Do you realise what personal tuition means? At the best, text-books and the like can only tell you the theory of playing. But in my personal tuition I not only explain the theory, but actually illustrate to you on the instrument, so that by hearing the result you can obtain a perfect appreciation of what is required. SATISFACTION

Majestic Ballroom, Llandudno.
Dear Sirs,—I beg to show my appreciation of your endeavours to produce a perfect reed. I am a saxophonist at the above Ballroom and play alto, tenor, and soprano saxes, and use your reeds on all my instruments. On my recommendation my pupils are also well satisfied users. I shall have pleasure in recommending your reeds at every opportunity. — Yours truly,
(Signed) J. WESTON,
Saxophonist.
