In this issue you will find a extra WHITE sheet giving you members a few EXTRACTS from DX Reports from Station KPB-Laredo Texas, thanks to our friend Mr. Valentine, it was very nice of him to think of us when he had these printed up. I hope that we may repay him in some way in the future.

NOTICE TO ALL YOU NRC MEMBERS: Our signature list will be out in April this is due to some late Signature's coming in, Ray Edge says there are plenty of them, and dont for get to drop Ray a letter of thanks for laying these up:—Ray Edge—135 Kay St., Buffalo N.Y. I will make a guess and say that Ray had at least 1500 signatures, how about it OK, of course after they have been all laid up in alphabetically order we will not have so many but it will be in 500 or very close to that... So you members will get them, but it take a plenty of time to set these up.

Don't forget to send your Radioc Order in for that years subscription to Headquarters, with our club plan you can now get Radioc for only $1.40 so lets see them orders...

HOW about the rest of you members that have not sent your BALLOTS in we need them, and you only have ONE WEEK left, so hurry them along, it's to your interest, not mine, that you do this at once.

A personal message to the members that I owe letters to, sorry that they have been so slow in coming but, beleive it or not I have been crowded for time, and the way the boys are reporting it looks like the beginning of the DX season. How about TWO more NRC members that haven't reported yet this year getting in a report so we can make that 100 mark, here we are on the 98 mark, and with just a little help we can make the 100 and that would be a wonderful record with 100 NRC members reporting this season, lets hear from you.

SORE LATE:—News the Verification Signature list arrived here at Headquarters this AM (Saturday-13) and as I said there will be plenty of signatures I have just ren over them and if my counting is correct I have 640 signatures in our list. Will try and get this out to you members as fast as possible.

HEADS A LETTER JUST RECEIVED FROM Alexander Rosas-Radio Station XEFC, Merida, Yucatan, Mexico. [Alex sent me the complete text that he had on both programs (Feb.3) and (Feb.19), this text is word for word that was on both programs, with full details. It was spoken in English, with a Native band playing all selections. (These programs were dedicated exclusively to the National Radio Radio Club). All the letters that Mr. Rosas received concerning future dedications have been forwarded to me and he has ask me to handle them for him, so to be fair with him I believe that the season is so far along that it would be useless to have any more dedication from XEFC yet this year. But will go ahead and make arrangements for the coming season for a series of DX programs from XEFC. (In the very near future we will publish this letter from Mr. Rosas to me in full. (H.G)

FRANK WHEELER-Erie_Penn. Haven't had much to report until the present. On Jan. 30 I received CailF R8, Feb. 7 KQLO R8, WMLS R8, WCPO R6.. Feb. 21 WEFN R7. Sun. March 5 I heard KTER R7 4am, and WJAC R6 at 4:23am, On Mar 8 I heard WGL at 5:33am R6. Mar. 9th was my birthday so I thought Id celebrate and DX for some odd the FCC checks. It was best DX morning in yrs. For birthday presents I received WAT T7, WPRA R7, WDIN R8, WFOY R8, WPLC R3, WGRN R8, WDNP R7, KFOY R7, WOS R8, WJMS R5, KABC R6 KGFI R5, KGDL R5, KCRH R5 and WJTR R6, 17 new ones from 3:05am-6:00um and 6 new ones for my 12 tube set. WPRA was on until 3:45am. I sent reports to WPRA WFOY & WGRN. (Frank says he's 26 mar. 9th and not married as yet, but he says he not far from it. Ed) DICK COOPER-Kittanning_Pa. Veries in from KSUL and KSLF, the latter advising that they will be testing on 1360kHz with 500 watts in about a month. Got reports off to WGRN KGPF KVOD for new ones on 9th and to KLBX WLOK KXK and KIRO on the 14th. Also reported WJLS picked up on regular schedule. KLBX was very fine on the last few minutes of their check on the 14th. This is a special test from 3:00 to 3:30 EST each second Tuesday of the month. Identified seven 100 watts in California on morning of 9th in fifteen minutes. Signals from west coast have been very fine. I'm especially interested in the DX program that will be broadcast by CailF on March 26th. I had the pleasure of arranging this program and hope that all the NRC members will report it. ((Thanks Dick for this program, have received the SPECIAL tip page and it will go out with this bulletin. HLG))
JOSEPH T. LIPPICOTT-Bay_vaskellboro Maine 2/20 (The following does not represent reports for all days)

