Carpenter Goes to WHK: Howlett to Watch Tower HAMILTON, Ohio — Mr. Carpenter, the former general manager of WEZC, has been appointed manager of WHK, Cleveland, taking effect July 1.

Mr. Carpenter, who was also associate general manager of Kolmar Laboratories, Inc., will return to his former work as manager of WHK after a four month business trip to Europe and the Orient.

Mr. Carpenter was previously manager of WEZC, Duluth, and involved with the cooperation of educational and religious institutions. The cooperation of these institutions will be emphasized in the new WHK program, according to Mr. Carpenter.

Carpenter's previous experience also includes the field of educational broadcasting, and he has been associated with the University of Minnesota, the University of Chicago, and the University of California.

Dill's Choice Is Not To Run for Senate Still Undecided on Whether To Start News Service

The draft board has made an ultimatum to Senator Dill, but the senator is still undecided whether to run for Senate.

Senator Dill, repeatedly had said that he would not run for Senate, but he has now decided to run for Senate. He has been active in the Democratic party and is well known in the state.

Senator Dill's decision to run for Senate is based on the fact that he feels he can better serve the people of the state as a senator than as a representative.

The draft board, which has been urging Senator Dill not to run for Senate, has now warned him that if he does not run for Senate, he will be drafted into the army.

The draft board has been active in keeping senators from running for higher office, and Senator Dill is one of the few senators who have been urged not to run for Senate.

CBS Defends Radio From Accusations That Advertisers Dominate Programs

Seventy Per Cent of Network's Time Non-Commercial; Cease of Commercials is Most Significant Aspects of Service

CBS, the network that has been accused of being too commercial, today announced that 70 per cent of its time is non-commercial.

Mr. Chase, president of CBS, said that the network is working to improve its service by reducing the amount of time devoted to commercials.

Mr. Chase also said that CBS has established a new committee of advertisers to help the network improve its service.

The committee will meet regularly to discuss ways of improving the network's service and to ensure that the network is meeting the needs of its advertisers.

The committee will include representatives from a variety of industries, including retail, entertainment, and manufacturing.

The network's decision to reduce the amount of time devoted to commercials is a response to criticism that the network is too commercial.

The network's move to reduce commercials is expected to be welcomed by consumers who are concerned about the increasing amount of advertising on television.

The network's decision to reduce commercials is expected to be welcomed by advertisers who are concerned about the increasing amount of competition for their advertising dollars.

The network's decision to reduce commercials is expected to be welcomed by the network's employees who are concerned about the increasing amount of work required to produce commercials.
