MA)
- 665 ? UNID, my long-standing LA mystery on 663.5 has now acquired a flea-powered companion 1 1/2 kHz lower (you mean higher? bp) looping 120-125°, whereas 663.5 loops about 145°. First found 10/13 0530-0600 when it was by itself, leaving me wondering if my 663.5 LA was drifting. But 10/23 0517-0540 found both of them there, a het between them & separated by 1 1/2 kHz. This new thing seems a bit stronger than 663.5 & it should be IDed soon. Audio up, male vocalist 0557, but not hrd after 0600. Audio portions taped are marred by WMAQ slop. Looping such weak signals quite difficult but am pretty sure this new stn loops east & north of

- the probable Ecuadorian on 663.5. Reunion is there but seems doubtful, wouldn't you think? (Martin, CO)
- (Considering your reception was 3 hours after sunrise in Reunion, yes. Keep working on it. bp)
- 660 VENEZUELA, Coro, YVNA, s/on w/anthem 0959 10/23, then "YVNA" ID & mention of 660 kc. Only fair at best u/o noise. Same s/on noted 0959 10/21, but no ID caught then. (Hall-Patch, BC)
- 670 CUBA, San Pedro de Cacocum, CMKP, fair-monster level 77880 (back on freq) 0635 10/16. YL ancr in SS, then syrupy clarinet mx. (Hall-Patch, BC)
- 675 COSTA RICA, San José, TICO, "R. Senora" ID noted in KNER-680 splash 0705 10/16. Just a carrier to fair audio at times. On past regular s/off time? (Hall-Patch, BC) (Now 2h hours, per Gene Martin. bp)
- 700 JAMAICA, Montego Bay, JBC, Jamaica mentioned in EE promo by OM & YL ancr, Caribbean mx. Another OM ancr sounded like the Uncola Nut salesman. YL ancr gave call. Signal horrible w/QRM, 1 sec dips & fades, QRM from unid SS in WLW null 10/21 0731. (Landry, IA)
- 715.4 ? UNID, 10/20 0600 carrier looping to LA but audio impossible in KIRO-710 splatter. First time anything noted here. Many LA splits this evening. Also noted 10/21 0520. (Hall-Patch, BC)
- 720 VENEZUELA, Porlamar, YVOE, loud/dominant w/R. Vision ID 0050 10/23. (Connolly, MA)
- 735 ? UNID, 10/21 0522 carrier fading slowly down to nothing then up again. Probably LA, but noly audible in CKIE null so no DF. (Hall-Patch, BC) (Probably just that pesty Ecuadorian... bp)
- 825 PANAMA, Macaracas, HOR56, 1027 10/21 fair w/rhythmic mx, man shouting "R. Peninsula" at end of piece. (Hall-Patch, BC)
- 834 BELIZE, R. Belize, 10/23 0306-0318, BBC? mx, DJ patter TC at 0309 1/2, good ID 0315, then a play of some kind. Fair-poor signal dodging TVI. (Harms, UT)
- +Unusually good 0500 11/3 w/mx: item in EE, repeated in SS, another item in EE, repeated in SS, etc. Prayer by man 0508, then s/off anmt 0510. (Portzer, WA)
- 840 CUBA, Santa Clara, CMHW, 11/1 0457 mixing w/unid SS, man talking in SS, into fanfare, then "R. Doubleve, Cadena Provincial de..." ID & what sounded like brief glory statement. 0459 had what I would assume was Cuban NA sung by a group, 0501 carrier off. Het present; it remained after they went off. (Bytheway, WA)
- +Per the above tip, was probably the one w/tail end of male anmt, then patriotic sounding group vocal song 0459 11/3, just after HJBI s/off. (Portzer, WA)
- 850 GUATEMALA, Guatemala, TGX, ID "R. Nacional Guatemala" silly sounding SS pop mx, ID w/call letters. Fair, undergoing grizzly attack, in KOA null 10/25 0640. (Landry, IA)
- 890 COLOMBIA, Bogotá, HJCE, LV de Bogotá, 9/28 0726 w/chimes, frequent IDs, & mx. WLS mull'd. (Harms, UT)
- +0457 10/30 briefly u/WLS w/IV de Bogotá ID & chimes, then gone. (Tomer, CA)
- 890 DOM. REP., Santo Domingo, HIPJ, good w/Santo Domingo ads 2317 10/22. (Connolly, MA)
- 930 COLOMBIA, Bogotá, HJCS, R. Continental surfacing to Fair level while I was camped on 930 for DX Test 10/23. Fairly lively LA mx (e.g. "Maria") 0709. (Thomas, FL)
- 939 ? UNID, het, perhaps TGTL noted before 0110 10/23. (Connolly, MA)
- 970 MEXICO, Cd. Juarez, Chih., XEJ, MoR SS mx, ID "R. Mexicana", call letters. Anmt by YL, another ID, then Ranchera mx. Intermittent, mixing w/several stns 10/25 0545. (Landry, IA)
- 1000 COLOMBIA, Cartagena, HJAR, good o/jumble, SS nx report, RCH ID, ads, 0015 10/23. (Connolly, MA)
- 1005 COLOMBIA, Neiva, HJJR, hrd briefly 0425 10/23 w/SS mx & mention of Colombia; weak. (Tomer, CA)
- 1022 ? UNID, very weak something was here hetting 1020 when looping N-S 10/23 0812-0820. Believe OG was there from either KDKA or KTNQ. (Martin, CO)
- 1040.3 ? UNID, who is this putting het on WHO most nights around 0500? Got some SS nx w/item from Bogota 10/19 0510, but CFAX-1070 opened fire w/machine gun & down this went. (Hall-Patch, BC)
- 1100 ANTIGUA, St. Johns, ZDK, atop SS LA; ZDK jingle, then Caribbean EE talk & mx 2359 10/22. (Connolly, MA)
- 1155.1 ? UNID, carrier 10/21 0538 but no audio in KSI-1160 splatter. Looped to CA. (Hall-Patch, BC)
- 1165 ANTIGUA, St. Johns, good w/EE discussion 0027 10/23. (Connolly, MA)
- 1200 COLOMBIA, Cali, HJNF, R. Super ID & mention of Cali. Other LAs there too. 0656 10/23 in WOAT SP. (Martin)
- 1201.8 ? UNID, muddy audio on LA mx in slop 0028 10/23. (Connolly, MA) (Cuba? bp)
- 1265 ST. KITTIS, Basseterre, R. Paradise, 0335-0340 10/23 w/gospel mx & EE ancr, fair at peaks. (Tomer, CA)

