DEPARTMENT OF COMMERCE,

BUREAU OF NAVIGATION,

Washington, August 1, 1919.

To collectors of customs, radio inspectors, and others concerned:

This publication, which was discontinued during the war, is issued monthly by the Bureau of Navigation, Department of Commerce, and distributed to the United States officers engaged in or concerned with the enforcement of the radio laws for their guidance and instruction, and to those concerned with the operation of Government and commercial radio stations for their information.

The Radio Service Bulletin supersedes the quarterly supplements to the List of Radio Stations of the United States and contains information concerning Government, commercial, and special stations only.

The Bulletin contains tables of new stations, alterations, and corrections under headings, so that the List of Radio Stations of the United States and the List of Radiotelegraph Stations published by the international bureau at Berne, may be brought up to date. Additions, alterations, and corrections should be entered in these two publications promptly on receipt of the Bulletin.

Amendments to or changes in the Radio Laws and Regulations of the United States (edition of Aug. 15, 1919) are printed in this Bulletin in such a manner that they may be clipped and pasted in their proper places in that publication.

Items of general interest concerning the enforcement of the radio laws are printed in the Bulletin from time to time, as occasion warrants.

E. T. CHAMBERLAIN,
Commissioner of Navigation.

Approved:

WILLIAM C. REDFIELD,
Secretary of Commerce.

ABBREVIATIONS.

The necessary corrections to the List of Radio Stations of the United States and to the International List of Radiotelegraph Stations, appearing in this Bulletin under the heading "Alterations and corrections," are published after the stations affected in the following order:

Name	= Name of station.
G. loc.	= Geographical location: O=west longitude, N=north latitude, S=south latitude.
Call	= Call letters assigned.
System	= Radio system used and sparks per second.
Range	= Normal range in nautical miles.
W. L.	= Wave lengths assigned: Normal wave lengths in italics.
Service	= Nature of service maintained: PG=General public PR=Limited public. P =Private. O =Government business exclusively.
Hours	= Hours of operation: N =Continuous service. X =No regular hours. m =a. m. (12m=midday). s =p. m. (12s=midnight).
Rates	= Ship or coast charges in cents: c=cents. (The rates in the international list are given in francs and centimes. For approximate purposes, 1 franc equals 20 cents and 5 centimes equal 1 cent.)
I. W. T. Co.	=Independent Wireless Telegraph Co.
R. C. of A.	=Radio Corporation of America.
S. O. R. S.	=Ship Owners Radio Service.
Co.	=Company.
Corpn.	=Corporation.
&	=And.

ALTERATIONS AND CORRECTIONS.

COMMERCIAL LAND STATIONS.

[Alterations and corrections to be made to the List of Radio Stations of the United States, edition of June 30, 1920, and to the International List of Radiotelegraph Stations, published by the Berne bureau.]

ROCKLAND, ME.—Service, PR; hours, X.

COMMERCIAL SHIP STATIONS, ALPHABETICALLY BY NAMES OF VESSELS.

[Alterations and corrections to be made to the List of Radio Stations of the United States, edition of June 30, 1920, and to the International List of Radiotelegraph Stations, published by the Berne bureau.]

ANTINOUS.—Green Star S. S. Corporation, owner of vessel; station operated and controlled by I. W. T. Co.

ARGUS.—Green Star S. S. Corporation, owner of vessel.

BOOBYALLA.—Pacific Motorship Co., owner of vessel.

COMUS.—Station operated and controlled by owner of vessel.

FOREST KING.—A Schubach, owner of vessel.

GLENDOLA.—Glendola S. S. Corporation, owner of vessel.

GLORIETA.—Name changed to Munisla.

MOCCASIN.—Name changed to Porto Rico.

PHYLLIS.—W. R. Chamberlin owner of vessel.

REDONDO (KYT).—Station operated and controlled by owner of vessel.

SIBONEY.—New York & Cuba Mail S. S. Co. owner of vessel.

SUSQUEHANNA (WEM).—Station operated and controlled by owner of vessel.

WEST CAVANAL.—Imperial Shipping Corporation owner of vessel.

WEST IRMO.—Imperial Shipping Corporation owner of vessel.

W. K. BIXBY.—Name changed to J. L. Reiss.

WOUDRICHEM.—Kennebec S. S. Corporation owner of vessel.

THE STATIONS OF THE FOLLOWING-NAMED VESSELS ARE OPERATED
AND CONTROLLED BY THE SHIP OWNERS RADIO SERVICE (INC.).

Alamosa.	Pulaski.	Lake Slavi.
City of Fort Worth.	Lake Ikatan.	Tolosa.
Eastern Exporter.	Lake Rushville.	Union Liberty.
Hoxie.		

THE STATIONS OF THE FOLLOWING-NAMED VESSELS ARE OPERATED
AND CONTROLLED BY THE RADIO CORPORATION OF AMERICA.

