### DX CALENDAR

Sat. Mar. 3	KABC	790	Los Angeles, CA	5kw	0300-	EST ANARC
Sun. 4	KWCK	1300	Searcy, AR	5kw ND	0300-0330	EST NRC/CCM
Mon. 12	KTHO	590	S. Lake Tahoe, CA	2500w	0400-0430	EST NRC/CCM
	KLLK	1250	Willits, CA	5400/2700w	0430-0500	EST NRC/CCM
Sat. 17	WZEP	1460	DeFuniak Spgs, FL	5kw	0430-0500	EST NRC/CCM
Sun. 18	WLBE	790	Leesburg, FL	5kw	0330-0400	EST NRC/CCM
	WQBQ	1410	Leesburg, FL	5kw	0400-0430	EST NRC/CCM

**KABC-790**, Los Angeles, CA, has had several previous DX Shows as part of the Ray Briem Show. This one, starting Midnight PST on Friday night, 0300 EST on Sat. morning, will be on KABC only. Unlike most of DX Calendar, this is part of regular programming; Ray Briem is, himself, an experienced SWL. Listed as ANARC above, it is not actually affiliated with any particular group. George Wood, from Radio Sweden, will be in the studio along with Stewart Mac Kenzie of ASWLC. A chat is planned with Don Schmidt of SCADS, and tentatives include a rep from "Affordable Portables", Tom Meijer of Radio Nederland, and Steve Miller of Radio West, Vista, CA. This is a telephone call-in program so you'll have an opportunity to talk with those in the KABC studio. IRCA member Greg Hardison is a KABC employee and provided some of the info above. Incidentally, George Wood was an IRCA member in approx. the mid-60's while attending school in the Bay Area of CA and attended the 1980 ANARC Convention in Irvine, CA, to name at least one. -Greg Hardison & DEE.

**KWCK-1300**, Drawer 1300, Searcy, AR 72143 will conduct a Special DX Test on Sunday 3/4/90, 0300-0330 EST. KWCK will operate with 5kw ND and the test will include Morse Code IDs. Reports to Mr. Ken Simmons, Operations Director. Arranged by the Colorado CPC Machine for the NRC.

**KTHO-590**, P. O. Box AM, South Lake Tahoe, CA 95705 will conduct a DX TEST on 3/12/90, 0400-0430 EST. This test will include a variety of music, tones, voice & code IDs. Thanks to Mr. H. E. Cadot, CE, KTHO, for this test. Arranged by the Colorado CPC Machine for the National Radio Club.

**KLLK-1250**, P. O. Box 1520, Willits, CA 95490 will conduct a Special DX Test on Mon. 3/12/90, 0430-0500 Eastern Standard Time. 0430-0445 will be with daytime directional pattern at 5400w and 0445-0500 will be with the nighttime pattern and 2700w. Test will consist of a continuous tape loop with a Morse Code ID message. We thank Mr. Brian J. Henry (WB6QED), Owner of KLLK. Arranged by the Colorado CPC Machine for the NRC.

**WZEP-1460**, P. O. Box 1460, DeFuniak Springs, FL 32433 will conduct a special DX TEST on 3/17/90, 0430-0500 EST. This test will include Morse Code IDs. Thanks to Mr. Wyatt Cox, Owner-Manager of WZEP. -CCM/NRC

**WLBE-790**, Drawer 799, Leesburg, FL 32749-0799 will conduct a DX Test on 3/18/90, 0330-0400 EST. This test will be WLBE's normal monthly maintenance and will consist of tones, voice and Morse Code IDs. Reports to Mr. R. Dean Sever, Chief Engineer. Arranged by CCM for NRC.

**WQBQ-1410**, 10401 - 328 Highway 441, Leesburg, FL 34788 will conduct a DX TEST on 3/18/90, 0400-0430 EST. WQBQ will broadcast a special format for the morning and will include English and Spanish voice IDs as well as Morse Code IDs. Correct reports will be verified with a special letter. Reports may be mailed or they may be FAXed to (904) 787-4446. Thanks to Mr. Donald Connelly, GM, WQBQ, for this test. Arranged by the CO CPC Machine for NRC.

