We have been asked by the local Radio Station WBNU at Erie Pa., to run this notice. To all the DXers and members of the NRC, to those that have sent in reports and have not received them, that they will in a few days, the printer made a mistake on the last batch of cards and they had to be all done over again. That is why the delay in mailing out your verifications. Yesterday morning WBNU started to use their new 175 foot vertical antenna and would appreciate if the members of the NRC will send in day time reports, from Buffalo, Cleveland, Pittsburgh and other places where they are heard. Also, would appreciate reports from other points of the East and West on early evening programs, WBNU signs off at 12 midnight. If we can work out a night where we would have a clear frequency we will place a 2 hour DX on the air, if not we will work out some other way, even take a FCC check.

HERE's a very interesting letter from ZNS (HOW MANY OF YOU MEMBERS NEED) this station. ZNS writes that they would like to have the members of the NRC listen to their program that starts at 8 PM E.S.T. and runs till 9:00 P.M. or later, and report to them just how they are received, let's all send a report on this reception, ZNS is very anxious to find out how they are reaching into the U.S.A. on these broadcast. If you can not hear them drop a letter to that effect, just so send some kind of a report.

WCHV-1420kc., Charlottesville Va., sends this information into the NRC we will be on a special DX for the NRC on February 24 from 3:00 AM EST on

The 'High Lites' of the WTAM broadcast will appear in the next issue, on the last page of the Short Wave section you will find a few items on the Cleveland gathering. Sorry that this should have to be put off untill the next issue, but your Editor had a slight accident this week, I was using a blow torch and forgot that it might be hot, and did a very find job in burning my left hand, and have to do all the stencil cutting with one hand. So I am just picking up the 'high lites' and news of interest for you members. In the next issue we will carry the complete section of BCB News and reports, regardless of how many pages we have to publish. So to Steve Mann, Jim Walker, Ernest Cooper, Harold Criswell, Warren Koutzahn, Grant Batson, Randolph Hunt, Jesse B. Strawn, H.E. Ziegler, Jack Welsh, Nick Evangelista, Ray Sahlback, Merlin Steen, Dick Cooper and Joe Lippincott your BCB reports will appear in the next issue. I will check these reports and if any outstanding DX is listed it will appear on page 3, sorry this happen to you members.

Bob Botzam, writes that the WTAM DX party was one of the best he ever heard... Tom Carberry, writes that the WTAM was swell, and if they ever have another one he will be sure to be there... Jesse Strawn, writes the says the WTAM program was received swell... H.E. Ziegler, says that the WTAM program was the best DX program I have ever heard in years of DX-ing. Randolph Hunt, says the program was received at his location very well, had two message's broadcasted to him... Grant Batson, says that the program was swell... Warren Koutzahn, says the program was heard, with Gordon and others on... Merlin Steen, says WTAM was heard thru worst snow storm of the year... Many of the NRC have sent in word on this program.
This will be KTBC-AUSTIN TEXAS first DX program every to be placed on the air, and they would like a real coverage from Coast to Coast and lots of report, so lets all get to gather and give KTBC all the reports they care to answer. How many of you members can KTBC depend on. KTBC has agreed to send all reports to NRC HQ so lets see who reports this program, dont forget the Date January 23th....

HERE'S A SPECIAL NOTICE SENT IN: BY OUR CPC MAN - HERMAN RABENSDORF - HARVARD ILLINOIS: HERES OUR GOOD WORD FOR MANY OF YOU DXERS, Herman received a card from (WEMY) and their Ch Eng says" PARDON THE DELAY IN ANSWERING BUT OUR QSL CARDS HAVE NOT BEEN RECEIVED FROM THE PRINTER YET AND WE HAVE BEEN HOLDING ALL VERIFICATIONS UNTIL WE GET OUR CARDS" To all you NRC members that's waiting for your card drop a line to WEMY telling the Ch. Eng about this notice, show your appreciation for WEMY sending us this notice. Do it now.

KSL-1130kc/s - Salt Lake City Utah, broadcasts DX tips every THURSDAY from 2:45 to 3:00 Am EST. Watch this station for all late tips.

How many of you members can we depend on to send WADC and WJW a card or letter on their coming DX programs, while in Cleveland I had a nice talk with Herbert Tucker, the IDA CPC Chairman, also a member of the NRC and he would like to have the NRC co-operate and send in all the reports that we can, how about it gang, Lets flood these two stations for Herb.

Dont forget that HP5K-6005kc/s - 49 meter will be on the 23th also with a program for the NRC and URDXC.

WELL! WELL! Look who we have with us this week, none other than Larry Lundberg, greetings Oh we are all glad to see you back at the dial? After such along lay off, "we really have an old fashion NRC column this trip, and I certainly appreciate you members help, DX here the past few nights has been very poor due to Northern Lights, signals have been very weak with only the high powered stations being heard, I certainly want to thank each and every member that sent in reports. And to you chaps that didn't why don't you, you would be helping the good old NRC alot. Don't forget me on Jan. 27th.

YOUR ASSNT SHORT WAVE EDITOR:- Thinks that the last two Columns where P.B. But we do need more reports DX is on the up grade ur Assnt SW ED had the thrill of four years DXing on the SW when I logged CKN7BE. So you SW members send in those reports, by the time you read this I will have seen some of the boys at the WTM SPECIAL 73's (Hi Leo did you arrive home OK, I did. Oh Oh not Johnny either Hi, HMG.)

