

THE ENFIELD EMPORIUM

Would like to welcome you to their new emporium. It is just 1 mile from the North Circular Road in Enfield. There is plenty of room to park and cups of cocoa will be available to those in need of refreshment.

Why not let us MOD it? We can add an i.e.d. S-meter to your 2E (or 4E) while you wait!! We supply a completely new face-plate and the mod can either be carried out in our workshop (£20:25p) or we will supply a kit for you to fit yourself (£16).

LOAN SET — We will have two licensed engineers in attendance to help you with any problems that you may have and they will be willing to repair rigs that were bought elsewhere! We will even offer you the use of a LOAN SET while yours is being repaired!!!
