### Publisher's Note

We have an all-DX Roundup only issue this week because of the huge quantity of loggings reported. Regular columns will return next issue, in two weeks. We're weekly after that.

### DX Test

PLEASE NOTE: Even if you don't hear a test, be sure and drop a card, letter, or e-mail to the station personnel, thanking them for going to the trouble to run a test!

Saturday, September 29, 2001- WJNT-1180, Jackson, MS will conduct a DX test from 12:00 am to 1:00 am CDT. The test will consist of regular programming (talk programming - Rhona at Night (Talk America)) and Morse code IDs. WJNT will be operating with 50 kW non-directional. ### Presidential MEMO

The following proposals were presented to the BOD for consideration:

19.2.11 In an effort to get young members into the club, I propose that the club have a reduced rate for Students of \$7.50 for SDXM and \$18.50 for the DXM Newsletter. A student would be someone who is up to a senior in high school or under 22 and in college full time to be eligible for membership. Submitted by Paul LaFreniere

N	N	N	N	N	N	N

19.2.12 I would like to have the club start a fund consisting of contributions from members to pay for student membership who have been selected by any members to bring young people into the DX hobby so long as the fund has money. A student would be someone who is up to a senior in high school or under 22 and in college full time to be eligible for membership through the fund. Submitted by Paul LaFreniere

N	N	N	N	N	N	N

JJ-JOHN JOHNSON	NJ-NANCY JOHNSON	PM-PAT MARTIN	NHP-NICK HALL-PATCH
PT-PETE TAYLOR	RW-ROBERT WIEN	LH-LYNN HOLLERMAN	

It was felt by the BOD that \$10.00 a year was affordable by any DXer. It was also felt that a "fund" was going to be too time consuming to operate at this time. We will, of course, encourage all members to help others.

Funny, "Kay-BULL" for a talk station! On air slogan will be "News-Talk 9-70". This column was typed 9-6-01. 73, John
