### FROM THE EDITOR-IN-CHIEF

2012 is here...and that means it's time for a new year and the things that lie ahead. I got this announcement too late...but WKVQ 1540 Eatonton, GA tested in the wee hours of New Year's Eve. I'm sure there were a few who heard it. As far as hearing Georgia stations are concerned, I've mainly been concentrating on metro Atlanta, where I lived from 1988 to 1992. You still have plenty of time to get your nominations in for the TVA and RHA...as well as your entry in the Letterama contest. The TVA/RHA deadline is February 1, the Letterama deadline is May 31. If you haven't done so, check out our Facebook page. If you don't have a Facebook account, they're free at www.facebook.com

### NOMINATIONS FOR THE TED VASILOPOULOUS AND RIC HEALD AWARDS

Nominations Are Open for the TVA and RHA for 2011-2012

#### Ted Vasilopoulos Award (TVA)

Ted Vasilopoulos was a charter member of IRCA who died in 1965, and was known for his high DX standards and contributions to the club. This award in his honor is presented to the IRCA member

## WINTERFEST 2012

Your Editor-in-Chief is inviting all IRCA members in the Midwest to Winterfest 2012, sponsored by the St. Louis and Suburban Radio Club. The hamfest will take place on Saturday, January 28 at the

Gateway Convention Center in Collinsville, IL (you may use the IL 157 exit of I-55/70 or the Horseshoe Lake Road exit off I-255). Hamfests are generally great places to find good deals on new and used receivers, materials for an antenna project, or other radio-related needs. Information can be found at www.slsrc.org

### INDIVIDUAL MEMBER AND CONTRIBUTOR LISTINGS:

FROM: MANSFIELD NEWS JOURNAL DOT COM : Three radio stations to simulcast broadcasting Three popular radio stations will combine Monday to simulcast programming on AM and FM bands, Bill Clark of Clear Channel Radio said the FM stations 100.1 and 98.3 will simulcast the programming of WMAN-AM. The two FM stations also will change their call letters to WMAN-FM and WWMM-FM, respectively, "The motivation to make these changes is simple." Clark said. "Younger radio listeners, those under 35, rarely visit the AM band. Most were raised never having been aware that the AM band existed. This gives us the opportunity to expose younger listeners to the spoken word format." He said the switch also will help keep audiences who lose reception on the AM band at night. The move also will bring the news/talk format to the FM band -- including Rusty Cates, Rush Limbaugh, Sean Hannity and others

FROM : RADIO INFO DOT COM : Tower worker dies in Bonita Springs, Florida The death of 61year-old engineering contractor Nick Rouskey is being called an accident. He died at a level as high as 750 feet, says the Ft. Myers News-Press. Rouskey's grandson was also working at the tower, and it was he who called in the report of a problem just before 5pm Monday afternoon. The local paper says the extensive recovery effort required four special teams of two men each. It also involved moving a camera up to the high level. Authorities are now conducting an autopsy. Several radio and TV stations were off the air, as the electricity to the tower was cut off during the rescue-and-recovery effort. Among the stations using the tower is Meridian Broadcasting's talk-formatted "Fox News 92.5", WFSX-AM/FM (1240/92.5).

FROM : PITTSBURGH LIVE DOT COM KQV patriarch Robert W. Dickey Sr. was dedicated to news Robert W. Dickey Sr. was just shy of his 85th birthday when he passed away on Saturday. The president and general manager of KQV Radio stayed active well past retirement age; he had been in his office as recently as Dec. 9. The patriarch of KQV Radio, Pittsburgh's oldest all-news station, died after a short illness, Robert W. Dickey Sr. was 84. He would have turned 85 on Thursday. He passed away in his Schenley Farms home in Oakland. "The lion of Pittsburgh news radio sleeps tonight," said his son Patrick Dickey, 44, of Cranberry. Dickey left WINS, an all-news station in New York, in 1976 to join KQV, which had recently switched formats from rock 'n' roll to news under ownership of Taft Broadcasting. He formed Calvary Inc. in 1982 and bought the station with Tribune-Review publisher Dick Scaife. Dickey served as president and general manager of the station and was in the office as recently as Dec. 9, his son said. KQV aired a tribute to Dickey last night before the Christmas Mass broadcast from St. Paul Cathedral, where he was a longtime member. "Bob Dickey was a true, oldfashioned newsman and represented the best of that tradition." said Frank Craig, editor of the Tribune-Review. "He'll be terribly missed by the Pittsburgh journalism community." Dickey was born in West Bridgewater, Beaver County, to banker Raymond W. Dickey and Fanchon Alice Hill. The family moved to Youngstown, Ohio, after being trapped in the 1936 St. Patrick's Day flood. Dickey graduated from The Raven School in 1944 and attended the University of Pittsburgh, where he played football after a coach noticed him walking a dog near the practice field. Patrick Dickey said. Dickey entered the Navy after the 1944 season and was an aviation machinist until September 1945, when he returned to Pitt and earned a degree in sociology in 1949 using the GI Bill. In 1950, he married Patricia Smith, and the couple had 12 children. She died in 2008. He was a salesman for Dictaphone Corp. after graduation. He also was a part-time staff announcer for WJAS and did freelance commercial announcing on WDTV, the predecessor of KDKA-TV, for clients such as Gimbels, Duguesne Light and Braun's Town Talk Bread. KDKA Radio hired him full time in 1954 as an outside reporter on the Knight Rider Show with Bob Tracey. Over the next decade, Dickey held a number of positions with KDKA, including general sales manager, between stints at other companies. In 1966, he became vice president and general sales manager of radio advertising in New York with Group W. known as Westinghouse Broadcasting Co. In 1969, Dickey became general manager of Group W's all-news station. WINS, in New York.