PAT MARTIN P.O. BOX 843 SEASIDE, OR 97138

# DX Worldwide - West

Time: UTC phone (503) 861-3185

DEADLINE: TUESDAYS

## PAN-AMERICAN DX ROUNDUP

- 550 MEXICO, UNID 2/6 1315 Poor u/KUZZ/KOY w/ad for Lucky Strike cigarettes (or should I say "Lugui-Estrai" hi) and other products. One mention of Los Mochis. Possible "Radio Tama or Radio Fama" slogan. Caught female ancr on tape saying what really sounds like "XEZBHS". Not sure what it is. (TRH-CA)
- 640 MEXICO, UNID 2/6 1218 2/9 1255. Vy weak u/unnullable KFI. Some local ads, but unable to copy any of it. Possible "Radio Fresnillo" slogan suggests XEYQ, but if this is them they've changed format from the boisterous morning show they used to have on 890. (TRH-CA)
- 660 MEXICO, UNID MM 2/5 at 1200 XE anthem too weak to copy s/on anmt u/KTNN. +2/8 1230, lots of little kids talking...maybe this is XERIN "Radio Infantil"? (TRH-CA)
- 680 MEXICO, UNID 2/8 1315 Lively Nortena mx, couldn't copy anything else under KNBR (TRH-CA)
- 770 MEXICO, Fresnillo-XEIH 2/6 1202 Fair to good u/KKOB with s/on. ID by man at 1208 "Desde Fresnillo, Zacatecas, XEIH, La Nueva Dimension en Radio." Ex 930 KHZ. Power unknown as yet. New XE #170. (TRH-CA)
- 780 MEXICO, UNID 2/5 through 2/8 s/on around 1203 w/XE anthem noted each morning u/KAZM s/on and KROW. Grab bag format, male ancr w/GMT-6 TCS and will have to try on this on a weekend...perhaps KAZM will be on later and I can get the ID. Whatever it is, it will be new for me when I ID it. (TRH-CA)
- 920 MEXICO, Culiacan-XECQ MM 2/5 1310 strong w/PSA about litter, ad for lottery, and "La Ranchera de Culiacan" slogans and jingles. This station is a real SRS pest nowadays. (TRH-CA)
- MEXICO, UNID 2/7 1302, badly distorted signal, s/on w/XE anthem, obliterated at 1304 by XECQ's s/on. Strongly suspect needed XEBH, as other nearby XE's all s/on at 1200 or 1400. (TRH-CA)
- 1000 MEXICO, XEFV? 2/9 0438 vy good signal w/KOMO/KVSD. "La Rancherita del Aire" slogan and Juez mentions suggest XEFV, listed as 0200 s/off through. (TRH-CA)
- MEXICO, Los Mochis-XEMIL 2/9 0502 noted in passing w/ID, mention of 1000 watts. (TRH-CA)
- 1080 MEXICO, UNID MM 2/5 2/6 s/on around 1303 w/XE anthem, then into long repetitive Ranchera mx typical of Sinaloa. Possible mention of Los Mochis in one ad. May be a new station or just a new earlier s/on foe XEDY. (TRH-CA)
- 1200 UNID, 2/7 0510 noted weak SS u/WOAI. YVOZ used to be regular during WOAI SP, but these days I'm on the lookout for new XE stations to invade every good channel. (TRH-CA)

## TRANS-PACIFIC DX ROUNDUP

- 670 HAWAII, Hilo-KPUA, various times 0900-1200 2/13 u/KBOI w/"67 KPUA" IDs, Top 40ish mx. Nice to hear in Ca, tho KPUA was an awful pest during the stay on the Big Island in Oct 89. (SM-CA) (Try coming up here, KPUA is still a pest here, about nightly.PM)
- 760 HAWAII, Honolulu-KGU-Nx talk syndicated call-in pgms u/KFMB, hrd several times 0900-1200 2/13. (SM-CA)
- 828 JAPAN, Osaka-JOBB, past 1100 w/EE lessons 2/13. (SM-CA)
- 830 HAWAII, Honolulu-KIKI hrd all morning 2/13 0830-1200 w/oldies mixing w/WCCO "Oldies 83-KIKI" Later hrd u?KNCO at 1330. Nice to hear Hawaii is still easy on the coast. (SM-CA) (That it is.PM)
- 846 KIRIBATI, Tarawa-1030 on 2/13 w/man in Island talk, choral mx, not hrd in quite a while, since last coast dxpedition. (SM-CA)
- 1287 UNID, Asian (Japan?) JJ sounding talk 1030 2/13, JOHR prob. (SM-CA)
- 1629 AUSTRALIA, 2RPH/3RPH 1030, just a carrier w/SAH, then audio later on 1200, woman ancr, so the two stations on still there 2/13 (SM-CA)
- 1640++ CHINA, CPBS QTH? -apparent test piano mx w/woman in CC 2/13, 1420 fair signal in clear, lite QRM from beacons, //5880. Abruptly off at 1429. Power must be 50KW. (SM-CA) (Will check it out PM)

DXing at Goats Rock Beach, Sonoma Coast State Beach, near Jenner,  
Ca. R-1000, FRT-7700 tuner w/preamp-500' wire runing South.

HEADQUARTERS  
(continued from Page 1)

-----  
If you notice ANY errors, please let Don Erickson, IRCA HQ, know right away. (714) 687-5910. All CPC info for DX Calendar, all changes of address, and all membership renewals should be addressed to IRCA, Donald Erickson, 6059 Essex Street, Riverside, CA 92504-1599. The deadline for last minute phone calls is Monday night. Info as late as 10AM Eastern time on Tuesday morning can usually be included.  
-----

Bulletin Schedule

Future bulletins will be dated March 10, 17, 24, 31; and Apr. 7 to complete the weekly issues, then Apr. 21, May 5, May 26, June 16, July 14 and Aug. 11, 1990. Anniversary Issue will be Saturday, March 17, 1990, celebrating 26 years since IRCA's formation as National Radio Club, Inc., shortly thereafter changed to IRCA. The first issue of our bulletin was dated March 17, 1964. -DEE

In This Issue

All sections are in this issue. This bulletin is being prepared at the regular Monday night time and should go out on schedule. Those mailing material for DXM are reminded that we continue to use Saturday as the deadline for ALL columns and plan to continue through the season. Columns received later will be used only if bulletin hasn't already been formatted.  
-Don Erickson, IRCA Editor-in-Chief

