Radio Clubs (ANARC), joining Kirk Baxter (AWC), Reuben Dagold (ADXR), Dave Marshall (ACSC), Don Moman (CIEX), Bill Oliver (JWCA), and Bob Brown (NASWA). Frankly, you haven't read much about ANARC recently in these pages because there hasn't been much action to report, as ANARC has been reorganizing for several years, attempting to find a direction and purpose for its existence. Notwithstanding its low profile, I have been concerned with its domination for many years by shortwave-only persons so that the so-called specialty-band DXers (low-band, AM broadcast band, FM, TV, and utility/UHF/VHF) are lumped into any considerations ever into one mass. For example, I shall have to cast votes in the 1993 ANARC Awards in these three categories: North American Shortwave DXer of the Year (for David Clark or Richard D'Angelo); North American Specialty Band DXer of the Year (for Alan Roberts or Mike Hardester), and International DXer of the Year (for Victor Cossutelll, Gabriel Ibanez Larreta, or Harry Weatherly). These fellows, all, and two of them happen to be NRC members, but is the consideration for those hobbies who spend much time primarily in AM, FM, or lowband only? Why lump them all together? That will be a problem I will attempt to solve in the next few years (continued on page two).

DX Time Machine

From the Publisher - Dave Schmidt called to say that although his crazy schedule did not permit him to prepare "Musings of the Members" this week, it will definitely return next week. He also indicated that WWIZ-640 MT. Holly, NJ has been testing since Nov. 25 and should start its regular schedule around Dec. 28. DX Catches in the U.S. and Canada, with 24-hr. ELT

- Shawn Axelrod enclosed his Christmas list with this week’s report. Just a 2.4 kHz filter, is all. When Santa reads this, he has plenty of time to grind one out for you, Shawn!

- Good to hear from Bill Moser, Mike Jerzinski and Frank Merrill again. Let’s see . . . I think it was about three moves ago for them all, hi.

- DX Time is here Ladies and Gentlemen. While driving home on 1/20 at 3:45 MST, KHRB-1230-AB was in like a local. Also many Californians and British Columbians. Too bad I was in charge of safe driving at the time, or details would be included here.

1210 KGYN  ??  - Mike Hawke's undID from issue 2 is almost certainly this. I've a
hunch that what Mike heard was not ESU, but rather DCU, which stands for
Kendall State University, located in nearby Goodby. And it's quite possible
that PSA would have been playing Hoagie Simms on Sept 12 (a Saturday).
(RD-IA) [A good time to impress the fact to be accurate about the data you
report. Thanks, Rick - Ed.]
1240 UNID  ??  - 11/10 0311 - Somebody with Rock 103.5 non-ID. I suspect
WIZM-TN, which I know has a rock FM on 103.5. Anyone can confirm slogan
or simulcasting! (MJ-MI)
UNID  ??  - 11/16 0010 - Poor, fading in and out, but with unmistakable voice of
Chick Heim doing Lakers basketball vs Warriors. Lotas player names
mentioned, so am sure of the game. Who on 1240 carries the LA feed? [Ed.-ID]
1280 UNID  ??  - 11/17 0000 - Carolina News-Talk, WORD and WFBCCID then
WFBG Greensville legal ID on the hour. The slogan has been in use on WFBG-
1250 and WORD-910 for over a year; has one of the SCs on 1280 joined the net?

NEWS AND VIEWS

An excellent turnout this week. Thank you all for the reports, this column is nothing without your support.

Ed Urri mentions good nor/south conditions with this report. Bruce Conti says "the DX pendulum has swung to the south with my first Floridian logged this season, along with Venezuela heard across the dial and reported to DDX." Andy Rugg sends along some seldom heard stations that he noted on his car radio. Laurence Kearley mentions a good opening on 11/11, and on the logs to 1450 included here, he also logged VSB-1 Bermuda that evening.

DDX Editor John Showy checks in with an excellent report, including some DX from Letchworth State Park. FYI Jim, I did not receive your previous letter, thanks for the backup copy. He also notes a number of stations which do not seem to be signing off at the appropriate time!

I had a chance to some brief DXing this weekend at my parents home in Falls Church, Virginia. Saturday morning, 11/21, saw a lot of Canadian stations on the regional channels. Also, WGLW-1210 has been noted carrying sports talk in the evenings, parallel to WKNR-1220.

A reminder to get your DX to me no later than December 12 in order to boat the holiday rush.