1300 MEXICO, Cd. Juarez, Chih., XEP, dominating, ads, ments of Juarez, mx, & ID 10/30 11h1. (Harms, UT)  
 1540 BAHAMAS, Nassau, ZNSL, TC(EST), soft rock, mx w/tunes back-to-back, Bahamas R. Network ID, another TC. OM ancr had slight Caribbean accent. Fair-poor w/deep fades, fluttering, 10/23 085L. (Landry, IA)  
 1613 GUATEMALA, Rabinal, "RAB" marker just above noise level. Big carrier though, nearly spot on 1613.000 kHz. 054h 10/21. (Hall-Patch, BC)

PACIFIC DX ROUNDUP

575 RSFSR, Khabarovsk, good 1333 10/20 w/RR talk. (Tomer)  
 584 RSFSR, Svobodnyy, Kremlin Chimes noted during brief tune-in 1330 10/20. (Tomer, CA)  
 647 RSFSR, Vladivostok, weak w/what seemed to be CC talk 1326 10/20, bothered by KFI slop. (Tomer, CA)  
 +10/21 solid 1455 w/YL CC vocals, FS IS 1459+, CC pgn continued. (Williams, OR)  
 665 RSFSR, Komsomolsk, strong carrier 1335 10/20, some RR vocal mx noted. (Tomer, CA)  
 700 JAPAN, Kitami, JOKB, hrd 10/23 1319 w/ID in EE. (Block)  
 +JOKV/JOFB, 1405 10/26, OM in JJ poor-fair //JOB-830. Best TP DX so far this season--which isn't saying much. (Hall-Patch, BC)  
 750 JAPAN, Sapporo, JOIB, good w/EE lessons 1033 10/30. This is the most consistent TP here. It's in when others aren't. (Harms, UT) (I've noticed that too.bp)  
 770 JAPAN, Akita, JOUB, raising heck w/KXA 1422 10/28. Had JJ talk. (Tomer, CA)  
 780 JAPAN, NHK, 3 or so listed, 1229 10/28, YL JJ amts, "Radio?". Later at 1245 NHK(?) EE lessons. Seemingly 2 different stns. (Williams, OR)  
 782 RSFSR, Spassk-Dalnii, 1352 10/26 fair w/YL talk 775015 SW. (Hall-Patch, BC)  
 784+ N. KOREA, in w/good signal 1420 10/28, had choir & KK talk. (Tomer, CA) (Must've been my undid het of a couple weeks back. bp)  
 830 JAPAN, Osaka, JOBB, fair w/WCCO & KIKI milled. Sounded like EE lesson by YL 1113 10/30. (Harms, UT)  
 +Good o/KIKI w/JJ talk 1411 10/28. (Tomer, CA)  
 835 CHINA, Nanchang, weak w/CC singing 1315 10/20; weak 1435 10/28. (Tomer, CA)  
 840 JAPAN, Niigata, JOQK, x1nt 1408 10/28 w/JJ amnt by YL mentioning NHK, then "beautiful mx" until 1430. Consistently good the entire time. (Tomer, CA)  
 840 RSFSR, Spassk Dalnii, fair w/KIKI slop w/YL in RR. 1408 10/8; cl mx 1408 recheck. (Tomer, CA) (KIKI slop?! At 2400 miles? bp)  
 870 JAPAN, Kumamoto, JOGB, noted fading up through noise 1428 10/12. IDed by // w/stronger JOBB. (Hall-Patch)  
 890 JAPAN, Sendai, JOHK, 10/29 light mx, mostly piano selections 1443. Man in JJ 1455, anthem 1500, then ID. Nice & clear. (Williams, OR)  
 994 ? UNID, strong het here 10/25 1343. KK from 997? Also seems to be stn on 995. (Williams, OR) (995 may have been Ecuador. bp)  
 1035 ? UNID, probably China, cl piano mx, loud signal 1442 10/21, CC amts & again 1459+. There seem to be 2 CC's on this channel. (Williams, OR) (Probably China jumping the gun a bit on the 9 kHz plan. bp)  
 1200 t CHINA, weak CC sounding talking & orch mx around 1445 10/28. Bothered by lots of low hets & noise. A little late in the morning for serious TP DXing! (Tomer)  
 1250 ? UNID, China or USSR?, CC mx fair o/domestics & low hets 1358 10/8. I tend to think this is China, but it never fails to fade completely at ID time! Hrd fairly regularly during good TP cx. (Tomer, CA)