Omaha-Council Bluffs Area DX Get-together

On Sat., March 3, 1990, from 2 PM-???? CST, Rick Dau will host a DX Get-together for all interested DXers. Pop, beer, snacks and assorted refreshments will be provided. Bring your radios, QSLs, logbooks, tapes, etc. If you can attend, please let Rick know as soon as possible so he can plan refreshments. For info, call Rick at (712) 483-2230, 9:30 PM - 11 PM Tues. thru Sat. and all day Sun. or Mon. Directions to Rick's home appeared 2/17/90 and a map was published last issue. An additional phone call from Rick advises he will present a special prize to the person attending from the greatest distance.  
-info phoned to IRCA HQ by Rick Dau

Bulletin Formatting

Lots of letters received from members who do not like the way the bulletin is put together, particularly the continuation of a section on several pages. Given the fact that bulletins are produced in increments of 4 pages (1 sheet, both sides), and the number of pages of material held over has been less than 2 almost always (and often less than a full page), the choice is to get as much into the 12- or 16-page bulletin as possible, or to take the remaining 2/3 to 1 1/2 pages of material and combine it with hundreds of lines of HQ filler material, pay an extra \$21 printing, and run another sheet. Even if this had been done on a couple of occasions, the following bulletin would have lacked enough to fill even 12 pages. It can be easily understood that those who have never had to make these critical editing and financial decisions would dislike the hopscotching of a section through the bulletin and would complain but your editor is dismayed that several who would seem to be in a position to understand are so critical. It has been suggested that the sections be run in order with one section starting at the bottom of the last one even if that means a masthead at the very bottom of a page then the section starting the next page. If the membership really wants that, I've no qualms, but I doubt it would improve appearance. The club is in the progress of deciding whether to reintroduce newspaper clippings as a means of filling up space. Since the club's major unpaid debt is to Phil Bytheway, it will be left up to Phil to make the judgment on what best serves the interest of the club. Your opinions can be directed to him at 9705 Mary NW, Seattle, WA 98117. -DEE

# DX WORLDWIDE EAST

EDITOR: Jim Hall, 240 Byron Rd., Pittsburgh, PA 15237 USA

P A N - A M E R I C A N D X

- 530 COSTA RICA, Cartago TICAL 0204 2/7 : Fr/pr w/vocals & instrumentals, slight QRM from beacon "OJ"-527 Olathe, KS... surely Rumbo isn't running full listed 18kw... or maybe they're DA? (Stewart-MO)
- 535 t GRENADA, St. George's 0248 2/7 : Snatches of mx hrd through bad 5-kc het and viscious sloop from XEWA-540 & local KWTO-560 (yes, 30-kHz out). Looped SE, so should've been them. Had I got an ID, this would have been a new country for me (sigh). (Stewart-MO)
- 595 t DOMINICA, Roseau 0228 2/8 : Caught only last 30-sec. of anthem, then carrier off abruptly 0229... strong, dominating domestics on either side. Again, no positive ID, and again would have been a new country. Oh well, try, try again... (Stewart-MO)
- 790 CUBA, Pinar del Rio CMAQ 0228 2/1 : Fr/gd but kinda fluttery w/usual Reloj format etc. etc. (Stewart-MO)
- 830 CUBA, La Habana? R. Taino 0307 2/7 : EE nx way o/WCCO--not hrd on their other freq.'s (1040/1100/1160). (Stewart-MO)
- 890-1? UNID, 0217 2/13 : Rather loud, steady 1-kc het on WLS looping NE/SW. No audio hrd u/WLS, which was like a local. (Stewart-MO) (Looping SE may be the Galeon HJ; but if more ESE the time perfectly agrees with Algeria, Randy. ed)
- 970 MEXICO, Cd. Juarez XEJ 0017 2/13 : Fr w/usual brassy, mariachi-style IS, "Aqui La Jota (J), R. Mexicana" shouted ID, mixing badly w/UNID domestic gospel stn. No sign of WAVB. (Stewart-MO)
- 1020 CUBA, Bahia Honda CMAP 0237 2/1 : FINALLY got a "R. Guama" ID out of this puppy, fr atop freq. w/Cuban pop vocalists, etc. (Stewart-MO)
- 1100 ANTIGUA, St. John's ZDK 0135 2/7 : No ID hrd, but assumed to be the one w/long cluster of ads for car-care products, supermarket, etc. in Caribbean-accented EE. Good, steady signal in WVE null, tho w/low growl under, Faded 0138, never this good again. Not hrd in a long time (QSLed back in 1972!). (Stewart-MO)
- 1110 MEXICO, Mexico City XERED 0130 2/14 : Fr/v. gd o/u WBT/KFAB w/ "Equis-Eh-Red" ID and "Radio Red" jingle. (Stewart-MO)
- 1140 MEXICO, Monterrey, N.L. XEMR 0401 2/14 : Full ID after waiting thru a half-hour w/no call letters, ID jingles, slogans, etc. Calling itself "La Siempre Nueva, M-R", mentioned being on air since 1941. Often to xnt level. (Stewart)
- 1170 COLOMBIA, Cartagena HJNW 0236 2/8 : Fr to v. gd o/KV00 w/several "CARACOL Cartagena" ID's & promos; faded somewhat by 0240. New for me. (Stewart-MO)
- 1210 CUBA??, 0120 2/7 : SS stn, never better than fr, //much weaker 1200 w/what sd/lk a history of rock'n roll (everything from Linda Ronstadt to Buddy Holly, complete w/dates & other trivia); then brief nx 0127. Began to fade 0129. Low het around 200-300 Hz noted--also 5-kc het from 1205 somewhat bothersome at times. Never could pull an ID out of it. (Stewart-MO)
- MEXICO??, 0203-past 0300 2/13 : HELP!! SS stn looping almost S (a bit more SSW) w/ranchero mx, mostly fr/pr o/u WCAU, w/WOAI sloop impossible to beat... from 0230 ran religious show... no chance for ID 0300 as WOAI sloop during their own prerecorded ID was horrendous. Mx came through well, but ancr's voice was tinny & did not cut thru QRM well. Also another SS looping SE w/200-300 Hz het, asusme a Cuban... it was running SS adult contemp mx & sounded automated. (Stewart-MO)
- 1540 BAHAMAS, Nassau Z N S I 0435 2/13 : Quite strong & readable in KXEL null. Makes it up the US EC pretty nicely through Va. Beach/Norfolk/Hampton & inland. "R. Bahamas, AM 15-40 & 107.1 FM", lite US EE vocals. (Hall-Virginia)
- 1580 ANTIGUA, St. John's WOA Rleyay 0100 2/12 : VOA nx, told of Panama Canal/issues in the nx. Said listeners tuned to 1530 or 1580 may continue listening. "Voice of America" ID, 0200 into more nx from Washington, pr/fr on fadeups. Tlk by man. First time hrd & was unable to find in NRC #8 Log. (Heisey-PA) (Welcome back, Gary, and congratulations on a stn that's becoming more difficult to hear on this congested channel. This would not be in the NRC's Domestic Logs - I suggest a WRTH for foreign information. Note the mention of 1530 kHz too, where I believe a Belizian xmt was to be constructed. ed)
- 1685 COLOMBIA, Mercaderes MER 0115 2/12 : Strong - morse code. Listed 1kw. (Zuk-NY)