---------------"FLASHES FROM HERE AND THERE"-----------------

H.V.J.-Vatican City. Special Radio Broadcasts of Vatican news for North South & Central America will be inaugurated on Jan. 4th/40 by this station, it was learned they will be given regularly on Mondays & Thursdays on three different wave lengths. The first broadcast in English to the U.S.A. will be given Jan. 4th at 3:30 AM (ROME TIME) 9:30 the day previous in New York on 6.190kc/s, it will be preceded by a broadcast in Spanish for Central America at 3 AM on 11.740kc/s, and by another also in Spanish for South American countries, at 2:30 AM 11.120kc/s, on Mondays the transmission to the U.S. will take place at the same hour and on the same wave length, while at 2:30 AM the transmission will be addressed to Brazil, in Portuguese at 3 AM, to Canada in French on the 6.190 kc/s frequency. (FORESTIER)

According to Radio Guide, the U.S.S.R. is broadcasting on the following frequencies 7-8 AM over NNE and 11.915kc/s, which QRMs XGOY, and 11.895 kc/s, and irregularly on 11.810, 11.705, 11.640kc/s, the 11.705 freq QRMs IKC.

ATTENTION:-According to the Latest Radio Guide: - The new 20,000 watt transmitter for Teheran Iran (Persia) was shipped several weeks ago by the manufacturers Standard Telephone and cable, England. Therefore I think we are safe in assuming the station heard testing on 9.600kc/s near 7:15 AM and announcing as E.C.C. was actually in Teheran.
JAPANESE BROADCAST SCHEDULE FOR FEBRUARY:

For Europe: - JW7-7.257kc/s, JZJ-9.535kc/s, 2 to 4 P.M.
For South American Countries: - JZJ-11-800, JZK-15.100kc/s, 4:30-5:30 PM
For Eastern Districts of No. America: - JZK-15.160kc/s, 8 to 9 P.M.
Pacific Coast of No. America: - JW7-11-800kc/s midnight to 1:30 AM.
China, Australia & South Seas: - JZK-11-800, JZJ-9.535kc/s 7 to 9:30 AM
A new feature in their monthly program bulletin is a page devoted to let-
ters from listeners from all parts of the world, all communications
should be address to: The Broadcasting Corporation of Japan,(Foreign
Department) 2-Chome, Uchisaiwaicho, Kojimachi-Ku, Tokyo, Japan. (ALFRED)

The Canton (China) station on 11.650kc/s is definitely XGOK which with
increased power is broadcasting daily from 7 to 9 AM. The News is given
in English at 8:10 AM and most of the bulletins are of a strongly pro-
Japanese character. (RADIO GUIDE)

Mel Oliver wants to know, WHO! was the station between 7:15 and 7:30
AM on a boat his call was KORX and the name sounded like "Donna Auroraa"
it was on a freq. of about 6.700kc/s and was calling KGSD on what sound-
ed like "DONNA SIDRO" They were some where in the Pacific as they men-
tioned Manila, and a couple of Chinese ports. Can any one give Mel any
help on this one, if so drop him a card. (QRA under reporters)

Just rec. a card from Jim Walker, and he says that XEWQ is on 31 meters
relaying XEQQ has an R6-7 signal at 11:30 AM, also VWL-5 on 31 meters
heard under an India station, with an R6-7 signal at sign off which is
3 AM. he says that VWL and VWL-5 have the same program.

I heard CR7BE this afternoon R9 plus and the lady announcer was reading
the mail bag at 3:10 P.M. all reports were from listeners in Africa.
(ALFRED)

Well, that's the end, and in closing I wonder if I may ask a favor of
you chaps, When sending in your reports will you please tip us on a page
by their selves, it would make it alot more easier for me, when I have
to get the column out, Thanks alot. Fred.

A little Scandal on the Cleveland Gathering sent in by: - WHO, is WHO,
Jack Siringen showed the Chicago boys up at the bowling alley, with a
very nice score of 235. Who was it mention bowling, was it the Chi boys.
Eric Bristow (pardon me Bristow) got drunk from the smoke from the RUM
& MAPLE tobacco that Chas Trezise was smoking in the way home. We are
wondering why Leo was cut off the air, and who took the ONIONS from
Zana's home at one of our meetings. Who was the Romeo who was seen with
Zana at the Alpine Club, I am sure he was a stranger. But what crap the
Chi boys wore those Gaudy pajamas that OA Trezise's was wearing, too
young for him. Morrison just needed one more fizi and we mean fizi.
Oh Oh where did Ruthies shoes go too, at the Alpine??????, Ask Charles
The Chicago boys meet their Waterloo in Waterloo, then ran into Nep-
olian 20 miles further on, who said the Bremen was in Germany, its in
Ohio, Everybody looking for "Gail" and where's Elmer, wonder who drank
the Jln Fizes at the Alpine without paying for them. Also who got the
most home runs at the "GOODYEARHOTEL"??. The way the Hostess showed
the gang around the WTAH studio explaining everything in detail. O where
was Siringen. That their Chi boys are awful, Ask any one at the Cleveland
gathering, but warn youse guys here in the East better stay away from
Chicago at their "MID WESTERN CONVENTION" to be held in Chicago this
summer. Hi Hi. (The writer not responsible for the above article Hi )