1979 FOREIGN LOG

Phil informs me that the foreign log is almost ready for the printer(it should be there by the time you read this). If you haven't already ordered your copy, now's the time to do it. The deadline's passed for the prepublication discount, but at \$4.50 a copy it's still a bargain. This year's log has a comprehensive list of the new TA & TP frequency assignments, in addition to the wealth of information contained in last season's DXWW reports. Just what you need to ID the Latin Americans that are rolling in now and the transoceanics you'll be trying to ID after November 23.

DXWW EDITOR RESIGNS

After much thought on the matter, I've decided to give up editorship of DX Worldwide. Main reason is a lack of time. In addition, my new job will require travel and overtime on occasions and a conflict would probably result with DXWW preparation. If you're interested in foreign DXing and can devote an evening a week to the column get in touch with me.

 Hello once again from Peanut Town. I got my first verie (v/c) from WLW-700 in 21 days after my midday reception of the station. I am still awaiting one from WJJD-1160, the other midday catch. About that aurora at the start of October, that must rival the one I saw from the plane on returning from the Holy Land last January (A-index = 70 or more). On Sunday evening 10/1, WNBC, WABC, WCBS, WLS, CBM, WINS, WCFL, KDKA, WBZ, WHO, WHN, KYW, WTIC and WNEW were creamed by the aurora. WWVA was barely audible (creamed most of the time), WOR, WCAU, and even the mighty WBT and WRVA to the south were heard very weakly. Some domestics from FL and LA that bombed in were WEAT, WMEI and WNOE. I was at the dials from 2000 until 0220 EDT with a 30 minute TV news break around 2300. I was rewarded with 14 LA loggings plus 2 from Florida. Of the LA's, 5 were from Colombia and 3 from Haiti (I never logged Haiti here before). 73 de WPT.

 Another tape offer: "Cape Cod Radio", a 90 minute sampler of local radio from the popular Cape Cod resort region is now available. These recordings, made during the summer of 1978, exhibit the tourist-oriented programming and advertising typical of "vacationlands". Ads for overpriced restaurants, boating supply firms, golf courses, exotic gift shops, and colonial furniture emporia tend to prevail. Both FM and AM stations are featured; perhaps the tape can be used to identify "UNIDs" by slogans, announcer names, sponsors, formats, etc. Please send C90 cassette and two 15¢ stamps if you're interested. Now on to the Wurtzel Department of Poetic Palaver:  
 #1: The cafeteria at the electronics plant  
 Is unlike any other restaurant  
 A most unusual menu  
 With seamoss and chips  
 Then bowls of RAM stew  
 And breaded flipflop DIPs  
 Well, if then your stomach twitches  
 Alas, you've had too many glitches.  
 #2: You may think this poem is dreck  
 The mechanical engineer said to the electronics  
 "You can worry about the ohms and volts, /tech:  
 I'll worry about the nuts and bolts.  
 Now it's Friday, our work has reached its finish  
 Let's go to the pub and drink some Guinness!"  
 Well, enough doggerel for a while (like about 10 years) - 73, Mark

Michael Dorner-1304 Airline Park Blvd.-Metairie, LA 70003 (continued from last DXM)

I've noted in past issues that people complain of not getting WNOE 1060 much. They have been having tough problems with their rigs and their antennas. They are highly directional also, but newly built high-voltage lines in the growing Belle Chase area south of New Orleans have seriously ruined their patterns, and local engineers tell me that the station has been running at much less than authorized power lately. My club membership has lapsed, mostly because I've just married and bought a new house. I intend to renew it, but we have mucho big problems in this neighborhood with noisy TVs

and aquarium heaters. FM is superior, but the band is choked here with locals and semi-'s, and there has been no E-skip to speak of this year. I like radio apart from DX, so I welcome all letters and diligently answer same. For what it's worth, I worked at local WWNO-FM and did some part-time work in transmitter engineering. But I don't claim to be an engineer--more of an apprentice, I should say. 73.

