ASCAP REPRESENTS GREAT MUSIC

The American Society of Composers, Authors and Publishers (ASCAP) has a membership of 5,606 authors and composers and 1,536 publishers. These talented men and women create the best in American music which is known throughout the world. ■ The Society's

members write the popular hit songs, rhythm and blues songs, great sacred music, the songs from world-famous Broadway productions as well as the top Hollywood musicals, and the symphonic and concert music of our concert halls.

■ Organized in 1914 by a small group of writers and publishers, the Society is dedicated to seeing that every man and woman who creates musical works for the benefit of the American public shall receive just financial return when his *copyrighted music is publicly performed for profit*. In seeing to it that this right is amply protected, the Society encourages future creation of our American musical culture. ■ The ASCAP repertory is available to all users of music through a single license. ■ *ASCAP represents the great music of America.*

American Society Of Composers, Authors and Publishers

By **STANLEY ADAMS**
President

THE American Society of Composers, Authors and Publishers is a performing right organization, founded in 1914 by the late Victor Herbert and a group of his colleagues. The Society functions as a clearing house for the performing rights of the creators of music and their publishers.

The performing right is granted by the United States Government under the Federal Copyright Law. This right entitles composers, authors and publishers of musical compositions to payment for their works whenever they are performed publicly for profit.

Through ASCAP, any user of music may obtain from a single source the right to perform the works of more than 5800 writers and 1650 publishers who are members of the Society, at a minimum expense and without the necessity of negotiating for each separate use.

ASCAP's extensive repertory covers every phase of American music literature. In addition to the best-loved popular and show

music, it includes the finest country and western music, church and sacred selections, and a catalog of much of our contemporary classical music: symphonic, chamber and choral works and recital selections.

Radio and television broadcasters have access to this entire repertory when they obtain an ASCAP license. This license guarantees them a clearance on all ASCAP composers' and publishers' music; at the same time it provides for the writers a sustained livelihood from the works of their own creation, and a means of enabling publishers to invest in the exploitation of new works.

The Society's Board of Directors consists of twelve writer and twelve publisher members elected biennially by the writer-and-publisher-membership respectively. Its officers are elected annually. Headquarters are located at 575 Madison Avenue, New York 22, New York. It maintains twenty-three branch offices in major cities throughout the country.

OFFICERS OF ASCAP: President: Stanley Adams; Vice-President: Louis Bernstein; Vice-President: Otto A. Harbach; Secretary: Deems Taylor; Ass't Secretary: Arthur Schwartz; Treasurer: Frank H. Connor; Ass't Treasurer: J. J. Bregman.

DIRECTORS: Stanley Adams, Louis Bernstein, Jack J. Bregman, Irving Caesar, Frank H. Connor, Paul Creston, Howard Deitz, Max Dreyfus, L. Wolfe Gilbert, Bernard Goodwin, Morton Gould, Otto A. Harbach, John D. Marks, Jimmy McHugh, Jack Mills, Richard Rodgers, Arthur Schwartz, Maurice Scopp, Herman Starr, Rudolph Tauert, Deems Taylor, Adolph Vogel, Ned Washington, Jack Yellen.