# DX Test

1540 WKVQ GA, Eatonton scheduled DX test NOT HEARD. 12-31, 02:00-02:30 DX Test tried, not heard in KXEL null. KEDA and XEHOS heard in null. No splash from local KCMN 1530. Recall last year's test made it weakly with their code IDs. [RW-CO]

## unID

1610 unID 12-25 unID very weak, seemed to loop NE/SW. 19:30 broadcasting in Spanish, really too weak to ID. Might be a Mexican or Canadian like CHHA or CJWI. [RW-CO]

## 25 YEARS AGO

Date issue of IRCA's "DX Monitor" ... **Bruce Portzer** of Seattle, WA commented on local 820 being back on as KGNW which had been on 1150 ... **John Clemmer** of East Moline, IL mentioned his new license plates were "WLS AM 89" and he has received quite a few comments ... **Bill Townshend** talked about WZYQ 1370 Frederick, MD moving to 820.

## **OPEN MIKE**

**Pat O'Brien** has noted a few pirate stations starting to show on 1710 in the middle of the night including "Big Q Radio" and "Commander Bunny." 2012 is here. This should be an interesting year. This column was typed 12-31-11. 73, John

## Karl D. Forth, 5867 North Elston, Chicago, Illinois 60646

Most of the DX interest here has been in ultralight since 2008, and I am approaching 400 stations heard using a Sangean DT-200VX and a Tecsun PL-310, both unmodified. It's been fun, but the crowded condition of BCB has limited reception to the Midwest and parts of the South and Northeast. You just can't get east of the Hudson or west of the Rockies anymore, although I did hear KNBR-680 on the Tecsun. KNX-1070, first heard in October 1971, remains the number one ultralight target. The biggest change in AM may be on FM. Two local FM stations are now broadcasting news. WBBM-780 is on 105.9 and the 101.1 FM frequency, formerly alternative rock, is "FM News." We were in Boston in early October and I noticed there was more talk (including sports) on FM than AM, as mentioned in DXN Nov 21. Time-share enthusiasts will be interested in the extensive renovations of the former WEDC-1240 studio at 5475 N. Milwaukee . The current WSBC has been in studios a block or so away at 5625 N. Milwaukee for a number of years. (WSBC used to be on Belmont Ave. and a third station, WCRW also shared 1240 from studios on Pine Grove Ave. ) They rebricked much of the outside and installed all new offices, working on this for months with contractors, electricians and

cabinetmakers on site. How can a brokered station afford such expensive renovations? I first joined IRCA in January 1972. That's 40 years ago! 73 and best wishes to everyone in 2012.

### The NRC AM Antenna Pattern Book

The Pattern Book now includes daytime and "Graveyard" frequency patterns for the first time. For those stations which operate with 50 kW (and higher in Mexico) non-directional (designated U1 in the AM Log), the day 'pattern' is shown to approximately the predicted 0.5 m V 1M coverage limits, while the night pattern is illustrated approximately 1.5 times larger. Stations in Alaska and Hawaii are listed on separate pages at the end of the book. The basic list of U.S. and Canadian stations comes from the 26th Edition of the National Radio Club's AM Radio Log. Mexican stations in the states bordering the United States plus those stations elsewhere which are easily heard in the U.S. and Canada are also included. All data is up-to-date as of November 1, 2005.

Prices: \$16.95 to USA/Canada IRCA/NRC members, \$22.95 USA non-members, \$25.95, Canada non-members/all overseas orders. Order from: NRC Publications - PO Box 473251 - Aurora CO 80047-3251 (CO residents, please add 3.5% sales tax). Please state your IRCA membership affiliation when you order.

#### Antenna Reference Manual, Volume 1 8th Printing, Digitally Enhanced and Updated

This completely-revised book features the plans for the original NRC 4' FET Altazimuth loop antenna. Completely revamped with digitally enhanced drawings and updated material sources, it also contains other articles on the subject of antennas for medium wave DX'ers, most originally published between 1969 and 1974 in DX News. It includes articles on air-core and ferrite core loops, antenna tuners for longwire antennas, and antenna couplers. This is the original book which has been available for over 20 years. \$8.95 to IRCA/NRC members (\$11.95, non-members). 8 1/2" X 11" bound book format. Order from: NRC Publications - PO Box 473251 - Aurora CO 80047-3251 (CO residents, please add 3.5% sales tax). Please state your IRCA membership affiliation when you order.
