 ++ 0230-0300 not heard. (BJ-TN)
 CKX MB, Brandon Mo 12/6 0300-0320 not heard on scheduled DX test. Noted only WDEL w/occ ment of WPGC; another talk stn; rock mx; and blues. Did hear brief tone sweep at 0301 but that was only unusual item noted. (MH-NC)
 ++ 0300-0330 not heard. (BJ-TN)
 1170 WDFB KY, Danville Su 0000-0030 NRC DX TEST not heard. Only WWVA w/canned religion, and unID in WWVA null. Noted man talking but couldn't even make out the language. (MH-NC)
 (this test started late and ran from 0030-0058. -ed)
 1210 WILY IL, Centralia Mo 11/21 0230-0300 NRC DX TEST nothing noted in partial WOGL null. If they were playing Beatles mx, they should have been heard. WOGL was airing sports talk instead of usual oldies. (MB-ON)
 1340 KXXY OK, Oklahoma City Su 12/5 0100-0115 not heard. Noted only the following: stns w/oldies format; REL program; and talk show. Instr version of "White Christmas" noted briefly. (MH-NC)
 1440 WAJR WV, Morgantown Mo 12/6 not heard. Too much splatter from local on 1450, lots of conflicting signals. (LH-AL)
 1500 WFIF CT, Milford Mo 11/22 0530 this test did NOT air. I am but 10 miles from the xmtr, and all I heard was WTOP... usually WFIF booms in here. (TF-CT)
 (thanks Tony. This is one of the most useful types of reports where DX tests are concerned. Removes the doubt. -ed)

*** WHO DAT? ***

550 WLUN? ??? Su 12/5 0310 during KSD DX test, WLWA occ noted. About 0310, a stn faded up w/what clearly sounded like "...right here on 550 AM, WLUN..." and as per Murphy, back into mud. Ideas? (MH-NC)
 670 ??? Tu 11/30 1753 very poor in WMAQ null w/lots of CFTR-680 slop. Man and woman in SS, alternating w/nx or commentary. Could be Cuba (I

would put a few pesos on it) however, cx were not particularly auroral. (MB-ON)
(sure sounds like them, Mike. Also, the Miami station is SS here.

1150 WJBO? LA, Baton Rouge? Su 12/5 0220-0230 Talknet, ads, "on news/talk 1150." Into more Bruce Williams & Talknet. Lots of QRM on freq. Also heard 12/6 0313-0321. (LH-AL)

CLARIFICATION:

1610 TIS VA, Chincoteague State Park... will the real park please stand up and identify itself??? Hi! Letter rcvd today (12/6) from Kiptopeke State Park IDed the PARK as "Eastern Shore National Wildlife Refuge," and the STATION is the "Cape Charles Traveler's Information Station." WARNING: "the station also carries a brief message promoting Kiptopeke State Park." Whew! (MH-NC)
(as long as they QSLed, right Mike? Took a look at the map... Chincoteague is at the Maryland border, Kiptopeke some distance south right at Cape Charles, and the tip of the Eastern Peninsula. Someone must have forwarded your letter, Mike. Can you send the address and calls, if applicable? -ed)

* HEADLINES FROM HQ *

Thanks to Mike B., Tony, Mike H., Gregory, Lynn, Elliot & William for supporting EDXR this week, and a big welcome to new IRCA member Brandon Jordan! Welcome to IRCA, Brandon, and to EDXR. Hope to hear a lot from you!

A YEAR AGO IN DXM: (#15) The call went out for nominations for the 1993 elections...Tim Hall heard the WRIX-SC DX Test from S. CA...Pat Martin sang praises for his new Drake R-8...Glen Kippel was moving from the San Joaquin Valley to the Palm Desert area.

THE "SPECTRUM" show on shortwave WWCR-5810 Saturday evenings at 10 PM Eastern has a segment "M Street Journal Weekly" which summarizes the station info found in the written version. Maybe a good way to find out about those changes early? (DecalcoMania)

Till next time, 73/gud DX de LLH. (28)

* DX RECORDS * One DXer's legacy...

