Tons O' mentions for **ALL-4-ONE** So Much In Love (ATLANTIC)...How can you resist those smooooth harmonies and familiar sound??? Great Conference Call and Disc Club mentions.

One of the hippest acts available anywhere: **SMASHING PUMPKINS** out now with Disarm (VIRGIN)

Winning the Golden Globe Award is setting the stage for an almost certain Oscar nomination for **BRUCE SPRINGSTEEN** The Streets Of Philadelphia (EPIC S.TRAX) Programmers already hip to this track and telling us so in Disc-overly Club include Tony Novia, Jimmy Steal, Ken Benson, Garrett Michaels, and Casey Keating, to name a few.

Coming up HUGE on the Conference Calls for the last few weeks and getting even stronger is **COUNTING CROWS** Mr. Jones (DGC). This record is exploding now...Don't be left at the gate...Geffen is RED HOT right now with **NIRVANA** All Apologies, (check out the MTV Unplugged mix on your desk now!) **BECK** Loser, with Disc-overly Club mentions gaining momentum even as we speak...as well as Guns & Roses Since I Don't Have You.

Eric Murphy at KKRZ/Portland said it best about the lovely and talented **LAUREN CHRISTY** Steep (MERCURY): "The next Celine/Mariah/Whitney." "Nuff said.

Top40 radio enjoyed tremendous success last year with Restless Heart, a Country crossover artist - In 1994 that same success will come from a little ole band called **LITTLE TEXAS** What Might Have Been (WARNER BROS.) Mark my words.