Here are the IDX3X headlines: While you were still cleaning up candy wrappers, César Obispo was cleaning up on DX, on All Souls Day (Nov 2) when many DX stations stayed off the air. Mark Connolly invented a new DX sport, "channel surfing" - hang ten (or nine for TAs)! Some DXers (do snow, wind, ice, QRM, and TVI, but Don Moore has to contend with a more challenging variety of interference. Read on!

PAN-AMERICAN

540 DOMINICAN REPUBLIC R. ABC, Santo Domingo - one of the stations that was on the air on All Souls' Day in Santo Domingo, strange with pop music. [CO-DR]

555 ST. KITTS & NEVIS R. ZIZ, 11/12 0025-0942 - Fair with talk show, topic of discussion was high school football, noticeably poor studio acoustics with empty room echo made their Caribbean English difficult to copy, over/under local noise. [BC-NH]

COLOMBIA R. Nacional de Colombia, Bogotá, 11/3 0020 - very good, almost like a local station, with medical recommendations to students. [CO-DR]

560 VENEZUELA LA Voz de la Fe, Maracaibo, 11/3 0024 - ads for Toyota, "Transportes Omar," rings medals, plates for graduates "Graduaciones del Zulia." [CO-DR]

560 MEXICO R. CNRC Matias Negras, 11/5 2315-2332 - Long ad string with lots of mentions of Piedras Negras. Woman with local weather into ranchera music. Good and on top but couldn't stick around for an ID as my 2 year old, whom I was watching, got tired of listening rather quickly (after time she has sat in front of my lap and drawn for an hour). [DHM-IA] (WBBW's chief engineer will be very interested in this logging-pls)

590 UNID 11/15 0503-0505 - Poor signal in much with Spanish ad. Nothing identifiable detail-wise. [DHM-IA]

640 VENEZUELA Otras Porteñas, 11/3 0032 - Not usually heard here due to local R. Universal on 901, ID and pop music. [CO-DR] 11/12 0145-0430 - Poor with sports event from Caracas, heard "aquí en Caracas" followed by commercial at 0145, mention of el banco del Caribe at 0206, end of program from Caracas at 0319 with mention of Radio Tolelo, then salsa music until 0340 when there was a half hour long news segment "más completo de venezuela y del mundo." [BC-NH]

640 UNID 11/15 0212-12 - Poor with brief fade-ins while listening to Ondas Porteñas, contemporary Spanish rock and U.S. classic rock, mention of la Mega on 1210 and 1220, was there a full hour long news segment "más completo de venezuela y del mundo." [BC-NH]

640 CUBA R. Progreso, 11/15 0509-0512 - ID and commentary, fair. [DHM-IA]

650 COLOMBIA R. Antena Dos, Bogotá, 11/3 - with sports programs (cycling, track and field), very strong. I don't think they operate with 10 kW, must be more. [CO-DR]
660 ST. LUCIA R. St. Lucia, 11/20 0150-0306 - Heard in semi-null of WNDC with a Carib-accent talk show at 0150, faded back at 0203 into woman reading news (sounded BBC, but no shortwave) / Sound found / with focus on Caribbean economic issues, at 0211 noted woman/speakers/echo/slow music, heard hint of an anthem at 0306, then nothing more. WRTH says this sign off at 0300. 1090 not noted at all, this one heard with 1100 in full. [IR-RY]

650 NICARAGUA R. Nacional, Esteli, 11/20 0245 - Noted with talk/news about various Central American countries, id as "RN", like a ton of bricks, then faded quickly. WRTH says this one is 75 kW, but I don't recall any reports from others on this one. Morris Sorensen, Ontario, reporting this during that time. [IR-RY]

670 CUBA R. Rebelde, 11/15 0512-0516 - Romantic music / 5025, mixing with WMAQ. Also heard on / 620, 710 and 660. [DHM-IA]

680 PUERTO RICO R. San Juan, 11/3 0050 - with political program and asking people to vote on November 3. [CO-DR]

700 COLOMBIA CARACOL, 11/3 1157 - A former R. Satateuxa frequency, with life insurance ad "Feliz Vida" (Happy Life). Ads for Energizer, PVC pipes, Timex at 0557 as "las ocho y cincuenta siete" (6:57). Does this mean that Colombia is also on EST? Will check with other stations. [CO-DR]. Colombia is now UTC-4, which makes it harder to distinguish between Colombians and Venezuelans, and 657 is Jim.