EDITOR'S NOTE: Under "Best Catches" on the DX Records Form, we want your best "heard" catch, AND your best "verified" one, if different. It is not asking if your best "heard" catch is "verified" or not. More than one reporter has taken it to mean that.

Sorry if the form is misleading. I thought I had made the form better, but it looks like I may have made it worse. Next generation will be better for sure.

I hope everyone has a happy holiday season and a DX-filled 1994! The biggest news here has been the sale of the magazine I work for to a company in Maryland. Donna and I are not relocating, but I've lined up enough freelance writing to keep me busy for a few months. I'm hoping that a more flexible schedule in the coming weeks will lead to a little DX activity. Most of the new stations heard so far this year have been on DX tests. KRZN-760, WELC-1150 and KBOE-740 were all heard and needed here. Several others were missed because I was out of town. On the foreign side, the Turks and Caicos stations on both 535 and 1020 have been heard a number of times here in the evening. Travel notes: Enjoyed a program of old WKNR-1310 air checks from the late 1960s on WHND-560 while in Detroit recently. I remember visiting WHND with Rob Kramer, Frank Merrill, George Sherman and several others after the 1974 NRC Toledo convention. KATE was heard while in Rochester, Minnesota, two weeks before they were logged here. Also, heard a Czech program on KTEM-1400 in Temple, Texas while driving from Austin to Dallas in early November. 73. (Karl, thanks for the offer of the Madison, Ga. paper but I already have it.--rce)

Was in Fort Walton Beach, FL for a USAF Retired EOD (Bomb Disposal) Technicians' reunion. Listening plans fell by the wayside, but did hear a National Park Service 1610 TIS from the Santa Rosa Island area of Gulf Islands National Seashore. It was trashed by the Caribbean Beacon in the evening and reception not all that good during the day from where I was on Okaloosa Island. The TIS had reference to "AM 1230" for further info. That is commercial WTKX in Pensacola calling itself Florida Information Radio, affiliated with Travelnet USA. "Give us thirty minutes and we'll give you Northwest Florida" reminded me of Casino Radio in Las Vegas. I suppose more stations will adopt this format. Got off the plane about 1600 after a long day, but stayed up for the 12/6 DX Tests. Heard a weak WAJR-1440 despite considerable splash from local WXVW-1450. Also opening tones and a little music from CKX-1150.

Insane in my membrane... Well, the World Series, Halloween, the elections, Thanksgiving and Daylight Savings Time are over; time to hunker down and do another column. Actually, school assignments have kept me away for months but meanwhile the material has piled up. Still, keep sending me any scrap of info you come by, earning points along the way (see below). Needed: listings for basketball, hockey, football, even indoor soccer.

The ECHL began in 1988-89 with five teams, survivors of a failed merger between the Atlantic Coast and All-American Hockey Leagues. The ACHL in turn traced its roots back to the Eastern Hockey League of the 1980's, the North American Hockey League of the 1970's, and the older version of the EHL before that. The ECHL is the biggest minor league and is considered class AA. It's also the only pro league with two female goalies. NOTES: (a) Expansion team. (b) ECHL guide says Jim Mirabello broadcasts for both clubs! (c) Plays in Norfolk. (d) Was the Roanoke Valley RAMPAGE last season, based in Vinton VA. (e) Expansion team, based in North Charleston.

I gotta stop mouthing off, hi. Anyway, don't forget the CONTRIBUTION CONTEST—two points for every major league/college listing sent in, one point for the rest, postmarked before Jan. 1. FAX me at (808) 923-8506, 0500-1300 ELT. So far Steve Sprague has 8 pts, and everyone else has 2. I hope you all enjoy the Happiest of Holidays, and may you get that new receiver, accessory or DX catch. And though Van Earl Wright has moved from CNN to Detroit, I'll say it again: Til then, I'M VAN DALE Park, IRCA sPORTSSS!!!