Another season has arrived here with the addition of a new state--Mississippi at last. WOKJ-1550 in here w/solid copy 9/25 around 0300. I heard it thru the still persistent electrical noise. That makes 36 states heard. VF & ME are my two goals for this season along with KS. I'm not greedy, 3 will be fine, hi. I got to play around with the Sony CRF-320 recently and was impressed with all the gadgets they can stuff into a transistor portable. Although I haven't listened to SW in years, the unit seemed to be quite sensitive. One drawback on the BCB was a rather strong image of local WILM-1450 at 540 khz. The literature claims dual conversion, but they seem to have sacrificed the BCB to better the SW bands. Sensitivity on MW seemed good, though. Also of interest to sports buffs, I recently heard the Baltimore Orioles will be changing flagships come next year. WFBR will be taking over the helm from WBAL. Money, according to our local News-Journal papers, was the reason. The television flagship will also change. Equipment-wise, we're holding our own with about the same setup as last year, but hoping to be able to use it more. I'll be finishing up my 2 year A.A. program at a local community college the last week in November and this will give me more time. As it is now I get a guilt complex whenever I sit down at the dials for fear I'm neglecting my studies. This complex probably a carry-over from my high school days when I undoubtedly neglected them for the same cause. It's a lot of fun, though, as I've never had any hobbies quite as enjoyable as DXing. That's about all for now. Next time will rant and rave about mountaintop DXing. 73's to all and good DXing.

Karl V. Jeter-2816 Frontier Trail NE-Atlanta, GA 30341  
It's been quite a while since I appeared in these pages, and a lot has been going on for me since my last Forum: graduation from college, work and seeking another job (still unsuccessful, hi), travel (2 1/2 weeks in Barbados in July, and Toronto earlier in October), and of course, the NRC convention. Thanks to all of you who are IRCAn's who attended to make it a success. Sri to your EDXF editor who was stranded at the airport Friday night--it was a case of crossed signals, as I was paging them and they were paging me and somehow the connection wasn't made. St. Louis looks good, as does Peoria for '79, and I support any effort to move the two fetes closer together, as I can visit family in St. Louis in between. I am getting ready for the DX season by dragging out the 4' loop I built earlier this year. It is unamplified right now, but I have sent in to Steve Bohac an order for an amp. I am using it as is, with some luck, and even a few new logs, hi. (continued in next DXM-jz)

How would you like to have Mexican stations all across the BCB on split frequencies midway between our familiar North American channels? Well, you will have the Mexicans in that manner if an impending Mexican proposal gains approval or consent at the forthcoming International Telecommunications conference somewhere in Europe, Geneva maybe. Mexico wants all its frequencies to end w/5 rather than zero, although continuing w/the present 10 khz separation. I think such a change would also have to be the subject of a treaty between Mexico and the US, but I have no insight on whether American negotiators would go along w/Mexican aspirations. But Mexico has important leverage in treaty discussions w/the US because of its vast new oil discoveries, and we need the oil. At the same time, I don't see how Mexico could carry out such a frequency change inasmuch as they have several very high powered border stations which program almost exclusively to the US. A treaty might permit the border stations to remain on their present frequencies in order to minimize the ungodly interference w/US stations that would come if XEG

were on 1045 and XETRA on 695. One way or another, you can count on it, the BCB will continue to go to hell! 73.

BILL HARMS-865 N 160 W #2-PROVO, UT. 84601  
Hi everyone. I haven't been DXing much until just recently. In the last week 20+ new stns. My totals are 365hrd, 32 states, 4 province, 15 countries. I finally got an ID from Belize 854 when my neighbor decided to turn off his TV for the first time since I've been here. The best TP in here seems to be JOIB 750. It's hrd even when ox are mediocre and many times is the only TP hrd. Without anything else to say, bye for now and 73.

JIM KORN-77A MIGUEL STREET-SAN FRANCISCO, CA, 94131  
(Part II-cont....) I was lucky enough to meet the station's chief engineer who expressed amazement that I was able to find the place. He told me that he wanted to rent a bulldozer to smooth out the road, but that the station's financial reputation was so bad that none of the equipment rental yards would allow him to sign for one! He also described the AM transmitter site as a "mistake". The transmitter building is entirely underground, the entrance to which can be covered with a reinforced concrete sliding "bomb door". The station claims that this setup is due to its status as an EPS station, but others have asserted that the real reason is because the XR building, if above ground, would unduly interfere with the station's directional pattern since it is situated in the dead centre of the array. Incidentally, the AM coverage is terrible. There are a good many places in the San Fernando valley where the KROQ-AM towers are visible, but where KXRX dominates on 1500 at night! When I was there in January 1977 the station was operating with its 1 kw transmitter and nighttime DA pattern both day and night, mainly because the 10 kw day rig had been auctioned off a couple of years earlier during "hard times" when the station was not even on the air for about 18 months. One of the favourite quips among KROQ engineers is that it's the only AM-FM combination in the United States whose AM XR is at a higher elevation than its FM rig. Can any of you IRCAn's cite any other cases to prove the KROQ engineers wrong? I'd be interested to hear about that myself. Anyway, this is certain; The KROQ-AM XR site at approx. 2600 ft above sea level is some 800 ft higher than the KROQ-FM XR site atop 1800 foot Flint peak. Final irony is that the 2 sites are about 4 miles apart and plainly visible from one another. 73.

