ROY AND SHELTON ARE FIRST TO RECORD FOR CAMARA

AMBROSE AND VERA LYNN TO FOLLOW

(MUSICAL EXPRESS STAFF REPORTER)

Following the great news we reported exclusively last week that Tito Burns was here to supervise recordings of British artists and plan for production in the United States, "Musical Express" has great pleasure in advising its readers that the first artist and band to record for Burns under the advice of this great producer and arranger, will be none other than Harry Roy and his Band together with our own Anne Shelton.

NAT GONELLA FOR SOUTHEA

Visitors to the newly formed Savoy Restaurant and Ballroom, Southsea, will welcome the arrival of Nat Gonella, who will be accompanied by his piano partner, and his Georgians. Gonella's band is notable for being the first band to record a hit record in the United States and his band will soon be available at the new establishment.

THE RADIO REVELLERS ON LIGHT

Black Magic, the noted modern dance band composed of Pat Dutton, which features the "Radio Revelliers" and Stanley Black and Augmented Dance Orchestra, will be heard on the Light Programme on and after August 9th. The band will play numbers from the latest several programmes. Orig.

HARRY GOLD FORMS A PARTNERSHIP

For some time Harry Gold has been contemplating the idea of opening his band's cabaret in London, an increasing number of Londoners have been heard to express their desire to see the band. Gold, who has worked with many popular stars, has decided to form a partnership with a London manager, and the band will be heard on the Light Programme in the near future.

DINAH KAY FOR POTOMAC WITH DARE

Well-known blues singer Dinah Kay is about to make her London début as the new leader of the Potomac with the Dare band. Kay is a popular figure in the blues world, and her arrival in London is anticipated with great enthusiasm.

FURTWangler SUPERB AT HAMBURG

The Furtwangler Symphony Orchestra, under the direction of Dr. Walter Furtwangler, has been making a tour of Europe, and their performance in Hamburg has been received with great acclaim. The orchestra's playing was praised by critics, who described it as one of the finest in Europe.

ROCKETS BREAK RECORDS

The Blue Rockies Dance Orchestra, conducted by Jack Kuhne, has broken all previous records for attendance at the Savoy. The band's popularity continues to grow, and they are expected to have many successful engagements in the near future.

THE BOYS WHO PRINT "MUSICAL EXPRESS"

The first annual outing of our principal staff took place last Sunday, when the staff members were invited to Clarke's Oast House for a lunch and inspection of the premises. The occasion was a great success, and the staff enjoyed themselves thoroughly.

Heath-Parnell Golf Match

The annual golf match between Heath and Parnell, two of the leading teams in the county, was held at Littlewood Park, and the match proved to be a close contest. Heath emerged victorious, and the match was played in fine weather.

TITOST MUSICAL EXPRESS TONIGHT

Tito Burns Takes Accordance Club to Savoy, Southsea

WHEN Tito Burns, whose programmes with his Sextets and the Autumn Inn are now being heard all over the country, took over from Norman Rossington last week, the Accent of Britain was delighted to find that Tito would be continuing his work in the United States with the Savoy Club. Tito and his Sextet will be appearing in the Savoy Club for the next few weeks, and the Accent hopes to see them soon.

MAUREEN McIVER WITH THE STARDUSTERS

Maureen McIver, the young singer, who recently played in America, has returned to England and is now appearing with the Stardusters, who are one of the leading bands in the country.

FANS ARE INVITED TO MEET MOFFATT

As Moffatt fans are invited to the Savoy Club, Southsea, on Saturday, July 25th, between the hours of 7 and 8 p.m., the Accent hopes to see some of them there. Moffatt is one of the country's leading popular artists, and his fans will be delighted to have the opportunity to meet him in person.

TATE'S PROM SEASON OPENS WITH THE L.S.O.

The fifty-third season of the Tate's Promenade Concerts will open on Saturday, July 25th, with the London Symphony Orchestra under the conductorship of Sir Thomas Beecham. The concert will take place at the Royal Albert Hall, and will be conducted by Sir Thomas Beecham.

Rose Room

The Rose Room is the new dining establishment in London, and is located in the heart of the city. It is a popular place for dinner, and the Accent believes that it will soon become one of the most fashionable spots in the capital.

JACKSON PRESENTS NOVOMATIC

This new machine is considered by many to be one of the most interesting machines on the market at the moment, and it is sure to attract many customers.