710 CUBA R. Rebelde, 11/15 0210 - Good with sports event from Santiago de Cuba, over WOR, / 5025. [BC-NH]

720 VENEZUELA R. Felicidad, Portlaran, Isla Margarita, 11/3 0102 - this is a new name, the last one I heard was Turismo Musical. They were speaking about a newspaper in the island named "El Caribe", same name as one in Santo Domingo, and this confused me as the station was weak on WOR, / 5025. Vizcaino, 11/15 0228-0243 - Good with 10 minutes of commercials and promos, mention of "R Vision ... desde Margarita", pop music, in CHTM null. [BC-NH] (apparently 2 slogs for the same station - Jim)

722.0 UNID 11/15 0517-0518 - Carrier, no audio. [DHM-IA]

750 COLOMBIA CARACOL Medellin 11/3 0105 - With reciter parts / speeches by Bush and Clinton (in English) before the elections next day and with campaign speeches in Spanish about the US elections. [CO-DR]

780 MEXICO La Bronca Nortena, San Fernando, 11/15 0544-0546 - Poor under WBMM with ranchera music and ID. [DHM-IA]

800 NETHERLANDS ANTILLES FJB, 11/14 0400 - Good with conclusion of English broadcast giving Transworld Radio address to write for free brochure. [CO-DR]

810 COLOMBIA CARACOL Bogota, 11/3 0120 - who else, with Colombian music. [DHM-IA]

840 UNID 11/15 0532-0602 - Spanish station here with Mexican ranchera, heavy QRM from CARACOL and domestic on 810, very weak and poor. Sign-off at 0600 with anthem. I think it was "Tu Bandera", the Honduran anthem, which I sang many times, but too far in the mud to be 100% certain. Probably 75% certain it was Tu Bandera. [DHM-IA]

850 DOMINICAN REPUBLIC RIJE, Santo Domingo - another local station on the air with pop music. [CO-DR]

850 ST. KITTS & NEVIS R. Paradise, 11/1 2340 - English religious, local like, as expected during national conditions. Strongest with most skp domestics. [MC-MA] 11/15 0526-0528 - With Trinity Broadcasting address and announcement of local announcements, on top. [DHM-IA]

840 CUBA Dobleve, 11/15 0556-0558 - Woman and man with announcement, "Radio Dobleve" mixing with WHAS. [DHM-IA] (Heard by me at the exact same time - Jim)

850 VENEZUELA RV-850, Valencia, 11/3 0125 - Station IDing as RV-850 "La Super estación" and announcing the drug stores to be opened during the night as a service to customers, but no location mentioned. My old WRTH does not have any Venezuelan station on this frequency for pop music after that. [CO-DR] (1993 WRTH says this is Valencia, YVRV, 10 kW - Jim)

850 VENEZUELA R. Libertador, 11/15 0401-0409 - Fair with door with salsa music, but many mentions of Caracas and Radio ?? IDs, mostly under WCBS, couldn't null WCBS without also nulling out Venezuela. [BC-NH]

860 COLOMBIA Todelar 11/3 0133 - "Todelar está en todas partes" (Todelar is everywhere) ID and then a sport program, then a radio program, all about cycling in Colombia. Time as 9:36 confirms Colombia is on EST. [CO-DR] (9:36 - 9:45, it's 1:36 - Jim and his calculations)

890 DOMINICAN REPUBLIC R. Continental, 11/14 0420-0500 - Good with news until 0433, then Continental jingle, salsa and some vocals, sign-off at 0500 "desde Santo Domingo", la capital, "buenas noches, gracias" and National Anthem in WLS null. [CO-DR]

910 VENEZUELA YVRQ, 11/15 0423-0448 - Fair-to-good with pop music and "Los exitos de Q noviembre" for "Wonk" IDs, over/under CHRL and others. [BC-NH]

930 MONTserrat 11/3 0138 - No ID at 0200, announcing information about Presidential elections in the US. Very strong, in English with commentary about sexual behavior among youngsters. Arseent was Caribbean English. Relaying VOA at 0200 after Deutsche Welle Interval Signal. [CO-DR] (R. Antilles, back on the air, relays both programs - Jim)

960 COLOMBIA CARACOL, Magangué, 11/3 0141 with "Radio Noticias", some news about the elections in the US the next day. Time as 9:41, then news from Barranquilla, ads for tourism information about Cartagena. [CO-DR]
1120 VENEZUELA Superondas, 11/15 0523 - Heard poor in KMOX null with "Super Corda de Cristiana" slogan during break in music program. Previous report in IDXD indicates station sells large program blocks to Christian group. [JR-NY]