Howdy folks; need some help. First, WIS 890 has been coming in lately almost like the good old days. Normally, nearly buried u/KNEW 910 stop, they've been putting in one heekuva signal recently, but also along w/that, a strong het. I can't really get a good beat on direction of het tnx to K-NEW. Any ideas? Have done a couple dial scans last couple mornings (11/04-5), noted Hawaii really purring it on, KORL especially good, no sign whatsoever of WSM, and even KGU jumping all o/KFMB, but no farther than HI, gets frustrating after a while. Just waiting for the freq. change, should be interesting, and I can really add some new stns (as they will all be new stns, new freq) to my totals. Bill Hardy, re your idea on forum lengths. Except for a couple issues after it was announced last summer, WDXF has been keeping to its 20 line limit, so no problem there. Except for Jim Korn's excellent article which was intended to run in parts (he gave it to me after we went weekly so that it would run in two consecutive issues). Bill did suggest (via landline) that if you wish to have forums run in 2 or 3 consecutive issues, why not type up 2 or 3 forums in one sitting, send them together marking order in which you want them to appear, perfectly fine w/me, and saves postage. But cutting what an ed thinks is non-DX can be a sticky wickett, eds will have to note the deletions, making the membership wonder what was cut, and creates hard feelings, I know, I've seen the mail at HQ, hi. That's 20, see u in 7. 73 de Rth.

CONSTITUTION OF THE INTERNATIONAL RADIO CLUB OF AMERICA, INC.

ARTICLE I - NAME

The name of the organization shall be the International Radio Club of America, Inc.

ARTICLE II - PURPOSE

The purpose of the International Radio Club of America shall be to promote the hobby of radio listening on the AM broadcast band.

ARTICLE III - MEMBERSHIP

Membership in the International Radio Club of America shall be open to anyone in any nation interested in the hobby of broadcast-band DXing.

ARTICLE IV - DUES

Dues in the International Radio Club of America shall be enacted on an annual basis, the amount to be determined by the appropriate governing body, to be known as the Board of Directors.

ARTICLE V - OFFICERS

The government of the International Radio Club of America shall be comprised of the following officers:

1. President
2. Secretary-Treasurer
3. Board of Directors (seven members)

ARTICLE VI - ELECTIONS

Elections for President, Secretary-Treasurer, and Directors will be held every two years.

ARTICLE VII - CONVENTIONS

The one official international meeting of the International Radio Club of America shall be the annual convention.

ARTICLE VIII - AMENDMENTS

Amendments may be made to this Constitution by submitting a proposal in written form to the President of the International Radio Club of America at least 60 days prior to the beginning of the annual convention. To become enacted (as) an amendment, the proposal must receive a full hearing before the members assembled at the business meeting at the annual convention, and announcement must be made at that time to express the intent to have the full club membership vote on the proposal. In addition, to become enacted, a proposal must receive a two-thirds majority of the total club membership.

BY-LAWS OF THE INTERNATIONAL RADIO CLUB OF AMERICA, INC.  
(Revised to August 15, 1978)

ARTICLE I - NAME

The name of this organization shall be the International Radio Club of America, Inc., and the official abbreviation IRCA may be used in referring to this organization.

ARTICLE II - PURPOSE

The purpose of the IRCA shall be to promote the hobby of radio listening on the AM Broadcast Band. 510 to 1630 kilohertz, and to a lesser extent on the longwave broadcast band.

ARTICLE III - ELECTION OF OFFICERS

Section 1 - Frequency of Elections; Term of Office

Regular elections shall be held in odd-numbered years to elect the officers listed in Article V of these Bylaws, including the Chairman of the Board. All terms of elective office shall begin at 0001 Mountain Local Time, on September 15 of odd-numbered years (or, in case of replacements, at 0001, Mountain Local Time, on the date of the DX Monitor in which the results of elections are announced), and shall expire at 2400, Mountain Local Time, on September 14 of odd-numbered years.

Section 2 - By whom Elected

Part 1 The President and Secretary-Treasurer shall be elected by the membership-at-large. Each member in good standing shall have one vote for each office.