**THE TRUTH ABOUT MARIHUANA**

By a Doctor

MARIHUANA, with every other weapon of death, is a very old thing. It grows wild in many parts of the world, including the United States, and has been known and used from the 6th century B.C. to the present day.

In 1799, the U.S. Government passed a law making the importation of tobacco into this country a crime. In 1802, the U.S. Government passed a law making the importation of opium into this country a crime. In 1841, the U.S. Government passed a law making the importation of opium into this country a crime.

The trouble is that the public has not realized the dangers of these drugs. The public is not aware that these drugs are dangerous to the health and safety of the individual and the community.

The action of these drugs on the brain is still not fully understood. It is known that these drugs change the way the brain works, and that these drugs change the way the brain works. It is known that these drugs cause changes in the way the brain works, and that these drugs cause changes in the way the brain works.

In conclusion, it is therefore important that we all be honest and be willing to face the truth about these dangerous drugs. We all need to work together to prevent the use of these drugs. We all need to work together to prevent the use of these drugs. We all need to work together to prevent the use of these drugs.

**VIEWS ON THE ACCORDION**

By George Shearing

F**

The best thing about the accordion is that you can play it anywhere. It's a portable instrument that you can take with you wherever you go. It's a beautiful instrument that you can play in any setting. It's a wonderful instrument that you can play in any setting. It's a delightful instrument that you can play in any setting.

Addition does not mean the sum of parts. The whole is greater than the sum of its parts. The accordion is a beautiful instrument that you can play in any setting. It's a beautiful instrument that you can play in any setting. It's a beautiful instrument that you can play in any setting.

For playing the accordion, no one is better than George Shearing. He has made the accordion a household word. He has made the accordion a household word. He has made the accordion a household word.

In conclusion, it can therefore be said that George Shearing is the greatest accordion player of all time. He is the greatest accordion player of all time. He is the greatest accordion player of all time.

**THE HOUSEWIFE'S CHOICE**

By Mrs. C. W. Smith

My only hope of hearing music is through my stereo system. I keep my stereo system in the bedroom, but I don't want to hear it in the bedroom. I want to hear it in the living room. It's a peaceful environment.

Professionally, my hobby is music. I keep my musical instruments in the garage, but I don't want to hear them in the garage. I want to hear them in the living room. It's a peaceful environment.

**CUBAN RHYTHMS**

By Don Marino Barreto

For many considered a national musical instrument, the Cuban Rhythm was born in the 1920s. It is a rhythmic pattern that originated in Cuba and is characterized by a series of syncopated triplets.

The Cuban Rhythm is a very important component of many Latin American music styles, including salsa, bossa nova, and afro-Cuban jazz.

In conclusion, it can therefore be said that the Cuban Rhythm is a very important component of many Latin American music styles.
**IS THERE A SLUMP?**

asks

Jack Fallon

Manager of the Jack Hylton Agency

...show without music... the orchestra has no power, and that's a very important thing. I think that the music industry has been hit hard by this slump, and I'm afraid that it will take a long time for it to recover.

After all, you wouldn't expect the music industry to be as strong as it was before the slump. The same holds true for other industries, such as the film industry. In fact, I believe that the film industry has been hit even harder by the slump, and it will take even longer for it to recover.

I'm afraid that the slump is going to continue for a long time, and that's why I'm afraid that it will take a long time for the music industry to recover. I think that the music industry will have to change its ways, and that's why I'm afraid that it will take a long time for it to recover.

The slump has hit all of the music industry, and I'm afraid that it will take a long time for it to recover. I think that the music industry will have to change its ways, and that's why I'm afraid that it will take a long time for it to recover.

I'm afraid that the slump is going to continue for a long time, and that's why I'm afraid that it will take a long time for the music industry to recover. I think that the music industry will have to change its ways, and that's why I'm afraid that it will take a long time for it to recover.

THE MUSIC OF THE WORKING MAN
By Jas. Seddon

The theme of this paper is one of the many subjects which have been discussed in recent years. The question of the working man's music has been a subject of much debate and discussion. The working man's music is a rich and varied form of expression, reflecting the social, economic, and cultural conditions of the time. The working man's music is not only a reflection of his daily life, but also a means of escape and a way of coping with the harsh realities of work and life. The working man's music is a source of inspiration and a means of communication, allowing the working man to express his feelings and ideas in a way that is unique and personal. The working man's music is a testament to the resilience and creativity of the working man, and a reminder of the importance of preserving and celebrating this rich and diverse form of expression.