# WESTERN DX ROUNDUP

Nancy Hardy  
2301 Pacific Ave.  
Aberdeen, WA 98520

WDXR deadlines are Mondays. Use Eastern time.

REPORTERS FOR THIS ISSUE:

- (TRH) Tim Hall-350 G St. #F-1-Chula Vista, CA 92010  
ICF-2010, Radio West loop
  - (PM) Patrick Martin-P.O. Box 843-Seaside, OR 97138  
SP-600, 1500' Beverage
  - (RW) Robert Wien-1309 Dentwood Dr.-San Jose, CA 95118  
GE Superadio, GE long-range portable, SM-2
- \*\*\*\*\*
- 680 (KNBR) CA, San Francisco 2/12 0410-? with OC. Only 2nd time heard off  
in 14 years! (other time was for WCAW-680 DX test in 1978).  
Nothing heard under OC, though. (RW-CA)
  - 780 KROW NV, Reno 2/12 0346 noted overmodulating badly onto 770 & 790.  
Signal was actually better on 770 than 780, poss. ET? (RW-CA)
  - 930 KRTH CA, Los Angeles 2/12 0400 usual good signal with ID "This is  
K-Earth 101, KRTH-FM & AM, Los Angeles." Still hasn't changed  
to KKJH yet. (RW-CA)
  - 1030 KDUN OR, Reedsport 2/4 2027-2045 poor-fair through KJJD with NOS  
music, CNN news, local sports by man & weather by woman sponsor-  
ed by a hardware/building supply store in downtown Reedsport.  
Slogan-ID "This is the voice of Dune Country, KDUN Reedsport."  
(TRH-CA)
  - 1400 ?KEYX? CA, Visalia 2/12 0948 tent. with "Key" ID heard in mess, into  
Johnny Mathis song. Not // to KEYQ-980 Fresno at this time.  
(RW-CA)
  - 1550 ?KMJK? WA, Vancouver 2/12 1027 tent. with "Yellow Submarine," ID as  
"15-50, KMJ?" into Eddie Money song. Weak under KKHI looping  
N-S. Is this their format? Ex-KVAN. (RW-CA)
  - 1560 KCJJ IA, Iowa City 2/13 0420 woman ann. "KCJJ," lost behind unID  
talk show. (PM-OR)
  - WQXR NY, New York 2/13 fair with class. music. Man anncr at 0359,  
TC "WQXR." (PM-OR)
  - 1590 KLLL TX, Lubbock 2/12 0200 with "K-triple-L" ID, lost in mess. (PM)
  - 1600 WXIV AL, Montgomery 2/13 o/u KATZ with gospel program, man anncr.,  
"WXIV, Montgomery" at 0459. (PM-OR)
  - KATZ MO, St. Louis 2/13 urban cont. music with ID 0500 "16, KATZ,  
St. Louis." (PM-OR)

A pretty slim column this week. Is the DX season beginning to wind down  
already??? ♡

Official IRCA Almanac Progress Report

From Bill Hardy, Almanac Project Coordinator - Feb. 19, 1990

Over the weekend, I spoke with Phil Bytheway to determine the status of  
the Almanac as it nears completion.

