ANOTHER NEWS CORNER

VANDEMBERG appeared at Paradox Amsterdam to prove once again that the band is getting tighter & better every time, they returned from touring the States and Japan. Also their stage show gets more spectacular each time they're back in Holland. Needless to say, that their album Heading For A Storm is still doing well, there is a new album planned soon.

GINA re-released her new single entitled Drive My Car on August 8th. Besides her solo career, she provides vocal highlights on several other works, including BILLY MC KENZIE's newest The Best Of You. Gina's single was produced by ZEUS B. HELD C. known from his works for FASHION and DEAD OR ALIVE among others. A video accompanies this release. The new album from DONNA WARRICK was produced by BARRY MANLOW, who also has written songs on the album and so has BARRY GIEB among others. Due to be released in September.

MOTORHEAD moved from New Zealand onwards to Australia where they currently continue their very successful tour. At a gig in Christchurch (NZ) a riot has happened; as someone got stabbed. - No - not the band - or by the band - the story went like this: A guy in the audience got so carried away in his enthusiasm that he was jumping up and down, headbanging, which apparently made the guy behind him so furious, that he probably decided the only way to stop the headbanger would be, to ram a knife into the boys bum! (A strange way to stop somebody's enthusiasm!) Anyway, it turned out to be sort of alright, not for the boys behind though, coz he'll probably be the only one in New Zealand, with a cushion tied onto his bum, poor sod! Note: MOTORHEAD had NOTHING behind though, coz he'll probably be the only one in New Zealand, with a cushion tied onto his bum, poor sod!

TURNTABLE TIPS

Falco - Junge Roemer - A&M
Born in Vienna, Falco scored a number one hit throughout Europe with his rapping dance smash Der Kommissar which even crossed the Atlantic and Falco being the first Austrian popartist to hit the American charts. His second album is a natural progression to the first one with its minimal basic compositions and slicky arrangements. Falco raps along electro-dance tracks as Junge Roemer, Big City/Brita (the next single) and Steummarb which are all very well suited for club play.

Michael Schenker Group - Rock Will Never Die - Chrysan
If there ever was some doubt for any of you that rock would die, then you better have a listen to MSG and there is your definite prove - Rock Will Never Die, it's live - alive and extremely well - loud & heavy with a suitliness only M.S. can achieve. Needless to say he is a master, able to make his guitar talk - turning music into vision. One of the strongest live albums of this moment.

Boomtown Rats - In The Long Grass - Mercury
Albumwise we haven't heard from them for a while. They've slightly changed, developed into a bit more funk-undefined & a lot moreopperware. Over again proves that Bob's voice still bears this charming, yeling, nagging, somehow underfrozen emotional colour which fits beautifully into their born arrangements. All songs, amongst them, Another Sad Song, shows that the Rats are still able to fascinate!
FOLLOWING HIS CRITICALLY ACCLAIMED AND SUCCESSFUL ALBUM “VOICE OF AMERICA,” LITTLE STEVEN WILL BE PERFORMING LIVE AT SELECTED EUROPEAN DATES.

A MEDIA REPORT

This week Richard label, working for Sonet Records in Oslo and part-time d.j., is taking a closer look at
the media situation in Norway. Although things are changing almost daily, this is the most up to date
picture of the radio, t.v. and cable developments in Norway.

Norway is currently enjoying a media boom in
t.v. and radio. Much has changed since the
beginning of 1982 when only 1 national
television channel and 2 national stations
existed on the state-owned NRK network.
In the spring of 1982 local radio stations
government granted permission for local radio
and t.v. to begin, on a non-commercial basis.
There are now over 40 radio stations, situated
town by town. More concessions
will be granted this autumn with an increase in
the broadcast frequencies allocated.
Finance has been much talked-about topic amongst local radio and t.v. stations, and since
advertising is still not allowed many have
had extreme difficulties. Most of the people
employed have been volunteers without pay.
Although proposals for commercial radio and
t.v. have been debated and largely accepted
at government level, nothing is likely to happen
before 1986.

Despite this, local radio has succeeded in
competing strongly with national countypart, according to the rating surveys in
particular Radio Oslo and Radio Motor here in
the capital and Solsid Radio in Stavanger. A
blend of music based programmes with local
news items and discussions has attracted
listeners mainly in the 15-40 age group.

