NTA Signs Four Sponsors For 'Sheriff of Cochise'

NATIONAL TELEFILM ASSOC., New York, last week completed its second substantially large regional sale of its new Sheriff of Cochise TV film series, signing four sponsors for total gross billings of slightly more than $500,000. The series was bought in 34 west coast markets by White King Soap, A-1 beer, Star-Kist tuna and Carnation milk, all through Erwin, Wasey & Co., Los Angeles.

The first large regional sale on Sheriff was made several weeks ago to Socony Mobile Oil Co., which signed for 67 midwest markets, with billings estimated at $500,000. Ely Landau, NTA president, noted that both regional transactions were completed even before a pilot on the series had been made. Production on the series is scheduled to begin today (Monday) in Hollywood. It is being produced by Desilu Productions in association with NTA. The release date on Sheriff is Oct. 1.

California National Buys Rights for Tarzan TV Series

IN A TRANSACTION understood to total about $1 million, California National Productions Inc., an NBC subsidiary, has acquired the theatrical Tarzan feature film series for TV, share in the control of all re-issues of old Tarzan features to theaters and TV, and handle all Tarzan merchandising, with the exception of publication rights.

The agreement between the NBC subsidiary and Sol Lesser, producer of the Tarzan features, was announced last week by Alan W. Livingston, president of CNP, who said "the demand to put Tarzan on television has been widespread for a long time." He added that the series of 39 new half-hour Tarzan TV programs will be offered for national sponsorship in January 1957. The series will be produced by CNP in Hollywood, with Gordon Sondre in the title role.

Mr. Livingston reported that theatrical Tarzan features, in which California National shares distribution rights, now include 12 in re-issue, plus one recently completed. All future Tarzan features will be bought under the same arrangement, according to Mr. Livingston.

Earlier this year, Los Angeles Superior Court Judge William J. Palmer upheld a 1930 contract between Edgar Rice Burroughs Inc. and Commodore Productions & Artists Inc. giving exclusive radio rights and first option in TV to Commodore. Sol Lesser Productions explained, however, that Commodore failed to exercise the option and hence the Burroughs organization was free to make a TV pact with Lesser. Walter White Jr. of Commodore indicated to B+T Wednesday that the issue is not closed.

WARNER BROS. Pictures and subsidiaries last week reported a net profit for the nine-month period ended May 26 of $2,165,000, equal to 87 cents per share, compared with a net profit of $3,312,000, equal to $1.33 per share, in the corresponding period of 1955.

The company said that on July 26 it completed the $21 million sale to PRM Inc. of the company's library of feature films and short subjects released before Aug. 1, 1948. It added that $16 million was in cash. The $5 million remaining, Warner Bros. said, is payable in notes over a three-year period. Proceeds of the sale, the company reported, will be treated as a capital gain by the U. S. Treasury.

Disney Denies Charges In Kirk Douglas' Suit

WALT DISNEY has denied all accusations of invasion of privacy claimed by actor Kirk Douglas in a $415,000 damage suit filed in Los Angeles Superior Court in connection with the showing on ABC-TV of Disneyland film clips of the actor taken during a party at Mr. Disney's home (BT, Aug. 6). Mr. Douglas was shown riding in Mr. Disney's miniature train. The suit named sponsors, agencies and ABC-TV as well as Mr. Douglas.

The court suit claims Mr. Douglas had been "enticed to Disney's home, ostensibly on a social visit" when the films were made. Later they were used on Disneyland. But Mr. Disney's counsel explained that when the films were made, Mr. Douglas was in the yard of the producer voluntarily and without invitation and actually cooperated in staging the film sequence and lining up the camera.

Mr. Disney said the Douglas appearance on TV was for only 26 seconds and it is hard to believe that any actor who has appeared so often in films and on TV could be damaged in that amount of time.

In a new statement, Mr. Douglas said he has enjoyed working with Mr. Disney but such an "involuntary" appearance on TV should have been challenged. The list of famous film and TV screen actors have in their professional security. "An actor, like a cleric, or butcher, or truck driver, expects to get paid for his work. It is neither right nor fair that a producer should exploit the actor's name, position and drawing power for commercial gain without paying for the actor's services," he said.
