World-Wide Short-Wave Stations

Active and Most Commonly Heard in U. S., Listed by Frequency

(For all Canadian Short-Wave Stations, see separate listing, p. 188) Abbreviations: Kc., frequency in kilocycles (to change to megacycles, divide by 1000); C.L. call letters. Due to malfunction of transmitter, interference by other stations, jamming, variance in propagation conditions, or reallocation of frequencies, stations may use other frequencies than those given.

The abbreviation (VOA) denotes Voice of America.

The symbol ● denotes stations beaming regular evening broadcasts to the United States.