95% of the Almanac typing is complete. The only major exception is the  
U.S. Broadcasting Updater. It is on computer but needs to be formatted to  
two columns per page and then pasted up accordingly. This should take place  
very soon. One other section which is being re-typed is Rich Toebe's  
slogans list. He will have it completely revised about the time you read  
this, enabling us to have an extremely up-to-date slogan list, and since  
his work overlaps with Phil's and mine, it won't delay publication at all.

In order to allow Phil to concentrate on the Broadcasting Updater, Nancy  
and I are taking over responsibility for paste-up of the rest of the  
Almanac. This should allow the majority of the pages to be printed in  
March, and everything else should be printed in April. DX Monitor will no  
longer be weekly at that time, so collating and mailing the Almanac should  
be complete in April or May. Those of you who have ordered an Almanac will  
be receiving it very soon. Thanks for your patience!

A special thanks to Tim Hall, who recently updated and revised about  
20 network lists, including most of the major ones. Sports Networks are on  
computer, which should make annual updates feasible. Watch for an updater  
service available through the Goodie Factory! --Bill Hardy.

# Central DX Roundup

Editor: John C. Johnson  
979 Neptune Boulevard  
Billings, Montana 59105-2129

## FOR THE RECORD

Report in Eastern time.

Keep items fresh. ➡ Deadline: Saturdays.

## RIDING GAIN

[TMJ-IL] = Tom Jasinski, 419 North Raven, Shorewood, IL 60435  
FRG-7, 2 1/2 foot loop.

[RS-MO] = Randy Stewart, 4225 West La Casa, Springfield, MO 65802-5615  
Realistic TRF 12-656, 4' unamped spiral loop.

## DX TESTS

1480 WRSW IN Warsaw, 2/4 fair to poor u/WFXW. 0535-0555 Noted with march music. [TMJ-IL]

## DOWN THE DIAL

590 KLBJ TX Austin, 2/12 good, mix w/WOW. 0837 w/news, business features and ID "News, talk 5-90, KLBJ." New for me. [RS-MO]

740 CBL ON Toronto, 2/13 very good w/KRMG. 1954 w/CBC's "As It Happens" and CBC News on the hour. 2004 w/Metro Toronto forecast with decidedly British-sounding announcer. 2005 ID "This is Radio 7-40, CBC Toronto." No sign of KTRH, not CBL not often this strong here. [RS-MO]

890 KVOZ TX Laredo, 2/10 very good. 1916 w/Mexican pop music, bi-lingual male jock, spot in English for Laredo appearance by Latin singer Antonio Carlos -- sponsored by KVOZ. Virtually alone on 890 'till 1930 (must have switched to night pattern). This is a new one for me. [RS-MO]

1050 KMBA NM Los Ranchos de Albuquerque, 2/1 fair to poor o/u/XEG. 2203 w/Business Radio Net programming. Listened quite awhile before hearing a local spot! "...advertise on KMBA, Business Radio 10-50." What's the power on this? [RS-MO] (JCJ\I have KMBA listed at 1kW day and 500w night. John.)

1530 KGBT TX Harlingen, 2/6 very good. 1948 w/Mexican music, SS male with "Kah-hay-Bay-Tay Radio Panamerica, La Numero Uno" slogan. 1956 with spot in SS for "Incarnate Word, The College" at Broadway and Hildebrandt. New for me. [RS-MO]

1540 KSGB TX University Park, 2/13 fair to good mixing w/KGBC. No sign of KXEL. 2100 to past 2200. Taped ID "KSGB Dallas, Fort Worth. All preaching, all teaching, all gospel, all the time. Licensed by the FCC to operate at 50,000 watts." Soulful Black-Gospel format. Listed as 1kW night? [RS-MO] (JCJ\See past Broadcasting Information sections. This is EX-KSVZ. John.)

1580 KFDF AR Van Buren, 2/12 good. 2042 w/end of evangelist program with "This is your gospel music radio station, 15-80 AM KFDF, Van Buren, Fort Smith." [RS-MO]

KOKB OK Blackwell, 2/6 fair, atop. 1958 w/TalkNet, local spot for a local Ford dealer. 2000 ID "This is news, talk for northern Oklahoma and southern Kansas, KOKB Blackwell." I assume they were still on 1kW day power. [RS-MO]

1590 KVGB KS Great Bend, 2/12 very good, well atop 1590. 2046 w/spot for Case Power and Equipment in Hutchinson. C&W music, KVGB Weather forecast. [RS-MO]

KYOK TX Houston, 2/6 good. 1935 w/"15-90 KYOK Action Traffic" with a Valerie Hart then a Supremes song. New for me. [RS-MO]

1600 WAOS GA Austel, TENTATIVE, 2/7 poor w/WXVI. 0559 w/sign on, ID in English and then into news in Spanish. 0605 w/Latian music. [TMJ-IL]

## FREQ CHECKS

1480 WSHP PA Shippensburg, TENTATIVE, 1/29 weak. 0521 with TT. Station has scheduled F/C at this time. [TMJ-IL]

1490 WZKT VA Waynesboro, 1/24 weak. 0002 with TT. Received verie in 10 days. [TMJ-IL]

1520 WHIC KY Hardingsburg, 1/7. 0602 w/TT. Noted here this was reported earlier as TENTATIVE...verie received in 14 days, so this was WHIC. [TMJ-IL]

1600 WHOL PA Allentown, TENTATIVE, 1/29 weak. 0547 w/TT. Station has scheduled F/C at this time. [TMJ-IL]

## UNIDS

720 unID 2/13 poor u/very strong WGN. Talk programming. Lost at 2015 which might have been a pattern change. Looping west. I think this might be KDWN, but no ID heard.

