Most of the shows on January 11, 12, 13 were listed in last week's report. Changes and additions are included here for the record. Multiple and across-the-board shows are grouped together after the listing for Friday, January 18. Script identifications used are; (O) Original, (A) Adaptation, (SW) Staff-written, (SD) Staff-directed. Performers are identified as singer (S), dancer (D), comic (C), musician (M). Actors who appear regularly are listed in the premiere cast, then subsequently referred to as "regulars". Live shows are listed in caps in the left column; filmed shows are in upper and lower case letters, underlined.

Generally, only first runs of a film series are listed. Running character series (not anthology), usually staff-written shows, and other programs which use regulars, are listed only when the names of extra actors are available.
