POP NOTES

BY MIKE KASABO

A big welcome to Denny Long WCCO, Minneapolis as our latest reporter to this section of R&R. Denny informs us of "unbelievable phone calls" on the Jerry Jordan record "Phone Call From God." In case you missed hearing it the first time around, you might drag it out for a second listen. It's on MCA.

The Morris Albert record "Feelings" got a super shot in the arm by picking up the following stations: WGAN, WHIO, WASH, KEX, KCRA, WFIR. The single from Elton's album is "Someone Saved My Life Tonight." "How Sweet It Is" James Taylor is being rushed to stations in single form. By the way, the B-side of the upcoming Elton single is a never been released recording.

The Guess Who record "Seems Like I Can't Live With You" is showing great strength at WIP and debuts No. 12 on WSM's chart. "Misty" by Ray Stevens continues to one of the better phone action records and was just added to WCBM.

"Survivors" by John Stewart is now in its fourth week of being the hottest record at KHOW. Carol Archer, music director at KIIS put the record on last week and after just one play the station logged a dozen calls for it.

Don Kelly, K101 says he wants a gold record for being the last station in the country to play Freddy Fender's "Before The Next Teardrop Falls." Sorry, Don you'll have to share it with Don Hofmann at KVI ... he just put it on also.

Elvis had another big week with "T-R-O-U-B-L-E." Added at KVI, WTRX, KMBZ, KSD, WASH, KCRA.

"Changing Horses" Dan Fogelberg starting to show up a little ... add WCMI, KIIS.

The Eric Clapton "Swing Low Sweet Chariot" rolling along just fine ... add KMBZ, KEX, and WIP.

Chuck Leary KWAV, Monterey reports good reaction to an album cut by David Steinberg. "Tears On My Dashboard" is the cut.

Anne Murray's "Dream Lover" added to WREC, KMBZ. In light of Sonny Jurgensen's "sudden retirement" from the Washington Redskins, one of the jocks at WASH altered the way he introduced the B.J. Thomas record, calling it "Hey Won't You Play Another George Allen Done Sonny Wrong Song."