1165 ANTIGUA & BARBUDA Caribbean R. Lighthouse, 11/3 0215 - With religious hymns, very good. [CO-DR]

1210 VENEZUELA YVZT R. Anzoategui, Barcelona, 11/15 0215 - Heard during the closing comments after a bebop game. List of network stations announced, slogan as "esta es la scial de Los Caribes". Team name is Los Caribes. Local ID popped up a few minutes later, poor in WOGL semi-null. [JR-JY]

1260 PUERTO RICO WBOB, Ponce, 11/3 0225 - A very happy speaker talking about the elections for the next day and announcing the victory of the Popular Party beforehand. [CO-DR]

1440 DOMINICAN REPUBLIC LV Cristobal, 11/3 - on the air with religious programs as always. This is a change of name from R. Renuve. [CO-DR]

1570 DOMINICAN REPUBLIC R. Amacenoc, Santo Domingo, 11/3 - also on their with religious programs as usual.

1610 ANGUILLA Caribbean Beacon, The Valley, 11/4 01225 - Good with Christian program. [MD-MA]

TRANS-ATLANTIC

531 ALGERIA 11/2 0313 - Arabic vocal mixed with apparent Spanish talk at times. Algeria's strong carrier had weak modulation. [MC-MA]

558 UNIDS 11/8 0510 - 2 or 3 signals in jumble, one sounded Spanish or Portuguese, another had apparent Arabic music. It was too choppy and too skimpy to tell much for certain. [MC-MA]

585 SPAIN RNE Madrid, 10/30 0207 - 11/16 2316 - good. [BD-PA]

612 MOROCCO Sebab-Aïoun, 11/8 0506 - Fair-to-good with female Arabic vocal. Evidence of second signal, most likely Algeria. [MC-MA]

621 CANARY ISLANDS Santa Cruz, Tenerife, 11/8 0505 - Good to excellent with news by man and woman in Spanish. [MC-MA]

675 FRANCE Marseille, 10/30 0415 - in fairly well. [BD-PA]

684 SPAIN Sevilla, 11/16 2320 - a regular, but a powerhouse tonight, even good on my Sony SW-1. [BD-PA]

693 AZORES Santa Barbara - heard most evenings, never really strong. [BD-PA]

702 MOROCCO Sebab Aïoun 11/16 2230 - in clearly. [BD-PA]

711 MOROCCO Lalouyen, 11/17 0046 - Hard to pull through WOB but had brief and clear audio at this time [BD-PA]

729 SPAIN Oviedo, 11/8 0503 - Poor, with bits of Spanish talk. [MC-MA]

738 SPAIN Barcelona, 11/8 0458 - Man in Spanish, pipes, R. Nacional de Espana ID, fair through WJBS/CHCM slop. [MC-MA]

765 SWITZERLAND Sottens, 10/27 0335 - fair with classical music. [BD-PA]

765 SENEGAL Dakar, 11/11 233 - Excellent with killer signal during pronounced low-bandaural conditions. Easily the loudest TA and better than groundwave WABC-770. Accented French talk, then African kalimba instrumental music. You could have "channel surfed" on this early evening on a beach DXpedition with serious wires. [MC-MA]

783 PORTUGAL Miramar 11/8 0530 - Portuguese style like that of Billy Ray Cyrus), then man in Portuguese. Pounding strong, YVNM/CFR/JWB/WWBQM QRM not too bad at this time. This one is a mediocre performer in the early evening (compared to 1035 and 1062), but it really comes in strong after 0500. [BD-PA]

819 EGYPT Batra (most likely as other Egyptians are coming in), 10/27 0037 - with Arabic voice and music, however I don't completely rule out the possibility of Rabat. [BD-PA]

827 AZORES Barossa, 11/8 0546 - Romantic vocal, then man in Portuguese, slightly over others in this wayward-like channel. [MC-MA]

864 EGYPT Santah, 10/27 0403-0415 - strong signal, Arabic language, Egyptian type music, vocals by a woman and a man. [BD-PA]

864 FRANCE Paris, 11/8 0555 - Dreamy classical piano music // 945, good signal. [MC-MA]

873 SPAIN Zaragoza, 11/8 0449 - Man in Spanish, no other. [MC-MA]

882 ENGLAND Washford, 11/8 0445 - "I Tie a Yellow Ribbon" oldie, then woman in English, fair, mixing with presumed Canary Islands. [MC-MA]

891 ALGERIA Algiers, 11/8 0433 - Arabic female vocal, then Arabic talk by man and woman, very good. 11/8 0628 - Arabic rock music (loud. [MC-MA]