National television will also be allocating more
time to music from the autumn - three new programmes in place of "Zirk Zakk" to feature
live artists as well as videos. A second national
t.v. channel is presently a much talked about
subject of conversation - but again, no definite
date set as yet. Cable television has also made a big impact here recently and Norway boasts more cable
homes per capita than the U.S.A. There are
now over 90.000 cable homes in Oslo
receiving Sky Channel via Janco, the country's
largest cable company, which is based in Trondheim.

Radio Oslo from left to right: Peter Nome (also
with NRK TV), Haakon Holm, Christine Stop (seated); Tor Reigberg, Jens Brun-Pedersen

NIGHT CORNER

Hi, ★ MOTLEY CREEW will probably do all gigs with AC/DC where there are more than 2 acts. Mainly festival dates and other dates as special guest on the IRON MAIDEN tour 1984. From October 16th to November 14th, Germany, Scandinavia, Benelux & France. After that they'll probably return to the UK for some solo concerts! ★ DINK BLANCHART released his second solo single entitled Drop Me In A City. His album will be released in autumn ★ JUDAS PRIEST, (we all know them now, don't we?) have been presented by CBS, the Crystal Globe Award. It's given to artists who sold more than 5 million LP's outside their own country ★ JOE JACKSON scared the hell out of all the record company people, on the end of his concert in LA, because he spits the words into the audience saying: "This is our last tour". Heartattacks all over, for nobody had been informed about this decision ★ THE ESCAPE released their single entitled Russian Lady. They've finished their video in Berlin to accompany the release. The Band is currently material for their first album, which is keeping with the European flavour of the band, they intend to record abroad, wherever that may be! ★ By the way, did anyone of you know that MARK KNOPFLER was a teacher at Laughton College before he became a famous musician? ★

Now some news about PICTURE, a Dutch HM band. They'll be leaving for a 3 week Scandinavian tour in September, January will be a big month for those boys, for they have 9 gigs in stadiums which hold 40.000 people, in Mexico, Columbia, Brazil, etc., until that their USA tour at the moment Picture's writing new material for their forthcoming new album which will probably be titled Fantasies. Release can be expected at the end of this year. Watch them! ★

Another Dutch band which is finally starting to get the recognition they deserve is VITESS: they released a new single Vanity Island. In the group's new line up is DANIEL LANZ (MACHETE) with HERMAN BROOD & THE WILD ROMANCE ★ Talking about HERMAN BROOD, his new album The Brood is getting very good response and also the new single drawn off this album, entitled My Girl is heading for the charts. Both VITESS & BROOD are known and much appreciated for their live gigs ★

Next News Corner

HANOI ROCKS released their new album entitled Two Steps From The Move. There's a very good balance on it called Don't You Ever Leave Me. The whole album is well worth listening to. The new FIX( single is entitled Are We Ourselves? And as we announced in an earlier issue. Sorry for that, but obviously things do change sometimes without a warning, well, in advance. CY CURNIN & JAMIE WEST-ORAM (THE FIXX) did a guest appearance on one of TINA TURNER's videos Better Be Good To Me. Mid August will see the re-release of VIKKI BENSON's single Easy Love, which was originally produced by KEN GOLDB. This version was remixed by IAN LIVINE. It's a 12 minute long megamix. THE ADVENTURES released their debut single for Chrystalis on August 3rd, called Another Silent Day, produced by STEVE HARVEY. The B-Side was co-written by friend JOHN MARTIN, produced by the ADVENTURES and re-mixed by STEVE HARVEY. The band is currently in the Air Studio in London to work on their debut album. Due for release mid September.

PAUL SIMON (no need to explain who he is? Yes, SIMON & GARFUNKEL) started his solo tour 1st of August. This tour fulfilled a dream, something he always wanted to do. There will be one concert in 12 cities of the USA, including New York. July 10th was proclaimed to be ROD STEWART DAY in Vancouver in British Columbia. Rod was presented a honorary membership to the City's White Caps Soccer Club & The Key to the City of Vancouver, by the Mayor. On that day, Rod was presented with a Gold record for his newest album Camouflage for more than 50,000 copies sold. Although Rod's in the middle of a massive, 70 date North American tour, he appeared at Vancouver's Coliseum as a grand finale to the Rod Stewart Day.

RUDY VALENTINO & THE VALENTINOS are at the moment doing a huge promotiontour around the UK. They have their first TV appearance this week on Freeze Frame, where they'll be showing how to do the Swamp Stomp. See page. 15.