Part 2 The seven members of the Board of Directors shall also be elected by the membership at large. Each member in good standing may vote for seven of the candidates seeking Directorships.

Part 3 The Chairman of the Board of Directors shall be elected by the Directors on the Board in accordance with Article III, Section 6.

Section 3 - Eligibility to Hold Office

Any member in good standing, regardless of where he lives shall be eligible for regular election to any office provided he has held one year's continuous membership in the IRCA as of April 15 of the election year. For purposes of special elections, the requirement shall be one year's continuous membership as of the effective date of the vacancy of the office in question, such date to be determined by the President. It is not necessary for an eligible member's name to be printed on a ballot for him to be elected.

Section 4 - Authority for Elections

The Election Committee Chairman (ECC), appointed by the President and confirmed by the Board, shall handle all aspects of all elections of officers, whether regular or special, with complete authority.

Section 5 - Regular Elections; Procedures and Dates

Part 1 The President shall be responsible for announcing in the DX Monitor full details concerning the upcoming elections approximately February 15 of election year.

Part 2 Nominations shall be open for President, Secretary-Treasurer, and the seven members of the Board of Directors from March 1 through April 15. Only one nomination each for President, Secretary-Treasurer, and only seven nominations for the Board, shall be allowed each IRCA member. All nominations must be submitted in written form to the ECC by April 15.

Part 3 As soon as possible after April 15, the ECC shall send to the Secretary-Treasurer a list of all nominees. The Secretary-Treasurer will return the list to the ECC as soon as possible indicating which nominees have been members in good standing for the required one-year period.

Part 4 The ECC shall notify by letter all eligible candidates concerning their nomination by May 1. Each letter of nomination shall contain the names of all eligible members who have been nominated for the particular office in question. Such letters must stress that the nominee must reply in writing if he accepts the nomination, and each such letter must request from each nominee a campaign statement, not to exceed 15 stencil lines, to appear in a June issue of the DX Monitor. However, a nominee is not required to submit a campaign statement provided he has duly notified the ECC of his intention to run for office. An IRCA member may be nominated for more than one office, but he must decide for which he prefers to run and so notify the ECC. A nominee who has indicated his intention to run for an office may not be considered as a write-in candidate for another office in the same election.

Part 5 All letters of acceptance of the nomination, and all campaign statements, must reach the ECC by May 20. The ECC shall prepare the ballot and the campaign statements and submit them to the Publisher by June 1. Ballots shall contain spaces for write-in candidates.

Part 6 Ballots must be received by the Election Committee Chairman no later than 0001, Mountain Local Time, August 1.

Section 6 - Election of the Chairman of the Board

The ECC shall ballot the Board of Directors soon after each regular election to determine the Chairman of the Board, who will be the spokesman for the Board and will be responsible for assuming the President's office in case it is vacated during the current term. In the event the Chairman of the Board becomes club President, he shall be required to resign his Board position. The ECC shall then ballot the Board of Directors again to determine the new Chairman of the Board.

Section 7 - Special Elections of Officers

In the event the Secretary-Treasurer, the Chairman of the Board, or a regular Director on the Board resigns, or in any other circumstances requiring a special election of officers, a special election shall be conducted as soon as possible by the ECC, in accordance with the relevant procedures outlined above. If advisable, the various deadline dates fixed in Article III, Section 5 shall be altered by the ECC, but the relative timing of the various procedures will be retained.

Section 8 - Determining Winners

The seven eligible members who receive the most votes cast shall be deemed winners during a regular election of the Board of Directors. In all other elections, whether regular or special, the eligible member who receives the most votes cast shall be declared the winner.

Section 9 - Ties in the Balloting; Insufficient Nominees

Part 1 In the case of a tie in the balloting for President or Secretary-Treasurer, the Board of Directors (to be polled by the ECC) shall break the deadlock. In the case of regular elections, such deadlock shall be broken by the newly elected Board members.

Part 2 In the case of a tie in the balloting for the Board of Directors, a run-off election among the persons who tied will be executed immediately by the ECC. In the event there is a tie in the run-off election, the elected members of the Board shall determine the winner. A deadlock in the Board voting shall be broken by the President, or in the event his office is vacant, by the Secretary-Treasurer.

Part 3 In the case of a tie in the balloting for the Chairman of the Board, the President (or in the event his office is vacant, the Secretary-Treasurer) shall cast the deciding vote.

Part 4 In case no persons are nominated to fill the office of President or Secretary-Treasurer, or in case fewer than seven eligible members are nominated to the Board of Directors, and no eligible write-in candidate(s) is (are) declared the winner(s), the Board shall select the officer(s) in the best manner they see fit.

#### Section 10 - Announcement of Results of Elections

The results of all regular and special elections shall in all cases be announced by the ECC in the DX Monitor within 30 days after the deadline for receipt of ballots. If it may be done in a timely manner, the election results shall first be announced by the ECC or his appointee at the annual business meeting.