Cecil County.	Jolee.	Lake Hector.
Chester Kiwanis.	Lake Flournoy.	Rotarian.
Hahira.	Lake Getaway.	Sapulpa.
Haymon.	Lake Giddings.	West Kedron.
James Otis.		

THE STATIONS OF THE FOLLOWING-NAMED VESSELS ARE OPERATED AND
CONTROLLED BY THE INDEPENDENT WIRELESS TELEGRAPH CO.

Agwimoon.	Lake Fandon.	Salaam.
Anna E. Morse.	Lake Furnas.	Santa Rita.
Depere.	Lake Inglenook.	Sebonac.
Honnedaga.	Mattole.	West Holbrook.
Lake Fairport.	Nansemond.	West Notus.
Lake Fandango.		

Strike out all particulars of the following-named vessels:

Aurora.	Jason.	Providencia.
Belgrade.	Lake Frecks.	Quapaw.
Bonifay.	Lakeland.	Rochellie.
Boonsborough.	Margaret.	Shelter Island.
Boreta.	Namecki.	Snug Harbor.
Congaree.	Okesa.	Tankerville.
Darrah.	Oran.	West Aleta.
Guilford.

H-1.—Strike out all particulars.
MOUNT VERNON.—Strike out all particulars.

GOVERNMENT LAND AND SHIP STATIONS, ALPHABETICALLY BY CALL SIGNALS.

NPE, read Fort Stevens, Oreg. Strike out all particulars following the call signals NFL, NMB, NYC, and WUAA.

SPECIAL LAND STATIONS, BY NAMES OF STATIONS.

DEARBORN, MICH. (8XD).—Strike out all particulars.
NORTHVILLE, MICH. (8XL).—Strike out all particulars.

MISCELLANEOUS.

IMPROPER USE OF STORAGE BATTERY.

It has been brought to the attention of the Bureau that operators have been using auxiliary source of power (storage battery), for the operation of audions.

The auxiliary source of power must not be used for any purpose other than that required by section I, act of June 24, 1910, amended July 23, 1912.

The battery must be kept fully charged and ready for immediate use.

Any defects in the battery or any other part of the radio equipment should be reported to the master of the vessel immediately.

Such neglect of duty on the part of operators may be considered sufficient cause for the suspension or revocation of their license.

INTERNATIONAL RADIO TELEGRAPH CO'S. RATES.

The International Radio Telegraph Co. has been authorized to charge 10 cents per word (with no minimum number of words), for transoceanic and coastwise ships which ply between ports, one of which is more than 200 miles from New York, effective October 1, 1920. This rate applies to the Newport, R. I., New London, Conn., and Brooklyn, N. Y., stations of the above-named company.

NEW INTERNATIONAL ABBREVIATIONS.

This office is informed by the Berne Bureau as follows:

Abbreviation.	Question.	Response or advice.
QTC...	Have you anything to transmit	I have something to transmit. I have one or more radiograms for —.

New signification of abbreviation QRU.

QRU	I have nothing to transmit. I have nothing for you.
-----------	--

OPERATOR'S LICENSE SUSPENDED.

License No. 19544, issued at Philadelphia, September 20, 1919, has been suspended for a period of three months on account of the holder of the license violating Article VI of the service regulations and the International Convention. The offending operator in this case caused superfluous signals to be transmitted.

NORMAL WAVE LENGTH.

Every coast station open to general public service is required to have a normal sending and receiving wave length of 600 meters, and all general public service with ship stations must be conducted on 300, 600, or 1,800 meters.

The department interprets the radio laws and the London Convention to require that every coast station, excepting general and restricted amateur, shall have a normal wave length of 600 meters for use in case of distress or emergency, and licenses issued for such stations so indicate.

The indication of a 600-meter normal wave length for a special station does not mean that the station shall use this wave length for its *normal* business. All radio communication, other than general public service, must be conducted on some authorized wave length other than 300, 600, or 1,800 meters, but the station is required, when open and no special business is being conducted, to listen in with the receiving apparatus tuned to receive the 600-meter wave length and must be prepared to transmit on 600 meters if necessary.

The Radio Laws and Regulations, edition of August 15, 1919, page 52, paragraphs 38 to 50, inclusive, bear on this subject, and paragraph 44 provides that all coast stations shall listen in at intervals of not more than 15 minutes and for not less than 2 minutes, with the receiving apparatus adjusted to receive a 600-meter wave length. The act of August 13, 1912, section 4, regulation 11, requires general public-service coast stations to listen in at intervals of not less than 15 minutes and for a period of not less than 2 minutes with the receiver tuned to receive messages of 300-meter wave lengths.

INDEPENDENT WIRELESS TELEGRAPH CO.'S RATES.

The Independent Wireless Telegraph Co. has been authorized to charge 10 cents per word, no minimum, at their New York station (WSE) for coastwise and transoceanic ships. This rate effective beginning October 1, 1920.