906 MOROCCO Agadir, 11/16 2133 - very weak signal, Arabic programs, seemed // to 1044 and 1053, didn't here this while in Morocco in February. [BD-PA]

945 FRANCE Toulouse, 11/8 0555 - Dreamy classical piano music // 964, good signal. [MC-MA]

954 SPAIN Madrid, 11/8 0525-0557 - James Taylor's lightweight version of "Budweiser" is "Everyday", then Spanish vocal, fair. [MC-MA]

981 ALGERIA Algiers, 11/8 0559 - Arabic vocal in sloy. [MC-MA] 11/16 2306 - Portuguese style like that of Billy Ray Cyrus), then man in Portuguese. Pounding strong, YVNM/CFR/JWB/WWBQM QRM not too bad at this time. This one is a mediocre performer in the early evening (compared to 1035 and 1062), but it really comes in strong after 0500. [BD-PA]

999 SPAIN Madrid/UNIDS, 11/8 0600 - Disco music, pipes, then news in Spanish by man and woman. Second station, seemingly with Arabic music (and, therefore, most likely the Moroccans), evident. CFPL's French on 1000 was the main splitter, instead of the usual CB-KWU. [MC-MA]

1017 SPAIN 11/8 0607 - Mexican classical music, then man and woman in Spanish, stopped by local WBBM-1520, EMI. [BD-PA]

1017 TURKEY Istanbul, 11/16 2312 - in barely, haven't heard over here for several years. Heard first hand in Istanbul a few [BD-PA]

1035 PORTUGAL Lisbon, 11/16 2306 - best in a while. [BD-PA]

1048 SPAIN 11/8 0610 - Man and woman in fast Spanish, surfacing over the jumble. Morocco is more common here. [MC-MA]

1046 MOROCCO Sebab Aïoun, 11/8 0611 - Arabic music rose up over the Spain station. [MC-MA] 11/16 2300 - way up with Moroccan music. [BD-PA]

1053 MOROCCO Tangier, 11/16 2310 - good, // to 1044, rarely heard here. [BD-PA]

1071 FRANCE 11/8 0615 - Woman in French over others, poor. It was tough to work around CB's massive open carrier on a similar auroral bearing.[MC-MA]

1098 CANARY ISLANDS/SPAIN 11/8 0617 - Spanish talk amidst a cacophony of low-pitched growl bots. [MC-MA]

1101 SPAIN 11/8 0627 - Woman in Spanish. Only fair, not as strong as usual. [MC-MA]

1197 MOROCCO Agadir, 11/17 0459 - in briefly, in French or Spanish. [BD-PA]

1349 MAURITANIA Nouakchott, 11/11 2351 - Bits of audio, raucous against WBBM-1520 during Auroral conditions. [MC-MA]

1377 FRANCE Lille, 11/27 (10/27 - Jim) 0430-0500 - armchair signal, female announcer, French ballads by a man, covered St. Pierre 1975. But I didn't think Lille was supposed to be on until 0530. Definitely on 1377 kHz, St. Pierre just a hor. Will have to check French schedules when in Paris in April, 1993. [BD-PA]

1395 SPAIN (but not sure) 11/6 2232 - Pop singing did not sound anything from Albania, faded by 2230, Spanish style. [BD-PA] (Tirana is reportedly selling blocks of time to TWR Morocco - Jim)

1544 CLANDESTINE (Algeria?) See Station News below, 11/11 2200 - Poor with Arabic talk. Europe knocked out by Auroral conditions, some Africans making it in. [MC-MA]

1564 AZORES 11/11 2404 - Bits of talk that sounded more Portuguese than Arabic. Moroccans, good het against reactivated (ex-silent) local WNSH-1570 whose slot is pesky because of its direction being the same as that for TDR. [MC-MA]

CORRECTION

Don Moore's recent 830 XELO logging was
in error, according to a review of his tape.
The station was XELN, Linares, Nuevo León, 3kW
- a new unlisted station, and a better catch!

Thanks for the correction, Don.

RAY MILLAR SPEAKS

"Thank you for listing the ST. HELENA
shortwave tip in DJXO. While I'm no SWL, I
tried for this and caught it! Please don't
hesitate to list such non-BCB tips in the future,
as those that don't belong to any SWL group
would otherwise know such." [RM-01] (I restrict my SW DX info to items that
have a direct connection to MW DX. If I
didn't, I'd run out of room for MW DX! In any
event, nice to hear from you - Jim)
