NO INCREASE IN PRICE

Musical Express will not be increasing its prices. For a long time now, we have believed that our charges are already very reasonable, and that they were just, as the saying goes, "not the best of prices." We are now, and we have been, prepared to stand by that opinion.

The Voice of the people is a phrase that is often heard in these parts. It is a phrase that is often used to describe the way that people feel about a certain situation. In this case, it is a phrase that is used to describe the way that people feel about the price of Musical Express.

THE GREAT VANISHING

This is the week of the great vanishing. All the dogs in the neighborhood have disappeared. They have all been collected in a large box and have been carted away to a distant place. The dogs are gone. The neighborhood is quiet. The streets are empty. The children are in school. The adults are at work. The dogs are gone.