CDXR Continues...

**ENDING THE UNIDS**

Tim Hall offers some help on unID's in the 2/10 CDXR:  
[FM-IL]'s 750 unID w/IRN programming is most likely KOAL.  
[FM-IL]'s 1390 unID w/"Radio Mexicana" slogan is most likely KJME. They use this slogan and KJME has been heard before in Illinois.  
[SA-MB]'s 1450 unID w/"Q-106" might be KQDI as their FM is on 106.1.  
[FM-IL]'s 1600 unID w/"Radio Centro" might be one of these "Radio Centro" affiliates: KSSA, KXEW, or WAOS. Try again.  
Thanks, Tim! And [RS-MO]'s unID on 720 listed above is most likely KDWN. They can be heard here in Billings w/WGN at times. Try for an ID. John.

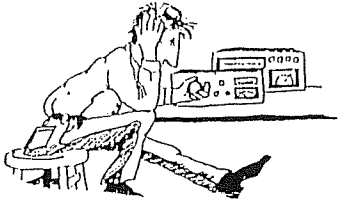

**25 YEARS AGO**

3/2/1965 issue of DX Monitor...Membership reached 335...KSL-1160 had a MM sign off of 0210...Bill Hardy Jr. mentioned KNBR changed format from "High and Mighty NBC" to rock...Bill Nittler's MM DX was ruined because of the high static level during a snow storm.

**OPEN MIKE**

Sorrow is brief, but joy is endless. Thanks to Randy and Tom we have a CDXR this week. Some of you have received the letter from Rob Harrington stating "I see no use for your comumn (sic)" and "Your comumn (sic) should be discontinued ASAP." I am sure Rob is alone in his thoughts that CDXR is a useless comumn (what ever that is). Please let Rob know your thoughts on why CDXR is important. Send to Rob Harrington, PO Box 22202, Denver, CO 80222-0202. Jesus loves you Rob. 73, John.

# Eastern DX Roundup

**Ray Bauernhuber**

COMMENTS

=====

Thanks to all of this issue' reporters. The DX is there so please contribute to your club. Even one or two loggings help. I know there's a lot of listeners out their reading DX MONITOR so please drop me a line and I'll toss it in for all to read. Don't sit back and let just a few regular contributors do all the work...don't be shy...we DO CARE what you hear so please let us know. Till next time, CONTINUED GOOD DX MY FRIENDS...73 de Mr. B

Further Bulletin Improvements

As promised recently, club HQ is working on improving the appearance of the bulletin, particularly the readability of the front page. As early as next issue, a new typestyle will be tested. If there are no problems, we'll continue to improve the legibility at the same time more material can be placed on the front page. -DEE

1990 World Radio TV Handbook The 1990 WRTH is out and available for shipment. IRCA members (ONLY) whose membership is paid at least through Vol. 27 No. 30 may order at a special price of \$12 postpaid Book Rate. Please add \$2 for Priority Mail. Check or money order payable to Century Print Shop. CA residents: 6.25% sales tax. Mail to Don Erickson, CPS, 6059 Essex Street, Riverside, CA 92504.

1990 DEADLINES - WEEKLY ON TUESDAY 11 DAYS PRIOR TO PUBLICATION DATE  
26TH ANNIVERSARY ISSUE DEADLINE - 20 MARCH

## ROLAN KUNKEL, 189 DEL MONTE LN, MORGAN HILL, CA 95037

This is my first trip to WDXF. Since contributing to the west column I've heard from Gary Parton, Shawn Axelrod and Robert Wien, who after I wrote back almost fell down when I mentioned that I worked in the "blue cube" the Air Force satellite control facility in Sunnyvale, as he does also! We have since met and will get together again. (Small world.) There are a couple thousand working there in 3 shifts 7 days a week. Also, Gary and I plan to get together so I can show him the condo "Stealth" antennas. Just a bit of history about myself. I've been listening since 1954 and have heard 12,000 stations and a bunch of countries, all states and US territories. I cheated, of course, by going to most of the places and I was a student of Seychelles Islands where ZCQ3 just pounded in on 1368 kHz, hi. One quirk I have is that seldom do I seek veries or even tape veries. I'll record upon request however. One thing I read was the discussion on including the tropical loggings. There are many clubs which address tropicals rather extensively and to compete with them would be difficult. AM coverage is best served by clubs like IRCA. That's where the experience lies. Enough for now. I hope to meet and write to fellow members. 73. (Welcome to IRCA and WDXF. Please, though, double space your reports - my eyes are doing wheelies, hi-RTH.)