RANDOLPH HUNT-Longitudinal Calif. (The West Coast Crab) OK on dues going to $2.00 per year, have felt all along that I was not paying enough for an outlet on my Baja Calif info hi. (Tune In) states that America listeners report XEBS on 1600 ks. In spite of the fact that it is supposed to be deleted. They receive NRC bulletins and might have put to good use, if they had used my list of Baja Cali stations as publish several months ago. Perhaps some publications think my QSL is not close enough to Mexico for me to know what is going on. I might remind them that I have DX'd for twelve years only 40 miles from the Baja Calif-Calif.border. OK now! hold everything because I am going to pop off again regarding a Baja Calif station, take it or leave it, It makes no difference now as goes the song, XLAT 1310 ks. (NOT 1320) Officially open at 7:00am P.S.T. March 13th, the power is 250 watts the location is Tijuana, the mailing address is P.O. Box 24 San Diego Calif. they announce as the "Voice of Southern California" the hours of broadcast are 7:00am to noon and 5:00 to 11:00pm P.S.T. They offer a very Special Prize for the most distant report, try and get it. The Old Crab slept during this month's FCC Checks except when KINY 1430, 250 watts Juneau Alaska was on. Veric recd from YL for Jan rpt been over 4 yrs since last veric from them, had not recd veric from N.Z. since one from 4YK for April 1936 rpt spent severe sessions working on JO's only. Well good byo now.

NICK BOYAN-Syracuse N.Y. (Yes on bulletins coming OK). I am waiting for the signature list and know it will be OK. Sent in my selection of a board of Directors. Now for a rpt of DX-well I received my lst T KN veric from Post Parisian with foto and trans blog. Pd. Recl a gain from VOC of 19th anniv of St Albens and KKKD strip on envelope. New stations on freq check were KOKK KXPC KIDT WACO UPIC KINN 1820U. On the 14th I had the best reception from the west coast ever had here and Log of 6 new ones all from Cal & Wash, KJH KFPY KGO KGEC KGB K60, while other high power Coasters were Re-9. (Had to cut a little)
ED FEICHTNER—Eric Penza. New Stations KSAM CKRN KABR 2NR 3GI KVOE WLOK KVEC WAPD... New verices WCJU WSPF KCKN WMCE.

KFTC HJ3ABD heard Xans A.M. Heard on 11th KSAM CKRN KFTZ on FCC test 3:30 3:45, 13th KABR KGHI WAKO testing 5:28. The 14th one of the best all around mornings I ever heard, stations coming in all directions a typical Ike Davis morning (hi) KERN KRE KVOL KVEC KGMB KGU KHBC KLBM XEM 2YC 7T: CKKO 3Y; WLOK 1YK ZBL 2H 200 2CY 3GI. On the 15th WNYN KDOM KERN WAPD KVEC WMPO KHBC KGU WHBU. On the 16th very noisy WNGY on 1220.

MERLIN_STRAHN—Decorah, Iow. First I want to thank Olive Johnson, H.E. Burstrom, Stan Brus and John H. DeRosa for sending me several SW QSLs. For Joe Decker it was KTSW what signed off 3am Tuesday Mar. 7 on 1310 with Hollywood American Legion Band. I know because I sent a report Mar. 7 WMIC QRM wepaid WCQV very very bad. KTSW on 1370 kc., Mar. 7. CKCA hrd under QRM. Mar. 11 Very bad static, nothing doing. No chance for CKRN or XEBO. Mar. 13 KTKC KGEB KIEM hrd on FCC fairly well Mar. 14. New stations CKBQ hrd very good after WJHL went off 5am. WLOK also hrd for first time. CKCA hrd under QRM. VIP apparently went off for WODT, very fine of them. (hi) Latest verices KGKB (KERUS and TCG at last) KSAM WPAD KPLT WGY WOR UNWE KPKC WPFD WCSC after 2nd report WJMC KTRI CKCN KOMA USJY KOA WPRP WEC and WCCU. Mar. 15. KELO R6-7: 1:15am EST. KSEI thru KJH at 2Am, WDDO on am with reported. WNGY testing off 2:17. Failed to hear WTMN at 2am as reported. WHBU R7-3 3:05am WAPD also on with election results. CJRO hrd thru KFSD at sign off R3-4, WHZ Special was O3-4 R6-7 and it sure was a good program in my opinion. KPRC test 3-3:15 am EST last Friday every month...

