Their debut single is "Let's Not Wait," penned by Miss March, and "Whatever You Do," an original tune written by Tony and Carol.

Club Review

Chairmen Rock Sugar Shack

Chairmen of the Board is a smash hit group. After being signed by A&R Records, they were in the studio recording the disc "Chairmen of the Board." When called back for an encore, the song was later released as the hit "Sunglasses at Night.""Patches" (written by General Johnson) and the much-played tune by Traffic, "Feelin' Alright," when called back for an encore, the act sang their latest hit, "Pay to the Piper." Their music was original and played very well. Their past two hits have both shot very high on the Record World charts. A new single, "We Are the Chairmen of the Board," was just released off their first album, "Chairmen of the Board." Since then they have released a second LP titled "In Session." Martin Snider

Blair Joins CMA

NEW YORK—Following discussions with several major talent agencies, A&R recording artist John Blair has signed with CMA for representation in all fields. A Cincinnati native, Blair has been applauded both as a singer and jazz violinist and has drawn audiences from both the pop and jazz fields. The agency is currently arranging an array of college concert appearances for the spring semester and is negotiating with several television variety showcases. His initial album, "Mythical Soul," recently was released by A&R.

Continuing LP Hits

Isaac Hayes, Enterprise Records artist, has his third consecutive hit album with "To Be Continued," which has already sold more than 500,000 copies.