## RANDY STEWART, 4225 W. LA CASA, SPRINGFIELD, MO 65802-5615

I hope you all enjoyed my (very) informal radio survey a few issues back. As for antennas in looking through the loggings columns it seems that directional loops are the favorite by a narrow margin, with large air-core types (box/spiral/wedge/altazimuth/Sanserino, etc.) running even with the various ferrite loops (homebrew/R. West/Palomar/Selec-a-Tenna/Hagen etc.) Right behind loops are non-Beverage wires; there are also quite a few Beverage installations (would that we all had that much room!). And a lot of folks use portables, home stereos, car rx, etc. with no external antenna. Maybe I should ask HQ about creating a formal rx/ant survey in DXM, for IRCans to fill out and mail back. What do you think? (Considering the results of a previous survey - 10% of members responding, but I like the idea-RTH.) A few other tidbits of interest: I can appreciate RTH's desire for a good tube rx - I've always dreamed of having a '180 or SP-600. . .but I have 2 problems with them: 1) availability of tubes/parts; and 2) I fear used radios are like used cars - too often aren't you just buying someone else's problems? Pat Martin's 10 February forum about band conditions in the late '20s was certainly food for thought. (I think you mean Gene Martin, Randy-RTH.) 22 Los Angeles stations? These days I'm thrilled to hear KNX! Speaking of 50 kw'ers, a few weeks ago WGN 720's evening talk show featured the two owners of Jazz Record Mart in Chicago, who discussed and played rare records from the late '40s bebop era (Parker, Gillespie, Monk, etc). . . a superb example of what commercial AM radio can do in terms of interesting programming. The most recent issue of the trade journal Radio World has a front-page feature about RF-emitting lightbulbs (Flourescents/sodium/mercury vapor etc) and the harmful RFI they cause to MW. States that utilities nationwide are encouraging their customers to use this "energy-efficient" lighting. . . they also say the available literature on the subject tends to downplay or ignore the RFI problem. And (this should come as no surprise) the FCC studied the problem for four years without making a decision, citing a lack of concrete "information" or "evidence" that RFI is a significant problem. . . UNBELIEVABLE! Broadcasters and DX'ers, who could certainly tell 'em a thing or two or three about RFI need to launch a serious campaign to encourage the FCC to review their RFI standards. . . or perhaps amplitude modulation should be abandoned altogether (I think "noise-free Radio" is one of the best ideas I've heard in a long time.) By the way, I'm not the only person around here who's bullish on AM radio. My boss, KSMU manager Dr. Arlen Diamond, was one of the folks who testified at that FCC hearing on AM radio back in November. More later. 73 from the Ozarks.

(The following opinions are those of the author and do not reflect those of this editor, the BoD, Club President, Publishing Committee and general membership-RTH.)

## ROB HARRINGTON, P.O. BOX 22202, DENVER, CO 80222-0202

Chris and I both feel that IRCA is a club that no longer cares what the members have to say. That it is no longer a democratic club. No longer a club for the members, not by the members. Proposal 14.1.30 Vol. 27 No. 17 is an attempt to change what Chris and I fought to put into effect. We are very pleased to see that Pat Martin and Richard Evans and our president Karl Zuk had the common sense (sic) to vote no on the proposal. The DX that we hear from western Colorado is not eastern nor is it central. Most of the DX we hear is western in general. Why should we be forced to report our loggings to the central or eastern columns. Chris and I probably not renew our membership because our voices are no longer permitted to give out our opinions to the membership. Editing out what we feel are important issues or comments reminds us of what the people of eastern Europe have fought

for. Now we have a few dictators in IRCA that feel that they will print what they feel is fit to print and to cut off the rest of the membership with their way of editing IRCA. 73.

RIC HEALD, 8539 BELLAMY WAY, SACRAMENTO, CA 95828  
(916) 386-8677 1700 - 2100 PLT

Greetings! Just one comment, then I'll move on. I learned in debate in high school and college that when debating, go ahead and blast with opposing views, but, have your facts correct. Karl did not vote on John Johnson's proposal as the president can only vote to break a tie. John or anyone else in the club is more than free to submit proposals to the BoD, even if the proposal is counter to a By-Law already in effect. That's democratic! Onward. . .Randy, the FCC has been so deregulated and its staff decimated since '81, they don't have staff and time (they say) to really go into non-essential matters. I'm afraid you're correct - utility companies have indeed encouraged the use of noise making lighting because it has been proven to be more efficient, just like back in the '40s and '50s the tire and fuel companies encouraged transit companies to give up street cars and trains (which were non-polluting) for buses. As for a four-year study, whad'ya want to bet the study gathered dust in some back office file room. I also find it interesting that broadcast stations get away with violations that used to be written up and fined, but go on the air with a 50-watt pirate rig (and a clean one at that), and the FCC's at your door. Make sense to you? RW, because you're geographically the closest member to KGO's transmitter site, have they replaced their 3 towers destroyed/damaged in 17 October quake? They still sound weak compared to KCBS and KNBR, but then I've got so much noise at work and such a poor radio, it's hard to tell if they're back to 50 kw. And that comment reflects back to Randy's regarding noise makers on AM, hi. I can hardly wait until we go on-line with the rest of county (computers) this summer. Keep the 20 March deadline in mind for the Anniversary issue. For our newer members and those that have been in the background for awhile, this is re-intro time, time to tell the rest of the members a little about yourself and your interest in the hobby. Doesn't have to be long, just a few lines will do, but please take the time to report. Doesn't have to be typewritten, but please double-space. It takes twice a long to retype a single spaced forum. Hope to hear from all of you. In the meantime, happy hunting on the bands and 73 de Rth. .