NICK EVANGELISTA—West Hamburg, Pa. March 3. Clear 22 deg. Heard WHIS at 3:00 R7, KATR at 3:15 R6, WHIN at 3:32 R9. KOME at 3:57 R6, KNEW at 4:00 R7. March 9th cloudy, 34 deg. Hrd KOH signing off at 3:00 R7, KHBC from 3:55 to 4:01 sign off R6, KGU at 4:30 R5 KFJM at R6, KSAM at 5:28 R9, KRLH at 5:45 R7. Nothing heard of CKCA DX program. Friday and Saturday mornings too bad to DX so went back to bed. On Sunday morning didn't get any new calls, too much coronation for the Pope so went to bed Monday 13th raining and bad static. Heard KOMA at 3:00 R4, WCJX at 3:15 R8, WHAI at 3:35 R6. Didn't listen after that as conditions got worse. Latest verices are WACD KSUD KV30 KWLC WCHV and my second one from KGU. WBM was hrd on the last Friday of the month January 27th from 2:15-2:30 EST. Their verice stated that they would be on again Feb. 27 at the same hour. I believe they are on every 27 of the month from 2:15-2:30 EST. (Thx for this dope on WBM Nick. I've been trying to run that down for a year RHC)

WIP was not on at 3:10. I vote for WCOU's program as one of the best of the season, but with my WJMC. WHBU testing at 4:00 R8. Finally got a report on KGDB, KAND on test at 5:15 R4-5. March 8, clear, 23 deg. Plenty of new ones for me this AM. KPLC WGU WKEU W3HP WCCU WHDF KJHG KFRO WMPG and KRLH. Sent another report to KSH to S.E. say how "supervisor, as Announcer." Enclosed a verice typed by myself for him to sign. March 11, reception terrible, new ones W5LQ and CKRN. Unable to get a report on WHMA.

I'm going to try to get them to let me send a report next month. Static as in the summer time here. March 12, because all the networks were to be on all morning with coronation, I didn't even attempt any DX. March 13 cloudy, 39 deg. Think I hrd ZNS behind WGY tonight at 5:15. Last time I tried evening DX the cubans were all over the dial, not tonight tho.

March 27--CMBP-930 Camaguey 2-4 am EST... April 4 CMHP 1100 Placetas 4-5 am EST... Credit these to the NNRC Please send a bulletin containing these tips to address below...

Gentlemen: Radio station WCLS has agreed to DX for the NNRC on the morning of March 25 from 1-3 AM CST on 1310 kc. They would like to receive publicity on this but remember that it is NNRC and credit as such if you publish this Signed by: --Richard Wright--Chicago Ill.

PLEASE remember when sending in TIPS to the National Radio Club to sign your name to them, otherwise we will not print the tips in the future. And we always give the credit to the CLUBS that arranges the DX, and I have only one way of listing tips that is the way they are sent into HQ here.

INTERNATIONAL DX'ERS ALLIANCE: -- Special Weekly DX Broadcast for the I.D.A T.G-1 1310 kc., T.G-2 kc., Every Sunday Morning from 2:00 A.M. to 2:30 A.M. The Programs will consist of classic music, and verifications will be issued free...

------- BRIEFS FROM DX REPORTS ---

CARL FORESTIERI--Braxon N.Y. Carl says the reason he missed the last two reports was due to the weather, took Carl for a sick spell. Well, oh we are glad to see you back again. Carl says the only new stations heard are KNEW Mar. 8 with R7 at 3:55 A.M. CKRN Mar. 11 at 3:30 A.M. with R8. VLOK on Mar. 14, 3:45 A.M. R9, and CKCA at 5:10 A.M. R9 with bad side band interference from W2IS. (Yes Carl I have one of these cards here and they real MAG...) JOE BECKER--Hamilton Ohio, VLOK hrd 3/2/39 Verified 3/16. VLOK makes verif. # 1200.....ARTHUR ROBB--Topeka Kanas. Says that his antenna came down due to heavy ice on it. I picked up WJLS this morning signing on at 6:00 AM EST. (Mar/13)... J.L. DeRose--East St. Louis Ill. Says not much DXing here of late. Hrd KBEB, VLOK but missed WJLS (Check.) Robbs Note Ok. Hrd KWS on commercial freq sked... Letters from Harold Burstron, John Kalamack, Jack Waddington of Australia, and a late flash from Bill Stone, which says that the 14 and 15 were real DX.
I hope that you fellows did not forget to drop a line to Carlo Spatari, 27-20 25th Ave., Astoria N.Y. and thank him for the VFB prizes he has offered to the NRC SW contest. Thanks a million Carlo OK for your kind generosity. You are indeed a real friend of the members of the NRC. We shall never forget you.