#### ARTICLE IV - DUES

Dues will be collected on an annual basis and the amount will be subject to change by the action of the Board of Directors. The Secretary-Treasurer will be in charge of collecting dues.

#### ARTICLE V - OFFICERS AND DUTIES

##### Section 1 - Officers

The government of the IRCA shall be comprised of the following officers: President, Secretary-Treasurer, and seven members of a Board of Directors.

##### Section 2 - Duties of Officers

###### Part 1 - President

- a. Shall preside at all official club functions, including the annual business meeting, when in attendance. If he is not to be present at an official club function, he will, whenever possible, appoint a member who does plan to be present to preside at the official club function; this appointment is not subject to Board approval.
- b. Shall be responsible for protecting the reputation and dignity of the IRCA, and promote and administer the affairs of the club to the best of his ability.
- c. Shall, with the approval of the Board, have the power to bring reprimand and revocation proceedings against any member who he deems is not adhering to the rules of the organization; he must submit in written form any findings to the Board for their actions.
- d. Shall have the power to appoint the chairman of any committee, with the advice and consent of the Board of Directors.
- e. Shall have the power to remove a chairman of any committee for neglect of duty; this action must in turn be approved by the Board.
- f. Shall have the authority to act on any suggestions or proposals, making any recommendations if he so desires but also submitting the primary proposal to the Board of Directors; any action on a suggestion or proposal is subject to the final approval of the Board.
- g. Shall have the power to vote on any proposal that does not receive a majority decision by the Board of Directors during the contemporary administration so as to break any deadlock that would occur.
- h. Shall not have veto action over the board.
- i. Shall be responsible for the inclusion of the complete IRCA Constitution and Bylaws, as amended during the previous year, in one of the summer issues of the DX Monitor each year.
- j. Shall be responsible for reporting the results of voting by the Board of Directors in the DX Monitor as soon as possible after the votes have been counted.
- k. Shall in September of each year, request the Board to reconfirm the appointment of each Editor and Committee Chairman currently serving the club. Such request will be accompanied by the President's recommendation concerning each individual, based on a review of the past year. The Contest Manager and the Courtesy Programs Committee Chairman, however, are to be reconfirmed in May of each year.

###### Part 2 - Secretary-Treasurer

- a. Will be in charge of collecting all dues for membership and membership renewal.
- b. Shall issue IRCA membership cards.
- c. Shall keep an up-to-date list of all members.
- d. Shall keep a complete financial record of all monies received and spent.
- e. Shall submit every six months a condensed financial statement to the Board for their examination, and at the time of said submission, shall present the statement to the membership through the official club publication. The financial statement of the club must be approved by the board before publication in the DX Monitor.
- f. May, with the consent of the Board, appoint members to assist him in some of the bookkeeping work.
- g. Shall be responsible for recording and filing minutes of the annual business meeting. In his absence at the business meeting, he shall appoint another member to record said minutes.

#### Part 3 - Board of Directors

- a. Shall be responsible for protecting the reputation and dignity of the IRCA, and promote the affairs of the club to the best of their ability.
- b. Shall have the final power in ruling on any club affairs, suggestions, proposals, recommendations, or findings submitted by the President; the Board shall have the power to present legislation and findings as well as make rulings.
- c. Shall not have the power to appoint chairmen of the various committees, publishers, or editors, but shall have the power to confirm their appointment.
- d. Can conduct most of their business by mail, but if five are present during an annual convention, a quorum for business shall be said to exist.
- e. Shall have the power, if they deem it necessary, to call for a special election to submit a major issue to the membership-at-large; the Election Committee then will handle all aspects of the special election.
- f. Shall have the power to submit a question to the vote of those present at the annual business meeting with a simple majority of those voting prevailing.
- g. All decisions of the Board of Directors, including the name of the Directors voting for and against each proposal, must be published in the DX Monitor as soon as possible after the decision is made. No member shall be held responsible for such decisions until they are made public through the DX Monitor.
- h. All members of the Board shall submit to the President their votes on all proposals no later than 3 weeks after the mailing of the proposals to them by the President. All votes not received within the three week period will be considered abstentions from voting by the member(s) in question.

#### Section 3 - Replacements

Part 1 - If an IRCA officer's membership in the IRCA expires during the current term and he fails to renew it within two weeks, he will be deemed to have resigned his position.

Part 2 - Should a Director on the Board fail on two successive occasions to communicate to the President his vote on club business within the period prescribed in Article V, Section 2, Part 3 of these Bylaws, he will be deemed to have resigned his position.

Part 3 - Should the President resign, or the office become vacant for any reason, the Chairman of the Board will immediately assume the Presidency for the remainder of the current term.

Part 4 - Should the Secretary-Treasurer or any Director on the Board resign, a special election shall be conducted as soon as possible in accordance with the procedures outlined in Article III of these Bylaws, provided at least six months remain in the current term. In the event the Secretary-Treasurer resigns, the Chairman of the Board shall assume his duties on a temporary basis until the new officer is elected by regular or special election.

