MICKEY ROONEY RAISES SKYROCKETS AT THE PALLADIUM DENNY DENNIS SWOONING (Parnell Style) FOR U.S. SHORTLY

"Never Played with a Greater Band than this"

TO A CROWDED HOUSE AT THE LONDON PALLADIUM ON MONDAY NIGHT, MICKEY ROONEY, INTERNATIONALLY FAMOUS M-G-M HOLLYWOOD STAR, THANKED AN ENTHUSIASTIC AUDIENCE FOR THEIR WELCOME...

This writer knows for a certainty that this was not just a show stunt. On the best authority I am able to say that at rehearsal the Skyrockets and their musical prowess came as a pleasant surprise to Mickey Rooney.

FIVE BIG BANDS FOR BUTLIN'S ANNUAL PAGEANT

ONCE again Al Berlin, Musical Director for Butlin's Camps, advises that they have taken the Albert Hall for their annual pageant which will be held on February 2 and 3.

This year there will be five bands playing. These will be The Squadrinaires, Eric Winston's, El Mario's Ladies Rumba Band, Butlin's Concert Orchestra directed by Al Freid, and Butlin's Old Time Orchestra which will be conducted by five of the camp orchestra leaders.

The programme will commence with 30 minutes dancing to the Squadrinaires, Eric Winston and his orchestra will be followed by a "Keep Fit" display by 120 girls.

Following another thirty minutes dancing to the Squadrinaires, the programme will continue with a cabaret consisting of the Hortobagyi Troupe, Sugar Babes, The Rudas Twins and Charlie Wood.

Mickey Rooney made his appearance in his own characteristic breezy and exuberant style. There is a gag while Charlie Forsythe introduces him, but I thought this was a hiatus.

Now that readers are aware of the Rooney routine, they can better understand how useful a great band like the Skyrockets could be to such an artist.

Rooney is here for four weeks and I must say that Val Parnell has turned over his London Palladium to variety in the grand manner, for Rooney has fine support from an excellent and fast-working bill.

SAMPSON HELPS ELLINGTON

RAY ELLINGTON and his Quartet who are currently playing at the West End Café, Edinburgh had a bad blow this week when pianist Dick Katz had an accident on his motor bike in Dunstable.

Ellington tells us that considering the unusual type of arrangements the outfit uses and the fact that he had only two hours' rehearsal with the band, Simpson put up a wonderful show.

The capacity of the Café is approximately four hundred but we are given to understand that between five and six hundred people crowd in to hear this new outfit every night.

Tessa Howland had a big day when she carried out her first assignment as hostess to Mickey Rooney on his arrival and subsequent journey to London.

Thanks Mr. Dambman!

Dear Sir, Having read the article in the current issue of the "Musical Express" headed "Oh - Mister Dambman!" I feel you will be interested in the subjoined copy of a statement issued to the Press.

Following the action of musicians in the United States and Canada in causing to make gramophone records in consequence of the ban imposed by the American Federation of Musicians, the Musicians' Union here, through its General Secretary, Mr. F. Dambman, today issued a statement.

Mr. Dambman states that the subject is of course regarded as of importance by the Union, whose Executive Committee will keep a close watch upon developments.

CONTEMPORARY FRENCH MUSIC

This Saturday evening there will be broadcast the first of a series of four programmes of contemporary French music.

Denny's popularity in America has been phenomenal and we advised our readers three weeks ago that Billboard had acclaimed his first London records to reach that country.

Denny's popularity in America has been phenomenal and we advised our readers three weeks ago that Billboard had acclaimed his first London records to reach that country.

"Musical Express" takes great pleasure in advising its readers that Denny Dennis is shortly to sign a contract with William Morris Agency through his own Agents, Foster's, whereby he will go to the United States for personal appearances this year.

Denny sings richly, somewhat like Bixie only going better control and he puts a lot of heart into his songs.

Readers will be glad to hear that popular vocalist Rita Williams is to be heard as a solo artist on the Parade on January 19.

The Blue Rockets in action

The Blue Rockets are booked for a return season at Greens Playhouse Glasgow where they open on February 9 for three weeks.

NEW PROGRAMME FOR THE SQUADS, SAM BROWNE AND JACK JACKSON

IN place of three pantomimes that will not be broadcast due to the M.U. decision to demand more money for bands doing outside broadcasts, the B.B.C. have given a complete programme commencing last Wednesday and for the next two weeks, to the Squadrinaires, with featured vocals by Sam Browne and Jack Jackson as compere.

PEGGY BROOKES & VAL MERRALL TEAMING UP

Readers who have heard Australia's Sweetheart of Song, Peggy Brookes in her own radio series and other broadcasts since her arrival in this country, will be interested to hear that she will team with Val Merrall for a variety Band Box date on January 26 and a series which will commence shortly.

AMERICAN NETWORKS WANT A RECORD AGREEMENT

Like Our Own with the B.B.C.

A BIT like I know, but happy to see that the great record companies in America just now seem to be bright and cheerful about the prospect of a deal with the B.B.C. The deal in question will be on the lines of the one which is being made in this country with the B.B.C. and the American Record Company. It is a deal which will be of mutual benefit to both sides. The American Record Company is a large and powerful organization, and it is one of the few American record companies which have a wide and loyal following in this country. The B.B.C. is a public corporation, and it is one of the few British record companies which have a wide and loyal following in America. A deal between the two would be a great step towards the realization of a world-wide record agreement.

THE VOICE

A DREAM COME TRUE
Without any comment, the first page of "Musical Express" carried for its main story last week the Elton John article. It is a brilliant, and in many ways a revolutionary, article. It is not only a brilliant piece of journalism, but it is also a brilliant piece of music criticism. It is a piece of work which has never been done before in this country. It is a piece of work which has never been done before in this country.

OTHER PEOPLE'S VIEWS
It is always interesting to see other people's reactions to the important situation such as this. One contemporary article is "freely concerned" with the question of whether the spirit of the dance continues will be maintained. This is a question which is of great importance to all of us who are interested in the dance. It is a question which is of great importance to all of us who are interested in the dance.

THE REAL ANSWER
The real answer is here for all and sundry (including our very nervous contemporary). In real, mark and heavenly right. It doesn't matter what style of music you play. If you play for a living you are a musician. The new Elton John is a body unashamedly yours to keep party politics and personal beliefs out of the picture. He is not a professional singer, he is a professional musician. He is not a professional singer, he is a professional musician.

DESPITE a lot of bad feeling in the profession, it is obvious that most musicians are now headed for a great big time.