Carlo Spatari has donated a Spatari Language book as one of the prizes for our contest. To the member reporting the most number of announcements or programs in Spatari, Carlo will also donate a Spatari Language book. We are trying to get a list of the stations that carry the Spatari Calls. Then last but not least Carlo has offered Ten Universal Radio Time Comparison Charts which we can donate in any way we wish. Now fellows dont you think Carlo is one grand guy. These prizes are well worth working for and in addition to the many other VFB prizes being offered we should have a very fine interest showed in our contest and I hope every SJ member joins in on the fun.

The SJ fans think we should have a contest for them. We are trying to work this out the best way we know. As soon as the SOD has put their OK on the prizes and rules out we shall list the prizes meanwhile get busy and get those veri's. Cy will thinks it would be a good idea to publish the veri's the members enter for the contest and this we shall do each week.

Thanks fellows. Do you fellows know that ever since I have been short editor for the NRC that Leo Herz has not missed one single week sending in a report. And do you know that ever since Fred Alfred has joined the NRC that he has not missed a single week sending in a report. That what we call VFB and these fellows should get a medal or something. Hi. Keep up your fine work fellows. The SW pages of the NRC has begun to gain recognition. Its you reports that have made it so Tnx a million.

QUESTIONS & ANSWERS DEPARTMENT
G4L Oliver has been hearing a Mexican Station daily sending on the air daily at 6:45pm EST on 6,000 using DCO call of XEC. Can anyone help him out.
Your Editor wants to know if Paris Mendick verifies with a card or letter. SOS some one.

VERIES DEPARTMENT
The following veries were received by our members during last week.
Dont forget follows this column is of extreme interest to all our members as it lets them know just what stations do verify. Bob Oliver: CB 1135 & HIIJ, Leo Hurz-CO2SE EAG9E W6XDE ON9I G21S KJ2BD, Cy Will-CE2IX, L. Lundberg-VE4SY DJX & DJJ, Bob Blanchard JZJ & JZK, Fred Alfred-SP19 SP25 W6XDE VU12, (Nice bunch of verify by what follows) Fred says that SP19 & SP25 hrd previously verified with a letter & said they would send verify cards as soon as they were printed & they kept their word W6XDE verifies with a letter but stated that they would send QSL cards to all as soon as they arrived from the printer. VU12 verified with a VFB card. Bob Blanchard tells us that JZJ & JZK verified with the same type of card but different cards printed on it. Txn for the VFB information follows.

There has been so many changes in the rating of our members that they have requested to reprint the standing this week.

GOSSEP BY THE W1XAS

Bob Blanchard writes & tells us that he uses a 12 tube Zenith No.12K 57 receiver & his best QSL's are WUD2 OX2K Y VELIN which was "LoveCin Kents Island Expedition" G3BN J2J & J2K. He has many other vories but these are the ones he considers his best. He has hrd 47 foreign countries & has QSL's from 37 countries. Bob is located in a district that is surrounded by very heavy local QRM & this stops him from getting real DX. However Bob expects soon to be on a farm in New Jersey way up high in the air where it will be free from QRM.
We have a few little items which we think will be of interest. First of all, don't forget the IDA special from LX131, Luxembourg on 14.06 or 14.32 mg on Sunday, March 26 from 2:30-2:45 am EST. Also don't miss the ARRL DX Contest from March 18th to 26th. There will be some real DX on those days... Carl Forestieri wanted to know who had hrd KF6DH W of Canton Isl. Jack Quintrell reports to member John DeRosa that he had this station from 8 to 10 pm around the end of February on a freq of 14.380. John DeRosa is awaiting delivery of his new 450A Howard receiver. He has already erected a new Vertical Radiator antenna which he reports working fine with his RCA 395... OM Mel Oliver has a log of some 3900 amateur phones he has hrd. Some listening we'd say... Member Frank Schmidt is planning to take his amateur exam soon and will be on 20 c.w. We wish you a lot of luck OM and hope you will soon be on the air. Frank who has been in radio since 1928, has built himself about 40 s.w. sets so far. The present receiver being a 6c6 regenerative Detector, 76 1st audio, 42 power amplifier and a 80 rectifier... By the way I hope all you amateur DXers will enter the SW contest. There will be some VFB prizes. You SWBC DXers, don't overlook the ham bands if you want to really win some of those prizes because there are many countries hrd on the ham bands which do not have SWBC stations... Be sure and send us a report on what you hear.

---QSLs RECEIVED---
