DATE OF COLUMN: 04/20/09. Whew, a long column!! Mike Sanburn and I just got back from Albuquerque last weekend to scout out the convention hotel and banquet facilities, and to set up our station tours, and we accomplished all 3 items. Banquet will be held at the Golden Corral in west Albuquerque, with station tours set up for KQOB/KNML/KTBL/KRST, and possibly KALY-1240 also. Just found out the other day my company lost our job contract, hopefully I'll be offered a job with the new company coming in, but if not, I have strong job possibilities in Albuquerque, Colorado Springs and the Denver area also, will keep you abreast of all of this. 73.

I'm here at the Albuquerque convention hotel scouting out the town. We have secured a KQOB tour (along with all of their partner stations.) They're located in the Bank of America building downtown. Convention hotel has several places to eat nearby (Subway, Village Inn, Little Anitas, etc...); also made reservations for our Saturday banquet at Golden Corral. \$10 a head, and all-you-can-eat. Nice view of the mountains from here. Doing an Albuquerque bandscan today. Saw the KARS tower

yesterday in Belen. I hope that everyone will come to this years' event the third weekend in September. Good DX, 73
