extended program service

. . . and television

## CBC facilities and service stand at a new high level

### AM

French-speaking listeners in Northern Ontario and the Prairies are now served with CBC programs in French . . . by the westward extension of the CBC French Network to privately-operated stations in Sudbury, Timmins, St. Boniface, Gravelbourg, Saskatoon and Edmonton.

More extensive program service is also available to English-speaking listeners, coast-to-coast. The CBC Dominion Network, maintaining its varied *evening schedule*, has expanded still more its *daytime* program service.

The Trans-Canada Network, with a daily sixteen-hour schedule in all six of Canada's time zones, continues to bring to listeners the best in music, drama and comedy . . . news, information and public service programs . . . new features and greater variety.

### TV

To its nationwide service via *network radio*, TV has been added in Canada's two biggest markets. CBLT-Montreal and CBLT-Toronto are now in operation. Additional CBC television stations are planned for other regions.

As Canada's economy rises . . . as its population grows and its markets steadily increase . . . CBC service continues to expand.

In the use of these expanded facilities . . . network radio *and* television . . . and in the development of top-flight programs . . . the CBC stands ready to co-operate in every way possible with advertising agencies and their clients.

## **HEY — LOOK AT YOUR**

### **\*NEIGHBOUR'S BULGING BILLFOLD!**

**Y**ES — Canada's a pretty wealthy guy right now. Got lots of cash — good old-fashioned folding money, which he's ready to lay out on most anything you can sell him. Been doing particularly well just lately. Gotten him some nice oil strikes up in Alberta. Turned up uranium in Saskatchewan and a whole raft of iron ore in Labrador. Owns quite a parcel of heavy industry in Quebec and right down through Ontario. And the old family business of lumber and gold and fishing don't exactly bring in chicken-feed, either.

Always been the States' best customer. Likes much the same things you do — for himself, his home, the wife and kids. Drives the same autos, reads the same comics, gets just as het up over the World Series. 'N his wife's just like yours, too. Makes the country over at the women's clubs, fusses over Junior's diet, shops more and more at the supermarket.

Only difference is — he's a mite hard for you to get to know. Often speaks two languages, French and English, has quite a few personal quirks you mightn't know about. And times he lives way off where it's plenty tough to reach him.

Except by radio. Canada listens to radio most all the time — and most everywhere. For his leisure he just naturally likes to pull up a chair and visit with the folks at his local station. And whether he speaks French or English, Canada and radio are right friendly. Takes radio's advice on what to buy — and he sure buys plenty. Spent nigh on 10½ billion dollars last year, just in the stores.

Yes, sir! That's Canada, your customer. How's about letting us go get him for you.

*"In Canada you sell 'em when you tell 'em!"*

A message from the 115 member stations of the Canadian Association of Broadcasters whose voices are invited into over 3 million Canadian homes every day.

# Canada's Selective Radio Headquarters

The little All-Canada man represents all phases of Canadian broadcasting — both time and talent.

Through the years he has come to symbolize not only the Company he represents, but the medium he champions: *Selective* Radio.

In a vast country with wide "skip-distances" between major markets, All-Canada offers you the most economical, most effective method of reaching the consumer at home through a select group of key Canadian stations.

Call on the All-Canada man wherever your campaign plans extend into the Canadian market. He'll be ready to discuss times and stations; and All-Canada also offers you selection from the world's largest library of transcribed programs.
