SINATRA : BIG LONDON DISC PLANS. So runs this week's Page One heading. And among the jubilation with which this will be greeted by artists, musicians, arrangers, pub-lishers, record-buyers and lishers, record-buyers and others whe mey expect to benefit, I can already detect a groan of despair. It comes from the Gramophone Record Retailers. The boys, (and girls) whose job it is to leap to the bidding of the record of his choice. And that is the point. More and more labels are coming on to the market, and writs reds knowing which discovered the corder, which to ignore. If all the Ketin Proxes shoremach months releases, said Chairman Peter Cadbury the

CLIFF-slow but sure

"TRAVELLIN' Light"/
"Dynamite" (Columbia
DB 4351). Cliff Richard,
fresh from the success of
his easy going hit, "Living
Doll," slows down the
tempo even more on his
"Travellin' Light"

"Travellin' Light."

But the formula is almost the same as "Living Doll"—a lilting number with an insistent rock

beat.
On the backing, Cliff cuts loose with "Dynamite"—a power packed lan Samwell number that is strictly for rock addicts. This coupling should pro-vide Cliff with another ticket to the Top Ten—at express speed.

"JAZZ ON THE ROCKS"

KAY clings to the beat

KAY STARR, the "Wheel of Fortune" girl, spun into London last week, and almost as quickly spun out again.

out again.

After one TV shot on "Sunday Night At The London Palladium"—her only professional appearance here—Kay left for New York on Tuesday with her 12-year-old daughter, Kathy.

At the State of the top contain, the explained. She's one of the top girts in her class, and I don't want her tuition to be interrupted too much.

Wincipusness

Vivaciousness

"But I do consider this trip to Europe part of her education. She has been able to see some of the things she has read about. Pur a show business personality to display such consideration of family affairs may seem unusual.

But then Kay is a pretty unusual person. Her vivaciousness and genuine interest in other people are one of the reasons why she can command as big an audience of stage as on.

Memories

Journalists and recording executives througed her Fress reception at the Dorchester last week. Many came to say bello again, carrying ance at the Falladium back in 1933. On that occasion. Kay endeared thereid to all present, Not only for her consummate artistry; but also because she revealed that also is at

LAURIE HENSHAW

least one neon-lit name that has not been spoiled by success.

If ever a person warranted the adjective "natural," then that is Kay. She wisecracks her way through interviews with the easy aplomb of a born comedian.

She was mursing a cold from the time she arrived until she boarded the homebound 'plane at London Airport. But her first words to the Mexoer Maxen were: "I've been blowing my nose so hand, I guess I sound like W. C. Fields in one of those early movies."

And even with the testing ATV Sunday show in the offing, ahe was able to crack; "Reckon I'll sound like Tallulah to misse. Maybe I'll seven start a new singing style," or the start of the

"The masses don't want to know about jazz.
"That is just for when you want to have a ball in your own living-room."

True, to a point. But Kay still likes to record with top jazzmen. In her time, she has made diacs with altoist Willie Smith, trumpeter Harry "Sweets" Edison, and planist Gerry, Wiggina.

And she siways tries to have a fair quota of jaz-inclined sidemen session; more commercial recording session.

Long-player

miniminum.

The present Hit Parade trend has passed Kay by, But she has hishopes of making a "singles" counselong the property of the present of the property of the property

PORGY package

PHILIPS seem set to a scoop the "Forgy and fless" disc market with their disa soundtrack LP. clarinettist Milton Mexzrow in the middle of a Press reception for folk singer Pete Seeger in Soho's Downbeat Club last Sunday.

To begin with, I had no idea Mezz was in Town. And I never associated him with the folksong

him with the Annancia boys.
But Mezz knew Seeger from a concert recording which featured Pete with Dig Bill Broonay. When he learned of the reception, he decided to make Seeger's acquaintance, and the seed of the reception he decided to make Seeger's acquaintance, and the seed of the reception heart Mezz—at a Broot and the fortice. What with that, and a mutual admiration for Big Bill, they soon found common seed of the see

round.

To my further surprise, I ctually heard Mezz chanting ackgrounds to Pete and guitar-daying troubadour Jack Elliott.

Mezz came over from Paris on Priday to collect royalties on his book and various tunes. Before he left on Monday, I was able to put his name up tor a TV programme of Al Capone, yesterday. Uthursday, to add authenticity to A-R's "The Big Man."

A HAROLD DAVISON PRESENTATION.

Pete Seeger-the folk legendcomes to life

WHAT does a real live, flesh-and-blood legend look like? For, despite the too-few discs for small record companies, despite the passport restrictions that have kept us from hearing him for restrictions that have kept us from hearing him for so many years, and despite the fairly cool reception his records have had from most British critics, that's just what Pete Seeger has become—a legend. As audiences in London, Birmingham, Glassow and Liverpool will find out within the next six days or so, Pete is one American folksinger who justifies the reputation that has preceded him across the Atlantic. A fail, hady missical genulus whose looks and appearance tain five-string banjo player back in 1933, and promptly set out to reliastrument worthy of respect.

IN the record companies'

IN the record companies' "easy reference" list the only division made is between "classical" and "popular" music. Inevitably, jazz records fall into the "popular" category. "Jazz records fall into Older an another which nowadays is as inaccurate as it is outdated as intellectually atimulating as any music in the world; while if the traditional musical forms any music in the world; while if the traditional musical forms any music in the world; while if the traditional musical forms are not. We now "classical," then nothing is!

It is an insult men to himp limit together with an assorted not proposed of depositions of the proposed o

O LP WINNER

Same old song

JAZZ fans, it seems, are still considered by the rest of the world as consential idiota. A "Sunday Times" cartoon, for instance, recently depicted a cross-section of Britain's new

voters.

One of these was reading a copy of the Metopy Maker and labelled: "Senior Teddy Boy."

J. R. Solloway, Welwyn Garden City.

OCTOBER 3, 1959

Band is set to go

PRUMMER Tony Crombie has formed a new eightpiece band which will make its debut at London's
Flamingo Club on October 10.
The group will be resident at the Flamingo three nights
a week—Friday, Saturday
and Sunday—and will make
a special feature of arrangements by Crombie and exTed Heath planist-vibiat
Stan Trace, to Crombie and

ed Heath planist-vibiat tan Tracy. In addition to Crombie and racy, the group, which will be nown as the Tony Crombie technists, is completed by the construction of t

for the past eight weeks, while has been writing mal material arranging and fucting for Man From Incl." a new TV series being ed at Rintere Studies, both ritial: and America, by Top trital: and America, by Top