---

## EASTERN DX FORUM

Richard C. Evans  
5104 N. Lovers Lane  
Milwaukee, WI 53225

---

Reports from members living east of the Mississippi River

Deadlines: Saturdays thru 3/24, then 4/7, 4/21, 5/12, 6/2, 6/30, 7/28..  
Anniversary issue: 3/3 (note change)

Rick Evans, Apt. 19, 5104 N. Lovers Lane, Milwaukee, Wisconsin 53225

No reports this week. We're starting to have mail problems here at the apartment building now, so I'd like to hear from you if you sent in a Forum report and it wasn't printed. It seems like we had a switch in mailpersons, as not all the mail is stuffed into the mailboxes for the individual apts., but rather the mail is being tossed on the floor and the 14 of us in the 8 apts. have to sort thru the pile. A complaint is being filed about it. I hope you didn't pay any attention to the anniversary issue deadline I put in the last EDXF (unless DEE changed it for me). Don moved it up from the issue it's been in the past few years, which was the next to the last weekly issue in March. You'll be reading this the weekend I type that column for the anniversary issue, so it'll be too late to get in on it, but for the new members, that issue is the one where members reintroduce themselves, brag about past catches, look to the future, etc. It's usually the biggest issue of the year...I was up early on Sunday 2/18 but the only thing heard was the 980 station in Two Rivers, Wisc., so they're apparently AN now. 73.

---

Free Offer to IRCA Members Only A large supply of inexpensive gummed labels are on hand in several sizes, generally 6-, 9-, and 18-line labels, roughly 3.5 inches wide. As time permits, any member who would like a small supply of return address labels or similar may send a SASE with either 25 or 45 cents postage and receive 1 or 2 oz. of labels with whatever you want on them. Please provide very clear copy. 5 lines of 33 characters is standard but we can produce almost anything. As an alternative, you may send a dollar bill (no checks) and receive the labels at their net cost plus postage. Mail directly to: Donald Erickson, 6059 Essex St., Riverside, CA 92504-1599.

# THE INTERNATIONAL RADIO CLUB OF AMERICA (IRCA)

The IRCA is a non-profit organization devoted to the hobby of hearing distant stations on the AM Broadcast Band (510 - 1630 kHz). **DX Monitor**, the official publication of the IRCA, is published 34 times a year, weekly from October to March, twice in September and April, and monthly from May to August. **DX Monitor** contains members' loggings, articles on radio stations, receiver reviews, technical articles, DX tips, and other material of interest to Broadcast Band DX hobbyists. IRCA is a member of ANARC, the Association of North American Radio Clubs.

## CLUB ADDRESSES AND OFFICERS

President: Karl Zuk, 154 Old Post Road North, Croton, NY 10520-1932 (proposals).

Overseas Airmail - \$35.00 (Central America, Caribbean, Colombia and Venezuela), \$38.00 (Europe, North Africa, Middle East), \$41.00 (rest of the world). One time charge for New Member Packet - \$2.00 (first year only). Trial Membership - \$9.50 (10 issues of **DX Monitor** and a New Member Packet, U.S. / Canada / Mexico only). Installment rate: two payments of 1/2 dues plus \$1.00 (\$13.50/payment for U.S. members). Make checks and money orders payable to IRCA and send all dues (and address changes) to: IRCA, 6059 Essex Street, Riverside, CA 92504. Persons living outside the U.S., please use International Money Order in U.S. funds. Sample copies of **DX Monitor** are \$1.00 (U.S. or Canadian) or two International Reply Coupons each and are available from: IRCA, 6059 Essex Street., Riverside, CA 92504.

## THE IRCA GOODIE FACTORY

Reprints of more than 450 articles from past issues of **DX Monitor** are available from the IRCA Goodie Factory. Also available are the very popular IRCA publications: **Principles of Broadcast DXing**, **IRCA Almanac**, **A DXers Technical Guide**, **IRCA Foreign DX Reference** and the **IRCA Foreign Log**. For a complete list of reprints and publications and their cost, send \$1.00 to: IRCA Goodie Factory, 11300 Magnolia, #43, Riverside, CA 92505.

Unless otherwise noted, permission is granted to publish, broadcast, or otherwise reproduce non-copyrighted material appearing in **DX Monitor** provided credit is given to the IRCA and the original contributor. Opinions expressed in **DX Monitor** are those of the original contributors and do not necessarily reflect those of the IRCA, its publishing staff, editors or officers.

- NOTES:
- 1) JOHN'S VERIE WAS A FOR A FOLLOW-UP REPORT FOR A 1984 RECEPTION. THE SIGNER WROTE ON THE VERIE, "IF IT'S ANY CONSOLATION, WE'VE BEEN TRYING SINCE 1984 TO CONFIRM OUR EXISTENCE."
  - 2) OLLE SENT A XEROX COPY OF THIS QSL CARD -- IT HAS WHAT APPEARS TO BE AN AUTHENTIC "VERIFIED RECEPTION STAMP" ON IT. UNBELIEVABLE!

My thanks to JOHN WILKINS for the KSVN and KALY signers and addresses. Now let's see if I can make a decent reception report for either of these stations, hi!  
 As you can see, I haven't yet convinced myself to part with \$50 for a new 15-pitch print-wheel, when the first one lasted only a few months. Maybe next month... 73, Tim