Part 5 - Should the Chairman of the Board resign, or the office become vacant for any reason, a special election among the Board of Directors shall be conducted immediately in accordance with the procedures outlined in Article III of these Bylaws.

#### ARTICLE VI - PUBLICATION

The official publication of the IRCA shall be known as DX Monitor. It shall be issued 34 times each year, except in cases of emergency. With the permission of the Board, the number of issues may be changed. DX Monitor will normally be published weekly beginning with the first Saturday in October, up to and including the last Saturday in March, twice in April and September, once in May, June, July, and August.

#### ARTICLE VII - COMMITTEES

The Board of Directors may, from time to time, establish various committees to carry on the activities of the IRCA. The board shall have the power to establish guidelines and policies relative to the functions, operations, and activities of any committee, but, in all other respects, committee chairmen shall have complete authority over the operations of their committees. For purposes of these bylaws, the editors and publishers of the DX Monitor and any official agents of the IRCA are considered to be committee chairmen.

#### ARTICLE VIII - CONVENTIONS

##### Section 1 - Annual Meeting

The annual meeting of the IRCA shall be held in conjunction with the annual convention for purposes of presenting the reports of officers, committees and boards, and such other business as may lawfully come before the meeting.

##### Section 2 - Special Meetings

Special meetings of the IRCA may be called at any time by the Board of Directors on its own motion, and must be called by the Board of Directors on petition of at least 10% of the membership. Such meetings shall be held at

such times and places either within or outside the state of Colorado, as the Board of Directors or petition herein specified shall determine.

#### Section 3 - Convention Location

The Board of Directors shall solicit during September of each calendar year bids submitted by those wishing to host the annual convention. The Board shall subsequently cause a special election to be held among the members to select the convention site and date. Such special election shall be conducted during the final third of each calendar year. The Board may, on its own motion, determine any bid made as unqualified prior to the special election. Each site deemed qualified by the Board of Directors shall be allowed to print a statement of thirty lines in the DX Monitor promoting their bid. Such statements shall be printed in the issue which contains the ballots for the election of the convention site.

#### Section 4 - Voting

Each member shall have one vote on each and every matter submitted to a vote of the members. At all meetings, except as otherwise provided by law, the members entitled to vote who are present shall constitute a quorum. All action except as otherwise provided by law, by the IRCA's Constitution or Bylaws, shall be by majority of those members present and voting. Presence and voting by proxy may be allowed at the discretion of and in accordance with rules prescribed by the Board of Directors.

#### ARTICLE IX - SUGGESTIONS AND PROPOSALS

All suggestions and proposals shall be submitted to the President in written form, who will then submit them to the Board of Directors for action (along with any specific recommendations he may care to make). The final decision as to any action to be taken rests with the Board of Directors. A proposal that receives more "yes" votes than "no" votes will be considered passed. A proposal which is related to the activities of an IRCA committee or the club treasury will first be submitted to the respective Committee Chairman or the Secretary-Treasurer for his recommendation, which will be subsequently submitted to the Board along with the primary proposal.

#### ARTICLE X - IRREGULARITIES, REPRIMANDS, DISMISSALS

##### Section 1 - Irregularities

Any irregularity of club policy must be brought to the attention of the Board of Directors and the President. A statement of the irregularity and the member or members charged must be made in written form and must bear the

signature or signatures of the members making such charges, and shall be submitted directly to each Director and the President; all shall determine any action which shall be taken.

##### Section 2 - Reprimands

In case of irregularities, the IRCA President must, with the approval of the Board, issue a letter of reprimand, to be sent via certified mail, to any officer or member of the IRCA, clearly stating the nature of the offense and the proper means of rectifying said offense.

##### Section 3 - Dismissals

If the nature of the offense is serious enough to cause further action than a reprimand, the President must, with the final approval of the Board, issue a letter or letters clearly stating the nature of the offense, and that dismissal proceedings are being taken. The aforementioned letter(s) shall be sent by certified mail, return receipt requested. A sufficient amount of time must be allowed for the accused to answer the serious charges. If the reply is not forthcoming or if it does not meet with the satisfaction of the President, a letter or letters of dismissal may be sent with the final approval of the Board of Directors, removing the membership of the accused.

#### ARTICLE XI - REFERENDUM/INITIATIVE

If a member cannot get action on a proposal in the prescribed manner, he can submit a petition bearing the signatures of 20% of the club membership to the Election committee to effect a special election on the matter. This pertains to matters other than those concerning the contents of these documents.

#### ARTICLE XII - RECALL

If a petition is presented to the Election Committee bearing the signatures of 20% of the club membership asking for the removal from office of the President, Secretary-Treasurer, or a member of the Board of Directors, the Committee shall call a special election at which the membership will be asked to vote for or against such removal. If the removal of the officer is approved by 75% of the members voting, the office shall be declared vacant.
